Report of Independent Auditors

To the General and Limited Partners of
Highland Capital Management, L.P

In our opinion, the accompanying consolidated balance sheet and the related consolidated statements of income, of changes in partners' capital and of cash flows (hereinafter referred to as the "financial statements") present fairly, in all material respects, the consolidated financial position of Highland Capital Management, L.P. (the "Partnership") and its subsidiaries at December 31, 2008, and the consolidated results of their operations and their consolidated cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplemental unconsolidated balance sheet and unconsolidated statement of income are presented for purposes of additional information, and are not a required part of the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

A handwritten signature in black ink that reads "PricewaterhouseCoopers LLP". The signature is written in a cursive, flowing style.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment advisor under the Investment Advisors Act of 1940 that manages collateralized loan obligations ("CLOs"), registered investment companies ("RICs"), hedge funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is 100% owned by senior management of the Partnership.

As of December 31, 2008, the Partnership provided investment advisory services in accordance with management agreements for thirty CLOs, sixteen RICs, one warehouse transaction, five separate accounts, one master limited partnership, and twelve hedge fund structures, with total assets under management of approximately \$28.5 billion.

2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in the preparation of its financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP") and are stated in United States dollars.

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries, which are comprised of (i) those entities in which it has controlling investment of 50% or more and has control over significant operating, financial and investing decisions of the entity, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions of the entity, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership consolidates all VIEs for which it is considered to be the primary beneficiary, pursuant to Financial Accounting Standards Board ("FASB") Interpretation No. 46 (revised December 2003), *Consolidation of Variable Interest Entities — an interpretation of ARB No. 51, as revised* ("FIN 46R"). FIN 46R clarifies the consolidation guidance for entities in which the equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance activities without additional subordinated financial support from other parties. These entities are defined as VIEs. In general, FIN 46R requires an enterprise to consolidate a VIE when the enterprise holds a variable interest in the VIE and is deemed to be the primary beneficiary of the VIE. An enterprise is the primary beneficiary if it absorbs a majority of the VIEs expected losses, receives a majority of the VIEs expected residual returns, or both.

The Partnership consolidates non-VIEs in which it as the general partner has control over significant operating, financial and investing decisions of the entity, pursuant to the Emerging Issues Task Force ("EITF") 04-5, *Whether a General Partner, or the General Partners as a Group, Controls a Limited Partnership or Similar Entity When the Limited Partners Have Certain Rights*.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Consolidation of Non-Variable Interest Entities

Under EITF 04-5, the Partnership consolidates the following non-VIEs (collectively referred to as the "Consolidated Investment Funds"). The Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations. :

- Highland Crusader Offshore Partners, L.P. ("Crusader Master"), a Bermuda exempted limited partnership that commenced operations on July 10, 2000;
- Highland CDO Opportunity Master Fund, L.P. ("CDO Master Fund"), a Bermuda limited partnership that commenced operations on November 9, 2005;
- Highland Credit Strategies Master Fund, L.P. ("Credit Strategies Master"), a Bermuda exempted limited partnership that commenced operations on August 24, 2005;
- Highland Credit Opportunities CDO, L.P. ("Credit Opportunities Master"), a Delaware limited partnership that commenced operations on December 29, 2005;
- Highland Select Equity Fund, L.P. ("Select Equity Fund"), a Delaware limited partnership that commenced operations on January 1, 2002;
- Highland Equity Focus Fund, L.P. ("Equity Focus Fund"), a Delaware limited partnership that commenced operations on September 1, 2002;
- Highland Real Estate Fund 2002-A, L.P. ("Real Estate Fund"), a Delaware limited partnership that commenced operation on April 1, 2002;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Prospect Management Advisors, L.P. ("PMA"), a Delaware limited partnership that commenced operations on November 22, 2004 (not an investment fund);
- Canopy Timberlands, L.P., a Delaware limited partnership that commenced operations on April 29, 2008;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore") a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore") a Delaware limited partnership that commenced operations on September 2, 2008; and
- Highland Restoration Capital Partners Master, L.P. ("Restoration Master") a Delaware limited partnership that began commenced on September 2, 2008.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Consolidation of Variable Interest Entities

Under FIN 46R the Partnership consolidated the following VIEs as it is the primary beneficiary:

- Highland Financial Corporation ("HFC"), a company incorporated on February 28, 2006 under the laws of the state of Delaware;
- Highland Financial Real Estate Corporation ("HFREC"), a company incorporated on March 15, 2006 under the laws of the state of Maryland; and
- HCM Trident (Delaware) Corporation ("HCM Trident"), a company incorporated on July 3, 2007 under the laws of the state of Delaware.

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in Highland Capital Management Europe, Ltd. ("Highland Europe"), a company organized in the United Kingdom and purchased by the Partnership on April 6, 2005;
- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in HFP GP, LLC, a Delaware limited liability company that commenced operations on January 20, 2006;
- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;
- 100% interest in Highland Capital Management (Singapore) Pte, Ltd, a company organized in the Republic of Singapore that commenced operations on April 2, 2008;
- 87.5% interest in HySky Communications, LLC, a Delaware limited liability company that commenced operations on December 22, 2006; and
- 84.5% interest in HE Capital, LLC, a Delaware limited liability company that commenced operations on March 22, 2007.

All significant interpartnership and intercompany accounts and transactions have been eliminated in consolidation of all of the aforementioned consolidated entities. All the Consolidated Investment Funds are, for US GAAP purposes, investment companies under the AICPA Audit and Accounting Guide - Investment Companies. The Partnership has retained the specialized accounting of these funds pursuant to EITF No. 85-12 *Retention of Specialized Accounting for Investments in Consolidation*.

The Partnership and its majority owned entities have a 29.3% interest in an affiliate, Highland Financial Partners, L.P. ("HFP"), which is considered a VIE. The Partnership and its consolidated entities have a 48.11% interest in HFP. The Partnership is not the primary beneficiary, and the financial results for HFP have not been consolidated, but have been accounted for using the equity method of accounting whereby it records its share of the underlying income or loss of HFP.

Investment Transactions

Investment transactions are recorded on a trade date basis. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Fair Value Measurement

Effective January 1, 2008, the Partnership and its consolidated entities adopted the provisions of Statement of Financial Accounting Standards ("SFAS") No. 157, *Fair Value Measurements*, for the financial assets and liabilities recorded at fair value on the Consolidated Statement of Assets, Liabilities and Partners' Capital.

SFAS No. 157 defines fair value as the price an entity would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants as of the measurement date. The standard requires fair value measurement techniques to reflect the assumptions market participants would use in pricing an asset or liability and, where possible, to maximize the use of observable inputs and minimize the use of unobservable inputs. It also establishes the following hierarchy that prioritizes the valuation inputs into three broad levels:

- Level 1 – Valuation based on quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Investment Funds have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.
- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active; or (c) models in which all significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on models in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure the fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Investment Funds use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being re-classified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates.

Whenever possible, the Partnership and its Consolidated Investment Funds use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Investment Funds develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

As of December 31, 2008, the Partnership and its consolidated entities investments consisted of floating rate syndicated bank loans, high yield corporate bonds, CLO securities, private placements, private placement real estate debt and equity, life settlement contracts and common and preferred equity securities. In addition, the consolidated entities are parties to various credit default swaps. The majority of these financial instruments are not listed on national securities exchanges, and management is required to use significant judgment to estimate their values.

The fair value of the loans, corporate bonds and CLO securities are generally based on quotes received from brokers or independent pricing services. Due to the recent disruption in the credit markets, an increasing number of these quotes are derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades. The policy of the Partnership and its consolidated subsidiaries is to classify loans and bonds that are priced in this manner as Level 3 assets because the markets in which they trade are not active and the inputs used by the brokers and pricing services are not readily observable. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

The consolidated entities private placement real estate investments include equity interests in limited liability companies and debt issued by entities that invest in commercial real estate. The fair value of these investments is based on internal models developed by the Partnership. The significant inputs to the models include cash flow projections for the underlying properties and appraisals performed by independent valuation firms. Since these inputs are not readily observable, the investments are classified as Level 3 assets.

Common and preferred equity securities traded on national exchanges are valued at their closing prices as of December 31, 2008. These securities are classified as Level 1 assets. The consolidated entities also hold certain equity securities for which no active market exists. The value of these securities, which are classified as Level 3 assets, is based on a combination of broker quotes and internal valuation models.

Life settlement contracts are valued using mortality tables and interest rate assumptions that are deemed appropriate for the demographic characteristics of the parties insured under the policies. Since these inputs are not readily observable, they are classified as Level 3 assets.

The fair value of credit default swaps is based on quotes received from an independent pricing service. The inputs used to derive the quotes are not readily observable and are therefore classified as Level 3.

Refer to Note 5 for the disclosures required by SFAS No. 157.

Management and Incentive Fee/Allocation Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2008, the Partnership and its consolidated entities recognized management and incentive fees and incentive allocations of approximately \$204.9 million, and \$0.9 million, respectively. The Partnership recognized approximately \$150.3 million of depreciation on incentive fees previously deferred under Sec. 409(A) of the Internal Revenue Code. This has been presented in *Net depreciation on deferred incentive fees* in the consolidated statement of income.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Dividends, Interest and Expense Recognition

Dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. Operating expenses, including interest on securities sold short, not yet purchased are recorded on the accrual basis as incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes, which have been recognized in accordance with SFAS No. 109, *Accounting for Income Taxes*.

Certain entities that are included in these financial statements are subject to federal and/or state income taxes. The stated objectives of SFAS No. 109 are to recognize (a) the amount of taxes payable or refundable for the current year and (b) deferred tax liabilities and assets for the future tax consequences of events that have been recognized in financial statements or filed tax returns. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. The following subsidiaries are subject to these provisions: Highland Europe, HFC and HFREC. Deferred tax assets of approximately \$0.2 million are presented in *Other assets* in the consolidated balance sheet. Federal, state and city taxes for the Partnership and its consolidated corporate subsidiaries of approximately \$20,000 are presented in *Other expense* in the consolidated statement of income.

The Consolidated Investments Funds are not subject to federal income taxes and therefore no provision has been made in the accompanying consolidated financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Foreign cash of \$1.8 million is included in the cash and cash equivalents on the consolidated balance sheet.

Restricted Cash

The Partnership and its subsidiaries are required to maintain cash balances as collateral for various financing and derivative transactions. These amounts are reported as restricted cash.

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

Total Return Swaps

A total return swap agreement is a two-party contract under which an agreement is made to exchange returns from predetermined investments or instruments. The gross returns to be exchanged or "swapped" between the parties are calculated based on a "notional amount," which is valued monthly according to the valuation policy mentioned above to determine each party's obligation under the contract.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Risks could arise from entering into swap agreements from the potential inability of counterparties to meet the terms of their contracts, and from the potential inability to enter into a closing contract. The Partnership's Consolidated Investment Funds recognize all cash flows received (paid) or receivable (payable) from swap transactions on a net basis as realized or unrealized gains or losses in the consolidated statement of income. The Partnership and the Consolidated Investment Funds are charged a finance cost by counterparties with respect to each agreement. The finance cost is reported as part of the realized or unrealized gains or losses.

Credit Default Swaps

As discussed in Note 7, under a credit default swap agreement two parties agree to transfer the credit exposure of an asset between one another. The seller of the swap guarantees the credit worthiness of a specific instrument by agreeing to pay the buying party a specific amount (generally par value) in the event that the instrument defaults.

At December 31, 2008, the Partnership's Consolidated Investment Funds were party to multiple credit default swaps in which it acts as the guaranteeing party. In the event that any of the underlying instruments default prior to the expiration of the agreements, the Consolidated Investment Funds are obligated to pay the swap counterparty the par value of the specific instrument. The Consolidated Investment Funds collect a fee based on the size of the underlying positions which are treated as realized gains once received. The difference between the current market value of the swaps and the original price of the swap is reported as an unrealized gain or loss.

At December 31, 2008, the Partnership's Consolidated Investment Funds were party to several credit default swaps in which it was the guaranteed party. In the event that any of the instruments underlying the various swap agreements default before the swap agreement expires, the Partnership and the Consolidated Investment Funds will be made whole by the swap counterparty. The Partnership and the Consolidated Investment Funds treat the fees paid as a realized loss once paid. The difference between the current market value of the swaps and the original price of the swap is reported as an unrealized gain or loss.

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand. Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash or securities. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender.

Securities Loaned

The Partnership's Consolidated Investment Funds may lend securities to their financing counterparties for margin. The lending entity receives the interest associated with the securities loaned. The loans are secured by the fair value of the securities. Gains or losses in the fair value of the securities loaned that occur during the term of the loan will be for the account of the lender. The lender has the right under the lending agreement to recover the securities from the prime brokers on demand. The lender pays a fee to the broker for the cash collateral received. This is accounted for as interest expense. A credit risk exists to the lender under this type of transaction to the extent that the counterparty defaults on its obligation to return the securities loaned.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Options

The Partnership's Consolidated Investment Funds purchase and sell call and put options on equity securities and equity indices as part of its overall portfolio management strategies. Purchased call or put options may be used to obtain economic exposure equivalent to a long or short position, respectively, or to hedge existing or anticipates portfolio positions. Certain options contracts are index options, under which amounts due or payable upon exercise are settled entirely in cash based on the difference between the value of the index at maturity and its contract (or strike) value. The potential risk of loss for purchased options is limited to the premium paid.

The premium paid for the purchase of an option is included in the consolidated balance sheet as an investment and subsequently marked-to-market to reflect the current value of the option. If an option expires on the stipulated expiration date, the Consolidated Investment Funds realize a loss equal to the cost of the option. If the Consolidated Investment Funds enter into a closing sale transaction, the Consolidated Investment Funds realize a gain or loss, depending on whether the proceeds from the closing sale transaction are greater or less than the cost of the option. If the Consolidated Investment Funds exercise a call option, the cost of the securities acquired upon exercise is increased by the premium paid to buy the call. If the Consolidated Investment Funds exercise a put option, it realizes a gain or loss from the sale of the underlying security and the proceeds from such sale are decreased by the premium originally paid.

Margin Transactions

In order to obtain more investable cash, the Partnership and its subsidiaries may use various forms of leverage including purchasing securities on margin. Such leverage may allow the Partnership and its subsidiaries to increase net assets at a greater rate during increasing markets, but also may lead to a more rapid decrease in net assets in a declining market. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2008. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. Withdrawals payable may be treated as capital for purposes of allocations of gains/losses pursuant to the partnerships' governing documents. At December 31, 2008, the Partnership and its consolidated entities had withdrawals payable of \$16,825. Refer to Note 16.

Use of Estimates

The preparation of the consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Foreign Currency Transactions

The Partnership's subsidiary Highland Europe uses British Pounds as its functional currency and enters into transactions in multiple foreign currencies. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2008. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the consolidated statement of income.

The Consolidated Investment Funds do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the Net realized and unrealized gains or loss from investments.

Financial Instruments

The Partnership and its consolidated entities determine fair value of financial instruments as required by SFAS No. 107, *Disclosures About Fair Values of Financial Instruments*. The carrying amounts for cash and cash equivalents, receivables, accounts payable and accrued liabilities approximate their fair values because of their short maturities.

Derivative Financial Instruments

During 2008, the Partnership was a party to a total return swap agreement. In addition, the Partnership engaged in purchases and sales (including "short sales") of exchange traded commodities and the short sale of subprime backed collateralized mortgage obligations through a purchase of a credit default swap. The Partnership has not designated any derivative transactions as accounting hedges, and, consequently, has not applied hedge accounting treatment under SFAS No. 133, *Accounting for Derivative Instruments and Hedging Activities*, as amended and interpreted.

As discussed in more detail in Note 6, all realized gains or losses related to the Partnership's total return swap, credit default swap and commodity purchases and sales are recorded in *Net realized loss on investment transactions*. The cash flows associated with derivative transactions are classified as investing in the consolidated statement of cash flows.

As of December 31, 2008, the Partnership was not a party to a derivative transaction.

Life Settlement Contracts

Two of the Partnership's Consolidated Investment Funds invest in life settlement contracts (the "Policies") and account for them using the fair value method in accordance with FASB Staff Position FTB85-4-1, *Accounting for Life Settlement Contracts by Third-Party Investors*. The Policies are reflected as a component of "Investments, at fair value" in the Consolidated Statement of Assets, Liabilities and Partners' capital. Realized and unrealized gains (losses) on the Policies are reflected in the Consolidated Statement of Income. Cash flows used to purchase the Policies are reflected as a component of "Purchases of Investments" in the Consolidated Statement of Cash Flows.

The Consolidated Investment Funds were invested in 138 Policies at December 31, 2008 with a total face value of approximately \$1,216 million.

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Goodwill and Other Intangible Assets

The Partnership purchased Highland Europe on April 6, 2005. Goodwill represents the amount paid in excess of the fair value of the assets of Highland Europe at the date of acquisition. No goodwill impairments existed as of December 31, 2008.

The Partnership has obtained the rights to the management contracts of certain RICs it manages by acquiring the underlying contracts from the predecessor investment manager. In accordance with SFAS No. 142, *Goodwill and Other Intangible Assets*, the Partnership performs an impairment test on the purchased investment contracts on an annual basis. Any depreciation in the value of the purchased investment management contracts are accounted for in the year when it occurs. The carrying values of the purchased investment contracts are not adjusted for appreciation. During 2008, two RICs were reorganized into a fund managed by the Partnership. As more fully described in Note 15, the carrying value of these purchased management contracts were written off at that time. For the remaining contracts, there was no impairment.

The goodwill and purchased investment management contracts are indefinite-lived assets and are not amortized.

During 2007, the underlying companies consolidated by HFREC purchased rental property (the "Project"). The Projects' purchase prices were allocated to the fair value of tangible and intangible assets and liabilities acquired with the purchases. Lease intangibles represent the measurement of certain intangibles associated with operating leases.

The lease intangible components are the estimated values of 1) leasing commissions (prepaid origination costs), 2) in-place leases, and 3) tenant/customer relationships. Leasing commissions and in-place leases represent the value associated with "cost avoidance" of acquiring in-place leases and are computed as the estimated loss of revenue, net of costs incurred for the period required to lease the "assumed vacant" property to the occupancy level when purchased. These amounts are amortized using the straight-line method over the remaining term of the lease of 2.5 years and are included in depreciation and amortization. Tenant relationships represent the present value of the anticipated renewals of in-place leases, adjusted for the probability of the renewals. The value of tenant relationships is amortized using the straight-line method over the average renewal term of the lease of 7 years and is included in depreciation and amortization. Refer to Note 15.

Recently Issued Accounting Standards & Interpretations

In September 2008, the Financial Accounting Standards Board ("FASB") issued FSP FAS 133-1 and FIN 45-4, *Disclosures about Credit Derivatives and Certain Guarantees: An Amendment of FASB Statement No. 133 and FASB Interpretation No. 45; and Clarification of the Effective Date of FASB Statement No. 161*. FSP FAS 133-1 and FIN 45-4 requires enhanced disclosures about credit derivatives and guarantees and amends FIN 45, *Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others* to exclude derivatives instruments accounted for at fair value under SFAS 133. The Consolidated Investment Funds adopted FSP FAS 133-1 and FIN 45-4 as of December 31, 2008. Since FSP FAS 133-1 and FIN 45-4 only requires additional disclosures concerning credit derivatives and guarantees, it did not have any effect on the Consolidated Investment Fund's financial position, results of operations or cash flows. Refer to Note 7 for the disclosures required by FSP FAS 133-1 and FIN 45-4.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

In December 2008, the FASB issued FIN 48-3, Effective Date of FASB Interpretation No. 48 for Certain Nonpublic Enterprises ("FSP 48-3"), which deferred the effective date of FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes, an Interpretation of FASB Statement No. 109 ("FIN 48"). Under FSP 48-3, in the absence of early adoption, FIN 48 will become effective for the Partnership and its Consolidated Investment Funds at December 31, 2009. Management has elected to take advantage of the deferral and will continue to accrue for liabilities relating to uncertain tax positions only when such liabilities are probably and estimable. Based on its continued analysis, management has determined that adoption of FIN 48 will not have a material impact to the financial statements. However, management's conclusions regarding FIN 48 may be subject to review and adjustment at a later date based on ongoing analyses of tax laws, regulation and interpretations thereof and other factors.

FIN 48 requires management to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than 50% likely of being realized upon ultimate settlement which could result in recording a tax liability that would reduce partners' capital. FIN 48 must be applied to all existing tax positions upon initial adoption and the cumulative effect, if any, is to be reported as an adjustment to the beginning balance of partners' capital upon adoption.

In February 2007, the FASB released SFAS No. 159, *The Fair Value Option for Financial Assets and Financial Liabilities — Including an amendment of FASB Statement No. 115*, or SFAS 159. This statement permits entities to choose to measure many financial instruments and certain other items at fair value. SFAS 159 may be adopted and the fair value option may be elected in the first quarter of 2008. The Partnership has elected to adopt this statement and evaluates securities on an instrument by instrument basis.

In December 2007, the FASB issued SFAS No. 160, *Accounting for Non-controlling Interests*, or SFAS 160. SFAS 160 clarifies the classification of minority interests in the consolidated balance sheet and statement of income. This Statement is effective for fiscal years beginning on or after December 15, 2008. Under SFAS 160, the ownership of consolidated subsidiaries by other consolidated subsidiaries will be presented separately in the equity section of the consolidated balance sheet. Also, upon the deconsolidation of any subsidiary, the retained equity investment will be measured at fair value. The Partnership has not yet determined the impact, if any, that the implementation of SFAS No. 157 would have on our consolidated results of operations or financial condition.

In December 2007, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 141 (revised 2007), *Business Combinations* ("SFAS 141(R)"). SFAS 141(R) requires assets acquired, liabilities assumed, contractual contingencies and contingent consideration to be measured at their fair values at the acquisition date. In addition, SFAS 141(R) requires subsequent adjustments to any acquisition-related tax reserves to be recognized in net income rather than as an adjustment to the purchase price. SFAS 141(R) is effective for business combinations completed in periods beginning on or after December 15, 2008. The Partnership has not yet determined the impact, if any, that the implementation of SFAS No. 157 would have on our consolidated results of operations or financial condition.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

In October 2008, the Financial Accounting Standards Board ("FASB") issued Staff Position 157-3, *Determining the Fair Value of a Financial Asset in a Market That Is Not Active*, ("FSP 157-3") which clarifies the application of SFAS No. 157, *Fair Value Measurements*, ("SFAS 157") in an inactive market and provides an illustrative example to demonstrate how the fair value of a financial asset is determined when the market for that financial asset is not active. The guidance provided by FSP 157-3 is consistent with the Partnership and its consolidated entities' approach to valuing financial assets for which there are no active markets.

3. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2008:

(in thousands of dollars)

Buildings	\$	100,536
Land		25,168
Leasehold improvements		4,907
Computer and equipment		3,917
Furniture and fixtures		2,911
Computer software		2,423
Tenant improvements		2,285
Site improvements		986
Accumulated depreciation		(11,578)
	\$	<u>131,555</u>

The Partnership and its consolidated entities are depreciating fixed assets as follows:

	Period
Buildings	29 - 40 years
Leasehold improvements	Lease term
Computer and equipment	5 years
Furniture and fixtures	7 years
Computer software	3 years
Site improvements	10 years
Tenant improvements	Shorter of lease term or estimated life of tenant improvement

Depreciation expense in 2008 totaled approximately \$6.1 million for the Partnership and its subsidiaries.

The Partnership and its consolidated entities had approximately \$5.5 million of capital expenditures in 2008.

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2008

4. Investments

Detailed below is a summary of the Partnership and its subsidiaries' investments at December 31, 2008:

(in thousands)

	Amortized Cost/Cost	Value
Investments in floating rate syndicated bank loans	\$ 489,400	\$ 206,847
Investments in fixed rate syndicated bank loans	88,749	62,918
Investments in fixed income securities	1,432,684	435,497
Investments in floating income investments	315,363	84,335
Investments in equity securities	1,583,804	770,028
Investments in life settlement contracts	247,668	200,386
Investments in CLOs (mezz tranches)	254,453	84,214
Investments in CLOs (residual CLO equity tranches)	470,421	70,700
Investments in closed-end mutual funds	26,253	9,244
Investments in private placement real estate	439,095	282,428
Investments in limited partnerships	121,433	130,077
Investments in warrants	6,088	2,085
Total investments	<u>\$ 5,475,411</u>	<u>\$ 2,338,759</u>
Total return swaps	\$ -	\$ (96,228)
Credit default swaps	(7,206)	(156,613)
Net unrealized gain/loss on swaps	<u>\$ (7,206)</u>	<u>\$ (252,841)</u>
	Proceeds	Value
Securities sold short, not yet purchased	<u>\$ 60,094</u>	<u>\$ 71,831</u>

Affiliated Investments

Investments in Residual CLO Equity and Mezzanine Tranches

Investments in affiliated residual CLO equity tranches primarily represent tranches of CLOs for which the Partnership and Highland Europe provide investment advisory services. The CDO Master Fund receives quarterly distributions based on the excess interest after paying the stated interest distributions to the senior and mezzanine note holders, and paying the investment manager, trustee and other related fees. A portion of these distributions are amortized against the cost basis of the investment based on the actual cash distributions received during the year versus the total expected remaining cash distributions to the residual CLO equity tranche. The remainder of the distribution is recorded as interest income.

Investments in residual equity and mezzanine tranches of CLOs are not actively traded. The estimated fair value of the CLOs is derived from broker quotes and valuation models. The estimated fair value of these investments as presented in the consolidated balance sheet does not necessarily represent the amount that could be obtained from the sale of these investments. Changes in the credit quality or the performance of the underlying collateral, the availability and price of assets available for reinvestment, interest rates and/or the interest rate curve, or other market conditions could have a material impact on the estimated fair value of the investments.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Investment in Highland Special Situations Fund

The Partnership invests in Highland Special Situations Fund ("HSSF"), a diversified, closed end RIC for which the Partnership provides investment advisory services. As of December 31, 2008, the market value of the Partnership's investment in HSSF was approximately \$2.1 million. During the year ended December 31, 2008, the Partnership accrued approximately \$0.3 million in dividends from HSSF.

Investment in Highland Equity Opportunities Fund

The Partnership invests in Highland Equity Opportunities Fund ("HEOF"), a diversified, open end RIC for which the Partnership provides investment advisory services. As of December 31, 2008, the market value of the Partnership's investment in HEOF was approximately \$0.2 million. During the year ended December 31, 2008, the Partnership received approximately \$152 in dividends from HEOF, which the Partnership reinvested in the fund.

Investment in Highland Distressed Opportunities, Inc.

The Partnership invests in Highland Distressed Opportunities, Inc. ("HCD"), a non-diversified, closed-end RIC for which the Partnership provides investment advisory services. As of December 31, 2008, the market value of the Partnership's investment in HCD was approximately \$2.1 million. During the year ended December 31, 2008, the Partnership received approximately \$0.1 million in dividends from HCD, which the Partnership reinvested in the fund.

Investment in Highland High Income Fund

The Partnership invests in Highland High Income Fund. ("HHIF"), a non-diversified, closed-end RIC for which the Partnership provides investment advisory services. As of December 31, 2008, the market value of the Partnership's investment in HHIF was approximately \$0.2 million. During the year ended December 31, 2008, the Partnership received approximately \$0.3 million in dividends from HHIF, which the Partnership reinvested in the fund.

Investment in Highland Income Fund

The Partnership invests in Highland Income Fund ("HIF"), a non-diversified, open-end RIC for which the Partnership provides investment advisory services. As of December 31, 2008, the market value of the Partnership's investment in HIF was approximately \$0.3 million. During the year ended December 31, 2008, the Partnership received approximately \$0.3 million in dividends from HIF, which the Partnership reinvested in the fund.

Prepaid Forward Contract

On July 28, 2006, Highland Multi-Strategy Onshore Master Subfund I, LLC and Barclays Bank PLC ("Barclays") entered into a prepaid forward contract. The Partnership and affiliates redeemed approximately \$312.7 million of a reference portfolio, which was comprised of the following basket of funds advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund and Select Equity Fund. Barclays simultaneously contributed approximately \$312.7 million as a hedge to its obligation under the prepaid forward contract.

Barclays was prepaid approximately \$156.3 million, or one-half of the reference portfolio value at initiation of the transaction. A notional amount, (the initial reference portfolio value less the amount prepaid), accretes interest to Barclays at monthly LIBOR plus 0.90% per annum. As of December 31, 2008, the notional amount was approximately \$184.3 million.

A collateral account in the amount of approximately \$53.2 million was established to further secure the transaction. Due to extreme market volatility, all of the underlying holdings in the collateral account were sold during 2008.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

The term of the prepaid forward contract is three years and allows for net settlement upon termination. At contract expiration, Barclays will remit in cash the greater of the difference between the reference portfolio value and the notional amount, as valued on the scheduled termination date, or zero. As of December 31, 2008, the contract did not have a positive net fair value.

Detailed below is a summary of the transaction as of December 31, 2008:

(in thousands of dollars)

Reference Portfolio	Value
Real Estate Fund	\$ 46,265
Highland Crusader Fund, L.P.	30,483
Select Equity Fund	15,337
Equity Focus Fund	8,451
Highland Credit Opportunities CDO, L.P.	295
Highland CDO Opportunity Fund, Ltd.	-
Highland Credit Strategies Fund, L.P.	-
Reference portfolio total	<u>100,831</u>
Notional amount	<u>(184,272)</u>
Fair value of prepaid forward contract	<u>\$ (83,441)</u>

On October 7, 2008, Barclays submitted a notice of early termination for the prepaid forward contract. Refer to Note 17 for further discussion.

Accreting Strike Option

On February 28, 2007, Highland Multi-Strategy Onshore Master Subfund II, LLC entered into an Accreting Strike Option ("ASO") with Barclays. The ASO's value is based on the following basket of funds ("the reference portfolio") advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund, Select Equity Fund and Credit Opportunities Domestic Feeder. The value of the reference portfolio at inception was approximately \$250.2 million

Barclays was paid a \$71.4 million premium on the option. The strike price, (the initial reference portfolio value less the premium paid), accretes interest to Barclays at monthly LIBOR plus 1.4% per annum. As of December 31, 2008, the strike price was approximately \$176.4 million.

The term of the accreting strike option is five years and allows for net settlement upon termination. At contract expiration, Barclays will remit in cash the greater of the difference between the reference portfolio value and the strike price, as valued on the scheduled termination date, or zero. As of December 31, 2008, the ASO did not have a positive net fair value.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Detailed below is a summary of the transaction as of December 31, 2008:

(in thousands of dollars)

Reference Portfolio	Value
Select Equity Fund	\$ 93,228
Real Estate Fund	20,687
Highland Crusader Fund, L.P.	11,040
Equity Focus Fund	5,749
Highland Credit Opportunities CDO, L.P.	365
Highland CDO Opportunity Fund, Ltd.	-
Highland Credit Strategies Fund, L.P.	-
Reference portfolio total	<u>131,069</u>
Notional amount	<u>(176,400)</u>
Fair value of prepaid forward contract	<u>\$ (45,331)</u>

On October 13, 2008, Barclays served notice of early termination for the accreting strike option. Refer to Note 17 for further discussion.

Investment in Highland Financial Partners, L.P. ("HFP")

The Partnership invests in HFP, a holding company organized to provide investors with the earnings of its leveraged credit subsidiaries. As of December 31, 2008, the Partnership's equity investment in HFP had no value and was permanently impaired. The Partnership recognized a \$74.7 million realized loss in Net realized loss from equity method investees.

On October 20, 2008, the Partnership received an HFP senior secured note in the amount of \$22.3 million from CDO Master Fund. The note was transferred to the Partnership to satisfy a prior obligation. The note accrues interest at a rate of 10% per annum, payable quarterly. As of December 31, 2008, the fair value of the note was approximately \$7.4 million.

Investment in Highland Capital Special Allocation, LLC

The Partnership is the sole owner of HCSA, which was organized to receive management incentive allocations from HFP. During 2008, HCSA did not receive an incentive allocation. As of December 31, 2008, the Partnership's investment in HCSA had no value and was permanently impaired. The Partnership recognized a \$53.8 million realized loss in Net realized loss from equity method investees.

5. Fair Value of Financial Instruments

As discussed in Note 2, the Partnership and its consolidated entities categorize investments recorded at fair value in accordance with the hierarchy established by SFAS No. 157.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements
December 31, 2008**

The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2008:

(in thousands of dollars)

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value at December 31, 2008</u>
Investments	\$ 221,571	\$ 43,837	\$ 2,073,351	\$ 2,338,759
Derivatives	-	-	(252,841)	(252,841)
Securities sold, not yet purchased	71,831	-	-	71,831

The following table provides a roll forward of the financial instruments classified within Level 3 for the year ended December 31, 2008. The classification of a financial instrument within Level 3 is based on the significance of the unobservable inputs to the overall fair value measurement.

Fair Value Measurements Using Significant Unobservable Inputs

(in thousands of dollars)

	<u>Investments</u>	<u>Derivatives</u>
Estimated fair values as of January 1, 2008	\$ 5,740,260	\$ 78,060
Purchases, sales and maturities, net	(788,142)	51,512
Net transfers in/(out) of Level 3	10,959	-
Net realized (losses)/gains	(1,014,179)	(181,345)
Net unrealized losses	<u>(1,875,546)</u>	<u>(201,068)</u>
Estimated fair values as of December 31, 2008	<u>\$ 2,073,352</u>	<u>\$ (252,841)</u>

6. Derivative Transactions

In June 2008, the Partnership terminated a total return swap ("TRS") and began the process of selling the underlying assets in the TRS. The Partnership recognized a \$7.8 million loss on the sale of the underlying assets in the TRS. The loss and net settlement interest are recorded in Net realized loss on investment transactions in the Consolidated Statement of Income. As of December 31, 2008, all of the assets in the TRS had been sold; however, there were certain assets that remained unsettled. As of December 31, 2008, approximately \$2.5 million in collateral posted was owed to the Partnership for these unsettled trades. This amount is recorded in Due from broker.

During the first quarter of 2008, the Partnership held short positions in exchange traded commodities and realized a loss of \$16.7 million from these transactions. This activity is recorded in Net realized loss on investment transactions.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

During the first quarter of 2008, the Partnership participated in a credit-default swap ("CDS") through one of the Partnership's Consolidated Investment Funds. The underlying assets in the CDS were subprime mortgage backed securities. In this transaction, the Partnership was a purchaser of protection against the lack of future cash flows from these securities. The Partnership realized a gain of \$74.5 million from the sale of the CDS, which is recorded in Net realized loss on investment transactions. The Partnership's premium recognized for the transaction in 2008 was \$0.9 million. The premiums are recorded in Net realized loss on investment transactions.

7. Total Return Swaps

Detailed below is an analysis of the total return swap balances of the Consolidated Investment Funds at December 31, 2008:

(in thousands of dollars)

	Value
Collateral included in "Restricted cash"	\$ 196,409
Notional value of underlying investments	\$ 231,586
Fair value of underlying investments	101,588
Unrealized depreciation of underlying investments included in "Unrealized losses on derivatives contracts"	\$ (117,046)

8. Credit Default Swaps

The Consolidated Investment Funds enter into credit default swaps to simulate long and short bond positions that are either unavailable or considered to be less attractively priced in the bond market. The Consolidated Investment Funds use these swaps to reduce risk where they have exposure to the issuer, or to take an active long or short position with respect to the likelihood of an event of default.

The buyer of a credit default swap is generally obligated to pay the seller a periodic stream of payments over the term of the contract in return for a contingent payment upon the occurrence of a credit event with respect to an underlying reference obligation. A credit event for corporate reference obligations includes bankruptcy, failure to pay, obligation acceleration, repudiation/moratorium or restructuring. If a credit event occurs, the seller must pay the contingent payment to the buyer, which is typically the par value (full notional value) of the reference obligation, though the actual payment may be mitigated by terms of the International Swaps and Derivative Agreement ("ISDA"), allowing for netting arrangements and collateral. In addition, the payment may be reduced by anticipated recovery rates, segregated collateral and netting arrangements that may incorporate multiple transactions with a given counterparty.

The seller of credit default swaps receives a fixed rate of income throughout the term of the contract, which typically is between one month and five years, provided that no credit event occurs. If a credit event occurs, the seller may be required to pay the buyer the full notional value of the reference obligation.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

As of December 31, 2008, the Consolidated Investment Funds were the buyers of credit default swaps ("receiving protection") on a total notional amount of \$72.5 million and the sellers of credit default swaps ("providing protection") on a total notional amount of \$387.1 million. The notional amount of the swaps is not recorded in the financial statements; however it approximates the maximum potential amount of future payments that the Consolidated Investment Funds could be required to make if they are the seller of protection and a credit event were to occur.

Those credit default swaps for which the Partnership provided protection at December 31, 2008 are summarized in the tables below. The reference obligations for all of these swaps are single issuers.

(in thousands of dollars)

	Underlying Referenced Asset		
	Collateralized		Total
	Corporate Debt	Loan Obligation Securities	
Fair value of credit default swaps	\$ (109,184)	\$ (48,875)	\$ (158,059)
Maximum potential amount of future payme	328,110	59,000	387,110
Collateral posted with counterparties by the consolidated investment funds	152,787	18,563	171,350

	Maximum Potential Amount of Future Payments			
	by Contract Term			Total
Current Credit Rating* on Underlying Bond	1-5 Years	5-10 Years	Greater than 10 Years	
BBB	\$ (213,110)	\$ -	\$ (20,000)	\$ (233,110)
BB	(40,000)	-	(24,000)	(64,000)
BB-	(10,000)	(15,000)	(5,000)	(30,000)
B+	(10,000)	-	-	(10,000)
B-	(20,000)	-	-	(20,000)
CCC+	(15,000)	-	-	(15,000)
CCC-	(15,000)	-	-	(15,000)
	<u>\$ (323,110)</u>	<u>\$ (15,000)</u>	<u>\$ (49,000)</u>	<u>\$ (387,110)</u>

The fair value of the credit default swaps for which the Consolidated Investment Funds purchased protection at December 31, 2008 was approximately \$5.5 million.

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2008

9. Debt and Notes Payable

Consolidated debt and notes payable as of December 31, 2008 consists of:

Partnership promissory note	875
	<u>\$ 397,822</u>

Revolving Credit Facilities

On January 26, 2007, the Partnership entered into a syndicated credit agreement with Bank of America as syndication agent and The Bank of Nova Scotia as administrative agent in the amount of \$60 million (the "Credit Agreement"). The Credit Agreement provides for revolving loans which are scheduled to mature on June 30, 2009, or March 26, 2010 if certain derivative transactions are extended by the Partnership.

Interest is payable on the last day of each loan, or if the loan is greater than three months, then interest is payable in three month increments. The applicable spread for LIBOR loans under the Credit Agreement is LIBOR plus 1.75% per annum. For base rate loans, the spread is 0.50% per annum over the prevailing prime rate.

Under the terms of the Credit Agreement, the availability of credit was subject to financial covenants requiring the Partnership to maintain a minimum amount of fee earning assets under management, a minimum tangible net worth, and a maximum leverage ratio.

On March 20, 2007, the Credit Agreement was amended and restated, increasing the availability under the facility to \$150 million and increasing the lender group to include five other banks. On November 2, 2007, the Credit Agreement was amended a second time to allow the Partnership to maintain certain insurance policies through an affiliate.

On December 19, 2008, the Partnership was notified by the Bank of Nova Scotia of an event of default under the terms of the Credit Agreement. The default was related to a failure to maintain a minimum tangible net worth. As a result, on December 24, 2008, the spread over LIBOR for LIBOR loans not maturing before December 31, 2008 increased to 3.75% per annum. On December 30, 2008, all LIBOR loans not maturing before December 31, 2008 were converted to base rate loans, with the applicable spread being 2.5% per annum. All other outstanding LIBOR borrowings with maturations prior to December 31, 2008 were financed at the applicable base rate. The note was subsequently refinanced in July 2009, see note 18.

The fair value of the facility as of December 31, 2008 was approximately \$126.3 million.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

In 2005, the CDO Master Fund entered into a credit agreement in the amount of \$150 million (the "CDO Credit Agreement") with Citibank, N.A. and Citigroup Financial Products Inc. The CDO Credit Agreement was restated on the original maturity date of August 27, 2008. The restated agreement stated that equity cash flows earned on the assets in the facility would be pledged against the debt principal until paydown with no further drawdowns available. Interest is charged at Federal Funds open rate plus 1.50%. As of December 31, 2008, the facility had been paid back in full.

In February 2006, the Real Estate Fund entered into a credit agreement in the amount of \$31 million (the "REF Credit Agreement") with Wachovia Bank. Interest is charged at LIBOR plus 2%. Interest is payable on the first day of each quarter. On September 29, 2008, the REF credit agreement was amended and restated, decreasing the availability under the facility to \$25 million. Interest is charged at LIBOR plus 2.25%. As of December 31, 2008, \$20 million was outstanding under the REF Credit Agreement and approximately \$116.5 million of investments were pledged as collateral. The Partnership considers the book value of the line of credit at December 31, 2008 to approximate its fair value. As of December 31, 2008, Real Estate Fund was in payment default for its failure to make a required \$5 million principal reduction payment. Real Estate Fund has subsequently received a forbearance agreement. See Note 16.

Term Loan

On July 6, 2007, HCM Trident entered into a term loan facility agreement (the "Facility Agreement") with Nomura International PLC in the amount of \$26.25 million. The Facility Agreement is scheduled to mature on the July 6, 2008, unless extended. The Facility Agreement interest is charged at LIBOR plus 0.75% and is payable quarterly on July 6, October 6, January 6, and April 6.

On July 14, 2008, the Facility Agreement was amended to reduce the availability to \$25 million. The Facility Agreement rate of interest was increased to 2.25% in excess of LIBOR. Interest is payable quarterly on July 6, October 6, January 6, and April 6.

On November 2, 2008, the Facility Agreement was amended to allow for periodic payments of principal and interest. The amortization schedule of the facility is as follows:

(in thousands of dollars)

<u>Payment Date</u>	Repayment Amount
October 28, 2008	\$ 1,000
November 3, 2008	5,000
December 15, 2008	4,000
February 16, 2009	3,000
March 16, 2009	2,000
April 15, 2009	2,000
May 15, 2009	2,000
June 15, 2009	2,800
	\$ 21,800

As of December 31, 2008, the estimated fair market value of the facility was approximately equal to the carrying value.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Promissory Notes

On January 4, 2006, the Partnership received a promissory note (the "Promissory Note") from Compass Bank in the amount of \$2 million. The Partnership must make monthly payments of principal and accumulated interest on the fifth day of each month. The Promissory Note will mature on February 1, 2011. On February 8, 2007, the Partnership and Compass Bank modified the Promissory Note, which reduced the interest rate from 2.0% to 1.7% in excess of LIBOR. The outstanding balance of the Promissory Note as of December 31, 2008 was \$0.9 million. As of December 31, 2008, the estimated fair market value of the note was approximately equal to the carrying value.

Credit Opportunities Master Note Payable

On December 19, 2008, Highland Credit Opportunities CDO Financing, LLC ("CDO Financing"), a wholly owned subsidiary of Credit Opportunities Master, issued \$122.4 million par value of senior secured convertible notes and received cash proceeds of \$115.6 million and investment securities with an estimated fair value of \$0.9 million. The notes are governed by a Note Purchase Agreement (the "Purchase Agreement") and guaranteed by Credit Opportunities Master and Highland Credit Opportunities, Ltd. (the "CDO"). At the note holders' option, the unpaid principal and accrued interest on the notes may be converted, in whole or in part, to limited partnership interests in the Feeder Fund or Credit Opportunities Master between January 1, 2010 and December 31, 2012. Subject to certain conditions, the Purchase Agreement also allows for CDO Financing to issue up to \$106.7 million par value of additional notes to the existing note holders in exchange for proceeds of \$101.4 million.

The proceeds from the notes were used primarily to fund an additional equity investment in the CDO. This investment was required under the terms of a forbearance agreement that Credit Opportunities Master executed with the Majority Controlling Class of the CDO's note holders.

The notes have a stated maturity date of December 31, 2012 and accrue interest on a quarterly basis at a rate of 25% per annum. In addition, the Purchase Agreement requires payment of a 2.5% fee on the unfunded portion of the note commitment.

Credit Opportunities Master may elect to prepay up to 50% of the outstanding principal balance from July 1, 2010 through December 31, 2010. After that period, Credit Opportunities Master may prepay all or a portion of the outstanding principal, provided that each partial payment made to the note holders is in an aggregate principal amount of at least \$0.5 million.

The Agreement requires Credit Opportunities Master to pay the following fees, as a percentage of the principal balance, in the event of a prepayment:

<u>Prepayment Period</u>	<u>Fees</u>
July 1, 2010 - December 31, 2010	15.0%
July 1, 2011 - December 31, 2011	10.0%
July 1, 2012 - December 31, 2012	6.0%

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

The Purchase Agreement grants the note holders a lien on certain assets held by Credit Opportunities Master and the CDO. In addition, it requires Credit Opportunities Master and the CDO to comply with various financial covenants. Failure to meet these covenants may result in an event of default and give the note holders the right to accelerate repayment of the debt or initiate a liquidation of certain assets. Credit Opportunities Master was not in technical compliance with a liquidity calculation specified in the debt covenants as of December 31, 2008. However, the calculation was in compliance with covenants as of January 31, 2009.

As of December 31, 2008, the estimated fair market value of the notes was approximately equal to the par value.

HFREC Notes Payable***HE Sugar Land Project, LLC "HE Sugar Land" Note Payable***

On August 27, 2007, HE Sugar Land assumed a mortgage loan from KeyBank Real Estate Capital secured by the underlying property in HE Sugar Land. The note had an original principal balance of \$46 million and a balance of \$43.4 million on the date of assumption. HE Sugar Land paid an assumption fee of \$0.2 million and deposited \$5.3 million into a reserve fund in connection with the assumption of the note. The note accrues interest at a fixed rate of 7.72% per annum. The note matures with all principal and accrued interest due on July 11, 2011. The monthly payment for principal and interest is \$0.3 million and is due on the eleventh of each month. As of December 31, 2008, the estimated fair market value of the note was approximately equal to the carrying value.

HE 1001 West Loop Project, LLC "1001 West Loop" Note Payable

On December 13, 2007, 1001 West Loop entered into a \$19.5 million loan with affiliates of the Partnership, which is secured by the underlying property in 1001 West Loop (the "Term Loan"). The Term Loan matures with all principal and accrued interest due on December 13, 2012. The Term Loan bears interest at a rate of 3.5% plus 90-day LIBOR, set on the 13th day of every third month (5.5% on December 31, 2008). Interest payments are due on the first day of the third month after the date of the Term Loan agreement, and on the first day of every third month thereafter.

In addition, 1001 West Loop entered into a \$6.5 million loan with affiliates of the Partnership on December 13, 2007, which is secured by a pledge of 1001 West Loop's ownership interests in its subsidiaries and the Manager's Subordination of Property Management Agreement (the "Mezz Loan"). The Mezz Loan matures with all principal and accrued interest due on December 31, 2012. The Mezz Loan bears interest at a fixed rate of 12%. Interest payments are due on the first day of the third month after the date of the Mezz Loan agreement, and on the first day of every third month thereafter.

As of December 31, 2008, the estimated fair market values of the notes were approximately equal to their carrying values.

HE 2425 West Loop Project, LLC "2425 West Loop" Note Payable

On December 13, 2007, 2425 West Loop entered into a \$22.9 million loan with affiliates of the Partnership, which is secured by the underlying property in 1001 West Loop (the "Term Loan"). The Term Loan matures with all principal and accrued interest due on December 13, 2012. The Term Loan bears interest at a rate of 3.5% plus 90-day LIBOR, set on the 13th day of every third month (5.5% on December 31, 2008). Interest payments are due on the first day of the third month after the date of the Term Loan agreement, and on the first day of every third month thereafter.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

In addition, 2425 West Loop entered into a \$7.6 million loan with affiliates of the Partnership on December 4, 2007, which is secured by a pledge of 1001 West Loop's ownership interests in its subsidiaries and the Manager's Subordination of Property Management Agreement (the "Mezz Loan"). The Mezz Loan matures with all principal and accrued interest due on December 31, 2012. The Mezz Loan bears interest at a fixed rate of 12%. Interest payments are due on the first day of the third month after the date of the Mezz Loan agreement, and on the first day of every third month thereafter.

As of December 31, 2008, the estimated fair market values of the notes were approximately equal to their carrying values.

HCREA Nolen Drive, L.P. ("Nolen Drive") Note Payable

On September 18, 2006, Nolen Drive entered into a \$7.1 million note payable with Artesia Mortgage Capital Corporation, which is secured by the underlying property in Nolen Drive (the "Term Loan"). The Term Loan matures with all principal and accrued interest due on October 11, 2011. The Term Loan bears interest at a rate of 6.52% per annum. Payments are due on the 11th of every month. As of December 31, 2008, the estimated fair market value of the note was approximately equal to the carrying value.

10. Financial Instruments with Concentration of Credit and Other Risks**Financial Instruments**

The Partnership and its consolidated entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The consolidated entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the consolidated entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the consolidated balance sheet.

Market Risk

Market risk represents the potential loss that may be incurred by the Master Partnership due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Investment Fund's exposure to market risk is affected by a number of factors, including the size, composition and diversification of its investments and swap agreements; interest rates; and market volatility. The Partnership and its Consolidated Investment Funds use various forms of leverage, including notes, which increase the effect of any investment value changes on partners' capital.

Credit Risk

Credit risk is the potential loss the Partnership and its consolidated entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the consolidated entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the consolidated entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Liquidity Risk

The Consolidated Investment Fund's limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Investment Funds nor their manager expect such a market to develop.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Business Risk

The Partnership provides advisory services to the consolidated investment funds. The Consolidated Investment Funds could be materially affected by the actions and liquidity of the Partnership.

High Yield Bonds and Loans

The Partnership and its Consolidated Investment Funds may invest in high-yield bonds that have been assigned a lower rating categories or are not rated by various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed. In addition, certain of the Consolidated Investment Funds' investments have resale or transfer restrictions that further reduce their liquidity. The Consolidated Investment Funds also invest in senior secured syndicated bank loans and enter into direct contractual relationships with the corporate borrowers. As such, the Partnership and its Consolidated Investment Funds are exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower.

The current economic recession has severely disrupted the market for most high-yield bonds and loans and may continue to have an adverse effect on the value of such instruments. It is also probable that the economic downturn could adversely affect the ability of the issuers of such securities to repay principal and interest thereon and increase the incidence of default for such securities.

CLO Equity Investments

The Partnership and its Consolidated Investment Funds may invest in CLO equity that are not rated by various credit rating agencies and are generally considered to be speculative with respect to the issuer's ability to repay principal and interest. The yields and prices of these non-rated CLO equity tranches are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed. In addition, certain of the Consolidated Investment Funds' investments have resale or transfer restrictions that further limit their liquidity. Given a backdrop of deteriorating general economic conditions, the Partnership and its consolidated investment funds are exposed to the potential non-payment of principal and interest from their CLO equity investments. As of December 31, 2008, 25 of the 30 CLOs managed by the Partnership paid interest to the equity holders on their last payment date.

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Investment Funds invest have been issued by distressed companies in an unstable financial condition. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Credit Default Swaps

Credit default swaps involve greater risks than if the Partnership or its Consolidated Investment Funds had shorted the reference obligations directly. In addition to the market risk discussed above, credit default swaps are subject to liquidity risk and credit risk. If a credit event occurs, the value of the reference obligation received by the Partnership or its Consolidated Investment Funds, couple with the periodic payments previously received, may be less than the full notional amount it pays to the buyer, resulting in loss of value.

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Investment Funds' investments. However, the Consolidated Investment Funds' portfolio could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Investment Funds. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Investment Funds to losses that are disproportionate to market movements as a whole.

Custody Risk

The clearing operations for the Partnership and its Consolidated Investment Funds are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Investment Funds' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Investment Funds may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Investment Funds' might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Leverage Risk

The Consolidated Investment Funds may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Investment Funds' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Investment Funds. If the value of the Consolidated Investment Funds' securities fall below the margin level required by a counterparty, additional margin deposits are required. If the Consolidated Investment Funds are unable to satisfy a margin call, the counterparty could liquidate the position in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Investment Funds to incur significant losses.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Investment Funds' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Investment Funds. In addition, because the use of leverage allows the Consolidated Investment Funds to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Investment Funds may lose in the event of adverse price movements is high in relation to the amount of their investment.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

In the event of a sudden drop in the value of the Consolidated Investment Funds' assets, the Consolidated Investment Funds may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Investment Funds may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Investment Funds have the ability to apply discretionary margin, haircut, financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2008, the Partnership and Consolidated Investment Funds' investments and derivative contracts were predominantly concentrated in the United States and the Cayman Islands and across several industries.

Wind-Down Risk

The ultimate proceeds that the Consolidated Investment Funds' are able to realize on the sale of its investments will directly affect the amounts that the investors in the Feeder Funds are able to redeem in connection with the wind down process. These amounts may differ materially from the partners' capital balances as of December 31, 2008.

Litigation Risk

The Partnership and its Consolidated Investment Funds are periodically subject to legal actions arising from the ordinary course of business. In addition, certain of the Consolidated Investment Funds' Feeder Fund investors have filed lawsuits after receiving notification of the decision to wind-down certain Consolidated Investment Funds' investment portfolios (Note 16). Refer to Note 17 for a discussion of the open litigation.

11. Related Party Transactions**Expenses Reimbursable by Funds Managed**

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2008, approximately \$18.8 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in *Other current assets* in the accompanying consolidated balance sheet.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Long Term Incentive Plan and Intercompany Loan Payable to Highland Capital Management Services, Inc. ("HCMSI")

Effective January 1, 2001, all of the Partnership's employees were transferred to HCMSI, which provides personnel management and consulting services to the Partnership. The Partnership and HCMSI entered into a management agreement whereby the Partnership compensated HCMSI for its employee expenses plus a consulting services fee. As of January 1, 2005, there were no further transactions with HCMSI as all employees were transferred to the Partnership.

Effective January 1, 2001, HCMSI approved a long-term incentive plan ("the LTIP") for select employees who are eligible to receive Long-Term Incentive Units ("the Units") under the LTIP. The number of Units authorized under the LTIP is 30,000,000 and a majority of the Units granted vest 40% during the grant year and 30% for each of the two years thereafter, expiring 10 years after such grant date, unless different terms are agreed upon between the Plan Administrator and the employee. The fair value of the Units are based upon the fair value of the Partnership, as determined in good faith, by James Dondero, the Plan Administrator and the sole shareholder of the general partner and a limited partner of the Partnership. The LTIP was transferred to the Partnership from HCMSI on January 1, 2005.

The Units are exercisable at the discretion of the Plan Administrator, or upon a triggering event defined as the earlier of the following events:

- Change in control
- Initial public offering
- Participant's voluntary or involuntary termination due to death, disability, retirement, or hardship
- Participant's voluntary or involuntary termination other than due to death, disability, retirement, hardship, or cause is exercisable to the extent the Participant is entitled to only 80% of the vested shares.

A total of 3,425,074 Units are outstanding as of December 31, 2008 under the LTIP. During the year ended December 31, 2008, a total of 350,366 Units were exercised. These exercised Units reverted back to the LTIP. During the year ended December 31, 2008, the liability under the LTIP decreased by approximately \$38.1 million, which is included in Compensation and benefits in the consolidated statement of income.

The total balance payable to HCMSI was approximately \$3.8 million as of December 31, 2008, which is related to the LTIP accrual.

Effective December 31, 2004, all of the employees at HCMSI were transferred to the Partnership, and the management agreement between the Partnership and HCMSI was terminated as to the provision of future services. However, all of the outstanding and unfunded obligations of the Partnership to HCMSI as of December 31, 2004, as well as any additional obligations that may arise in relation to these amounts, will continue to be due and payable to HCMSI until satisfied in accordance with the provisions of the agreements in place.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2008

Accounts Held with Related Party

During the year the Partnership and its subsidiaries maintained accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2008, balances in the accounts were approximately \$15.8 million. Approximately \$0.1 million of interest was earned on this account for the year ended December 31, 2008.

Controlling Positions

Various members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. Any director's fees received by the Partnership for these services as directors are paid to and retained by the Partnership. As of December 31, 2008, the Partnership and its subsidiaries held the following investments in these companies:

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank, SSB, an affiliate of the Partnership, was the agent bank. Interest earned on the loans during the year was approximately \$27.8 million. At December 31, 2008, these subsidiaries were invested in NexBank, SSB agented loans with commitments and market values totaling approximately \$462.1 million and \$175 million, respectively.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Notes to Affiliates

On July 31, 2006, the Partnership issued a promissory note in the amount of \$400,000 to an employee of an affiliate. The note accrued interest at the mid-term applicable federal rate as promulgated by the Internal Revenue Service. The note is payable in one lump sum on the earlier of July 31, 2010 or an event of acceleration. In July 2008, the remaining balance of the promissory note was forgiven.

On August 1, 2008, the Partnership issued a promissory note in the amount of \$500,000 to an employee of a subsidiary. The note accrues interest at a rate of LIBOR plus 1.75%, compounded quarterly. The note is payable in one lump sum on the earlier of August 1, 2011 or an event of acceleration. As of December 31, 2008, the principal amount on the promissory note was \$500,000 with interest accrued of approximately \$15,000.

On May 21, 2007, the Partnership issued two loans to employees of a subsidiary aggregating \$2.0 million, each with a principal balance of \$1.0 million. The note accrues interest at a rate of LIBOR plus 1.75%, compounded quarterly. The principal balance plus all accrued interest is due on the earlier of May 1, 2010 or an event of acceleration. During 2008, 30% of the outstanding principal of each loan was forgiven. As of December 31, 2008, each loan principal was \$0.7 million, with interest accrued of approximately \$65,000.

On August 20, 2008, the Partnership issued a promissory note in the amount of \$330,000 to an employee of the Partnership. The note accrues interest at a rate of LIBOR plus 1.75%. The note is payable in one lump sum on the earlier of August 20, 2015 or an event of acceleration. As of December 31, 2008, the principal amount on the promissory note was \$330,000 with interest accrued of approximately \$5,000.

On August 1, 2008, the Partnership issued a promissory note in the amount of \$500,000 to an employee of a subsidiary. The note accrues interest at a rate of LIBOR plus 1.75%, compounded quarterly. The note is payable in one lump sum on the earlier of August 1, 2011 or an event of acceleration. As of December 31, 2008, the principal amount on the promissory note was \$500,000 with interest accrued of approximately \$9,000.

On October 15, 2008, the Partnership issued a promissory note in the amount of \$500,000 to an employee of a subsidiary. The note accrues interest at a rate of LIBOR plus 1.75%, compounded quarterly. The note is payable in one lump sum on the earlier of October 15, 2011 or an event of acceleration. As of December 31, 2008, the principal amount on the promissory note was \$500,000 with interest accrued of approximately \$4,000.

On December 19, 2007, the Partnership issued a promissory note in the amount of \$30 million to a subsidiary of HFP. The note accrues interest quarterly on the principal balance on the last business day of each quarter ending March 31, June 30, September 30, and December 31 at a rate equal to the Fed Funds Rate as published by the Federal Reserve Bank of New York on the Business Day next succeeding each quarter end. The note is payable in \$5 million quarterly installments commencing June 30, 2008 and is due and payable in full on June 30, 2009, subject however to acceleration. All payments are first applied to interest and then to principal. In July 2008, the Partnership received six million common units of HFP through a conversion of the promissory note at a conversion price of \$5 per common unit.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

On September 12, 2008, the Partnership issued a promissory note in the amount of \$13.9 million to a subsidiary of HFP. The note accrues interest monthly on the principal balance on the last business day of each month at a rate equal to the Fed Funds Rate as published by the Federal Reserve Bank of New York on the Business Day next succeeding each month end. As of December 31, 2008, the principal amount on the promissory note was \$0.9 million.

Investments in Affiliates

The Partnership and its subsidiaries are the investment/collateral manager for approximately \$69.2 million of the CDO Master Fund's investments, consisting of United States and European Floating Rate CLO Mezzanine Tranches, Residual CLO Equity Tranches, common stock, Investment Funds, total return swaps, credit default swaps, long-term debt and claims. During the year, CDO Master Fund earned interest income of \$74.9 million and net realized/unrealized losses on investment transactions of \$386 million from related party investments.

In 2006, the Partnership was granted 124,468 restricted HFP units and 809,263 non-qualified HFP unit options. The options were granted with a strike price of \$15.00 and \$16.50 per unit. Both the restricted units and options vest in thirds on the anniversary of the grant date. In 2008, 41,489 and 273,087 of restricted units and options vested, respectively. Of the options that vested, 114,476 were exercised at a strike price of \$15.

On June 25, 2008, HCSA received an in kind distribution of 3,049,732 units of HFP in lieu of their incentive allocation balance. The conversion of HCSA's incentive allocation balance to HFP units implied a conversion price of \$5 per unit.

On September 26, 2008, HFP issued \$316 million of senior secured notes to the Consolidated Investment Funds in exchange for an interest in certain assets which included collateralized loan obligation securities. Due to a lack of a transfer of control caused by certain restrictive covenants associated with the exchange, these assets continue to be recognized on the Consolidated Statement of Assets, Liabilities and Partners' Capital of the Consolidated Investment Funds. Upon full payment of the outstanding principal of the senior secured notes, the restrictive covenants of the assets will be satisfied and HFP will have unencumbered interests in the assets. The Consolidated Investment Funds have recorded a liability to account for the future release of the assets, which is classified on their balance sheets as Obligation to return collateral. The Consolidated Investments Funds elected to apply the fair value option prescribed by SFAS No. 159 when they first recognized the liability, which resulted in the liability being carried at the same value as the assets in aggregate. Accordingly, the change in the fair value of the liability between September 26 and December 31, 2008 has been recognized as an unrealized gain. As discussed in Note 18, the senior secured notes were terminated subsequent to December 31, 2008.

Charitable Contributions

One of the Partnership's limited partners serves on the board of directors of Grace Ministries, a not-for-profit organization. During the year, the Partnership made a charitable contribution of \$0.1 million to Grace Ministries. This amount is presented in Other operating expenses.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Services Performed by an Affiliate

In March 2007, Highland Capital of New York, L.P., a New York limited partnership ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. For the year ended December 31, 2008, total marketing fee expense charged to the Partnership by Highland New York was approximately \$4.8 million and as of December 31, 2008, amounts owed to Highland New York for services rendered was approximately \$2.4 million.

Participation Agreement

The Partnership and its Consolidated Investment Funds purchased protection under credit default swaps referencing residential mortgage-backed collateralized debt obligations during the year. The Partnership and some of its Consolidated Investment Funds along with an affiliated entity under common control (collectively, the "Participants") entered into related participation agreements (collectively, the "Agreements") at the time the positions were established. During the year, the Participants traded credit default swaps with a notional value of approximately \$294.8 million that were governed under the Agreements with the Participants. As of December 31, 2008, all Agreements between the Participants were closed.

Letter of Credit

In April 2007, the Partnership entered into a \$4 million standby letter of credit ("LC") on behalf of one of its Consolidated Investment Funds with the Bank of Nova Scotia. Interest is charged at 1.95%. As of December 24, 2008, the rate of interest had increased to 3.95%. As of December 31, 2008, there were no amounts drawn against the LC. Any interest paid by the Partnership on behalf of the Consolidated Investment Fund is reimbursed through an investment in the fund. For the year ended December 31, 2008, \$0.1 million of interest had been paid by the Partnership on the funds behalf.

Notes from Affiliates

On April 15, 2008, the Partnership entered into a \$24.6 million promissory note with an employee of the Partnership. The note accrues interest at a rate of 6% per annum, compounded annually and is payable upon demand. As of December 31, 2008, the principal amount on the promissory note was \$3.5 million with interest accrued of approximately \$12,000.

On April 15, 2008, the Partnership entered into an \$8.2 million promissory note with an employee of the Partnership. The note accrues interest at a rate of 6% per annum, compounded annually and is payable upon demand. As of December 31, 2008, the principal amount on the promissory note was \$4 million with interest accrued of approximately \$17,000.

On October 3, 2008, the Partnership entered into a \$2 million promissory note with Governance RE, Ltd ("Gov Re"). The note accrues interest at a rate of LIBOR plus 1.75%, compounded annually and is payable on demand. As of December 31, 2008, the principal amount on the promissory note was \$2 million with interest accrued of approximately \$28,000.

Loans to Affiliates

During 2008 the Partnership entered into short-term, non-interest bearing loans to its Consolidated Investment Funds and affiliates. The total amount of borrowings made to the Consolidated Investment Funds and affiliates in 2008 was approximately \$127.7 million. As of December 31, 2008, all amounts borrowed had been repaid to the Partnership.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Intercompany Balance

During 2008, the Partnership and an affiliate engaged in a series of short-term, non-interest bearing transactions. The affiliate's primary function is to provide personnel management and consulting services to the Partnership. As of December 31, 2008, the Partnership's intercompany liability to the affiliate was \$20.7 million.

12. Rentals Under Operating Leases

The following is a schedule of future rental payments on noncancelable tenant operating leases for properties consolidated by HFREC at December 31, 2008. The schedule does not include any amounts due from tenants upon the exercise of renewal options under certain leases. The underlying companies consolidated by HFREC also received reimbursements from tenants for certain common area maintenance ("CAM") expenses, which may include CAM costs, insurance and real estate taxes. Reimbursements for insurance and real estate taxes are not included in the following schedule.

(in thousands of dollars)

Years Ending December 31,

2009	\$	15,224
2010		7,841
2011		4,666
2012		3,703
2013		2,827

13. Commitments**Contracts in the Normal Course of Business**

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant.

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the final outcome will not have a materially adverse effect on the Partnership's consolidated balance sheet, consolidated statement of income, or its liquidity.

Warehouse Guarantee

On July 6, 2007, the Partnership was a party to a warehouse agreement as a first loss guarantor. HCM Trident entered into the warehouse agreement and is entitled to the positive net carry or is required to pay the negative net carry. The Partnership guaranteed the payment of the negative net carry owed by HCM Trident. This guarantee was capped at 25% of the initial purchase price of the warehouse assets of \$25.7 million, or approximately \$6.4 million plus accrued interest. The Partnership fronted \$3.8 million to HCM Trident as a deposit for the first loss guarantee.

On July 14, 2008, the warehouse agreement was amended to reflect the Partnership guaranteeing 100% of the negative net carry. The Partnership posted an additional \$1.5 million, for a total guarantee deposit on hand of \$3.1 million, net of any prior loss amounts.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

On November 2, 2008, the warehouse agreement was amended to reflect the Partnership guaranteeing any credit facility amortization payments of principal and interest on HCM Trident's behalf. As of December 31, 2008, the remaining balance on the facility with accrued interest was approximately \$12.3 million.

Operating Leases

Future minimum lease payments under operating lease commitments of the Partnership and its consolidated entities with initial or noncancelable terms in excess of one year, at inception, are as follows:

(in thousands of dollars)

Years Ending December 31,

2009	\$	2,354
2010		2,230
2011		2,022
Thereafter		-
	\$	<u>6,606</u>

Total rental expense of the Partnership and its consolidated entities for operating leases was approximately \$4.9 million for the year ended December 31, 2008.

Loan Commitments

Loan and other participation interests purchased by the Consolidated Investment Funds such as bank debt and trade claims may include accompanying letters of credit, revolving credit arrangements or other financing commitments obligating the Consolidated Investment Funds to advance additional amounts on demand. At December 31, 2008, the Consolidated Investment Funds had outstanding loan commitments of approximately \$70.8 million. The total amount of outstanding commitments does not necessarily reflect the actual future cash requirements, as commitments may expire unused.

14. Postretirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. Therefore, no new participants shall enter the plan after 2008 and no new benefits shall accrue under the plan after 2008. The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2008 are reconciled in the tables below.

(in thousands of dollars)

Change in projected benefit obligation	2008
Benefit obligation at commencement of plan	\$ 4,486
Service cost	2,608
Interest cost	254
Plan participants' contributions	-
Amendments	-
Actuarial loss/(gain)	(3,008)
Acquisition/(divestiture)	-
Benefits paid	(797)
Benefit obligation at end of year	<u>\$ 3,543</u>

Change in plan assets	2008
Fair value of plan assets at commencement of the plan	\$ 2,588
Actual return on plan assets	(2,783)
Acquisition/(divestiture)	-
Employer contribution	2,138
Plan participants' contributions	-
Benefits paid	(797)
Other increase/(decrease)	-
Fair value of plan assets at year end	<u>\$ 1,146</u>

Reconciliation of Funded Status	2008
Accumulated benefit obligation at end of year	\$ 3,543
Projected benefit obligation at end of year	3,543
Fair value of assets at end of year	<u>1,146</u>
Funded status at end of year	<u>\$ (2,397)</u>

The Partnership expects to contribute \$2.6 million to the plan during 2009.

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2008:

Discount rate	6.30%
Rate of compensation increase	N/A

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2008:

Discount rate	6.50%
Expected long-term return on plan assets	6.50%
Rate of compensation increase	N/A

15. Goodwill, Other Intangible Assets and Purchased Investment Management Contracts

Below is a summary of the Partnership's goodwill and other intangible assets as of December 31, 2008:

<i>(in thousands of dollars)</i>	Carrying Value
Lease intangibles, net	\$ 14,425
Highland Floating Rate Fund	12,672
Highland Floating Rate Advantage Fund	11,328
Goodwill for Highland Europe	8,020
Licenses	2,021
Patents	1,008
	\$ 49,474

On April 9, 2004, the Partnership purchased the management agreements Highland Floating Rate Fund (the "Floating Rate Fund") and Highland Floating Rate Advantage Fund (the "Advantage Fund"). The combined purchase price for the above agreements was \$24.0 million. The purchase price was allocated among the Purchased Funds pro-rata based on the approximate combined total managed assets of the funds as of the date of purchase. As a result, \$12.7 million of the purchase price was allocated to the Floating Rate Fund and \$11.3 million was allocated to the Advantage Fund.

On January 21, 2000, the Partnership purchased the investment advisory agreement for Prospect Street High Income Shares, Inc. ("PHY"), a diversified, closed-end RIC. The purchase price was approximately \$11.9 million.

On July 31, 2001, the Partnership purchased the investment advisory agreement for Prospect Street Income Shares, Inc. ("CNN"), a diversified, closed-end RIC. The purchase price was approximately \$2.2 million.

On July 21, 2008, PHY and CNN were reorganized into Highland Credit Strategies Fund. The reorganization was based on the respective Funds' relative net asset values as of 4:00 p.m. on Friday July 18, 2008. As PHY and CNN ceased to exist after the reorganization, the prior capitalized costs of \$5.7 million for the purchased investment advisory agreements were recognized into income.

For the remaining purchased investment advisory agreements, the Partnership performed an impairment test under SFAS No. 142. The Partnership's management analyzed market multiples on retail asset managers within the industry as of December 31, 2008 to determine fair value of these assets. The Partnership has determined no impairment charge is necessary for the current year.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

On December 17, 2007, HySky, LLC ("HySky") purchased all of the assets and liabilities of Equitas, LLC for approximately \$3.8 million. Through this purchase, HySky obtained two patents with a purchase price value of \$1.1 million and an FCC license with a value of \$2.2 million. As of December 31, 2008, \$0.3 million in amortization has been recognized on these assets.

During 2007, the companies consolidated by HFREC capitalized \$20.6 million of lease intangibles related to their property acquisitions. As of December 31, 2008, lease intangibles are as follows:

Lease intangibles consist of the following at December 31, 2008:

(in thousands of dollars)

Leasing commissions	\$	1,634
Value of in-place leases		8,495
Tenant relationships		10,426
Total lease intangibles		20,555
Less: Accumulated amortization		(6,130)
Lease intangibles, net	\$	14,425

The amortization expense of lease intangibles is as follows for the five years ending December 31:

(in thousands of dollars)

2009	\$	4,070
2010		2,535
2011		1,123
2012		1,121
2013		1,118

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

16. Consolidated Investment Fund Wind-Downs

Throughout 2008, Credit Strategies Master and Crusader Master were negatively affected by deteriorating conditions in the overall economy and credit markets. These conditions became more severe during the third and fourth quarters of 2008 and generated significant losses on various derivative transactions and repurchase agreements to which Credit Strategies Master and Crusader Master were a party. In addition, certain assets that Credit Strategies Master and Crusader Master purchased on margin through prime brokerage agreements experienced a significant decline in value. In certain cases, Credit Strategies Master and Crusader Master were unable to post the collateral required to secure these losses, and the counterparties provided notice of their intent to terminate the agreements. As a result, access to the credit that Credit Strategies Master and Crusader Master used to manage their investing and financing activities became highly constrained, and in some cases unavailable. In light of these circumstances, the General Partners (the general partner of Highland Credit Strategies Fund, L.P. and the general partner of Highland Crusader Fund, L.P.) and the Board of Directors of Highland Credit Strategies Fund, Ltd. and Highland Crusader Fund, Ltd. concluded, in consultation with the Investment Manager, that it would be in the best interests of their investors to wind down the investment portfolios of Credit Strategies Master and Crusader Master. On October 15, 2008, the Investment Manager notified investors that it would begin the wind-down process immediately. The Investment Manager also restricted subscriptions and the payment of withdrawals to the Feeder Funds effective immediately.

In connection with the wind down, the limited partner interests of the Feeder Funds were compulsorily withdrawn/redeemed as set forth in the terms of the governing documents. A formal plan of liquidation has not been finalized by management, and there are no assurances that investors will realize the remaining equity balance over the course of the wind down of Credit Strategies Master and Crusader Master. The General Partner has suspended payment of distributions, and any outstanding balances with respect to withdrawal and/or redemption requests that were made prior to October 15, 2008, will be made on a pro-rata basis with the amounts owed to investors that have been compulsorily withdrawn/redeemed, unless a plan of distribution dictates otherwise. The equity of the investors for Credit Strategies Master that were compulsorily redeemed was zero. The equity of the investors for Crusader Master that were compulsorily redeemed was \$423.6 million. Future distributions will only be made as the value of Credit Strategies and Crusader Masters' investments are realized and all obligations due to counterparties and service providers of Credit Strategies and Crusader Master and their representative Feeder Funds have been satisfied.

As of December 31, 2008, the estimated value of the net assets available for distribution from Crusader Master and Credit Strategies Master to their Feeder Funds was approximately \$1,092 million and \$163.5 million, respectively. The actual amounts distributed upon completion of the wind down process are inherently uncertain and may differ materially from the partners' capital as of December 31, 2008. The Investment Manager estimates that the wind-down of Credit Strategies Master and Crusader Master could take up to four years to complete. Capital will be distributed as it becomes available in accordance with a plan of distribution, once implemented.

A summary of the significant events that were considered by the General Partners and the Board of Directors of Highland Credit Strategies Fund, Ltd. and Highland Crusader Fund, Ltd. in the decision to wind-down the investment portfolios of Credit Strategies Master and Crusader Master are provided below.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Credit Strategies Master Wind-Down***Total Return Swap***

Since its inception, Credit Strategies Master was invested in a total return swap program that allowed it to gain exposure to bank loans and high yield corporate bonds. During September 2008, the leveraged loan market began to deteriorate, and Credit Strategies Master was required to post cash collateral based on the declining value of the loans held in the swap portfolio. As of September 30, 2008, Credit Strategies Master had met multiple collateral calls.

The fall in leveraged loan prices accelerated dramatically during the first week of October, which resulted in approximately \$43.1 million of additional collateral calls. Credit Strategies Master did not have sufficient sources of liquidity to post all of the required collateral and could not sell assets at prices that reflected their long-term value. Therefore, the counterparty delivered notice of its intent to terminate the swap agreement effective October 15, 2008. The counterparty then offered to (1) sell the remaining assets in the swap portfolio, which would have required Credit Strategies Master to compensate the counterparty for any realized losses in excess of the \$473.3 million of collateral that it had previously posted; or (2) allow Credit Strategies Master to forfeit any rights to the collateral in exchange for terminating all current and future exposures under the swap agreement. Credit Strategies Master elected to forfeit its rights to the collateral and executed a release and waiver with the counterparty. The release and waiver became effective on October 16, 2008.

Repurchase Agreement

Credit Strategies Master entered into a repurchase agreement with a counterparty, which allowed it to gain exposure to high yield corporate bonds and structured credit securities on a leveraged basis. In October 2008, the counterparty contended that Credit Strategies Master failed to meet margin calls that were required due to a decline in the fair value of the assets. The counterparty delivered a formal notice of default and their intent to exercise the rights and remedies available to it.

The repurchase agreement stipulated that the termination values for the underlying assets would be established through bids received from the market or recognized pricing sources. The counterparty contends that it offered the assets for sale through bids-wanted-in-competition. After netting the proceeds received from the sales, the counterparty requested payment from Credit Strategies Master of \$14.3 million. Credit Strategies Master has disputed the liability, and the counterparty filed a lawsuit seeking recovery of the balance (Note 17).

Credit Default Swaps

Credit Strategies Master entered into various credit default swap transactions with a major financial institution for both hedging and speculative purposes. In October 2008, the counterparty provided a notice of termination due to a decline in the value of swaps. Credit Strategies Master disputed the notice on the basis that an event of default had not occurred; however, the counterparty proceeded to terminate the outstanding swap transactions, which resulted in realized losses of approximately \$6.0 million. Credit Strategies Master has a net outstanding claim payable to the counterparty of \$2.6 million.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

Prime Brokerage Agreement

During the first two quarters of 2008, Credit Strategies Master actively purchased equity securities, treasury bonds, investment grade corporate bonds and other liquid assets on margin through a prime brokerage agreement with a major financial institution. The value of the investments declined during the third quarter, and in October 2008, the counterparty issued a notice of default based on a decline the net asset value of the account during the twelve month period ended September 30, 2008. As a result, Credit Strategies Master was required to liquidate the remaining investments in the account and by the end of the year had realized an aggregate net loss of approximately \$68.2 million on the margin transactions.

Crusader Master Wind-Down***Lehman Exposure***

Crusader Master provided protection under a credit default swap agreement that referenced debt issued by Lehman Brothers Holding, Inc. ("Lehman"). Following Lehman's bankruptcy filing on September 15, 2008, Crusader Master was required to post \$39.1 million of cash to satisfy a margin call from the counterparty. In aggregate, Crusader Master realized net losses \$54.6 million of losses under the agreement.

Repurchase Agreement

Crusader Master entered into a repurchase agreement with a counterparty, which allowed it to gain exposure to high yield corporate bonds and structured credit securities on a leveraged basis. In October 2008, the counterparty contended that Crusader Master failed to meet margin calls that were required due to a decline in the fair value of the assets. The counterparty delivered a formal notice of default and its intent to exercise the rights and remedies available to them.

The repurchase agreement stipulated that the termination values for the underlying assets would be established through bids received from the market or recognized pricing sources. The counterparty contends that it offered the assets for sale through bids-wanted-in-competition. After netting the proceeds received from the sales and certain balances to Crusader Master, the counterparty requested payment from Crusader Master of approximately \$50.0 million. Crusader Master has disputed the amount of the liability, and the counterparty filed a lawsuit seeking recovery of the balance.

Prime Brokerage Agreement

During the first two quarters of 2008, Crusader Master actively purchased equity securities, treasury bonds, investment grade corporate bonds and other liquid assets on margin through a prime brokerage agreement with a major financial institution. The value of the investments declined during the third quarter, and in September 2008, the counterparty issued a notice of default based on Crusader Master's alleged failure to meet a margin call. Crusader Master was ultimately required to transfer or liquidate the remaining investments held in the account and by the end of the year had realized an aggregate net loss of approximately \$21.6 million on the margin transactions.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

17. Legal Proceedings

In April 2007, CDO Master Fund entered into a risk sharing agreement structured as a derivative whereby it absorbed 51% of the gains and losses generated from a loan warehouse agreement. The remaining 49% of the warehouse gains and losses were absorbed by Highland Financial Partners, L.P. ("HFP"), which is an affiliated entity. The warehouse was financed by a reputable financial institution and held collateral consisting of investments in collateralized loan obligations and credit default swaps. Although the agreement expired on August 15, 2007, the counterparty agreed to extend it for one year on March 15, 2008. As a condition of the extension, CDO Master Fund posted \$10.2 million of cash as collateral. In addition, HFC posted certain securities on behalf of CDO Master Fund and HFP. During October and November 2008, the counterparty requested additional collateral calls from CDO Master Fund and HFP totaling \$20 million. Due to liquidity constraints, CDO Master Fund was unable to meet the November call, and the counterparty elected to terminate the agreement as of December 5, 2008. The collateral held in the warehouse was subsequently seized by the counterparty and sold on the open market through bids-wanted-in-competition. After offsetting the proceeds received from the sale and the income earned on the collateral prior to the sale, the counterparty notified CDO Master Fund that its pro-rate share of the losses incurred under the agreement was \$350.2 million. CDO Master Fund has accrued a liability in its financial statements for this amount.

On February 24, 2009, the counterparty filed a lawsuit against CDO Master Fund and HFP in the New York State Supreme Court of Manhattan alleging that it had suffered no less than \$745 million in aggregate losses due to the depreciation in value of the warehouse collateral. The Partnership was also named as a party to the lawsuit. The Partnership does not believe it has any liability in this case and has filed a motion to have its name removed from the lawsuit.

Certain consolidated investment funds (collectively, the "Plaintiffs") filed a claim against Deutsche Bank AG and Deutsche Bank Securities, Inc. (collectively, "Deutsche Bank") in Dallas County District Court alleging fraudulent inducement, fraud and breach of contract in connection with three repurchase agreements to which the Plaintiffs and Deutsche Bank were a party. Deutsche Bank subsequently filed a lawsuit against the Plaintiffs in the United Kingdom on November 7, 2008 alleging breach of contract and fraud. The court in the United Kingdom has granted Deutsche Bank an injunction, which compels the Plaintiffs to stay the action in Dallas County Court until the action in the United Kingdom is resolved. The Plaintiffs have filed a motion to appeal the injunction and are waiting for the court to rule. Based on the demand for payment that Deutsche Bank sent prior to the onset of the litigation, the consolidated investment funds have accrued liabilities of \$64.3 million in the accompanying consolidated financial statements.

18. Subsequent Events

In January 2009, the Partnership, certain consolidated investment funds and other affiliated entities were named as parties to a lawsuit claiming breach of fiduciary duties for their alleged failure to comply with obligations owed under a credit agreement. The plaintiff is seeking an unspecified amount of actual damages as well as exemplary damages and attorney's fees. Management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty.

Highland Capital Management, L.P.**Notes to Consolidated Financial Statements****December 31, 2008**

On February 4, 2009, the Partnership informed investors of CDO Master that the fund was effectively insolvent and that it was in the best interest of the fund to liquidate the fund's remaining assets. The proceeds from the asset liquidations will be distributed to the remaining financing counterparties and other senior and trade creditors as the liabilities in the fund exceed the assets to such a degree that proceeds from the asset sales will not be able to satisfy any unpaid redemptions or to distribute amounts to any current investors.

On March 20, 2009, the Partnership and its Consolidated Investment Funds agreed to terminate the senior secured notes that were issued by HFP. As a result, the Consolidated Investment Funds have been relieved of their obligation to transfer the underlying assets to HFP. As of January 1, 2009, the fair value of the assets securitizing the note was \$233.6 million.

In April 2009, a partner withdrew from the Partnership. The departing partner's Partnership interest is to be purchased by the Partnership or the remaining partners.

In April 2009, HYMF, Inc. filed a lawsuit in the New York State Court against the Partnership and certain consolidated investment funds (collectively "the Defendants"). The lawsuit alleges that the Defendants breached their contractual and fiduciary duties by failing to return HYMF's original investment in the consolidated investment funds. The Defendants believe they acted in accordance with the provisions of their partnership agreements and intend to vigorously defend against the lawsuit. At this time, discovery has not yet been initiated, and management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty.

In April 2009, the Partnership and certain consolidated investment funds (collectively "the Plaintiffs") filed a lawsuit in Texas District Court against HYMF, Inc. The lawsuit states that HYMF, Inc. failed to properly terminate the prepaid forward contract and accreting strike option. The Plaintiffs believe they acted in accordance with the provisions of the prepaid forward and accreting strike option contracts. At this time management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount of range of potential loss with any reasonable degree of certainty.

In April 2009, Real Estate Fund received a forbearance agreement with respect to the REF credit agreement. The lender allowed for the forbearance of any prior obligations until October 15, 2009 where at such time, the facility is due in full.

During the first quarter of 2009, certain investors in Highland Credit Strategies Fund, Ltd. filed lawsuits in response to the decision to wind-down Credit Strategies Master's investment portfolio (Note 16). Each of these investors is seeking to recover the outstanding balances due under the redemption requests that they submitted prior to the announcement of the wind-down. They have also made various claims, including breach of fiduciary duties, committed negligence, tortious interference with the payment of redemption amounts, and/or committed fraud. Both the Partnership and Highland Credit Strategies Fund, Ltd. have been named as parties to the lawsuits. Management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2008

In July 2009, the Partnership amended and restated its Credit Agreement (the "2009 Credit Agreement"). All amounts borrowed under the 2009 Credit Agreement are due on July 21, 2011. For base rate loans, interest is charged at a rate of 4% plus the highest of (i) the prime rate, (ii) 2% plus the Federal Funds Rate, and (iii) 2% plus LIBOR. For LIBOR loans, interest is charged at a rate of 5% plus LIBOR. For base rate loans, interest is payable on the last business day of each calendar month, as well as the maturity date. For LIBOR loans, interest is payable on the last day of each calendar month, as well as the maturity date.

In July 2009, certain investors in Highland Credit Strategies Fund, L.P. and Highland Credit Strategies Fund, Ltd. filed a lawsuit seeking damages for alleged rescission, fraud, negligent misrepresentation, breach of fiduciary duty, unjust enrichment, various violations of Massachusetts general law, and aiding and abetting fiduciary duty. The Partnership, Highland Credit Strategies Fund, L.P., Highland Credit Strategies Fund, Ltd., employees of the Partnership, J.P. Morgan Investor Services Co., and J.P. Morgan Hedge Fund Services (Bermuda), Ltd. have been named as parties to the lawsuit. Management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree or certainty.

Report of Independent Auditors

To the General and Limited Partners of
Highland Capital Management, L.P.:

In our opinion, the accompanying consolidated balance sheet and the related consolidated statements of income, of changes in partners' capital and of cash flows (hereinafter referred to as the "financial statements") present fairly, in all material respects, the consolidated financial position of Highland Capital Management, L.P. (the "Partnership") and its subsidiaries at December 31, 2009, and the consolidated results of their operations, the changes in their partners' capital, and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplemental unconsolidated balance sheet and statement of income are presented for purposes of additional information, and are not a required part of the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment advisor under the Investment Advisors Act of 1940 that manages collateralized loan obligations ("CLOs"), registered investment companies ("RICs"), hedge funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is 100% owned by senior management of the Partnership.

As of December 31, 2009, the Partnership provided investment advisory services in accordance with management agreements for twenty-nine CLOs, nine RICs, four separate accounts, one master limited partnership, and twelve hedge fund structures, with total fee-earning assets under management of approximately \$24.5 billion.

2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification.

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries, which are comprised of (i) those entities in which it has controlling investment of 50% or more and has control over significant operating, financial and investing decisions of the entity, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions of the entity, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether, if by design, an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

Consolidation of Non-Variable Interest Entities

The Partnership consolidates the following non-VIE's (collectively referred to as the "Consolidated Investment Funds"). The Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations:

- Highland Crusader Offshore Partners, L.P. ("Crusader Master"), a Bermuda exempted limited partnership that commenced operations on July 10, 2000;
- Highland CDO Opportunity Master Fund, L.P. ("CDO Master Fund"), a Bermuda limited partnership that commenced operations on November 9, 2005;
- Highland Credit Strategies Master Fund, L.P. ("Credit Strategies Master"), a Bermuda exempted limited partnership that commenced operations on August 24, 2005;
- Highland Credit Opportunities CDO, L.P. ("Credit Opportunities Master"), a Delaware limited partnership that commenced operations on December 29, 2005;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Canopy Timberlands, L.P., a Delaware limited partnership that commenced operations on April 29, 2008;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore") a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore") a Delaware limited partnership that commenced operations on September 2, 2008; and
- Highland Restoration Capital Partners Master, L.P. ("Restoration Master") a Delaware limited partnership that began commenced on September 2, 2008.

Consolidation of Variable Interest Entities

The Partnership consolidated the following VIE's as it is the primary beneficiary:

- Highland Financial Corporation ("HFC"), a company incorporated on February 28, 2006 under the laws of the state of Delaware;
- Highland Financial Real Estate Corporation ("HFREC"), a company incorporated on March 15, 2006 under the laws of the state of Maryland; and
- HCM Trident (Delaware) Corporation ("HCM Trident"), a company incorporated on July 3, 2007 under the laws of the state of Delaware.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in Highland Capital Management Europe, Ltd. ("Highland Europe"), a company organized in the United Kingdom and purchased by the Partnership on April 6, 2005;
- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in HFP GP, LLC, a Delaware limited liability company that commenced operations on January 20, 2006;
- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;
- 100% interest in Highland Capital Management (Singapore) Pte, Ltd, a company organized in the Republic of Singapore that commenced operations on April 2, 2008;
- 100% interest in Highland Employee Retention Assets, LLC, a Delaware limited liability company that commenced operations on October 26, 2009;
- 86.5% interest in HySky Communications, LLC, a Delaware limited liability company that commenced operations on December 22, 2006; and
- 84.5% interest in HE Capital, LLC, a Delaware limited liability company that commenced operations on March 22, 2007.

Deconsolidation of Hedge Funds

The following funds have been deconsolidated for 2009 as the limited partners have been granted substantive participating rights:

- Highland Select Equity Fund, L.P., a Delaware limited partnership that commenced operations on January 1, 2002;
- Highland Equity Focus Fund, L.P., a Delaware limited partnership that commenced operations on September 1, 2002; and
- Highland Capital Real Estate Fund, L.P., a Delaware limited partnership that commenced operation on April 1, 2002.

All significant interpartnership and intercompany accounts and transactions have been eliminated in consolidation of all of the aforementioned consolidated entities. All the Consolidated Investment Funds are, for U.S. GAAP purposes, investment companies under the AICPA Audit and Accounting Guide - Investment Companies. The Partnership has retained the specialized accounting of these funds required under U.S. GAAP.

Investment Transactions

Investment transactions are recorded on a trade date basis. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

Fair Value Measurement

Fair value represents the price that would be received upon the sale of an asset or paid upon the transfer of a liability in an orderly transaction between market participants at the measurement date (exit price). Assets and liabilities measured at fair value are classified into one of the following categories:

- Level 1 – Valuation based on quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Investment Funds have the ability to access as of

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.

- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active; or (c) models in which all significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on models in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure the fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Investment Funds use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being re-classified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates.

Whenever possible, the Partnership and its Consolidated Investment Funds use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Investment Funds develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

As of December 31, 2009, the Partnership and its consolidated entities investments consisted of floating rate syndicated bank loans, high yield corporate bonds, CLO securities, private placements, private placement real estate debt and equity, life settlement contracts and common and preferred equity securities. In addition, the consolidated entities are parties to various credit default swaps. The majority of these financial instruments are not listed on national securities exchanges, and management is required to use significant judgment to estimate their values.

The fair value of the loans, corporate bonds and CLO securities are generally based on quotes received from brokers or independent pricing services. Due to the recent disruption in the credit markets, an increasing number of these quotes are derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades. The policy of the Partnership and its consolidated subsidiaries is to classify loans and bonds that are priced in this manner as Level 3 assets because the markets in which they trade are not active and the inputs used by the brokers and pricing services are not readily observable. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

The consolidated entities private placement real estate investments include equity interests in limited liability companies and debt issued by entities that invest in commercial real estate. The fair value of these investments is based on internal models developed by the Partnership. The significant inputs to the models include cash flow projections for the underlying properties and appraisals performed by independent valuation firms. Since these inputs are not readily observable, the investments are classified as Level 3 assets.

Common and preferred equity securities traded on national exchanges are valued at their closing prices as of December 31, 2009. These securities are classified as Level 1 assets. The consolidated entities also hold certain equity securities for which no active market exists. The value of these securities, which are classified as Level 3 assets, is based on a combination of broker quotes and internal valuation models.

Life settlement contracts are valued using mortality tables and interest rate assumptions that are deemed appropriate for the demographic characteristics of the parties insured under the policies. Since these inputs are not readily observable, they are classified as Level 3 assets.

The fair value of credit default swaps is based on quotes received from an independent pricing service. The inputs used to derive the quotes are not readily observable and are therefore classified as Level 3.

Refer to Note 5 for the required fair value disclosures.

Management and Incentive Fee Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2009, the Partnership and its consolidated entities recognized management and incentive fees of approximately \$92 million, and \$1.6 million, respectively. The Partnership recognized approximately \$2.9 million of appreciation on incentive fees previously deferred under Sec. 409(A) of the Internal Revenue Code, which has been presented in *Other Income* in the consolidated statement of income.

Dividends, Interest and Expense Recognition

Dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. Operating expenses, including interest on securities sold short, not yet purchased are recorded on the accrual basis, if any incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. The following subsidiaries are subject to these provisions: Highland Europe, HFC and HFREC.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

The Consolidated Investments Funds are not subject to federal income taxes and therefore no provision has been made in the accompanying consolidated financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Foreign cash of \$4.1 million is included in the cash and cash equivalents on the consolidated balance sheet.

Restricted Cash

The Partnership and its subsidiaries are required to maintain cash balances as collateral for various financing and derivative transactions. These amounts are reported as restricted cash.

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

Total Return Swaps

A total return swap agreement is a two-party contract under which an agreement is made to exchange returns from predetermined investments or instruments. The gross returns to be exchanged or "swapped" between the parties are calculated based on a "notional amount," which is valued monthly according to the valuation policy mentioned above to determine each party's obligation under the contract.

Risks could arise from entering into swap agreements from the potential inability of counterparties to meet the terms of their contracts, and from the potential inability to enter into a closing contract. The Partnership's Consolidated Investment Funds recognize all cash flows received (paid) or receivable (payable) from swap transactions on a net basis as realized or unrealized gains or losses in the consolidated statement of income. The Partnership and the Consolidated Investment Funds are charged a finance cost by counterparties with respect to each agreement. The finance cost is reported as part of the realized or unrealized gains or losses.

Credit Default Swaps

As discussed in Note 6, under a credit default swap agreement two parties agree to transfer the credit exposure of an asset between one another. The seller of the swap guarantees the credit worthiness of a specific instrument by agreeing to pay the buying party a specific amount (generally par value) in the event that the instrument defaults.

At December 31, 2009, the Partnership's Consolidated Investment Funds were party to credit default swaps in which it acts as the guaranteeing party. In the event that any of the underlying instruments default prior to the expiration of the agreements, the Consolidated Investment Funds are obligated to pay the swap counterparty the par value of the specific instrument. The Consolidated Investment Funds collect a fee based on the size of the underlying positions which are treated as realized gains once received. The difference between the current market value of the swaps and the original price of the swap is reported as an unrealized gain or loss.

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand. Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash or securities. The amount of the required deposit, which earns interest, is

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender.

Securities Loaned

The Partnership's Consolidated Investment Funds may lend securities to their financing counterparties for margin. The lending entity receives the interest associated with the securities loaned. The loans are secured by the fair value of the securities. Gains or losses in the fair value of the securities loaned that occur during the term of the loan will be for the account of the lender. The lender has the right under the lending agreement to recover the securities from the prime brokers on demand. The lender pays a fee to the broker for the cash collateral received. This is accounted for as interest expense. A credit risk exists to the lender under this type of transaction to the extent that the counterparty defaults on its obligation to return the securities loaned.

Options

The Partnership's Consolidated Investment Funds purchase and sell call and put options on equity securities and equity indices as part of its overall portfolio management strategies. Purchased call or put options may be used to obtain economic exposure equivalent to a long or short position, respectively, or to hedge existing or anticipates portfolio positions. Certain options contracts are index options, under which amounts due or payable upon exercise are settled entirely in cash based on the difference between the value of the index at maturity and its contract (or strike) value. The potential risk of loss for purchased options is limited to the premium paid.

The premium paid for the purchase of an option is included in the consolidated balance sheet as an investment and subsequently marked-to-market to reflect the current value of the option. If an option expires on the stipulated expiration date, the Consolidated Investment Funds realize a loss equal to the cost of the option. If the Consolidated Investment Funds enter into a closing sale transaction, the Consolidated Investment Funds realize a gain or loss, depending on whether the proceeds from the closing sale transaction are greater or less than the cost of the option. If the Consolidated Investment Funds exercise a call option, the cost of the securities acquired upon exercise is increased by the premium paid to buy the call. If the Consolidated Investment Funds exercise a put option, it realizes a gain or loss from the sale of the underlying security and the proceeds from such sale are decreased by the premium originally paid.

Margin Transactions

In order to obtain more investable cash, the Partnership and its subsidiaries may use various forms of leverage including purchasing securities on margin. Such leverage may allow the Partnership and its subsidiaries to increase net assets at a greater rate during increasing markets, but also may lead to a more rapid decrease in net assets in a declining market. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2009. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. Withdrawals payable may be treated as capital for purposes of allocations of gains/losses pursuant to the partnerships' governing documents. At December 31, 2009, the Consolidated Investment Funds had withdrawals payable of \$36.2 million.

Use of Estimates

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates.

Foreign Currency Transactions

The Partnership's subsidiary Highland Europe uses British Pounds as its functional currency and enters into transactions in multiple foreign currencies. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2009. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the consolidated statement of income.

The Consolidated Investment Funds do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments*.

Financial Instruments

The Partnership and its consolidated entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable and accrued liabilities approximate their fair values because of their short maturities.

Life Settlement Contracts

One of the Partnership's Consolidated Investment Funds invests in life settlement contracts (the "Policies"). The Policies are reflected as a component of "Investments, at fair value" in the Consolidated Statement of Assets, Liabilities and Partners' capital. Realized and unrealized gains/ (losses) on the Policies are reflected in the Consolidated Statement of Income. Cash flows used to purchase the Policies are reflected as a component of "Purchases of Investments" in the Consolidated Statement of Cash Flows.

The Consolidated Investment Funds were invested in 119 policies at December 31, 2009 with a total face value of approximately \$1 billion.

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Goodwill and Other Intangible Assets

The Partnership purchased Highland Europe on April 6, 2005. Goodwill represents the amount paid in excess of the fair value of the assets of Highland Europe at the date of acquisition. No goodwill impairments existed as of December 31, 2009.

The Partnership has obtained the rights to the management contracts of certain RICs it manages by acquiring the underlying contracts from the predecessor investment manager. The Partnership performs an impairment test on the purchased investment contracts on an annual basis. Any depreciation in the value of the purchased investment management contracts are accounted for in the year when it occurs. The carrying values of the purchased investment contracts are not adjusted for appreciation. The goodwill and purchased investment management contracts are indefinite-lived assets and are not amortized.

Recently Issued Accounting Standards & Interpretations

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

In September 2009, the FASB issued ASU 2009-06, *Income Taxes (Topic 740)—Implementation Guidance on Accounting for Uncertainty in Income Taxes and Disclosure Amendments for Nonpublic Entities* (formerly proposed as FASB Staff Position No. 48-d, *Application Guidance for Pass-Through Entities and Tax-Exempt Not-for-Profit Entities and Disclosure Modifications for Nonpublic Entities*), which amended Accounting Standards Codification Subtopic 740-10, *Income Taxes – Overall*. ASU 2009-06 clarifies that an entity's assertion that it is a pass-through entity is a tax position and should be assessed in accordance with Subtopic 740-10. Additionally, the ASU provides implementation guidance on the attribution of income taxes to entities and owners. The revised guidance is effective for periods ending after September 15, 2009. The adoption of ASU 2009-06 did not have a material impact on the Partnership's financial position or results of operations at the date of adoption.

In June 2009, the FASB issued Statement of Financial Accounting Standards ("SFAS") No. 168, *The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles, a replacement of FASB Statement No. 162* (subsequently codified into FASB ASC Topic 105) which established the FASB Accounting Standards Codification ("ASC" or the "Codification") as the single source of authoritative accounting principles for U.S. GAAP issued by the FASB. The Codification supersedes all existing non-SEC accounting and reporting standards and subsequent to adoption, the FASB will issue new standards in the form of ASUs, and no longer as SFASs, FASB Staff Positions or Emerging Issues Task Force Abstracts. The Codification is effective for reporting periods ending on or after September 15, 2009. The adoption of the Codification did not have any impact on the Partnership's financial position or results of operations at the date of adoption.

In April 2009, the FASB issued guidance on determining fair value when the volume and level of activity for an asset or liability has significantly decreased and identifying transactions that are not orderly (originally issued as FASB Staff Position SFAS 157-4, *Determining Fair Value When the Volume and Level of Activity for the Asset or Liability Have Significantly Decreased and Identifying Transactions That Are Not Orderly*, and subsequently codified within FASB ASC Topic 820). The guidance provides additional guidance to expand on the factors that should be considered in estimating fair value when there has been a significant decrease in market activity for an asset or liability. The guidance is effective for interim and annual periods ending after June 15, 2009. The adoption did not have any impact on the Partnership's financial position or results of operations at the date of adoption.

In December 2007, the FASB issued guidance on noncontrolling interests in consolidated financial statements (originally issued as SFAS No. 160, *Noncontrolling Interests in Consolidated Financial Statements—an amendment of ARB No. 51*, and subsequently codified within FASB ASC Topic 810). The guidance requires a company to clearly identify and present ownership interests in subsidiaries held by parties other than the company within the equity section of the consolidated financial statements. Additionally, Topic 810 requires: (i) the amount of consolidated net income (loss) attributable to the controlling and the noncontrolling interests to be clearly identified and presented on the face of the consolidated statements of operations; (ii) acquisitions of noncontrolling interest to be accounted for as equity transactions with no step-up to fair value; (iii) when a subsidiary is deconsolidated, any retained noncontrolling interest and the gain or loss upon deconsolidation to be measured at fair value; and (iv) losses to be allocated to noncontrolling interest regardless of whether cumulative losses have exceeded the noncontrolling interest in the subsidiary's capital. The guidance is effective for reporting periods beginning on or after December 15, 2008. The adoption of the revised guidance did not have any impact on the Partnership's financial position or results of operations at the date of adoption.

In June 2009, the FASB issued amended guidance on accounting for transfers of financial assets (originally issued as SFAS No. 166, *Accounting for Transfers of Financial Assets, an amendment of FASB Statement No. 140*, and subsequently reissued as ASU 2009-16, *Accounting for Transfers of*

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

Financial Assets). The amendments were issued to improve the information that a reporting entity provides in its financial statements about a transfer of financial assets, the effects of a transfer on its financial statements, and a transferor's continuing involvement, if any, in transferred financial assets. The amendments eliminate the concept of qualifying special purpose entities from U.S. GAAP. These entities will now be evaluated for consolidation in accordance with the applicable consolidation criteria. The amendments are effective for reporting periods beginning on or after November 15, 2009. The adoption of ASU 2009-16 is not expected to have any impact on the Company's financial position or results of operations.

In June 2009, the FASB issued amended guidance on accounting for variable interest entities (originally issued as SFAS No. 167, *Amendments to FASB Interpretation No. 46(R)*, and subsequently reissued as ASU 2009-17, *Improvements to Financial Reporting by Enterprises Involved with Variable Interest Entities*). The amendments were issued to address the effects of the removal of the concept of qualifying special purpose entities from U.S. GAAP and to address concerns regarding the consolidation of variable interest entities. ASU 2009-17 will require a qualitative approach rather than a quantitative approach when determining the primary beneficiary of a variable interest entity and will also change the criteria by which an enterprise determines whether it is the primary beneficiary of an entity. In addition, the amended interpretation will no longer consider removal rights when determining whether an entity is a variable interest entity and whether to consolidate a variable interest entity as the primary beneficiary unless those rights are held by a single party. ASU 2009-17 is effective for reporting periods beginning on or after November 15, 2009. The adoption of ASU 2009-17 is not expected to have any impact on the Partnership's financial position or results of operations, as substantially all of the entities in which it holds variable interests will qualify for the scope deferral included in ASU 2010-10, *Amendments to Statement 167 for Certain Investment Funds*.

In February 2010, the FASB issued ASU 2010-10, *Amendments to Statement 167 for Certain Investment Funds*. ASU 2010-10 defers the effective date of ASU 2009-17 for certain investment entities to allow the FASB to work with the International Accounting Standards Board ("IASB") in developing consistent consolidation guidance. The deferral will apply to a reporting entity's (i.e. investment manager's) interest in an entity (i) that has the attributes of an investment company or (ii) for which it is industry practice to apply measurement principles for financial reporting purposes that are consistent with those followed by investment companies. The deferral in ASU 2010-10 would not apply in situations in which a reporting entity has the explicit or implicit obligation to fund actual losses of an entity that could potentially be significant to the entity. ASU 2010-10 is effective for annual reporting periods beginning on or after November 15, 2009, and for interim periods within that first annual reporting period. The adoption of ASU 2010-10 is not expected to have any impact on the Company's financial position or results of operations, as adoption of the deferral results in the Company continuing to apply consolidation and disclosure requirements in effect during prior periods.

In September 2009, the FASB issued Accounting Standards Update ("ASU") 2009-12, *Fair Value Measurements and Disclosures (Topic 820)—Investments in Certain Entities That Calculate Net Asset Value Per Share (or Its Equivalent)* which amended Accounting Standards Codification Subtopic 820-10, *Fair Value Measurements and Disclosures—Overall*. The amended guidance offers investors a practical expedient for measuring the fair value of investments in certain entities that calculate net asset value per share (NAV). The ASU is effective for the first reporting period (including interim periods) ending after December 15, 2009. The Partnership has not yet determined the impact, if any, that the implementation of ASU 2009-12 would have on our consolidated results of operations or financial condition.

3. Fixed Assets and Leasehold Improvements

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2009:

(in thousands)

Buildings	\$ 10,119
Leasehold improvements	4,060
Computer and equipment	3,448
Furniture and fixtures	3,185
Computer software	2,287
Land	1,328
Accumulated depreciation	<u>(9,536)</u>
	<u>\$ 14,891</u>

The Partnership and its consolidated entities are depreciating fixed assets as follows:

	<u>Period</u>
Buildings	29 - 40 years
Leasehold improvements	Lease term
Computer and equipment	5 years
Furniture and fixtures	7 years
Computer software	3 years

Depreciation expense in 2009 totaled approximately \$4.8 million for the Partnership and its subsidiaries.

The Partnership and its consolidated entities had approximately \$16.4 million of capital expenditures in 2009.

4. Investments

Detailed below is a summary of the Partnership and its subsidiaries' investments at December 31, 2009:

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

<i>(in thousands)</i>	Amortized Cost/Cost	Fair Value
Investments in floating rate syndicated bank loans	\$ 937,360	\$ 365,304
Investments in fixed rate syndicated bank loans	6,695	7,822
Investments in fixed income securites	948,995	528,096
Investments in equity securities	1,277,263	761,508
Investments in life settlement contracts	242,472	144,952
Investments in CLOs (mezz tranches)	83,369	37,254
Investments in CLOs (residual CLO equity tranches)	150,381	11,084
Investments in closed-end mutual funds	13,238	12,558

Investments in limited partnerships	160,133	119,180
Investments in warrants	6,076	9,236
Total investments	<u>\$ 3,958,355</u>	<u>\$ 2,019,366</u>
Net unrealized gain/loss on credit default swaps	<u>\$ (2,563)</u>	<u>\$ (102,605)</u>
	Proceeds	Fair Value
Securities sold, not yet purchased	<u>\$ 15,093</u>	<u>\$ 21,406</u>

Affiliated Investments

Investments in Residual CLO Equity and Mezzanine Tranches

Investments in affiliated residual CLO equity tranches primarily represent tranches of CLOs for which the Partnership and Highland Europe provide investment advisory services. The Consolidated Investment Funds receive quarterly distributions based on the excess interest after paying the stated interest distributions to the senior and mezzanine note holders, and paying the investment manager, trustee and other related fees. A portion of these distributions are amortized against the cost basis of the investment based on the actual cash distributions received during the year versus the total expected remaining cash distributions to the residual CLO equity tranche. The remainder of the distribution is recorded as interest income.

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

Investments in residual equity and mezzanine tranches of CLOs are not actively traded. The estimated fair value of the CLOs is derived from broker quotes and valuation models. The estimated fair value of these investments as presented in the consolidated balance sheet does not necessarily represent the amount that could be obtained from the sale of these investments. Changes in the credit quality or the performance of the underlying collateral, the availability and price of assets available for reinvestment, interest rates and/or the interest rate curve, or other market conditions could have a material impact on the estimated fair value of the investments.

Investment in Highland Special Situations Fund

The Partnership invests in Highland Special Situations Fund ("HSSF"), a diversified, closed end RIC for which the Partnership provides investment advisory services. As of December 31, 2009, the market value of the Partnership's investment in HSSF was approximately \$3 million. During the year ended December 31, 2009, the Partnership accrued approximately \$0.2 million in dividends from HSSF.

Investment in Highland Long/Short Equity Fund

The Partnership invests in Highland Long/Short Equity Fund ("HEOF"), a diversified, open-end RIC for which the Partnership provides investment advisory services. As of December 31, 2009, the market value of the Partnership's investment in HEOF was approximately \$0.2 million.

Investment in Highland Healthcare Fund

The Partnership invests in Highland Healthcare Fund ("HHF"), a non-diversified, open-end RIC for which the Partnership provides investment advisory services. As of December 31, 2009, the market value of the Partnership's investment in HHF was approximately \$3.6 million.

Investment in Highland Credit Strategies Fund

The Partnership invests in Highland Credit Strategies Fund ("HCF"), a diversified, closed-end RIC for which the Partnership provides investment advisory services. As of December 31, 2009, the market value of the Partnership's investment in HCF was approximately \$4 million. During the year ended December 31, 2009, the Partnership received approximately \$0.1 million in dividends from HCF.

Prepaid Forward Contract

On July 28, 2006, Highland Multi-Strategy Onshore Master Subfund I, LLC ("Subfund") and Barclays Bank PLC ("Barclays") entered into a prepaid forward contract. The Partnership and affiliates redeemed approximately \$312.7 million of a reference portfolio, which was comprised of the following basket of funds advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund and Select Equity Fund. Barclays simultaneously contributed approximately \$312.7 million as a hedge to its obligation under the prepaid forward contract.

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

Barclays was prepaid approximately \$156.3 million, or one-half of the reference portfolio value at initiation of the transaction. A notional amount, (the initial reference portfolio value less the amount prepaid), accretes interest to Barclays at monthly LIBOR plus 0.90% per annum.

A collateral account in the amount of approximately \$53.2 million was established to further secure the transaction. Due to extreme market volatility, all of the underlying holdings in the collateral account were sold during 2008.

The term of the prepaid forward contract was three years and allowed for net settlement upon termination. The contract expired on July 31, 2009 whereby Barclays was to remit in cash the greater of the difference between the reference portfolio value and the notional amount, as valued on the scheduled termination date, or zero. Upon expiration, Barclays was not obligated to make a cash payment to the Subfund.

On October 7, 2008, Barclays submitted a notice of early termination for the prepaid forward contract. Refer to Note 17 for further discussion.

Accreting Strike Option

On February 28, 2007, Highland Multi-Strategy Onshore Master Subfund II, LLC entered into an Accreting Strike Option ("ASO") with Barclays. The ASO's value is based on the following basket of funds ("the reference portfolio") advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund, Select Equity Fund and Credit Opportunities Domestic Feeder. The value of the reference portfolio at inception was approximately \$250.2 million

Barclays was paid a \$71.4 million premium on the option. The strike price, (the initial reference portfolio value less the premium paid), accretes interest to Barclays at monthly LIBOR plus 1.4% per annum. As of December 31, 2009, the strike price was approximately \$179.6 million.

The term of the accreting strike option is five years and allows for net settlement upon termination. At contract expiration, Barclays will remit in cash the greater of the difference between the reference portfolio value and the strike price, as valued on the scheduled termination date, or zero. As of December 31, 2009, the ASO did not have a positive net fair value.

Detailed below is a summary of the transaction as of December 31, 2009:

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

(in thousands)

Reference Portfolio	Fair Value
Select Equity Fund	\$ 110,491
Crusader Domestic Feeder	12,156
Equity Focus Fund	6,974
Credit Opportunities Domestic Feeder	3,238
Real Estate Fund	-
Highland CDO Opportunity Fund, Ltd.	-
Credit Strategies Domestic Feeder	-
Reference portfolio total	132,859
Notional amount	(179,563)
Fair value of accreting strike option	(46,704)

On October 13, 2008, Barclays served notice of early termination for the accreting strike option. Refer to Note 16 for further discussion.

Investment in Highland Employee Retention Assets LLC ("HERA")

During 2009, the Partnership established HERA, an employee deferred compensation vehicle. On October 26, 2009, approximately \$12.1 million of assets were transferred to HERA. As of December 31, 2009, the Partnership's equity investment in HERA was approximately \$11 million.

5. Fair Value of Financial Instruments

As discussed in Note 2, the Partnership and its consolidated entities categorize investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. A majority of the Consolidated Investment Fund's investments and derivatives at December 31, 2009 are classified as Level 3 positions due to the absence of active markets with quoted prices for identical or similar investments. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2009:

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

(in thousands)

	Level 1	Level 2	Level 3	Estimated Fair Value at 12/31/09
Loans	\$ -	\$ 16,048	\$ 357,077	\$ 373,125

6. Derivative Financial Instruments

Effective January 1, 2009, the Consolidated Investment Funds adopted the amended authoritative guidance on disclosures about derivative instruments. The new requirement amends and expands the disclosure requirement related to derivative instruments, to provide users of the financial instruments with an enhanced understanding of the use of derivative instruments by the Consolidated Investment Funds and how these derivatives affect the financial condition, financial performance, and cash flows of the Consolidated Investment Funds. This guidance requires qualitative disclosures about the objectives and strategies for using derivative instruments, quantitative disclosures about their fair value of, and gains and losses on, derivative instruments, as well as disclosures about credit-risk-related contingent features in derivative agreements.

Credit Default Swaps

The Consolidated Investment Funds enter into credit default swaps to simulate long and short bond positions that are either unavailable or considered to be less attractively priced in the bond market. The Consolidated Investment Funds use these swaps to manage risk where they have exposure to the issuer, or to take an active long or short position with respect to the likelihood of an event of default.

The buyer of a credit default swap is generally obligated to pay the seller a periodic stream of payments over the term of the contract in return for a contingent payment upon the occurrence of a credit event with respect to an underlying reference obligation. A credit event for corporate reference obligations includes bankruptcy, failure to pay, obligation acceleration, repudiation/moratorium or restructuring. If a credit event occurs, the seller must pay the contingent payment to the buyer, which is typically the par value (full notional value) of the reference obligation, though the actual payment may be mitigated by terms of the International Swaps and Derivative Agreement ("ISDA"), allowing for netting arrangements and collateral. In addition, the payment may be reduced by anticipated recovery rates, segregated collateral and netting arrangements that may incorporate multiple transactions with a given counterparty.

The seller of credit default swaps receives a fixed rate of income throughout the term of the contract, which typically is between one month and five years, provided that no credit event occurs. If a credit event occurs, the seller may be required to pay the buyer the full notional value of the reference obligation.

As of December 31, 2009, the Consolidated Investment Funds sellers of credit default swaps ("providing protection") on a total notional amount of \$248.6 million. The notional amount of the swaps is not recorded in the financial statements; however it approximates the maximum potential amount of future payments that the Consolidated Investment Funds could be required to make if they are the seller of protection and a credit event were to occur. The fair value of the swaps as of December 31, 2009 was approximately (\$102.6 million), and the Consolidated Investment Funds have posted approximately \$144.4 million of cash collateral with the counterparty to secure these unrealized losses.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

The Consolidated Investment Funds reduced their overall exposure to credit default swaps by closing several positions, which generated approximately \$78.7 million of net realized losses that are recorded in the Consolidated Statement of Operations as a component of net realized losses from investment transactions. The Consolidated Investment Fund's average exposure to credit default swap contracts for which it provided protection during the year ended December 31, 2009 was approximately \$247 million.

The following table provides a summary of the Consolidated Investment Fund's maximum exposure by maturity credit rating under the swaps for which it sold protection. All of the contracts mature within the next five years.

(in thousands)

Current issuer credit rating*

BBB	\$ 29,500
B+	7,500
B	7,500
B-	20,250
CC	135,410
	<u>\$ 200,160</u>

* The credit rating on the underlying bond provides an indicator of the risk that the Consolidated Investment Funds will have to perform under the swap arrangement. Lower credit ratings with a shorter contract term indicate a higher likelihood of performance by the Consolidated Investment Funds.

Total Return Swaps

A total return swap is a two-party contract under which the parties agree to exchange returns from a predetermined portfolio of investments. The gross returns to be exchanged or swapped between the parties are calculated based on a notional amount, which is valued monthly to determine each party's obligation under the contract. All of the Consolidated Investment Fund's total return swap programs were terminated in 2009. As of December 31, 2009, approximately \$45.2 million was owed to various counterparties, on a net basis. Approximately \$54.1 million of cash and securities have been posted to secure the balance payable. During the year, the Consolidated Investment Funds realized \$96.4 million in realized losses related to the contracts closed out during the year.

7. Debt and Notes Payable

Consolidated debt and notes payable as of December 31, 2009 consists of:

(in thousands)

	<u>December 31, 2009</u>
Partnership revolving credit facility	\$ 143,435
Credit Opportunities Master note payable	128,603
HCREA Nolen Drive note payable	7,005
Partnership promissory note	466
	<u>\$ 279,509</u>

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

Revolving Credit Facility

On July 21, 2009, the Partnership amended and restated its credit agreement with Bank of America as syndication agent and The Bank of Nova Scotia as administrative agent in the amount of \$147.3 million (the "Credit Agreement"). The Credit Agreement provides for loans which are scheduled to mature on July 21, 2011.

Interest is payable on the last day of each month. The applicable spread for LIBOR loans under the Credit Agreement is LIBOR plus 5% per annum. For base rate loans, the spread is 4% per annum over the prevailing prime rate.

Under the terms of the Credit Agreement, the availability of credit was subject to financial covenants requiring the Partnership to maintain a minimum amount of fee earning assets under management, a minimum amount of management fees earned, a minimum collateral ratio and a maximum on compensation paid.

On September 15, 2009, the Credit Agreement was amended and restated to clarify some documentation items. On February 22, 2010, the Credit Agreement was amended a second time to clarify some of the reporting requirements.

The fair value of the facility as of December 31, 2009 was approximately \$127 million.

Promissory Note

On January 4, 2006, the Partnership received a promissory note (the "Promissory Note") from Compass Bank in the amount of \$2 million. The Partnership must make monthly payments of principal and accumulated interest on the fifth day of each month. The Promissory Note will mature on February 1, 2011. On February 8, 2007, the Partnership and Compass Bank modified the Promissory Note, which reduced the interest rate from 2.0% to 1.7% in excess of LIBOR. The outstanding balance of the Promissory Note as of December 31, 2009 was \$0.5 million. As of December 31, 2009, the estimated fair market value of the note was approximately equal to the carrying value.

Credit Opportunities Master Note Payable

On December 19, 2008, Highland Credit Opportunities CDO Financing, LLC ("CDO Financing"), a wholly-owned subsidiary of Credit Opportunities Master, executed a Note Purchase Agreement (the "Purchase Agreement") with certain investors that provided for the issuance of up to \$218 million of senior secured convertible notes guaranteed by Credit Opportunities Master. Pursuant to the terms of the Purchase Agreement and concurrent with the execution of the Purchase Agreement, CDO Financing issued \$116.6 million of senior secured convertible notes for \$115.6 million of cash and securities with a fair value of \$0.9 million. The proceeds from the notes were used primarily to fund an additional equity investment in Highland Credit Opportunities, Ltd. (the "CDO"). This investment was required under the terms of a forbearance agreement that the Credit Opportunities Master executed with the Majority Controlling Class of the CDO's note holders.

The notes have a stated maturity date of December 31, 2012 and accrue interest on a quarterly basis at a rate of 25% per year. The terms of the Purchase Agreement allow for up to 75% of the accrued interest due at any payment date to be capitalized as additional principal owed to the holders of the notes. For the year ended December 31, 2009, approximately \$12 million of interest payable was capitalized and issued to the note holders.

Subject to certain conditions, the Purchase Agreement allows for CDO Financing to issue up to \$101.4 million of additional notes to the existing note holders. The Purchase Agreement requires payment of a fee of 2.5% per annum on the unfunded portion of the note commitment. For the year ended December 31, 2009, approximately \$2.6 million of unfunded commitment fees is recorded in

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

interest expense in the Credit Opportunities Master's consolidated statement of operations. As of December 31, 2009, a liability of approximately \$2.7 million is included in interest payable in Credit Opportunities Master's consolidated statement of assets, liabilities, and partners' capital.

Under the terms of the Purchase Agreement, the Credit Opportunities Master may not make any prepayments until July 1, 2010. From July 1, 2010 through December 31, 2010, the Credit Opportunities Master may elect to prepay 50% of the outstanding principal balance. After that period, Credit Opportunities Master may prepay all or a portion of the outstanding principal, provided that each partial payment made to the note holders is in an aggregate principal amount of at least \$0.5 million.

The Purchase Agreement stipulates a premium due to the note holders upon full or partial payment of the outstanding principal of the notes. The premium due is determined by the date the principal is repaid and is calculated as a percentage of that principal balance, with a minimum of 5% due on the stated maturity date of the notes. The following table presents the premium rates by payment period:

<u>Prepayment Period</u>	<u>Fees</u>
July 1, 2010 - Dec. 31, 2010	15.0%
July 1, 2011 - Dec. 31, 2011	10.0%
July 1, 2012 - Dec. 31, 2012	6.0%
Dec. 31 2012	5.0%

Credit Opportunities Master is accruing the minimum premium due, 5% of the outstanding balance, over the contractual life of the notes using the effective-yield method. For the year ended December 31, 2009, approximately \$0.9 million of this premium due is recorded as a component of interest expense in Credit Opportunities Master's consolidated statement of operations. As of December 31, 2009 a liability of approximately \$0.9 million for the total premium recognized over the life of the notes is included in interest payable in Credit Opportunities Master's consolidated statement of assets, liabilities, and partners' capital.

At the note holders' option, up to 50% of the unpaid principal and accrued interest on the notes may be converted, in whole or in part, to limited partnership interests in the Feeder Fund or Credit Opportunities Master between January 1, 2010 and June 30, 2010. From July 1, 2010 through December 31, 2012, up to 100% of the unpaid principal and accrued interest on the notes may be converted, in whole or in part, to limited partnership interests in the Feeder Fund or Credit Opportunities Master.

The Purchase Agreement grants the note holders a lien on certain assets held by Credit Opportunities Master. In addition, it requires Credit Opportunities Master and the CDO to comply with various financial covenants. Failure to meet these covenants may result in an event of default and give the note holders the right to accelerate repayment of the debt or initiate a liquidation of certain assets. Credit Opportunities Master was in compliance with the covenants as of December 31, 2009 and for the year then ended. As of December 31, 2009, the estimated fair value of the notes was approximately \$167.4 million, which is based on value of the risk-adjusted yield from the expected future cash flows of the notes relative to comparable investments. Actual values may vary significantly from the estimates, particularly since the terms of the Company's debt are complex, and the market for the instruments is illiquid.

HCREA Nolen Drive Note Payable

On September 18, 2006, Nolen Drive entered into a \$7 million note payable with Artesia Mortgage Capital Corporation, which is secured by the underlying property in Nolen Drive (the "Term Loan"). The Term Loan matures with all principal and accrued interest due on October 11, 2011. The Term

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

Loan bears interest at a rate of 6.52% per annum. Payments are due on the 11th of every month. As of December 31, 2009, the estimated fair market value of the note was approximately \$7.2 million.

8. Financial Instruments with Concentration of Credit and Other Risks

Financial Instruments

The Partnership and its consolidated entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The consolidated entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the consolidated entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Statement of Assets, Liabilities and Partners' Capital.

Market Risk

Market risk represents the potential loss that may be incurred by the Master Partnership due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Investment Fund's exposure to market risk is affected by a number of factors, including the size, composition and diversification of its investments and swap agreements; interest rates; and market volatility. The Partnership and its Consolidated Investment Funds use various forms of leverage, including notes, which increase the effect of any investment value changes on net assets.

Credit Risk

Credit risk is the potential loss the Partnership and its consolidated entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the consolidated entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the consolidated entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Liquidity Risk

The Consolidated Investment Fund's limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Investment Funds nor their manager expect such a market to develop.

Business Risk

The Partnership provides advisory services to the consolidated investment funds. The Consolidated Investment Funds could be materially affected by the actions and liquidity of the Partnership.

High Yield Bonds and Loans

The Partnership and its Consolidated Investment Funds may invest in high-yield bonds that have been assigned a lower rating category or are not rated by various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed. In addition, certain of the Consolidated Investment Funds' investments have resale or transfer restrictions that further reduce their liquidity. The Consolidated Investment Funds also invest in senior secured syndicated bank loans and enter into direct contractual relationships with the corporate borrowers. As such, the Partnership and its

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

Consolidated Investment Funds are exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower.

The current economic recession has severely disrupted the market for most high-yield bonds and loans and may continue to have an adverse effect on the value of such instruments. It is also probable that the economic downturn could adversely affect the ability of the issuers of such securities to repay principal and interest thereon and increase the incidence of default for such securities.

CLO Equity Investments

The Partnership and its Consolidated Investment Funds may invest in CLO equity that are not rated by various credit rating agencies and are generally considered to be speculative with respect to the issuer's ability to repay principal and interest. The yields and prices of these non-rated CLO equity tranches are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed. In addition, certain of the Consolidated Investment Funds' investments have resale or transfer restrictions that further limit their liquidity. Given a backdrop of deteriorating general economic conditions, the Partnership and its consolidated investment funds are exposed to the potential non-payment of principal and interest from their CLO equity investments. As of December 31, 2009, 2 of the 29 CLO's managed by the Partnership paid interest to the equity holders on their last payment date.

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Investment Funds invest have been issued by distressed companies in an unstable financial condition. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions.

Credit Default Swaps

Credit default swaps involve greater risks than if the Partnership or its Consolidated Investment Funds had shorted the reference obligations directly. In addition to the market risk discussed above, credit default swaps are subject to liquidity risk and credit risk. If a credit event occurs, the value of the reference obligation received by the Partnership or its Consolidated Investment Funds, couple with the periodic payments previously received, may be less than the full notional amount it pays to the buyer, resulting in loss of value.

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Investment Funds' investments. However, the Consolidated Investment Funds' portfolio could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Investment Funds. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Investment Funds to losses that are disproportionate to market movements as a whole.

Custody Risk

The clearing operations for the Partnership and its Consolidated Investment Funds are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Investment Funds' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Investment Funds may lose all or a portion of the assets held by these banks or

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Investment Funds' might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Leverage Risk

The Consolidated Investment Funds may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Investment Funds' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Investment Funds. If the value of the Consolidated Investment Funds' securities fall below the margin level required by a counterparty, additional margin deposits are required. If the Consolidated Investment Funds are unable to satisfy a margin call, the counterparty could liquidate the position in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Investment Funds to incur significant losses.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Investment Funds' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Investment Funds. In addition, because the use of leverage allows the Consolidated Investment Funds to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Investment Funds may lose in the event of adverse price movements is high in relation to the amount of their investment.

In the event of a sudden drop in the value of the Consolidated Investment Funds' assets, the Consolidated Investment Funds may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Investment Funds may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Investment Funds have the ability to apply discretionary margin, haircut, financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2009, the Consolidated Investment Funds' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

Wind-Down Risk

The ultimate proceeds that the Consolidated Investment Funds' are able to realize on the sale of its investments will directly affect the amounts that the investors in the Feeder Funds are able to redeem in connection with the wind down process. These amounts may differ materially from the partners' capital balances as of December 31, 2009.

Litigation Risk

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

The Partnership and its Consolidated Investment Funds are periodically subject to legal actions arising from the ordinary course of business. In addition, certain of the Consolidated Investment Funds' Feeder Fund investors have filed lawsuits after receiving notification of the decision to wind-down certain Consolidated Investment Funds' investment portfolios. Refer to Note 16 for a discussion of the open litigation.

9. Related Party Transactions

Expenses Reimbursable by Funds Managed

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2009, approximately \$9.3 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in *Other current assets* in the accompanying consolidated balance sheet.

Long Term Incentive Plan and Intercompany Loan Payable to Highland Capital Management Services, Inc. ("HCMSI")

Effective January 1, 2001, all of the Partnership's employees were transferred to HCMSI, which provides personnel management and consulting services to the Partnership. The Partnership and HCMSI entered into a management agreement whereby the Partnership compensated HCMSI for its employee expenses plus a consulting services fee. As of January 1, 2005, there were no further transactions with HCMSI as all employees were transferred to the Partnership.

Effective January 1, 2001, HCMSI approved a long-term incentive plan ("the LTIP") for select employees who are eligible to receive Long-Term Incentive Units ("the Units") under the LTIP. The number of Units authorized under the LTIP is 30,000,000 and a majority of the Units granted vest 40% during the grant year and 30% for each of the two years thereafter, expiring 10 years after such grant date, unless different terms are agreed upon between the Plan Administrator and the employee. The fair value of the Units are based upon the fair value of the Partnership, as determined in good faith, by James Dondero, the Plan Administrator and the sole shareholder of the general partner and a limited partner of the Partnership. The LTIP was transferred to the Partnership from HCMSI on January 1, 2005.

The Units are exercisable at the discretion of the Plan Administrator, or upon a triggering event defined as the earlier of the following events:

- Change in control
- Initial public offering
- Participant's voluntary or involuntary termination due to death, disability, retirement, or hardship
- Participant's voluntary or involuntary termination other than due to death, disability, retirement, hardship, or cause is exercisable to the extent the Participant is entitled to only 80% of the vested shares.

A total of 2,479,281 Units are outstanding as of December 31, 2009 under the LTIP. During the year ended December 31, 2009, the liability under the LTIP decreased by approximately \$4.1 million, which is included in *Compensation and benefits* in the consolidated statement of income.

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

The total balance payable to HCMSI was approximately \$2.6 million as of December 31, 2009, which is related to the LTIP accrual.

Effective December 31, 2004, all of the employees at HCMSI were transferred to the Partnership, and the management agreement between the Partnership and HCMSI was terminated as to the provision of future services. However, all of the outstanding and unfunded obligations of the Partnership to HCMSI as of December 31, 2004, as well as any additional obligations that may arise in relation to these amounts, will continue to be due and payable to HCMSI until satisfied in accordance with the provisions of the agreements in place.

Accounts Held with Related Party

During the year the Partnership and its subsidiaries maintained accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2009, balances in the accounts were approximately \$52.2 million.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

Controlling Positions

Various members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. Any director's fees received by the Partnership for these services as directors are paid to and retained by the Partnership. As of December 31, 2009, the Partnership and its subsidiaries held the following investments in these companies:

(in thousands)

Issuer	Type of Investment	Fair Value
American Banknote Corporation	Common Equity	\$ 25,564
Biosyntech	Bond	2,963

Safety-Kleen Inc.	Common Equity	115,471
Solstice Neurosciences, Inc.	Preferred Equity	14,686
Terrestar	Preferred Equity	1,772
Trussway Industries, Inc.	Common Equity	15,993

During the year ended December 31, 2009, the Partnership earned approximately \$0.2 million of income from those entities where members of management serve as members of the Board of Directors. The amount is included in *Other income* in the consolidated statement of income.

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank, SSB, an affiliate of the Partnership, was the agent bank. Interest earned on the loans during the year was approximately \$16.3 million. At December 31, 2009, these subsidiaries

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

were invested in NexBank, SSB agented loans with commitments and market values totaling approximately \$323.6 million and \$85.1 million, respectively.

Affiliated Transactions

On August 20, 2008, the Partnership issued a promissory note in the amount of \$330,000 to an employee of the Partnership. The note accrues interest at a rate of LIBOR plus 1.75%. The note is payable in one lump sum on the earlier of August 20, 2015 or an event of acceleration. The note has specific forgiveness provisions of principal and interest prior to maturity if certain milestone dates are obtained. As of December 31, 2009, the principal amount on the promissory note was \$259,286 with interest accrued of approximately \$2,000.

On August 1, 2008, the Partnership issued a promissory note in the amount of \$500,000 to an employee of a subsidiary. The note accrues interest at a rate of LIBOR plus 1.75%, compounded quarterly. The note is payable in one lump sum on the earlier of August 1, 2011 or an event of acceleration. As of December 31, 2009, the principal amount on the promissory note was \$500,000 with interest accrued of approximately \$20,000.

On October 20, 2008, the Partnership received a Highland Financial Partners, L.P. ("HFP") senior secured note in the amount of \$22.3 million from CDO Master Fund. The note was transferred to the Partnership to satisfy a prior obligation. The Partnership received assets from HFP of approximately \$7.4 million on March, 26, 2009 for satisfaction of the note.

On September 26, 2008, HFP issued \$316 million of senior secured notes to the Consolidated Investment Funds in exchange for an interest in certain assets which included collateralized loan obligation securities. Due to a lack of a transfer of control caused by certain restrictive covenants associated with the exchange, these assets continue to be recognized on the Consolidated Statement of Assets, Liabilities and Partners' Capital of the Consolidated Investment Funds. Upon full payment of the outstanding principal of the senior secured notes, the restrictive covenants of the assets will be satisfied and HFP will have unencumbered interests in the assets. The Consolidated Investment Funds have recorded a liability to account for the future release of the assets, which is classified on their balance sheets as *Obligation to return collateral*. The Consolidated Investments Funds elected to apply the fair value option prescribed by current accounting guidance when they first recognized the liability, which resulted in the liability being carried at the same value as the assets in aggregate. Accordingly, the change in the fair value of the liability was recognized in the Consolidated Statement of Operations as an unrealized gain.

On March 20, 2009, the Partnership and its Consolidated Investment Funds agreed to terminate the senior secured notes that were issued by HFP. As a result, the Consolidated Investment Funds have been relieved of their obligation to transfer the underlying assets to HFP.

In accordance with the terms of a Master Indenture Agreement (the "Indenture") dated November 2, 2006, the Credit Opportunities Master acquired 250,000 Preferred Shares of Highland Credit Opportunities CDO, Ltd (the "CDO"). The Indenture requires Credit Opportunities Master to hold, directly or indirectly, more than 99% of the CDO's outstanding Preferred Shares at all times. As of December 31, 2009, the Credit Opportunities Master held 350,000 Preferred Shares and was the sole beneficial preferred shareholder.

The CDO invests primarily in floating rate syndicated bank loans, fixed income securities, and equity investments. These investments were purchased with funds the CDO received from the issuance of rated floating rate notes and Credit Opportunities Master's purchase of the Preferred Shares. Credit Opportunities Master is the sole beneficiary of all residual income from the CDO's portfolio. Although the Preferred Shares do not have a voting interest in the CDO, they carry certain rights. Specifically, they are entitled to receive quarterly preferential dividends, without requiring any declaration by the Directors, from the date they were issued until they are redeemed.

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

The Investment Manager serves as the Collateral Manager for the CDO but does not receive any fees for its services to the CDO.

During the fourth quarter of 2008, the CDO failed to meet certain over-collateralization tests set forth in the First Supplement to the Indenture dated November 2, 2006. This breach would have given the CDO's Majority of Controlling Debt Class the option to accelerate repayment of the CDO's outstanding debt or initiate a liquidation of its assets. To protect the value of its investment in the CDO, Credit Opportunities Master entered into a forbearance agreement whereby the Majority Controlling Class of the CDO's note holders waived the breach and agreed not to exercise the rights discussed above. The Majority Controlling Class also agreed to waive any future events of default resulting from the CDO's failure to meet the overcollateralization tests through December 31, 2011. In return, the CDO agreed not make any preferred dividend payments to Credit Opportunities Master until the over-collateralization tests exceed certain thresholds.

Credit Opportunities Master paid certain expenses related to the forbearance agreement, which have been recorded as an increase to the cost basis of its investment in the CDO's Preferred Shares. Credit Opportunities Master has also committed to pay certain expenses in 2010 and 2011.

The Consolidated Investment Funds periodically enter into transactions to buy or sell securities with affiliated entities. During the year ended December 31, 2009, the Consolidated Investment Funds purchased approximately \$10.8 million of securities from affiliated entities and sold approximately \$37.1 million of securities to affiliated entities, which generated net losses of approximately \$8.7 million.

Services Performed by an Affiliate

In March 2007, Highland Capital of New York, L.P., a New York limited partnership ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. For the year ended December 31, 2009, total marketing fee expense charged to the Partnership by Highland New York was approximately \$3.4 million and as of December 31, 2009, amounts owed to Highland New York for services rendered was approximately \$1.2 million.

Intercompany and Affiliate Balances

During 2008, the Partnership and affiliates engaged in a series of short-term, non-interest bearing transactions. As part of the satisfaction of the outstanding affiliated balances, approximately \$14.4 million of assets were transferred to the affiliates during 2009. Additionally, \$12.6 million of the remaining balance was converted to equity in the Partnership during 2009.

10. Commitments

Contracts in the Normal Course of Business

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant.

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

final outcome will not have a materially adverse effect on the Partnership's consolidated balance sheet, consolidated statement of income, or its liquidity. See Note 16.

Warehouse Guarantee

On July 6, 2007, the Partnership was a party to a warehouse agreement as a first loss guarantor. HCM Trident entered into the warehouse agreement and is entitled to the positive net carry or is required to pay the negative net carry. The Partnership guaranteed the payment of the negative net carry owed by HCM Trident. This guarantee was capped at 25% of the initial purchase price of the warehouse assets of \$25.7 million, or approximately \$6.4 million plus accrued interest. The Partnership paid \$3.8 million to HCM Trident as a deposit for the first loss guarantee.

On July 14, 2008, the warehouse agreement was amended to reflect the Partnership guaranteeing 100% of the negative net carry. The Partnership posted an additional \$1.5 million, for a total guarantee deposit on hand of \$3.1 million, net of any prior loss amounts.

On November 2, 2008, the warehouse agreement was amended to reflect the Partnership guaranteeing any credit facility amortization payments of principal and interest on HCM Trident's behalf. On June 15, 2009, the warehouse agreement was paid in full and the asset in the warehouse was transferred to the Partnership.

Operating Leases

Future minimum lease payments under operating lease commitments of the Partnership and its consolidated entities with initial or noncancelable terms in excess of one year, at inception, are as follows:

(in thousands)

Years Ending December 31,

2010	\$	2,071
2011		1,804
Thereafter		-
	\$	<u>3,875</u>

Total rental expense of the Partnership and its consolidated entities for operating leases was approximately \$4.4 million for the year ended December 31, 2009.

Loan Commitments

Loan and other participation interests purchased by the Consolidated Investment Funds such as bank debt and trade claims may include accompanying letters of credit, revolving credit arrangements or other financing commitments obligating the Consolidated Investment Funds to advance additional amounts on demand. At December 31, 2009, the Consolidated Investment Funds had outstanding loan commitments of approximately \$30.5 million. The total amount of outstanding commitments does not necessarily reflect the actual future cash requirements, as commitments may expire unused.

11. Postretirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. Therefore, no new participants shall enter the plan after 2008 and

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

no new benefits shall accrue under the plan after 2008. The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2009 are reconciled in the tables below.

(in thousands)

Change in projected benefit obligation	2009
Benefit obligation at beginning of year	\$ 3,543
Service cost	-
Interest cost	199
Plan participants' contributions	-
Amendments	-
Actuarial loss/(gain)	630
Acquisition/(divestiture)	-
Benefits paid	(956)
Benefit obligation at end of year	<u>\$ 3,416</u>
 Change in plan assets	 2009
Fair value of plan assets at beginning of year	\$ 1,146
Actual return on plan assets	457
Acquisition/(divestiture)	-
Employer contribution	2,966
Plan participants' contributions	-
Benefits paid	(956)
Other increase/(decrease)	-
Fair value of plan assets at year end	<u>\$ 3,613</u>
 Reconciliation of Funded Status	 2009

Projected benefit obligation at end of year	3,416
Fair value of assets at end of year	<u>3,613</u>
Funded status at end of year	<u>\$ 197</u>

The Partnership does not expect to contribute to the plan during 2010.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2009:

Discount rate	6.10%
Rate of compensation increase	N/A

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2009:

Discount rate	6.30%
Expected long-term return on plan assets	6.30%
Rate of compensation increase	N/A

As of December 31, 2009, approximately \$0.6 million of the plan assets were categorized as Level 3.

12. Goodwill and Other Intangible Assets

Below is a summary of the Partnership's goodwill and other intangible assets as of December 31, 2009:

(in thousands)

	Carrying Value
Highland Floating Rate Fund	\$ 12,672
Highland Floating Rate Advantage Fund	11,328
Goodwill for Highland Europe	8,020
	<u>\$ 32,020</u>

On April 9, 2004, the Partnership purchased the management agreements Highland Floating Rate Fund (the "Floating Rate Fund") and Highland Floating Rate Advantage Fund (the "Advantage Fund"). The combined purchase price for the above agreements was \$24.0 million. The purchase price was allocated among the Purchased Funds pro-rata based on the approximate combined total managed assets of the funds as of the date of purchase. As a result, \$12.7 million of the purchase price was allocated to the Floating Rate Fund and \$11.3 million was allocated to the Advantage Fund.

The Partnership performs an impairment test as required by U.S. GAAP on a yearly basis. The Partnership's management analyzes market multiples on retail asset managers within the industry as of December 31, 2009 to determine fair value of these assets. The Partnership has determined that no impairment charge is necessary for the current year.

13. Lehman Claim

On October 3, 2008, Lehman Brothers Special Financing Inc. (U.A.) ("LBSF"), an entity underlying the Consolidated Investment Fund's North American OTC derivative relationship with Lehman Brothers, filed for Chapter 11 bankruptcy.

The Consolidated Investment Fund's legal right with respect to these assets and the probability of their return is currently unclear. The unwinding of LBSF is described as large and exceptionally complex and may take years to complete. The Consolidated Investment Fund's expected losses of approximately \$4.7 million relating to LBSF's bankruptcy are recorded as a component of the net

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

change in unrealized depreciation on investments and swap contracts on the Consolidated Statement of Operations. The current value assigned to the Consolidated Investment Fund's claim on LBSF of \$13 million has been determined by the Investment Manager in good faith based on the information currently available and does not necessarily represent the amount that may ultimately be realized. This value is included in the investments balance on the Consolidate Statement of Assets, Liabilities and Partners' Capital.

14. Reverse Repurchase Agreements

Crusader Master and Credit Strategies Master are parties to collateralized financing transactions consisting of securities sold under agreements to repurchase. As of December 31, 2009, Crusader Master and Credit Strategies Master held high yield corporate bonds and equities with a fair value of \$77.2 million under reverse repurchase agreements. The gross amount payable to the counterparty (including accrued interest) was approximately \$44.4 million and is recorded as a component of due to brokers in the Consolidated Statement of Assets, Liabilities and Partners' Capital.

15. Income Taxes

The Partnership

For U.S. income tax purposes, the Partnership is treated as a pass-through-entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on their share of the Partnership's net taxable income.

The Partnership files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2009, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2005 forward (with limited exceptions).

The Partnership adopted the authoritative guidance on accounting for and disclosure of uncertainty in tax positions on January 1, 2009, which required the General Partner to determine whether a tax position of the Partnership is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that as a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2009.

Crusader Master

Crusader Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Crusader Master. Crusader Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Crusader Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Crusader Master's net taxable income.

Since Crusader Master trades investments for its own account, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The General Partner intends to conduct Crusader Master's business in

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2009

such a way that it does not constitute a U.S. trade or business or create a taxable presence in any of the jurisdictions in which the Investment Manager has offices, including the United Kingdom.

Dividends as well as certain interest and other income received by Crusader Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Crusader Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Crusader Master adopted the authoritative guidance on accounting for and disclosure of uncertainty in tax positions on January 1, 2009, which required management to determine whether a tax position of Crusader Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As a result of adopting this guidance, management has established a reserve of approximately \$9.8 million for uncertain tax positions, which includes approximately \$0.5 million of interest and \$2.3 million of penalties. Of this amount, approximately \$1.3 million related to the current year and was recorded as a tax expense in Statement of Operations. The remaining \$8.5 million related to prior years and was recorded as an adjustment to the beginning partners' capital available for distribution as of January 1, 2009. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2009.

Crusader Master files tax returns as prescribed the tax laws of the jurisdictions in which it operates. In the normal course of business, Crusader Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2009, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2006 forward.

A wholly owned corporation of Crusader Master has incurred capital losses on the sale of investments that exceed the amount of capital gains it has earned. Management has concluded that the subsidiary is not likely to generate additional gains in future periods and has established a valuation allowance to reserve for the entire amount of the deferred tax asset associated with the unused capital losses.

Credit Opportunities Master

The Credit Opportunities Master adopted the authoritative guidance on accounting for and disclosure of uncertainty in tax positions on January 1, 2009, which required management to determine whether a tax position of Credit Opportunities Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As a result of adopting this guidance, management has increased their tax liability by approximately \$1.6 million to account for uncertain tax positions, which includes approximately \$0.4 million of interest and penalties. This amount relates to prior years and was recorded as an adjustment to beginning partners' capital as of January 1, 2009. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2009.

Credit Opportunities Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Opportunities Master is subject to

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

examination by federal and foreign jurisdictions, where applicable. As of December 31, 2009, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2006 forward (with limited exceptions).

Credit Opportunities Master invests in equity securities. To the extent these securities pay dividends, the Credit Opportunities Master is required to withhold 30% of the gross dividends allocable to the Feeder Fund and remit the amounts to the Internal Revenue Service. As of December 31, 2009, a withholding tax liability of \$2.2 million is included in other liabilities in the Consolidated Statement of Assets, Liabilities, and Partners' Capital of the Master Partnership.

Credit Strategies Master

Credit Strategies Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Credit Strategies Master. Credit Strategies Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Credit Strategies Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Credit Strategies Master's net taxable income.

The Credit Strategies Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Strategies Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2009, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2006 forward (with limited exceptions).

Credit Strategies Master adopted the authoritative guidance on accounting for and disclosure of uncertainty in tax positions on January 1, 2009, which required the General Partner to determine whether a tax position of Credit Strategies Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2009.

Dividends as well as certain interest and other income received by Credit Strategies Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Credit Strategies Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

The remaining entities consolidated by the Partnership did not accrue for uncertain tax positions as required by U.S. GAAP.

16. Legal Proceedings

In April 2007, CDO Master Fund entered into a risk sharing agreement structured as a derivative whereby it absorbed 51% of the gains and losses generated from a loan warehouse agreement. The remaining 49% of the warehouse gains and losses were absorbed by Highland Special Opportunities Holding Company. The warehouse was financed by a reputable financial institution and held collateral consisting of investments in collateralized loan obligations and credit default swaps. Although the agreement expired on August 15, 2007, the counterparty agreed to extend it

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

for one year on March 15, 2008. As a condition of the extension, CDO Master Fund posted \$10.2 million of cash as collateral. In addition, HFC posted certain securities on behalf of CDO Master Fund and HFP. During October and November 2008, the counterparty requested additional collateral calls from CDO Master Fund and HFP totaling \$20 million. Due to liquidity constraints, CDO Master Fund was unable to meet the November call, and the counterparty elected to terminate the agreement as of December 5, 2008. The collateral held in the warehouse was subsequently seized by the counterparty and sold on the open market through bids-wanted-in-competition. After offsetting the proceeds received from the sale and the income earned on the collateral prior to the sale, the counterparty notified CDO Master Fund that its pro-rata share of the losses incurred under the agreement was \$350.2 million. CDO Master Fund has accrued a liability in its financial statements for this amount. On February 24, 2009, the counterparty (the "Plaintiffs") filed a lawsuit against CDO Master Fund, HFP and the Partnership in the New York State Supreme Court of Manhattan alleging that they suffered losses in excess of \$745 million due to the depreciation in value of the warehouse collateral. The Plaintiffs are seeking leave to amend their complaint to add additional claims and defendants, including other hedge funds managed by the Partnership. On February 19, 2010 a New York Appeals Court sided with the Partnership and dismissed UBS' claims against the Partnership.

Certain consolidated investment funds (collectively, the "Plaintiffs") filed a claim against Deutsche Bank AG and Deutsche Bank Securities, Inc. (collectively, "Deutsche Bank") in Dallas County District Court alleging fraudulent inducement, fraud and breach of contract in connection with three repurchase agreements to which the Plaintiffs and Deutsche Bank were a party. Deutsche Bank subsequently filed a lawsuit against the Plaintiffs in the United Kingdom on November 7, 2008 alleging breach of contract and fraud. During 2009, the Plaintiffs settled all of the outstanding litigation with Deutsche Bank and recorded a gain of approximately \$33.1 million on the settlement, which is included as a component of realized gains on investment transactions in the Consolidated Statement of Operations.

In April 2009, HYMF, Inc. filed a lawsuit in the New York State Court against the Partnership and certain consolidated investment funds (collectively "the Defendants"). The lawsuit alleges that the Defendants breached their contractual and fiduciary duties by failing to return HYMF's original investment in the consolidated investment funds. The Defendants intend to vigorously defend against the lawsuit. At this time, management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty.

In January 2009, Crusader Master, the Partnership and other affiliated entities were named as parties to a lawsuit claiming breach of fiduciary duties for their alleged failure to comply with obligations owed under a credit agreement. Crusader Master reached a settlement with the plaintiff in October 2009. Under the terms of the settlement agreement, the investments that Crusader Master held in a term loan and revolving credit facility issued by the plaintiff were transferred to a third party in exchange for other assets and cash of equivalent value.

On July 15, 2008, Crusader Master, certain affiliates, and numerous external parties (collectively, the "Defendants") were named as parties to an action filed with the Bankruptcy Court of the Southern District of Florida. The action related to a secured lending transaction and subsequent refinancing arrangement in which the Defendants participated. On October 13, 2009, the Bankruptcy Court ruled in favor of the plaintiffs and ordered the Defendants to disgorge the principal, interest, and fees they received in connection with the refinancing arrangement. In addition, the Court ordered the defendants to pay simple interest on the disgorged amount at an annual rate of 9%. Based on the ruling, Crusader Master recorded a reserve of approximately \$34 million as of December 31, 2009, which represents its ratable share of the judgment. However, the Defendants believe they acted in good faith pursuant to the terms of the relevant agreements and have filed the appeal and final adjudication of the appeal is pending. The reserve is included as a

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2009

component of accrued expenses on the Consolidated Statement of Assets and Liabilities and a component of net realized losses from investment transactions on the Consolidated Statement of Operations.

During the first quarter of 2009, certain investors in Highland Credit Strategies Fund, Ltd. filed lawsuits in response to the decision to wind-down Credit Strategies Master's investment portfolio. Each of these investors is seeking to recover the outstanding balances due under the redemption requests that they submitted prior to the announcement of the wind-down. They have also made various claims, including breach of fiduciary duties, committed negligence, tortious interference with the payment of redemption amounts, and/or committed fraud. Both the Partnership and Highland Credit Strategies Fund, Ltd. have been named as parties to the lawsuits. Management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty.

17. Fund Wind Down

On February 4, 2009, the Partnership informed investors of CDO Master that the fund was effectively insolvent and that it was in the best interest of the fund to liquidate the fund's remaining assets. The proceeds from the asset liquidations will be distributed to the remaining financing counterparties and other senior and trade creditors as the liabilities in the fund exceed the assets to such a degree that proceeds from the asset sales will not be able to satisfy any unpaid redemptions or to distribute amounts to any current investors.

18. Subsequent Events

In May 2009, the Financial Accounting Standards Board issued guidance regarding subsequent events, which detailed general standards for the accounting and disclosure of events that occur after the balance sheet date but before the financial statements are issued or available to be issued. This guidance did not have an impact on the Partnership or its consolidated entities' results of operations or financial position. In preparing the financial statements, management evaluated subsequent events through May 21, 2010, which is the date these financial statements were available to be issued.

Pursuant to the terms of the Purchase Agreement discussed in Note 7, approximately \$36.2 million of withdrawals previously recorded by Credit Opportunities Master were paid to investors in the Master Partnership and the Feeder Fund.

CDO Financing received a waiver from the holders of the senior secured convertible notes allowing it to prepay principal, premium and accrued interest on the notes. Approximately \$45 million of principal, \$6.8 million of premium and \$8.1 million of interest were paid to the note holders.

Highland Europe reduced its share premium account by £800,000 and remitted the funds to its parent company. Share premium was reduced as it was determined that the entity was overcapitalized.

The Partnership funded \$7 million of capital calls to Restoration Onshore and Restoration Master, collectively.

Report of Independent Auditors

To the General and Limited Partners of
Highland Capital Management, L.P.:

In our opinion, the accompanying consolidated balance sheet and the related consolidated statements of income, of changes in partners' capital and of cash flows (hereinafter referred to as the "financial statements") present fairly, in all material respects, the consolidated financial position of Highland Capital Management, L.P. and its subsidiaries (collectively, the "Partnership") at December 31, 2010, and the results of their operations, the changes in their partners' capital, and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplemental unconsolidated balance sheet and statement of income are presented for purposes of additional information, and are not a required part of the basic consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment advisor under the Investment Advisors Act of 1940 that manages collateralized loan obligations ("CLOs"), registered investment companies ("RICs"), hedge funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is 100% owned by senior management of the Partnership.

As of December 31, 2010, the Partnership provided investment advisory services for twenty-seven CLOs, seven RICs, two separate accounts, one master limited partnership, and twelve hedge fund structures, with total fee-earning assets under management of approximately \$21.7 billion.

2. Liquidity Considerations

As further discussed in Note 8, the Partnership has a Revolving Credit Facility (the "Credit Agreement") scheduled to mature on July 21, 2011, including forbearance from the exercising of remedies for events of default from July 21, 2011 to November 18, 2011. Management is currently in negotiations to extend or refinance the Credit Agreement with the lenders. Management is also considering alternative sources of financing to repay in the event that an extension of the existing Credit Agreement cannot be obtained although to date, such alternative sources have not been secured. The Credit Agreement is collateralized by assets of the Partnerships with an estimated fair value of approximately \$100 million at December 31, 2010. Although there can be no assurance that these assets could be sold at that value, management has the ability to sell these and certain other assets should it become necessary in order to pay off the remaining balance of the Credit Agreement in the event an extension cannot be obtained. There can be no assurance that management will be successful in their attempts to extend the Credit Agreement, to identify alternative sources of financing or to sell assets for proceeds sufficient to repay the balance of the Credit Agreement.

3. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries, which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions of the entity, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions of the entity, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

Consolidation of Non-Variable Interest Entities

The Partnership consolidates the following non-VIE's (collectively referred to as the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

- Highland Crusader Offshore Partners, L.P. ("Crusader Master"), a Bermuda exempted limited partnership that commenced operations on July 10, 2000;
- Highland CDO Opportunity Master Fund, L.P. ("CDO Master Fund"), a Bermuda limited partnership that commenced operations on November 9, 2005;
- Highland Credit Strategies Master Fund, L.P. ("Credit Strategies Master"), a Bermuda exempted limited partnership that commenced operations on August 24, 2005
- Highland Credit Opportunities CDO, L.P. ("Credit Opportunities Master"), a Delaware limited partnership that commenced operations on December 29, 2005;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Canopy Timberlands, L.P., a Delaware limited partnership that commenced operations on April 29, 2008;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore") a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore") a Delaware limited partnership that commenced operations on September 2, 2008; and
- Highland Restoration Capital Partners Master, L.P. ("Restoration Master") a Delaware limited partnership that began commenced on September 2, 2008.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in Highland Capital Management Europe, Ltd. ("Highland Europe"), a company organized in the United Kingdom and purchased by the Partnership on April 6, 2005;
- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in HFP GP, LLC, a Delaware limited liability company that commenced operations on January 20, 2006;
- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;
- 100% interest in Highland Capital Management (Singapore) Pte, Ltd, a company organized in the Republic of Singapore that commenced operations on April 2, 2008; and
- 100% interest in Highland Employee Retention Assets, LLC, a Delaware limited liability company that commenced operations on October 26, 2009.
- 100% interest in Highland Special Situations Fund, a Delaware statutory trust that is registered with the Securities and Exchange Commission under the Investment Company Act of 1940, as amended, as a non-diversified, closed-end management investment company, and commenced operations on May 18, 2005.

All significant interpartnership and intercompany accounts and transactions have been eliminated in consolidation of all of the aforementioned consolidated entities. All the Consolidated Investment Funds are, for U.S. GAAP purposes, investment companies under the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide - Investment Companies. The Partnership has retained the specialized accounting of these funds required under U.S. GAAP.

Investment Transactions

Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

Management and Incentive Fee Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2010, the Partnership and its consolidated entities recognized management and incentive fees of approximately \$85.9 million, and \$8.1 million, respectively. The Partnership recognized approximately \$7.0 million of appreciation on incentive fees earned prior to 2008, previously

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

deferred under Sec. 409(A) of the Internal Revenue Code, which has been presented in *Other Income* in the Consolidated Statement of Income.

Derivative Contracts

Credit Default Swaps are marked-to-market based upon values from third party vendors or broker quotations and the change in value is recorded as unrealized appreciation/depreciation. Swap contracts with cumulative unrealized gains as of a reporting date are recorded as assets on the Consolidated Balance Sheet, while swap contracts with cumulative unrealized losses as of the reporting date are recorded as liabilities. Upfront payments made/received by the Consolidated Funds are amortized or accreted for financial reporting purposes, with the unamortized or unaccreted portion included in the Consolidated Balance Sheet. A termination payment by the counterparty or the Consolidated Funds is recorded as a realized gain or loss, as well as the net periodic payments received or paid by the Consolidated Fund.

Dividends, Interest and Expense Recognition

Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Of the entities consolidated, only Highland Europe is subject to these provisions.

The Consolidated Investments Funds are not subject to federal income taxes and therefore no provision has been made in the accompanying consolidated financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Foreign cash of \$2.8 million is included in the cash and cash equivalents on the consolidated balance sheet, a portion of which exceeds Federal deposit insurance limits.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Restricted Cash

The Partnership and its subsidiaries are required to maintain cash balances as collateral for various financing and derivative transactions. These amounts are reported as restricted cash.

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

Debt Securities

The Consolidated Funds invest in various types of debt, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Consolidated Funds first seek to obtain reliable market quotes from other parties dealing in the specific asset. Absent both a reliable market quote and third-party pricing service date, the Consolidated Funds may use various models to establish an estimated exit price. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

Due to/from Brokers

Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Investment Manager's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

Private Equity Investments

The Consolidated Funds hold private equity investments which resulted from the restructuring of other instruments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Consolidated Funds will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publically available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Asset Backed Securities

The Consolidated Funds invest in a variety of asset backed securities. Asset backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Funds generally utilize an independent third party firm to perform these calculations and provide the relevant inputs. The Consolidated Funds evaluate the results based on visible market activity and market research. When appropriate, the Consolidated Funds may apply other techniques based on a specific asset's characteristics.

Total Return Swaps

A total return swap agreement is a two-party contract under which an agreement is made to exchange returns from predetermined investments or instruments. The gross returns to be exchanged or "swapped" between the parties are calculated based on a "notional amount," which is valued monthly according to the valuation policy mentioned above to determine each party's obligation under the contract.

Risks could arise from entering into swap agreements from the potential inability of counterparties to meet the terms of their contracts, and from the potential inability to enter into a closing contract. The Partnership's Consolidated Investment Funds recognize all cash flows received (paid) or receivable (payable) from swap transactions on a net basis as realized or unrealized gains or losses on investment transactions in the consolidated statement of income. The Partnership and the Consolidated Investment Funds are charged a finance cost by counterparties with respect to each agreement. The finance cost is reported as part of the realized or unrealized gains or losses.

Credit Default Swaps

As discussed in Note 7, under a credit default swap agreement two parties agree to transfer the credit exposure of an asset between one another. The seller of the swap guarantees the credit worthiness of a specific instrument by agreeing to pay the buying party a specific amount (generally par value) in the event that the instrument defaults.

At December 31, 2010, the Partnership's Consolidated Investment Funds were party to credit default swaps in which they act as the guaranteeing party. In the event that any of the underlying instruments default prior to the expiration of the agreements, the Consolidated Investment Funds are obligated to pay the swap counterparty the par value of the specific instrument. The Consolidated Investment Funds collect a fee based on the size of the underlying positions which are treated as realized gains once received. The difference between the current market value of the swaps and the original price of the swap is reported as an unrealized gain or loss.

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand. Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash or securities. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Securities Loaned

The Partnership's Consolidated Investment Funds may lend securities to their financing counterparties for margin. The lending entity receives the interest associated with the securities loaned. The loans are secured by the fair value of the securities. Gains or losses in the fair value of the securities loaned that occur during the term of the loan will be for the account of the lender. The lender has the right under the lending agreement to recover the securities from the prime brokers on demand. The lender pays a fee to the broker for the cash collateral received. This is accounted for as interest expense. A credit risk exists to the lender under this type of transaction to the extent that the counterparty defaults on its obligation to return the securities loaned.

Revolving Credit Agreements

The funded portion of revolving credit agreements is recorded at fair value on the Consolidated Balance Sheet as a component of investments, net of the fair value of unfunded commitments for which the Consolidated Funds may be liable in the future (Note 11).

Margin Transactions

In order to obtain more investable cash, the Partnership and its subsidiaries may use various forms of leverage including purchasing securities on margin. Such leverage may allow the Partnership and its subsidiaries to increase net assets at a greater rate during increasing markets, but also may lead to a more rapid decrease in net assets in a declining market. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2010. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. Withdrawals payable may be treated as capital for purposes of allocations of gains/losses pursuant to the partnerships' governing documents. At December 31, 2010, the Consolidated Investment Funds had withdrawals payable of \$15.7 million.

Foreign Currency Transactions

The Partnership's subsidiary Highland Europe uses British Pounds as its functional currency and enters into transactions in multiple foreign currencies. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2010. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the consolidated statement of income.

The Consolidated Investment Funds do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments*.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Financial Instruments

The Partnership and its consolidated entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable and accrued liabilities approximate their fair values because of their short maturities.

Life Settlement Contracts

One of the Partnership's Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. The contracts are recorded as a component of "Investments at fair value" on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of "Purchase of investments" and "Proceeds from the disposition of investments" on the Consolidated Statement of Cash Flows.

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Goodwill and Other Intangible Assets

The Partnership purchased Highland Europe on April 6, 2005. Goodwill represents the amount paid in excess of the fair value of the assets of Highland Europe at the date of acquisition. No goodwill impairments existed as of December 31, 2010.

The Partnership has obtained the rights to the management contracts of certain RICs by acquiring the underlying contracts from the predecessor investment manager. The Partnership performs an impairment test on the purchased investment contracts on an annual basis. Any depreciation in the value of the purchased investment management contracts are accounted for in the year when it occurs. The carrying values of the purchased investment contracts are not adjusted for appreciation. The goodwill and purchased investment management contracts are indefinite-lived assets and are not amortized.

Recently Issued Accounting Standards and Interpretations

In June 2009, the FASB issued amended guidance on accounting for transfers of financial assets (originally issued as SFAS No. 166, *Accounting for Transfers of Financial Assets, an amendment of FASB Statement No. 140*, and subsequently reissued as ASU 2009-16, *Accounting for Transfers of Financial Assets*). The amendments were issued to improve the information that a reporting entity provides in its financial statements about a transfer of financial assets, the effects of a transfer on its financial statements, and a transferor's continuing involvement, if any, in transferred financial assets. The amendments eliminate the concept of qualifying special purpose entities from U.S. GAAP. These entities will now be evaluated for consolidation in accordance with the applicable consolidation criteria. The amendments are effective for reporting periods beginning on or after November 15, 2009. The adoption of ASU 2009-16 did not have a material impact on the Company's financial position or results of operations.

In June 2009, the FASB issued amended guidance on accounting for variable interest entities (originally issued as SFAS No. 167, *Amendments to FASB Interpretation No. 46(R)*, and subsequently reissued as ASU 2009-17, *Improvements to Financial Reporting by Enterprises*

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Involved with Variable Interest Entities). The amendments were issued to address the effects of the removal of the concept of qualifying special purpose entities from U.S. GAAP and to address concerns regarding the consolidation of variable interest entities. ASU 2009-17 will require a qualitative approach rather than a quantitative approach when determining the primary beneficiary of a variable interest entity and will also change the criteria by which an enterprise determines whether it is the primary beneficiary of an entity. In addition, the amended interpretation will no longer consider removal rights when determining whether an entity is a variable interest entity and whether to consolidate a variable interest entity as the primary beneficiary unless those rights are held by a single party. ASU 2009-17 is effective for reporting periods beginning on or after November 15, 2009. The adoption of ASU 2009-17 did not have a material impact on the Partnership's financial position or results of operations, as substantially all of the entities in which it holds variable interests will qualify for the scope deferral included in ASU 2010-10, *Amendments to Statement 167 for Certain Investment Funds*.

In February 2010, the FASB issued ASU 2010-10, *Amendments to Statement 167 for Certain Investment Funds*. ASU 2010-10 defers the effective date of ASU 2009-17 for certain investment entities to allow the FASB to work with the International Accounting Standards Board ("IASB") in developing consistent consolidation guidance. The deferral will apply to a reporting entity's (i.e. investment manager's) interest in an entity (i) that has the attributes of an investment company or (ii) for which it is industry practice to apply measurement principles for financial reporting purposes that are consistent with those followed by investment companies. The deferral in ASU 2010-10 would not apply in situations in which a reporting entity has the explicit or implicit obligation to fund actual losses of an entity that could potentially be significant to the entity. ASU 2010-10 is effective for annual reporting periods beginning on or after November 15, 2009, and for interim periods within that first annual reporting period. The adoption of ASU 2010-10 did not have a material impact on the Company's financial position or results of operations, as adoption of the deferral results in the Company continuing to apply consolidation and disclosure requirements in effect during prior periods.

In January 2010, the FASB issued guidance on improving disclosures about fair value measurements. The guidance requires additional disclosure on transfers in and out of Levels I and II fair value measurements in the fair value hierarchy and the reasons for such transfers. In addition, for fair value measurements using significant unobservable inputs (Level III), the reconciliation of beginning and ending balances shall be presented on a gross basis, with separate disclosure of gross purchases, sales, issuances and settlements and transfers in and transfers out of Level III. The new guidance also requires enhanced disclosures on the fair value hierarchy to disaggregate disclosures by each class of assets and liabilities. In addition, an entity is required to provide further disclosures on valuation techniques and inputs used to measure fair value for fair value measurements that fall in either Level II or Level III. The guidance is effective for interim and annual periods beginning after December 15, 2009, except for the disclosures about purchases, sales, issuances, and settlements in the roll forward of activity in Level III fair value measurements, which are effective for fiscal years beginning after December 15, 2010. Adoption did not have a material impact on the Partnership's financial statements.

In December 2010, the FASB issued enhanced guidance on when to perform step two of the goodwill impairment test for reporting units with zero or negative carrying amounts. The updated guidance modifies existing requirements under step one of the goodwill impairment test for reporting units with zero or negative carrying amounts and requires step two to be performed if it is more likely than not that a goodwill impairment exists. The guidance is effective for interim and annual reporting periods beginning after December 15, 2010. As the Partnership and Consolidated

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

entities do not currently have zero or negative carrying values, adoption will not have a material impact on the Partnership's financial statements.

4. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2010:

(in thousands)

Buildings	\$ 8,250
Land	1,084
Leasehold improvements	4,064
Computer and equipment	3,488
Furniture and fixtures	3,141
Computer software	2,297
Accumulated depreciation	<u>(11,057)</u>
	<u>\$ 11,267</u>

The Partnership and its consolidated entities are depreciating fixed assets as follows:

	<u>Period</u>
Buildings	29 - 40 years
Leasehold improvements	Lease term
Computer and equipment	5 years
Furniture and fixtures	7 years
Computer software	3 years

Depreciation expense in 2010 totaled approximately \$2.1 million for the Partnership and its subsidiaries.

5. Investments

Detailed below is a summary of the Partnership's investments at December 31, 2010:

(in thousands)

	Amortized Cost/Cost	Value
Floating rate syndicated bank loans	\$ 680,415	\$ 222,695
Fixed rate syndicated bank loans	11,320	15,644
Fixed income securities	907,237	708,957
Equity securities	1,373,233	1,037,090
Life settlement contracts	270,802	165,223
CLOs (mezz tranches)	51,730	25,846
CLOs (residual CLO equity tranches)	31,077	5,436
Closed-end mutual funds	11,799	14,580
Private placement real estate	116,190	524
Limited partnerships	162,515	150,775
Warrants	6,097	3,616
Total investments	\$ 3,622,415	\$ 2,350,386
Credit default swaps	\$ -	\$ 953
Net unrealized gain/loss on swaps	\$ -	\$ 953
	Proceeds	Value
Securities sold, not yet purchased	\$ 14,366	\$ 21,406

Affiliated Investments

Investments in Residual CLO Equity and Mezzanine Tranches

Investments in affiliated residual CLO equity tranches primarily represent tranches of CLOs for which the Partnership and Highland Europe provide investment advisory services. The Consolidated Investment Funds receive quarterly distributions based on the excess interest after paying the stated interest distributions to the senior and mezzanine note holders, and paying the investment manager, trustee and other related fees. A portion of these distributions are amortized against the cost basis of the investment based on the actual cash distributions received during the year versus the total expected remaining cash distributions to the residual CLO equity tranche. The remainder of the distribution is recorded as interest income.

Investments in residual equity and mezzanine tranches of CLOs are not actively traded. The estimated fair value of the CLOs is derived from broker quotes and valuation models. The estimated fair value of these investments as presented in the consolidated balance sheet does not necessarily represent the amount that could be obtained from the sale of these investments. Changes in the credit quality or the performance of the underlying collateral, the availability and price of assets available for reinvestment, interest rates and/or the interest rate curve, or other market conditions could have a material impact on the estimated fair value of the investments.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Investment in Highland Long/Short Equity Fund

The Partnership invests in Highland Long/Short Equity Fund ("HEOF"), a diversified, open-end RIC for which the Partnership provides investment advisory services. As of December 31, 2010, the market value of the Partnership's investment in HEOF was approximately \$0.2 million.

Investment in Highland Healthcare Fund

The Partnership invests in Highland Healthcare Fund ("HHF"), a non-diversified, open-end RIC for which the Partnership provides investment advisory services. As of December 31, 2010, the market value of the Partnership's investment in HHF was approximately \$7.4 million.

Investment in Highland Credit Strategies Fund

The Partnership invests in Highland Credit Strategies Fund ("HCF"), a diversified, closed-end RIC for which the Partnership provides investment advisory services. As of December 31, 2010, the market value of the Partnership's investment in HCF was approximately \$4.8 million. During the year ended December 31, 2010, the Partnership received approximately \$0.4 million in dividends from HCF.

Investment in Highland Diversified Credit Fund

The Partnership invests in Highland Diversified Credit Fund ("DCF"), a hedge fund for which the Partnership provides investment advisory services. As of December 31, 2010, the market value of the Partnership's investment in DCF was approximately \$2.0 million. During the year ended December 31, 2010, the Partnership did not receive any dividends from DCF.

Prepaid Forward Contract

On July 28, 2006, Highland Multi-Strategy Onshore Master Subfund I, LLC ("Subfund") and Barclays Bank PLC ("Barclays") entered into a prepaid forward contract. The Partnership and affiliates redeemed approximately \$312.7 million of a reference portfolio, which was comprised of the following basket of funds advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund and Select Equity Fund. Barclays simultaneously contributed approximately \$312.7 million as a hedge to its obligation under the prepaid forward contract.

Barclays was prepaid approximately \$156.3 million, or one-half of the reference portfolio value at initiation of the transaction. A notional amount, (the initial reference portfolio value less the amount prepaid), accretes interest to Barclays at monthly LIBOR plus 0.90% per annum.

A collateral account in the amount of approximately \$53.2 million was established to further secure the transaction. Due to extreme market volatility, all of the underlying holdings in the collateral account were sold during 2008.

The term of the prepaid forward contract was three years and allowed for net settlement upon termination. The contract expired on July 31, 2009 whereby Barclays was to remit in cash the greater of the difference between the reference portfolio value and the notional amount, as valued on the scheduled termination date, or zero. Upon expiration, Barclays was not obligated to make a cash payment to the Subfund.

On October 7, 2008, Barclays submitted a notice of early termination for the prepaid forward contract.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Accreting Strike Option

On February 28, 2007, Highland Multi-Strategy Onshore Master Subfund II, LLC entered into an Accreting Strike Option ("ASO") with Barclays. The ASO's value is based on the following basket of funds ("the reference portfolio") advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund, Select Equity Fund and Credit Opportunities Domestic Feeder. The value of the reference portfolio at inception was approximately \$250.2 million.

Barclays was paid a \$71.4 million premium on the option. The strike price, (the initial reference portfolio value less the premium paid), accretes interest to Barclays at monthly LIBOR plus 1.4% per annum. As of December 31, 2010, the strike price was approximately \$182.6 million.

The term of the accreting strike option is five years and allows for net settlement upon termination. At contract expiration, Barclays will remit in cash the greater of the difference between the reference portfolio value and the strike price, as valued on the scheduled termination date, or zero. As of December 31, 2010, the ASO did not have a positive net fair value. As such, no amount was recorded in the Partnership's financial statements.

Detailed below is a summary of the transaction as of December 31, 2010:

(in thousands)

Reference Portfolio	Value
Select Equity Fund	\$ 113,506
Crusader Domestic Feeder	15,138
Equity Focus Fund	5,978
Credit Opportunities Domestic Feeder	4,828
Real Estate Fund	-
Highland CDO Opportunity Fund, Ltd.	-
Credit Strategies Domestic Feeder	-
Reference Portfolio Total	\$ 139,450
Notional Amount	\$ (182,631)
Deficit of Reference Portfolio Total to Notional Amount	\$ (43,181)

On October 13, 2008, Barclays served notice of early termination for the accreting strike option.

Investment in Highland Employee Retention Assets LLC ("HERA")

During 2009, the Partnership established HERA, an employee deferred compensation vehicle. On October 26, 2009, approximately \$12.1 million of assets were transferred to HERA. As of December 31, 2010, the Partnership's equity investment in HERA was approximately \$3.5 million.

6. Fair Value of Financial Instruments

Fair Value Measurement

In accordance with the authoritative guidance on fair value measurements and disclosures under U.S. GAAP, the Consolidated Investment Funds disclose the fair value of their investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value. The hierarchy gives the highest priority to valuations based upon unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to valuation based upon unobservable inputs that are significant to the valuation (level 3 measurements). The guidance establishes three levels of the fair value hierarchy as follows:

- Level 1 – Valuation based on quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Investment Funds have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.
- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active; or (c) models in which all significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure the fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Investment Funds use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments. During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being re-classified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates.

Whenever possible, the Partnership and its Consolidated Investment Funds use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Investment Funds develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

As of December 31, 2010, the Partnership and its consolidated entities' investments consisted of floating rate syndicated bank loans, high yield corporate bonds, CLO securities, private placements, private placement real estate debt and equity, life settlement contracts and common and preferred equity securities. In addition, the consolidated entities are parties to various credit default swaps. The majority of these financial instruments are not listed on national securities exchanges, and management is required to use significant judgment to estimate their values.

The fair value of the loans, corporate bonds and CLO securities are generally based on quotes received from brokers or independent pricing services. The policy of the Partnership and its consolidated subsidiaries is to classify loans and bonds that are priced in this manner as Level 3 assets because the markets in which they trade are not active and the inputs used by the brokers and pricing services are not readily observable. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

The consolidated entities' private placement real estate investments include equity interests in limited liability companies and debt issued by entities that invest in commercial real estate. The fair value of these investments is based on internal models developed by the Partnership. The significant inputs to the models include cash flow projections for the underlying properties and appraisals performed by independent valuation firms. Since these inputs are not readily observable, the investments are classified as Level 3 assets.

Common and preferred equity securities traded on national exchanges are valued at their closing prices as of December 31, 2010. These securities are classified as Level 1 assets. The consolidated entities also hold certain equity securities for which no active market exists. The value of these securities, which are classified as Level 3 assets, is based on a combination of broker quotes and internal valuation models.

Life settlement contracts are valued using mortality tables and interest rate assumptions that are deemed appropriate for the demographic characteristics of the parties insured in the underlying policies. Since these inputs are not readily observable, they are classified as Level 3 assets.

The Consolidated Funds engage in "short sales" as part of its investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand. Pending the return of such securities, the Consolidated Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash or securities. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Funds are required to return to the lender.

The fair value of credit default swaps is based on quotes received from an independent pricing service. The inputs used to derive the quotes are not readily observable and are therefore classified as Level 3 liabilities.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. All of the Consolidated Investment Fund's investments and derivatives at December 31, 2010 are classified as Level 3 positions due to the absence of active markets with quoted prices for identical or similar investments. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2010:

(in thousands)

	Level 1	Level 2	Level 3	Total Fair Value at 12/31/10
Loans	\$ -	\$ 11,885	\$ 226,453	\$ 238,338

The following table provides a roll forward of the derivative contracts classified within Level 3 for the year ended December 31, 2010:

(in thousands)

Estimated Fair Value as of December 31, 2009	\$ (102,605)
Settlement of open contracts, net	126,383
Net transfers in/(out) of Level 3	-
Net realized losses	(123,821)
Net change in unrealized gain	100,996
Estimated Fair Value as of December 31, 2010	\$ 953

7. Derivative Financial Instruments

Credit Default Swaps

Credit default swap ("CDS") contracts are financial instruments that involve the payment of a fixed rate premium for protection against the loss in value of an underlying debt instrument, referenced entity or index, or the occurrence of a defined credit event. Under the terms of the swap, one party acts as a "guarantor" (the Seller), receiving the periodic stream of payments (from the Buyer) over the term of the contract and agreeing to the remedies that are specified within the credit default agreement. A credit event for corporate reference obligations includes bankruptcy, failure to pay, obligation acceleration, repudiation/moratorium or restructuring. If a credit event occurs, the seller must pay the contingent payment to the buyer, which is typically the par value (full notional amount) of the reference obligation, though the actual payment may be mitigated by terms of the International Swaps and Derivative Agreement ("ISDA"), allowing for netting arrangements and collateral. In addition, the payment may be reduced by anticipated recovery rates, segregated collateral and netting arrangements that may incorporate multiple transactions with a given counterparty.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

The following table summarizes the CDS contracts the Consolidated Investment Funds held as of December 31, 2010:

(in thousands)

Industry	Purchased / Sold	Maturity Date	Fixed Rate of Payment	Notional Amount / Exposure Purchased	Unamortized Upfront Payment	Market Value
Beverage, Food and Tobacco	Sold	9/20/2012	4.65%	\$ 7,500	\$ -	\$ 402
Electronics	Sold	9/20/2012	2.65%	7,500	-	171
Diversified/Conglomerate Service	Sold	9/20/2012	3.55%	3,750	-	117
Broadcasting and Entertainment	Sold	9/20/2012	3.00%	6,000	-	92
Buildings and Real Estate	Sold	9/20/2012	4.05%	3,750	-	63
Electronics	Sold	9/20/2012	3.20%	7,500	-	62
Media/Telecom	Sold	9/20/2012	3.00%	3,000	-	46
Total				\$ 39,000	\$ -	\$ 953

The following table provides a summary of the Consolidated Investment Fund's maximum exposure by maturity credit rating under the swaps for which it sold protection. All of the contracts mature within the next five years.

(in thousands)

Current issuer credit rating*

BB-	\$ 7,500
B	12,750
B-	18,750
	\$ 39,000

* The credit rating on the underlying bond provides an indicator of the risk that the Consolidated Investment Funds will have to perform under the swap arrangement. Lower credit ratings with a shorter contract term indicate a higher likelihood of performance by the Consolidated Investment Funds.

Total Return Swaps

A total return swap is a two-party contract under which the parties agree to exchange returns from a predetermined portfolio of investments. The gross returns to be exchanged or swapped between the parties are calculated based on a notional amount, which is valued monthly to determine each party's obligation under the contract. The investments held in the swap portfolio consist primarily of corporate bank debt.

During the year ended December 31, 2010, the Consolidated Investment Funds' were invested in a total return swap program with a major international financial institution. The Consolidated Investment Funds realized approximately \$2.2 million of net gains, which are included as a component of net realized loss from investments and derivative contracts in the Consolidated Statement of Income, and were netted against collateral previously posted with the counterparty upon termination of the program.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

8. Debt and Notes Payable

Consolidated debt and notes payable as of December 31, 2010 consists of:

(in thousands)

	December 31, 2010
Partnership revolving credit facility	\$ 86,296
Credit Opportunities Master note payable	83,603
Highland Capital Management Europe note payable	13,314
Nolen Drive note payable	6,926
	\$ 190,139

Revolving Credit Facility

On July 21, 2009, the Partnership amended and restated the Credit Agreement with Bank of America as syndication agent and The Bank of Nova Scotia as administrative agent in the amount of \$147.3 million. The Credit Agreement provides for loans which are scheduled to mature on July 21, 2011.

Interest is payable on the last day of each month. The applicable spread for LIBOR loans under the Credit Agreement is LIBOR plus 5% per annum. For base rate loans, the spread is 4% per annum over the prevailing prime rate.

Under the terms of the Credit Agreement, the availability of credit was subject to financial covenants requiring the Partnership to maintain a minimum amount of fee earning assets under management, a minimum amount of management fees earned, a minimum collateral ratio and a maximum on compensation paid.

On September 15, 2009 and February 22, 2010, the Credit Agreement was amended and restated to clarify some documentation items and reporting requirements.

On December 28, 2010, a waiver to the Credit Agreement was executed which allowed the Partnership to reduce its debt from \$141.3 million to \$86.3 million as of December 31, 2010. The waiver called for a cash payment of \$45.0 million on or before December 30, 2010 which would result in the retirement of \$55.0 million in face value of debt. The waiver allowed for the sources of the cash payment to be from cash on hand, sale of collateral or additional subordinated indebtedness. This cash payment resulted in a gain on the extinguishment of the debt of \$10.0 million which is recorded in the Net Realized Gain on Extinguishment of Debt line item on the Consolidated Statement of Income. In addition to the cash payment made on December 30, 2010, the waiver also called for a cash payment of \$12.8 million on or before March 31, 2011 which would result in the retirement of an additional \$15.6 million in face value of debt. The sources of cash available for the March 31, 2011 payment was to consist of cash on hand, sale of collateral or additional subordinated indebtedness.

On March 31, 2011, the Partnership amended the Revolving Credit Agreement a third to extend a number of provisions from the December 28, 2010 waiver, including forbearance from the exercising of remedies for events of default from July 21, 2011 to November 18, 2011. As referred to above, cash of \$12.8 million was paid, retiring \$15.6 million in face value. In order to help fund a portion of the March 31, 2011 repayment, the Partnership obtained loans from its co-founders

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

totaling \$6.7 million. The loans accrue interest at a rate of LIBOR plus five percent and mature on December 31, 2015 with all interest and principal due upon maturity.

The balance as of the date of this report is \$66.7 million.

The fair value of the facility as of December 31, 2010 was approximately \$83.6 million.

Credit Opportunities Master Note Payable

On December 19, 2008, Highland Credit Opportunities CDO Financing, LLC ("CDO Financing"), a wholly-owned subsidiary of Credit Opportunities Master, executed a Note Purchase Agreement (the "Purchase Agreement") with certain investors that provided for the issuance of up to \$218 million of senior secured convertible notes guaranteed by Credit Opportunities Master. Pursuant to the terms of the Purchase Agreement and concurrent with the execution of the Purchase Agreement, CDO Financing issued \$116.6 million of senior secured convertible notes for \$115.6 million of cash and securities with a fair value of \$0.9 million. The proceeds from the notes were used primarily to fund an additional equity investment in Highland Credit Opportunities, Ltd. (the "CDO"). This investment was required under the terms of a forbearance agreement that the Credit Opportunities Master executed with the Majority Controlling Class of the CDO's note holders.

The notes have a stated maturity date of December 31, 2012 and accrue interest on a quarterly basis at a rate of 25% per year. The terms of the Purchase Agreement allow for up to 75% of the accrued interest due at any payment date to be capitalized as additional principal owed to the holders of the notes. For the year ended December 31, 2010, no interest payable was capitalized and \$45.0 million of senior secured convertible notes were repaid. As of December 31, 2010, there are \$83.6 million of senior secured convertible notes outstanding.

Subject to certain conditions, the Purchase Agreement allows for CDO Financing to issue up to \$101.4 million of additional notes to the existing note holders. The Purchase Agreement requires payment of a fee of 2.5% per annum on the unfunded portion of the note commitment. For the year ended December 31, 2010, approximately \$2.6 million of unfunded commitment fees is recorded in interest expense in the Consolidated Statement of Income. As of December 31, 2010, a liability of approximately \$5.3 million is included in interest payable in the Consolidated Balance Sheet. The fees will be paid on the stated maturity date, or on the full repayment of the notes.

Under the terms of the Purchase Agreement, the Credit Opportunities Master was not able to make any prepayments until July 1, 2010. From July 1, 2010 through December 31, 2010, the Credit Opportunities Master could elect to prepay 50% of the outstanding principal balance. After that period, Credit Opportunities Master may prepay all or a portion of the outstanding principal, provided that each partial payment made to the note holders is in an aggregate principal amount of at least \$0.5 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

The Purchase Agreement stipulates a premium due to the note holders upon full or partial payment of the outstanding principal of the notes. The premium due is determined by the date the principal is repaid and is calculated as a percentage of that principal balance, with a minimum of 5% due on the stated maturity date of the notes. The following table presents the premium rates by payment period:

<u>Prepayment Period</u>	<u>Fees</u>
July 1, 2010 - Dec. 31, 2010	15.0%
July 1, 2011 - Dec. 31, 2011	10.0%
July 1, 2012 - Dec. 31, 2012	6.0%
Dec. 31 2012	5.0%

Credit Opportunities Master is accruing the minimum premium due, 5% of the outstanding balance, over the contractual life of the notes using the effective-yield method. For the year ended December 31, 2010, approximately \$0.8 million of this premium due is recorded as a component of interest expense in Credit Opportunities Master's consolidated statement of operations. As of December 31, 2010 a liability of approximately \$1.7 million for the total premium recognized over the life of the notes is included in interest payable in the Consolidated Balance Sheet. Premium of \$6.8 million was paid upon the prepayment during the year and is recorded in interest expenses in the Consolidated Statement of Income.

At the note holders' option, up to 50% of the unpaid principal and accrued interest on the notes may be converted, in whole or in part, to limited partnership interests in the Feeder Fund or Credit Opportunities Master between January 1, 2010 and June 30, 2010. From July 1, 2010 through December 31, 2012, up to 100% of the unpaid principal and accrued interest on the notes may be converted, in whole or in part, to limited partnership interests in the Feeder Fund or Credit Opportunities Master. As of December 31, 2010, no unpaid principal or accrued interest on the notes was converted into limited partnership interests in the Feeder Fund or Credit Opportunities Master.

The Purchase Agreement grants the note holders a lien on certain assets held by Credit Opportunities Master. In addition, it requires Credit Opportunities Master and the CDO to comply with various financial covenants. Failure to meet these covenants may result in an event of default and give the note holders the right to accelerate repayment of the debt or initiate a liquidation of certain assets. Credit Opportunities Master was in compliance with the covenants as of December 31, 2010 and for the year then ended.

As of December 31, 2010, the estimated fair value of the notes was approximately \$115.2 million, which is based on value of the risk-adjusted yield from the expected future cash flows of the notes relative to comparable investments. Actual values may vary significantly from the estimates, particularly since the terms of the Company's debt are complex, and the market for the instruments is illiquid.

Highland Capital Management Europe, Ltd. Credit Facility

On December 29, 2010, Highland Europe entered into a \$13.3 million non-recourse credit facility with Natixis Financial Products, LLC. The facility is secured by the management fees of Highland Europe. Payments are made on the 15th day of February, May, August and November until the facility is fully paid down. The facility matures on December 31, 2015. The facility bears interest at a rate of 4.00% per annum. The rate shall be reduced to 3.50% per annum once the principal balance is reduced below \$10.8 million. The rate shall again be reduced to 3.00% per annum once

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

the principal balance is reduced below \$6.2 million. As of December 31, 2010, the estimated fair market value of the facility was approximately \$13.3 million.

HCREA Nolen Drive Note Payable

On September 18, 2006, Nolen Drive entered into a \$7.0 million note payable with Artesia Mortgage Capital Corporation, which is secured by the underlying property in Nolen Drive (the "Term Loan"). The Term Loan matures with all principal and accrued interest due on October 11, 2011. The Term Loan bears interest at a rate of 6.52% per annum. Payments are due on the 11th of every month. As of December 31, 2010, the estimated fair market value of the note was approximately \$7.1 million.

9. Financial Instruments with Concentration of Credit and Other Risks

Financial Instruments

The Partnership and its consolidated entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The consolidated entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the consolidated entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

Market Risk

Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Investment Funds due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Investment Fund's exposure to market risk is affected by a number of factors, including the size, composition and diversification of its investments and swap agreements; interest rates; and market volatility. The Partnership and its Consolidated Investment Funds use various forms of leverage, including notes, which increase the effect of any investment value changes on net assets.

Credit Risk

Credit risk is the potential loss the Partnership and its consolidated entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the consolidated entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the consolidated entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Liquidity Risk

The Consolidated Investment Fund's limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Investment Funds nor their manager expects such a market to develop.

Business Risk

The Partnership provides advisory services to the consolidated investment funds. The Consolidated Investment Funds could be materially affected by the liquidity, credit and other events of the Partnership.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

High Yield Bonds and Loans

The Partnership and its Consolidated Investment Funds' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Investment Funds' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

When the Partnership and its Consolidated Investment Funds' purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Investment Funds have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Investment Funds may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

CLO Equity Investments

The Partnership and its Consolidated Investment Funds may invest in CLO equity that are not rated by various credit rating agencies and are generally considered to be speculative with respect to the issuer's ability to repay principal and interest. The yields and prices of these non-rated CLO equity tranches are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed. In addition, certain of the Consolidated Investment Funds' investments have resale or transfer restrictions that further limit their liquidity. The Partnership and its consolidated investment funds are exposed to the potential non-payment of principal and interest from their CLO equity investments. As of December 31, 2010, 1 of the 29 CLO's managed by the Partnership paid interest to the equity holders on their last payment date.

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Investment Funds invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Credit Default Swaps

Credit default swaps involve greater risks than if the Partnership or its Consolidated Investment Funds had shorted the reference obligations directly. In addition to the market risk discussed above, credit default swaps are subject to liquidity risk and credit risk. If a credit event occurs, the value of the reference obligation received by the Partnership or its Consolidated Investment Funds, couple with the periodic payments previously received, may be less than the full notional amount it pays to the buyer, resulting in loss of value.

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Investment Funds' investments. However, the Consolidated Investment Funds' portfolio could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Investment Funds. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Investment Funds to losses that are disproportionate to market movements as a whole.

Custody Risk

The clearing operations for the Partnership and its Consolidated Investment Funds are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Investment Funds' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Investment Funds may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Investment Funds' might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Leverage Risk

The Consolidated Investment Funds may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Investment Funds' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Investment Funds. If the value of the Consolidated Investment Funds' securities fall below the margin level required by a counterparty, additional margin deposits are required. If the Consolidated Investment Funds are unable to satisfy a margin call, the counterparty could liquidate the position in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Investment Funds to incur significant losses. In addition, to the extent the Consolidated Investment Funds has posted excess collateral for margin transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Investment Funds' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Investment Funds. In addition, because the use of leverage allows the Consolidated Investment Funds to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Investment Funds may lose in the event of adverse price movements is high in relation to the amount of their investment.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

In the event of a sudden drop in the value of the Consolidated Investment Funds' assets, the Consolidated Investment Funds may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Investment Funds may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Investment Funds have the ability to apply discretionary margin, haircut, financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2010, the Consolidated Investment Funds' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

Wind-Down Risk

The ultimate proceeds that the Consolidated Investment Funds' are able to realize on the sale of its investments will directly affect the amounts that the investors in the Feeder Funds are able to redeem in connection with the wind down process. These amounts may differ materially from the partners' capital balances as of December 31, 2010.

Litigation Risk

The Partnership and its Consolidated Investment Funds are periodically subject to legal actions arising from the ordinary course of business. In addition, certain of the Consolidated Investment Funds' Feeder Fund investors have filed lawsuits after receiving notification of the decision to wind-down certain Consolidated Investment Funds' investment portfolios. Refer to Note 17 for a discussion of the open litigation.

10. Related Party Transactions

Expenses Reimbursable by Funds Managed

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2010, approximately \$8.1 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in Other Assets in the accompanying Consolidated Balance Sheet.

Long Term Incentive Plan and Intercompany Loan Payable to Highland Capital Management Services, Inc. ("HCMSI")

Effective January 1, 2001, all of the Partnership's employees were transferred to HCMSI, which provides personnel management and consulting services to the Partnership. The Partnership and

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

HCMSI entered into a management agreement whereby the Partnership compensated HCMSI for its employee expenses plus a consulting services fee. As of January 1, 2005, there were no further transactions with HCMSI as all employees were transferred to the Partnership.

Effective January 1, 2001, HCMSI approved a long-term incentive plan ("the LTIP") for select employees who are eligible to receive Long-Term Incentive Units ("the Units") under the LTIP. The number of Units authorized under the LTIP is 30,000,000 and a majority of the Units granted vest 40% during the grant year and 30% for each of the two years thereafter, expiring 10 years after such grant date, unless different terms are agreed upon between the Plan Administrator and the employee. The fair value of the Units are based upon the fair value of the Partnership, as determined in good faith, by James Dondero, the Plan Administrator and the sole shareholder of the general partner and a limited partner of the Partnership. The LTIP was transferred to the Partnership from HCMSI on January 1, 2005.

The Units are exercisable at the discretion of the Plan Administrator, or upon a triggering event defined as the earlier of the following events:

- Change in control
- Initial public offering
- Participant's voluntary or involuntary termination due to death, disability, retirement, or hardship
- Participant's voluntary or involuntary termination other than due to death, disability, retirement, hardship, or cause is exercisable to the extent the Participant is entitled to only 80% of the vested shares.

A total of 1,104,353 Units are outstanding as of December 31, 2010 under the LTIP. During the year ended December 31, 2010, the liability under the LTIP decreased by approximately \$1.8 million, which is included in *Compensation and benefits* in the Consolidated Statement of Income.

The total balance payable to HCMSI was approximately \$0.9 million as of December 31, 2010, which is related to the LTIP accrual.

Effective December 31, 2004, all of the employees at HCMSI were transferred to the Partnership, and the management agreement between the Partnership and HCMSI was terminated as to the provision of future services. However, all of the outstanding and unfunded obligations of the Partnership to HCMSI as of December 31, 2004, as well as any additional obligations that may arise in relation to these amounts, will continue to be due and payable to HCMSI until satisfied in accordance with the provisions of the agreements in place.

Accounts Held with Related Party

During the year the Partnership and its subsidiaries maintained accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2010, balances in the accounts were approximately \$19.8 million, a portion of which exceeds Federal deposit insurance limits.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Controlling Positions

Various members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. Any director's fees received by the Partnership for these services as directors are paid to and retained by the Partnership. As of December 31, 2010, the Partnership and its subsidiaries held the following investments in these companies:

(in thousands)

Issuer	Type of Investment	Fair Value
American Banknote Corporation	Common Equity	\$ 14,821
American Home Patient	Common Equity	5,653
Blackwell BMC, LLC	Term Loan	3,547
Blackwell BMC, LLC	Common Equity	28,769
Consolidated Restaurant Companies, Inc.	Term Loan	13,626
Cornerstone Healthcare Group Holding, Inc.	Common Equity	57,171
Cornerstone Healthcare Group Holding, Inc.	Term Loan	18,513
Cornerstone Healthcare Group Holding, Inc.	Loan - Second Lien	5,250
Epocal, Inc.	Preferred Equity	80,419
Ginn LA Resorts Holdings, LLC	Term Loan	1,194
Ginn LA Conduit Lender, Inc.	Loan - Second Lien	33
Highland Long/Short Equity Fund	Mutual Fund	231
Highland Healthcare Fund	Mutual Fund	7,371
Highland Credit Strategies Fund	Closed-End Mutual Fund	4,819
Home Interiors & Gifts, Inc.	Proof of Claims	2
Marcil Paper Mills, LLC	Common Equity	-
Nex-Tech Aerospace Holdings, Inc.	Common Equity	1,206
Romacorp Restaurant Holdings, Inc.	Common Equity	618
Safety-Kleen Inc.	Common Equity	178,486
Solstice Neurosciences, Inc.	Preferred Equity	263
Terrestar	Preferred Equity	1,022
Trussway Industries, Inc.	Common Equity	11,001

During the year ended December 31, 2010, the Partnership did not earn material income from those entities where members of management serve as members of the Board of Directors.

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank was the agent bank. Interest earned on the loans during the year was approximately \$6.5 million. At December 31, 2010, these subsidiaries were invested in NexBank agented loans with commitments and market values totaling approximately \$264.4 million and \$63.9 million, respectively.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Affiliated Transactions

On August 20, 2008, the Partnership issued a promissory note in the amount of \$330,000 to an employee of the Partnership. The note accrues interest at a rate of LIBOR plus 1.75%. The note is payable in one lump sum on the earlier of August 20, 2015 or an event of acceleration. The note has specific forgiveness provisions of principal and interest prior to maturity if certain milestone dates are obtained. As of December 31, 2010, the principal amount on the promissory note was \$212,000 with interest accrued of approximately \$3,000.

In accordance with the terms of a Master Indenture Agreement (the "Indenture") dated November 2, 2006, the Credit Opportunities Master acquired 250,000 Preferred Shares of Highland Credit Opportunities CDO, Ltd (the "CDO"). The Indenture requires Credit Opportunities Master to hold, directly or indirectly, more than 99% of the CDO's outstanding Preferred Shares at all times. As of December 31, 2010, the Credit Opportunities Master held 350,000 Preferred Shares and was the sole beneficial preferred shareholder.

The CDO invests primarily in floating rate syndicated bank loans, fixed income securities, and equity investments. These investments were purchased with funds the CDO received from the issuance of rated floating rate notes and Credit Opportunities Master's purchase of the Preferred Shares. Credit Opportunities Master is the sole beneficiary of all residual income from the CDO's portfolio. Although the Preferred Shares do not have a voting interest in the CDO, they carry certain rights. Specifically, they are entitled to receive quarterly preferential dividends, without requiring any declaration by the Directors, from the date they were issued until they are redeemed.

The Investment Manager serves as the Collateral Manager for the CDO but does not receive any fees for its services to the CDO.

During the fourth quarter of 2008, the CDO failed to meet certain over-collateralization tests set forth in the First Supplement to the Indenture dated November 2, 2006. This breach would have given the CDO's Majority of Controlling Debt Class the option to accelerate repayment of the CDO's outstanding debt or initiate a liquidation of its assets. To protect the value of its investment in the CDO, Credit Opportunities Master entered into a forbearance agreement whereby the Majority Controlling Class of the CDO's note holders waived the breach and agreed not to exercise the rights discussed above. The Majority Controlling Class also agreed to waive any future events of default resulting from the CDO's failure to meet the overcollateralization tests through December 31, 2011. In return, the CDO agreed not make any preferred dividend payments to Credit Opportunities Master until the over-collateralization tests exceed certain thresholds.

Credit Opportunities Master paid certain expenses related to the forbearance agreement, which have been recorded as an increase to the cost basis of its investment in the CDO's Preferred Shares.

The Consolidated Investment Funds periodically enter into transactions to buy or sell securities with affiliated entities. During the year ended December 31, 2010, the Consolidated Investment Funds did not purchase or sell a material amount of securities to affiliated entities.

Services Performed by an Affiliate

In March 2007, Highland Capital of New York, L.P., a New York limited partnership ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. For the year ended December 31, 2010, total marketing fee expense charged to the Partnership by Highland New York was approximately \$3.7 million and as of December 31, 2010, amounts owed to Highland New York for services rendered was approximately \$1.4 million.

11. Commitments

Contracts in the Normal Course of Business

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant.

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the final outcome will not have a materially adverse effect on the Partnership's Consolidated Balance Sheet, consolidated statement of income, or its liquidity. See Note 16.

Operating Leases

Future minimum lease payments under operating lease commitments of the Partnership and its consolidated entities with initial or noncancelable terms in excess of one year, at inception, are as follows:

(in thousands)

Years Ending December 31,	
2011	\$ 1,757
Thereafter	-
	<u>\$ 1,757</u>

Total rental expense of the Partnership and its consolidated entities for operating leases was approximately \$2.5 million for the year ended December 31, 2010.

Loan Commitments

At December 31, 2010, the Consolidated Investment Funds had unfunded loan commitments of approximately \$1.1 million. Unfunded loan commitments are marked to market on the relevant day of valuation in accordance with the Partnership's valuation policies. Any applicable unrealized gain (loss) and unrealized appreciation (depreciation) on unfunded loan commitments are recorded on the Consolidated Balance Sheet and Consolidated Income Statement, respectively. The net change in unrealized appreciation on unfunded transactions is not material to the Income Statement.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

12. Postretirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. Therefore, no new participants shall enter the plan after 2008 and no new benefits shall accrue under the plan after 2008. The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2010 are reconciled in the tables below.

(in thousands)

Change in projected benefit obligation	2010
Benefit obligation at beginning of year	\$ 3,416
Service cost	-
Interest cost	195
Plan participants' contributions	-

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

The Partnership does not expect to contribute to the plan during 2011.

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2010:

Discount rate	5.70%
Rate of compensation increase	N/A

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2010:

Discount rate	6.10%
Expected long-term return on plan assets	6.10%
Rate of compensation increase	N/A

As of December 31, 2010, approximately \$0.7 million of the plan assets were categorized as Level 3.

13. Goodwill and Other Intangible Assets

Below is a summary of the Partnership's goodwill and other intangible assets as of December 31, 2010:

(in thousands)

	Carrying Value
Highland Floating Rate Fund	\$ 12,672
Highland Floating Rate Advantage Fund	11,328
Goodwill for Highland Europe	8,020
	<u>\$ 32,020</u>

On April 9, 2004, the Partnership purchased the management agreements of Highland Floating Rate Fund (the "Floating Rate Fund") and Highland Floating Rate Advantage Fund (the "Advantage Fund"), collectively the "Purchased Funds." The combined purchase price for the above agreements was \$24.0 million. The purchase price was allocated among the Purchased Funds pro-rata based on the approximate combined total managed assets of the funds as of the date of purchase. As a result, \$12.7 million of the purchase price was allocated to the Floating Rate Fund and \$11.3 million was allocated to the Advantage Fund.

The Partnership performs an impairment test as required by U.S. GAAP on a yearly basis. The Partnership's management analyzes market multiples on retail asset managers within the industry as of December 31, 2010 to determine fair value of these assets. The Partnership has determined that no impairment charge is necessary for the current year.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

14. Reverse Repurchase Agreements

Credit Strategies Master is party to collateralized financing transactions consisting of securities sold under agreements to repurchase. As of December 31, 2010, Credit Strategies Master held high yield corporate bonds and equities with a fair value of \$39.9 million under reverse repurchase agreements. The gross amount payable to the counterparty (including accrued interest) was approximately \$20.6 million and is recorded as a component of due to brokers in the Consolidated Balance Sheet.

15. Income Taxes

The Partnership

For U.S. income tax purposes, the Partnership is treated as a pass-through-entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on their share of the Partnership's net taxable income.

The Partnership files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2010, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2007 forward (with limited exceptions).

Authoritative guidance on accounting for and disclosure of uncertainty in tax positions requires the General Partner to determine whether a tax position of the Partnership is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that as a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2010.

Crusader Master

Crusader Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Crusader Master. Crusader Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Crusader Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Crusader Master's net taxable income.

Since Crusader Master trades investments for its own account, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The General Partner intends to conduct Crusader Master's business in such a way that it does not constitute a U.S. trade or business or create a taxable presence in any of the jurisdictions in which the Investment Manager has offices, including the United Kingdom.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Dividends as well as certain interest and other income received by Crusader Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Crusader Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2010, a withholding tax liability of \$0.3 million is included in the accrued expenses in the Consolidated Balance Sheet.

It is management's responsibility to determine whether a tax position of Crusader Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As a result of adopting this guidance, management has established a reserve of approximately \$12.5 million for uncertain tax positions, which includes approximately \$1.2 million of interest and \$4.0 million of penalties. Of this amount, approximately \$2.7 million related to the current year and was recorded as a tax expense in Statement of Income. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2010.

Crusader Master files tax returns as prescribed the tax laws of the jurisdictions in which it operates. In the normal course of business, Crusader Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2010, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2007 forward.

A wholly owned corporation of Crusader Master has incurred capital losses on the sale of investments that exceed the amount of capital gains it has earned. Management has concluded that the subsidiary is not likely to generate additional gains in future periods and has established a valuation allowance to reserve for the entire amount of the deferred tax asset associated with the unused capital losses.

Credit Opportunities Master

The Credit Opportunities Master has adopted authoritative guidance which requires management to determine whether a tax position of Credit Opportunities Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. Credit Opportunities Master has determined that there was no effect on the financial statements from the application of this guidance. As of December 31, 2010, a liability to account for uncertain tax positions of \$0.2 million is classified within other liabilities within the Consolidated Balance Sheet. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2010.

Credit Opportunities Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Opportunities Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2010, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2007 forward (with limited exceptions).

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

Dividends as well as certain interest and other income received by Credit Opportunities Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Credit Opportunities Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Credit Strategies Master

Credit Strategies Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Credit Strategies Master. Credit Strategies Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Credit Strategies Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Credit Strategies Master's net taxable income.

The Credit Strategies Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Strategies Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2010, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2007 forward (with limited exceptions).

It is management's responsibility to determine whether a tax position of Credit Strategies Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner has determined that there was no effect on the financial statements from the application of this guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2010.

Dividends as well as certain interest and other income received by Credit Strategies Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Credit Strategies Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

A wholly-owned corporation of the Credit Strategies Master incurred approximately \$0.9 million of tax expense on income earned by the entity. No portion of this amount was unpaid as of December 31, 2010.

The remaining entities consolidated by the Partnership had no uncertain tax positions which required accrual under U.S. GAAP.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements

16. Legal Proceedings

In April 2007, CDO Master Fund entered into a risk sharing agreement structured as a derivative whereby it absorbed 51% of the gains and losses generated from a loan warehouse agreement. The remaining 49% of the warehouse gains and losses were absorbed by Highland Special Opportunities Holding Company ("SOHC"). The warehouse was financed by a reputable financial institution and held collateral consisting of investments in collateralized loan obligations and credit default swaps. Although the agreement expired on August 15, 2007, the counterparty agreed to extend it for one year on March 15, 2008. Due to liquidity constraints, CDO Master Fund was unable to meet a November call, and the counterparty elected to terminate the agreement as of December 5, 2008. The collateral held in the warehouse was subsequently seized by the counterparty and sold on the open market through bids-wanted-in competition. After offsetting the proceeds received from the sale and the income earned on the collateral prior to the sale, the counterparty notified CDO Master Fund that its pro-rata share of the losses incurred under the agreement was \$350.2 million. CDO Master Fund has accrued a liability in its financial statements for this amount. On February 24, 2009, the counterparty (the "Plaintiffs") filed a lawsuit against CDO Master Fund, SOHC and the Partnership in the New York State Supreme Court of Manhattan alleging that they suffered losses in excess of \$745 million due to the depreciation in value of the warehouse collateral. On February 19, 2010 a New York Appeals Court sided with the Partnership and dismissed UBS' claims against the Partnership. Thereafter on June 22, 2010, Plaintiffs filed an amended complaint with the Court against the Partnership and certain affiliated registered and unregistered investment vehicles alleging \$687 million in damages. On March 15, 2011, the First Appellate Division heard the Partnership's appeal of the ruling regarding dismissal of the amended complaint. The First Appellate Division has not yet issued a ruling on this matter.

In April 2009, HYMF, Inc. filed a lawsuit in the New York State Court against the Partnership and certain consolidated investment funds (collectively "the Defendants"). The lawsuit alleges that the Defendants breached their contractual and fiduciary duties by failing to return HYMF's original investment in the consolidated investment funds. The Defendants intend to vigorously defend against the lawsuit. At this time, management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty.

On July 15, 2008, Crusader Master, certain affiliates, and numerous external parties (collectively, the "Defendants") were named as parties to an action filed with the Bankruptcy Court of the Southern District of Florida. The action related to a secured lending transaction and subsequent refinancing arrangement in which the Defendants participated. On October 13, 2009, the Bankruptcy Court ruled in favor of the plaintiffs and ordered the Defendants to disgorge the principal, interest, and fees they received in connection with the refinancing arrangement. In addition, the Court ordered the defendants to pay simple interest on the disgorged amount at an annual rate of 9%. Based on the ruling, Crusader Master recorded a reserve of approximately \$5.3 million as of December 31, 2010, which represents its ratable share of the judgment. However, the Defendants believe they acted in good faith pursuant to the terms of the relevant agreements and intend to appeal the decision. The reserve is included as a component of accrued expenses on the Consolidated Balance Sheet and a component of net realized losses from investment transactions on the Consolidated Statement of Income.

During the first quarter of 2009, certain investors in Highland Credit Strategies Fund, Ltd. filed lawsuits in response to the decision to wind-down Credit Strategies Master's investment portfolio. They have made various claims, including breach of fiduciary duties, negligence, tortious

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

interference with the payment of redemption amounts, and/or fraud. Both the Partnership and Highland Credit Strategies Fund, Ltd. have been named as parties to the lawsuits. Management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty. As of December 31, 2010, approximately \$1.3 million of required cash payments made by Credit Strategies Master to retain legal firms to defend these matters are included in Other Assets in the Consolidated Balance Sheet.

17. Fund Wind Down

On February 4, 2009, the Partnership informed investors of CDO Master that the fund was effectively insolvent and that it was in the best interest of the fund to liquidate the fund's remaining assets. The proceeds from the asset liquidations will be distributed to the remaining financing counterparties and other senior and trade creditors as the liabilities in the fund exceed the assets to such a degree that proceeds from the asset sales will not be able to satisfy any unpaid redemptions or to distribute amounts to any current investors.

During 2008, Crusader Master and Credit Strategies Master were negatively affected by deteriorating conditions in the overall economy and credit markets. These conditions became more severe during the third and fourth quarters of 2008 and generated significant losses on various derivative transactions and repurchase agreements to which Crusader Master and Credit Strategies Master were parties. In addition, certain assets that Crusader Master and Credit Strategies Master purchased on margin through prime brokerage agreements experienced a significant decline in value. In certain cases, Crusader Master and Credit Strategies Master were unable to post the collateral required to secure these losses, and the counterparties provided notice of their intent to terminate the agreements. As a result, access to the credit that Crusader Master and Credit Strategies Master used to manage its investing and financing activities became highly constrained, and in some cases unavailable. In light of these circumstances, the General Partners (the general partner of Highland Crusader Fund, L.P. and the general partner of Highland Credit Strategies Fund, L.P.) and the Board of Directors of Highland Credit Strategies Fund, Ltd. and Highland Crusader Fund, Ltd. concluded, in consultation with the Investment Manager, that it would be in the best interests of their investors to wind down the investment portfolios of Credit Strategies Master and Crusader Master. On October 15, 2008, the Investment Manager notified investors that it would begin the wind-down process. The Investment Manager also restricted subscriptions and the payment of withdrawals to the Feeder Funds effective the same date.

In connection with the wind down, the limited partner interests of the Feeder Funds were compulsorily withdrawn/redeemed on November 15, 2008 in accordance with the terms of the governing documents. The General Partner has suspended payment of distributions, and any outstanding balances with respect to withdrawal and/or redemption amounts. A formal plan of liquidation has not been finalized by management, and there are no assurances that investors will realize the remaining equity balance over the course of the wind down. Distributions will ultimately be made on a pro-rata basis based on the respective redemption amounts as of November 15, 2008 unless a plan of distribution dictates otherwise. Future distributions will be made as the value of Crusader Master and Credit Strategies Master's investments are realized and all obligations due to counterparties and service providers of Crusader Master, Credit Strategies Master, and the Feeder Funds have been satisfied.

Subsequent to December 31, 2010 a Plan of Distribution was agreed to for Credit Strategies Master. See Note 18 for additional discussion.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2010

As of December 31, 2010, the estimated value of the partners' capital available for distribution from Crusader Master to its Feeder funds was approximately \$1,488.7 million. The actual amounts that will be distributed upon completion of the wind down process are inherently uncertain. The Investment Manager estimates that the wind down could take up to four years to complete. Capital will be distributed as it becomes available in accordance with a plan of distribution, once approved and implemented.

On October 14th 2010, certain investors in Highland Crusader Fund II, Ltd. presented a Petition to Wind-Up the Fund to the Supreme Court of Bermuda Companies (Winding Up) Commercial Court ("the Court") for the purpose of appointing a liquidator. If a Winding-Up Order is issued, a liquidator will be appointed and the liquidator will take steps to collect in and realize the company's assets and will deal with creditors' claims. If a Winding-Up order is not issued by the Court, the Investment Manager will continue to work on finalizing a formal plan of distribution with all interested parties. Crusader Master and consequently the other Feeder Funds are not parties to this petition, but could be subject to subsequent actions taken by the creditors, shareholders, or the Court. The Investment Manager believes it is currently not possible to evaluate the likelihood of any particular outcome from the matter at this point. The matter is currently scheduled to be decided by the Court at a hearing commencing on May 30, 2011.

18. Subsequent Events

On January 4, 2011 and February 4, 2011 Credit Opportunities Master elected to prepay \$10.0 million and \$17.0 million of the outstanding principal balance of the notes, respectively, including interest and prepayment premium.

Crusader Master had previously recorded a reserve of approximately \$5.3 million relating to an unfavorable decision in a legal case that involved Crusader Master. In February 2011, the District Court of Florida quashed the judgment against the Defendants and overturned the ruling that resulted in Crusader Master recording the reserve. Crusader Master does not believe an appeal of this decision will be successful and relieved the reserve, which will be reflected in the Consolidated Statement of Income for the year ending December 31, 2011.

On March 31, 2011, the Partnership amended the Revolving Credit Agreement a third time to extend a number of provisions from the December 29, 2010 waiver. A discussion of the amendment can be found in Note 8.

On March 31, 2011, the Partnership obtained loans from its co-founders totaling \$6.7 million. A discussion of the loans can be found in Note 8.

In April 2011, the Bermuda Commercial Court approved a plan to distribute the assets of Credit Strategies Master. The Scheme of Arrangement for the offshore fund and Plan of Distribution for the onshore fund were implemented on May 1, 2011. As part of the arrangement, the Partnership paid \$3.0 million to Credit Strategies Master.

In April 2011, the Partnership entered into a 10-year lease agreement with Crescent TC Investors, L.P.

Report of Independent Auditors

To the General and Limited Partners of
Highland Capital Management, L.P.:

In our opinion, the accompanying consolidated balance sheet and the related consolidated statements of income, of changes in partners' capital and of cash flows (hereinafter referred to as the "financial statements") present fairly, in all material respects, the consolidated financial position of Highland Capital Management, L.P. and its subsidiaries (collectively, the "Partnership") at December 31, 2011, and the results of their operations, the changes in their partners' capital, and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplemental unconsolidated balance sheet and statement of income are presented for purposes of additional information, and are not a required part of the basic consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

December 31, 2011

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment advisor under the Investment Advisors Act of 1940 that manages collateralized loan obligations ("CLOs"), hedge funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is 100% owned by senior management of the Partnership.

As of December 31, 2011, the Partnership provided investment advisory services for twenty-eight CLOs, five separate accounts, one registered investment company, one master limited partnership, and fourteen hedge fund structures, with total fee-earning assets under management of approximately \$19.8 billion.

2. Liquidity Considerations

As further discussed in Note 8, the Partnership has a Revolving Credit Facility (the "Credit Agreement") originally scheduled to mature on July 21, 2011. Forbearance from the exercising of remedies for events of default was extended from July 21, 2011 through April 30, 2012 and subsequent to year-end, was further extended from April 30, 2012 to May 2, 2013. See further discussion in Note 8. The Credit Agreement is collateralized by assets of the Partnerships with an estimated fair value of approximately \$115 million at December 31, 2011.

3. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries, which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions of the entity, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions of the entity, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

Consolidation of Non-Variable Interest Entities

The Partnership consolidates the following non-VIE's (collectively referred to as the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

- Highland Crusader Offshore Partners, L.P. ("Crusader Master"), a Bermuda exempted limited partnership that commenced operations on July 10, 2000;
- Highland CDO Opportunity Master Fund, L.P. ("CDO Master Fund"), a Bermuda limited partnership that commenced operations on November 9, 2005;
- Highland Credit Strategies Master Fund, L.P. ("Credit Strategies Master"), a Bermuda exempted limited partnership that commenced operations on August 24, 2005
- Highland Credit Opportunities CDO, L.P. ("Credit Opportunities Master"), a Delaware limited partnership that commenced operations on December 29, 2005;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Canopy Timberlands, L.P., a Delaware limited partnership that commenced operations on April 29, 2008;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore") a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore") a Delaware limited partnership that commenced operations on September 2, 2008; and

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in Highland Capital Management Europe, Ltd. ("Highland Europe"), a company organized in the United Kingdom and purchased by the Partnership on April 6, 2005;
- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in HFP GP, LLC, a Delaware limited liability company that commenced operations on January 20, 2006;

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;
- 100% interest in Highland Capital Management (Singapore) Pte, Ltd, a company organized in the Republic of Singapore that commenced operations on April 2, 2008;
- 59% interest in HCREA Nolen Drive, L.P, a Texas limited partnership that commenced operations on July 17, 2006;
- 100% interest in Highland Special Situations Fund, a Delaware statutory trust that is registered with the Securities and Exchange Commission under the Investment Company Act of 1940, as amended, as a non-diversified, closed-end management investment company, and commenced operations on May 18, 2005.
- 100% interest in Highland Energy and Materials Fund, a Delaware statutory trust that is registered with the Securities and Exchange Commission under the Investment Company Act of 1940, as amended, as a non-diversified, closed-end management investment company, and commenced operations on December 1, 2011.

All significant interpartnership and intercompany accounts and transactions have been eliminated in consolidation of all of the aforementioned consolidated entities. All the Consolidated Investment Funds are, for U.S. GAAP purposes, investment companies under the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide - Investment Companies. The Partnership has retained the specialized accounting of these funds required under U.S. GAAP.

Reclassifications

Previously reported amounts for the prior year have in some instances been reclassified to conform to the current year presentation.

Investment Transactions

Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

Management and Incentive Fee Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2011, the Partnership and its consolidated entities recognized management and incentive fees of approximately \$154.0 million, and \$1.4 million, respectively. The Partnership recognized approximately \$1.8 million of appreciation on incentive fees earned prior to 2008, previously deferred under Sec. 409(A) of the Internal Revenue Code, which has been presented in *Other Income* in the Consolidated Statement of Income.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Derivative Contracts

Credit Default Swaps are marked-to-market based upon values from third party vendors or broker quotations and the change in value is recorded as unrealized appreciation/depreciation. Swap contracts with cumulative unrealized gains as of a reporting date are recorded as assets on the Consolidated Balance Sheet, while swap contracts with cumulative unrealized losses as of the reporting date are recorded as liabilities. Upfront payments made/received by the Consolidated Funds are amortized or accreted for financial reporting purposes, with the unamortized or unaccreted portion included in the Consolidated Balance Sheet. A termination payment by the counterparty or the Consolidated Funds is recorded as a realized gain or loss, as well as the net periodic payments received or paid by the Consolidated Fund.

Dividends, Interest and Expense Recognition

Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Of the entities consolidated, only Highland Europe is subject to these provisions. See further discussion in Note 15..

Extraordinary Items

Extraordinary items consist of events or transactions of a material nature that are both unusual in nature and infrequent in occurrence. An event or transaction is unusual in nature if it is abnormal and clearly unrelated to typical activities of the business. It is infrequent in occurrence if it is not reasonably expected to recur in the foreseeable future.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Foreign cash of \$1.4 million is included in the cash and cash equivalents on the consolidated balance sheet. A portion of cash and cash equivalents exceeds Federal deposit insurance limits.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Restricted Cash

The Partnership and its subsidiaries are required to maintain cash balances as collateral for various financing and derivative transactions. These amounts are reported as restricted cash on the Consolidated Balance Sheet.

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

Debt Securities

The Consolidated Funds invest in various types of debt, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Consolidated Funds first seek to obtain reliable market quotes from other parties dealing in the specific asset. Absent both a reliable market quote and third-party pricing service data, the Consolidated Funds may use various models to establish an estimated exit price. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

Private Equity Investments

The Consolidated Funds hold private equity investments which resulted from the restructuring of other instruments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Consolidated Funds will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publically available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances.

Asset Backed Securities

The Consolidated Funds invest in a variety of asset backed securities. Asset backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Funds generally utilize an independent third party firm to perform these calculations and provide the relevant inputs. The Consolidated Funds evaluate the results based on visible market activity and market research. When appropriate, the Consolidated Funds may apply other techniques based on a specific asset's characteristics.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Credit Default Swaps

As discussed in Note 7, under a credit default swap agreement two parties agree to transfer the credit exposure of an asset between one another. The seller of the swap guarantees the credit worthiness of a specific instrument by agreeing to pay the buying party a specific amount (generally par value) in the event that the instrument defaults.

At December 31, 2011, the Partnership's Consolidated Investment Funds were party to credit default swaps in which they act as the guaranteeing party. In the event that any of the underlying instruments default prior to the expiration of the agreements, the Consolidated Investment Funds are obligated to pay the swap counterparty the par value of the specific instrument. The Consolidated Investment Funds collect a fee based on the size of the underlying positions which are treated as realized gains once received. The difference between the current market value of the swaps and the original price of the swap is reported as an unrealized gain or loss.

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand. Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash or securities. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender.

Due to/from Brokers

Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Investment Manager's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

Securities Loaned

The Partnership's Consolidated Investment Funds may lend securities to their financing counterparties for margin. The lending entity receives the interest associated with the securities loaned. The loans are secured by the fair value of the securities. Gains or losses in the fair value of the securities loaned that occur during the term of the loan will be for the account of the lender. The lender has the right under the lending agreement to recover the securities from the prime brokers on demand. The lender pays a fee to the broker for the cash collateral received. This is accounted for as interest expense. A credit risk exists to the lender under this type of transaction to the extent that the counterparty defaults on its obligation to return the securities loaned.

Revolving Credit Agreements

The funded portion of revolving credit agreements is recorded at fair value on the Consolidated Balance Sheet as a component of investments, net of the fair value of unfunded commitments for which the Consolidated Funds may be liable in the future (Note 11).

Margin Transactions

In order to obtain more investable cash, the Consolidated Investment Funds may use various forms of leverage including purchasing securities on margin. A margin transaction consists of

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing. Such leverage may allow the Partnership and its subsidiaries to increase net assets at a greater rate during increasing markets, but also may lead to a more rapid decrease in net assets in a declining market.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2011. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. Withdrawals payable may be treated as capital for purposes of allocations of gains/losses pursuant to the partnerships' governing documents. At December 31, 2011, the Consolidated Investment Funds had withdrawals payable of \$15.5 million.

Foreign Currency Transactions

The Partnership's subsidiary Highland Europe uses British Pounds as its functional currency and enters into transactions in multiple foreign currencies. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2011. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the consolidated statement of income.

The Consolidated Investment Funds do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments*.

Financial Instruments

The Partnership and its consolidated entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable and accrued liabilities approximate their fair values because of their short maturities.

Life Settlement Contracts

One of the Partnership's Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. The contracts are recorded as a component of "Investments at fair value" on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of "Purchase of investments" and "Proceeds from the disposition of investments" on the Consolidated Statement of Cash Flows.

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Goodwill and Other Intangible Assets

The Partnership purchased Highland Europe on April 6, 2005. Goodwill represents the amount paid in excess of the fair value of the assets of Highland Europe at the date of acquisition. No goodwill impairments existed as of December 31, 2011.

Recently Issued Accounting Standards and Interpretations

In May 2011, the Financial Accounting Standards Board issued Accounting Standards Update 2011-04 "Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRS" ("ASU 2011-04"). ASU 2011-04 includes common requirements for measurement of and disclosure about fair value between U.S. GAAP and International Financial Reporting Standards ("IFRS"). ASU 2011-04 will require reporting entities to disclose quantitative information about the unobservable inputs used in the fair value measurements categorized within Level 3 of the fair value hierarchy. The new and revised disclosures are effective for interim and annual reporting periods beginning after December 15, 2011. At this time, management is evaluating the implications of ASU 2011-04 and its impact on the financial statements has not been determined.

In June 2011, the FASB amended existing standards to comprehensive income to require all non-owner changes in stockholders' equity be presented either in a single continuous statement of comprehensive income or in two separate but consecutive statements. Under Accounting Standards Update 2011-05, "Presentation of Comprehensive Income", the option to present the components of other comprehensive income as part of the statement of changes in stockholders' equity has been eliminated. In addition, it requires an entity to present reclassification adjustments on the face of the financial statements from other comprehensive income to net income. The guidance is effective for non-public filers during interim and annual periods beginning after December 15, 2012, and as such, the Partnership has not adopted this guidance for the year ending December 31, 2011.

In December 2011, the FASB amended existing standards to require an entity to disclose information about offsetting and related arrangements to enable users of its financial statements to evaluate the effect or potential effect of netting arrangements on an entity's financial position, including the effect or potential effect of rights of setoff associated with certain financial instruments and derivative instruments. The guidance, Accounting Standards Update No. 2011-11 "Balance Sheet – Disclosures about Offsetting Assets and Liabilities", is effective for annual reporting periods beginning on or after January 1, 2013, and interim periods within those annual periods, with retrospective disclosures required for all comparative periods presented. The Partnership is currently evaluating the impact of this accounting update on our financial disclosures but do not expect the update to have a material impact on financial position or results of operations.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

4. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2011:

(in thousands)

Buildings	\$ 2,595
Leasehold improvements	4,242
Computer and equipment	3,758
Furniture and fixtures	2,474
Computer software	2,349
Construction-in-Progress	3,013
Accumulated depreciation	<u>(11,562)</u>
	<u>\$ 6,869</u>

The Partnership and its consolidated entities are depreciating fixed assets as follows:

	<u>Period</u>
Buildings	29 - 40 years
Leasehold improvements	Lease term
Computer and equipment	5 years
Furniture and fixtures	7 years
Computer software	3 years

Depreciation expense in 2011 totaled approximately \$1.3 million for the Partnership and its subsidiaries.

5. Investments

Detailed below is a summary of the Partnership's investments at December 31, 2011:

(in thousands)

	Amortized Cost/Cost	Fair Value
Syndicated bank loans	\$ 358,557	\$ 161,418
Fixed income securities	489,703	273,832
Equity securities	1,400,491	1,079,044
Life settlement contracts	307,677	175,700
CLOs (mezz tranches)	38,246	22,083
CLOs (residual CLO equity tranches)	31,077	8,163
Closed-end mutual funds	10,997	12,928
Private placement real estate	84,951	358
Limited partnerships	179,376	180,399
Rights and Warrants	-	12,352
Total investments	<u>\$ 2,901,075</u>	<u>\$ 1,926,277</u>
Credit default swaps	<u>\$ -</u>	<u>\$ 162</u>
	Proceeds	Fair Value
Securities sold, not yet purchased	<u>\$ 6,134</u>	<u>\$ 8,390</u>

Affiliated Investments

Investments in Residual CLO Equity and Mezzanine Tranches

Investments in affiliated residual CLO equity tranches primarily represent tranches of CLOs for which the Partnership and Highland Europe provide investment advisory services. The Consolidated Investment Funds receive quarterly distributions based on the excess interest after paying the stated interest distributions to the senior and mezzanine note holders, and paying the investment manager, trustee and other related fees. A portion of these distributions are amortized against the cost basis of the investment based on the actual cash distributions received during the year versus the total expected remaining cash distributions to the residual CLO equity tranche. The remainder of the distribution is recorded as interest income.

Investments in residual equity and mezzanine tranches of CLOs are not actively traded. The estimated fair value of the CLOs is derived from broker quotes and valuation models. The estimated fair value of these investments as presented in the consolidated balance sheet does not necessarily represent the amount that could be obtained from the sale of these investments. Changes in the credit quality or the performance of the underlying collateral, the availability and price of assets available for reinvestment, interest rates and/or the interest rate curve, or other market conditions could have a material impact on the estimated fair value of the investments.

Investment in Pyxis Long/Short Equity Fund

The Partnership invests in Pyxis Long/Short Equity Fund ("HEOF"), a diversified, open-end RIC for which the Partnership provides investment advisory services. As of December 31, 2011, the market value of the Partnership's investment in HEOF was approximately \$0.2 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Investment in Pyxis Healthcare Fund

The Partnership invests in Pyxis Healthcare Fund ("HHF"), a non-diversified, open-end RIC for which the Partnership provides investment advisory services. As of December 31, 2011, the market value of the Partnership's investment in HHF was approximately \$7.0 million.

Investment in Pyxis Credit Strategies Fund

The Partnership invests in Pyxis Credit Strategies Fund ("HCF"), a diversified, closed-end RIC for which the Partnership provides investment advisory services. As of December 31, 2011, the market value of the Partnership's investment in HCF was approximately \$3.9 million. During the year ended December 31, 2011, the Partnership received approximately \$0.3 million in dividends from HCF.

Investment in Pyxis Energy and Materials Fund

The Partnership invests in Pyxis Energy and Materials Fund ("HEF"), a non-diversified, closed-end RIC for which the Partnership provides investment advisory services. As of December 31, 2011, the market value of the Partnership's investment in HEF was approximately \$3.0 million.

Investment in Highland Diversified Credit Fund

The Partnership invests in Highland Diversified Credit Fund ("DCF"), a hedge fund for which the Partnership provides investment advisory services. As of December 31, 2011, the market value of the Partnership's investment in DCF was approximately \$2.2 million.

Investment in Cummings Bay Healthcare Fund

The Partnership invests in Cummings Bay Healthcare Fund, L.P. ("Cummings Bay"), a hedge fund for which the Partnership provides investment advisory services. As of December 31, 2011, the market value of the Partnership's investment in Cummings Bay was approximately \$3.0 million.

Prepaid Forward Contract

On July 28, 2006, Highland Multi-Strategy Onshore Master Subfund I, LLC ("Subfund") and Barclays Bank PLC ("Barclays") entered into a prepaid forward contract. The Partnership and affiliates redeemed approximately \$312.7 million of a reference portfolio, which was comprised of the following basket of funds advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund and Select Equity Fund. Barclays simultaneously contributed approximately \$312.7 million as a hedge to its obligation under the prepaid forward contract.

Barclays was prepaid approximately \$156.3 million, or one-half of the reference portfolio value at initiation of the transaction. A notional amount, (the initial reference portfolio value less the amount prepaid), accretes interest to Barclays at monthly LIBOR plus 0.90% per annum.

A collateral account in the amount of approximately \$53.2 million was established to further secure the transaction. Due to extreme market volatility, all of the underlying holdings in the collateral account were sold during 2008.

The term of the prepaid forward contract was three years and allowed for net settlement upon termination. The contract expired on July 31, 2009 whereby Barclays was to remit in cash the greater of the difference between the reference portfolio value and the notional amount, as valued on the scheduled termination date, or zero. Upon expiration, Barclays was not obligated to make a cash payment to the Subfund.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

On October 7, 2008, Barclays submitted a notice of early termination for the prepaid forward contract.

Accreting Strike Option

On February 28, 2007, Highland Multi-Strategy Onshore Master Subfund II, LLC entered into an Accreting Strike Option ("ASO") with Barclays. The ASO's value is based on the following basket of funds ("the reference portfolio") advised by the Partnership: Highland Crusader Offshore Fund II, Ltd., Credit Strategies Domestic Feeder, Highland CDO Opportunity Fund, Ltd., Real Estate Fund, Equity Focus Fund, Select Equity Fund and Credit Opportunities Domestic Feeder. The value of the reference portfolio at inception was approximately \$250.2 million.

Barclays was paid a \$71.4 million premium on the option. The strike price, (the initial reference portfolio value less the premium paid), accretes interest to Barclays at monthly LIBOR plus 1.4% per annum. As of December 31, 2011, the strike price was approximately \$185.6 million.

The term of the accreting strike option is five years and allows for net settlement upon termination. At contract expiration, Barclays will remit in cash the greater of the difference between the reference portfolio value and the strike price, as valued on the scheduled termination date, or zero. As of December 31, 2011, the ASO did not have a positive net fair value. As such, no amount was recorded in the Partnership's financial statements.

Detailed below is a summary of the transaction as of December 31, 2011:

(in thousands)

<u>Reference Portfolio</u>	<u>Value</u>
Select Equity Fund	\$ 117,395
Crusader Domestic Feeder	16,295
Equity Focus Fund	5,436
Credit Opportunities Domestic Feeder	3,915
Real Estate Fund	-
Highland CDO Opportunity Fund, Ltd.	-
Credit Strategies Domestic Feeder	-
Reference Portfolio Total	\$ 143,041
Notional Amount	\$ (185,577)
Deficit of Reference Portfolio Total to Notional Amount	\$ (42,536)

On October 13, 2008, Barclays served notice of early termination for the accreting strike option.

6. Fair Value of Financial Instruments

Fair Value Measurement

In accordance with the authoritative guidance on fair value measurements and disclosures under U.S. GAAP, the Consolidated Investment Funds disclose the fair value of their investments in a

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value. The hierarchy gives the highest priority to valuations based upon unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to valuation based upon unobservable inputs that are significant to the valuation (level 3 measurements). The guidance establishes three levels of the fair value hierarchy as follows:

- Level 1 – Valuation based on quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Investment Funds have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.
- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active that are reflective of recent market transactions; or (c) models in which all significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Investment Funds use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

Whenever possible, the Partnership and its Consolidated Investment Funds use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Investment Funds develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

As of December 31, 2011, the Partnership and its consolidated entities' investments consisted of floating rate syndicated bank loans, high yield corporate bonds, CLO securities, private placements, private placement real estate debt and equity, life settlement contracts and common and preferred equity securities. In addition, the consolidated entities engage in short sale transactions and are parties to various credit default swaps. The majority of these financial instruments are not listed on national securities exchanges, and management is required to use significant judgment to estimate their values.

The fair value of the loans, corporate bonds and CLO securities are generally based on quotes received from brokers or independent pricing services, which may or may not reflect actual trade

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

activity. The policy of the Partnership and its consolidated subsidiaries is to classify loans and bonds that are priced in this manner as Level 3 assets because the markets in which they trade are not active and the inputs used by the brokers and pricing services are not readily observable. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

The consolidated entities' private placement real estate investments include equity interests in limited liability companies and debt issued by entities that invest in commercial real estate. The fair value of these investments is based on internal models developed by the Partnership. The significant inputs to the models include cash flow projections for the underlying properties and appraisals performed by independent valuation firms. These inputs are not readily observable, and the investments are classified as Level 3 assets.

Common and preferred equity securities traded on national exchanges are valued at their closing prices as of December 31, 2011. These securities are classified as Level 1 assets. The consolidated entities also hold certain equity securities for which no active market exists. The value of these securities, which are classified as Level 3 assets, is based on a combination of broker quotes and internal valuation models.

Life settlement contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. Since these inputs are not readily observable, they are classified as Level 3 assets.

The fair value of credit default swaps is based on quotes received from an independent pricing service. The inputs used to derive the quotes are not readily observable and are therefore classified as Level 3 liabilities.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. A majority of the Consolidated Investment Fund's investments and derivatives at December 31, 2011 are classified as Level 3 positions due to the absence of active markets with quoted prices for identical or similar investments. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2011:

(in thousands)

Assets	Level 1	Level 2	Level 3	Total Fair Value at 12/31/11
Loans	\$ -	\$ 21,912	\$ 139,506	\$ 161,418

Limited partnership interest	-	-	180,399	180,399
Common equity securities	204,344	56,832	365,293	626,469
Mutual Funds	12,928	-	-	12,928
Privately held equity	-	-	271,137	271,137
Life Settlement Contracts	-	-	175,700	175,700
Preferred stock	-	-	181,438	181,438
Total	\$ 217,735	\$ 256,204	\$ 1,452,338	\$ 1,926,277

Liabilities

Securities sold, not yet purchased	\$ 8,390	-	-	\$ 8,390
------------------------------------	----------	---	---	----------

The classification of a financial instrument within Level 3 is based on the significance of the unobservable inputs to the overall fair value measurement. The following table provides a roll forward of the investments classified within Level 3 for the year ended December 31, 2011:

(in thousands)

	Total Fair Value at December 31, 2010	Purchases	Sales and Maturities	Transfers Into Level 3	Transfers Out of Level 3	Net Realized Losses	Net Unrealized Gains / (Losses)	Total Fair Value at December 31, 2011
Loans	\$ 226,453	\$ 57,806	\$ (150,996)	\$ -	\$ (356)	\$(251,924)	\$ 258,523	\$ 139,506
Bonds & Asset Backed Securities	302,177	36,335	(253,458)	-	-	(46,110)	57,681	96,625
Collateralized loan obligations	28,614	73	(7,449)	-	-	1,875	7,133	30,246
Rights & Warrants	1,244	-	-	-	(309)	(6,097)	16,798	11,636
Private placement real estate	524	-	1,170	-	-	(32,410)	31,074	358
Limited partnership interest	150,775	2,974	22,000	-	-	(8,113)	12,763	180,399
Common equity securities	316,209	23	39,069	-	-	(26,160)	36,152	365,293
Mutual Funds	-	-	-	-	-	-	-	-
Privately held equity	289,864	16,362	(18,000)	-	-	-	(17,089)	271,137
Life Settlement Contracts	171,698	36,573	(20,000)	-	-	12,621	(25,192)	175,700
Preferred stock	138,824	1,573	49,477	-	-	2,239	(10,675)	181,438
	\$1,626,382	\$ 151,719	\$ (338,187)	\$ -	\$ (665)	\$(354,079)	\$ 367,168	\$1,452,338

Transfers from Level 2 to Level 3 or from Level 3 to Level 2 are due to a decline or an increase in market activity (e.g. frequency of trades), which resulted in a lack of or increase in available market inputs to determine price. No significant transfers between Level 1 or Level 2 fair value measurements occurred during the year ended December 31, 2011.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

All net realized and unrealized gains and losses in the tables above are reflected in the accompanying Consolidated Income Statement. Approximately \$104.2 million of the net unrealized losses presented in the table above relate to investments held as of December 31, 2011.

The following table provides a summary of the derivative contracts recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2011:

(in thousands)

Estimated Fair Value as of December 31, 2011	<u>\$ 162</u>

7. Derivative Financial Instruments

Credit Default Swaps

Credit default swap ("CDS") contracts are financial instruments that involve the payment of a fixed rate premium for protection against the loss in value of an underlying debt instrument, referenced entity or index, or the occurrence of a defined credit event. Under the terms of the swap, one party acts as a "guarantor" (the Seller), receiving the periodic stream of payments (from the Buyer) over the term of the contract and agreeing to the remedies that are specified within the credit default agreement. A credit event for corporate reference obligations includes bankruptcy, failure to pay, obligation acceleration, repudiation/moratorium or restructuring. If a credit event occurs, the seller must pay the contingent payment to the buyer, which is typically the par value (full notional amount) of the reference obligation, though the actual payment may be mitigated by terms of the International Swaps and Derivative Agreement ("ISDA"), allowing for netting arrangements and collateral. In addition, the payment may be reduced by anticipated recovery rates, segregated collateral and netting arrangements that may incorporate multiple transactions with a given counterparty.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

The following table summarizes the CDS contracts the Consolidated Investment Funds held as of December 31, 2011:

(in thousands)

Industry	Purchased / Sold	Maturity Date	Fixed Rate of Payment	Notional Amount / Exposure Purchased	Upfront Payment	Market Value
Beverage, Food and Tobacco	Sold	9/20/2012	4.65%	\$ 7,500	\$ -	\$ 143
Electronics	Sold	9/20/2012	2.65%	7,500	-	51
Diversified/Conglomerate Service	Sold	9/20/2012	3.55%	3,750	-	(66)
Broadcasting and Entertainment	Sold	9/20/2012	3.00%	6,000	-	48
Buildings and Real Estate	Sold	9/20/2012	4.05%	3,750	-	(37)
Electronics	Sold	9/20/2012	3.20%	7,500	-	(1)
Media/Telecom	Sold	9/20/2012	3.00%	3,000	-	24
Total				\$ 39,000	\$ -	\$ 162

The following table provides a summary of the Consolidated Investment Fund's maximum exposure by maturity credit rating under the swaps for which it sold protection. All of the contracts mature within the next five years.

(in thousands)

Current issuer credit rating*

B+	\$ 7,500
B	24,000
B-	3,750
CCC	3,750
	<u>\$ 39,000</u>

* The credit rating on the underlying bond provides an indicator of the risk that the Consolidated Investment Funds will have to perform under the swap arrangement. Lower credit ratings with a shorter contract term indicate a higher likelihood of performance by the Consolidated Investment Funds.

Total Return Swaps

A total return swap is a two-party contract under which the parties agree to exchange returns from a predetermined portfolio of investments. The gross returns to be exchanged or swapped between the parties are calculated based on a notional amount, which is valued monthly to determine each party's obligation under the contract.

During the year ended December 31, 2011, the Consolidated Investment Funds' were invested in a total return swap program with a major international financial institution, consisting primarily of corporate bank debt. The Consolidated Investment Funds realized approximately \$0.1 million of net gains, which are included as a component of net realized loss from investments and derivative contracts in the Consolidated Statement of Income, and were netted against collateral previously posted with the counterparty upon termination of the program.

8. Debt and Notes Payable

Consolidated debt and notes payable as of December 31, 2011 consists of:

(in thousands)

	December 31, 2011
Partnership revolving credit facility	\$ 58,210
Credit Opportunities Master note payable	56,603
	\$ 114,813

Revolving Credit Facility

On July 21, 2009, the Partnership amended and restated the Credit Agreement with Bank of America as syndication agent and The Bank of Nova Scotia as administrative agent in the amount of \$147.3 million. The Credit Agreement provides for loans, which were scheduled to mature on July 21, 2011.

Interest is payable on the last day of each month. The applicable spread for LIBOR loans under the Credit Agreement is LIBOR plus 5% per annum. For base rate loans, the spread is 4% per annum over the prevailing prime rate.

Under the terms of the Credit Agreement, the availability of credit was subject to financial covenants requiring the Partnership to maintain a minimum amount of fee earning assets under management, a minimum amount of management fees earned, a minimum collateral ratio and a maximum on compensation paid.

On September 15, 2009 and February 22, 2010, the Credit Agreement was amended and restated to clarify some documentation items and reporting requirements.

On December 28, 2010, a waiver to the Credit Agreement was executed which allowed the Partnership to reduce its debt from \$141.3 million to \$86.3 million as of December 31, 2010. In addition to debt retired on December 30, 2010, the waiver also called for a cash payment of \$12.8 million on or before March 31, 2011 which would result in the retirement of an additional \$15.6 million in face value of debt.

On March 31, 2011, the Partnership amended the Revolving Credit Agreement to extend a number of provisions from the December 28, 2010 waiver, including forbearance from the exercising of remedies for events of default from July 21, 2011 to November 17, 2011. As referred to above, cash of \$12.8 million was paid, retiring \$15.6 million in face value.

On November 17, 2011, the Partnership amended the Revolving Credit Agreement to extend a number of provisions from the March 31, 2011 amendment, including forbearance from the exercising of remedies for events of default from November 17, 2011 to April 30, 2012. The amendment also called for two separate principal payments of \$7.5 million on November 17, 2011 and on or before March 1, 2012.

On December 9, 2011, the Partnership amended the Revolving Credit Agreement for the resignation, consent and appointment of a new administrative agent. As amended, Bank of America, N.A. replaced The Bank of Nova Scotia as administrative agent.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

On March 14, 2012, the Partnership amended the Revolving Credit Agreement to extend a number of provisions from the November 17, 2011 amendment, including forbearance from the exercising of remedies for events of default from April 30, 2012 to May 2, 2013. The amendment also called for five quarterly principal payments, commencing May 2, 2012. The first four such payments are for \$6.0 million each and the final payment is for the remaining balance outstanding. The first payment for \$6.0 million has been made as of the date of this report. Any mandatory prepayments made reduce future scheduled payments pro rata. Financial covenants were also modified during the forbearance period.

The balance as of the date of this report is \$24.0 million.

The fair value of the facility as of December 31, 2011 was approximately \$58.2 million.

Credit Opportunities Master Note Payable

On December 19, 2008, Highland Credit Opportunities CDO Financing, LLC ("CDO Financing"), a wholly-owned subsidiary of Credit Opportunities Master, executed a Note Purchase Agreement (the "Purchase Agreement") with certain investors that provided for the issuance of up to \$218 million of senior secured convertible notes guaranteed by Credit Opportunities Master. Pursuant to the terms of the Purchase Agreement and concurrent with the execution of the Purchase Agreement, CDO Financing issued \$116.6 million of senior secured convertible notes for \$115.6 million of cash and securities with a fair value of \$0.9 million. The proceeds from the notes were used primarily to fund an additional equity investment in Highland Credit Opportunities, Ltd. (the "CDO"). This investment was required under the terms of a forbearance agreement that the Credit Opportunities Master executed with the majority controlling class of the CDO's note holders.

The notes have a stated maturity date of December 31, 2012 and accrue interest on a quarterly basis at a rate of 25% per year. The terms of the Purchase Agreement allow for up to 75% of the accrued interest due at any payment date to be capitalized as additional principal owed to the holders of the notes. For the year ended December 31, 2011, no interest payable was capitalized and \$27.0 million of senior secured convertible notes were repaid. As of December 31, 2011, there are \$56.6 million of senior secured convertible notes outstanding.

Subject to certain conditions, the Purchase Agreement allows for CDO Financing to issue up to \$101.4 million of additional notes to the existing note holders. The Purchase Agreement requires payment of a fee of 2.5% per annum on the unfunded portion of the note commitment. For the year ended December 31, 2011, approximately \$2.5 million of unfunded commitment fees is recorded in interest expense in the Consolidated Statement of Income. As of December 31, 2011, a liability of approximately \$7.9 million is included in interest payable in the Consolidated Balance Sheet. The fees will be paid on the stated maturity date, or on the full repayment of the notes.

Under the terms of the Purchase Agreement, the Credit Opportunities Master was not able to make any prepayments until July 1, 2010. From July 1, 2010 through December 31, 2010, the Credit Opportunities Master could elect to prepay 50% of the outstanding principal balance. After that period, Credit Opportunities Master may prepay all or a portion of the outstanding principal, provided that each partial payment made to the note holders is in an aggregate principal amount of at least \$0.5 million.

The Purchase Agreement stipulates a premium due to the note holders upon full or partial payment of the outstanding principal of the notes. The premium due is determined by the date the principal is repaid and is calculated as a percentage of that principal balance, with a minimum of

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

5% due on the stated maturity date of the notes. The following table presents the premium rates by payment period:

<u>Prepayment Period</u>	<u>Fees</u>
July 1, 2011 - Dec. 31, 2011	10.0%
July 1, 2012 - Dec. 31, 2012	6.0%
Dec. 31 2012	5.0%

Credit Opportunities Master is accruing the minimum premium due, 5% of the outstanding balance, over the contractual life of the notes using the effective-yield method. For the year ended December 31, 2011, approximately \$0.3 million of this premium due is recorded as a component of interest expense in Credit Opportunities Master's consolidated statement of operations. As of December 31, 2011 a liability of approximately \$2.0 million for the total premium recognized over the life of the notes is included in interest payable in the Consolidated Balance Sheet. Premium of \$2.7 million was paid upon the prepayment during the year and is recorded in interest expenses in the Consolidated Statement of Income.

At the note holders' option, up to 50% of the unpaid principal and accrued interest on the notes may be converted, in whole or in part, to limited partnership interests in the Feeder Fund or Credit Opportunities Master between January 1, 2010 and June 30, 2010. From July 1, 2010 through December 31, 2012, up to 100% of the unpaid principal and accrued interest on the notes may be converted, in whole or in part, to limited partnership interests in the Feeder Fund or Credit Opportunities Master. As of December 31, 2011, no unpaid principal or accrued interest on the notes was converted into limited partnership interests in the Feeder Fund or Credit Opportunities Master.

The Purchase Agreement grants the note holders a lien on certain assets held by Credit Opportunities Master. In addition, it requires Credit Opportunities Master and the CDO to comply with various financial covenants. Failure to meet these covenants may result in an event of default and give the note holders the right to accelerate repayment of the debt or initiate a liquidation of certain assets. Credit Opportunities Master was in compliance with the covenants as of December 31, 2011 and for the year then ended.

As of December 31, 2011, the estimated fair value of the notes was approximately \$74.5 million, which is based on value of the risk-adjusted yield from the expected future cash flows of the notes relative to comparable investments. Actual values may vary significantly from the estimates, particularly since the terms of the Company's debt are complex, and the market for the instruments is illiquid.

9. Financial Instruments with Concentration of Credit and Other Risks

Financial Instruments

The Partnership and its Consolidated Investment Funds' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The consolidated entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the consolidated entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Market Risk

Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Investment Funds due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Investment Fund's exposure to market risk is affected by a number of macroeconomic factors, such as interest rates, availability of credit, inflation rates, economic uncertainty and changes in laws and regulations. These factors may affect the level and volatility of securities prices and the liquidity of the Partnership and its Consolidated Investment Funds investments. Volatility or illiquidity could impair the Partnership and its Consolidated Investment Funds performance or result in losses. The Partnership and its Consolidated Investment Funds may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets. The performance of life settlement contracts may be adversely impacted by the under estimation of mortality and other rates.

Credit Risk

Credit risk is the potential loss the Partnership and its consolidated entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the consolidated entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the consolidated entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Liquidity Risk

The Consolidated Investment Fund's limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Investment Funds nor their manager expects such a market to develop.

Business Risk

The Partnership provides advisory services to the consolidated investment funds. The Consolidated Investment Funds could be materially affected by the liquidity, credit and other events of the Partnership.

High Yield Bonds and Loans

The Partnership and its Consolidated Investment Funds' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Investment Funds' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

When the Partnership and its Consolidated Investment Funds' purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Investment Funds have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Investment Funds may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

CLO Equity Investments

The Partnership and its Consolidated Investment Funds may invest in CLO equity that are not rated by various credit rating agencies and are generally considered to be speculative with respect to the issuer's ability to repay principal and interest. The yields and prices of these non-rated CLO equity tranches are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed. In addition, certain of the Consolidated Investment Funds' investments have resale or transfer restrictions that further limit their liquidity. The Partnership and its consolidated investment funds are exposed to the potential non-payment of principal and interest from their CLO equity investments. As of December 31, 2011, 1 of the 29 CLO's managed by the Partnership paid interest to the equity holders on their last payment date.

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Investment Funds invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

Credit Default Swaps

Credit default swaps involve greater risks than if the Partnership or its Consolidated Investment Funds had written the reference obligations directly. In addition to the market risk discussed above, credit default swaps are subject to liquidity risk and credit risk. If a credit event occurs, the value of the reference obligation received by the Partnership or its Consolidated Investment Funds, coupled with the periodic payments previously received, may be less than the full notional amount it pays to the buyer, resulting in loss of value.

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Investment Funds' investments. However, the Consolidated Investment Funds' portfolios could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

credit risk may increase the losses suffered by the Consolidated Investment Funds. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Investment Funds to losses that are disproportionate to market movements as a whole.

Custody Risk

The clearing operations for the Partnership and its Consolidated Investment Funds are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Investment Funds' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Investment Funds may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Investment Funds' might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Leverage Risk

The Consolidated Investment Funds may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Investment Funds' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Investment Funds. If the value of the Consolidated Investment Funds' securities fall below the margin level required by a counterparty, additional margin deposits would be required. If the Consolidated Investment Funds are unable to satisfy a margin call, the counterparty could liquidate the Consolidated Investment Funds' positions in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Investment Funds to incur significant losses. In addition, to the extent the Consolidated Investment Funds have posted excess collateral for margin transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Investment Funds' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Investment Funds. In addition, because the use of leverage allows the Consolidated Investment Funds to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Investment Funds may lose in the event of adverse price movements is high in relation to the amount of their investment.

In the event of a sudden drop in the value of the Consolidated Investment Funds' assets, the Consolidated Investment Funds may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Investment Funds may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Investment Funds have the ability to apply discretionary margin, haircut, and financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2011, the Consolidated Investment Funds' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

Wind-Down Risk

The ultimate proceeds that the Consolidated Investment Funds' are able to realize on the sale of its investments will directly affect the amounts that the investors in the feeder funds are able to redeem in connection with the wind down process. These amounts may differ materially from the partners' capital balances as of December 31, 2011.

Litigation Risk

The Partnership and its Consolidated Investment Funds are periodically subject to legal actions arising from the ordinary course of business. The ultimate outcome of these cases is inherently uncertain and could result in additional losses to the Partnership and/or its Consolidated Investment Funds. Refer to Note 16 for a discussion of open litigation.

10. Related Party Transactions

Expenses Reimbursable by Funds Managed

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2011, approximately \$7.2 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in Other Assets in the accompanying Consolidated Balance Sheet.

Long Term Incentive Plan and Intercompany Loan Payable to Highland Capital Management Services, Inc. ("HCMSI")

Effective January 1, 2001, all of the Partnership's employees were transferred to HCMSI, which provides personnel management and consulting services to the Partnership. The Partnership and HCMSI entered into a management agreement whereby the Partnership compensated HCMSI for its employee expenses plus a consulting services fee. As of January 1, 2005, there were no further transactions with HCMSI as all employees were transferred to the Partnership.

Effective January 1, 2001, HCMSI approved a long-term incentive plan ("the LTIP") for select employees who are eligible to receive Long-Term Incentive Units ("the Units") under the LTIP. The number of Units authorized under the LTIP is 30,000,000 and a majority of the Units granted vest 40% during the grant year and 30% for each of the two years thereafter, expiring 10 years after such grant date, unless different terms are agreed upon between the Plan Administrator and the employee. The fair value of the Units are based upon the fair value of the Partnership, as determined in good faith, by James Dondero, the Plan Administrator and the sole shareholder of the general partner and a limited partner of the Partnership. The LTIP was transferred to the Partnership from HCMSI on January 1, 2005.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

The Units are exercisable at the discretion of the Plan Administrator, or upon a triggering event defined as the earlier of the following events:

- Change in control
- Initial public offering
- Participant's voluntary or involuntary termination due to death, disability, retirement, or hardship
- Participant's voluntary or involuntary termination other than due to death, disability, retirement, hardship, or cause is exercisable to the extent the Participant is entitled to only 80% of the vested shares.

A total of 562,299 Units are outstanding as of December 31, 2011 under the LTIP. During the year ended December 31, 2011, the liability under the LTIP decreased by approximately \$0.4 million, which is included in *Compensation and benefits* in the Consolidated Statement of Income.

The total balance payable to HCMSI was approximately \$0.5 million as of December 31, 2011, which is related to the LTIP accrual.

Effective December 31, 2004, all of the employees at HCMSI were transferred to the Partnership, and the management agreement between the Partnership and HCMSI was terminated as to the provision of future services. However, all of the outstanding and unfunded obligations of the Partnership to HCMSI as of December 31, 2004, as well as any additional obligations that may arise in relation to these amounts, will continue to be due and payable to HCMSI until satisfied in accordance with the provisions of the agreements in place.

Accounts Held with Related Party

During the year the Partnership and its subsidiaries maintained accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2011, balances in the accounts were approximately \$1.4 million, a portion of which exceeds Federal deposit insurance limits.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Controlling Positions

Various members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. Any director's fees received by the Partnership for these services as directors are paid to and retained by the Partnership. During the year ended December 31, 2011, the Partnership did not earn material income from those entities where members of management serve as members of the Board of Directors. As of December 31, 2011, the Partnership and its subsidiaries held the following investments in these companies:

(in thousands)

Notes to Consolidated Financial Statements
December 31, 2011

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank was the agent bank. Interest earned on the loans during the year was approximately \$7.1 million. At December 31, 2011, these subsidiaries were invested in NexBank agented loans with commitments and market values totaling approximately \$300.4 million and \$77.0 million, respectively.

Affiliated Transactions

In accordance with the terms of a Master Indenture Agreement (the "Indenture") dated November 2, 2006, the Credit Opportunities Master acquired 250,000 Preferred Shares of Highland Credit Opportunities CDO, Ltd (the "CDO"). The Indenture requires Credit Opportunities Master to hold, directly or indirectly, more than 99% of the CDO's outstanding Preferred Shares at all times. As of December 31, 2011, the Credit Opportunities Master held 350,000 Preferred Shares and was the sole beneficial preferred shareholder.

The CDO invests primarily in floating rate syndicated bank loans, fixed income securities, and equity investments. These investments were purchased with funds the CDO received from the issuance of rated floating rate notes and Credit Opportunities Master's purchase of the Preferred Shares. Credit Opportunities Master is the sole beneficiary of all residual income from the CDO's portfolio. Although the Preferred Shares do not have a voting interest in the CDO, they carry certain rights. Specifically, they are entitled to receive quarterly preferential dividends, without requiring any declaration by the Directors, from the date they were issued until they are redeemed. The Investment Manager serves as the Collateral Manager for the CDO but does not receive any fees for its services to the CDO.

During the fourth quarter of 2008, the CDO failed to meet certain over-collateralization tests set forth in the First Supplement to the Indenture dated November 2, 2006. This breach would have given the CDO's Majority of Controlling Debt Class the option to accelerate repayment of the CDO's outstanding debt or initiate a liquidation of its assets. To protect the value of its investment in the CDO, Credit Opportunities Master entered into a forbearance agreement whereby the Majority Controlling Class of the CDO's note holders waived the breach and agreed not to exercise the rights discussed above. The Majority Controlling Class also agreed to waive any future events of default resulting from the CDO's failure to meet the overcollateralization tests through December 31, 2011. In return, the CDO agreed not make any preferred dividend payments to Credit Opportunities Master until the over-collateralization tests exceed certain thresholds.

Credit Opportunities Master paid certain expenses related to the forbearance agreement, which have been recorded as an increase to the cost basis of its investment in the CDO's preferred shares. The CDO was in compliance with all over-collateralization tests at expiration of the forbearance agreement on December 31, 2011.

Services Performed by an Affiliate

In March 2007, Highland Capital of New York, L.P., a New York limited partnership ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. For the year ended December 31, 2011, total marketing fee expense charged to the Partnership by Highland New York was approximately \$3.7 million and as of December 31, 2011, amounts owed to Highland New York for services rendered was approximately \$0.9 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

11. Commitments

Contracts in the Normal Course of Business

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant.

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the final outcome will not have a materially adverse effect on the Partnership's Consolidated Balance Sheet, consolidated statement of income, or its liquidity. See Note 16.

Operating Leases

Future minimum lease payments under operating lease commitments of the Partnership and its consolidated entities with initial or noncancelable terms in excess of one year, at inception, are as follows:

(in thousands)

Years Ending December 31,

2012	\$	-
2013		290
2014		1,377
2015		1,343
2016		1,333
Thereafter		6,639
Total	\$	<u>10,982</u>

Total rental expense of the Partnership and its consolidated entities for operating leases was approximately \$2.2 million for the year ended December 31, 2011.

Unfunded Loan Commitments

At December 31, 2011, the Consolidated Investment Funds had unfunded loan commitments of approximately \$2.1 million. Unfunded loan commitments are marked to market on the relevant day of valuation in accordance with the Partnership's valuation policies. Any applicable unrealized gain/(loss) and unrealized appreciation/(depreciation) on unfunded loan commitments are recorded on the Consolidated Balance Sheet and Consolidated Income Statement, respectively. The net change in unrealized appreciation on unfunded transactions of approximately \$0.2 million is recorded in the Consolidated Income Statement.

12. Postretirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. A new amendment became effective on January 1, 2011 in which a named participant was admitted to the plan and is eligible to earn benefit accrual. 2011 expense reflects a service cost charge for the value of the new participant's benefit earned during 2011. The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2011 are reconciled in the tables below

(in thousands)

Change in projected benefit obligation	2011
Benefit obligation at beginning of year	\$ 3,358
Service cost	4
Interest cost	174
Plan participants' contributions	-
Amendments	-
Actuarial loss/(gain)	(101)
Acquisition/(divestiture)	-
Benefits paid	(597)
Benefit obligation at end of year	<u>\$ 2,838</u>
Change in plan assets	2011
Fair value of plan assets at beginning of year	\$ 3,568
Actual return on plan assets	161
Acquisition/(divestiture)	-
Employer contribution	-
Plan participants' contributions	-
Benefits paid	(597)
Other increase/(decrease)	-
Fair value of plan assets at year end	<u>\$ 3,132</u>
Reconciliation of Funded Status	2011
Accumulated benefit obligation at end of year	\$ 2,838
Projected benefit obligation at end of year	2,838
Fair value of assets at end of year	<u>3,132</u>
Funded status at end of year	<u>\$ 294</u>

The Partnership does not expect to contribute to the plan during 2012.

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2011:

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Discount rate	4.40%
Rate of compensation increase	N/A

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2011:

Discount rate	5.70%
Expected long-term return on plan assets	5.70%
Rate of compensation increase	N/A

As of December 31, 2011, approximately \$0.5 million of the plan assets were categorized as Level 3.

13. Goodwill and Other Intangible Assets

Below is a summary of the Partnership's goodwill and other intangible assets as of December 31, 2011:

(in thousands)

	Carrying Value
Goodwill for Highland Europe	\$ 8,020
	<u>\$ 8,020</u>

On April 9, 2004, the Partnership purchased the management agreements of Highland Floating Rate Fund (the "Floating Rate Fund") and Highland Floating Rate Advantage Fund (the "Advantage Fund"), collectively the "Purchased Funds." The combined purchase price for the above agreements was \$24.0 million, which was included on the Partnership's Consolidated Balance Sheet. The Partnership performed yearly impairment tests subsequent to the purchase and recorded no impairments through the year ended December 31, 2010.

On December 15, 2011, the management agreements of the Floating Rate Fund, the Advantage Fund and three other registered investment companies were novated so that a replacement investment advisor would be substituted for the Partnership. Because the Partnership released its rights and obligations under the agreements, the Partnership fully amortized any intangible value related to these agreements. An expense of \$24.0 million is recorded in the Partnership's Consolidated Income Statement.

The Partnership performs an impairment test on the Goodwill of Highland Europe as required by U.S. GAAP on a yearly basis. Due to the pending sale of the management agreements of the entity, goodwill was assessed for impairment based on the sale price. The Partnership has determined that no impairment charge is necessary for the current year. Please refer to Note 18 for further discussion of the sale of the Highland Europe management agreements.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

14. Reverse Repurchase Agreements

Credit Strategies Master is party to collateralized financing transactions consisting of securities sold under agreements to repurchase. For the year ended December 31, 2011, approximately \$22.7 million was paid to the counterparty to repurchase the securities sold under the repurchase agreements. Additionally \$0.5 million of financing interest was paid to the counterparty. As of December 31, 2011, Credit Strategies Master was not a party to any reverse repurchase agreements.

15. Income Taxes

The Partnership

For U.S. income tax purposes, the Partnership is treated as a pass-through-entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on their share of the Partnership's net taxable income.

The Partnership files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2011, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2008 forward (with limited exceptions).

Authoritative guidance on accounting for and disclosure of uncertainty in tax positions requires the General Partner to determine whether a tax position of the Partnership is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that as a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2011.

Crusader Master

Crusader Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Crusader Master. Crusader Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Crusader Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Crusader Master's net taxable income.

Since Crusader Master trades investments for its own account, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The General Partner intends to conduct Crusader Master's business in such a way that it does not constitute a U.S. trade or business or create a taxable presence in any of the jurisdictions in which the Investment Manager has offices, including the United Kingdom.

Dividends as well as certain interest and other income received by Crusader Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Crusader Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2011, a withholding tax liability of \$0.9 million is included in the accrued expenses in the Consolidated Balance Sheet.

It is management's responsibility to determine whether a tax position of Crusader Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As a result of adopting this guidance, management has established an immaterial reserve for uncertain tax positions. The full amount relates to the current year and was recorded with net realized loss from investments and derivative contracts in the Consolidated Income Statement. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2011.

Crusader Master files tax returns as prescribed the tax laws of the jurisdictions in which it operates. In the normal course of business, Crusader Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2011, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2008 forward (with limited exceptions).

Credit Opportunities Master

For U.S. income tax purposes, Credit Opportunities Master is treated as a pass-through entity, which means it is not subject to federal income taxes under current Internal Revenue Service guidelines. However, each investor may be individually liable for income taxes, if any, on its share of the partnership's net taxable income.

Credit Opportunities Master trades in senior secured syndicated bank loans for its own account and, as such, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The Partnership intends to conduct Credit Opportunities Master's business in such a manner that it does not constitute a U.S. trade or business, nor does it create a taxable presence in any of the jurisdictions in which the Partnership has offices, including the United Kingdom.

Dividends as well as certain interest and other income received by Credit Opportunities Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Credit Opportunities Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. Deferred tax liability is a result of a temporary difference related to the unrealized appreciation on Credit Opportunities Master's investments that will become taxable income in future years. The deferred tax liability will become payable upon realization of the gain when the investment is sold and it is measured using the applicable enacted tax rate and the provisions of the enacted tax law. As of December 31, 2011, a liability to account for such withholdings and other taxes of approximately \$2.1 million is classified within accrued expenses and withholding tax payable on the Consolidated Balance Sheet.

The Credit Opportunities Master applies authoritative guidance which requires management to determine whether a tax position of Credit Opportunities Master is more likely than not to be

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As of December 31, 2011, a liability to account for uncertain tax positions of \$0.1 million is classified within accrued expenses within the Consolidated Balance Sheet. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2011.

Credit Opportunities Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Opportunities Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2011, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2008 forward (with limited exceptions).

Credit Strategies Master

Credit Strategies Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Credit Strategies Master. Credit Strategies Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Credit Strategies Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Credit Strategies Master's net taxable income.

The Credit Strategies Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Strategies Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2011, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2008 forward (with limited exceptions).

It is management's responsibility to determine whether a tax position of Credit Strategies Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner has determined that there was no effect on the financial statements from the application of this guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2011.

Dividends as well as certain interest and other income received by Credit Strategies Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Credit Strategies Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. Deferred tax liabilities may result from temporary differences related to the unrealized appreciation on Credit Strategies Master's investments that will become taxable income in future years. Deferred tax liabilities will become payable upon

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

realization of the gains when the investments are sold, and are measured using the applicable enacted tax rate and provisions of the enacted tax law.

Restoration Onshore

Restoration Onshore is treated as a pass-through entity for tax purposes, which means it is not subject to U.S. income taxes under current Internal Revenue Service or state and local guidelines. Each Partner is individually liable for income taxes, if any, on its share of the Restoration Onshore's net taxable income. Interest, dividends and other income realized by the Restoration Onshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Onshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Onshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority.

The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2011. Restoration Onshore files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal, state, local and foreign jurisdictions, where applicable. As of December 31, 2011, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2008 forward (with limited exceptions).

Restoration Offshore

Restoration Offshore is a Cayman Islands exempted company. Under the current laws of the Cayman Islands, there is no income, estate, transfer, sales or other tax payable by Restoration Offshore. Restoration Offshore has elected to be treated as a corporation for U.S. tax purposes and files a protective 1120-F.

The General Partner intends to conduct the business of Restoration Offshore in such a way that Restoration Offshore's activities do not constitute a U.S. trade or business and any income or realized gains earned by Restoration Offshore do not become "effectively connected" with a trade or business carried on in the United States for U.S. federal income tax purposes.

Restoration Offshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Offshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. In accordance with this authoritative guidance, the General Partner has established a reserve of approximately \$0.1 million for uncertain tax positions. The full amount relates to the current year and was recorded as a tax expense in the Consolidated Statement of Operations. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31,

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

2011. As of December 31, 2011, the tax years that remain subject to examination by major tax jurisdictions under the statute of limitations is from the year 2008 forward (with limited exceptions).

The remaining entities consolidated by the Partnership had no uncertain tax positions which required accrual under U.S. GAAP.

16. Legal Proceedings

In April 2007, CDO Master Fund entered into a risk sharing agreement structured as a derivative whereby it absorbed 51% of the gains and losses generated from a loan warehouse agreement. The remaining 49% of the warehouse gains and losses were absorbed by Highland Special Opportunities Holding Company ("SOHC"). The warehouse was financed by a recognized financial institution and held collateral consisting of investments in collateralized loan obligations and credit default swaps. Although the agreement expired on August 15, 2007, the counterparty agreed to extend it for one year on March 15, 2008. Due to liquidity constraints, CDO Master Fund was unable to meet a November call, and the counterparty elected to terminate the agreement as of December 5, 2008. The collateral held in the warehouse was subsequently seized by the counterparty and sold on the open market through bids-wanted-in competition. After offsetting the proceeds received from the sale and the income earned on the collateral prior to the sale, the counterparty notified CDO Master Fund that its pro-rata share of the losses incurred under the agreement was \$350.2 million. CDO Master Fund has accrued a liability in its financial statements for this amount. On February 24, 2009, the counterparty (the "Plaintiffs") filed a lawsuit against CDO Master Fund, SOHC and the Partnership in the New York State Supreme Court of Manhattan alleging that they suffered losses in excess of \$745 million due to the depreciation in value of the warehouse collateral. On February 19, 2010 a New York Appeals Court sided with the Partnership and dismissed UBS' claims against the Partnership. Thereafter on June 22, 2010, Plaintiffs filed an amended complaint with the Court against the Partnership and certain affiliated registered and unregistered investment vehicles alleging \$687 million in damages. On March 13, 2012, the First Appellate Division dismissed two of the four claims against the Partnership, and severely limited the scope of the two remaining claims.

In April 2009, HYMF, Inc. filed a lawsuit in the New York State Court against the Partnership and certain consolidated investment funds (collectively "the Defendants"). The lawsuit alleges that the Defendants breached their contractual and fiduciary duties by failing to return HYMF's original investment in the consolidated investment funds. The Defendants believe they acted in accordance with the provisions of the partnership agreements and intend to vigorously defend against the lawsuit. Management believes it is currently not possible to evaluate the likelihood of any particular outcome or estimate the amount or range of potential loss with any reasonable degree of certainty.

On July 15, 2008, Crusader Master, certain affiliates, and numerous external parties (collectively, the "Defendants") were named as parties to an action filed with the Bankruptcy Court of the Southern District of Florida. The action related to a secured lending transaction and subsequent refinancing arrangement in which the Defendants participated. On October 13, 2009, the Bankruptcy Court ruled in favor of the plaintiffs and ordered the Defendants to disgorge the principal, interest, and fees they received in connection with the refinancing arrangement. In addition, the Court ordered the defendants to pay simple interest on the disgorged amount at an annual rate of 9%.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

Based on the ruling, Crusader Master recorded a reserve of approximately \$5.3 million as of December 31, 2009, which represented its ratable share of the judgment. The reserve was included as a component of accrued expenses on the Consolidated Balance Sheet.

The Defendants believe they acted in good faith pursuant to the terms of the relevant agreements and appealed the decision. In February 2011, the District Court of Florida reversed the judgment against the Defendants and overturned the ruling that resulted in Crusader Master recording the reserve. Crusader Master does not believe an appeal of this decision will be successful and relieved the reserve. This was included as a component of the net realized loss from investments and derivative contracts on the Consolidated Income Statement.

17. Fund Wind Down

On February 4, 2009, the Partnership informed investors of CDO Master that the fund was effectively insolvent and that it was in the best interest of the fund to liquidate the fund's remaining assets. The proceeds from the asset liquidations will be distributed to the remaining financing counterparties and other senior and trade creditors as the liabilities in the fund exceed the assets to such a degree that proceeds from the asset sales will not be able to satisfy any unpaid redemptions or to distribute amounts to any current investors.

During 2008, Crusader Master and Credit Strategies Master were negatively affected by deteriorating conditions in the overall economy and credit markets. These conditions became more severe during the third and fourth quarters of 2008 and generated significant losses on various derivative transactions and repurchase agreements to which Crusader Master and Credit Strategies Master were parties. In addition, certain assets that Crusader Master and Credit Strategies Master purchased on margin through prime brokerage agreements experienced a significant decline in value. In certain cases, Crusader Master and Credit Strategies Master were unable to post the collateral required to secure these losses, and the counterparties provided notice of their intent to terminate the agreements. As a result, access to the credit that Crusader Master and Credit Strategies Master used to manage its investing and financing activities became highly constrained, and in some cases unavailable. In light of these circumstances, the General Partners (the general partner of Highland Crusader Fund, L.P. and the general partner of Highland Credit Strategies Fund, L.P.) and the Board of Directors of Highland Credit Strategies Fund, Ltd. and Highland Crusader Fund, Ltd. concluded, in consultation with the Investment Manager, that it would be in the best interests of their investors to wind down the investment portfolios of Credit Strategies Master and Crusader Master. On October 15, 2008, the Investment Manager notified investors that it would begin the wind-down process. The Investment Manager also restricted subscriptions and the payment of withdrawals to its feeder funds effective the same date.

In connection with the wind down, the limited partner interests of the Feeder Funds were compulsorily withdrawn/redeemed on November 15, 2008 in accordance with the terms of the governing documents.

Crusader Master

On July 15, 2011, the Supreme Court of Bermuda Commercial Court sanctioned a Scheme of Arrangement (the "Scheme") that facilitates the winding-down of the investments of Crusader Master and the distribution of its assets. A substantial majority of the investors in its feeder funds consented to the plan of distribution as outlined in the Scheme. The Scheme became effective as of August 1, 2011.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

The Scheme establishes two classes of claims; those feeder fund investors who had timely submitted withdrawal/redemption requests for withdrawal/redemption dates that fell on or before June 30, 2008 and who had not received full payment ("Prior Redeemers"), and those feeder fund investors that had not timely submitted such withdrawal/redemption requests for redemption/withdrawal dates that fell on or before June 30, 2008 ("Compulsory Redeemers") (together "Redeemers"). The basis for ratable distribution amongst both classes of Redeemers was the November 15, 2008 balances of said Redeemers ("Redemption Amount"), adjusted to add back any redemption penalties assessed against Prior Redeemers during 2008. A realization schedule for distributions is set forth in Appendix A of the Scheme (the "Realization Schedule"). The terms of the Scheme are outlined as follows:

1. Prior Redeemers shall be entitled to 60% in aggregate of the total distributions made by the Master Partnership constituting excess cash (the "Crusader Fund Prior Redeemers' Distribution"). Each Prior Redeemer shall be entitled to their pro rata share of the Crusader Fund Prior Redeemers' Distribution based on the Prior Redeemer's Redemption Amount relative to the total of all Prior Redeemers' Redemption Amounts (inclusive of all feeders).
2. Compulsory Redeemers shall be entitled to 40% in aggregate of the total distributions made by the Master Partnership constituting excess cash (the "Crusader Fund Compulsory Redeemers' Distribution"). With the exception of the non-consenting Compulsory Redeemers discussed below, each Compulsory Redeemer shall be entitled to their pro rata share of the Crusader Fund Compulsory Redeemers' Distribution based on the Compulsory Redeemer's Redemption Amount relative to the total of all Compulsory Redeemers' Redemption Amounts (inclusive of all feeders). This method of distribution resulted in a shift of capital from the Prior Redeemers to the Compulsory Redeemers. Since the redistribution is indifferent with respect to the Feeder Funds, total capital within each of the Feeder Funds changed as a result. This capital transfer is reflected in the Consolidated Statement of Changes in Partners' Capital as a restructure. In the event the Investment Manager fails to make distributions in accordance with the Realization Schedule for two consecutive quarters without receiving a waiver from the committee of Redeemers appointed to help oversee the Scheme (the "Redeemer Committee"), the Investment Manager can be removed for cause as the Investment Manager of the Master Partnership by the Redeemer Committee.

In connection with the implementation of the Scheme, the Partnership made a settlement payment to be allocated to Crusader investors in the amount of \$6.0 million. Additionally, the Partnership reserved \$8.2 million of its interest in deferred incentive fees. Both of these amounts can be found within the *Fund wind down costs* line of the Consolidated Income Statement.

Credit Strategies Master

A Plan of Distribution (the "Plan") was also adopted by Credit Strategies Master and its feeder funds and was consented to by a substantial majority of the investors in its feeder funds. On April 14, 2011, the Supreme Court of Bermuda Commercial Court sanctioned a Scheme of Arrangement (the "Scheme") that incorporates the terms of the Plan so as to be binding upon Highland Credit Strategies Fund, Ltd. and its investors. The Scheme became effective on May 1, 2011. The Plan established two classes of claims; those investors of the Feeder Funds whose withdrawals/redemptions became effective on or before September 30, 2008 and who have not received full payment of their redemption amount ("Prior Redeemers") and those investors of the feeder funds who were compulsorily withdrawn/redeemed on October 15, 2008 ("Compulsory Redeemers").

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

As investments in Credit Strategies Master are realized, distributions will be made in the following order, which summarizes the terms outlined in the Plan.

1. Payments for fund expenses
2. The first \$30 million available for distribution ratably to Prior Redeemers
3. The next approximately \$5.3 million available for distribution ratably to consenting Compulsory Redeemers and a trust account established for the benefit of non-consenting Compulsory Redeemers ("Redeemer Trust Account")
4. All remaining funds will be distributed as follows:
 - a. 85% ratably to Prior Redeemers
 - b. 15% to consenting Compulsory Redeemers and the Redeemer Trust Account

This method of distribution results in a shift of capital from the Prior Redeemers to the consenting Compulsory Redeemers and the Redeemer Trust Account. It also created a shift of capital from its offshore feeder to its onshore feeder, since there was a greater proportion of Compulsory Redeemers to Prior Redeemers in the onshore feeder than in the offshore feeder.

In connection with the implementation of the Scheme, the Partnership made a settlement payment to be allocated to Credit Strategies investors in the amount of \$3.0 million. Additionally, the Partnership will make a second payment of \$6.0 million on or before May 1, 2014. Both of these amounts can be found within the *Fund wind down costs* line of the Consolidated Income Statement.

18. Subsequent Events

In accordance with the Scheme of Arrangement, Crusader Master made distributions of approximately \$102.8 million and \$102.6 million effective January 31, 2012 and April 30, 2012, respectively.

In accordance with the Plan of Distribution, the \$6.8 million distribution payable was distributed to the feeder funds by Credit Strategies Master.

In accordance with the Plan of Distribution, Credit Strategies Master made a distribution of approximately \$5.0 million effective February 29, 2012.

On February 29, 2012, Credit Opportunities CDO, Ltd. paid \$16.5 million, collectively, of preferred dividends to Credit Opportunities Master, which is restricted by the Purchase Agreement to pay interest, principal and any applicable premium.

On April 3, 2012, Credit Opportunities CDO, Ltd. paid \$17.0 million, collectively, of preferred dividends to Credit Opportunities Master, which is restricted by the Purchase Agreement to pay interest, principal and any applicable premium.

On March 14, 2012, Credit Opportunities Master elected to prepay \$12.3 million of the outstanding principal balance of the notes and approximately \$1.4 million in interest and prepayment premium.

On April 2, 2012, Credit Opportunities Master elected to prepay \$14.1 million of the outstanding principal balance of the notes and approximately \$1.0 million in interest and prepayment premium.

On February 28, 2012, the Partnership completed the sale of the management contracts of four European CLOs. Gross consideration of €33.5 million was received upon completion of the sale. Beyond the closing date, the Partnership is further entitled to 65% of all future incentive fees paid

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2011

under any of the four European CLOs as well as 80% of the subordinated fees accrued and unpaid as of December 31, 2011 with respect to Highlander Euro CDO B.V. After-tax net proceeds from the sale were used to reduce the Partnership's bank debt outstanding as well as to pay accrued interest and principal on affiliated notes payable.

On March 14, 2012, the Partnership amended the Revolving Credit Agreement. Further discussion of the amendment can be found in Note 8.

The Partnership has performed an evaluation of subsequent events through May 21, 2012, which is the date the consolidated financial statements were available to be issued, and has determined that there are no other material subsequent events that would require disclosure in the Partnership's consolidated financial statements.

Independent Auditor's Report

To the General Partner of Highland Capital Management, L.P.:

We have audited the accompanying consolidated financial statements of Highland Capital Management, L.P. and its subsidiaries (collectively, the "Partnership"), which comprise the consolidated balance sheet as of December 31, 2014, and the related consolidated statements of income, of changes in partners' capital and of cash flows for the year then ended.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Partnership's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Highland Capital Management, L.P. and its subsidiaries at December 31, 2014, and the results of their operations, changes in their partners' capital and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The Supplemental Consolidating Balance Sheet, the Supplemental Consolidating Statement of Income, the Supplemental Unconsolidated Balance Sheet and the Supplemental Unconsolidated Statement of Income are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole.

The accompanying notes are an integral part of these consolidated statements.

Highland Capital Management, L.P.
Notes to Consolidated Financial Statements
December 31, 2014

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment adviser under the Investment Advisers Act of 1940 that manages collateralized loan obligations ("CLOs"), hedge funds, private equity funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is 100% owned by senior management of the Partnership.

As of December 31, 2014, the Partnership provided investment advisory services for twenty-seven CLOs, six separate accounts, one registered investment company, one master limited partnership, and sixteen hedge fund or private equity structures, with total fee-earning assets under management of approximately \$11.4 billion.

2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries, which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions of the entity, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions of the entity, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs' expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Consolidation of Non-Variable Interest Entities

The Partnership consolidates the following non-VIEs (along with majority owned funds: Highland Diversified Credit Fund, L.P., Highland Select Equity Fund, L.P., Highland Equity Partners, L.P., Highland Merger Arbitrage Fund, L.P., and Highland Equity Focus Fund, L.P., collectively the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

- Highland Crusader Offshore Partners, L.P. ("Crusader Master"), a Bermuda exempted limited partnership that commenced operations on July 10, 2000;
- Highland CDO Opportunity Master Fund, L.P. ("CDO Master Fund"), a Bermuda limited partnership that commenced operations on November 9, 2005;
- Highland Credit Strategies Master Fund, L.P. ("Credit Strategies Master"), a Bermuda exempted limited partnership that commenced operations on August 24, 2005;
- Highland Multi Strategy Credit Fund, L.P. ("Multi Strategy Master"), formerly Highland Credit Opportunities CDO, L.P., a Delaware limited partnership that commenced operations on December 29, 2005 and changed its name on August 26, 2014;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Canopy Timberlands, L.P., a Delaware limited partnership that commenced operations on April 29, 2008;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore") a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore") a Delaware limited partnership that commenced operations on September 2, 2008
- BB Votorantim, Highland Infrastructure LLC ("BB Votorantim"), a Delaware limited liability company which began operations on May 29, 2014; and

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in HCM Europe, Ltd. ("HCM Europe") a company organized in the United Kingdom and formed by the Partnership on December 7, 2012;
- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in HFP GP, LLC, a Delaware limited liability company that commenced operations on January 20, 2006;

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;
- 100% interest in Highland Capital Management (Singapore) Pte, Ltd, a company organized in the Republic of Singapore that commenced operations on April 2, 2008;
- 100% interest in Highland Capital Management Korea, Ltd. a company organized in the Republic of Korea that commenced operations on August 2, 2012;
- 100% interest in HE Capital, LLC., a Delaware limited liability company that was formed on March 22, 2007;
- 100% interest in De Kooning, Ltd, a Cayman company that was formed on December 1, 2012;
- 100% interest in Hirst, Ltd. a Cayman company that was formed on December 1, 2012;
- 100% interest in Hockney, Ltd. a Cayman company that was formed on December 1, 2012;
- 100% interest in Oldenburg, Ltd. a Cayman company that was formed on December 1, 2012;
- 99.9% interest in Penant Management, LP. a Delaware limited partnership that was formed on December 12, 2012;
- 100% interest in Semence, LLC a Delaware limited liability company that was formed on December 16, 2013;
- 100% interest in SK Shareholder Services, LLC a Delaware limited liability company that was formed on October 24, 2013;
- 100% interest in Pollack, Ltd. a Cayman company that was formed on December 1, 2012;
- 100% interest in Warhol, Ltd. a Cayman company that was formed on December 1, 2012;
- 100% interest in HCREF-I Holding Corp. a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREF-X Holding Corp. a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREF-XI Holding Corp. a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREF-XII Holding Corp. a Delaware company that was formed on December 13, 2012;
- 80% interest in Highland Employee Retention Assets, LLC a Delaware limited liability company that was formed on October 26th, 2009;

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

- 100% interest in Highland Diversified Credit Fund, LP, a Delaware limited partnership which began operations on February 29, 2000 and was organized for the sole purpose of investing substantially all of its assets in Highland Offshore Partners, L.P;
- 99.6% interest in Highland Select Equity Fund, LP, a Delaware limited partnership which began operations on January 1, 2002 and was organized for the purpose of investing and trading in large and small cap stocks that trade for less than intrinsic value
- 100% interest in Highland Equity Partners, LP, a Delaware limited partnership which began operations on August 1, 2013 and was organized for the purpose of investing with long-term perspective in a concentrated portfolio of stocks;
- 99.6% interest in Highland Equity Focus Fund, LP, a Delaware limited partnership which began operations on September 1, 2002 and was organized for the purpose of investing and trading in large and small cap stocks that trade for less than intrinsic value;
- 100% interest in Highland Merger Arbitrage Fund, LP, a Delaware limited partnership which began operations on October 16, 2014; and

All inter-partnership and intercompany accounts and transactions have been eliminated in consolidation of all of the aforementioned consolidated entities. All the Consolidated Investment Funds are, for U.S. GAAP purposes, investment companies under the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide - Investment Companies. The Partnership has retained the specialized accounting of these funds required under U.S. GAAP.

Due to the deconsolidation of certain investment funds, some prior year balances referenced within the following notes to the consolidated financial statements may not tie to prior year issued financial statements.

The following table includes a rollforward of noncontrolling interests from December 31, 2013, to December 31, 2014.

(in thousands)

Noncontrolling interest, December 31, 2013	<u>\$ 748,463</u>
Net loss attributable to noncontrolling interest	(8,604)
Noncontrolling partner contributions	4,914
Noncontrolling partner distributions	(118,973)
Noncontrolling interest of deconsolidated entities	(4,494)
Noncontrolling interest, December 31, 2014	<u>\$ 621,306</u>

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Investment Transactions

Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

See Note 5 for the Partnership's fair value process and hierarchy disclosures.

Management and Incentive Fee Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2014, the Partnership and its consolidated entities recognized management fees of approximately \$67.5 million. The Partnership recognized approximately \$0.2 million of depreciation on incentive fees earned prior to 2008, previously deferred under Sec. 409(A) of the Internal Revenue Code, which has been presented in *Other Income* in the Consolidated Statement of Income.

Shared Services Revenue

The Partnership recognizes revenue as earned in connection with services provided to related parties under various shared services agreements. Under these agreements, the Partnership earns fees for services including, but not limited to, back office support functions, marketing, and investment advisory services. During the year ended December 31, 2014, the Partnership and its consolidated entities recognized shared services revenue of approximately \$9.2 million, which has been presented in *Other Income* in the Consolidated Statement of Income. See further discussion in Note 8.

Income and Expense Recognition

Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums associated with purchases of investments are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis over the life of the investment. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. See further discussion in Note 12.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Cash equivalents are carried at cost, which approximates market value. At December 31, 2014, the Partnership and Consolidated Funds held cash balances at certain financial institutions in excess of the federally insured limit of \$0.3 million. The Partnership and Consolidated Funds regularly monitor the credit quality of these institutions.

Restricted Cash

The Partnership and its subsidiaries are required to maintain cash balances as collateral for various financing and derivative transactions. These amounts are reported as restricted cash on the Consolidated Balance Sheet.

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

Due to/from Brokers

Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Investment Manager's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand.

Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender. A gain (which cannot exceed the price at which the Consolidated Investment Funds sold the security short) or a loss (which theoretically could be unlimited in size) will be settled upon termination of a short sale.

Options Contracts

The Partnership and the Consolidated Investment Funds may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership or the Consolidated Investment Funds purchase (write) an option, an amount equal to the premium paid (received) by the entity is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the Partnership or the Consolidated Investment Funds enter into a closing transaction), the entity realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership or the Consolidated Investment Funds purchasing a security at a price different from the current market value.

The Partnership and the Consolidated Investment Funds are exposed to counterparty risk from the potential that a seller of an option contract does not sell or purchase the underlying asset as agreed under the terms of the option contract. The maximum risk of loss from counterparty risk to the Partnership and the Consolidated Investment Funds is the greater of the fair value of its open option contracts or the premiums paid to purchase the open option contracts. The Partnership and the Consolidated Investment Funds consider the credit risk of the intermediary counterparties to its option transactions in evaluating potential credit risk.

Margin Transactions

To obtain more investable cash, the Consolidated Investment Funds may use various forms of leverage including purchasing securities on margin. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2014. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. At December 31, 2014, the Consolidated Investment Funds had withdrawals payable of \$82.8 million.

Foreign Currency Transactions

The Partnership's subsidiaries HCM Europe and HCM Singapore use British Pounds and Singapore dollars as their functional currency, respectively. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2014. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the consolidated statement of income.

The Consolidated Investment Funds do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments*.

Life Settlement Contracts

One of the Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are recorded as a component of "Investments at fair value" on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of *Purchase of investments* and *Proceeds from dispositions of investments* on the Consolidated Statement of Cash Flows.

Financial Instruments

The Partnership and its consolidated entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable and accrued liabilities approximate their fair values because of their short maturities.

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Recently Issued Accounting Standards and Interpretations

In August, 2014, the FASB issued Accounting Standards Update 2014-15 – "Presentation of Financial Statement – Going Concern" (Subtopic 205-40). The amendments in this Update apply to all reporting entities. The main provisions of this Update are in connection with preparing annual and interim financial statements. Management should evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern within one year after the date that the financial statement are issued. The amendments are effective for the annual period ending after December 15, 2016. This statement is not expected to have a material impact on the Partnership's financial statements.

In February 2015, the FASB issued ASU 2015-02 "ASC Topic 810, Consolidation." ASU 2015-02 modifies the evaluation of whether limited partnerships and similar legal entities are variable interest entities or voting interest entities, eliminates the presumption that a general partner should consolidate a limited partnership, affects the consolidation analysis of reporting entities that are involved with VIEs, and provides other updates on guidance regarding consolidation. ASU 2015-02 is effective for fiscal years beginning after December 15, 2016. Management is evaluating the impact of ASU 2015-02 on the Partnership's financial statements.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

3. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2014:

(in thousands)

Leasehold improvements	\$ 6,441
Buildings	2,595
Furniture and fixtures	2,596
Computer and equipment	1,932
Computer software	271
Accumulated depreciation	<u>(5,768)</u>
	<u>\$ 8,067</u>

The Partnership and its consolidated entities are depreciating fixed assets as follows:

	<u>Period</u>
Leasehold improvements	Lease term
Buildings	29 - 40 years
Furniture and fixtures	7 years
Computer and equipment	5 years
Computer software	3 years

Depreciation expense in 2014 totaled approximately \$1.4 million for the Partnership and its subsidiaries.

4. Investments

Detailed below is a summary of the Partnership and its consolidated entities investments at December 31, 2014:

(in thousands)

	Amortized Cost/Cost	Fair Value
Common equity securities	\$ 875,293	\$ 1,027,376
Limited partnership interests	134,080	205,900
Asset-backed securities	249,269	182,054
Preferred equity	59,994	121,500
Floating rate syndicated bank loans	201,845	116,952
Life settlement contracts	418,467	114,640
Closed-end mutual funds	58,443	68,433
LLC interests	72,985	31,378
Rights & warrants	50,732	6,477
Corporate bonds	144,712	2,546
Options contracts	718	83
Total investments	\$ 2,266,538	\$ 1,877,339
	Proceeds	Fair Value
Securities sold, not yet purchased	\$ (43,015)	\$ (41,815)

5. Fair Value of Financial Instruments

Fair Value Measurement

U.S. GAAP defines fair value as the price an entity would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants as of the measurement date. The standard requires fair value measurement techniques to reflect the assumptions market participants would use in pricing an asset or liability and, where possible, to maximize the use of observable inputs and minimize the use of unobservable inputs. It also establishes the following hierarchy that prioritizes the valuation inputs into three broad levels:

- Level 1 – Valuation based on unadjusted quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Investment Funds have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.
- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active that are reflective of recent market transactions; or (c) models in which all significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Investment Funds use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being reclassified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates. Whenever possible, the Partnership and its Consolidated Investment Funds use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Investment Funds develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

The Partnership has established policies, as described above, processes and procedures to ensure that valuation methodologies for investments and financial instruments that are categorized within all levels of the fair value hierarchy are fair and consistent. A Pricing Committee has been established to provide oversight of the valuation policies, processes and procedures, and is comprised of various personnel from the Partnership. The Pricing Committee meets monthly to review the proposed valuations for investments and financial instruments. The Pricing Committee is responsible for establishing the valuation policies and evaluating the overall fairness and consistent application of those policies.

As of December 31, 2014, the Partnership and its consolidated entities' investments consisted primarily of common equity securities, asset-backed securities, limited partnership interests, life settlement contracts, floating rate syndicated bank loans, preferred equity, LLC interests, right and warrants, closed-end mutual funds, options contracts, and corporate bonds. In addition, the consolidated entities engage in short sale transactions. The majority of these financial instruments are not listed on national securities exchanges, and management is required to use significant judgment to estimate their values.

Equity Investments

Publicly traded equities are valued at the closing price at the date of the financial statements. The fair value of equity investments that are not traded on national exchanges or through real-time quotation services are derived from methodologies that provide appropriate fair value estimates. Equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. The Consolidated Investment Funds also holds a number of private equity investments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Consolidated Investment Funds will fair value the assets using

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Consolidated Investment Funds determine comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publicly available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Consolidated Investment Funds to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances.

Debt Securities

The Consolidated Funds invest in various types of debt, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Consolidated Funds first seek to obtain reliable market quotes from other parties dealing in the specific asset. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Loans and bonds that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Absent both a reliable market quote and third-party pricing service date, the Consolidated Funds may use various models to establish an estimated exit price. These investments are classified as Level 3 assets. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

Asset-Backed Securities

The Consolidated Funds invest in a variety of asset-backed securities. Asset-backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Funds generally utilize an independent third party firm to perform these calculations and provide the relevant inputs. The Consolidated Funds evaluate the results based on visible market activity and market research. When appropriate, the Consolidated Funds may apply other techniques based on a specific asset's characteristics. Asset-backed securities with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Asset-backed securities that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Private Equity Investments

The Consolidated Funds hold private equity investments which resulted from the restructuring of other instruments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Consolidated Funds will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publically available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances. Private equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Private equity investments that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

The Consolidated Investment Funds also invest in warrant securities of publicly-traded companies. The fair value of these investments is based on an option pricing model. The option model bases warrant value on a number of factors including underlying equity price as of the valuation date, strike price, exercise date, time to expiration and volatility. Warrant investments that have observable volatility are classified as Level 2 assets. Warrant investments where volatility inputs are not observable are valued using an estimated volatility input, and are classified as Level 3 assets.

Life Settlement Contracts

Life Settlement contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. Management generally utilizes an independent third party firm to perform these calculations and provide the relevant inputs. Management evaluates the results based on visible market activity and market research. Since these inputs are not readily observable, these contracts are classified as Level 3 assets.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

At December 31, 2014, the Consolidated Investment Funds' investments in life settlement contracts consisted of the following:

(U.S. dollars in thousands, except number of policies)

Remaining Life Expectancy (in years)	Number of Policies	Face Value	Fair Value
1-2	1	\$ 5,000	\$ 2,956
2-3	3	13,250	4,426
3-4	11	68,500	14,452
4-5	9	51,250	15,024
Thereafter	96	971,998	77,782
Total	120	\$ 1,109,998	\$ 114,640

Limited Partnership Interests

The Partnership and its Consolidated Funds hold limited partnership interests in various entities. These assets are valued as the net asset value of the limited partnership interests because the entities utilize fair value accounting for their own financial statements. These interests are classified as Level 3 assets.

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. A majority of the Consolidated Investment Fund's investments and derivatives at December 31, 2014 are classified as Level 3 positions due to the absence of active markets with quoted prices for identical or similar investments. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2014:

(in thousands)

Assets	Level 1	Level 2	Level 3	Total Fair Value at 12/31/14
Common equity securities	\$ 516,162	\$ 290,748	\$ 220,466	\$ 1,027,376
Limited partnership interests	-	-	205,900	205,900
Asset-backed securities	-	172,757	9,297	182,054
Preferred equity	95,170	19,370	6,960	121,500
Floating rate syndicated bank loans	-	5,102	111,850	116,952
Life settlement contracts	-	-	114,640	114,640
Closed-end mutual funds	68,433	-	-	68,433
LLC interests	-	8,827	22,551	31,378
Rights & warrants	515	-	5,962	6,477
Corporate bonds	-	2,469	77	2,546
Options	83	-	-	83
Total	\$ 680,363	\$ 499,273	\$ 697,703	\$ 1,877,339
Liabilities				
Common stock & Options sold short	\$ 41,815	\$ -	-	\$ 41,815

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

The classification of a financial instrument within Level 3 is based on the significance of the unobservable inputs to the overall fair value measurement. The following table provides a roll forward of the investments classified within Level 3 for the year ended December 31, 2014:

(in thousands)

	Total Fair Value at December 31, 2013	Purchases	Sales and Maturities	Transfers Into Level 3	Transfers Out of Level 3	Net Realized Losses	Net Unrealized Gains / (Losses)	Total Fair Value at December 31, 2014
Common equity securities	\$ 190,391	\$ 7,883	\$ (3,457)	\$ 1,869	\$ (82)	\$ (3,378)	\$ 27,240	\$ 220,466
Limited partnership interests	169,797	1,609	(779)	-	-	(116)	35,389	205,900
Life settlement contracts	100,521	39,671	(10,000)	-	-	4,715	(20,267)	114,640
Floating rate syndicated bank loans	128,357	12,435	(10,800)	-	-	(143,080)	124,938	111,850
LLC interests	32,597	599	(1,487)	3,249	-	2,136	(14,543)	22,551
Asset-backed securities	19,903	6,462	(14,815)	-	(1)	(1,839)	(413)	9,297
Preferred equity	19,392	-	(14,837)	-	(100)	9,768	(7,263)	6,960
Rights & w warrants	9,763	-	(1,476)	-	-	23	(2,348)	5,962
Corporate bonds	5,838	400	-	255	(5,837)	-	(579)	77
	\$ 676,559	\$ 69,059	\$ (57,651)	\$ 5,373	\$ (6,020)	\$ (131,771)	\$ 142,154	\$ 697,703

Transfers from Level 2 to Level 3 or from Level 3 to Level 2 are due to changes in observable pricing inputs as compared to the prior year. No significant transfers between Level 1 or Level 2 fair value measurements occurred during the year ended December 31, 2014.

All net realized and unrealized gains and losses in the tables above are reflected in the accompanying Consolidated Income Statement. Approximately \$26.5 million of the net unrealized gains presented in the table above relate to investments held as of December 31, 2014.

Transfers out of Level 3 are recognized at the beginning of the period. The transfers out of Level 3 at December 31, 2014 were due to increases in market activity (e.g. frequency of trades) or the availability of a market clearing broker quote.

The following page includes a summary of significant unobservable inputs used in the fair valuations of assets and liabilities categorized within Level 3 of the fair value hierarchy.

6. Derivative Financial Instruments

Total Return Swaps

A total return swap is a two-party contract under which the parties agree to exchange returns from a predetermined portfolio of investments. The gross returns to be exchanged or swapped between the parties are calculated based on a notional amount, which is reviewed periodically to determine each party's obligation under the contract.

The Partnership entered into an agreement during 2012 in which it sold its rights to five quarters of variable net senior and subordinated fee receipts from certain collateralized loan obligations managed by the Partnership for fixed monthly payments from a counter-party. In doing so, the Partnership monetized rights to potential future payments for the certainty and predictability of a fixed schedule of receipts. On December 20, 2013 the counter-party exercised its option to purchase an additional four quarters of variable net senior and subordinated fee receipts. For the year ended December 31, 2014, the Partnership recorded a realized loss of \$3.2 million.

7. Financial Instruments with Concentration of Credit and Other Risks

Financial Instruments

The Partnership and its Consolidated Investment Funds' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The consolidated entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the consolidated entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

Market Risk

Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Investment Funds due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Investment Fund's exposure to market risk is affected by a number of macroeconomic factors, such as interest rates, availability of credit, inflation rates, economic uncertainty and changes in laws and regulations. These factors may affect the level and volatility of securities prices and the liquidity of the Partnership and its Consolidated Investment Funds investments. Volatility or illiquidity could impair the Partnership and its Consolidated Investment Funds performance or result in losses. The Partnership and its Consolidated Investment Funds may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets. The performance of life settlement contracts may be adversely impacted by the under estimation of mortality and other rates.

Credit Risk

Credit risk is the potential loss the Partnership and its consolidated entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the consolidated entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the consolidated entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Liquidity Risk

The Consolidated Investment Fund's limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Investment Funds nor their manager expects such a market to develop.

Business Risk

The Partnership provides advisory services to the consolidated investment funds. The Consolidated Investment Funds could be materially affected by the liquidity, credit and other events of the Partnership.

High Yield Bonds and Loans

The Partnership and its Consolidated Investment Funds' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Investment Funds' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

When the Partnership and its Consolidated Investment Funds' purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Investment Funds have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Investment Funds may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Investment Funds invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Investment Funds' investments. However, the Consolidated Investment Funds' portfolios could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Investment Funds. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Investment Funds to losses that are disproportionate to market movements as a whole.

At December 31, 2014, the Consolidated Investment Funds' investments were predominantly concentrated in the United States.

Custody Risk

The clearing operations for the Partnership and its Consolidated Investment Funds are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Investment Funds' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Investment Funds may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Investment Funds' might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Leverage Risk

The Consolidated Investment Funds may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Investment Funds' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Investment Funds. If the value of the Consolidated Investment Funds' securities fall below the margin level required by a counterparty, additional margin deposits would be required. If the Consolidated Investment Funds are unable to satisfy a margin call, the counterparty could liquidate the Consolidated Investment Funds' positions in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Investment Funds to incur significant losses. In addition, to the extent the Consolidated Investment Funds have posted excess collateral for margin transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Investment Funds' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Investment Funds. In addition, because the use of leverage allows the Consolidated Investment Funds to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Investment Funds may lose in the event of adverse price movements is high in relation to the amount of their investment.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

In the event of a sudden drop in the value of the Consolidated Investment Funds' assets, the Consolidated Investment Funds may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Investment Funds may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Investment Funds have the ability to apply discretionary margin, haircut, and financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Investment Funds may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2014, the Consolidated Investment Funds' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

Wind-Down Risk

The ultimate proceeds that certain Consolidated Investment Funds' are able to realize on the sale of its investments will directly affect the amounts that the investors in the feeder funds are able to redeem in connection with the wind down process. These amounts may differ materially from the partners' capital balances as of December 31, 2014.

Litigation Risk

The Partnership and its Consolidated Investment Funds are periodically subject to legal actions arising from the ordinary course of business. The ultimate outcome of these cases is inherently uncertain and could result in additional losses to the Partnership and/or its Consolidated Investment Funds. Refer to Note 12 for a discussion of open litigation.

8. Related Party Transactions

In the normal course of business, the Partnership and the Consolidated Investment Funds may conduct trades with affiliates. Such trades are transacted at fair value as determined, in good faith, using third party information where available. During the period ended December 31, 2014, the Partnership and the Consolidated Investment Funds purchased various securities for approximately \$11.2 million from various affiliated entities and a non-discretionary, advised account.

Expenses Reimbursable by Funds Managed

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2014, approximately \$3.2 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in Other Assets in the accompanying Consolidated Balance Sheet.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Accounts Held with Related Party

During the year the Partnership and its subsidiaries maintained accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2014, balances in the accounts were approximately \$60.8 million, a portion of which exceeds Federal deposit insurance limits.

Investments Under Common Control

Certain members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. As of December 31, 2014, the Partnership and its subsidiaries held the following investments in these companies:

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank was the agent bank. Interest earned on the loans during the year was approximately \$10.8 million. At December 31, 2014, these subsidiaries were invested in NexBank agented loans with commitments and market values totaling approximately \$105.0 million and \$85.9 million, respectively.

Affiliated Transactions

Effective February 26, 2014, the Partnership issued a promissory note to HCMFA in the amount of \$4.0 million. The note accrues interest at a rate of 1.97%, the mid-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2014 total interest and principal due on the promissory note was approximately \$4.1 million.

Effective August 27, 2014, the Partnership issued a promissory note to HCMFA in the amount of \$2.1 million. The note accrues interest at a rate of 3.09%, the long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2014 total interest and principal due on the promissory note was approximately \$2.1 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

During the year ended December 31, 2014, the Partnership issued promissory notes to NexPoint in the aggregate amount of \$12.7 million. The notes accrue interest at a rate of 6.0%. As of December 31, 2014 total interest and principal due on the promissory notes was approximately \$13.0 million.

During the year ended December 31, 2014, the Partnership issued promissory notes to HCRE Partners, LLC, ("HCRE") in the aggregate amount of \$10.0 million. The notes accrue interest at a rate of 9.0%. As of December 31, 2014 total interest and principal due on the promissory notes was approximately \$9.8 million.

During the year ended December 31, 2014, The Partnership issued promissory notes to Highland Capital Management Services, Inc. ("HCMSI") in the aggregate amount of \$8.5 million. The notes accrue interest at an average rate of 3.12%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2014 total interest and principal due on the promissory notes was approximately \$8.6 million.

Services Performed by or on Behalf of an Affiliate

In March 2007, Highland Capital of New York, Inc. a New York, corporation, ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. For the year ended December 31, 2014, total marketing fee expense charged to the Partnership by Highland New York was approximately \$4.0 million and as of December 31, 2014, amounts owed to Highland New York for services rendered was approximately \$2.5 million.

Effective December 15, 2011, the Partnership commenced performing services on behalf of Highland Capital Management Fund Advisors, L.P. ("HCMFA"), a Delaware limited partnership and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2014, the total fee charged by the Partnership to HCMFA was approximately \$2.0 million and as of December 31, 2014, amounts owed to the Partnership by HCMFA for services rendered were approximately \$0.2 million.

Effective July 29, 2010, the Partnership commenced performing services on behalf of Falcon E&P Opportunities GP, LLC. ("Falcon"), a Delaware limited liability company and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2014, the total fee charged by the Partnership to Falcon was approximately \$0.6 million and as of December 31, 2014, amounts owed to the Partnership by Falcon for services rendered were approximately \$0.4 million.

Effective January 1, 2011, the Partnership commenced performing services on behalf of Acis Capital Management, L.P. ("Acis"), a Delaware limited partnership and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2014, the total fee charged by the Partnership to Acis was approximately \$3.8 million and as of December 31, 2014, no amounts were owed to the Partnership by Acis for services rendered.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Effective January 1, 2013, the Partnership commenced performing services on behalf of NexPoint Advisors, L.P. ("NexPoint"), a Delaware limited partnership. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2014, the total fee charged by the Partnership to NexPoint was approximately \$1.4 million and as of December 31, 2014, amounts owed to the Partnership by NexPoint for services rendered were approximately \$0.8 million.

Effective September 24, 2013, the Partnership commenced performing services on behalf of NexBank Capital, Inc. ("NexBank Capital"), financial services company. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2014, the total fee charged by the Partnership to NexBank Capital was approximately \$0.4 million and as of December 31, 2014, amounts owed to the Partnership by NexBank Capital for services rendered were approximately \$0.1 million.

Effective September 24, 2013, the Partnership commenced performing services on behalf of NexBank SSB, ("NexBank"), a Texas savings bank. Services include investment advisory services. The Partnership charges a fee for the services performed. For the year ended December 31, 2014, the total fee charged by the Partnership to NexBank was approximately \$0.7 million and as of December 31, 2014, no amounts were owed to the Partnership by NexBank for services rendered.

9. Debt and Notes Payable

Promissory Note

On December 31, 2014, the Partnership entered in to a promissory note (the "Promissory Note") with an investor in the amount of \$18.6 million, in exchange for 100% of its LP interest in Highland Multi Strategy Credit Fund, L.P. The Partnership must pay one-third of the initial note amount, plus accumulated interest on each of the first three anniversaries of the note. The Promissory Note will mature on December 31, 2017. The Promissory Note accrues interest at a rate of 3% per annum.

Select Master Securities Loan Agreement

On October 14, 2014, Highland Select Equity Master Fund, L.P. received a master securities loan agreement (the "Securities Agreement") from The Dugaboy Investment Trust ("Dugaboy") in the amount of \$23.0 million for securities borrowed. The Securities Agreement accrues a Loan Fee at a rate of 0.38%, the short term Applicable Federal Rate. The fair value of the loan will fluctuate with the fair value of the borrowed securities, throughout the term of the Securities Agreement.

10. Commitments

Contracts in the Normal Course of Business

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the final outcome will not have a materially adverse effect on the Partnership's Consolidated Balance Sheet, consolidated statement of income, or its liquidity. See Note 13.

Operating Leases

The Partnership has an operating lease and associated commitments related to its main office space. Future minimum lease payments under operating lease commitments with initial or noncancelable terms in excess of one year, at inception, are as follows:

(in thousands)

Years Ending December 31,

2015	1,477
2016	1,506
2017	1,521
2018	1,521
2019	1,550
Thereafter	3,655
Total	<u>\$ 11,230</u>

Total rental expense of the Partnership and its consolidated entities for operating leases was approximately \$1.4 million for the year ended December 31, 2014.

11. Postretirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. A new amendment became effective on January 1, 2011 in which a named participant was admitted to the plan and is eligible to earn benefit accrual. 2011 expense reflects a service cost charge for the value of the new participant's benefit earned during 2011.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2014 are reconciled in the tables below.

(in thousands)

Change in projected benefit obligation	2014
Benefit obligation at beginning of year	\$ 2,339
Service cost	5
Interest cost	108
Plan participants' contributions	-
Amendments	-
Actuarial loss/(gain)	59
Acquisition/(divestiture)	-
Benefits paid	(261)
Benefit obligation at end of year	\$ 2,250
Change in plan assets	2014
Fair value of plan assets at beginning of year	\$ 2,635
Actual return on plan assets	72
Acquisition/(divestiture)	-
Employer contribution	-
Plan participants' contributions	-
Benefits paid	(261)
Other increase/(decrease)	-
Fair value of plan assets at year end	\$ 2,446
Reconciliation of Funded Status	2014
Accumulated benefit obligation at end of year	\$ 2,250
Projected benefit obligation at end of year	2,250
Fair value of assets at end of year	2,446
Funded status at end of year	\$ 196

The Partnership does not expect to contribute to the plan during 2014.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2014:

Discount rate	3.70%
Rate of compensation increase	N/A

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2014:

Discount rate	4.90%
Expected long-term return on plan assets	4.90%
Rate of compensation increase	N/A

As of December 31, 2014, there were no plan assets categorized as Level 3.

12. Income Taxes

The Partnership

For U.S. income tax purposes, the Partnership is treated as a pass-through-entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on their share of the Partnership's net taxable income.

The Partnership files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2014, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2011 forward (with limited exceptions).

Authoritative guidance on accounting for and disclosure of uncertainty in tax positions requires the General Partner to determine whether a tax position of the Partnership is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that as a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2014.

Crusader Master

Crusader Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Crusader Master. Crusader Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Crusader Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Crusader Master's net taxable income.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Since Crusader Master trades investments for its own account, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The General Partner intends to conduct Crusader Master's business in such a way that it does not constitute a U.S. trade or business or create a taxable presence in any of the jurisdictions in which the Investment Manager has offices, including the United Kingdom.

Dividends as well as certain interest and other income received by Crusader Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Crusader Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2014, a withholding tax liability of \$0.2 million is included in the accrued expenses in the Consolidated Balance Sheet.

It is management's responsibility to determine whether a tax position of Crusader Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. In accordance with this authoritative guidance, management has established a reserve for federal income tax of approximately \$7.8 million for uncertain tax positions. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2014.

Crusader Master files tax returns as prescribed the tax laws of the jurisdictions in which it operates. In the normal course of business, Crusader Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2014, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2011 forward (with limited exceptions).

Multi Strategy Credit Master

For U.S. income tax purposes, Multi Strategy Credit Master is treated as a pass-through entity, which means it is not subject to federal income taxes under current Internal Revenue Service guidelines. However, each investor may be individually liable for income taxes, if any, on its share of the partnership's net taxable income.

Multi Strategy Credit Master trades in senior secured syndicated bank loans for its own account and, as such, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The Partnership intends to conduct Multi Strategy Credit Master's business in such a manner that it does not constitute a U.S. trade or business, nor does it create a taxable presence in any of the jurisdictions in which the Partnership has offices, including the United Kingdom.

Dividends as well as certain interest and other income received by Multi Strategy Credit Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Multi Strategy Credit Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2014, a withholding tax liability of \$1.0 million is classified within accrued expenses and withholding tax payable on the Consolidated Balance Sheet.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Multi Strategy Credit Master applies authoritative guidance which requires management to determine whether a tax position of Multi Strategy Credit Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As of December 31, 2014, a liability to account for uncertain tax positions of \$0.1 million is classified within accrued expenses within the Consolidated Balance Sheet. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2014.

Multi Strategy Credit Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Multi Strategy Credit Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2014, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2011 forward (with limited exceptions).

Credit Strategies Master

Credit Strategies Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Credit Strategies Master. Credit Strategies Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 28, 2016.

For U.S. income tax purposes, Credit Strategies Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Credit Strategies Master's net taxable income.

It is management's responsibility to determine whether a tax position of Credit Strategies Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner has determined that there was no effect on the financial statements from the application of this guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2014.

Dividends as well as certain interest and other income received by Credit Strategies Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Credit Strategies Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2014, a withholding tax liability of \$0.7 million is included in tax payable in the Consolidated Balance Sheet. Deferred tax liabilities may result from temporary differences related to the unrealized appreciation on Credit Strategies Master's investments that will become taxable income in future years. Deferred tax liabilities will become payable upon realization of the gains when the investments are sold, and are measured using the applicable enacted tax rate and provisions of the enacted tax law.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

The Credit Strategies Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Strategies Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2014, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2011 forward (with limited exceptions).

A wholly owned corporation at Credit Strategies Master may be subject to Federal U.S. Income Tax based on the nature of income, expense, and capital gains/losses. As of December 31, 2014, the wholly owned corporation has a tax refund receivable of \$1.7 million included in other assets in the Consolidated Balance Sheet.

Restoration Onshore

Restoration Onshore is treated as a pass-through entity for tax purposes, which means it is not subject to U.S. income taxes under current Internal Revenue Service or state and local guidelines. Each Partner is individually liable for income taxes, if any, on its share of the Restoration Onshore's net taxable income. Interest, dividends and other income realized by Restoration Onshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Onshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Onshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority.

The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2014. Restoration Onshore files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal, state, local and foreign jurisdictions, where applicable. As of December 31, 2014, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2011 forward (with limited exceptions).

Restoration Offshore

Restoration Offshore is a Cayman Islands exempted company. Under the current laws of the Cayman Islands, there is no income, estate, transfer, sales or other tax payable by Restoration Offshore. Restoration Offshore has elected to be treated as a corporation for U.S. tax purposes and files a protective 1120-F.

The General Partner intends to conduct the business of Restoration Offshore in such a way that Restoration Offshore's activities do not constitute a U.S. trade or business and any income or realized gains earned by Restoration Offshore do not become "effectively connected" with a trade or business carried on in the United States for U.S. federal income tax purposes.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Dividends as well as certain interest and other income received by the master partnership of Restoration Offshore from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by the master partnership of Restoration Offshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Offshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Offshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2014. As of December 31, 2014, the tax years that remain subject to examination by major tax jurisdictions under the statute of limitations is from the year 2011 forward (with limited exceptions).

The remaining entities consolidated by the Partnership had no uncertain tax positions which required accrual under U.S. GAAP.

13. Legal Proceedings

On July 15, 2008, Crusader Master, Highland Offshore Partners, CDO Master Fund, Multi Strategy Credit Master, certain affiliates, and numerous external parties (collectively, the "Defendants") were named as parties to an action filed with the Bankruptcy Court of the Southern District of Florida ("the Touse action"). The action related to a secured lending transaction and subsequent refinancing arrangement in which the Defendants participated. On October 13, 2009, the Bankruptcy Court ruled in favor of the plaintiffs and ordered the Defendants to disgorge the principal, interest, and fees they received in connection with the refinancing arrangement. In addition, the Court ordered the defendants to pay simple interest on the disgorged amount at an annual rate of 9%. The US Supreme Court case was heard on January 14, 2015, and the Parties are waiting the decision. Based on the ruling, Crusader Master and Highland Offshore Partners recorded a combined reserve of approximately \$12.3 million as of December 31, 2014, which represents its ratable share of the judgment.

On July 8, 2009, one investor filed suit against Highland Credit Strategies Fund, LP, the Partnership, and other affiliated entities (collectively, the "Defendants"). The lawsuit alleges that the Defendants misrepresented the amount of redemptions in Credit Strategies Master. The Defendants intend to vigorously defend against the lawsuit. Accordingly, Highland Credit Strategies Fund, LP has recorded a reserve of approximately \$11.3 million, which is recorded in the Consolidated Balance Sheet.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

On January 31, 2011, one investor filed suit against Highland Credit Strategies Fund, LP, the Partnership, and other affiliated entities (collectively, the "Defendants"). The lawsuit alleges that the Defendants made misrepresentations and omissions relating to the level of the amount of redemptions in Credit Strategies Master. Effective March 28, 2014, Credit Strategies settled the ongoing litigation for \$1.5 million. Cash was paid on April 11, 2014 and an Agreed Order of Dismissal was filed seven days later dismissing all claims asserted or that could have been asserted in the lawsuit against the Fund. The settlement resulted in a gain of \$1.0 million for the year ended December 31, 2014, and is recognized as a reduction to legal expense on the Consolidated financial statements.

In April 2007, CDO Master Fund entered into a risk sharing agreement with UBS Securities LLC and UBS AG, London Branch (collectively, "UBS" or "UBS Plaintiffs") structured as a derivative whereby it absorbed 51% of the gains and losses generated from a loan warehouse agreement. The remaining 49% of the warehouse gains and losses were absorbed by Highland Special Opportunities Holding Company ("SOHC"). The warehouse was financed by UBS and held collateral consisting of investments in collateralized loan obligations and credit default swaps. Although the agreement expired on August 15, 2007, UBS agreed to extend it for one year on March 15, 2008. Due to liquidity constraints, CDO Master Fund was unable to meet a November margin call, and UBS elected to terminate the agreement as of December 5, 2008. The collateral held in the warehouse was subsequently seized by UBS and sold on the open market through bid-wanted-in competition. After offsetting the proceeds received from the sale and the income earned on the collateral prior to the sale, UBS notified CDO Master Fund that its pro-rata share of the losses incurred under the agreement was \$350.2 million. CDO Master Fund has accrued a liability in its financial statements for this amount.

On February 24, 2009, the UBS Plaintiffs filed a lawsuit against CDO Master Fund, SOHC and the Partnership in the New York State Supreme Court of Manhattan alleging that they suffered losses in excess of \$745 million due to the depreciation in value of the warehouse collateral. On February 19, 2010, the First Appellate Division sided with the Partnership and dismissed UBS' claims against the Partnership. Thereafter on June 22, 2010, the UBS Plaintiffs filed an amended complaint with the Court against the Partnership alleging \$687 million in damages. On March 13, 2012, the First Appellate Division dismissed two of the four claims against the Partnership, and severely limited the scope of the two remaining claims.

In the June 22, 2010 amended complaint, the UBS Plaintiffs also asserted claims against Highland Credit Strategies Fund, LP, Highland Multi Strategy Credit Fund, LP, Crusader Master, and certain of their affiliates (collectively, the "Additional Fund Defendants"). The UBS Plaintiffs seek to unwind alleged fraudulent transfers involving the Additional Fund Defendants. Although the UBS Plaintiffs have not pled a specific damages amount against the Additional Fund Defendants, any eventual damages award would be subject to pre-judgment interest of 9% (accrued as of December 3, 2008) as well as post-judgment interest of 9% (accrued as of the date a judgment, if any, is entered against the Additional Fund Defendants). Each of the Additional Fund Defendants filed a separate motion to dismiss, each of which was denied. In addition, the Additional Fund Defendants filed a motion for summary judgment, which was heard by the Court on February 14, 2014. On March 11, 2014, the First Appellate Division heard each of the Additional Fund Defendants' respective appeals of the Court's denials of their respective motions to dismiss.

Discovery is completed, but the matter is stayed pending the outcome of the interlocutory appeals. A trial date has not yet been set. Though the Defendants continue to vigorously defend against the UBS Plaintiffs' claims, at this time, the General Partners are unable to provide a reasonably probable estimate of the expected outcome.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

On July 16, 2013, Credit Suisse Securities (USA), LLC ("Credit Suisse") filed suit against the Highland Credit Strategies Fund, LP, Highland Multi Strategy Credit Fund, LP, and other affiliates (the "Credit Suisse Defendants"). Credit Suisse's claims relate to several outstanding trades of debt tranches of Goldfield Ranch Reality Holdings, LLC and Westgate Investments, LLC. On May 5, 2014, Credit Suisse moved for summary judgment on both the principal amount and statutory pre-judgment interest. The Court granted the motion on August 6, 2014, and issued judgment on September 11, 2014 in the amount of \$25.5 million in principal, plus \$13.5 million in interest, for a total of \$39.0 million. The Funds have previously reserved for the principal amount, and now has reserved for the interest amount. Interest continues to accrue based on the New York statutory rate. As of December 31, 2014, an additional \$1.2 million in interest has been accrued, for a total of \$14.7 million. The full amount of interest and principal is recognized on the consolidated financial statements. The Funds will appeal the application of a statutory pre-judgment interest rate as opposed to the contract rate of interest.

In April 2012, the Partnership filed suit against a former employee for breach of contract, defamation and theft of trade secrets. The former employee filed a counterclaim with numerous, unrelated allegations. The partnership refuted each allegation in detail. The former employee seeks unspecified damages against the Partnership and certain affiliates. On February 6, 2014, the jury found the former employee breached his fiduciary duty to the Partnership. The jury found that neither the Partnership nor any of its employees had breached any duty, and awarded \$2.8 million to the Partnership. The jury also found that the Partnership's consolidated entity Highland Employee Retention Assets, LLC ("HERA") owed \$2.6 million related to an employee retention plan. The court entered judgment on the verdict on July 11, 2014. The former employee has filed his appeal against the Partnership and HERA has filed its appeal against the judgment amount.

14. Fund Wind Down

On February 4, 2009, the Partnership informed investors of CDO Master that the fund was effectively insolvent and that it was in the best interest of the fund to liquidate the fund's remaining assets. The proceeds from the asset liquidations will be distributed to the remaining financing counterparties and other senior and trade creditors as the liabilities in the fund exceed the assets to such a degree that proceeds from the asset sales will not be able to satisfy any unpaid redemptions or to distribute amounts to any current investors.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

During 2008, Crusader Master and Credit Strategies Master were negatively affected by deteriorating conditions in the overall economy and credit markets. These conditions became more severe during the third and fourth quarters of 2008 and generated significant losses on various derivative transactions and repurchase agreements to which Crusader Master and Credit Strategies Master were parties. In addition, certain assets that Crusader Master and Credit Strategies Master purchased on margin through prime brokerage agreements experienced a significant decline in value. In certain cases, Crusader Master and Credit Strategies Master were unable to post the collateral required to secure these losses, and the counterparties provided notice of their intent to terminate the agreements. As a result, access to the credit that Crusader Master and Credit Strategies Master used to manage its investing and financing activities became highly constrained, and in some cases unavailable. In light of these circumstances, the General Partners (the general partner of Highland Crusader Fund, L.P. and the general partner of Highland Credit Strategies Fund, L.P.) and the Board of Directors of Highland Credit Strategies Fund, Ltd. and Highland Crusader Fund, Ltd. concluded, in consultation with the Investment Manager, that it would be in the best interests of their investors to wind down the investment portfolios of Credit Strategies Master and Crusader Master. On October 15, 2008, the Investment Manager notified investors that it would begin the wind-down process. The Investment Manager also restricted subscriptions and the payment of withdrawals to its feeder funds effective the same date.

In connection with the wind down, the limited partner interests of the Feeder Funds of Credit Strategies and Crusader were compulsorily withdrawn/redeemed on October 15, 2008 and November 15, 2008, respectively, in accordance with the terms of the governing documents.

Crusader Master

On July 15, 2011, the Supreme Court of Bermuda Commercial Court sanctioned a Scheme of Arrangement (the "Scheme") that facilitates the winding-down of the investments of Crusader Master and the distribution of its assets. A substantial majority of the investors in its feeder funds consented to the plan of distribution as outlined in the Scheme. The Scheme became effective as of August 1, 2011 (the "Effective Date").

The Scheme establishes two classes of claims; those feeder fund investors who had timely submitted withdrawal/redemption requests for withdrawal/redemption dates that fell on or before June 30, 2008 and who had not received full payment ("Prior Redeemers"), and those feeder fund investors that had not timely submitted such withdrawal/redemption requests for redemption/withdrawal dates that fell on or before June 30, 2008 ("Compulsory Redeemers") (together "Redeemers"). The basis for ratable distribution amongst both classes of Redeemers was the November 15, 2008 balances of said Redeemers ("Redemption Amount"), adjusted to add back any redemption penalties assessed against Prior Redeemers during 2008. A realization schedule for distributions is set forth in Appendix A of the Scheme (the "Realization Schedule"). The terms of the Scheme are outlined as follows:

1. Prior Redeemers shall be entitled to 60% in aggregate of the total distributions made by the Master Partnership constituting excess cash (the "Crusader Fund Prior Redeemers' Distribution"). Each Prior Redeemer shall be entitled to their pro rata share of the Crusader Fund Prior Redeemers' Distribution based on the Prior Redeemer's Redemption Amount relative to the total of all Prior Redeemers' Redemption Amounts (inclusive of all feeders).

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

2. Compulsory Redeemers shall be entitled to 40% in aggregate of the total distributions made by the Master Partnership constituting excess cash (the "Crusader Fund Compulsory Redeemers' Distribution"). With the exception of the non-consenting Compulsory Redeemers discussed below, each Compulsory Redeemer shall be entitled to their pro rata share of the Crusader Fund Compulsory Redeemers' Distribution based on the Compulsory Redeemer's Redemption Amount relative to the total of all Compulsory Redeemers' Redemption Amounts (inclusive of all feeders).

In the event the Investment Manager fails to make distributions in accordance with the Realization Schedule for two consecutive quarters without receiving a waiver from the committee of Redeemers appointed to help oversee the Scheme (the "Redeemer Committee"), the Investment Manager can be removed for cause as the Investment Manager of the Master Partnership by the Redeemer Committee.

Crusader Redeemer Trust Account

Effective July 15, 2011, a trust account was set-up and funded for the benefit of Compulsory Redeemers who had consented to the Scheme and Prior Redeemers (the "Redeemer Trust Account"). The portion of amounts in excess of the Redemption Amounts otherwise attributable to non-consenting Compulsory Redeemers was contributed to the Redeemer Trust Account and not distributed to non-consenting Compulsory Redeemers. Amounts in the Redeemer Trust Account are reserved and used to pay all costs of Crusader Master to defend, respond to, settle and satisfy any claims by Redeemers other than for their Scheme claim.

The non-consenting Compulsory Redeemers do not receive any allocation of profit and loss; the portion of profit and loss that would otherwise be allocated to their accounts is instead allocated to the Redeemer Trust Account. The Redeemer Trust Account is accounted for as a component of equity in the Crusader Onshore Feeder Fund. Within the earlier of 30 days after all redeemer claims have been resolved or dismissed with prejudice or the sixth anniversary of the effective date, any amounts remaining in the Redeemer Trust Account shall be distributed 100% to consenting Compulsory Redeemers pro rata based on their relative Redemption Amounts.

Crusader Deferred Fee Account

In accordance with the Scheme, the "Deferred Fee Account" was established on the Effective Date by allocating the right for owners of existing deferred fees to potentially receive payment in respect of deferred fees equal to \$10 million.

In the event that Crusader Master makes aggregate distributions of at least \$1.7 billion prior to the forty-third month following the effective date, the Partnership shall be entitled to receive payment in respect of the Deferred Fee Account.

In the event that the Master Partnership does not make aggregate distributions of at least \$1.7 billion prior to the forty-third month following the effective date, then the Partnership will cause the Feeder Funds to distribute the right to receive payment 100% to consenting Compulsory Redeemers (pro rata based on their relative Redemption Amounts). The Deferred Fee Account will continue to be allocated its pro rata portion of profit and loss.

Crusader Wind Down Progress

Crusader Master distributed approximately \$205.3 million to the Feeder Funds in accordance with the Scheme for the year ended December 31, 2014. Since the Scheme's effective date, approximately \$1,351.2 million has either been distributed to the Feeder Funds for purposes of disbursement, or withheld and specially allocated for tax payments.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

As of December 31, 2014, the estimated value of the partners' capital of Crusader Master was approximately \$457.3 million. The actual amounts that will be distributed upon completion of the wind down process are inherently uncertain and may differ materially from the partners' capital as of December 31, 2014. Capital will be distributed as it becomes available in accordance with the Scheme.

Credit Strategies Master

To facilitate the winding-down of the investments in Credit Strategies Master, a Plan of Distribution (the "Plan") was also adopted by Credit Strategies Master and its feeder funds and was consented to by a substantial majority of the investors in its feeder funds. On April 14, 2011, the Supreme Court of Bermuda Commercial Court sanctioned a Scheme of Arrangement (the "Scheme") that incorporates the terms of the Plan so as to be binding upon Highland Credit Strategies Fund, Ltd. and its investors. The Scheme became effective on May 1, 2011. The Plan established two classes of claims; those investors of the Feeder Funds whose withdrawals/redemptions became effective on or before September 30, 2008 and who have not received full payment of their redemption amount ("Prior Redeemers") and those investors of the feeder funds who were compulsorily withdrawn/redeemed on October 15, 2008 ("Compulsory Redeemers").

As investments in Credit Strategies Master are realized, distributions will be made in the following order, which summarizes the terms outlined in the Plan:

1. Payments for fund expenses
2. The first \$30 million available for distribution ratably to Prior Redeemers
3. The next approximately \$5.3 million available for distribution ratably to consenting Compulsory Redeemers and a trust account established for the benefit of non-consenting Compulsory Redeemers ("Redeemer Trust Account")
4. All remaining funds will be distributed as follows:
 - a. 85% ratably to Prior Redeemers
 - b. 15% to consenting Compulsory Redeemers and the Redeemer Trust Account

This method of distribution results in a shift of capital from the Prior Redeemers to the consenting Compulsory Redeemers and the Redeemer Trust Account. It also created a shift of capital from its offshore feeder to its onshore feeder, since there was a greater proportion of Compulsory Redeemers to Prior Redeemers in the onshore feeder than in the offshore feeder.

Credit Strategies Redeemer Trust Account

The Redeemer Trust Account is used to pay for litigation costs involving the non-consenting Compulsory Redeemers. The Plan outlines which expenses related to litigation ("Covered Claims") will be paid using funds from the Redeemer Trust Account, and any litigation will continue to be assessed under an ASC 450 (Contingencies) model. Any remaining funds in the Redeemer Trust Account that are not used for expenses related to Covered Claims by the "Trust Account Final Distribution Date" (defined as 30 days after all Covered Claims have been resolved, or the sixth anniversary of the effective date, whichever is earlier) will be distributed to consenting Compulsory Redeemers.

The Redeemer Trust Account is treated as a component of equity. It is allocated its share of profit and loss and existing capital as outlined above, and any expenses related to Covered Claims will decrease the account in the period in which the expenses are incurred.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2014

Credit Strategies Contribution Trust Account

In accordance with the Plan and in exchange for certain releases, a trust account (the "Contribution Trust Account") was established and initially funded on the effective date with \$3.0 million contributed by the Partnership. The Partnership also paid an additional \$6.0 million on April 25, 2014, approximately the third anniversary of the effective date of the Plan. This \$6.0 million was recognized as a subscription into Credit Strategies Master during the year ended December 31, 2014.

The Contribution Trust Account will be used to pay for expenses related to Covered Claims to the extent that the Redeemer Trust Account is insufficient to pay such expenses. Within 30 days after all Covered Claims have been resolved or dismissed with prejudice, or the sixth anniversary of the effective date, provided that no suits asserting Covered Claims are then pending, whichever is earlier, any remaining balance in the Contribution Trust Account will be distributed 85% to consenting Compulsory Redeemers and 15% to consenting Prior Redeemers.

Similar to the Redeemer Trust Account, the Contribution Trust Account is treated as a separate component of equity. Additionally, the initial payment of the \$3.0 million was treated as a contribution to the Master Partnership. However, the Contribution Trust Account does not receive an allocation of profit and loss. The only changes to the account will occur when contributions are made or expenses related to Covered Claims are paid.

15. Subsequent Events.

On January 26, 2015, the Partnership issued a promissory note to HCRE in the amount of \$1.5 million. The note accrues interest at a rate of 9.0%.

On January 29, 2015, the Partnership issued a promissory note to NexPoint in the amount of \$3.1 million. The note accrues interest at a rate of 6.0%.

The Partnership has performed an evaluation of subsequent events through May 21, 2015, which is the date the consolidated financial statements were available to be issued, and has determined that there are no other material subsequent events that would require disclosure in the Partnership's consolidated financial statements.

Independent Auditor's Report

To the General Partner of Highland Capital Management, L.P.

We have audited the accompanying consolidated financial statements of Highland Capital Management, L.P. and its subsidiaries (collectively, the "Partnership"), which comprise the consolidated balance sheet as of December 31, 2015, and the related consolidated statements of income, of changes in partners' capital and of cash flows for the year then ended.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Partnership's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Highland Capital Management, L.P. and its subsidiaries as of December 31, 2015, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The Supplemental Consolidating Balance Sheet, the Supplemental Consolidating Statement of Income, the Supplemental Unconsolidated Balance Sheet and the Supplemental Unconsolidated Statement of Income are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment adviser under the Investment Advisers Act of 1940 that manages collateralized loan obligations ("CLOs"), hedge funds, private equity funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is owned by an unaffiliated trust as well as affiliated trusts and personal holdings of the senior management of the Partnership.

As of December 31, 2015, the Partnership provided investment advisory services for twenty-nine CLOs, seven separate accounts, one registered investment company, one master limited partnership, and sixteen hedge fund or private equity structures, with total fee-earning assets under management of approximately \$9.5 billion.

2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries, which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions of the entity, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions of the entity, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs' expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Consolidation of Non-Variable Interest Entities

The Partnership consolidates the following non-VIEs (along with majority owned funds: Highland Diversified Credit Fund, L.P., Highland Capital Healthcare Partners Master, LP, Highland Select Equity Fund, L.P., Highland Equity Partners, L.P., Highland Merger Arbitrage Fund, L.P., and Highland Equity Focus Fund, L.P., collectively the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

- Highland Crusader Offshore Partners, L.P. ("Crusader Master"), a Bermuda exempted limited partnership that commenced operations on July 10, 2000;
- Highland CDO Opportunity Master Fund, L.P. ("CDO Master Fund"), a Bermuda limited partnership that commenced operations on November 9, 2005;
- Highland Credit Strategies Master Fund, L.P. ("Credit Strategies Master"), a Bermuda exempted limited partnership that commenced operations on August 24, 2005;
- Highland Multi Strategy Credit Fund, L.P. ("Multi Strategy Master"), formerly Highland Credit Opportunities CDO, L.P., a Delaware limited partnership that commenced operations on December 29, 2005 and changed its name on August 26, 2014;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Canopy Timberlands, L.P., a Delaware limited partnership that commenced operations on April 29, 2008;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore"), a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore"), a Delaware limited partnership that commenced operations on September 2, 2008;
- BB Votorantim, Highland Infrastructure LLC ("BB Votorantim"), a Delaware limited liability company which began operations on May 29, 2014; and

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in HFP GP, LLC, a Delaware limited liability company that commenced operations on January 20, 2006;
- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

- 100% interest in Highland Capital Management (Singapore) Pte, Ltd, a company organized in the Republic of Singapore that commenced operations on April 2, 2008;
- 100% interest in Highland Capital Management Korea, Ltd., a company organized in the Republic of Korea that commenced operations on August 2, 2012;
- 100% interest in HE Capital, LLC., a Delaware limited liability company that was formed on March 22, 2007;
- 100% interest in De Kooning, Ltd, a Cayman company that was formed on December 1, 2012;
- 100% interest in Hirst, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Hockney, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Oldenburg, Ltd., a Cayman company that was formed on December 1, 2012;
- 99.9% interest in Penant Management, LP., a Delaware limited partnership that was formed on December 12, 2012;
- 100% interest in Semence, LLC, a Delaware limited liability company that was formed on December 16, 2013;
- 100% interest in SK Shareholder Services, LLC, a Delaware limited liability company that was formed on October 24, 2013;
- 100% interest in Pollack, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Warhol, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in HCREf-I Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREf-X Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREf-XI Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREf-XII Holding Corp., a Delaware company that was formed on December 13, 2012;
- 80% interest in Highland Employee Retention Assets ("HERA"), LLC, a Delaware limited liability company that was formed on October 26th, 2009;
- 100% interest in Highland Diversified Credit Fund, LP ("Highland Offshore Partners"), a Delaware limited partnership which began operations on February 29, 2000 and was organized for the sole purpose of investing substantially all of its assets in Highland Offshore Partners, L.P.;

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

- 99.6% interest in Highland Select Equity Fund, LP, a Delaware limited partnership which began operations on January 1, 2002 and was organized for the purpose of investing and trading in large and small cap stocks that trade for less than intrinsic value
- 100% interest in Highland Equity Partners, LP, a Delaware limited partnership which began operations on August 1, 2013 and was organized for the purpose of investing with long-term perspective in a concentrated portfolio of stocks;
- 99.6% interest in Highland Equity Focus Fund, LP, a Delaware limited partnership which began operations on September 1, 2002 and was organized for the purpose of investing and trading in large and small cap stocks that trade for less than intrinsic value;
- 50.87% interest in Highland Capital Healthcare Partners Master, LP ("Healthcare Master"), a Cayman limited partnership which began operations on February 1, 2011 and was organized for the purpose of achieving appreciation of its assets through the investment and trading of securities, primarily by investing with a long-term perspective in a concentrated portfolio of stocks primarily in the healthcare industry;
- 100% interest in HCM Holdco, LLC, a Delaware limited liability company formed on October 27th, 2015;
- 100% interest in Heimskringla, LLC, a Nevada limited liability company formed on November 9th, 2015;
- 100% interest in Highland Merger Arbitrage Fund, LP, a Delaware limited partnership which began operations on October 16, 2014; and
- 95% interest in Estates on Maryland Holdco, LLC ("Estates on Maryland"), a Delaware limited liability company which began operations on July 24, 2015 and was organized for the purpose of owning, operating and managing real estate

All inter-partnership and intercompany accounts and transactions involving the above listed consolidated entities ("Consolidated Entities") have been eliminated in all of the aforementioned consolidating schedules. All the Consolidated Investment Funds are, for U.S. GAAP purposes, investment companies under the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide - Investment Companies. The Partnership has retained the specialized accounting of these funds required under U.S. GAAP.

Due to the deconsolidation of certain investment funds, some prior year balances referenced within the following notes to the consolidated financial statements may not tie to prior year issued financial statements.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

The following table includes a rollforward of noncontrolling interests from December 31, 2014, to December 31, 2015.

(in thousands)

Noncontrolling interest, December 31, 2014	<u>\$ 621,306</u>
Net loss attributable to noncontrolling interest	(104,780)
Noncontrolling partner contributions	500
Noncontrolling partner distributions	(7,798)
Noncontrolling interest of newly consolidated entities	8,125
Noncontrolling interest, December 31, 2015	<u>\$ 517,353</u>

Investment Transactions

Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

See Note 5 for the Partnership's fair value process and hierarchy disclosures.

Management and Incentive Fee Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2015, the Partnership and its Consolidated Entities recognized management fees of approximately \$54.6 million. The Partnership recognized approximately \$0.1 million of depreciation on incentive fees earned prior to 2008, previously deferred under Sec. 409(A) of the Internal Revenue Code, which has been presented in *Other Income* in the Consolidated Statement of Income.

Shared Services Revenue

The Partnership recognizes revenue as earned in connection with services provided to related parties under various shared services agreements. Under these agreements, the Partnership earns fees for services including, but not limited to, back office support functions, marketing, and investment advisory services. During the year ended December 31, 2015, the Partnership and its Consolidated Entities recognized shared services revenue of approximately \$12.4 million, which has been presented in *Other Income* in the Consolidated Statement of Income. See further discussion in Note 8.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Income and Expense Recognition

Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums associated with purchases of investments are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis over the life of the investment. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. See further discussion in Note 14.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Cash equivalents are carried at cost, which approximates market value. At December 31, 2015, the Partnership and Consolidated Entities held cash balances at certain financial institutions in excess of the federally insured limit of \$0.3 million. The Partnership and Consolidated Entities regularly monitor the credit quality of these institutions.

Restricted Cash

The Partnership and its subsidiaries are required to maintain cash balances as collateral for various financing and derivative transactions. These amounts are reported as restricted cash on the Consolidated Balance Sheet.

Notes Receivable

Notes receivable consists of secured promissory notes with maturities greater than one year. When available, the Partnership uses observable market data, including pricing on recent closed transactions to value notes. When appropriate, these notes may be valued using collateral values. Adjustments to the value may be performed in circumstances where attributes specific to the collateral exist suggesting impairment.

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

December 31, 2015

Due to/from Brokers

Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Partnership's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand.

Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender. A gain (which cannot exceed the price at which the Consolidated Investment Funds sold the security short) or a loss (which theoretically could be unlimited in size) will be settled upon termination of a short sale.

Options Contracts

The Partnership and the Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership or the Consolidated Entities purchase (write) an option, an amount equal to the premium paid (received) by the entity is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the Partnership or the Consolidated Entities enter into a closing transaction), the entity realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership or the Consolidated Entities purchasing a security at a price different from the current market value.

The Partnership and the Consolidated Entities are exposed to counterparty risk from the potential that a seller of an option contract does not sell or purchase the underlying asset as agreed under the terms of the option contract. The maximum risk of loss from counterparty risk to the Partnership and the Consolidated Entities is the greater of the fair value of its open option contracts or the premiums paid to purchase the open option contracts. The Partnership and the Consolidated Entities consider the credit risk of the intermediary counterparties to its option transactions in evaluating potential credit risk.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Margin Transactions

To obtain more investable cash, the Consolidated Entities may use various forms of leverage including purchasing securities on margin. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2015. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. At December 31, 2015, the Consolidated Investment Funds had withdrawals payable of \$78.7 million.

Foreign Currency Transactions

The Partnership's subsidiary HCM Singapore uses Singapore dollars as their functional currency. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2015. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the Consolidated Statement of Income.

The Consolidated Entities do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments* on the Consolidated Statement of Income.

Life Settlement Contracts

One of the Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are recorded as a component of "Investments at fair value" on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of *Purchase of investments* and *Proceeds from dispositions of investments* on the Consolidated Statement of Cash Flows.

Financing

The Partnership and its Consolidated Entities may finance the acquisition of its investments in securities and loans through financing arrangements. The Partnership and its Consolidated Entities recognize interest expense on all borrowings on the accrual basis in the Consolidated Statement of Income.

Financial Instruments

The Partnership and its Consolidated Entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable and accrued liabilities approximate their fair values because of their short maturities.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Recently Issued Accounting Standards and Interpretations

In February 2015, the FASB issued ASU 2015-02 "ASC Topic 810, Consolidation." ASU 2015-02 modifies the evaluation of whether limited partnerships and similar legal entities are variable interest entities or voting interest entities, eliminates the presumption that a general partner should consolidate a limited partnership, affects the consolidation analysis of reporting entities that are involved with VIEs, and provides other updates on guidance regarding consolidation. ASU 2015-02 is effective for fiscal years beginning after December 15, 2016. Management is evaluating the impact of ASU 2015-02 on the Partnership's financial statements.

3. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2015:

(in thousands)

Land	\$	5,080
Leasehold improvements		7,192
Buildings		36,890
Building improvements		580
Furniture and fixtures		3,035
Computer and equipment		2,338
Computer software		278
Accumulated depreciation		(7,683)
	\$	<u>47,710</u>

The Partnership and its Consolidated Entities are depreciating fixed assets as follows:

	<u>Period</u>
Land	Not depreciated
Leasehold improvements	Lease term
Buildings	29 - 40 years
Building improvements	15 years
Furniture and fixtures	7 years
Computer and equipment	3 - 5 years
Computer software	3 years

Depreciation expense in 2015 totaled approximately \$1.9 million for the Partnership and its subsidiaries.

4. Investments

Detailed below is a summary of the Partnership and its Consolidated Entities' investments at December 31, 2015:

(in thousands)

	Amortized Cost/Cost	Fair Value
Common equity securities	\$ 708,716	\$ 762,119
Limited partnership interests	149,460	197,154
Asset-backed securities	231,177	151,777
Life settlement contracts	437,942	147,973
Floating rate syndicated bank loans	216,938	113,785
Preferred equity	17,278	84,843
LLC interests	132,257	33,739
Closed-end mutual funds	2,329	49,500
Options contracts	15,034	9,058
Rights & warrants	50,740	8,642
Corporate bonds	203,932	3,737
American depositary receipts	226	226
Total investments	<u>\$ 2,166,029</u>	<u>\$ 1,562,553</u>
	Proceeds	Fair Value
Securities sold, not yet purchased	<u>\$ (195,298)</u>	<u>\$ (198,605)</u>

5. Fair Value of Financial Instruments

Fair Value Measurement

U.S. GAAP defines fair value as the price an entity would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants as of the measurement date. The standard requires fair value measurement techniques to reflect the assumptions market participants would use in pricing an asset or liability and, where possible, to maximize the use of observable inputs and minimize the use of unobservable inputs. It also establishes the following hierarchy that prioritizes the valuation inputs into three broad levels:

- Level 1 – Valuation based on unadjusted quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Entities have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.
- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active that are reflective of recent market transactions; or (c) models in which all significant inputs are observable, either directly or indirectly.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Entities use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being reclassified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates. Whenever possible, the Partnership and its Consolidated Entities use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Entities develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

The Partnership has established policies, as described above, processes and procedures to ensure that valuation methodologies for investments and financial instruments that are categorized within all levels of the fair value hierarchy are fair and consistent. A Pricing Committee has been established to provide oversight of the valuation policies, processes and procedures, and is comprised of various personnel from the Partnership. The Pricing Committee meets monthly to review the proposed valuations for investments and financial instruments. The Pricing Committee is responsible for establishing the valuation policies and evaluating the overall fairness and consistent application of those policies.

As of December 31, 2015, the Partnership and its Consolidated Entities' investments consisted primarily of common equity securities, limited partnership interests, asset-backed securities, life settlement contracts, floating rate syndicated bank loans, preferred equity, LLC interests, closed-end mutual funds, option contracts, rights and warrants, corporate bonds, and American depository receipts. In addition, the Consolidated Entities engage in short sale transactions. The majority of these financial instruments are not listed on national securities exchanges and management is required to use significant judgment to estimate their values.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Equity Investments

Publicly traded equities are valued at the closing price at the date of the financial statements. The fair value of equity investments that are not traded on national exchanges or through real-time quotation services are derived from methodologies that provide appropriate fair value estimates. Equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. The Consolidated Entities also holds a number of private equity investments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Consolidated Entities will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Consolidated Entities determine comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publicly available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Consolidated Entities to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances.

Debt Securities

The Partnership and Consolidated Entities invest in various types of debt, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Partnership and Consolidated Entities first seek to obtain reliable market quotes from other parties dealing in the specific asset. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Loans and bonds that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Absent both a reliable market quote and third-party pricing service date, the Partnership and Consolidated Entities may use various models to establish an estimated exit price. These investments are classified as Level 3 assets. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

Asset-Backed Securities

The Consolidated Entities invest in a variety of asset-backed securities. Asset-backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Entities generally utilize an independent third party firm to perform these calculations and provide the relevant inputs. The Consolidated Entities evaluate the results based on visible

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

market activity and market research. When appropriate, the Consolidated Entities may apply other techniques based on a specific asset's characteristics. Asset-backed securities with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Asset-backed securities that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Private Equity Investments

The Partnership and Consolidated Entities hold private equity investments which resulted from the restructuring of other instruments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Partnership and Consolidated Entities will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publicly available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances. Private equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Private equity investments that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

The Consolidated Entities also invest in warrant securities of publicly-traded companies. The fair value of these investments is based on an option pricing model. The option model bases warrant value on a number of factors including underlying equity price as of the valuation date, strike price, exercise date, time to expiration and volatility. Warrant investments that have observable volatility are classified as Level 2 assets. Warrant investments where volatility inputs are not observable are valued using an estimated volatility input, and are classified as Level 3 assets.

Life Settlement Contracts

Life Settlement contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. Management generally utilizes an independent third party firm to perform these calculations and provide the relevant inputs. Management evaluates the results based on visible market activity and market research. Since these inputs are not readily observable, these contracts are classified as Level 3 assets.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

At December 31, 2015, the Consolidated Entities' investments in life settlement contracts consisted of the following:

(U.S. dollars in thousands, except number of policies)

Remaining Life Expectancy (in years)	Number of Policies	Face Value	Fair Value
2-3	6	\$ 30,000	\$ 12,617
3-4	4	25,750	10,790
4-5	10	62,000	16,854
Thereafter	94	963,918	107,712
Total	114	\$ 1,081,668	\$ 147,973

Limited Partnership Interests

The Partnership and its Consolidated Entities hold limited partnership interests in various entities. These assets are valued as the net asset value of the limited partnership interests because the entities utilize fair value accounting for their own financial statements. These interests are classified as Level 3 assets.

Options Contracts

The Partnership and its Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership and its Consolidated Entities purchase (writes) an option, an amount equal to the premium paid (received) by the purchaser is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the purchaser enters into a closing transaction), the purchaser realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership and its Consolidated Entities purchasing a security at a price different from the current market value.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. A majority of the Consolidated Entities investments and derivatives at December 31, 2015 are classified as Level 3 positions due to the absence of active markets with quoted prices for identical or similar investments. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2015:

(in thousands)

Assets	Level 1	Level 2	Level 3	Total Fair Value at 12/31/15
Common equity securities	\$ 273,431	\$ 292,688	\$ 196,002	\$ 762,121
Limited partnership interests	-	-	197,154	197,154
Asset-backed securities	-	144,167	7,610	151,777
Life settlement contracts	-	-	147,973	147,973
Floating rate syndicated bank loans	-	10,646	103,138	113,784
Preferred equity	60,433	20,004	4,405	84,842
LLC interests	-	5,794	27,945	33,739
Closed-end mutual funds	49,500	-	-	49,500
Options	9,058	-	-	9,058
Rights & warrants	198	579	7,865	8,642
Corporate bonds	363	3,374	-	3,737
American depository receipts	226	-	-	226
Total	\$ 393,209	\$ 477,252	\$ 692,092	\$ 1,562,553
Liabilities				
Common stock & Options sold short	\$ 198,605	\$ -	-	\$ 198,605

The classification of a financial instrument within Level 3 is based on the significance of the unobservable inputs to the overall fair value measurement. The following table provides a roll forward of the investments classified within Level 3 for the year ended December 31, 2015:

(in thousands)

	Total Fair Value at December 31, 2014	Purchases	Sales and Maturities	Transfers Into Level 3	Transfers Out of Level 3	Net Realized Gains / (Losses)	Net Unrealized Gains / (Losses)	Total Fair Value at December 31, 2015
Common equity securities	\$ 220,466	\$ 2	\$ (17,125)	\$ 14,605	\$ (13,041)	\$ 7,161	\$ (16,066)	\$ 196,002
Limited partnership interests	205,900	1,043	(3,896)	-	(3,974)	129	(2,048)	197,154
Life settlement contracts	114,640	41,422	(32,149)	-	-	10,203	13,857	147,973
Floating rate syndicated bank loans	111,850	4,205	(7,381)	1,043	(7,256)	159	518	103,138
LLC interests	22,551	1,685	(80)	1,918	-	-	1,871	27,945
Rights & warrants	5,962	-	-	-	-	-	1,903	7,865
Asset-backed securities	9,227	-	(502)	16	-	-	(1,131)	7,610
Preferred equity	7,030	-	-	-	-	-	(2,625)	4,405
Corporate bonds	77	-	-	-	-	-	(77)	-
	\$ 697,703	\$ 48,357	\$ (61,133)	\$ 17,582	\$ (24,271)	\$ 17,652	\$ (3,798)	\$ 692,092

Transfers from Level 2 to Level 3 or from Level 3 to Level 2 are due to changes in observable pricing inputs as compared to the prior year. No significant transfers between Level 1 or Level 2 fair value measurements occurred during the year ended December 31, 2015.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

All net realized and unrealized gains and losses in the tables above are reflected in the accompanying Consolidated Income Statement. Approximately \$8.9 million of the net unrealized gains presented in the table above relate to investments held as of December 31, 2015.

Transfers out of Level 3 are recognized at the beginning of the period. The transfers out of Level 3 at December 31, 2015 were due to increases in market activity (e.g. frequency of trades) or the availability of a market clearing broker quote.

The following page includes a summary of significant unobservable inputs used in the fair valuations of assets and liabilities categorized within Level 3 of the fair value hierarchy.

(Ending balance in thousands)

Category	Ending Balance at 12/31/2015	Valuation Technique	Unobservable Inputs	Input Value(s)

Total	\$ 692,092			

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

6. Securities Sold under Agreements to Repurchase

Transactions involving securities sold under agreements to repurchase are treated as collateralized financial transactions, and are recorded at their fair market values. In addition, interest earned on the securities is included in interest receivable, and interest accrued on amounts borrowed is included in interest payable. For the year ended December 31, 2015, Multi Strategy Master expensed approximately \$0.7 million for interest charged on the amounts borrowed for repurchase agreements.

In connection with transactions in agreements to repurchase, it is Multi Strategy Master's policy that its counterparty take possession of the underlying collateral securities, the fair value of which exceeds the principal amount of the agreements to repurchase, including accrued interest, at all times. If the counterparty defaults under agreements to resell, and the fair value of the collateral declines, the realization of the collateral by Multi Strategy Master may be delayed or limited.

To reduce counterparty credit risk with respect to repurchase agreements, Multi Strategy Master has entered into a master repurchase agreement, which allows Multi Strategy Master to make (or to have an entitlement to receive) a single net payment in the event of default (close-out netting) for outstanding payables and receivables with respect to repurchase agreements with the counterparty.

The master repurchase agreement includes credit related contingent features which allow the counterparty to terminate the agreement prior to maturity in the event Multi Strategy Master's net assets decline by a stated percentage or Multi Strategy Master fails to meet the terms of the agreement, which would cause the Master Partnership to accelerate payment of any net liability owed to the counterparty.

For financial reporting purposes, Multi Strategy Master does not offset repurchase agreement assets and liabilities that are subject to netting arrangements in the Consolidated Balance Sheet. Bankruptcy or insolvency laws of a particular jurisdiction may impose restrictions on or prohibitions against the right of offset in bankruptcy, insolvency or other events.

Collateral terms are contract specific for repurchase agreements. For repurchase agreements traded under master repurchase agreements, the collateral requirements are typically calculated by netting the mark to market amount for each transaction under such agreement and comparing that to the value of any collateral currently pledged by Multi Strategy Master or the counterparty.

For financial reporting purposes, cash collateral that has been pledged to cover obligations of Multi Strategy Master, if any, is reported in due to/from brokers on the Consolidated Balance Sheet. Generally, the amount of collateral due from or to a party must exceed a minimum transfer amount threshold before a transfer has to be made. To the extent amounts due to Multi Strategy Master from its counterparties are not fully collateralized, contractually or otherwise, Multi Strategy Master bears the risk of loss from counterparty non-performance.

At December 31, 2015, securities with a fair value of approximately \$61.2 million, which are included in investments in securities on the Consolidated Balance Sheet, were pledged to collateralize securities sold under agreements to repurchase.

Highland Capital Management, L.P.

7. Financial Instruments with Concentration of Credit and Other Risks

Financial Instruments

The Partnership and its Consolidated Entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The Consolidated Entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the Consolidated Entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

Market Risk

Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Entities due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Entities' exposure to market risk is affected by a number of macroeconomic factors, such as interest rates, availability of credit, inflation rates, economic uncertainty and changes in laws and regulations. These factors may affect the level and volatility of securities prices and the liquidity of the Partnership and its Consolidated Entities investments. Volatility or illiquidity could impair the Partnership and its Consolidated Entities performance or result in losses. The Partnership and its Consolidated Entities may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets. The performance of life settlement contracts may be adversely impacted by the under estimation of mortality and other rates.

Credit Risk

Credit risk is the potential loss the Partnership and its Consolidated Entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the Consolidated Entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the Consolidated Entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Liquidity Risk

The Consolidated Entities' limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Entities nor their manager expects such a market to develop.

Business Risk

The Partnership provides advisory services to the Consolidated Entities. Consolidated Entities could be materially affected by the liquidity, credit and other events of the Partnership.

High Yield Bonds and Loans

The Partnership and its Consolidated Entities' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Entities' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

When the Partnership and its Consolidated Entities purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Entities have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Entities may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

Debt Obligations

The Partnership and its Consolidated Entities' investment portfolio consists of collateralized loan obligations that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. Because of the inherent uncertainty of these investments, the Partnership's best estimates may differ significantly from values that would have been used had broader market for the investments existed.

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Entities invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Entities' investments. However, the Consolidated Entities' portfolios could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Entities. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Entities to losses that are disproportionate to market movements as a whole.

At December 31, 2015, the Consolidated Entities' investments were predominantly concentrated in the United States and Cayman Islands.

Exit Difficulties

The Partnership and its Consolidated Entities cannot assure investors that it will be able to exit its investments by sale or other disposition at attractive prices, if at all. The mergers and acquisitions and public securities markets are highly cyclical, which means that the Consolidated Entities' investments, even its best performing investments, may be illiquid for extended periods of time despite the Consolidated Entities' efforts to identify attractive exit opportunities. Additionally, a significant portion of the Consolidated Entities' assets at any time will likely consist of debt obligations and other securities that are thinly-traded, for which no market exists and/or are restricted as to their transferability under applicable law and/or documents governing particular transactions of the Consolidated Entities. In some cases, the Consolidated Entities may be unable to realize an investment prior to the date on which the Consolidated Entities are scheduled to terminate and/or have to sell or otherwise dispose of one or more investments on disadvantageous terms as a result of the Consolidated Entities' termination, or distribute such investments in kind.

Custody Risk

The clearing operations for the Partnership and its Consolidated Entities are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Entities' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Entities may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Entities might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Leverage Risk

The Consolidated Entities may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Entities' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Entities. If the value of the Consolidated Entities' securities fall below the margin level required by a counterparty, additional margin deposits would be required. If the Consolidated Entities are unable to satisfy a margin call, the counterparty could liquidate the Consolidated Entities' positions in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Entities to incur significant losses. In addition, to the extent the Consolidated Entities have posted excess collateral for margin

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Entities' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Entities. In addition, because the use of leverage allows the Consolidated Entities to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Entities may lose in the event of adverse price movements is high in relation to the amount of their investment.

In the event of a sudden drop in the value of the Consolidated Entities' assets, the Consolidated Entities may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Entities may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Entities have the ability to apply discretionary margin, haircut, and financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2015, the Consolidated Entities' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

Wind-Down Risk

The ultimate proceeds that certain Consolidated Entities are able to realize on the sale of its investments will directly affect the amounts that the investors in the feeder funds are able to redeem in connection with the wind down process. These amounts may differ materially from the partners' capital balances as of December 31, 2015.

Litigation Risk

The Partnership and its Consolidated Entities are periodically subject to legal actions arising from the ordinary course of business. The ultimate outcome of these cases is inherently uncertain and could result in additional losses to the Partnership and/or its Consolidated Entities. Refer to Note 15 for a discussion of open litigation.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements

8. Related Party Transactions

Investments Under Common Control

Certain members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. As of December 31, 2015, the Partnership and its Consolidated Entities held the following investments in these companies:

Expenses Reimbursable by Funds Managed

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2015, approximately \$8.6 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in *Other Assets* in the accompanying Consolidated Balance Sheet.

Accounts Held with Related Party

During the year the Partnership and its Consolidated Entities maintained accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2015, balances in the accounts were approximately \$53.0 million, a portion of which exceeds Federal deposit insurance limits.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank was the agent bank. Interest earned on the loans during the year was approximately \$10.9 million. At December 31, 2015, these subsidiaries were invested in NexBank agented loans with commitments and market values totaling approximately \$105.0 million and \$82.1 million, respectively.

Affiliated Transactions

During the years ended December 31, 2014, and December 31, 2015, Highland Capital Management Fund Advisors, L.P. ("HCMFA") issued promissory notes to the Partnership in the amount of \$6.0 million. The notes accrue interest at rates ranging from 1.97% - 2.82%, the mid-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2015 total interest and principal due on the promissory notes was approximately \$6.1 million and is payable on demand. The Partnership will not demand payment on amounts owed prior to May 31, 2017. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the years ended December 31, 2014, and December 31, 2015, NexPoint Advisors, L.P. ("NexPoint") issued promissory notes to the Partnership in the aggregate amount of \$15.8 million. A revolving note was established with NexPoint on July 22, 2015. This allowed for an initial advance on principal of \$1.3 million. As of December 31, 2015, the total principal outstanding on the revolving note was approximately \$4.0 million. Both the notes and revolving line of credit accrue interest at a rate of 6.0%. As of December 31, 2015 total interest and principal due on the promissory notes was approximately \$21.1 million and is payable on demand. The Partnership will not demand payment on amounts owed prior to May 31, 2017. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the years ended December 31, 2014, and December 31, 2015, HCRE Partners, LLC ("HCRE") issued promissory notes to the Partnership in the aggregate amount of \$13.0 million. The notes accrue interest at a rate of 8.0%. As of December 31, 2015 total interest and principal due on the promissory notes was approximately \$13.3 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the years ended December 31, 2014, and December 31, 2015, Highland Capital Management Services, Inc. ("HCMSI") issued promissory notes to the Partnership in the aggregate amount of \$23.0 million. The notes accrue interest at rates ranging from 2.60% - 3.12%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. During the years ended December 31, 2014, and December 31, 2015, HCMSI repaid \$8.1 million of principal. As of December 31, 2015 total interest and principal due on the promissory notes was approximately \$14.9 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

Services Performed by or on Behalf of an Affiliate

In March 2007, Highland Capital of New York, Inc. a New York corporation ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. For the

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

year ended December 31, 2015, total marketing fee expense charged to the Partnership by Highland New York was approximately \$5.8 million and as of December 31, 2015, amounts owed to Highland New York for services rendered was approximately \$3.1 million.

Effective December 15, 2011, the Partnership commenced performing services on behalf of HCMFA, a Delaware limited partnership and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2015, the total fee charged by the Partnership to HCMFA was approximately \$2.2 million and as of December 31, 2015, amounts owed to the Partnership by HCMFA for services rendered were approximately \$0.2 million.

Effective July 29, 2010, the Partnership commenced performing services on behalf of Falcon E&P Opportunities GP, LLC. ("Falcon"), a Delaware limited liability company and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2015, the total fee charged by the Partnership to Falcon was approximately \$0.4 million and as of December 31, 2015, no amounts were owed to the Partnership by Falcon for services rendered.

Effective January 1, 2011, the Partnership commenced performing services on behalf of Acis Capital Management, L.P. ("Acis"), a Delaware limited partnership and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2015, the total fee charged by the Partnership to Acis was approximately \$6.1 million and as of December 31, 2015, no amounts were owed to the Partnership by Acis for services rendered.

Effective January 1, 2013, the Partnership commenced performing services on behalf of NexPoint. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2015, the total fee charged by the Partnership to NexPoint was approximately \$1.0 million and as of December 31, 2015, no amounts were owed to the Partnership by NexPoint for services rendered.

Effective September 24, 2013, the Partnership commenced performing services on behalf of NexBank Capital, Inc. ("NexBank Capital"), financial services company. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2015, the total fee charged by the Partnership to NexBank Capital was approximately \$0.1 million and as of December 31, 2015, no amounts were owed to the Partnership by NexBank Capital for services rendered.

Effective September 24, 2013, the Partnership commenced performing services on behalf of NexBank SSB, ("NexBank"), a Texas savings bank. Services include investment advisory services. The Partnership charges a fee for the services performed. For the year ended December 31, 2015, the total fee charged by the Partnership to NexBank was approximately \$0.8 million and as of December 31, 2015, amounts owed to the Partnership by NexBank for services rendered were approximately \$0.2 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Effective April 1, 2015, the Partnership commenced performing services on behalf of NexPoint Real Estate Advisors, L.P. ("NREA"). Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. NREA is charged a fee for the services provided. For the year ended December 31, 2015, the total fee charged to NREA by the Partnership was approximately \$0.4 million and as of December 31, 2015, amounts owed by NREA to the Partnership for services rendered were approximately \$0.4 million.

On April 20, 2016, to be effective as of January 1, 2008 the Partnership commenced performing services on behalf of Markham Fine Jewelers, L.P. ("Markham"). Services include, but are not limited to management oversight and planning services, and operational support, in each case, on an ad hoc/as needed basis. Markham is charged a fee for the services provided. For the year ended December 31, 2015, the total fee charged to Markham by the Partnership was approximately \$1.9 million and as of December 31, 2015, amounts owed by Markham to the Partnership for services rendered were approximately \$1.9 million.

Effective January 1, 2015, the Partnership commenced receiving services from Acis. Services include providing certain subadvisory services to the Partnership, to assist the Partnership with its services provided under the Investment Management Agreements with Bandera Strategic Credit Partners I, L.P. and Multi Strategy Master. For the year ended December 31, 2015, the total fee charged by Acis to the Partnership was \$0.4 million and as of December 31, 2015, amounts owed by the Partnership to Acis for services received were approximately \$0.1 million.

9. Note Receivable

On December 21, 2015, the Partnership entered into a contribution agreement (the "Contribution Agreement") with an unaffiliated trust. Pursuant to the Contribution Agreement a note (the "Note Receivable") in the amount of \$63.0 million was due to the Partnership. The Note Receivable will mature on December 21, 2030. The Note Receivable accrues interest at a rate of 2.61% per annum. Accrued interest is paid-in-kind, with principal receipts occurring pursuant to a note amortization schedule, with such annual receipts commencing December 21, 2019.

10. Debt and Notes Payable

Promissory Note

On December 31, 2014, the Partnership entered in to a promissory note with an investor in the amount of \$18.6 million, in exchange for 100% of its LP interest in Highland Multi Strategy Credit Fund, L.P. The Partnership must pay one-third of the initial note amount, plus accumulated interest on each of the first three anniversaries of the note. The promissory note will mature on December 31, 2017. The promissory note accrues interest at a rate of 3.00% per annum. The promissory note is collateralized by limited partnership interest in Multi Strategy Master. As of December 31, 2015 the remaining principal payable on the promissory note was \$12.4 million. The fair value of the Partnership's outstanding notes payable approximates the carrying value of the notes payable.

On August 5, 2015, the Partnership entered in to a bridge credit agreement with KeyBank, National Association ("KeyBank") in the amount of \$10.0 million. The term loan will mature on February 4, 2016. The term loan accrues interest at the Daily Libor plus 3.00%. Accrued interest shall be paid monthly. The term loan is collateralized by the real property owned by Estates on Maryland. Subsequent to year end, the maturity date was extended to April 7, 2017, as discussed in Note 17. The fair value of the Partnership's outstanding notes payable approximates the carrying value of the notes payable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

On August 17, 2015, the Partnership entered in to a promissory note with Frontier State Bank in the amount of \$9.5 million. The promissory note will mature on August 17, 2018. The promissory note accrues interest at the 3 month LIBOR rate plus 4.75%, adjusted each date of change, per annum. Accrued interest shall be paid quarterly. The promissory note is collateralized by shares of voting common stock of MGM Holdings, Inc. As of December 31, 2015 the remaining principal payable on the promissory note was 9.4 million. The fair value of the Partnership's outstanding notes payable approximates the carrying value of the notes payable.

On August 28, 2015, Highland Select Equity Partnership, L.P. ("Select") entered in to a promissory note with Eagle Sky Foundation, Inc. in the amount of \$12.0 million. The promissory note accrues interest at 12.00% for the first twelve months, 10.00% for the following twelve months, and 8.00% for the last twelve months. Select must pay one-twelfth of the initial note amount, plus accumulated interest on a quarterly basis. The promissory note will mature on August 28, 2018. The promissory note is collateralized by shares of voting common stock of MGM Holdings, Inc. As of December 31, 2015 the remaining principal payable on the promissory note was \$11.0 million. The fair value of Select's outstanding notes payable approximates the carrying value of the notes payable.

On September 23, 2015, the Partnership received a master securities loan agreement (the "Securities Agreement") from The Get Good Non-Exempt Trust #2 ("Get Good") in the amount of \$6.7 million for securities borrowed. The Securities Agreement accrues interest at a rate of 0.54%, the short term Applicable Federal Rate. The fair value of the loan will fluctuate with the fair value of the borrowed securities, throughout the term of the Securities Agreement. As of December 31, 2015 the fair value of the loan was \$6.9 million. The fair value of the Partnership's securities loan approximates the carrying value of the securities loan.

On August 5, 2015, Estates on Maryland entered in to a loan and security agreement with KeyBank in the amount of \$26.9 million. The loan will mature on September 1, 2020. The loan accrues interest at a rate of 4.00% above the 1 month LIBOR rate in effect from time to time, not to exceed the maximum interest rate allowed by applicable law. Accrued interest shall be paid monthly. The loan is collateralized by the mortgaged property. The fair value of Estates on Maryland's outstanding notes payable approximates the carrying value of the notes payable.

11. Due to Broker

As of December 31, 2015 the due to broker balance of approximately \$485.2 million represents approximately \$240.4 million payable to financing counterparties for margin transactions.

12. Commitments

Contracts in the Normal Course of Business

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Unfunded Loan Commitments

As of December 31, 2015, Multi Strategy Master had unfunded loan commitments of approximately \$4.9 million, which could be funded at the option of the borrower. The loan commitments carried no funded balance at December 31, 2015, but Multi Strategy Master will be contractually obligated to provide financial support up to the amount of the unfunded loan commitment upon the request of the borrower. Unfunded loan commitments are marked to market on the relevant day of valuation in accordance with Multi Strategy Master's valuation policies. Any applicable unrealized gain/(loss) and change in unrealized gain/(loss) on unfunded loan commitments are recorded on the Consolidated Balance Sheet and the Consolidated Statement of Income, respectively.

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the final outcome will not have a materially adverse effect on the Partnership's Consolidated Balance Sheet, Consolidated statement of Income, or its liquidity. See Note 15.

Operating Leases

The Partnership has an operating lease and associated commitments related to its main office space. Future minimum lease payments under operating lease commitments with initial or noncancelable terms in excess of one year, at inception, are as follows:

(in thousands)

Years Ending December 31,

2016	1,506
2017	1,521
2018	1,521
2019	1,550
2020	1,566
Thereafter	2,089
Total	<u>\$ 9,752</u>

Total rental expense of the Partnership and its Consolidated Entities for operating leases was approximately \$1.4 million for the year ended December 31, 2015.

13. Postretirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. A new amendment became effective on January 1, 2011 in which a named participant was admitted to the plan and is eligible to earn benefit accrual. 2011 expense reflects a service cost charge for the value of the new participant's benefit earned during 2011.

The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2015 are reconciled in the tables below.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

(in thousands)

Funded status at end of year	\$ 114

The Partnership does not expect to contribute to the plan during 2015.

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2015:

Discount rate	4.00%
Rate of compensation increase	N/A

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2015:

Discount rate	3.70%
Expected long-term return on plan assets	3.70%
Rate of compensation increase	N/A

As of December 31, 2015, there were no plan assets categorized as Level 3.

14. Income Taxes

The Partnership

For U.S. income tax purposes, the Partnership is treated as a pass-through-entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on their share of the Partnership's net taxable income.

The Partnership files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2015, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2008 forward (with limited exceptions).

Authoritative guidance on accounting for and disclosure of uncertainty in tax positions requires the General Partner to determine whether a tax position of the Partnership is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that as a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2015.

Crusader Master

Crusader Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Crusader Master. Crusader Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 31, 2035.

For U.S. income tax purposes, Crusader Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Crusader Master's net taxable income.

Since Crusader Master trades investments for its own account, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The General Partner intends to conduct Crusader Master's business in such a way that it does not create a taxable presence in any of the jurisdictions in which the Investment Manager has offices.

Dividends as well as certain interest and other income received by Crusader Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Crusader Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2015, a withholding tax liability of \$0.2 million is included in the accrued expenses in the Consolidated Balance Sheet.

It is management's responsibility to determine whether a tax position of Crusader Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. In accordance with this authoritative guidance, management has established a reserve for federal income tax of approximately \$10.6 million for uncertain tax positions. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2015.

Crusader Master files tax returns as prescribed the tax laws of the jurisdictions in which it operates. In the normal course of business, Crusader Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2015, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2012 forward (with limited exceptions).

A wholly-owned corporation of Crusader Master is subject to federal income tax. For the year ended December 31, 2015, approximately \$0.9 million of tax expense was included in the Consolidated Balance Sheet. Additionally, this wholly-owned corporation has incurred capital losses on the sale of investments that exceed the amount of capital gains it has earned. A deferred tax asset related to these excess capital losses of approximately \$1.4 million is included in *Other Assets* on the Consolidated Balance Sheet.

Multi Strategy Master

For U.S. income tax purposes, Multi Strategy Master is treated as a pass-through entity, which means it is not subject to federal income taxes under current Internal Revenue Service guidelines. However, each investor may be individually liable for income taxes, if any, on its share of the partnership's net taxable income.

Multi Strategy Master trades in senior secured syndicated bank loans for its own account and, as such, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The Partnership intends to conduct Multi Strategy Master business in such a manner that it does not constitute a U.S. trade or business, nor does it create a taxable presence in any of the jurisdictions in which the Partnership has offices.

Dividends as well as certain interest and other income received by Multi Strategy Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Multi Strategy Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2015, a minimal withholding tax liability of \$1.0 million is classified within accrued expenses and withholding tax payable on the Consolidated Balance Sheet.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Multi Strategy Master applies authoritative guidance which requires management to determine whether a tax position Multi Strategy Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As of December 31, 2015, a liability to account for uncertain tax positions of \$0.1 million is classified within accrued expenses within the Consolidated Balance Sheet. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2015.

Multi Strategy Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Multi Strategy Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2015, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2012 forward (with limited exceptions).

Credit Strategies Master

Credit Strategies Master is an exempted limited partnership organized in Bermuda. Under the current laws of Bermuda, there is no income, estate, transfer, sale or other taxes payable by Credit Strategies Master. Credit Strategies Master has received an undertaking from the government of Bermuda exempting it from all such taxes until March 31, 2035.

For U.S. income tax purposes, Credit Strategies Master is treated as a pass-through entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on its share of Credit Strategies Master's net taxable income.

It is management's responsibility to determine whether a tax position of Credit Strategies Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2015.

Dividends as well as certain interest and other income received by Credit Strategies Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by the Credit Strategies Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. Deferred tax liabilities may result from temporary differences related to the unrealized appreciation on the Credit Strategies Master's investments that will become taxable income in future years. Deferred tax liabilities will become payable upon realization of the gains when the investments are sold, and are measured using the applicable enacted tax rate and provisions of the enacted tax law. Credit Strategies Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Credit Strategies Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2015, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2012 forward (with limited exceptions).

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

A wholly owned corporation at Credit Strategies Master may be subject to Federal U.S. Income Tax based on the nature of income, expense, and capital gains/losses. As of December 31, 2015 the wholly owned corporation has a minimal tax expense accrual included in the consolidated financial statements.

Restoration Onshore

Restoration Onshore is treated as a pass-through entity for tax purposes, which means it is not subject to U.S. income taxes under current Internal Revenue Service or state and local guidelines. Each Partner is individually liable for income taxes, if any, on its share of the Restoration Onshore's net taxable income. Interest, dividends and other income realized by Restoration Onshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Onshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Onshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority.

The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2015. Restoration Onshore files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal, state, local and foreign jurisdictions, where applicable. As of December 31, 2015, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2012 forward (with limited exceptions).

Restoration Offshore

Restoration Offshore is a Cayman Islands exempted company. Under the current laws of the Cayman Islands, there is no income, estate, transfer, sales or other tax payable by Restoration Offshore. Restoration Offshore has elected to be treated as a corporation for U.S. tax purposes and files a protective 1120-F.

The General Partner intends to conduct the business of Restoration Offshore in such a way that Restoration Offshore's activities do not constitute a U.S. trade or business and any income or realized gains earned by Restoration Offshore do not become "effectively connected" with a trade or business carried on in the United States for U.S. federal income tax purposes.

Dividends as well as certain interest and other income received by the master partnership of Restoration Offshore from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by the master partnership of Restoration Offshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Offshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Offshore is more likely than not to be sustained upon examination, including resolution

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2015. As of December 31, 2015, the tax years that remain subject to examination by major tax jurisdictions under the statute of limitations is from the year 2012 forward (with limited exceptions).

Healthcare Master

Healthcare Master is treated as a pass-through entity for tax purposes, which means it is not subject to U.S. income taxes under current Internal Revenue Service or state and local guidelines. Each Partner is individually liable for income taxes, if any, on its share of Healthcare Master's net taxable income. Interest, dividends and other income realized by Healthcare Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at the rate of 30% for non-U.S. Investment Vehicles. Interest, dividends and other income realized by Healthcare Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. Healthcare Master applies the authoritative guidance which requires Management to determine whether a tax position of Healthcare Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. Management has determined that there was no effect on the financial statements from the application of this guidance. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2015. Healthcare Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Healthcare Master is subject to examination by federal, state, local and foreign jurisdictions, where applicable. As of December 31, 2015, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2012 forward.

The remaining entities consolidated by the Partnership had no uncertain tax positions which required accrual under U.S. GAAP.

15. Legal Proceedings

On July 15, 2008, Crusader Master, Highland Offshore Partners, CDO Master Fund, Multi Strategy Master, certain affiliates, and numerous external parties (collectively, the "Defendants") were named as parties to an action filed with the Bankruptcy Court of the Southern District of Florida ("the Touse action"). The action related to a secured lending transaction and subsequent refinancing arrangement in which the Defendants participated. On October 13, 2009, the Bankruptcy Court ruled in favor of the plaintiffs and ordered the Defendants to disgorge the principal, interest, and fees they received in connection with the refinancing arrangement. In addition, the Court ordered the defendants to pay simple interest on the disgorged amount at an annual rate of 9%. The Defendants believed they acted in good faith pursuant to the terms of the relevant agreements and appealed the decision. In February 2011, the District Court of Florida quashed the judgment against the Defendants and overturned the ruling that resulted in the Defendants recording the reserve. The plaintiffs appealed the ruling of the District Court, and the issue was sent to the Eleventh Circuit of Florida. On May 15, 2012, the Eleventh Circuit unexpectedly reversed the District Court's ruling, and

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

remanded the case back to the District Court for review. The last such case was heard by the US Supreme Court case on January 14, 2015. On June 23, 2015, the District Court remanded the case back to the Bankruptcy Court for a report and recommendations regarding the effects of certain settlements on the Plaintiff's available damages. The Bankruptcy Court heard oral arguments on November 19, 2015, but has not yet issued a ruling. The additional liability and damages issues remain stayed at the District Court until the Bankruptcy Court issues its report. Based on the ruling, the Consolidated Entities recorded a combined reserve of approximately \$12.3 million as of December 31, 2015. This reserve is included in *Accrued and other liabilities* on the Consolidated Balance Sheet.

On July 8, 2009, one investor filed suit against Credit Strategies Master, the Partnership, and other affiliated entities (collectively, the "Defendants"). The lawsuit alleges that the Defendants misrepresented the amount of redemptions in Credit Strategies Master. On August 28, 2015, the Dallas Court of Appeals affirmed a summary judgement against the Plaintiffs' claims. As such, the reserve of \$11.3 million has been reversed and is included as a component of Professional fees on the Consolidated Income Statement.

In April 2007, CDO Master Fund entered into a risk sharing agreement with UBS Securities LLC and UBS AG, London Branch (collectively, "UBS" or "UBS Plaintiffs") structured as a derivative whereby it absorbed 51% of the gains and losses generated from a loan warehouse agreement. The remaining 49% of the warehouse gains and losses were absorbed by Highland Special Opportunities Holding Company ("SOHC"). The warehouse was financed by UBS and held collateral consisting of investments in collateralized loan obligations and credit default swaps. Although the agreement expired on August 15, 2007, UBS agreed to extend it for one year on March 15, 2008. Due to liquidity constraints, CDO Master Fund was unable to meet a November margin call, and UBS elected to terminate the agreement as of December 5, 2008. The collateral held in the warehouse was subsequently seized by UBS and sold on the open market through bids-wanted-in competition. After offsetting the proceeds received from the sale and the income earned on the collateral prior to the sale, UBS notified CDO Master Fund that its pro-rata share of the losses incurred under the agreement was \$350.2 million. CDO Master Fund has accrued a liability in its financial statements for this amount.

On February 24, 2009, the UBS Plaintiffs filed a lawsuit against CDO Master Fund, SOHC and the Partnership in the New York State Supreme Court of Manhattan alleging that they suffered losses in excess of \$745 million due to the depreciation in value of the warehouse collateral. On February 19, 2010, the First Appellate Division sided with the Partnership and dismissed UBS' claims against the Partnership. Thereafter on June 22, 2010, the UBS Plaintiffs filed an amended complaint with the Court against the Partnership alleging \$687 million in damages. On March 13, 2012, the First Appellate Division dismissed two of the four claims against the Partnership, and severely limited the scope of the two remaining claims. The Court has yet to rule on motions for summary judgment pending for over two years, and has not set the matter for trial.

In the June 22, 2010 amended complaint, the UBS Plaintiffs also asserted claims against Credit Strategies Master, Multi Strategy Master, Crusader Master, and certain of their affiliates (collectively, the "Additional Fund Defendants"). The UBS Plaintiffs seek to unwind alleged fraudulent transfers involving the Additional Fund Defendants. Although the UBS Plaintiffs have not pled a specific damages amount against the Additional Fund Defendants, any eventual damages award would be subject to pre-judgment interest of 9% (accrued as of December 3, 2008) as well as post-judgment interest of 9% (accrued as of the date a judgment, if any, is entered against the Additional Fund Defendants). Each of the Additional Fund Defendants filed a separate motion to dismiss, each of which was denied. In addition, the Additional Fund Defendants filed a motion for summary judgment,

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

which was heard by the Court on February 14, 2014. On March 11, 2014, the First Appellate Division heard each of the Additional Fund Defendants' respective appeals of the Court's denials of their respective motions to dismiss. On August 19, 2013, the Court restrained the Defendants from transferring or otherwise disposing of property received (or if property had already been transferred or disposed of, the cash equivalent) in March 2009 from Highland Financial Partners, L.P. in connection with the Termination, Settlement and Release Agreement dated March 20, 2009. Shortly thereafter, the UBS Plaintiffs and the UBS Additional Fund Defendants' mutually agreed that, notwithstanding the restraining order, the Additional Fund Defendants' could market and sell any restrained property provided that the proceeds of such sales were not transferred. On November 27, 2013, the Court removed the restraining order, but the UBS Plaintiffs immediately appealed. On January 30, 2014, the Appellate Court reinstated the restraining order pending resolution of the UBS Plaintiffs' appeal on the original terms set forth by the Court on August 19, 2013, and without the modification agreed to with the UBS Plaintiffs. On June 12, 2015, the UBS Plaintiffs settled their claims against the Additional Fund Defendants' for scheduled cash payment totaling \$72.5 million. That restraining order remained in place until January 21, 2016 when the Appellate Court dismissed the appeal as moot following the Defendant's settlement with the UBS Plaintiffs.

On July 17, 2013, Credit Suisse Securities (USA), LLC ("Credit Suisse") filed suit against Credit Strategies Master, Multi Strategy Master, and other affiliates (the "Credit Suisse Defendants"). Credit Suisse's claims relate to several outstanding trades of debt tranches of Goldfield Ranch Reality Holdings, LLC and Westgate Investments, LLC. On May 5, 2014, Credit Suisse moved for summary judgment on both the principal amount and statutory pre-judgment interest. The Court granted the motion on August 6, 2014, and issued judgment on September 11, 2014 in the amount of \$25.5 million in principal, plus \$13.5 million in interest, for a total of \$39.0 million. On January 14, 2016, the Credit Suisse Defendants reached settlement with Credit Suisse for payment of approximately \$77.4 million in satisfaction and release of Credit Suisse's claims. The difference between the settlement amount and total exposure accrued at November 30, 2015, was recognized as of December 31, 2015, bringing the total accrued liability down to the settlement amount. The December 31, 2015 accrual of \$77.4 million is included in *Accrued and other liabilities* on the Consolidated Balance Sheet.

On or about April 10, 2012, CDO Master Fund filed suit against Citibank, N.A. ("CBNA"), Citigroup Global Markets Inc. ("CGMI"), Citigroup Global Markets Limited ("CGML"), and Citigroup Financial Products Inc. ("CFPI") (collectively "Citi" or "Defendants") seeking damages for breach of contract related to Defendants' improper valuation of collateral, improper margin calls, improper declaration of default and improper seizure of collateral. More specifically, Defendants' breaches have proximately caused CDO Master Fund to suffer damages resulting from Defendants' misappropriation of assets that rightfully belong to CDO Master Fund. CDO Master Fund seeks recovery in the form of a return of the assets improperly seized by Defendants. To the extent that a return of the improperly-seized assets to CDO Master Fund is not possible or feasible, CDO Master Fund seeks damages in an amount sufficient to put it in the same economic position it would have been in had Defendants properly performed under the contracts.

Over one year after CDO Master Fund filed its suit, and having failed in its efforts to dismiss the lawsuit, Citi filed two breach of contract counterclaims against CDO Master Fund and two other counter-defendants, Highland CDO Opportunity Fund GP, L.P. and the Partnership. CDO Master Fund believes this post-hoc claim is baseless and merely brought to try to create a bargaining position. On or about March 30, 2016, the Court granted certain of the parties' motions for summary judgment. As a result of this ruling, both CDO Master Fund and Citi's claims have been pared down. The Court also ordered additional limited discovery be conducted, and that the parties submit a final round of motions for summary judgment following the conclusion of that discovery. CDO Master

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Fund has accrued a liability in its financial statements for this claim in the amount of \$10.8 million and is included in *Due to brokers* on the Consolidated Balance Sheet. No trial has been set in this matter.

In April 2012, the Partnership filed suit against a former employee for breach of contract, defamation and theft of trade secrets. The former employee filed a counterclaim with numerous, unrelated allegations. The Partnership refuted each allegation in detail. The former employee seeks unspecified damages against the Partnership and certain affiliates. On February 6, 2014, the jury found the former employee breached his fiduciary duty to the Partnership. The jury found that neither the Partnership nor any of its employees had breached any duty, and awarded \$2.8 million to the Partnership. The jury also found that HERA owed \$2.6 million related to an employee retention plan. The court entered judgment on the verdict on July 11, 2014. The former employee has filed his appeal against the Partnership and HERA has filed its appeal against the judgment amount. The appellate court has yet to rule on the pending appeals.

In addition to the legal actions that are discussed above, the Partnership is subject to other legal actions arising from the ordinary course of its business. The ultimate outcome of these other cases is inherently uncertain and could result in additional losses to the Partnership.

16. Fund Wind Down

On February 2, 2009, the Partnership informed investors of CDO Master that the fund was effectively insolvent as the liabilities in the fund exceed the assets to such a degree that proceeds from the asset sales will not be able to satisfy any unpaid redemptions or to distribute amounts to any current investors.

During 2008, Crusader Master and Credit Strategies Master were negatively affected by deteriorating conditions in the overall economy and credit markets. These conditions became more severe during the third and fourth quarters of 2008 and generated significant losses on various derivative transactions and repurchase agreements to which Crusader Master and Credit Strategies Master were parties. In addition, certain assets that Crusader Master and Credit Strategies Master purchased on margin through prime brokerage agreements experienced a significant decline in value. In certain cases, Crusader Master and Credit Strategies Master were unable to post the collateral required to secure these losses, and the counterparties provided notice of their intent to terminate the agreements. As a result, access to the credit that Crusader Master and Credit Strategies Master used to manage its investing and financing activities became highly constrained, and in some cases unavailable. In light of these circumstances, the General Partners (the general partner of Crusader Master and the general partner of Credit Strategies Master) and the Board of Directors of Highland Credit Strategies Fund, Ltd. and Highland Crusader Fund, Ltd. concluded, in consultation with the Investment Manager, that it would be in the best interests of their investors to wind down the investment portfolios of Credit Strategies Master and Crusader Master. On October 15, 2008, the Investment Manager notified investors that it would begin the wind-down process. The Investment Manager also restricted subscriptions and the payment of withdrawals to its feeder funds effective the same date.

In connection with the wind down, the limited partner interests of the Feeder Funds of Credit Strategies and Crusader were compulsorily withdrawn/redeemed on October 15, 2008 and November 15, 2008, respectively, in accordance with the terms of the governing documents.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements
December 31, 2015

Crusader Master

On July 15, 2011, the Supreme Court of Bermuda Commercial Court sanctioned a Scheme of Arrangement (the "Scheme") that facilitates the winding-down of the investments of Crusader Master and the distribution of its assets. A substantial majority of the investors in its feeder funds consented to The Plan of Distribution ("The Plan") as outlined in the Scheme. The Scheme became effective as of August 1, 2011 (the "Effective Date").

The Scheme establishes two classes of claims; those feeder fund investors who had timely submitted withdrawal/redemption requests for withdrawal/redemption dates that fell on or before June 30, 2008 and who had not received full payment ("Prior Redeemers"), and those feeder fund investors that had not timely submitted such withdrawal/redemption requests for redemption/withdrawal dates that fell on or before June 30, 2008 ("Compulsory Redeemers") (together "Redeemers"). The basis for ratable distribution amongst both classes of Redeemers was the November 15, 2008 balances of said Redeemers ("Redemption Amount"), adjusted to add back any redemption penalties assessed against Prior Redeemers during 2008. A realization schedule for distributions is set forth in Appendix A of the Scheme (the "Realization Schedule"). The terms of the Scheme are outlined as follows:

1. Prior Redeemers shall be entitled to 60% in aggregate of the total distributions made by the Master Partnership constituting excess cash (the "Crusader Fund Prior Redeemers' Distribution"). Each Prior Redeemer shall be entitled to their pro rata share of the Crusader Fund Prior Redeemers' Distribution based on the Prior Redeemer's Redemption Amount relative to the total of all Prior Redeemers' Redemption Amounts (inclusive of all feeders).
2. Compulsory Redeemers shall be entitled to 40% in aggregate of the total distributions made by the Master Partnership constituting excess cash (the "Crusader Fund Compulsory Redeemers' Distribution"). With the exception of the non-consenting Compulsory Redeemers discussed below, each Compulsory Redeemer shall be entitled to their pro rata share of the Crusader Fund Compulsory Redeemers' Distribution based on the Compulsory Redeemer's Redemption Amount relative to the total of all Compulsory Redeemers' Redemption Amounts (inclusive of all feeders).

In the event the Investment Manager fails to make distributions in accordance with the Realization Schedule for two consecutive quarters without receiving a waiver from the committee of Redeemers appointed to help oversee the Scheme (the "Redeemer Committee"), the Investment Manager can be removed for cause as the Investment Manager of the Master Partnership by the Redeemer Committee.

Crusader Redeemer Trust Account

Effective July 15, 2011, a trust account was set-up and funded for the benefit of Compulsory Redeemers who had consented to the Scheme and Prior Redeemers (the "Redeemer Trust Account"). The portion of amounts in excess of the Redemption Amounts otherwise attributable to non-consenting Compulsory Redeemers was contributed to the Redeemer Trust Account and not distributed to non-consenting Compulsory Redeemers. Amounts in the Redeemer Trust Account are reserved and used to pay all costs of Crusader Master to defend, respond to, settle and satisfy any claims by Redeemers other than for their Scheme claim.

The non-consenting Compulsory Redeemers do not receive any allocation of profit and loss; the portion of profit and loss that would otherwise be allocated to their accounts is instead allocated to the Redeemer Trust Account. The Redeemer Trust Account is accounted for as a component of equity in the Crusader Onshore Feeder Fund. Within the earlier of 30 days after all redeemer claims have been resolved or dismissed with prejudice or the sixth anniversary of the effective date, any

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

amounts remaining in the Redeemer Trust Account shall be distributed 100% to consenting Compulsory Redeemers pro rata based on their relative Redemption Amounts.

Crusader Deferred Fee Account

In accordance with the Scheme and Plan, the "Deferred Fee Account" was established on the effective date by allocating the right for the Partnership to potentially receive payment in respect of deferred fees ("Deferred Fees") equal to \$10.0 million.

The Plan and Scheme provide that in the event that the Crusader Master makes aggregate distributions of at least \$1.7 billion prior to the forty-third month following the effective date ("Aggregate Distribution Date"), the Partnership shall be entitled to receive payment in respect of the Deferred Fee Account.

The Plan and Scheme further provide that in the event that the Crusader Master does not make aggregate distributions of at least \$1.7 billion prior to the Aggregate Distribution Date, then the Partnership will cause the Feeder Funds to distribute the right to receive payment 100% to consenting Compulsory Redeemers (pro rata based on their relative Redemption Amounts). The Deferred Fee Account will continue to be allocated its pro rata portion of profit and loss.

The Partnership believes that the restraining order imposed against the Crusader Master in connection with the UBS Litigation (as defined in Note 15) rendered performance of the stated Realization Schedule impossible as a matter of law. Accordingly, the Partnership believes that any non-performance attributable to such restraining order is excused as a matter of law and thus all periods of the Realization Schedule have been extended for the period of non-performance attributable to such restraining order as a matter of law ("Realization Schedule Extension").

Crusader Deferred Fee Distributions

The Partnership shall continue to be entitled to receive payment in respect of the Deferred Fees from the applicable Feeder Fund. However, the Partnership similarly believes that the restraining order prevented the full liquidation of the Crusader Master's portfolio prior to the forty-third month after the effective date. In this situation, the Partnership would have received the Deferred Fees prior to, or on, the forty-third month after the effective date, but-for the impact of the restraining order still was in place. Therefore, the Partnership believes it has the right to receive the ratable and nonforfeitable portion of such fees crystallized as of the date the restraining order was lifted.

Until the all of the Deferred Fees have been paid, the Crusader Master shall distribute to each applicable Feeder Fund amounts, and such Feeder Fund shall fully reserve for such distributions in cash. The cash held in reserve for such Deferred Fees shall be maintained in an interest bearing account, with all interest being retained by the applicable Feeder Fund for the benefit of its Redeemers.

Crusader Distribution Fee

Under the Plan and Scheme, provided that assets equal to or in excess of the amount scheduled in the Realization Schedule have been distributed to Redeemers during such applicable distribution period, the Partnership will receive fees in cash in the amount of 125 basis points calculated based on all amounts actually distributed to Redeemers during such period following the effective date. This fee will also be paid and expensed out of Highland Crusader Fund, Ltd., Highland Crusader Fund II, Ltd., and Highland Crusader Fund, L.P. ("Feeder Funds") and will be charged to each capital account in the Feeder Funds, regardless of affiliation.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

The Partnership believes the Realization Schedule Extension has extended the applicable distribution periods.

Crusader Wind Down Progress

As a result of the litigation discussed in Note 15, Crusader Master did not make distributions as part of the wind down in accordance with the Scheme for the year ended December 31, 2015. Since the Scheme's effective date, approximately \$1,351.2 million has either been distributed to the Feeder Funds for purposes of disbursement, or withheld and specially allocated for tax payments.

As of December 31, 2015, the estimated value of the partners' capital of Crusader Master was approximately \$381.2 million. The actual amounts that will be distributed upon completion of the wind down process are inherently uncertain and may differ materially from the partners' capital as of December 31, 2015. Capital will be distributed as it becomes available in accordance with the Scheme.

Credit Strategies Master

To facilitate the winding-down of the investments in Credit Strategies Master, a Plan of Distribution (the "Credit Strategies Plan") was also adopted by Credit Strategies Master and its feeder funds and was consented to by a substantial majority of the investors in its feeder funds. On April 14, 2011, the Supreme Court of Bermuda Commercial Court sanctioned a Scheme of Arrangement the ("Credit Strategies Scheme") that incorporates the terms of the Credit Strategies Plan so as to be binding upon Highland Credit Strategies Fund, Ltd. and its investors. The Credit Strategies Scheme became effective on May 1, 2011. The Credit Strategies Plan established two classes of claims; those investors of the Feeder Funds whose withdrawals/redemptions became effective on or before September 30, 2008 and who have not received full payment of their redemption amount ("Prior Redeemers") and those investors of the feeder funds who were compulsorily withdrawn/redeemed on October 15, 2008 ("Compulsory Redeemers").

As investments in Credit Strategies Master are realized, distributions will be made in the following order, which summarizes the terms outlined in the Credit Strategies Plan:

1. Payments for fund expenses
2. The first \$30 million available for distribution ratably to Prior Redeemers
3. The next approximately \$5.3 million available for distribution ratably to consenting Compulsory Redeemers and a trust account established for the benefit of non-consenting Compulsory Redeemers ("Redeemer Trust Account")
4. All remaining funds will be distributed as follows:
 - a. 85% ratably to Prior Redeemers
 - b. 15% to consenting Compulsory Redeemers and the Redeemer Trust Account

This method of distribution results in a shift of capital from the Prior Redeemers to the consenting Compulsory Redeemers and the Redeemer Trust Account. It also created a shift of capital from its offshore feeder to its onshore feeder, since there was a greater proportion of Compulsory Redeemers to Prior Redeemers in the onshore feeder than in the offshore feeder.

Credit Strategies Redeemer Trust Account

The Redeemer Trust Account is used to pay for litigation costs involving the non-consenting Compulsory Redeemers. The Credit Strategies Plan outlines which expenses related to litigation ("Covered Claims") will be paid using funds from the Redeemer Trust Account, and any litigation will continue to be assessed under an ASC 450 (Contingencies) model.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Credit Strategies Contribution Trust Account

In accordance with the Credit Strategies Plan and in exchange for certain releases, a trust account (the "Contribution Trust Account") was established and initially funded on the effective date with \$3.0 million contributed by the Partnership. The Partnership also paid an additional \$6.0 million on May 1, 2014, approximately the third anniversary of the effective date of the Credit Strategies Plan. This \$6.0 million was recognized as a subscription into Credit Strategies Master during the year ended December 31, 2013, and was received in cash during the year ended December 31, 2014.

The Contribution Trust Account will be used to pay for expenses related to Covered Claims to the extent that the Redeemer Trust Account is insufficient to pay such expenses. Within 30 days after all Covered Claims have been resolved or dismissed with prejudice, or the sixth anniversary of the effective date, provided that no suits asserting Covered Claims are then pending, whichever is earlier, any remaining balance in the Contribution Trust Account will be distributed 85% to consenting Compulsory Redeemers and 15% to consenting Prior Redeemers.

Similar to the Redeemer Trust Account, the Contribution Trust Account is treated as a separate component of equity. Additionally, the initial payment of the \$3.0 million was treated as a contribution to the Master Partnership. However, the Contribution Trust Account does not receive an allocation of profit and loss. The only changes to the account will occur when contributions are made or expenses related to Covered Claims are paid.

As discussed in Note 15, a legal reserve of \$11.3 million was reversed and included as a component of Legal Expense on the Consolidated Income Statement. This was partially allocated to the Contribution Trust and resulted in the \$3.5 million equity balance at December 31, 2015.

17. Subsequent Events

Over the course of 2016 through the report date, HCMSI issued promissory notes to the Partnership in the amounts of \$12.5 million. The notes accrue interest at a rate ranging from 2.24% - 2.65%.

On February 26, 2016, HCMFA issued a promissory note to the Partnership in the amount of \$2.3 million. The note accrues interest at a rate of 2.62%.

Over the course of 2016 through the report date, NexPoint issued additional borrowings on its revolving line of credit to the Partnership in the amount of \$2.2 million. The borrowings accrue interest at a rate of 6.0%.

As discussed in Note 10, on April 7, 2016 the Partnership extended the maturity date on the term loan with Key Bank to April 7, 2017. The amount of the Term Loan increased to \$15.0 million.

On April 26, 2016, Highland Acquisition Corporation issued a promissory note to the Partnership in the amount of \$0.2 million. No interest shall accrue on the note.

On January 14, 2016, the various Consolidated Entities settled the Credit Suisse lawsuit resulting in the payment of the \$77.4 million. The amount paid had previously been accrued as a component of *Accrued and other liabilities* and *Due to broker for securities purchased not yet settled* on the Consolidated Balance Sheet. Additionally, the settlement resulted in a reduction of previously accrued expenses of approximately \$1.5 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2015

Upon the lifting of the UBS restraining order, the Credit Strategies Master then was permitted to pay the amounts payable under the Credit Strategies Plan and Scheme from the Contribution Trust. As of December 31, 2015, the Contribution Trust had remaining net assets of approximately \$3.5 million, a portion of which was held in cash and a portion of which is held in an unliquidated limited partnership capital balance. The cash portion of the Contribution Trust's net assets of approximately \$2.1 million was distributed in accordance with the terms of the Credit Strategies Plan and Scheme on April 22, 2016.

On April 11, 2016, the Redeemer Committee for Credit Strategies Master filed a Petition to Confirm Arbitration Award against the Partnership in relation to the 2013 sale of an asset in Credit Strategies Master. The award includes \$7.0 million in damages, pre- and post-judgment interest of \$4.1 million as of May 19, 2016, plus legal fees. If confirmed, the award would require the Partnership to distribute to the investors of the Credit Strategies feeder funds the net proceeds received by Credit Strategies Master from the sale of the asset as well as the damages awarded, the pre- and post-judgment interest, and fees. The award has not yet been judicially confirmed and remains subject to dispute.

On April 4, 2016, a distribution was made to Crusader Master investors related to the sale of the life settlements portfolio. In total, approximately \$196.7 million was either distributed to the Feeder Funds for purposes of disbursement, or withheld and specially allocated for tax payments. Since the Scheme and Plan effective date, and including this distribution, approximately \$1.5 billion has been either distributed to the Crusader Master Feeder Funds for purposes of disbursement, or withheld and specially allocated for tax payments.

In accordance with the Partnership's position as set forth in Note 16, Highland Crusader Fund, Ltd. and Highland Crusader Fund II, Ltd. paid Deferred Fees to the Partnership of approximately \$28.3 million on January 21, 2016 and \$4.1 million on April 5, 2016. These amounts represent the Partnership's ratable and unforfeitable portion of such fees based upon distributions to Redeemers made through and including those respective dates. Cash for such fees had been reserved in conjunction with aggregate previous distributions to Redeemers from the remaining portion of the Deferred Fees (not including the Deferred Fee Account).

In accordance with the Partnership's position as set forth in Note 16, Highland Crusader Fund, Ltd., Highland Crusader Fund II, Ltd., and Highland Crusader Fund, L.P. paid approximately \$1.5 million and \$2.4 million of distribution fees to the Partnership related to the November 27, 2013 and April 4, 2016 distributions, respectively.

The Partnership has performed an evaluation of subsequent events through May 19, 2016, which is the date the consolidated financial statements were available to be issued, and has determined that there are no other material subsequent events that would require disclosure in the Partnership's consolidated financial statements.

Report of Independent Auditors

To the General Partner of Highland Capital Management, L.P.

We have audited the accompanying consolidated financial statements of Highland Capital Management, L.P. and its subsidiaries (collectively, the "Partnership"), which comprise the consolidated balance sheet as of December 31, 2016, and the related consolidated statements of income, of changes in partners' capital and of cash flows for the year then ended.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Partnership's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Highland Capital Management, L.P. and its subsidiaries as of December 31, 2016, and the results of their operations, changes in their partners' capital and their cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The Supplemental Consolidating Balance Sheet, the Supplemental Consolidating Statement of Income, the Supplemental Unconsolidated Balance Sheet and the Supplemental Unconsolidated Statement of Income are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements

December 31, 2016

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment adviser under the Investment Advisers Act of 1940 that manages collateralized loan obligations ("CLOs"), hedge funds, private equity funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is owned by an unaffiliated trust as well as affiliated trusts and personal holdings of the senior management of the Partnership.

As of December 31, 2016, the Partnership provided investment advisory services for twenty-nine CLOs, seven separate accounts, one master limited partnership, and eleven hedge fund or private equity structures, with total fee-earning assets under management of approximately \$6.7 billion.

2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its consolidated financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles in the United States of America ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification and are stated in the United States Dollar.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries, which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions of the entity, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions of the entity, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs' expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

The Partnership assesses consolidation requirements pursuant to ASU 2015-02: Consolidation, which was adopted using the modified retrospective method and resulted in an effective date of adoption of January 1, 2016. Early adoption of ASU 2015-02 resulted in deconsolidation of Highland Crusader Offshore Partners, L.P. ("Crusader"), Highland Credit Strategies Master Fund, L.P. (Credit Strategies), and Highland CDO Opportunity Master Fund, L.P.

The Partnership and its affiliate's involvement with unconsolidated VIEs is generally limited to that of an advisory services provider, and their investment, if any, represents an insignificant interest in the relevant investment entities' assets under management. The Partnership's affiliate's exposure to risk in these entities is generally limited to any capital contribution it has made or is required to make and any earned but uncollected asset based and performance fees. The Partnership has not issued any investment performance guarantees to these VIEs or their investors, except that the Partnership has agreed to subject the full value of its equity interest (\$0.9M) in Highland Prometheus Fund to dollar-for-dollar reduction to the extent the third party investor in such fund does not achieve an annual target return.

As of December 31, 2016, the net assets of the unconsolidated VIEs and the Partnership's maximum risk of loss were as follows:

	<u>Unconsolidated VIE Net Assets</u>	<u>Carrying Value and Maximum Risk of Loss</u>
Sponsored investment funds	\$ 560,665,698	\$ 10,118,175

Consolidation of Non-Variable Interest Entities

The Partnership consolidates the following non-VIEs (along with majority owned funds: Highland Diversified Credit Fund, L.P., and Highland Select Equity Fund, L.P., collectively the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

- Highland Multi Strategy Credit Fund, L.P. ("Multi Strategy Master"), formerly Highland Credit Opportunities CDO, L.P., a Delaware limited partnership that commenced operations on December 15, 2005 and changed its name on August 26, 2014;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore"), a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore"), a Delaware limited partnership that commenced operations on September 2, 2008; and

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

- BB Votorantim, Highland Infrastructure LLC ("BB Votorantim"), a Delaware limited liability company which began operations on May 29, 2014.

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;
- 100% interest in Highland Brasil, LLC, a Delaware limited liability company that commenced operations on January 28, 2014;
- 100% interest in Highland Capital Management Partners Charitable Trust #1, a trust that commenced operations on September 19, 2006;
- 100% interest in Highland Capital Management (Singapore) Pte, Ltd., a company organized in the Republic of Singapore that commenced operations on April 2, 2008;
- 100% interest in Highland Capital Management Korea, Ltd., a company organized in the Republic of Korea that commenced operations on August 2, 2012;
- 100% interest in HE Capital, LLC, a Delaware limited liability company that was formed on March 22, 2007;
- 100% interest in De Kooning, Ltd, a Cayman company that was formed on December 1, 2012;
- 100% interest in Hirst, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Hockney, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Oldenburg, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Eames, Ltd, a Cayman company that was formed on December 12, 2012;
- 100% interest in Neutra, Ltd., a Cayman company that was formed on December 1, 2012;
- 99.9% interest in Penant Management, L.P., a Delaware limited partnership that was formed on December 12, 2012;
- 100% interest in Pollack, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Warhol, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in HCREF-I Holding Corp., a Delaware company that was formed on December 13, 2012;

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

- 100% interest in HCREX-XI Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREX-XII Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in Highland ERA Management, LLC, a Delaware limited liability company that was formed on February 1, 2013;
- 100% interest in The Dondero Insurance Rabbi Trust, a trust that was formed on May 27, 2004;
- 100% interest in The Okada Insurance Rabbi Trust, a trust that was formed on May 27, 2004;
- 100% interest in NexPoint Opportunistic Credit Fund (*fka NexPoint Distressed Strategies Fund*), a closed-end management investment company that was formed on March 2, 2016;
- 80% interest in Highland Employee Retention Assets ("HERA"), LLC, a Delaware limited liability company that was formed on October 26, 2009;
- 100% interest in Highland Diversified Credit Fund, L.P. ("Highland Offshore Partners"), a Delaware limited partnership which began operations on February 29, 2000 and was organized for the sole purpose of investing substantially all of its assets in Highland Offshore Partners, L.P.;
- 99.6% interest in Highland Select Equity Master Fund, LP, and Highland Select Equity Fund, LP Delaware limited partnerships which began operations on January 1, 2002 and was organized for the purpose of investing and trading in large and small cap stocks that trade for less than intrinsic value;
- 100% interest in Bandera Strategic Credit Partners I SLP, L.P., a Delaware limited liability company formed on April 3, 2014;
- 100% interest in Highland Fund Holdings, LLC, a Delaware limited liability company that was formed on May 24, 2016;
- 100% interest in HCM Holdco, LLC, a Delaware limited liability company formed on October 27, 2015 and;
- 100% interest in Maple Avenue Holdings, LLC, a Texas limited liability company formed on August 17, 2016.
- 98.9% interest in Highland Acquisition Corporation, a Delaware Corporation formed on April 25, 2016.

All inter-partnership and intercompany accounts and transactions involving the above listed consolidated entities ("Consolidated Entities") have been eliminated in all of the aforementioned consolidating schedules. All the Consolidated Investment Funds are, for U.S. GAAP purposes, investment companies under the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide - Investment Companies. The Partnership has retained the specialized accounting of these funds required under U.S. GAAP.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Due to the deconsolidation of certain investment funds, some prior year balances referenced within the following notes to the consolidated financial statements may not tie to prior year issued financial statements.

The following table includes a rollforward of noncontrolling interests from December 31, 2015, to December 31, 2016.

(in thousands)

Noncontrolling interest, December 31, 2015	\$ 517,353
Net income attributable to noncontrolling interest	53,628
Noncontrolling partner distributions	(39,397)
Noncontrolling interest of deconsolidated entities	<u>(118,737)</u>
Noncontrolling interest, December 31, 2016	<u>\$ 412,847</u>

Investment Transactions

Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

See Note 5 for the Partnership's fair value process and hierarchy disclosures.

Management and Incentive Fee Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2016, the Partnership and its Consolidated Entities recognized management fees and incentive fees of approximately \$52.6 million and \$8.1 million, respectively. The Partnership recognized approximately \$0.9 million of appreciation on incentive fees earned prior to 2008, previously deferred under Sec. 409(A) of the Internal Revenue Code, which has been presented in *Other Income* in the Consolidated Statement of Income.

Shared Services Revenue

The Partnership recognizes revenue as earned in connection with services provided to related parties under various shared services agreements. Under these agreements, the Partnership earns fees for services including, but not limited to, back office support functions, marketing, and investment advisory services. During the year ended December 31, 2016, the Partnership and its Consolidated Entities recognized shared services revenue of approximately \$9.6 million, which has been presented in *Shared services fees* in the Consolidated Statement of Income. See further discussion in Note 8.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Income and Expense Recognition

Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums associated with purchases of investments are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis over the life of the investment. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these consolidated financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. See further discussion in Note 14.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Cash equivalents are carried at cost, which approximates market value. At December 31, 2016, the Partnership and Consolidated Entities held cash balances at certain financial institutions in excess of the federally insured limit of \$0.3 million. The Partnership and Consolidated Entities regularly monitor the credit quality of these institutions.

Restricted Cash

The Partnership and its subsidiaries are required to maintain cash balances as collateral for various financing and derivative transactions. These amounts are reported as restricted cash on the Consolidated Balance Sheet.

Notes Receivable

Notes receivable consists of secured promissory notes with maturities greater than one year. When available, the Partnership uses observable market data, including pricing on recent closed transactions to value notes. When appropriate, these notes may be valued using collateral values. Adjustments to the value may be performed in circumstances where attributes specific to the collateral exist suggesting impairment.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

The Partnership and its Consolidated Entities are depreciating fixed assets as follows:

	<u>Period</u>
Leasehold improvements	Lease term
Buildings	29 - 40 years
Furniture and fixtures	7 years
Computer and equipment	3 - 5 years
Computer software	3 years

Due to/from Brokers

Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Partnership's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand.

Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender. A gain (which cannot exceed the price at which the Consolidated Investment Funds sold the security short) or a loss (which theoretically could be unlimited in size) will be settled upon termination of a short sale.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Options Contracts

The Partnership and the Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership or the Consolidated Entities purchase (write) an option, an amount equal to the premium paid (received) by the entity is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the Partnership or the Consolidated Entities enter into a closing transaction), the entity realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership or the Consolidated Entities purchasing a security at a price different from the current market value.

The Partnership and the Consolidated Entities are exposed to counterparty risk from the potential that a seller of an option contract does not sell or purchase the underlying asset as agreed under the terms of the option contract. The maximum risk of loss from counterparty risk to the Partnership and the Consolidated Entities is the greater of the fair value of its open option contracts or the premiums paid to purchase the open option contracts. The Partnership and the Consolidated Entities consider the credit risk of the intermediary counterparties to its option transactions in evaluating potential credit risk.

Margin Transactions

To obtain more investable cash, the Consolidated Entities may use various forms of leverage including purchasing securities on margin. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2016. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. At December 31, 2016, the Consolidated Investment Funds had withdrawals payable of \$68.2 million.

Foreign Currency Transactions

The Partnership's subsidiaries HCM Singapore and HCM Korea use Singapore dollars and Korean won, respectively, as their functional currency. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2016. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the Consolidated Statement of Income.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

The Consolidated Entities do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments* on the Consolidated Statement of Income.

Life Settlement Contracts

One of the Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are recorded as a component of "Investments at fair value" on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of *Purchase of investments* and *Proceeds from dispositions of investments* on the Consolidated Statement of Cash Flows. At December 31, 2016, the Consolidated Investment Fund was invested in 14 policies, which had a total face value of approximately \$155.1 million and a fair value of \$23.8 million.

Financing

The Partnership and its Consolidated Entities may finance the acquisition of its investments in securities and loans through financing arrangements. The Partnership and its Consolidated Entities recognize interest expense on all borrowings on the accrual basis in the Consolidated Statement of Income.

Financial Instruments

The Partnership and its Consolidated Entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable, withdrawals payable, debt and notes payable, due to brokers, investment liabilities and accrued liabilities approximate their fair values. For fair value of investment, see Note 5.

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Recently Issued Accounting Standards and Interpretations

In August 2016, the FASB issued Accounting Standards Update 2016-15, Statement of cash flows – Classification of certain cash receipts and cash payments (Topic 230). The amendments in this Update apply to all reporting entities. This Accounting Standards Update addresses the following eight specific cash flow issues: Debt prepayment or debt extinguishment costs; settlement of zero-coupon debt instruments or other debt instruments with coupon interest rates that are insignificant in relation to the effective interest rate of the borrowing; contingent consideration payments made after a business combination; proceeds from the settlement of insurance claims; proceeds from the settlement of corporate-owned life insurance policies (COLIs) (including bank-owned life insurance policies (BOLIs)); distributions received from equity method investees; beneficial interests in securitization transactions; and separately identifiable cash flows and application of the predominance principle. ASU 2016-15 is effective for annual reporting periods in fiscal years that begin after December 15, 2016. This statement is not expected to have a material impact on the Partnership's consolidated financial statements.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

In October 2016, the FASB issued Accounting Standards Update 2016-17 – Consolidation (Topic 810). The Board is issuing this Accounting Standards Update to amend the consolidation guidance on how a reporting entity that is the single decision maker of a variable interest entity (VIE) should treat indirect interests in the entity held through related parties that are under common control with the reporting entity when determining whether it is the primary beneficiary of that VIE. Under the amendments, a single decision maker is not required to consider indirect interests held through related parties that are under common control with the single decision maker to be the equivalent of direct interests in their entirety. Instead, a single decision maker is required to include those interests on a proportionate basis consistent with indirect interests held through other related parties. The amendments are effective for the annual period ending after December 15, 2016. This statement is not expected to have a material impact on the Partnership's consolidated financial statements.

In November 2016, the FASB issued Accounting Standards Update 2016-18, Statement of cash flows – Restricted cash (Topic 230). The amendments in this Update apply to all reporting entities that have restricted cash or restricted cash equivalents and are required to present a statement of cash flows under Topic 203. The amendments in this Update require that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. ASU 2016-18 is effective for annual reporting periods in fiscal years that begin after December 15, 2016. This statement is not expected to have a material impact on the Partnership's consolidated financial statements.

3. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2016:

(in thousands)

Leasehold improvements	\$	7,192
Buildings		2,595
Furniture and fixtures		2,793
Computer and equipment		2,403
Computer software		297
Accumulated depreciation		(8,533)
	\$	<u>6,747</u>

Depreciation expense in 2016 totaled approximately \$1.4 million for the Partnership and its subsidiaries.

5. Fair Value of Financial Instruments

Fair Value Measurement

U.S. GAAP defines fair value as the price an entity would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants as of the measurement date. The standard requires fair value measurement techniques to reflect the assumptions market participants would use in pricing an asset or liability and, where possible, to maximize the use of observable inputs and minimize the use of unobservable inputs. It also establishes the following hierarchy that prioritizes the valuation inputs into three broad levels:

- Level 1 – Valuation based on unadjusted quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Entities have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.
- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active that are reflective of recent market transactions; or (c) models in which all significant inputs are observable, either directly or indirectly.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Entities use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being reclassified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates. Whenever possible, the Partnership and its Consolidated Entities use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Entities develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

The Partnership has established policies, as described above, processes and procedures to ensure that valuation methodologies for investments and financial instruments that are categorized within all levels of the fair value hierarchy are fair and consistent. A Pricing Committee has been established to provide oversight of the valuation policies, processes and procedures, and is comprised of various personnel from the Partnership. The Pricing Committee meets monthly to review the proposed valuations for investments and financial instruments. The Pricing Committee is responsible for establishing the valuation policies and evaluating the overall fairness and consistent application of those policies.

As of December 31, 2016, the Partnership and its Consolidated Entities' investments consisted primarily of common equity securities, asset-backed securities, floating rate syndicated bank loans, closed-end mutual funds, preferred equity, participation interests, limited partnership interests, life settlement contracts, LLC interests, rights and warrants, option contracts, and corporate bonds. In addition, the Consolidated Entities engage in short sale transactions. The majority of these financial instruments are not listed on national securities exchanges and management is required to use significant judgment to estimate their values.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Equity Investments

Publicly traded equities are valued at the closing price at the date of the financial statements. The fair value of equity investments that are not traded on national exchanges or through real-time quotation services are derived from methodologies that provide appropriate fair value estimates. Equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

Private Equity Investments

The Partnership and Consolidated Entities hold private equity investments which resulted from the restructuring of other instruments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Partnership and Consolidated Entities will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publicly available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances. Private equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Private equity investments that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

The Consolidated Entities also invest in warrant securities of publicly-traded companies. The fair value of these investments is based on an option pricing model. The option model bases warrant value on a number of factors including underlying equity price as of the valuation date, strike price, exercise date, time to expiration and volatility. Warrant investments that have observable volatility are classified as Level 2 assets. Warrant investments where volatility inputs are not observable are valued using an estimated volatility input, and are classified as Level 3 assets.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Asset-Backed Securities

The Consolidated Entities invest in a variety of asset-backed securities. Asset-backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Entities generally utilize an independent third party firm to perform these calculations and provide the relevant inputs. The Consolidated Entities evaluate the results based on visible market activity and market research. When appropriate, the Consolidated Entities may apply other techniques based on a specific asset's characteristics. Asset-backed securities with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Asset-backed securities that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Debt Securities

The Partnership and Consolidated Entities invest in various types of debt, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Partnership and Consolidated Entities first seek to obtain reliable market quotes from other parties dealing in the specific asset. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Loans and bonds that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Absent both a reliable market quote and third-party pricing service date, the Partnership and Consolidated Entities may use various models to establish an estimated exit price. These investments are classified as Level 3 assets. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

Life Settlement Contracts

Life Settlement contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. Management generally utilizes an independent third party firm to perform these calculations and provide the relevant inputs. Management evaluates the results based on visible market activity and market research. Since these inputs are not readily observable, these contracts are classified as Level 3 assets.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

At December 31, 2016, the Consolidated Entities' investments in life settlement contracts consisted of the following:

(U.S. dollars in thousands, except number of policies)

Remaining Life Expectancy (in years)	Number of Policies	Face Value	Fair Value
2-3	-	\$ -	\$ -
3-4	1	10,000	3,154
4-5	1	5,000	1,514
Thereafter	12	140,079	19,158
Total	14	\$ 155,079	\$ 23,826

Options Contracts

The Partnership and its Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership and its Consolidated Entities purchase (writes) an option, an amount equal to the premium paid (received) by the purchaser is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the purchaser enters into a closing transaction), the purchaser realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership and its Consolidated Entities purchasing a security at a price different from the current market value.

Limited Partnership and LLC Interests

The Partnership and its Consolidated Entities hold limited partnership and LLC interests in various entities. These assets are valued as the net asset value of the limited partnership interests because the entities utilize fair value accounting for their own financial statements. These interests are classified as Level 3 assets.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. A majority of the Consolidated Entities investments and derivatives at December 31, 2016 are classified as Level 3 positions due to the absence of active markets with quoted prices for identical or similar investments. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2016:

(in thousands)

	Level 1	Level 2	Level 3	Total Fair Value at 12/31/16
Assets				
Common equity securities	\$ 286,369	\$ 326,665	\$ 117,160	\$ 730,194
Asset-backed securities	-	112,455	8,223	120,678
Floating rate syndicated bank loans	-	42	54,703	54,745
Closed-end mutual funds	74,731	-	-	74,731
Participation interests	15,368	-	11,980	27,348
Limited partnership interests	-	-	24,630	24,630
Life settlement contracts	-	-	23,826	23,826
LLC interests	-	676	18,228	18,904
Rights & warrants	702	652	7,414	8,768
Options	6,463	-	-	6,463
Real Estate Investment Trusts	1,039	4,041	-	5,080
Corporate bonds	-	1,943	-	1,943
Preferred equity	600	-	-	600
Total	\$ 385,272	\$ 446,474	\$ 266,164	\$ 1,097,910
Liabilities				
Common stock & Options sold short	\$ 146,792	\$ -	-	\$ 146,792

The classification of a financial instrument within Level 3 is based on the significance of the unobservable inputs to the overall fair value measurement. The following table provides a roll forward of the investments classified within Level 3 for the year ended December 31, 2016:

(in thousands)

	Total Fair Value at December 31, 2015	Purchases	Sales and Maturities	Restructures	Transfers Into Level 3	Net Realized Gains / (Losses)	Net Unrealized Gains / (Losses)	Total Fair Value at December 31, 2016
Common equity securities	\$ 94,654	\$ 364	\$ (50,925)	\$ 49,361	\$ -	\$ 4,397	\$ 19,309	\$ 117,160
Floating rate syndicated bank loans	81,512	7,267	(21,984)	-	-	9,370	(21,462)	54,703
Limited partnership interests	5,731	6,921	(20,839)	-	31,563	1,714	(461)	24,630
Life settlement contracts	22,528	6,862	(5,000)	-	-	940	(1,504)	23,826
LLC interests	19,322	234	(84)	-	-	(95)	(1,149)	18,228
Participation interests	-	13,333	(1,353)	-	-	-	-	11,980
Asset-backed securities	3,885	5,250	(2,726)	-	693	313	808	8,223
Rights & w arrants	6,513	-	-	-	-	-	901	7,414
Preferred equity	18	-	-	-	-	-	(18)	-
Corporate bonds	-	-	-	-	1,094	(19,837)	18,743	-
	\$ 234,163	\$ 40,231	\$ (102,910)	\$ 49,361	\$ 33,350	\$ (3,198)	\$ 15,167	\$ 266,164

Transfers from Level 2 to Level 3 or from Level 3 to Level 2 are due to changes in observable pricing inputs as compared to the prior year. No significant transfers between Level 1 or Level 2 fair value measurements occurred during the year ended December 31, 2016.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

All net realized and unrealized gains and losses in the tables above are reflected in the accompanying Consolidated Income Statement. Approximately \$17.3 million of the net unrealized gains presented in the table above relate to investments held as of December 31, 2016.

Transfers out of Level 3 are recognized at the beginning of the period. The transfers out of Level 3 at December 31, 2016 were due to changes in observable pricing inputs as compared to the prior year.

The following page includes a summary of significant unobservable inputs used in the fair valuations of assets and liabilities categorized within Level 3 of the fair value hierarchy.

6. Securities Sold under Agreements to Repurchase

Transactions involving securities sold under agreements to repurchase are treated as collateralized financial transactions, and are recorded at their fair market values. In addition, interest earned on the securities is included in interest receivable, and interest accrued on amounts borrowed is included in interest payable. For the year ended December 31, 2016, Multi Strategy Master expensed approximately \$0.8 million for interest charged on the amounts borrowed for repurchase agreements.

In connection with transactions in agreements to repurchase, it is Multi Strategy Master's policy that its counterparty take possession of the underlying collateral securities, the fair value of which exceeds the principal amount of the agreements to repurchase, including accrued interest, at all times. If the counterparty defaults under agreements to resell, and the fair value of the collateral declines, the realization of the collateral by Multi Strategy Master may be delayed or limited.

To reduce counterparty credit risk with respect to repurchase agreements, Multi Strategy Master has entered into a master repurchase agreement, which allows Multi Strategy Master to make (or to have an entitlement to receive) a single net payment in the event of default (close-out netting) for outstanding payables and receivables with respect to repurchase agreements with the counterparty.

The master repurchase agreement includes credit related contingent features which allow the counterparty to terminate the agreement prior to maturity in the event Multi Strategy Master's net assets decline by a stated percentage or Multi Strategy Master fails to meet the terms of the agreement, which would cause the Master Partnership to accelerate payment of any net liability owed to the counterparty.

For financial reporting purposes, Multi Strategy Master does not offset repurchase agreement assets and liabilities that are subject to netting arrangements in the Consolidated Balance Sheet. Bankruptcy or insolvency laws of a particular jurisdiction may impose restrictions on or prohibitions against the right of offset in bankruptcy, insolvency or other events.

Collateral terms are contract specific for repurchase agreements. For repurchase agreements traded under master repurchase agreements, the collateral requirements are typically calculated by netting the mark to market amount for each transaction under such agreement and comparing that to the value of any collateral currently pledged by Multi Strategy Master or the counterparty.

For financial reporting purposes, cash collateral that has been pledged to cover obligations of Multi Strategy Master, if any, is reported in due to/from brokers on the Consolidated Balance Sheet. Generally, the amount of collateral due from or to a party must exceed a minimum transfer amount threshold before a transfer has to be made. To the extent amounts due to Multi Strategy Master from its counterparties are not fully collateralized, contractually or otherwise, Multi Strategy Master bears the risk of loss from counterparty non-performance.

At December 31, 2016, securities with a fair value of approximately \$64.9 million, which are included in investments in securities on the Consolidated Balance Sheet, were pledged to collateralize securities sold under agreements to repurchase.

7. Financial Instruments with Concentration of Credit and Other Risks

Financial Instruments

The Partnership and its Consolidated Entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The Consolidated Entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the Consolidated Entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

Market Risk

Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Entities due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Entities' exposure to market risk is affected by a number of macroeconomic factors, such as interest rates, availability of credit, inflation rates, economic uncertainty and changes in laws and regulations. These factors may affect the level and volatility of securities prices and the liquidity of the Partnership and its Consolidated Entities investments. Volatility or illiquidity could impair the Partnership and its Consolidated Entities performance or result in losses. The Partnership and its Consolidated Entities may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets. The performance of life settlement contracts may be adversely impacted by the under estimation of mortality and other rates.

Credit Risk

Credit risk is the potential loss the Partnership and its Consolidated Entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the Consolidated Entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the Consolidated Entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Liquidity Risk

The Consolidated Entities' limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Entities nor their manager expects such a market to develop.

Business Risk

The Partnership provides advisory services to the Consolidated Entities. Consolidated Entities could be materially affected by the liquidity, credit and other events of the Partnership.

High Yield Bonds and Loans

The Partnership and its Consolidated Entities' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Entities' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

When the Partnership and its Consolidated Entities purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Entities have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Entities may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

Debt Obligations

The Partnership and its Consolidated Entities' investment portfolio consists of collateralized loan obligations that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. Because of the inherent uncertainty of these investments, the Partnership's best estimates may differ significantly from values that would have been used had broader market for the investments existed.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Entities invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Entities' investments. However, the Consolidated Entities' portfolios could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Entities. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Entities to losses that are disproportionate to market movements as a whole.

At December 31, 2016, the Consolidated Entities' investments were predominantly concentrated in the United States and Cayman Islands.

Exit Difficulties

The Partnership and its Consolidated Entities cannot assure investors that it will be able to exit its investments by sale or other disposition at attractive prices, if at all. The mergers and acquisitions and public securities markets are highly cyclical, which means that the Consolidated Entities' investments, even its best performing investments, may be illiquid for extended periods of time despite the Consolidated Entities' efforts to identify attractive exit opportunities. Additionally, a significant portion of the Consolidated Entities' assets at any time will likely consist of debt obligations and other securities that are thinly-traded, for which no market exists and/or are restricted as to their transferability under applicable law and/or documents governing particular transactions of the Consolidated Entities. In some cases, the Consolidated Entities may be unable to realize an investment prior to the date on which the Consolidated Entities are scheduled to terminate and/or have to sell or otherwise dispose of one or more investments on disadvantageous terms as a result of the Consolidated Entities' termination, or distribute such investments in kind.

Custody Risk

The clearing operations for the Partnership and its Consolidated Entities are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Entities' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Entities may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Entities might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Leverage Risk

The Consolidated Entities may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Entities' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Entities. If the value of the Consolidated Entities' securities fall below the margin level required by a counterparty, additional margin deposits would be required. If the Consolidated Entities are unable to satisfy a margin call, the counterparty could liquidate the Consolidated Entities' positions in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Entities to incur significant losses. In addition, to the extent the Consolidated Entities have posted excess collateral for margin transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Entities' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Entities. In addition, because the use of leverage allows the Consolidated Entities to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Entities may lose in the event of adverse price movements is high in relation to the amount of their investment.

In the event of a sudden drop in the value of the Consolidated Entities' assets, the Consolidated Entities may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Entities may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Entities have the ability to apply discretionary margin, haircut, and financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2016, the Consolidated Entities' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

Litigation Risk

The Partnership and its Consolidated Entities are periodically subject to legal actions arising from the ordinary course of business. The ultimate outcome of these cases is inherently uncertain and could result in additional losses to the Partnership and/or its Consolidated Entities. Refer to Note 15 for a discussion of open litigation.

Expenses Reimbursable by Funds Managed

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2016, approximately \$7.8 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in *Other Assets* in the accompanying Consolidated Balance Sheet.

Accounts Held with Related Party

During the year the Partnership and its Consolidated Entities maintained accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2016, balances in the accounts were approximately \$15.3 million, a portion of which exceeds Federal deposit insurance limits.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank was the agent bank. Interest earned on the loans during the year was approximately \$8.2 million. At December 31, 2016, these subsidiaries were invested in NexBank agented loans with commitments and market values totaling approximately \$66.3 million and \$45.2 million, respectively.

Notes and Other Amounts Due from Affiliates

During the year ended December 31, 2016, Highland Capital Management Fund Advisors, L.P. ("HCMFA") issued a promissory note to the Partnership in the amount of \$2.3 million. The note accrues interest at a rate of 2.62%, the mid-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2016 total interest and principal due on outstanding promissory notes was approximately \$6.1 million and is payable on demand. The Partnership will not demand payment on amounts owed prior to May 31, 2018. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2016, NexPoint Advisors, L.P. ("NexPoint") received \$3.9 million of principal advances on their outstanding revolving note with the Partnership. The revolving note accrues interest at a rate of 6.0%. As of December 31, 2016 total interest and principal due on outstanding promissory and revolving notes was approximately \$25.9 million and is payable on demand. The Partnership will not demand payment on amounts owed prior to May 31, 2018. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2016, HCRE Partners, LLC ("HCRE") did not issue any new promissory notes to the Partnership. All outstanding promissory notes accrue interest at a rate of 8.0%. As of December 31, 2016 total interest and principal due on outstanding promissory notes was approximately \$6.1 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2016, Highland Capital Management Services, Inc. ("HCMSI") issued promissory notes to the Partnership in the aggregate amount of \$21.6 million. The notes accrue interest at rates ranging from 2.18% - 2.65%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2016 total interest and principal due on outstanding promissory notes was approximately \$22.8 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2016, James Dondero ("Dondero") issued promissory notes to the Partnership in the aggregate amount of \$14.8 million. The notes accrue interest at rates ranging from 1.95% - 2.25%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2016 total interest and principal due on the promissory notes was approximately \$14.9 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2016, Mark Okada ("Okada") issued a promissory note to the Partnership in the aggregate amount of \$1.3 million. The note accrues interest at a rate of 2.25%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2016 total interest and principal due on the promissory note was approximately \$1.3 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

During the year ended December 31, 2016, the Partnership purchased a promissory note due from The Dugaboy Investment Trust ("Dugaboy") in the aggregate amount of \$23.4 million. The note accrues interest at a rate of 2.75% per annum. As of December 31, 2016 total interest and principal due on the promissory note was approximately \$23.4 million and is payable in full on October 30, 2036. The fair value of the Partnership's outstanding notes receivable approximates its carrying value of the notes receivable.

On December 21, 2015, the Partnership entered into a contribution agreement (the "Contribution Agreement") with an affiliated trust. Pursuant to the Contribution Agreement, a note (the "Note Receivable") in the amount of \$63.0 million was due to the Partnership. The Note Receivable will mature on December 21, 2030. The Note Receivable accrues interest at a rate of 2.61% per annum. Accrued interest is paid-in-kind, with principal receipts occurring pursuant to a note amortization schedule, with such annual receipts commencing December 21, 2019. As of December 31, 2016 total interest and principal due on the Note Receivable was approximately \$64.6 million.

Services Performed by or on Behalf of an Affiliate

In March 2007, Highland Capital of New York, Inc. a New York corporation ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. For the year ended December 31, 2016, total marketing fee expense charged to the Partnership by Highland New York was approximately \$4.3 million and as of December 31, 2016, amounts owed to Highland New York for services rendered was approximately \$0.4 million.

Effective December 15, 2011, the Partnership commenced performing services on behalf of HCMFA, a Delaware limited partnership and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2016, the total fee charged by the Partnership to HCMFA was approximately \$2.5 million and as of December 31, 2016, there were no amounts owed to the Partnership by HCMFA for services rendered.

Effective July 29, 2010, the Partnership commenced performing services on behalf of Falcon E&P Opportunities GP, LLC. ("Falcon"), a Delaware limited liability company and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2016, the total fee charged by the Partnership to Falcon was approximately \$0.2 million and as of December 31, 2016, no amounts were owed to the Partnership by Falcon for services rendered.

Effective January 1, 2016, pursuant to the Second Amended and Restated Sub-Advisory Agreement and the Third Amended and Restated Shared Services Agreement dated July 29, 2016, the Partnership continued performing services on behalf of Acis Capital Management, L.P. ("Acis"), a Delaware limited partnership and registered investment advisor. Subadvisory services include investment advisory services and shared services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2016, the total fees charged by the Partnership to Acis for shared services and subadvisory fees were approximately \$5.1 million and \$6.8 million, respectively. As of December 31, 2016, amount owed to the Partnership by Acis was approximately \$0.5 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Effective January 1, 2013, the Partnership commenced performing services on behalf of NexPoint. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2016, the total fee charged by the Partnership to NexPoint was approximately \$0.6 million and as of December 31, 2016, no amounts were owed to the Partnership by NexPoint for services rendered.

Effective September 24, 2013, the Partnership commenced performing services on behalf of NexBank Capital, Inc. ("NexBank Capital"), financial services company. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2016, the total fee charged by the Partnership to NexBank Capital was approximately \$0.2 million and as of December 31, 2016, \$0.1 million was owed to the Partnership by NexBank Capital for services rendered.

Effective September 24, 2013, the Partnership commenced performing services on behalf of NexBank SSB, ("NexBank"), a Texas savings bank. Services include investment advisory services. The Partnership charges a fee for the services performed. For the year ended December 31, 2016, the total fee charged by the Partnership to NexBank was approximately \$1.5 million and as of December 31, 2016, \$0.5 million was owed to the Partnership by NexBank for services rendered.

Effective April 1, 2015, the Partnership commenced performing services on behalf of NexPoint Real Estate Advisors, L.P. ("NREA"). Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. NREA is charged a fee for the services provided. For the year ended December 31, 2016, the total fee charged to NREA by the Partnership was approximately \$0.6 million and as of December 31, 2016, amounts owed by NREA to the Partnership for services rendered were approximately \$0.9 million.

Investment liability

On January 28, 2016, the Partnership entered into a participation agreement with Cornerstone Healthcare Group Holding, Inc. ("Cornerstone") for securities purchased and held on their behalf which had a value of \$8.0 million as of the transaction date. The fair value of the Agreement will fluctuate with the fair value of the held securities, throughout the term of the Agreement. As of December 31, 2016 the fair value of the securities were \$8.6 million.

On December 28, 2016, the Partnership entered into a purchase and sale agreement with The Get Good Nonexempt Trust ("Get Good"). In consideration for a note receivable from an affiliate, the Partnership sold or participated certain investments that it already held, with the participated investments carrying an aggregate market value of \$21.3 million as of the date of the transaction. The fair value of the Agreement will fluctuate with the fair value of the securities, throughout the term of the Agreement. As of December 31, 2016 the fair value of the participated investments was \$18.7 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

9. Notes Receivable

On October 12, 2016, the Partnership entered into a Purchase and Sale agreement (the "Agreement") with an unaffiliated registered fund. Pursuant to the Agreement, the Partnership sold, transferred and assigned to the fund, and the fund purchased and accepted from the Partnership, all of the Partnership's principal and accrued interest in various outstanding promissory notes (the "Notes") in the aggregate amount of \$6.4 million. The Notes accrue interest at a rate of 7.85% per annum. As of December 31, 2016 total interest and principal due on the Notes was approximately \$6.5 million.

10. Debt and Notes Payable

Promissory Note

On December 31, 2014, the Partnership entered in to a promissory note with an investor in the amount of \$18.6 million, in exchange for 100% of its LP interest in Highland Multi Strategy Credit Fund, L.P. The Partnership must pay one-third of the initial note amount, plus accumulated interest on each of the first three anniversaries of the note. The promissory note will mature on December 31, 2017. The promissory note accrues interest at a rate of 3.00% per annum. The promissory note is collateralized by limited partnership interest in Multi Strategy Master. As of December 31, 2016 the remaining principal payable on the promissory note was \$6.2 million. The fair value of the Partnership's outstanding notes payable approximates the carrying value of the notes payable.

On August 17, 2015, the Partnership entered in to a promissory note with Frontier State Bank in the amount of \$9.5 million. The promissory note will mature on August 17, 2018. The promissory note accrues interest at the 3 month LIBOR rate plus 4.75%, adjusted each date of change, per annum. Accrued interest shall be paid quarterly. The promissory note is collateralized by shares of voting common stock of MGM Holdings, Inc. As of December 31, 2016 the remaining principal payable on the promissory note was \$6.9 million. The fair value of the Partnership's outstanding notes payable approximates the carrying value of the notes payable.

On October 7, 2016, the Partnership entered in to a promissory note with Acis in the amount of \$12.7 million. The Partnership must make certain payments of the initial note amount, plus accumulated interest on May 31 of each year, until maturity. The promissory note will mature on May 31, 2019. The promissory note accrues interest at a rate of 3.00% per annum. As of December 31, 2016 the remaining principal payable on the promissory note was \$12.7 million. The fair value of the Partnership's outstanding notes payable approximates the carrying value of the notes payable.

On August 25, 2015, Highland Select Equity Fund, L.P. ("Select") entered in to a promissory note with Dugaboy in the amount of \$1.0 million. The promissory note accrues interest at a rate of 2.82%, the long-term Applicable Federal Rate, compounded annually. The accrued interest and principal of the promissory note is due and payable on demand. As of December 31, 2016 the remaining principal payable on the promissory note was \$1.0 million. The fair value of Select's outstanding notes payable approximates the carrying value of the notes payable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

On December 5, 2016, Select entered in to Stock Purchase Agreements with two counterparties for shares of Trussway Industries ("Trussway"), in exchange for promissory notes in the aggregate amount of \$15.4 million, plus in the event of a sale of Trussway on or prior to June 1, 2017, 50% of the excess of the price per share over the closing date price per share. The promissory notes accrue interest at a rate of 2.07%, the long-term Applicable Federal Rate, compounded annually. Select must pay one-twenty-fifth of the initial note amounts, plus any additional principal attributable to the sale of Trussway, along with accumulated interest on an annual basis. The promissory notes will mature on December 5, 2041. As of December 31, 2016 the remaining principal payable on the promissory notes was \$15.4 million. The fair value of Select's outstanding notes payable approximates the carrying value of the notes payable.

On August 29, 2016, Maple Avenue Holdings, LLC ("Maple") entered in to a promissory note with Great Southern Bank in the amount of \$3.9 million. Maple must pay principal and accrued interest installments on a monthly basis until maturity. The promissory note will mature on September 10, 2041. The promissory note accrues interest at a rate of 3.26% per annum. As of December 31, 2016 the remaining principal payable on the promissory note was \$3.8 million. The fair value of Maple's outstanding notes payable approximates the carrying value of the notes payable.

11. Due to Broker

As of December 31, 2016 the due to broker balance of approximately \$171.6 million is payable to financing counterparties for margin transactions.

12. Commitments

Contracts in the Normal Course of Business

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. The Partnership regularly co-invests in vehicles it advises. The amounts committed are within the Partnerships capacity to fund when capital is called. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant.

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the final outcome will not have a materially adverse effect on the Partnership's Consolidated Balance Sheet, Consolidated statement of Income, or its liquidity. See Note 15.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Operating Leases

The Partnership has an operating lease and associated commitments related to its main office space. Future minimum lease payments under operating lease commitments with initial or noncancelable terms in excess of one year, at inception, are as follows:

(in thousands)

Years Ending December 31

2017	1,521
2018	1,521
2019	1,550
2020	1,566
2021	1,567
Thereafter	522
Total	<u>\$ 8,246</u>

Total rental expense of the Partnership and its Consolidated Entities for operating leases was approximately \$1.5 million for the year ended December 31, 2016.

13. Post Retirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. A new amendment became effective on January 1, 2011 in which a named participant was admitted to the plan and is eligible to earn benefit accrual. 2011 expense reflects a service cost charge for the value of the new participant's benefit earned during 2011.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2016 are reconciled in the tables below.

(in thousands)

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

The Partnership does not expect to contribute to the plan during 2016.

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2016:

Discount rate	3.69%
Rate of compensation increase	N/A

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2016:

Discount rate	4.00%
Expected long-term return on plan assets	4.00%
Rate of compensation increase	N/A

As of December 31, 2016, there were no plan assets categorized as Level 3.

14. Income Taxes

The Partnership

For U.S. income tax purposes, the Partnership is treated as a pass-through-entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on their share of the Partnership's net taxable income.

The Partnership files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2016, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2009 forward (with limited exceptions).

Authoritative guidance on accounting for and disclosure of uncertainty in tax positions requires the General Partner to determine whether a tax position of the Partnership is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that as a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2016.

Multi Strategy Master

For U.S. income tax purposes, Multi Strategy Master is treated as a pass-through entity, which means it is not subject to federal income taxes under current Internal Revenue Service guidelines. However, each investor may be individually liable for income taxes, if any, on its share of the partnership's net taxable income.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

Multi Strategy Master trades in senior secured syndicated bank loans for its own account and, as such, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The Partnership intends to conduct Multi Strategy Master business in such a manner that it does not constitute a U.S. trade or business, nor does it create a taxable presence in any of the jurisdictions in which the Partnership has offices.

Dividends as well as certain interest and other income received by Multi Strategy Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Multi Strategy Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2016, a minimal withholding tax liability of \$1.3 million is classified within accrued and other liabilities on the Consolidated Balance Sheet.

Multi Strategy Master applies authoritative guidance which requires management to determine whether a tax position Multi Strategy Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. As of December 31, 2016, a liability to account for uncertain tax positions of \$0.1 million is classified within accrued expenses within the Consolidated Balance Sheet. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2016.

Multi Strategy Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Multi Strategy Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2016, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2013 forward (with limited exceptions).

Restoration Onshore

Restoration Onshore is treated as a pass-through entity for tax purposes, which means it is not subject to U.S. income taxes under current Internal Revenue Service or state and local guidelines. Each Partner is individually liable for income taxes, if any, on its share of the Restoration Onshore's net taxable income. Interest, dividends and other income realized by Restoration Onshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Onshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Onshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2016. Restoration Onshore files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal, state, local and foreign jurisdictions, where applicable. As of December 31, 2016, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2013 forward (with limited exceptions).

Restoration Offshore

Restoration Offshore is a Cayman Islands exempted company. Under the current laws of the Cayman Islands, there is no income, estate, transfer, sales or other tax payable by Restoration Offshore. Restoration Offshore has elected to be treated as a corporation for U.S. tax purposes and files a protective 1120-F.

The General Partner intends to conduct the business of Restoration Offshore in such a way that Restoration Offshore's activities do not constitute a U.S. trade or business and any income or realized gains earned by Restoration Offshore do not become "effectively connected" with a trade or business carried on in the United States for U.S. federal income tax purposes.

Dividends as well as certain interest and other income received by the master partnership of Restoration Offshore from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by the master partnership of Restoration Offshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Offshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Offshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2016. As of December 31, 2016, the tax years that remain subject to examination by major tax jurisdictions under the statute of limitations is from the year 2013 forward (with limited exceptions).

The remaining entities consolidated by the Partnership had no uncertain tax positions which required accrual under U.S. GAAP.

Highland Capital Management, L.P.

Notes to Consolidated Financial Statements
December 31, 2016

15. Legal Proceedings

On July 15, 2008, Crusader Master, Highland Offshore Partners, CDO Master Fund, Multi Strategy Master, certain affiliates, and numerous external parties (collectively, the “Defendants”) were named as parties to an action filed with the Bankruptcy Court of the Southern District of Florida (“the Touse action”). The action related to a secured lending transaction and subsequent refinancing arrangement in which the Defendants participated. On October 13, 2009, the Bankruptcy Court ruled in favor of the plaintiffs and ordered the Defendants to disgorge the principal, interest, and fees they received in connection with the refinancing arrangement. In addition, the Court ordered the defendants to pay simple interest on the disgorged amount at an annual rate of 9%. The Defendants believed they acted in good faith pursuant to the terms of the relevant agreements and appealed the decision. In February 2011, the District Court of Florida quashed the judgment against the Defendants and overturned the ruling that resulted in the Defendants recording the reserve. The plaintiffs appealed the ruling of the District Court, and the issue was sent to the Eleventh Circuit of Florida. On May 15, 2012, the Eleventh Circuit unexpectedly reversed the District Court’s ruling, and remanded the case back to the District Court for review. The last such case was heard by the US Supreme Court case on January 14, 2015. On June 23, 2015, the District Court remanded the case back to the Bankruptcy Court for a report and recommendations regarding the effects of certain settlements on the Plaintiff’s available damages. On April 1, 2016, the Bankruptcy Court issued its Report and Recommendations to the District Court. Briefing on the Report and Recommendations was completed in June 2016. On March 8, 2017, the District Court substantially adopted the Bankruptcy Court Report and Recommendations, which affirmed the Defendants’ liability. The case has now been retuned to the Eleventh Circuit for additional appeals. Based on the ruling, the Consolidated Entities recorded a combined reserve of approximately \$5.8 million as of December 31, 2016. This reserve is included in *Accrued and other liabilities* on the Consolidated Balance Sheet.

Multi Strategy Master and certain of its affiliates (collectively, the “UBS Defendants”) have respectively been named as defendants in two separate lawsuits filed by UBS Securities LLC and UBS AG, London Branch (collectively, “UBS Plaintiffs”) in the Supreme Court of the State of New York, New York County (the “Court”). In the lawsuits, the UBS Plaintiffs seek damages from the UBS Defendants and other entities relating to a warehouse facility formed for a proposed collateralized loan obligation, or CLO, transaction that was not completed. The UBS Plaintiffs seek monetary damages of approximately \$0.7 million, plus certain costs, fees and expenses. The UBS Plaintiffs also seek to unwind alleged fraudulent transfers involving the UBS Defendants. Although the UBS Plaintiffs have not pled a specific damages amount against the UBS Defendants, any eventual damages award would be subject to pre-judgment interest of 9% (accrued as of December 3, 2008) as well as post-judgment interest of 9% (accrued as of the date a judgment, if any, is entered against the UBS Defendants). Each of the UBS Defendants filed a separate motion to dismiss, both of which were denied. In addition, Multi Strategy Master filed a motion for summary judgment, which was heard by the Court on February 14, 2014. On March 11, 2014, the Appellate Division of the Supreme Court of the State of New York (First Department) (the “Appellate Court”) heard each of the UBS Defendants’ respective appeals of the Court’s denials of their respective motions to dismiss. The Court has not yet set a trial date. Though Multi Strategy Master continues to vigorously defend against the UBS Plaintiffs’ claims, at this time, the General Partner is unable to provide a reasonably probable estimate of the expected outcome.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

On July 16, 2013, Credit Suisse Securities (USA), LLC ("Credit Suisse") filed suit against Multi Strategy Master and other affiliates (the "Credit Suisse Defendants"). Credit Suisse's claims relate to several outstanding trades of debt tranches of Westgate Investments. On May 5, 2014, Credit Suisse moved for summary judgment on both the principal amount and statutory pre-judgment interest. The Court granted the motion on August 6, 2014, and issued judgment on September 11, 2014 in the amount of \$6.4 million in principal, plus \$3.4 million in interest, for a total of \$9.8 million. Multi Strategy Master continued to accrue interest based on the New York statutory rate through November 30, 2015. As of November 30, 2015, an additional \$0.7 million in interest had been accrued, for a total of \$4.1 million in interest. At November 30, 2015 total interest and principal liability of \$10.5 million had been accrued. On January 14, 2016, the Multi Strategy Master had reached settlement with Credit Suisse for payment of \$9.9 million in satisfaction and release of Credit Suisse's claims. The difference between the settlement amount and what was accrued at November 30, 2015, approximately \$0.5 million, was recognized as of December 31, 2015, bringing the total accrued liability down to the settlement amount. The Master Partnership made payments of approximately \$1.5 million on January 20, 2016, \$2.5 million on May 6, 2016, and \$5.9 million on August 8, 2016, in full settlement of the outstanding liability. As of December 31, 2016, Partnership had no liability recorded on the Consolidated Balance Sheet related to Credit Suisse.

In April 2012, the Partnership filed suit against a former employee for breach of contract, defamation and theft of trade secrets. The former employee filed a counterclaim with numerous, unrelated allegations. The Partnership refuted each allegation in detail. The former employee sought unspecified damages against the Partnership and certain affiliates. On February 6, 2014, the jury found the former employee breached his fiduciary duty to the Partnership. The jury found that neither the Partnership nor any of its employees had breached any duty, and awarded \$2.8 million to the Partnership. The jury also found that HERA owed \$2.6 million related to an employee retention plan. The court entered judgment on the verdict on July 11, 2014. On August 22, 2016, the Court of Appeals for the Fifth District of Texas (Dallas) affirmed the judgment against the former employee in favor of the Partnership in the amount of \$2.8 million plus post-judgment interest. The Partnership then sought to enforce the judgment. The former employee paid the Partnership \$3.1 million on December 14, 2016 in complete satisfaction of the outstanding judgment.

From time to time the Partnership is party to disputes with disgruntled former employees. One such matter involves a former employee that improperly recorded internal conversations in violation of the Partnership's internal policies and procedures and potentially certain criminal and regulatory provisions. The former employee has asserted counterclaims related to his time employed by the Partnership. The matter has been referred to arbitration and at this time, the General Partner is unable to provide a reasonably probable estimate of the expected outcome.

The Partnership is engaged in litigation with two groups of investors relating to the wind down and distribution of the remaining assets in Crusader and Credit Strategies funds. With respect to the Crusader fund, at this time, the General Partner is unable to provide a reasonably probable estimate of the expected outcome. With respect to the Credit Strategies fund, subsequent to year end a settlement was reached. Refer to Note 16 for additional discussion of settlement terms.

In addition to the legal actions that are discussed above, the Partnership is subject to other legal actions arising from the ordinary course of its business. The ultimate outcome of these other cases is inherently uncertain and could result in additional losses to the Partnership.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2016

16. Subsequent Events

Over the course of 2017 through the report date, the Partnership has distributed equity to its partners in the aggregate amount of \$18.3 million.

On January 5, 2017 the Partnership received a \$5.5 million pay down on the outstanding Contribution Agreement.

On May 12, 2017, the Partnership entered into an agreement, approved by the independent Redeemer Committee of the Credit Strategies Fund, whereby the Partnership and Highland New York paid the Credit Strategies Fund \$23.0 million in exchange for the remaining assets of the Credit Strategies Fund and releases from the on-going litigation between the Partnership and the Redeemer Committee. Related to this transaction and release of on-going litigation claims of the Partnership, Cornerstone Health Care Group, Inc., with the approval of a special committee of its independent directors, paid indemnification to the Partnership in the amount of \$17.4 million.

The Partnership has performed an evaluation of subsequent events through May 19, 2017, which is the date the consolidated financial statements were available to be issued, and has determined that there are no other material subsequent events that would require disclosure in the Partnership's consolidated financial statements.

Report of Independent Auditors

To the General Partner of Highland Capital Management, L.P.

We have audited the accompanying consolidated financial statements of Highland Capital Management, L.P. and its subsidiaries (collectively, the "Partnership"), which comprise the consolidated balance sheet as of December 31, 2017, and the related consolidated statements of income, of changes in partners' capital and of cash flows for the year then ended.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Partnership's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Highland Capital Management, L.P. and its subsidiaries as of December 31, 2017, and the results of their operations, changes in their partners' capital and their cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The Supplemental Consolidating Balance Sheet, the Supplemental Consolidating Statement of Income, the Supplemental Unconsolidated Balance Sheet and the Supplemental Unconsolidated Statement of Income are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole.

Net increase in cash and cash equivalents	73,350
---	--------

Cash and cash equivalents

Beginning of year	<u>30,129</u>
End of year	<u>\$ 103,479</u>

Supplemental disclosure of cash flow information:

Interest paid during the year	\$ (4,900)
Interest receivable reclassified to promissory notes	4,390
Taxes paid during the year	(1,676)
Investments acquired for non-cash consideration	7,713
Investments disposed for non-cash consideration	3,452

The accompanying notes are an integral part of these consolidated financial statements.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

1. Description of Business

Highland Capital Management, L.P. (the "Partnership") was formed on July 7, 1997 as a limited partnership in the state of Delaware. The Partnership is a registered investment adviser under the Investment Advisers Act of 1940 that manages collateralized loan obligations ("CLOs"), hedge funds, private equity funds, and other leveraged loan transactions that are collateralized predominately by senior secured bank debt and high-yield bonds. The Partnership and its subsidiaries make direct investments in debt, equity, and other securities in the normal course of business. The Partnership's general partner is Strand Advisors, Inc. (the "General Partner"). The Partnership is owned by an unaffiliated trust as well as affiliated trusts and personal holdings of the senior management of the Partnership.

As of December 31, 2017, the Partnership provided investment advisory services for twenty-eight CLOs, six separate accounts, one master limited partnership, and eleven hedge fund or private equity structures, with total fee-earning assets under management of approximately \$4.9 billion.

2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Partnership in preparation of its consolidated financial statements.

Basis of Accounting

The Partnership's consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles in the United States of America ("U.S. GAAP") as set forth in the Financial Accounting Standards Board's Accounting Standards Codification and are stated in the United States Dollar.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts and disclosures in the consolidated financial statements. Actual results could differ from those estimates and those differences could be material.

Principles of Consolidation

The consolidated financial statements include the accounts of the Partnership and the Partnership's consolidated subsidiaries ("Consolidated Entities"), which are comprised of (i) those entities in which it has controlling investment and has control over significant operating, financial and investing decisions, (ii) those entities in which it, as the general partner, has control over significant operating, financial and investing decisions, and (iii) variable interest entities ("VIEs") in which it is the primary beneficiary as described below.

The Partnership determines whether an entity has equity investors who lack the characteristics of a controlling financial interest or does not have sufficient equity at risk to finance its expected activities without additional subordinated financial support from other parties. If an entity has either of these characteristics, it is considered a VIE and must be consolidated by its primary beneficiary, which is the party that, along with its affiliates and de facto agents, absorbs a majority of the VIEs' expected losses or receives a majority of the expected residual returns as a result of holding variable interests.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

The Partnership assesses consolidation requirements pursuant to ASU 2015-02: Consolidation, which was adopted using the modified retrospective method and resulted in an effective date of adoption of January 1, 2016.

The Partnership and its affiliate's involvement with unconsolidated VIEs is generally limited to that of an advisory services provider, and their investment, if any, represents an insignificant interest in the relevant investment entities' assets under management. The Partnership's affiliate's exposure to risk in these entities is generally limited to any capital contribution it has made or is required to make and any earned but uncollected asset based and performance fees. The Partnership has not issued any investment performance guarantees to these VIEs or their investors, except that the Partnership has agreed to subject the full value of its equity interest (\$1.0M) in Highland Prometheus Fund to dollar-for-dollar reduction to the extent the third party investor in such fund does not achieve an annual target return.

As of December 31, 2017, the net assets of the unconsolidated VIEs and the Partnership's maximum risk of loss were as follows:

(in thousands)

	Unconsolidated VIE Net Assets	Carrying Value and Maximum Risk of Loss
Sponsored investment funds	\$ 625,692,621	\$ 13,979,151

Consolidation of Variable Interest Entities

The Partnership consolidates the following VIEs (along with majority owned funds: Highland Diversified Credit Fund, L.P., and Highland Select Equity Fund, L.P., collectively the "Consolidated Investment Funds"), as the Partnership (or its wholly owned subsidiaries) controls the general partner of the respective entities and is responsible for the daily operations of the following entities:

- Highland Multi Strategy Credit Fund, L.P. ("Multi Strategy Master"), formerly Highland Credit Opportunities CDO, L.P., a Delaware limited partnership that commenced operations on December 15, 2005 and changed its name on August 26, 2014;
- Highland Multi-Strategy Master Fund, L.P. ("Multi-Strat Master"), a Bermuda limited partnership that commenced operations on July 18, 2006;
- Highland Multi-Strategy Fund, L.P. ("Multi-Strat Domestic Feeder"), a Delaware limited partnership that commenced operations on July 6, 2006;
- Highland Restoration Capital Partners Offshore, L.P. ("Restoration Offshore"), a Cayman limited partnership that commenced operations on September 2, 2008;
- Highland Restoration Capital Partners, L.P. ("Restoration Onshore"), a Delaware limited partnership that commenced operations on September 2, 2008; and

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

- BB Votorantim, Highland Infrastructure LLC ("BB Votorantim"), a Delaware limited liability company which began operations on May 29, 2014.

Consolidation of Majority Owned Entities

The Partnership consolidates the following entities as it has a controlling majority interest:

- 100% interest in Highland Capital Special Allocation, LLC ("HCSA"), a Delaware limited liability company that commenced operations on December 21, 2006;
- 100% interest in Highland Receivables Finance 1, LLC, a Delaware limited liability company that commenced operations on December 29, 2006;
- 100% interest in Highland Multi-Strategy Onshore Master SubFund, LLC, a Delaware limited liability company that commenced operations on July 19, 2006;
- 100% interest in Highland Multi-Strategy Onshore Master Subfund II, LLC, a Delaware limited liability company that commenced operations on February 22, 2007;
- 100% interest in Highland Brasil, LLC, a Delaware limited liability company that commenced operations on January 28, 2014;
- 100% interest in Highland Capital Management Partners Charitable Trust #1, a trust that commenced operations on September 19, 2006;
- 100% interest in Highland Capital Management (Singapore) Pte. Ltd., a company organized in the Republic of Singapore that commenced operations on April 2, 2008;
- 100% interest in Highland Capital Management Korea, Ltd. ("HCM Korea"), a company organized in the Republic of Korea that commenced operations on August 2, 2012;
- 100% interest in Highland Capital Management Latin America, L.P., ("HCM Latin America"), a Cayman company that was formed on April 13, 2017;
- 100% interest in HE Capital, LLC, a Delaware limited liability company that was formed on March 22, 2007;
- 100% interest in De Kooning, Ltd, a Cayman company that was formed on December 1, 2012;
- 100% interest in Hirst, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Hockney, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Oldenburg, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in Eames, Ltd, a Cayman company that was formed on December 12, 2012;
- 99.9% interest in Penant Management, L.P., a Delaware limited partnership that was formed on December 12, 2012;
- 100% interest in Pollack, Ltd., a Cayman company that was formed on December 1, 2012;

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

- 100% interest in Warhol, Ltd., a Cayman company that was formed on December 1, 2012;
- 100% interest in HCREF-I Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREF-XI Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in HCREF-XII Holding Corp., a Delaware company that was formed on December 13, 2012;
- 100% interest in Highland ERA Management, LLC, a Delaware limited liability company that was formed on February 1, 2013;
- 100% interest in The Dondero Insurance Rabbi Trust, a trust that was formed on May 27, 2004;
- 100% interest in The Okada Insurance Rabbi Trust, a trust that was formed on May 27, 2004;
- 100% interest in Highland Employee Retention Assets ("HERA"), LLC, a Delaware limited liability company that was formed on October 26, 2009;
- 100% interest in Highland Diversified Credit Fund, L.P. ("Highland Offshore Partners"), a Delaware limited partnership which began operations on February 29, 2000 and was organized for the sole purpose of investing substantially all of its assets in Highland Offshore Partners, L.P.;
- 99.6% interest in Highland Select Equity Master Fund, LP, and Highland Select Equity Fund, LP Delaware limited partnerships which began operations on January 1, 2002 and was organized for the purpose of investing and trading in large and small cap stocks that trade for less than intrinsic value;
- 100% interest in Bandera Strategic Credit Partners I SLP, L.P., a Delaware limited liability company formed on April 3, 2014;
- 100% interest in Highland Fund Holdings, LLC, a Delaware limited liability company that was formed on May 24, 2016;
- 100% interest in HCM Holdco, LLC, a Delaware limited liability company formed on October 27, 2015 and;
- 100% interest in Maple Avenue Holdings, LLC, a Texas limited liability company formed on August 17, 2016.
- 100% interest in Highland HCF Advisor, Ltd., a Cayman company that was formed on October 27, 2017.

All inter-partnership and intercompany accounts and transactions involving the above listed Consolidated Entities have been eliminated in all of the aforementioned consolidating schedules. All the Consolidated Investment Funds are, for U.S. GAAP purposes, investment companies under the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide -

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Investment Companies. The Partnership has retained the specialized accounting of these funds required under U.S. GAAP.

The following table includes a rollforward of non-controlling interests from December 31, 2016, to December 31, 2017.

(in thousands)

Noncontrolling interest, December 31, 2016	\$ 412,847
Net income attributable to noncontrolling interest	82,060
Noncontrolling partner distributions	<u>(70,063)</u>
Noncontrolling interest, December 31, 2017	<u>\$ 424,844</u>

Investment Transactions

Investment transactions are recorded on a trade date basis. Investments in securities are valued at market or fair value at the date of the consolidated financial statements with the resulting net unrealized appreciation or depreciation reflected in the Consolidated Statement of Income. Realized gains and losses on the transactions are determined based on either the first-in, first-out or specific identification method.

See Note 5 for the Partnership's fair value process and hierarchy disclosures.

Management and Incentive Fee Revenue

The Partnership recognizes revenue as earned in connection with services provided under collateral and investment management agreements. Under these agreements, the Partnership earns management fees calculated as a percentage of assets under management or net asset value. The Partnership also has an opportunity to earn additional incentive fees and incentive allocations related to certain management agreements depending ultimately on the financial performance of the underlying assets the Partnership manages. During the year ended December 31, 2017, the Partnership and its Consolidated Entities recognized management fees and incentive fees of approximately \$37.9 million and \$11.8 million, respectively.

Shared Services Revenue

The Partnership recognizes revenue as earned in connection with services provided to related parties under various shared services agreements. Under these agreements, the Partnership earns fees for services including, but not limited to, back office support functions, marketing, and investment advisory services. During the year ended December 31, 2017, the Partnership and its Consolidated Entities recognized shared services revenue of approximately \$9.4 million, which has been presented in *Shared services fees* in the Consolidated Statement of Income. See further discussion in Note 9.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Income and Expense Recognition

Interest on currently paying debt instruments is accrued as earned and dividend income and dividends on securities sold, not yet purchased are recorded on the ex-dividend date, net of withholding taxes. In certain instances where the asset has defaulted or some amount of the interest payment is deemed uncollectable, interest is recognized when received. Discounts and premiums associated with purchases of investments are accreted and amortized to interest income, except for deep-discounted debt where ultimate collection of interest and principal may be in doubt. Such accretion/amortization is calculated on an effective-yield basis over the life of the investment. Amendment fees are recognized when agreed to by the underlying company and all settlement contingencies are met. Operating expenses, including interest on securities sold short, not yet purchased, are recorded on the accrual basis as incurred.

Income Taxes

The Partnership is not subject to federal income taxes, and therefore, no provision has been made for such taxes in the accompanying consolidated financial statements. Income taxes are the responsibility of the partners. Certain consolidated subsidiaries are subject to federal income taxes.

Certain entities that are included in these consolidated financial statements are subject to federal and/or state income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. See further discussion in Note 14.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held at U.S. and foreign banks, deposits with original maturities of less than 90 days, and money market funds. Cash equivalents are carried at cost, which approximates market value. At December 31, 2017, the Partnership and Consolidated Entities held cash balances at certain financial institutions in excess of the federally insured limit of \$0.3 million. The Partnership and Consolidated Entities regularly monitor the credit quality of these institutions.

Notes Receivable

Notes receivable consists of secured promissory notes with maturities greater than one year. When available, the Partnership uses observable market data, including pricing on recent closed transactions to value notes. When appropriate, these notes may be valued using collateral values. Adjustments to the value may be performed in circumstances where attributes specific to the collateral exist suggesting impairment.

Other Intangible Assets

Goodwill and other intangible assets are recorded on the Consolidated Balance Sheet at current carrying values. The Partnership and its Consolidated Entities perform an impairment test on an annual basis. Any impairment in the value of other intangible assets is accounted for in the year when it occurs.

Highland Capital Management, L.P.
 (A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are carried at cost, less accumulated depreciation. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the assets or the lease term.

The Partnership and its Consolidated Entities are depreciating fixed assets as follows:

	<u>Period</u>
Leasehold improvements	Lease term
Buildings	29 - 40 years
Furniture and fixtures	7 years
Computer and equipment	3 - 5 years
Computer software	3 years

Securities Sold, Not Yet Purchased

The Partnership's Consolidated Investment Funds engage in "short sales" as part of their investment strategies. Short selling is the practice of selling securities that are borrowed from a third party. The Consolidated Investment Funds are required to return securities equivalent to those borrowed for the short sale at the lender's demand.

Pending the return of such securities, the Consolidated Investment Funds deposit with the lender as collateral the proceeds of the short sale plus additional cash. The amount of the required deposit, which earns interest, is adjusted periodically to reflect any change in the market price of the securities that the Consolidated Investment Funds are required to return to the lender. A gain (which cannot exceed the price at which the Consolidated Investment Funds sold the security short) or a loss (which theoretically could be unlimited in size) will be settled upon termination of a short sale.

Due to/from Brokers

Due to and from broker balances recorded on the Consolidated Balance Sheet include liquid assets maintained with brokers and counterparties for margin account balances and the amounts due for or due from the settlement of purchase and sales transactions. Certain due to and from broker balances have been reported on a net-by-counterparty basis where, in accordance with contractual rights and the Partnership's opinion, there is a right of offset in the event of bankruptcy or default by a counterparty.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Options Contracts

The Partnership and the Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership or the Consolidated Entities purchase (write) an option, an amount equal to the premium paid (received) by the entity is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the Partnership or the Consolidated Entities enter into a closing transaction), the entity realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership or the Consolidated Entities purchasing a security at a price different from the current market value.

The Partnership and the Consolidated Entities are exposed to counterparty risk from the potential that a seller of an option contract does not sell or purchase the underlying asset as agreed under the terms of the option contract. The maximum risk of loss from counterparty risk to the Partnership and the Consolidated Entities is the greater of the fair value of its open option contracts or the premiums paid to purchase the open option contracts. The Partnership and the Consolidated Entities consider the credit risk of the intermediary counterparties to its option transactions in evaluating potential credit risk.

Margin Transactions

To obtain more investable cash, the Consolidated Entities may use various forms of leverage including purchasing securities on margin. A margin transaction consists of purchasing an investment with money loaned by a broker and agreeing to repay the broker at a later date. Interest expense on the outstanding margin balance is based on market rates at the time of the borrowing.

Withdrawals Payable

Withdrawals are recognized as liabilities, net of incentive allocations, when the amount requested in the withdrawal notice becomes fixed and determinable. This generally may occur either at the time of receipt of the notice, or on the last day of a fiscal period, depending on the nature of the request. As a result, withdrawals paid after the end of the year, but based upon year-end capital balances are reflected as withdrawals payable at December 31, 2017. Withdrawal notices received for which the dollar amount is not fixed remains in capital until the amount is determined. At December 31, 2017, the Consolidated Investment Funds had withdrawals payable of \$141.0 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Foreign Currency Transactions

The Partnership's subsidiaries HCM Singapore and HCM Korea use Singapore dollars and Korean won, respectively, as their functional currency. All foreign currency asset and liability balances are presented in U.S. dollars in the consolidated financial statements, translated using the exchange rate as of December 31, 2017. Revenues and expenses are recorded in U.S. dollars using an average exchange rate for the relative period. Foreign currency transaction gains and losses resulting from transactions outside of the functional currency of an entity are included in *Other income* on the Consolidated Statement of Income.

The Consolidated Entities do not isolate that portion of the results of operations resulting from changes in foreign exchange rates or investment or fluctuations from changes in market prices of securities held. Such fluctuations are included within the *Net realized and unrealized gains or loss from investments* on the Consolidated Statement of Income.

Life Settlement Contracts

One of the Consolidated Investment Funds, through a subsidiary, holds life settlement contracts and accounts for them using the fair value method. These contracts are recorded as a component of "Investments at fair value" on the Consolidated Balance Sheet. Realized and unrealized gains (losses) on the contracts are recorded in the Consolidated Income Statement. Cash flows relating to the purchase and sale of the contracts are recorded as a component of *Purchase of investments* and *Proceeds from dispositions of investments* on the Consolidated Statement of Cash Flows. At December 31, 2017, the Consolidated Investment Fund was invested in 13 policies, which had a total face value of approximately \$145.3 million and a fair value of \$29.0 million.

Financing

The Partnership and its Consolidated Entities may finance the acquisition of its investments in securities and loans through financing arrangements which are classified in Notes payable and Investment liabilities on the Consolidated Balance Sheet. The Partnership and its Consolidated Entities recognize interest expense on all borrowings on the accrual basis in the Consolidated Statement of Income.

Financial Instruments

The Partnership and its Consolidated Entities determine fair value of financial instruments as required by U.S. GAAP. The carrying amounts for cash and cash equivalents, receivables, accounts payable, withdrawals payable, debt and notes payable, due to brokers, investment liabilities and accrued liabilities approximate their fair values. For fair value of investment, see Note 5.

Accounts Payable, Accrued and Other Liabilities

Expenses are recorded on an accrual basis, as incurred. Current liabilities are included in Accounts payable. Long-term liabilities are included in Accrued and other liabilities.

Partners' Capital

The Partnership agreement requires that income or loss of the Partnership be allocated to the partners in accordance with their respective partnership interests.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Recently Issued Accounting Standards and Interpretations

In January 2016, the FASB issued ASU 2016-01, Fair Value: Recognition and Measurement of Financial Assets and Liabilities. Under the new standard, all equity investments in unconsolidated entities (other than those accounted for using the equity method of accounting) will generally be measured at fair value through earnings. The standard is effective for fiscal periods beginning after December 15, 2018. The Partnership does not expect the adoption of this standard to have a significant impact on its Consolidated Financial Statements.

In February 2016, the FASB issued ASU 2016-02, Leases, which requires lessees to recognize assets and liabilities arising from most operating leases on the statement of financial position. The standard is effective for fiscal periods beginning after December 15, 2019. The Partnership is evaluating the impact of this standard on its Consolidated Financial Statements.

In August 2016, the FASB issued ASU 2016-15, Statement of Cash Flows - Classification of Certain Cash Receipts and Cash Payments, which clarifies how cash receipts and cash payments are classified in the statement of cash flows. The standard is effective for fiscal periods beginning after December 15, 2018. The Partnership does not expect the adoption of this standard to have a significant impact on its Consolidated Financial Statements.

In May, 2014, the FASB issued ASU 2014-09, Revenue from contracts with customers, and subsequently issued several related amendments. ASC 606 provides a comprehensive model for revenue recognition and is effective in fiscal periods beginning after December 15, 2018. ASC 606 supersedes Accounting Standards Codification ("ASC") 605 and all prior FASB guidance related to revenue recognition. ASC 606 provides accounting guidance for all revenue arising from contracts with customers and also specifies the accounting for costs incurred to obtain or fulfill a revenue generating contract. The Partnership does not expect the adoption of this standard to have a significant impact on its Consolidated Financial Statements.

3. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are comprised of the following as of December 31, 2017:

(in thousands)

Leasehold improvements	\$	7,192
Buildings		2,595
Furniture and fixtures		2,795
Computer and equipment		2,799
Computer software		331
Accumulated depreciation		(9,880)
	\$	<u>5,832</u>

Depreciation expense in 2017 totaled approximately \$1.3 million for the Partnership and its subsidiaries.

4. Investments

Detailed below is a summary of the Partnership and its Consolidated Entities' investments at December 31, 2017:

(in thousands)

	Amortized Cost/Cost	Fair Value
Common equity securities	\$ 480,073	\$ 758,007
Closed-end mutual funds	100,328	99,620
Floating rate syndicated bank loans	138,781	68,030
Real Estate Investment Trusts	28,950	39,406
Life settlement contracts	57,922	28,959
Limited partnership interests	24,103	27,863
Participation interests	19,449	14,199
Rights & warrants	21,899	9,691
Asset-backed securities	57,365	6,477
LLC interests	12,803	3,352
Corporate bonds	85,946	527
Preferred equity	258	249
Total investments	<u>\$ 1,027,878</u>	<u>\$ 1,056,380</u>
	Proceeds	Fair Value
Securities sold, not yet purchased	<u>\$ (63,187)</u>	<u>\$ (95,403)</u>

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

5. Fair Value of Financial Instruments

Fair Value Measurement

U.S. GAAP defines fair value as the price an entity would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants as of the measurement date. The standard requires fair value measurement techniques to reflect the assumptions market participants would use in pricing an asset or liability and, where possible, to maximize the use of observable inputs and minimize the use of unobservable inputs. It also establishes the following hierarchy that prioritizes the valuation inputs into three broad levels:

- Level 1 – Valuation based on unadjusted quoted prices in active markets for identical assets and liabilities that the Partnership and the Consolidated Entities have the ability to access as of the measurement date. Valuations utilizing Level 1 inputs do not require any degree of judgment.
- Level 2 – Valuations based on (a) quoted prices for similar instruments in active markets; (b) quoted prices for identical or similar instruments in markets that are not active that are reflective of recent market transactions; or (c) models in which all significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on indicative quotes that do not reflect recent market transactions and models or other valuation techniques in which the inputs are unobservable and significant to the fair value measurement, which includes situations where there is little, if any, market activity for the asset or liability.

The availability of observable inputs varies among financial instruments and is affected by numerous factors, including the type of instruments, the period of time in which the instrument has been established in the marketplace, market liquidity for an asset class and other characteristics particular to a transaction. When the inputs used in a valuation model are unobservable, management is required to exercise a greater degree of judgment to determine fair value than it would for observable inputs. For certain instruments, the inputs used to measure fair value may fall into different levels of the hierarchy discussed above. In those cases, the instruments are categorized for disclosure purposes based on the lowest level of inputs that are significant to their fair value measurements.

The Partnership and Consolidated Entities use prices and inputs that are current as of the measurement dates. The Partnership also considers the counterparty's non-performance risk when measuring the fair value of its investments.

During periods of market dislocation, the ability to observe prices and inputs for certain instruments may change. These circumstances may result in the instruments being reclassified to different levels within the hierarchy over time. They also create an inherent risk in the estimation of fair value that could cause actual amounts to differ from management's estimates. Whenever possible, the Partnership and its Consolidated Entities use actual market prices or relevant observable inputs to establish the fair value of its assets and liabilities. In cases where observable inputs are not available, the Partnership and Consolidated Entities develop methodologies that provide appropriate fair value estimates. These methodologies are reviewed on a continuous basis to account for changing market conditions.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

The Partnership has established policies, as described above, processes and procedures to ensure that valuation methodologies for investments and financial instruments that are categorized within all levels of the fair value hierarchy are fair and consistent. A Pricing Committee has been established to provide oversight of the valuation policies, processes and procedures, and is comprised of various personnel from the Partnership. The Pricing Committee meets monthly to review the proposed valuations for investments and financial instruments. The Pricing Committee is responsible for establishing the valuation policies and evaluating the overall fairness and consistent application of those policies.

As of December 31, 2017, the Partnership and its Consolidated Entities' investments consisted primarily of common equity securities, closed-end mutual funds, floating rate syndicated bank loans, real estate investment trusts, life settlement contracts, limited partnership interests, participation interests, rights and warrants, option contracts, asset-backed securities, LLC interests, corporate bonds, and preferred equity. In addition, the Consolidated Entities engage in short sale transactions. The majority of these financial instruments are not listed on national securities exchanges and management is required to use significant judgment to estimate their values.

Equity Investments

Publicly traded equities are valued at the closing price at the date of the financial statements. The fair value of equity investments that are not traded on national exchanges or through real-time quotation services are derived from methodologies that provide appropriate fair value estimates. Equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets.

Private Equity Investments

The Partnership and Consolidated Entities hold private equity investments which resulted from the restructuring of other instruments. These assets are valued using market data obtained from a third-party pricing service and/or quotes from other parties dealing in the specific assets when available. In the event both a reliable market quote and third-party pricing service data are not available for such assets, the Partnership and Consolidated Entities will fair value the assets using various methodologies, as appropriate for individual investments, including comparable transaction multiples, comparable trading multiples, and/or discounted cash flow analysis. When utilizing comparable trading multiples, the Investment Manager determines comparable public companies (peers) based on industry, size, developmental stage, strategy, etc., and then calculates a trading multiple for each comparable company identified by using either a price to book ratio based on publically available information about the underlying comparable company or by dividing the enterprise value of the comparable company by its earnings before interest, taxes, depreciation and amortization (EBITDA) or similar metrics. In certain instances, the inputs used in the calculation of the trading multiples may vary based on the industry or development stage of the company. A multiple determined by the Investment Manager to be within a reasonable range as calculated amongst its peers is then applied to the underlying company's price to book ratio or EBITDA (which may be normalized to adjust for certain nonrecurring events), to calculate the fair value of the underlying company. The fair value may be further adjusted for entity specific facts and circumstances. Private equity investments with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Private equity investments that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

The Consolidated Entities also invest in warrant securities of publicly-traded companies. The fair value of these investments is based on an option pricing model. The option model bases warrant value on a number of factors including underlying equity price as of the valuation date, strike price, exercise date, time to expiration and volatility. Warrant investments that have observable volatility are classified as Level 2 assets. Warrant investments where volatility inputs are not observable are valued using an estimated volatility input, and are classified as Level 3 assets.

Debt Securities

The Partnership and Consolidated Entities invest in various types of debt, which are almost exclusively valued using market data obtained from one or more third-party pricing services or brokers. In instances where a third-party pricing service does not provide pricing for a specific asset, the Partnership and Consolidated Entities first seek to obtain reliable market quotes from other parties dealing in the specific asset. Loans and bonds with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Loans and bonds that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Absent both a reliable market quote and third-party pricing service date, the Partnership and Consolidated Entities may use various models to establish an estimated exit price. These investments are classified as Level 3 assets. Models used for debt securities are primarily based on identifying comparable assets for which market data is available and pricing the target asset consistent with the yields of the comparable assets. As circumstances require, other industry accepted techniques may be used in modeling debt assets.

Life Settlement Contracts

Life Settlement contracts are valued using mortality tables and interest rate assumptions that are deemed by management to be appropriate for the demographic characteristics of the parties insured under the policies. Management generally utilizes an independent third party firm to perform these calculations and provide the relevant inputs. Management evaluates the results based on visible market activity and market research. Since these inputs are not readily observable, these contracts are classified as Level 3 assets.

At December 31, 2017, the Consolidated Entities' investments in life settlement contracts consisted of the following:

(U.S. dollars in thousands, except number of policies)

Remaining Life Expectancy (in years)	Number of Policies	Face Value	Fair Value
2-3	1	\$ 5,000	\$ 2,566
4-5	2	28,785	8,882
Thereafter	10	111,500	17,511
Total	13	\$ 145,285	\$ 28,959

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Options Contracts

The Partnership and its Consolidated Entities may purchase and write call and put options to gain market exposure or to hedge investments. A call option gives the purchaser of the option the right (but not the obligation) to buy, and obligates the seller to sell (when the option is exercised), the underlying position at the exercise price at any time or at a specified time during the option period. A put option gives the holder the right to sell and obligates the writer to buy the underlying position at the exercise price at any time or at a specified time during the option period. When the Partnership and its Consolidated Entities purchase (writes) an option, an amount equal to the premium paid (received) by the purchaser is reflected as an asset (liability). The amount of the asset (liability) is subsequently marked-to-market to reflect the current market value of the option purchased (written). When a security is purchased (or sold) through an exercise of an option, the related premium paid (or received) is added to (or deducted from) the basis of the security acquired or deducted from (or added to) the proceeds of the security sold. When an option expires (or the purchaser enters into a closing transaction), the purchaser realizes a gain or loss on the option to the extent of the premiums received or paid (or gain or loss to the extent the cost of the closing transaction exceeds the premium received or paid). Exercise of a written option could result in the Partnership and its Consolidated Entities purchasing a security at a price different from the current market value.

Asset-Backed Securities

The Consolidated Entities invest in a variety of asset-backed securities. Asset-backed securities are generally valued based on complex cash flow models that analyze the cash flows generated by the investment's underlying assets after adjusting for expected default rates, prepayment rates, collateral quality, market liquidity among other factors. These models are then adjusted based on spreads available in the market place from various research firms, dealers, and trading activity. The Consolidated Entities generally utilize an independent third party firm to perform these calculations and provide the relevant inputs. The Consolidated Entities evaluate the results based on visible market activity and market research. When appropriate, the Consolidated Entities may apply other techniques based on a specific asset's characteristics. Asset-backed securities with quotes that are based on actual trades with a sufficient level of activity on or near the valuation date are classified as Level 2 assets. Asset-backed securities that are priced using quotes derived from implied values, bid/ask prices for trades that were never consummated, or a limited amount of actual trades are classified as Level 3 assets because the inputs used by the brokers and pricing services to derive the values are not readily observable.

Limited Partnership and LLC Interests

The Partnership and its Consolidated Entities hold limited partnership and LLC interests in various entities. These assets are valued as the net asset value of the limited partnership interests because the entities utilize fair value accounting for their own financial statements. These interests are classified as Level 3 assets.

The Partnership categorizes investments recorded at fair value in accordance with the hierarchy established under U.S. GAAP. A majority of the Consolidated Entities investments and derivatives at December 31, 2017 are classified as Level 3 positions due to the absence of active markets with quoted prices for identical or similar investments. The following table provides a summary of the financial instruments recorded at fair value on a recurring basis by level within the hierarchy as of December 31, 2017:

Highland Capital Management, L.P.

LLC interests	18,228	143	(16,015)	-	676	5,310	(4,990)	3,352
Corporate bonds	-	-	-	-	-	(400)	400	-
	\$ 266,164	\$ 32,880	\$ (75,727)	\$ -	\$ 24,652	\$ 6,105	\$ 26,098	\$ 280,172

Transfers from Level 2 to Level 3 or from Level 3 to Level 2 are due to changes in observable pricing inputs as compared to the prior year. No significant transfers between Level 1 or Level 2 fair value measurements occurred during the year ended December 31, 2017.

All net realized and unrealized gains and losses in the tables above are reflected in the accompanying Consolidated Income Statement. Approximately \$17.3 million of the net unrealized gains presented in the table above relate to investments held as of December 31, 2017.

The following page includes a summary of significant unobservable inputs used in the fair valuations of assets and liabilities categorized within Level 3 of the fair value hierarchy.

Notes to Consolidated Financial Statements
December 31, 2017

6. Securities Sold under Agreements to Repurchase

Transactions involving securities sold under agreements to repurchase are treated as collateralized financial transactions, and are recorded at their fair market values. In addition, interest earned on the securities is included in interest receivable, and interest accrued on amounts borrowed is included in interest payable. For the year ended December 31, 2017, Multi Strategy Master expensed approximately \$1.1 million for interest charged on the amounts borrowed for repurchase agreements.

In connection with transactions in agreements to repurchase, it is Multi Strategy Master's policy that its counterparty take possession of the underlying collateral securities, the fair value of which exceeds the principal amount of the agreements to repurchase, including accrued interest, at all times. If the counterparty defaults under agreements to resell, and the fair value of the collateral declines, the realization of the collateral by Multi Strategy Master may be delayed or limited.

To reduce counterparty credit risk with respect to repurchase agreements, Multi Strategy Master has entered into a master repurchase agreement, which allows Multi Strategy Master to make (or to have an entitlement to receive) a single net payment in the event of default (close-out netting) for outstanding payables and receivables with respect to repurchase agreements with the counterparty.

The master repurchase agreement includes credit related contingent features which allow the counterparty to terminate the agreement prior to maturity in the event Multi Strategy Master's net assets decline by a stated percentage or Multi Strategy Master fails to meet the terms of the agreement, which would cause the Master Partnership to accelerate payment of any net liability owed to the counterparty.

For financial reporting purposes, Multi Strategy Master does not offset repurchase agreement assets and liabilities that are subject to netting arrangements in the Consolidated Balance Sheet. Bankruptcy or insolvency laws of a particular jurisdiction may impose restrictions on or prohibitions against the right of offset in bankruptcy, insolvency or other events.

Collateral terms are contract specific for repurchase agreements. For repurchase agreements traded under master repurchase agreements, the collateral requirements are typically calculated by netting the mark to market amount for each transaction under such agreement and comparing that to the value of any collateral currently pledged by Multi Strategy Master or the counterparty.

For financial reporting purposes, cash collateral that has been pledged to cover obligations of Multi Strategy Master, if any, is reported in due to/from brokers on the Consolidated Balance Sheet. Generally, the amount of collateral due from or to a party must exceed a minimum transfer amount threshold before a transfer has to be made. To the extent amounts due to Multi Strategy Master from its counterparties are not fully collateralized, contractually or otherwise, Multi Strategy Master bears the risk of loss from counterparty non-performance.

At December 31, 2017, there were no repurchase or reverse repurchase agreements.

7. Financial Instruments with Concentration of Credit and Other Risks

Financial Instruments

The Partnership and its Consolidated Entities' investments include, among other things, equity securities, debt securities (both investment and non-investment grade) and bank loans. The Consolidated Entities may also invest in derivative instruments, including total return and credit default swaps. Investments in these derivative instruments throughout the year subject the Consolidated Entities to off-balance sheet market risk, where changes in the market or fair value of the financial instruments underlying the derivative instruments may be in excess of the amounts recognized in the Consolidated Balance Sheet.

Market Risk

Market risk represents the potential loss that may be incurred by the Partnership and its Consolidated Entities due to a change in the market value of its investments or the value of the investments underlying swap agreements. The Partnership and its Consolidated Entities' exposure to market risk is affected by a number of macroeconomic factors, such as interest rates, availability of credit, inflation rates, economic uncertainty and changes in laws and regulations. These factors may affect the level and volatility of securities prices and the liquidity of the Partnership and its Consolidated Entities investments. Volatility or illiquidity could impair the Partnership and its Consolidated Entities performance or result in losses. The Partnership and its Consolidated Entities may maintain substantial trading positions that can be adversely affected by the level of volatility in the financial markets. The performance of life settlement contracts may be adversely impacted by the under estimation of mortality and other rates.

Credit Risk

Credit risk is the potential loss the Partnership and its Consolidated Entities may incur as a result of the failure of a counterparty or an issuer to make payments according to the terms of a contract. Because the Consolidated Entities enter into over-the-counter derivatives such as swaps, it is exposed to the credit risk of their counterparties. To limit the credit risk associated with such transactions, the Consolidated Entities execute transactions with financial institutions that the Investment Manager believes to be financially viable.

Liquidity Risk

The Consolidated Entities' limited partner interests have not been registered under the Securities Act of 1933 or any other applicable securities law. There is no public market for the interests, and neither the Consolidated Entities nor their manager expects such a market to develop.

Business Risk

The Partnership provides advisory services to the Consolidated Entities. Consolidated Entities could be materially affected by the liquidity, credit and other events of the Partnership.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

High Yield Bonds and Loans

The Partnership and its Consolidated Entities' investment portfolios consist of floating rate syndicated bank loans and fixed income securities that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. In addition, certain of the Partnership and its Consolidated Entities' investments have resale or transfer restrictions that further reduce their liquidity. Because of the inherent uncertainty of these investments, the Investment Manager's best estimates may differ significantly from values that would have been used had a broader market for the investments existed.

When the Partnership and its Consolidated Entities purchase a senior secured syndicated bank loan, it enters into a contractual relationship directly with the corporate borrower, and as such, is exposed to certain degrees of risk, including interest rate risk, market risk and the potential non-payment of principal and interest, including default or bankruptcy of the corporate borrower or early payment by the corporate borrower. Typically, senior secured syndicated bank loans are secured by the assets of the corporate borrower and the Partnership and its Consolidated Entities have a policy of regularly reviewing the adequacy of each corporate borrower's collateral.

The Partnership and its Consolidated Entities may invest in high-yield bonds that have been assigned lower rating categories or are not rated by the various credit rating agencies. Bonds in the lower rating categories are generally considered to be speculative with respect to the issuer's ability to repay principal and pay interest. They are also subject to greater risks than bonds with higher ratings in the case of deterioration of general economic conditions. Due to these risks, the yields and prices of lower-rated bonds are generally volatile, and the market for them is limited, which may affect the ability to liquidate them if needed.

Debt Obligations

The Partnership and its Consolidated Entities' investment portfolio consists of collateralized loan obligations that are not listed on a national securities exchange. These investments trade in a limited market and it may not be possible to immediately liquidate them if needed. Because of the inherent uncertainty of these investments, the Partnership's best estimates may differ significantly from values that would have been used had broader market for the investments existed.

Distressed Investments

A portion of the high yield corporate bonds and senior secured syndicated bank loans in which the Partnership and its Consolidated Entities invest have been issued by distressed companies in an unstable financial condition that have experienced poor operating performance and may be involved in bankruptcy or other reorganization and liquidation proceedings. These investments have substantial inherent risks. Many of these distressed companies are likely to have significantly leveraged capital structures, which make them highly sensitive to declines in revenue and to increases in expenses and interest rates. The leveraged capital structure also exposes the companies to adverse economic factors, including macroeconomic conditions, which may affect their ability to repay borrowed amounts on schedule.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Corporate Bonds, Preferred Securities, and Loans

The Consolidated Entities may invest in corporate bonds, floating rate syndicated bank loans, and preferred securities which are rated in the lower rating categories by the various credit rating agencies (or in comparable non-rated securities). Securities in the lower rating categories are subject to greater risk of loss of principal and interest than higher-rated securities and are generally considered to be predominantly speculative with respect to the issuer's capacity to pay interest and repay principal. They are also subject to greater risks than securities with higher ratings in the case of deterioration of general economic conditions. Because of these greater risks associated with the lower-rated securities, the yields and prices of such securities may be more volatile than those for higher-rated securities. The market for lower-rated securities is thinner and less active than that for higher-rated securities, which could adversely affect the prices at which these securities may be sold by the Consolidated Entities.

Limited Diversification

The Investment Manager attempts to diversify the Consolidated Entities' investments. However, the Consolidated Entities' portfolios could become significantly concentrated in any one issuer, industry, sector strategy, country or geographic region, and such concentration of credit risk may increase the losses suffered by the Consolidated Entities. In addition, it is possible that the Investment Manager may select investments that are concentrated in certain classes of financial instruments. This limited diversity could expose the Consolidated Entities to losses that are disproportionate to market movements as a whole.

At December 31, 2017, the Consolidated Entities' investments were predominantly concentrated in the United States and Cayman Islands.

Exit Difficulties

The Partnership and its Consolidated Entities cannot assure investors that it will be able to exit its investments by sale or other disposition at attractive prices, if at all. The mergers and acquisitions and public securities markets are highly cyclical, which means that the Consolidated Entities' investments, even its best performing investments, may be illiquid for extended periods of time despite the Consolidated Entities' efforts to identify attractive exit opportunities. Additionally, a significant portion of the Consolidated Entities' assets at any time will likely consist of debt obligations and other securities that are thinly-traded, for which no market exists and/or are restricted as to their transferability under applicable law and/or documents governing particular transactions of the Consolidated Entities. In some cases, the Consolidated Entities may be unable to realize an investment prior to the date on which the Consolidated Entities are scheduled to terminate and/or have to sell or otherwise dispose of one or more investments on disadvantageous terms as a result of the Consolidated Entities' termination, or distribute such investments in kind.

Custody Risk

The clearing operations for the Partnership and its Consolidated Entities are provided by major financial institutions. In addition, all of the Partnership and its Consolidated Entities' cash and investments are held with banks or brokerage firms, which have worldwide custody facilities and are members of all major securities exchanges. The Partnership or its Consolidated Entities may lose all or a portion of the assets held by these banks or brokerage firms if they become insolvent or fail to perform pursuant to the terms of their obligations. While both the U.S. Bankruptcy Code and the Securities Investor Protection Act of 1970 seek to protect customer property in the event of a broker-dealer's failure, insolvency or liquidation, the Partnership and its Consolidated Entities might be unable to recover the full value of their assets or incur losses due to their assets being unavailable for a period of time.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Leverage Risk

The Consolidated Entities may borrow funds from brokers, banks and other lenders to finance its trading operations. The use of leverage can, in certain circumstances, magnify the losses to which the Consolidated Entities' investment portfolio may be subject. The use of margin and short-term borrowings creates several risks for the Consolidated Entities. If the value of the Consolidated Entities' securities fall below the margin level required by a counterparty, additional margin deposits would be required. If the Consolidated Entities are unable to satisfy a margin call, the counterparty could liquidate the Consolidated Entities' positions in some or all of the financial instruments that are in the account at the prime broker and cause the Consolidated Entities to incur significant losses. In addition, to the extent the Consolidated Entities have posted excess collateral for margin transactions, there is a risk that the counterparty will fail to fulfill its obligation to return the full value of that collateral.

The failure to satisfy a margin call, or the occurrence of other material defaults under margin or other financing agreements, may trigger cross-defaults under the Consolidated Entities' agreements with other brokers, lenders, clearing firms or other counterparties, multiplying the adverse impact to the Consolidated Entities. In addition, because the use of leverage allows the Consolidated Entities to control positions worth significantly more than its investment in those positions, the amount that the Consolidated Entities may lose in the event of adverse price movements is high in relation to the amount of their investment.

In the event of a sudden drop in the value of the Consolidated Entities' assets, the Consolidated Entities may not be able to liquidate assets quickly enough to satisfy their margin or collateral requirements. As a result, the Consolidated Entities may become subject to claims of financial intermediaries, and such claims could exceed the value of its assets. The banks and dealers that provide financing to the Consolidated Entities have the ability to apply discretionary margin, haircut, and financing and collateral valuation policies. Changes by banks and dealers in any of the foregoing may result in large margin calls, loss of financing and forced liquidations of positions and disadvantageous prices.

Foreign Currency Risk

The Partnership and its Consolidated Entities may invest in securities or maintain cash denominated in currencies other than the U.S. dollar. The Partnership and its Consolidated Entities are exposed to risk that the exchange rate of the U.S. dollar relative to other currencies may change in a manner that has an adverse effect on the reported value of the Partnership and its Consolidated Entities' assets and liabilities denominated in currencies other than the U.S. dollar.

Concentration of Investments

At December 31, 2017, the Consolidated Entities' investments and derivative contracts were predominantly concentrated in the United States and Cayman Islands and across several industries.

Litigation Risk

The Partnership and its Consolidated Entities are periodically subject to legal actions arising from the ordinary course of business. The ultimate outcome of these cases is inherently uncertain and could result in additional losses to the Partnership and/or its Consolidated Entities. Refer to Note 15 for a discussion of open litigation.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

8. Other Intangible Assets

On May 12, 2017, HCM Latin America, as manager, purchased all rights and obligations of a certain fund. The current carrying value of these rights and obligations is \$3.5 million, which consists of the original purchase price of \$2.0 million and a deferred purchase price of \$1.5 million.

On December 19, 2017, the Partnership obtained value for subadvisory and shared servicing rights from an affiliate. The current carrying value of this intangible asset is approximately \$2.8 million.

The Partnership and its Consolidated Entities perform an impairment test as required by U.S. GAAP on a yearly basis. The Partnership has determined that no impairment charge is necessary for the current year.

9. Related Party Transactions

Investments Under Common Control

Certain members of the Partnership's management serve as members on the Boards of Directors for some of the companies with which it invests. Because these individuals participate in the management of these companies, investments held by the Partnership and its subsidiaries in these companies may, from time to time, not be freely tradable. As of December 31, 2017, the Partnership and its Consolidated Entities held the following investments in these companies:

(in thousands)

Issuer	Type of Investment	Fair Value
American Banknote Corporation	Common Equity	\$ 747
American Home Patient	Common Equity	1,793
Carey International, Inc	Term Loan	5,392
CCS Medical, Inc.	Loan	6,246

OmniMax International, Inc. (fka Euramax Holdings, Inc.)	Common Stock	15,367
Trussway Industries, Inc.	LLC Units	51,707
Turtle Bay Holdings, LLC	LLC Units	628

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Certain investments are issued and managed by affiliates of the Partnership. These investments are subject to the same valuation policies and procedures as similar investments within the same level of the fair value hierarchy. As of December 31, 2017, the Partnership and the Consolidated Entities held the following investments that were issued and managed by affiliates of the Partnership:

(in thousands)

Issuer	Type of Investment	Fair Value
ACIS 2013-2A	Asset backed debt	\$ 1,428

NexPoint Real Estate Strategies Fund	Closed-end mutual fund shares	1,135
NexPoint Residential Trust	REIT	59,703

Expenses Reimbursable by Funds Managed

In the normal course of business, the Partnership typically pays invoices it receives from vendors for various services provided to the investment funds the Partnership manages. A summary of these eligible reimbursable expenses are then submitted to the trustee/administrator for each respective fund, typically on a quarterly basis, and the Partnership receives payment as reimbursement for paying the invoices on behalf of the respective funds. As of December 31, 2017, approximately \$8.4 million in reimbursable expenses were due from various affiliated funds and entities for these eligible expenses, and is included in *Other Assets* in the accompanying Consolidated Balance Sheet.

Accounts Held with Related Party

During the year the Partnership and its Consolidated Entities maintained bank accounts at NexBank, SSB ("NexBank"), a related party by way of common control. As of December 31, 2017, balances in these accounts were approximately \$1.1 million, a portion of which exceeds Federal deposit insurance limits.

Investment in Affiliated Loans

During the year, certain subsidiaries of the Partnership were invested in several bank loans in which NexBank was the agent bank. Interest earned on the loans during the year was approximately \$9.2 million and is included in Interest and investment income in the Consolidated Statement of Income. At December 31, 2017, these subsidiaries were invested in NexBank agented loans with commitments and market values totaling approximately \$74.4 million and \$49.4 million, respectively.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Notes and Other Amounts Due from Affiliates

During the year ended December 31, 2017, Highland Capital Management Fund Advisors, L.P. ("HCMFA") issued a promissory note to the Partnership in the amount of \$0.2 million. The note accrues interest at a rate of 1.52%, the mid-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2017 total interest and principal due on outstanding promissory notes was approximately \$4.9 million and is payable on demand. The Partnership will not demand payment on amounts owed prior to May 31, 2019. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

On May 31, 2017, the Partnership combined its outstanding promissory and revolving notes from NexPoint Advisors, L.P. ("NexPoint") into a single promissory note with principal outstanding of \$30.7 million and accruing interest at a rate of 6.0% with straight-line amortization over 30 annual payments commencing in the year ended December 31, 2017. As of December 31, 2017, \$29.7 million of principal was outstanding on this note. No interest is outstanding as of December 31, 2017. Total interest expense for the year ended December 31, 2017, was approximately \$1.7 million. The fair value of the Partnership's outstanding note receivable approximates the carrying value of the note receivable.

During the year ended December 31, 2017, HCRE Partners, LLC ("HCRE") issued a promissory note to the Partnership in the amount of \$2.5 million. The note accrues interest at a rate of 8.0%. As of December 31, 2017 total interest and principal due on outstanding promissory notes was approximately \$8.5 million and is payable in annual installments throughout the term of the note. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2017, Highland Capital Management Services, Inc. ("HCMSI") issued promissory notes to the Partnership in the aggregate amount of \$2.0 million. All outstanding promissory notes accrue interest at a rate ranging from 2.58 - 2.78%, the long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2017 total interest and principal due on outstanding promissory notes was approximately \$14.1 million and is payable in annual installments throughout the term of the notes. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2017, James Dondero ("Dondero") did not issue any new promissory notes to the Partnership. The outstanding promissory note accrues interest at a rate of 2.03%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2017 total interest and principal due on outstanding promissory note was approximately \$14.5 million and is payable in annual installments throughout the term of the note. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

During the year ended December 31, 2017, Mark Okada ("Okada") did not issue any new promissory notes to the Partnership. All outstanding promissory notes accrue interest at a rate of 2.25%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2017 total interest and principal due on outstanding promissory notes was approximately \$1.3 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

During the year ended December 31, 2017, The Dugaboy Investment Trust ("Dugaboy") did not issue any new promissory notes to the Partnership. All outstanding promissory notes accrue interest at a rate of 2.75%, the average long-term applicable federal rate as promulgated by the Internal Revenue Service. As of December 31, 2017 total interest and principal due on outstanding promissory notes was approximately \$22.8 million and is payable on demand. The fair value of the Partnership's outstanding notes receivable approximates the carrying value of the notes receivable.

On December 21, 2015, the Partnership entered into a contribution agreement (the "Contribution Agreement") with an affiliated trust. Pursuant to the Contribution Agreement, a note (the "Note Receivable") in the amount of \$63.0 million was due to the Partnership. The Note Receivable will mature on December 21, 2030. The Note Receivable accrues interest at a rate of 2.61% per annum. Accrued interest is paid-in-kind, with principal receipts occurring pursuant to a note amortization schedule, with such annual receipts commencing December 21, 2019. During the year, the trust pre-paid \$5.7 million. As of December 31, 2017 total interest and principal due on the Note Receivable was approximately \$60.7 million.

Services Performed by or on Behalf of an Affiliate

In March 2007, Highland Capital of New York, Inc. a New York corporation ("Highland New York"), was formed and has performed marketing services for the Partnership and its affiliates in connection with the Partnership's investment management and advising business, including, but not limited to, assisting Highland Capital in the marketing and sales of interests in investment pools for which Highland Capital serves as the investment manager. The Partnership is charged a marketing services fee for the services that Highland New York performs on the Partnership's behalf. Separately, the Partnership pays for, and seeks reimbursement for, various operating expenses on behalf of Highland New York. For the year ended December 31, 2017, total marketing fee expense charged to the Partnership by Highland New York was approximately \$1.6 million. As of December 31, 2017, net amounts owed to the Partnership by Highland New York was approximately \$4.5 million.

Effective December 15, 2011, the Partnership commenced performing services on behalf of HCMFA, a Delaware limited partnership and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2017, the total fee charged by the Partnership to HCMFA was approximately \$2.7 million and as of December 31, 2017, amount owed to the Partnership by HCMFA was approximately \$0.2 million.

Effective July 29, 2010, the Partnership commenced performing services on behalf of Falcon E&P Opportunities GP, LLC. ("Falcon"), a Delaware limited liability company and registered investment advisor. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2017, the total fee charged by the Partnership to Falcon was approximately \$0.2 million and as of December 31, 2017, no amounts were owed to the Partnership by Falcon for services rendered.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Effective March 17, 2017, pursuant to the Third Amended and Restated Sub-Advisory Agreement and the Fourth Amended and Restated Shared Services Agreement, the Partnership continued performing services on behalf of Acis Capital Management, L.P. ("Acis"), a Delaware limited partnership and registered investment advisor. Subadvisory services include investment advisory services and shared services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2017, the total fees charged by the Partnership to Acis for shared services and subadvisory fees were approximately \$4.8 million and \$6.5 million, respectively. As of December 31, 2017, amount owed to the Partnership by Acis was approximately \$1.9 million, against which the Partnership has recorded a \$1.6 million reserve based on estimated collectability.

Effective January 1, 2013, the Partnership commenced performing services on behalf of NexPoint. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2017, the total fee charged by the Partnership to NexPoint was approximately \$0.6 million and as of December 31, 2017, \$0.1 million was owed to the Partnership by NexPoint for services rendered.

Effective September 1, 2017, pursuant to the Third Amended and Restated Shared Services Agreement dated September 26, 2017, the Partnership commenced performing services on behalf of NexBank Capital, Inc. ("NexBank Capital"), financial services company. Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. The Partnership charges a fee for the services performed. For the year ended December 31, 2017, the total fee charged by the Partnership to NexBank Capital was approximately \$0.2 million and as of December 31, 2017, \$0.1 million was owed to the Partnership by NexBank Capital for services rendered.

Effective September 1, 2017, pursuant to the Third Amended and Restated Investment Advisory Agreement dated September 26, 2017, the Partnership commenced performing services on behalf of NexBank SSB, ("NexBank"), a Texas savings bank. Services include investment advisory services. The Partnership charges a fee for the services performed. For the year ended December 31, 2017, the total fee charged by the Partnership to NexBank was approximately \$3.1 million and as of December 31, 2017, amounts owed by NexBank to the Partnership for services rendered were approximately \$0.9 million.

Effective April 1, 2015, the Partnership commenced performing services on behalf of NexPoint Real Estate Advisors, L.P. ("NREA"). Services include, but are not limited to compliance, accounting, human resources, IT and other back office support functions. NREA is charged a fee for the services provided. For the year ended December 31, 2017, the total fee charged to NREA by the Partnership was approximately \$0.6 million and as of December 31, 2017, amounts owed by NREA to the Partnership for services rendered were approximately \$0.6 million.

Investment liability

On January 28, 2016, the Partnership entered into a participation agreement with Cornerstone Healthcare Group Holding, Inc. ("Cornerstone") for securities purchased and held on their behalf which had a value of \$8.0 million as of the transaction date. The fair value of the Agreement will fluctuate with the fair value of the held securities, throughout the term of the Agreement. As of December 31, 2017 the fair value of the securities were \$14.2 million.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

On December 28, 2016, the Partnership entered into a purchase and sale agreement with The Get Good Nonexempt Trust ("Get Good"). In consideration for a note receivable from an affiliate, the Partnership sold or participated certain investments that it already held, with the participated investments carrying an aggregate market value of \$21.3 million as of the date of the transaction. The fair value of the Agreement will fluctuate with the fair value of the securities, throughout the term of the Agreement. During the course of the year, certain of the participated investments were monetized and proceeds were delivered to the holder of the participated interest. As of December 31, 2017, the fair value of the participated investments was \$10.9 million.

On August 25, 2015, Highland Select Equity Fund, L.P. ("Select") entered in to a promissory note with Dugaboy in the amount of \$1.0 million. The promissory note accrues interest at a rate of 2.82%, the long-term Applicable Federal Rate, compounded annually. The accrued interest and principal of the promissory note is due and payable on demand. As of December 31, 2017 the remaining principal payable on the promissory note was \$1.0 million. The fair value of Select's outstanding notes payable approximates the carrying value of the notes payable.

On December 5, 2016, Select entered in to Stock Purchase Agreements with two counterparties for shares of Trussway Industries ("Trussway"), in exchange for promissory notes in the aggregate amount of \$15.4 million, plus in the event of a sale of Trussway on or prior to June 1, 2017, 50% of the excess of the price per share over the closing date price per share. The promissory notes accrue interest at a rate of 2.07%, the long-term Applicable Federal Rate, compounded annually. Select must pay one-twenty-fifth of the initial note amounts, plus any additional principal attributable to the sale of Trussway, along with accumulated interest on an annual basis. The promissory notes will mature on December 5, 2041. As of December 31, 2017 the remaining principal payable on the promissory notes was \$15.4 million. The fair value of Select's outstanding notes payable approximates the carrying value of the notes payable.

During 2014 and 2015, Select received multiple master securities loan agreements (the "Securities Agreements") for securities borrowed from an affiliate. The Securities Agreements accrue interest at a rate ranging from 0.38 - 0.48%, the short term Applicable Federal Rate. The fair value of the securities loans will fluctuate with the fair value of the borrowed securities, throughout the term of the Securities Agreements. As of December 31, 2017, the fair value of the loans was \$42.5 million. The fair value of Select's securities loans approximates the carrying value of the securities loans.

10. Notes Payable

Promissory Note

On August 17, 2015, the Partnership entered in to a promissory note with Frontier State Bank in the amount of \$9.5 million. The promissory note will mature on August 17, 2018. The promissory note accrues interest at the 3 month LIBOR rate plus 4.75%, adjusted each date of change, per annum. Accrued interest shall be paid quarterly. The promissory note is collateralized by shares of voting common stock of MGM Holdings, Inc. As of December 31, 2017 the remaining principal payable on the promissory note was \$6.9 million. The fair value of the Partnership's outstanding notes payable approximates the carrying value of the notes payable.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

On October 7, 2016, the Partnership entered in to a promissory note with Acis in the amount of \$12.7 million. The Partnership is required to make certain payments of the initial note amount, plus accumulated interest on May 31 of each year, until maturity. The promissory note is set to mature on May 31, 2019. The promissory note accrues interest at a rate of 3.00% per annum. Pursuant to an Assignment and Transfer Agreement dated November 3, 2017, between Acis and an affiliate of the Partnership, Acis transferred the promissory note to the affiliate. As of December 31, 2017 the remaining principal payable on the promissory note was \$9.5 million.

On August 29, 2016, Maple Avenue Holdings, LLC ("Maple") entered in to a promissory note with Great Southern Bank in the amount of \$3.9 million. Maple must pay principal and accrued interest installments on a monthly basis until maturity. The promissory note will mature on September 10, 2041. The promissory note accrues interest at a rate of 3.26% per annum. As of December 31, 2017 the remaining principal payable on the promissory note was \$3.6 million. The fair value of Maple's outstanding notes payable approximates the carrying value of the notes payable.

11. Due to Broker

As of December 31, 2017 the due to broker balance of approximately \$104.9 million is payable to financing counterparties for margin transactions.

12. Commitments and Contingencies

Contracts in the Normal Course of Business

In the normal course of business the Partnership and its subsidiaries may enter into contracts which provide general indemnifications and contain a variety of presentations and warranties that may expose the Partnership and its subsidiaries to some risk of loss. The Partnership regularly co-invests in vehicles it advises. The amounts committed are within the Partnerships capacity to fund when capital is called. In addition to the other financial commitments discussed in the consolidated financial statements, the amount of future losses arising from such undertakings, while not quantifiable, is not expected to be significant. Also refer to Note 9 for commitments of certain subsidiaries in affiliated loans.

Legal Proceedings

The Partnership is a party to various legal proceedings arising in the ordinary course of business. While any proceeding or litigation has an element of uncertainty, management believes that the final outcome will not have a materially adverse effect on the Partnership's Consolidated Balance Sheet, Consolidated statement of Income, or its liquidity. See Note 15.

Operating Leases

The Partnership has an operating lease and associated commitments related to its main office space. Future minimum lease payments under operating lease commitments with initial or non-cancelable terms in excess of one year, at inception, are as follows:

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

(in thousands)

Years Ending December 31,	
2018	1,521
2019	1,550
2020	1,566
2021	1,567
2022	522
Total	<u>\$ 6,725</u>

Total rental expense of the Partnership and its Consolidated Entities for operating leases was approximately \$1.5 million for the year ended December 31, 2017.

13. Post Retirement Benefits

In December 2006, the Partnership created a defined benefit plan to which all employees and certain affiliated persons could participate if they met the eligibility requirements. The Partnership uses a December 31 measurement date for its defined benefit plan.

Effective December 31, 2008, the Partnership amended the plan by freezing it to new participants and additional benefit accruals. A new amendment became effective on January 1, 2011 in which a named participant was admitted to the plan and is eligible to earn benefit accrual. 2017 expense reflects a service cost charge for the value of the new participant's benefit earned during 2017.

The Partnership's benefit plan obligation and plan assets for the year ended December 31, 2017 are reconciled in the tables below.

The Partnership did not contribute to the plan during 2017.

Assumptions

Weighted-average assumptions used to determine benefit obligations at December 31, 2017:

Discount rate	3.19%
Rate of compensation increase	N/A

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Weighted-average assumptions used to determine net periodic benefit cost at December 31, 2017:

Discount rate	3.69%
Expected long-term return on plan assets	3.69%
Rate of compensation increase	N/A

As of December 31, 2017, there were no plan assets categorized as Level 3.

14. Income Taxes

The Partnership

For U.S. income tax purposes, the Partnership is treated as a pass-through-entity, which means it is not subject to income taxes under current Internal Revenue Service or state and local guidelines. Each partner is individually liable for income taxes, if any, on their share of the Partnership's net taxable income.

The Partnership files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2017, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2014 forward (with limited exceptions).

Authoritative guidance on accounting for and disclosure of uncertainty in tax positions requires the General Partner to determine whether a tax position of the Partnership is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that as a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2017.

Multi Strategy Master

For U.S. income tax purposes, Multi Strategy Master is treated as a pass-through entity, which means it is not subject to federal income taxes under current Internal Revenue Service guidelines. However, each investor may be individually liable for income taxes, if any, on its share of the partnership's net taxable income.

Multi Strategy Master trades in senior secured syndicated bank loans for its own account and, as such, non-U.S. Investment Vehicle investors are generally not subject to U.S. tax on such earnings (other than certain withholding taxes indicated below). The Partnership intends to conduct Multi Strategy Master business in such a manner that it does not constitute a U.S. trade or business, nor does it create a taxable presence in any of the jurisdictions in which the Partnership has offices.

Dividends as well as certain interest and other income received by Multi Strategy Master from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by Multi Strategy Master from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced. As of December 31, 2017, a minimal withholding tax liability of \$0.1 million is classified within accrued and other liabilities on the Consolidated Balance Sheet.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Multi Strategy Master applies authoritative guidance which requires management to determine whether a tax position Multi Strategy Master is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the consolidated financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relative taxing authority. Management does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2017.

Multi Strategy Master files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, Multi Strategy Master is subject to examination by federal and foreign jurisdictions, where applicable. As of December 31, 2017, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2014 forward (with limited exceptions).

Restoration Onshore

Restoration Onshore is treated as a pass-through entity for tax purposes, which means it is not subject to U.S. income taxes under current Internal Revenue Service or state and local guidelines. Each Partner is individually liable for income taxes, if any, on its share of the Restoration Onshore's net taxable income. Interest, dividends and other income realized by Restoration Onshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Onshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Onshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority.

The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2017. Restoration Onshore files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Partnership is subject to examination by federal, state, local and foreign jurisdictions, where applicable. As of December 31, 2017, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations is from the year 2014 forward (with limited exceptions).

Restoration Offshore

Restoration Offshore is a Cayman Islands exempted company. Under the current laws of the Cayman Islands, there is no income, estate, transfer, sales or other tax payable by Restoration Offshore. Restoration Offshore has elected to be treated as a corporation for U.S. tax purposes and files a protective 1120-F.

The General Partner intends to conduct the business of Restoration Offshore in such a way that Restoration Offshore's activities do not constitute a U.S. trade or business and any income or realized gains earned by Restoration Offshore do not become "effectively connected" with a trade or business carried on in the United States for U.S. federal income tax purposes.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

Dividends as well as certain interest and other income received by the master partnership of Restoration Offshore from sources within the United States may be subject to, and reflected net of, United States withholding tax at a rate of 30% for non-U.S. Investment Vehicles. Interest, dividend and other income realized by the master partnership of Restoration Offshore from non-U.S. sources and capital gains realized on the sale of securities of non-U.S. issuers may be subject to withholding and other taxes levied by the jurisdiction in which the income is sourced.

Restoration Offshore applies the authoritative guidance on accounting for and disclosure of uncertainty in tax positions, which requires the General Partner to determine whether a tax position of Restoration Offshore is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. The General Partner has determined that there was no effect on the financial statements from the Partnership's application of this authoritative guidance. The General Partner does not expect a significant change in uncertain tax positions during the twelve months subsequent to December 31, 2017. As of December 31, 2017, the tax years that remain subject to examination by major tax jurisdictions under the statute of limitations is from the year 2014 forward (with limited exceptions). During the year, Restoration Offshore received approximately \$0.7 million related to a tax refund. This amount is reflected in the Statement of Cash Flows as a component of changes in other assets.

The remaining entities consolidated by the Partnership had no uncertain tax positions which required accrual under U.S. GAAP.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements

15. Legal Proceedings

On July 15, 2008, Highland Offshore Partners, Multi Strategy Master, certain affiliates, and numerous external parties (collectively, the "Defendants") were named as parties to an action filed with the Bankruptcy Court of the Southern District of Florida ("the Touse action"). The action related to a secured lending transaction and subsequent refinancing arrangement in which the Defendants participated. On October 13, 2009, the Bankruptcy Court ruled in favor of the plaintiffs and ordered the Defendants to disgorge the principal, interest, and fees they received in connection with the refinancing arrangement. In addition, the Court ordered the defendants to pay simple interest on the disgorged amount at an annual rate of 9%. The Defendants believed they acted in good faith pursuant to the terms of the relevant agreements and appealed the decision. In February 2011, the District Court of Florida quashed the judgment against the Defendants and overturned the ruling that resulted in the Defendants recording the reserve. The plaintiffs appealed the ruling of the District Court, and the issue was sent to the Eleventh Circuit of Florida. On May 15, 2012, the Eleventh Circuit unexpectedly reversed the District Court's ruling, and remanded the case back to the District Court for review. The last such case was heard by the US Supreme Court case on January 14, 2015. On June 23, 2015, the District Court remanded the case back to the Bankruptcy Court for a report and recommendations regarding the effects of certain settlements on the Plaintiff's available damages. On April 1, 2016, the Bankruptcy Court issued its Report and Recommendations to the District Court. Briefing on the Report and Recommendations was completed in June 2016. On March 8, 2017, the District Court substantially adopted the Bankruptcy Court Report and Recommendations, which affirmed the Defendants' liability. The case has now been returned to the Eleventh Circuit for additional appeals. Based on the ruling, the Consolidated Entities recorded a combined reserve of approximately \$5.8 million as of December 31, 2016. During 2017, the Consolidated Entities settled the Touse action for approximately \$7.7 million. Final settlement and dismissal was approved by the court on January 12, 2018. The difference (approximately \$2.0 million) between the amount accrued at December 31, 2016 and the amount paid was included in the Consolidate Income Statement as a realized loss.

The Partnership and certain affiliated investment vehicles are defendants in a complaint filed on February 24, 2009 New York state court by UBS Securities LLC and UBS AG, London Branch relating to a CLO warehouse facility with respect to which UBS is attempting to extend liability beyond the two entities that bore sole risk of loss under the governing documents. On February 19, 2010, the court dismissed all claims against the Partnership. UBS since has filed additional claims against the Partnership and certain additional investment vehicles. On July 21, 2011, the First Appellate Division again dismissed two of UBS's four claims against the Partnership, severely limiting the remaining two claims. Additional claims were dismissed in a further appellate ruling issued on October 31, 2017. The trial court has not indicated when UBS's remaining claims against the Partnership will go to trial.

From time to time the Partnership is party to disputes with disgruntled former employees. One such matter involves a former employee that improperly recorded internal conversations in violation of the Partnership's internal policies and procedures and potentially certain criminal and regulatory provisions. The former employee has asserted counterclaims related to his time employed by the Partnership. Arbitration on the matter has resolved and the matter is proceeding in Texas state and federal court.

Highland Capital Management, L.P.
(A Delaware Limited Partnership)
Notes to Consolidated Financial Statements
December 31, 2017

In another matter, a Court ruled that a former employee breached his fiduciary duty to the Partnership, owed damages to the Partnership, and ordered the former employee to cease using or disclosing the Partnership's confidential information. Additionally, an award was entered in favor of the employee against a separate incentive compensation entity for an interest that was already escrowed in his name prior to trial and in which he was already vested. The dispute over the amount of his vested interest is on-going. Additionally, the Partnership from time to time must take action to enforce the permanent injunction against the former employee's continuing improper disclosures of the Partnership's confidential information.

The Partnership is engaged in litigation with a group of investors relating to the post-financial crisis wind down and distribution of the remaining assets in the Crusader hedge fund vehicle.

The Partnership was engaged in litigation with a group of investors relating to the post-financial crisis wind down and distribution of the remaining assets in the Credit Strategies Fund. On May 12, 2017, the Partnership entered into an agreement, approved by the independent Redeemer Committee of the Credit Strategies Fund, whereby the Partnership and Highland New York paid the Credit Strategies Fund \$23.0 million in exchange for the remaining assets of the Credit Strategies Fund and releases from the on-going litigation between the Partnership and the Redeemer Committee. Related to this transaction and release of on-going litigation claims of the Partnership, Cornerstone Health Care Group, Inc., with the approval of a special committee of its independent directors, paid indemnification to the Partnership in the amount of \$17.4 million, which is recorded in Other income on the Consolidated Statement of Income. Of the \$23.0 million paid, \$14.3 million is recorded as a settlement expense which is a reduction to Other income on the Consolidated Statement of Income.

The Partnership currently is and has been previously subject to various legal proceedings, many of which have been due to the nature of operating in the distressed loan business in the U.S. The legal process is often the route of last resort to recover amounts due from delinquent borrowers. We currently do not anticipate these proceedings will have a material negative impact to the Partnership.

16. Subsequent Events

Over the course of 2018, through the report date, James Dondero issued promissory notes to the Partnership in the amount of \$11.7 million. The notes accrue interest at a rate ranging from 2.59%-2.66%.

The Partnership has performed an evaluation of subsequent events through May 18, 2018, which is the date the consolidated financial statements were available to be issued, and has determined that there are no other material subsequent events that would require disclosure in the Partnership's consolidated financial statements.

EXHIBIT 74

PROMISSORY NOTE

\$3,825,000

February 2, 2018

FOR VALUE RECEIVED, JAMES DONDERO ("*Maker*") promises to pay to the order of HIGHLAND CAPITAL MANAGEMENT LP ("*Payee*"), in legal and lawful tender of the United States of America, the principal sum of THREE MILLION, EIGHT HUNDRED AND TWENTY-FIVE THOUSAND and 00/100 Dollars (\$3,825,000.00), together with interest, on the terms set forth below (the "*Note*"). All sums hereunder are payable to Payee at 300 Crescent Court, Dallas, TX 75201, or such other address as Payee may specify to Maker in writing from time to time.

1. Interest Rate. The unpaid principal balance of this Note from time to time outstanding shall bear interest at a rate equal to the long-term "*applicable federal rate*" (2.66%) in effect on the date hereof for loans of such maturity as determined by Section 1274(d) of the Internal Revenue Code, per annum from the date hereof until maturity, compounded annually on the anniversary of the date of this Note. Interest shall be calculated at a daily rate equal to 1/365th (1/366 in a leap year) of the rate per annum, shall be charged and collected on the actual number of days elapsed, and shall be payable on demand of the Payee.

2. Payment of Principal and Interest. The accrued interest and principal of this Note shall be due and payable on demand of the Payee.

3. Prepayment Allowed; Renegotiation Discretionary. Maker may prepay in whole or in part the unpaid principal or accrued interest of this Note. Any payments on this Note shall be applied first to unpaid accrued interest hereon, and then to unpaid principal hereof.

4. Tax Loan. This Note is paid to the Maker to help satisfy any current tax obligations of a former partner or current partner.

5. Acceleration Upon Default. Failure to pay this Note or any installment hereunder as it becomes due shall, at the election of the holder hereof, without notice, demand, presentment, notice of intent to accelerate, notice of acceleration, or any other notice of any kind which are hereby waived, mature the principal of this Note and all interest then accrued, if any, and the same shall at once become due and payable and subject to those remedies of the holder hereof. No failure or delay on the part of Payee in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

6. Waiver. Maker hereby waives grace, demand, presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices of any kind hereunder.

7. Attorneys' Fees. If this Note is not paid at maturity (whether by acceleration or otherwise) and is placed in the hands of an attorney for collection, or if it is collected through a bankruptcy court or any other court after maturity, the Maker shall pay, in addition to all other

Exhibit 1

Appx. 01339

amounts owing hereunder, all actual expenses of collection, all court costs and reasonable attorneys' fees and expenses incurred by the holder hereof.

8. Limitation on Agreements. All agreements between Maker and Payee, whether now existing or hereafter arising, are hereby limited so that in no event shall the amount paid, or agreed to be paid to Payee for the use, forbearance, or detention of money or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing, securing or pertaining to this Note, exceed the maximum interest rate allowed by law. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between Payee and Maker in conflict herewith.

9. Governing Law. This Note and the rights and obligations of the parties hereunder shall be governed by the laws of the United States of America and by the laws of the State of Texas, and is performable in Dallas County, Texas.

MAKER:

A handwritten signature in blue ink, appearing to read 'James Dondero', is written over a horizontal line. The signature is stylized with a large initial 'J' and a long, sweeping underline.

PROMISSORY NOTE

\$2,500,000

August 1, 2018

FOR VALUE RECEIVED, JAMES DONDERO ("**Maker**") promises to pay to the order of HIGHLAND CAPITAL MANAGEMENT LP ("**Payee**"), in legal and lawful tender of the United States of America, the principal sum of TWO MILLION, FIVE HUNDRED THOUSAND and 00/100 Dollars (\$2,500,000.00), together with interest, on the terms set forth below (the "**Note**"). All sums hereunder are payable to Payee at 300 Crescent Court, Dallas, TX 75201, or such other address as Payee may specify to Maker in writing from time to time.

1. Interest Rate. The unpaid principal balance of this Note from time to time outstanding shall bear interest at a rate equal to the long-term "**applicable federal rate**" (2.95%) in effect on the date hereof for loans of such maturity as determined by Section 1274(d) of the Internal Revenue Code, per annum from the date hereof until maturity, compounded annually on the anniversary of the date of this Note. Interest shall be calculated at a daily rate equal to 1/365th (1/366 in a leap year) of the rate per annum, shall be charged and collected on the actual number of days elapsed, and shall be payable on demand of the Payee.

2. Payment of Principal and Interest. The accrued interest and principal of this Note shall be due and payable on demand of the Payee.

3. Prepayment Allowed; Renegotiation Discretionary. Maker may prepay in whole or in part the unpaid principal or accrued interest of this Note. Any payments on this Note shall be applied first to unpaid accrued interest hereon, and then to unpaid principal hereof.

4. Acceleration Upon Default. Failure to pay this Note or any installment hereunder as it becomes due shall, at the election of the holder hereof, without notice, demand, presentment, notice of intent to accelerate, notice of acceleration, or any other notice of any kind which are hereby waived, mature the principal of this Note and all interest then accrued, if any, and the same shall at once become due and payable and subject to those remedies of the holder hereof. No failure or delay on the part of Payee in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

5. Waiver. Maker hereby waives grace, demand, presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices of any kind hereunder.

6. Attorneys' Fees. If this Note is not paid at maturity (whether by acceleration or otherwise) and is placed in the hands of an attorney for collection, or if it is collected through a bankruptcy court or any other court after maturity, the Maker shall pay, in addition to all other amounts owing hereunder, all actual expenses of collection, all court costs and reasonable attorneys' fees and expenses incurred by the holder hereof.

Exhibit 3

7. Limitation on Agreements. All agreements between Maker and Payee, whether now existing or hereafter arising, are hereby limited so that in no event shall the amount paid, or agreed to be paid to Payee for the use, forbearance, or detention of money or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing, securing or pertaining to this Note, exceed the maximum interest rate allowed by law. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between Payee and Maker in conflict herewith.

8. Governing Law. This Note and the rights and obligations of the parties hereunder shall be governed by the laws of the United States of America and by the laws of the State of Texas, and is performable in Dallas County, Texas.

MAKER:

A handwritten signature in blue ink, appearing to read 'J. Dondero', is written over a horizontal line. Below the line, the name 'JAMES DONDERO' is printed in capital letters.

PROMISSORY NOTE

\$2,500,000

August 13, 2018

FOR VALUE RECEIVED, JAMES DONDERO ("*Maker*") promises to pay to the order of HIGHLAND CAPITAL MANAGEMENT LP ("*Payee*"), in legal and lawful tender of the United States of America, the principal sum of TWO MILLION, FIVE HUNDRED THOUSAND and 00/100 Dollars (\$2,500,000.00), together with interest, on the terms set forth below (the "*Note*"). All sums hereunder are payable to Payee at 300 Crescent Court, Dallas, TX 75201, or such other address as Payee may specify to Maker in writing from time to time.

1. Interest Rate. The unpaid principal balance of this Note from time to time outstanding shall bear interest at a rate equal to the long-term "*applicable federal rate*" (2.95%) in effect on the date hereof for loans of such maturity as determined by Section 1274(d) of the Internal Revenue Code, per annum from the date hereof until maturity, compounded annually on the anniversary of the date of this Note. Interest shall be calculated at a daily rate equal to 1/365th (1/366 in a leap year) of the rate per annum, shall be charged and collected on the actual number of days elapsed, and shall be payable on demand of the Payee.

2. Payment of Principal and Interest. The accrued interest and principal of this Note shall be due and payable on demand of the Payee.

3. Prepayment Allowed; Renegotiation Discretionary. Maker may prepay in whole or in part the unpaid principal or accrued interest of this Note. Any payments on this Note shall be applied first to unpaid accrued interest hereon, and then to unpaid principal hereof.

4. Acceleration Upon Default. Failure to pay this Note or any installment hereunder as it becomes due shall, at the election of the holder hereof, without notice, demand, presentment, notice of intent to accelerate, notice of acceleration, or any other notice of any kind which are hereby waived, mature the principal of this Note and all interest then accrued, if any; and the same shall at once become due and payable and subject to those remedies of the holder hereof. No failure or delay on the part of Payee in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

5. Waiver. Maker hereby waives grace, demand, presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices of any kind hereunder.

6. Attorneys' Fees. If this Note is not paid at maturity (whether by acceleration or otherwise) and is placed in the hands of an attorney for collection, or if it is collected through a bankruptcy court or any other court after maturity, the Maker shall pay, in addition to all other amounts owing hereunder, all actual expenses of collection, all court costs and reasonable attorneys' fees and expenses incurred by the holder hereof.

Exhibit 4

Appx. 01358

7. Limitation on Agreements. All agreements between Maker and Payee, whether now existing or hereafter arising, are hereby limited so that in no event shall the amount paid, or agreed to be paid to Payee for the use, forbearance, or detention of money or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing, securing or pertaining to this Note, exceed the maximum interest rate allowed by law. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between Payee and Maker in conflict herewith.

8. Governing Law. This Note and the rights and obligations of the parties hereunder shall be governed by the laws of the United States of America and by the laws of the State of Texas, and is performable in Dallas County, Texas.

James Dondero
 c/o Highland Capital Management, L.P.
 300 Crescent Court, Suite 700
 Dallas, Texas 75201

Re: Demand on Promissory Notes:

Dear Mr. Dondero,

You entered into the following promissory notes (collectively, the “Notes”) in favor of Highland Capital Management, L.P. (“Payee”):

Date Issued	Original Principal Amount	Outstanding Principal Amount (12/11/20)	Accrued But Unpaid Interest (12/11/20)	Total Amount Outstanding (12/11/20)
2/2/18	\$3,825,000	\$3,687,269.71	\$21,003.70	\$3,708,273.41
8/1/18	\$2,500,000	\$2,619,929.42	\$27,950.70	\$2,647,880.12
8/13/18	\$2,500,000	\$2,622,425.61	\$25,433.94	\$2,647,859.55
TOTALS	\$16,725,000	\$8,929,624.74	\$74,388.33	\$9,004,013.07

As set forth in Section 2 of each of the Notes, accrued interest and principal is due and payable upon the demand of Payee. By this letter, Payee is demanding payment of the accrued interest and principal due and payable on the Notes in the aggregate amount of \$9,004,013.07, which represents all accrued and unpaid interest and principal through and including December 11, 2020.

Payment is due on December 11, 2020, and failure to make payment in full on such date will constitute an event of default under the Notes.

Payments on the Notes must be made in immediately available funds. Payee’s wire information is attached hereto as **Appendix A**.

Nothing contained herein constitutes a waiver of any rights or remedies of Payee under the Notes or otherwise and all such rights and remedies, whether at law, equity, contract, or otherwise, are expressly reserved. Interest, including default interest if applicable, on the Notes will continue to accrue until the Notes are paid in full. Any such interest will remain your obligation.

Sincerely,

/s/ James P. Seery, Jr.

	§	
Defendant.	§	

DEFENDANT JAMES DONDERO’S ORIGINAL ANSWER

Defendant James Dondero (“Dondero” or “Defendant”), the defendant in the above-styled and numbered adversary proceeding (the “Adversary Proceeding”) filed by Highland Capital Management, L.P. (the “Plaintiff”), hereby files this Original Answer (the “Answer”) responding to the *Complaint for (I) Breach of Contract and (II) Turnover of Property of the Debtor’s Estate* [Adv. Dkt. 1] (the “Complaint”). Where an allegation in the Complaint is not expressly admitted in this Answer, it is denied.

Exhibit 7

PRELIMINARY STATEMENT

1. The first sentence of paragraph 1 of the Complaint sets forth the Plaintiff's objective in bringing the Complaint and does not require a response. To the extent it contains factual allegations, they are denied. The second sentence contains a legal conclusion that does not require a response. To the extent it contains factual allegations, they are denied.

2. Paragraph 2 contains a summary of the relief the Plaintiff seeks and does not require a response. To the extent it contains factual allegations, they are denied.

JURISDICTION AND VENUE

3. The Defendant admits that this Adversary Proceeding relates to the Plaintiff's bankruptcy case but denies any implication that this fact confers Constitutional authority on the Bankruptcy Court to adjudicate this dispute. Any allegations in paragraph 3 not expressly admitted are denied.

4. The Defendant admits that the Court has statutory (but not Constitutional) jurisdiction to hear this Adversary Proceeding. Any allegations in paragraph 4 not expressly admitted are denied.

5. The Defendant denies that a breach of contract claim is core. The Defendant denies that a § 542(b) turnover proceeding is the appropriate mechanism to collect a contested debt. The Defendant admits that a § 542(b) turnover proceeding is statutorily core but denies that it is Constitutionally core under *Stern v. Marshall*. The Defendant does not consent to the Bankruptcy Court entering final orders or judgment in this Adversary Proceeding. Any allegations in paragraph 5 not expressly admitted are denied.

6. The Defendant admits paragraph 6 of the Complaint.

THE PARTIES

7. The Defendant admits paragraph 7 of the Complaint.
8. The Defendant admits paragraph 8 of the Complaint.

CASE BACKGROUND

9. The Defendant admits paragraph 9 of the Complaint.
10. The Defendant admits paragraph 10 of the Complaint.
11. The Defendant admits paragraph 11 of the Complaint.
12. The Defendant admits paragraph 12 of the Complaint.

STATEMENT OF FACTS

13. The Defendant admits that he has executed promissory notes under which the Debtor is the payee. Any allegations in paragraph 13 not expressly admitted are denied.

14. The Defendant admits that he executed a note as alleged in the first sentence of paragraph 14 of the Complaint. Defendant admits that the attached document appears to be a copy of the referenced note.

15. The Defendant admits that he executed a note as alleged in the first sentence of paragraph 15 of the Complaint. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations contained in the second sentence of paragraph 15 of the Complaint and therefore denies same.

16. The Defendant admits that he executed a note as alleged in the first sentence of paragraph 16 of the Complaint. Defendant admits that the attached document appears to be a copy of the referenced note.

17. The Defendant admits that section 2 of each note attached to the Complaint contains the provision quoted in paragraph 17 of the Complaint.

18. The Defendant denies the allegations in paragraph 18 of the Complaint. It appears that the provisions of each Note differ. Accordingly, the allegations made in this paragraph are denied.

19. The Defendant denies the allegations in paragraph 19 of the Complaint. It appears that the provisions of each Note differ. Accordingly, the allegations made in this paragraph are denied.

20. In response to paragraph 20 of the Complaint, the Defendant admits that Exhibit 4 to the Complaint (the “Demand Letter”) is a true and correct copy of what it purports to be and that the document speaks for itself. To the extent paragraph 20 of the Complaint asserts a legal conclusion, no response is required, and it is denied. To the extent not expressly admitted, paragraph 20 of the Complaint is denied.

21. To the extent paragraph 21 of the Complaint asserts a legal conclusion, no response is necessary, and it is denied. The Defendant otherwise admits paragraph 21 of the Complaint.

22. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 22 of the Complaint and therefore denies same.

23. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 23 of the Complaint and therefore denies same.

24. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 24 of the Complaint and therefore denies same.

25. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 25 of the Complaint and therefore denies same.

26. The Defendant denies the allegations in paragraph 26 of the Complaint.

FIRST CLAIM FOR RELIEF
(For Breach of Contract)

27. Paragraph 27 of the Complaint is a sentence of incorporation that does not require a response. All prior denials are incorporated herein by reference.

28. Paragraph 28 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 28 of the Complaint and therefore denies same.

29. Paragraph 29 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 29 of the Complaint and therefore denies same.

30. Paragraph 30 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 30 of the Complaint and therefore denies same.

31. The Defendant denies paragraph 31 of the Complaint.

SECOND CLAIM FOR RELIEF
(Turnover by Mr. Dondero Pursuant to 11 U.S.C. § 542(b))

32. Paragraph 32 of the Complaint is a sentence of incorporation that does not require a response. All prior denials are incorporated herein by reference.

33. Paragraph 33 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 33 of the Complaint and therefore denies same.

34. Paragraph 34 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 34 of the Complaint and therefore denies the same.

35. The Defendant denies paragraph 35 of the Complaint.

36. Paragraph 36 of the Complaint states a legal conclusion that does not require a response. The Defendant admits that the Plaintiff transmitted the Demand Letter, and that document speaks for itself. To the extent paragraph 36 alleges other facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 36 of the Complaint and therefore denies the same.

37. The Defendant denies paragraph 37 of the Complaint.

38. Paragraph 38 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 38 of the Complaint and therefore denies the same.

39. The Defendant denies that the Plaintiff is entitled to the relief requested in the prayer, including as to parts (i), (ii), and (iii).

AFFIRMATIVE DEFENSES

40. Defendant asserts that Plaintiff's claims should be barred because it was previously agreed by Plaintiff that Plaintiff would not collect on the Notes.

41. Defendant further asserts that Plaintiff's claims are barred, in whole or in part, due to waiver.

42. Defendant further asserts that Plaintiff's claims are barred, in whole or in part, due

to estoppel.

43. Defendant further asserts that Plaintiff's claims may be barred, in whole or in part, due to failure of consideration.

JURY DEMAND

44. The Defendant demands a trial by jury of all issues so triable pursuant to Rule 38 of the Federal Rules of Civil Procedure and Rule 9015 of the Federal Rules of Bankruptcy Procedure.

45. The Defendant does not consent to the Bankruptcy Court conducting a jury trial and therefore demands a jury trial in the District Court.

PRAYER

WHEREFORE, PREMISES CONSIDERED, the Defendant respectfully request that, following a trial on the merits, the Court enter a judgment that the Plaintiff take nothing on the Complaint and provide the Defendant such other relief to which he is entitled.

Dated: March 16, 2021

Respectfully submitted,

CERTIFICATE OF SERVICE

I, the undersigned, hereby certify that, on April 28, 2021, a true and correct copy of the foregoing document was served via email on counsel for the Debtor.

/s/ Bryan C. Assink

Bryan C. Assink

OBJECTIONS AND RESPONSES

REQUEST FOR ADMISSION NO. 1: Admit that attached as Exhibit A is a true and correct copy of a Promissory Note (a) executed by James Dondero, as maker, in favor of the Debtor, as payee, (b) dated February 2, 2018, (c) in the original face amount of \$3,825,000 (the “February 2 Note”).

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 2: Admit that on or about February 2, 2018, the Debtor paid \$3,825,000 to James Dondero (or for his benefit) in exchange for the February 2 Note (the “February 2 Consideration”).

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 3: Admit that on or about February 2, 2018, the Debtor transferred \$3,825,000 to an account for James Dondero’s benefit.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 4: Admit that neither James Dondero nor any entity he owns and/or controls paid any federal or state income taxes on account of the February 2 Consideration.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 5: Admit that attached as Exhibit B is a true and correct copy of a Promissory Note (a) executed by James Dondero, as maker, in favor of the Debtor, as payee, (b) dated August 1, 2018, (c) in the original face amount of \$2,500,000 (the “August 1 Note”).

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 6: Admit that on or about August 1, 2018, the Debtor paid \$2,500,000 to James Dondero (or for his benefit) in exchange for the August 1 Note (the “August 1 Consideration”).

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 7: Admit that on or about August 1, 2018, the Debtor transferred \$2,500,000 to an account for James Dondero's benefit.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 8: Admit that neither James Dondero nor any entity he owns and/or controls paid any federal state income taxes on account of the August 1 Consideration.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 9: Admit that attached as Exhibit C is a true and correct copy of a Promissory Note (a) executed by James Dondero, as maker, in favor of the Debtor, as payee, (b) dated August 13, 2018, (c) in the original face amount of \$2,500,000 (the "August 13 Note").

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 10: Admit that on or about August 13, 2018, the Debtor paid \$2,500,000 to James Dondero (or for his benefit) in exchange for the August 13 Note (the "August 13 Consideration").

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 11: Admit that on or about August 13, 2018, the Debtor transferred \$2,500,000 to an account for James Dondero's benefit.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 12: Admit that neither James Dondero nor any entity he owns and/or controls paid any federal or state income taxes on account of the August 13 Consideration.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 13: Admit that attached as Exhibit D is the Debtor's December 3, 2020 demand letter (the "Demand Letter") to James Dondero demanding payment of the accrued interest and principal due and payable on the Promissory Notes in the aggregate amount of \$9,004,013.07 (the "Outstanding Amount").

RESPONSE:

Admit only that the letter attached as Exhibit D is a letter sent from the Debtor to Dondero making demand on the notes. The remainder of the request is denied.

REQUEST FOR ADMISSION NO. 14: Admit that, as of January 22, 2021, James Dondero has not paid the Debtor the Outstanding Amount.

RESPONSE:

Admit only that Dondero has not paid the Debtor the amount the Debtor asserts is due on the notes in the amount of \$9,004,013.07. The remainder of the request is denied.

/s/ Bryan C. Assink
Bryan C. Assink

OBJECTIONS AND ANSWERS

INTERROGATORY NO. 1: With respect to each Note, identify:

- (a) the person who entered into each Purported Agreement on behalf of the Debtor;
- (b) the date each Purported Agreement was entered into; and
- (c) all documents that reflect or memorialize each Purported Agreement.

ANSWER:

The Agreements were entered into on behalf of the Debtor by James Dondero, subsequent to the time each Note was executed. Documents reflecting or memorializing the Agreements, if any, will be produced at a mutually agreeable time and location.

INTERROGATORY NO. 2: Identify every person who James Dondero believes has actual knowledge of each Purported Agreement.

ANSWER:

Dondero objects to this interrogatory (1) to the extent it seeks privileged information, (2) because it requires Dondero to speculate as to what other people know and believe, and (3) because the phrase “actual knowledge” is not defined. Subject to these objections, Dondero believes the following individuals may have actual knowledge of each Purported Agreement:

James Dondero

Frank Waterhouse

Mark Okada

John Honis

Scott Ellington

INTERROGATORY NO. 3: Identify (a) anything of value that was received by James Dondero (or for his benefit) in exchange for each Note, and (b) the date anything of value that was received by James Dondero (or for his benefit) in exchange for each Note.

ANSWER:

Dondero received the funds evidenced in each Note on or about the date that each Note was entered into by the parties to the Notes.

INTERROGATORY NO. 4: Identify each witness James Dondero intends to call at trial in this Adversary Proceeding.

ANSWER:

Dondero will identify witnesses in accordance with the scheduling order governing this proceeding.

VERIFICATION

STATE OF TEXAS)
)
COUNTY OF DALLAS)

On this day, James D. Dondero appeared before me, the undersigned notary public, and upon his oath, certified that he had read Defendant's Objections and Answers to Highland Capital Management, L.P.'s First Set of Interrogatories and that the facts stated therein are within his personal knowledge and are true and correct.

JAMES D. DONDERO

SWORN TO and SUBSCRIBED before me by James D. Dondero on the 26th day of April, 2021.

Notary Public in and for the State of Texas

EXHIBIT 83

Appx. 01398

PRELIMINARY STATEMENT

1. The first sentence of paragraph 1 of the Complaint sets forth the Plaintiff's objective in bringing the Complaint and does not require a response. To the extent it contains factual allegations, they are denied. The second sentence contains a legal conclusion that does not require a response. To the extent it contains factual allegations, they are denied.

2. Paragraph 2 contains a summary of the relief the Plaintiff seeks and does not require a response. To the extent it contains factual allegations, they are denied.

JURISDICTION AND VENUE

3. The Defendant admits that this Adversary Proceeding relates to the Plaintiff's bankruptcy case but denies any implication that this fact confers Constitutional authority on the Bankruptcy Court to adjudicate this dispute. Any allegations in paragraph 3 not expressly admitted are denied.

4. The Defendant admits that the Court has statutory (but not Constitutional) jurisdiction to hear this Adversary Proceeding. Any allegations in paragraph 4 not expressly admitted are denied.

5. The Defendant denies that a breach of contract claim is core. The Defendant denies that a § 542(b) turnover proceeding is the appropriate mechanism to collect a contested debt. The Defendant admits that a § 542(b) turnover proceeding is statutorily core but denies that it is Constitutionally core under *Stern v. Marshall*. The Defendant does not consent to the Bankruptcy Court entering final orders or judgment in this Adversary Proceeding. Any allegations in paragraph 5 not expressly admitted are denied.

6. The Defendant admits paragraph 6 of the Complaint.

THE PARTIES

7. The Defendant admits paragraph 7 of the Complaint.
8. The Defendant admits paragraph 8 of the Complaint.

CASE BACKGROUND

9. The Defendant admits paragraph 9 of the Complaint.
10. The Defendant admits paragraph 10 of the Complaint.
11. The Defendant admits paragraph 11 of the Complaint.
12. The Defendant admits paragraph 12 of the Complaint.

STATEMENT OF FACTS

13. The Defendant admits that he has executed promissory notes under which the Debtor is the payee. Any allegations in paragraph 13 not expressly admitted are denied.

14. The Defendant admits that he executed a note as alleged in the first sentence of paragraph 14 of the Complaint. Defendant admits that the attached document appears to be a copy of the referenced note.

15. The Defendant admits that he executed a note as alleged in the first sentence of paragraph 15 of the Complaint. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations contained in the second sentence of paragraph 15 of the Complaint and therefore denies same.

16. The Defendant admits that he executed a note as alleged in the first sentence of paragraph 16 of the Complaint. Defendant admits that the attached document appears to be a copy of the referenced note.

17. The Defendant admits that section 2 of each note attached to the Complaint contains the provision quoted in paragraph 17 of the Complaint.

18. The Defendant denies the allegations in paragraph 18 of the Complaint. It appears that the provisions of each Note differ. Accordingly, the allegations made in this paragraph are denied.

19. The Defendant denies the allegations in paragraph 19 of the Complaint. It appears that the provisions of each Note differ. Accordingly, the allegations made in this paragraph are denied.

20. In response to paragraph 20 of the Complaint, the Defendant admits that Exhibit 4 to the Complaint (the “Demand Letter”) is a true and correct copy of what it purports to be and that the document speaks for itself. To the extent paragraph 20 of the Complaint asserts a legal conclusion, no response is required, and it is denied. To the extent not expressly admitted, paragraph 20 of the Complaint is denied.

21. To the extent paragraph 21 of the Complaint asserts a legal conclusion, no response is necessary, and it is denied. The Defendant otherwise admits paragraph 21 of the Complaint.

22. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 22 of the Complaint and therefore denies same.

23. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 23 of the Complaint and therefore denies same.

24. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 24 of the Complaint and therefore denies same.

25. The Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 25 of the Complaint and therefore denies same.

26. The Defendant denies the allegations in paragraph 26 of the Complaint.

FIRST CLAIM FOR RELIEF
(For Breach of Contract)

27. Paragraph 27 of the Complaint is a sentence of incorporation that does not require a response. All prior denials are incorporated herein by reference.

28. Paragraph 28 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 28 of the Complaint and therefore denies same.

29. Paragraph 29 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 29 of the Complaint and therefore denies same.

30. Paragraph 30 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 30 of the Complaint and therefore denies same.

31. The Defendant denies paragraph 31 of the Complaint.

SECOND CLAIM FOR RELIEF
(Turnover by Mr. Dondero Pursuant to 11 U.S.C. § 542(b))

32. Paragraph 32 of the Complaint is a sentence of incorporation that does not require a response. All prior denials are incorporated herein by reference.

33. Paragraph 33 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 33 of the Complaint and therefore denies same.

34. Paragraph 34 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 34 of the Complaint and therefore denies the same.

35. The Defendant denies paragraph 35 of the Complaint.

36. Paragraph 36 of the Complaint states a legal conclusion that does not require a response. The Defendant admits that the Plaintiff transmitted the Demand Letter, and that document speaks for itself. To the extent paragraph 36 alleges other facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 36 of the Complaint and therefore denies the same.

37. The Defendant denies paragraph 37 of the Complaint.

38. Paragraph 38 of the Complaint states a legal conclusion that does not require a response. To the extent it alleges facts, the Defendant lacks knowledge or information sufficient to form a belief about the truth of the allegations in paragraph 38 of the Complaint and therefore denies the same.

39. The Defendant denies that the Plaintiff is entitled to the relief requested in the prayer, including as to parts (i), (ii), and (iii).

AFFIRMATIVE DEFENSES

40. Defendant asserts that Plaintiff's claims should be barred because prior to the demands for payment Plaintiff agreed that it would not collect on the Notes upon fulfillment of conditions subsequent.

41. Defendant further asserts that Plaintiff's claim should be barred, or reduced, in whole or in part, pursuant to Defendant's right to set off a mutual obligation owed to Defendant

by Plaintiff under state and/or federal law, including pursuant to 11 U.S.C. § 553. Plaintiff owes Defendant a debt that should set off or reduce any amounts that Defendant is found to owe Plaintiff on the Notes.

42. Defendant further asserts that Plaintiff's claims are barred, in whole or in part, due to waiver.

43. Defendant further asserts that Plaintiff's claims are barred, in whole or in part, due to estoppel.

44. Defendant further asserts that Plaintiff's claims are barred, in whole or in part, due to failure of consideration.

45. Defendant further asserts that each Note is ambiguous.

JURY DEMAND

46. The Defendant demands a trial by jury of all issues so triable pursuant to Rule 38 of the Federal Rules of Civil Procedure and Rule 9015 of the Federal Rules of Bankruptcy Procedure.

47. The Defendant does not consent to the Bankruptcy Court conducting a jury trial and therefore demands a jury trial in the District Court.

PRAYER

WHEREFORE, PREMISES CONSIDERED, the Defendant respectfully request that, following a trial on the merits, the Court enter a judgment that the Plaintiff take nothing on the Complaint and provide the Defendant such other relief to which he is entitled.

Dated: April 6, 2021

Respectfully submitted,

/s/ Bryan C. Assink

OBJECTIONS AND RESPONSES¹

REQUEST FOR ADMISSION NO. 1: Admit that in December 2019, James Dondero made a payment to the Debtor, a portion of which was applied to reduce principal and/or interest due under one or more of the Notes.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 2: Admit that James Dondero did not file a proof of claim in the Bankruptcy Case concerning or relating to the “mutual obligation” referred to in paragraph 41 of the Amended Answer.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 3: Admit that James Dondero did not file a proof of claim in the Bankruptcy Case concerning or relating to the “debt” referred to in paragraph 41 of the Amended Answer.

RESPONSE:

ADMIT.

REQUEST FOR ADMISSION NO. 4: Admit that prior to serving his Amended Answer, James Dondero never informed the Debtor of his belief that any provision of any of the Notes was ambiguous, as alleged in paragraph 45 of the Amended Answer.

RESPONSE:

DENY.

REQUEST FOR ADMISSION NO. 5: Admit that as of the date of the service of these Requests for Admission, James Dondero has not (a) identified any particular provision or clause of any Note that he contends is ambiguous (any such provision or clause, the “Identified Provision”), and (b) informed the Debtor of the Identified Provision.

¹ Defendant makes these responses subject in all respects to his Motion for Withdrawal of the Reference [Adv. Dkt. No. 21] and the Motion to Stay Pending the Motion to Withdraw the Reference of Plaintiff’s Complaint [Adv. Dkt. No. 22] filed on April 15, 2021. For the reasons stated in the motions, Defendant believes that the reference should be withdrawn and this proceeding stayed while the motion to withdraw the reference is considered. Defendant does not waive, but instead hereby preserves, his right to a jury trial and all rights and requests for relief asserted in the motions. Defendant does not consent to the Bankruptcy Court determining this proceeding or entering final orders or judgments in this proceeding. Defendant requests that the reference be withdrawn and that the District Court adjudicate this proceeding.

RESPONSE:

DENY.

OBJECTIONS AND ANSWERS¹

INTERROGATORY NO. 1: Identify the “conditions subsequent” referred to in paragraph 40 of the Amended Answer.

ANSWER:

The conditions subsequent referred to in paragraph 40 of the Amended Answer refer to the disposition of the portfolio company interests managed and/or owned, directly or indirectly, by Highland and/or its affiliates or managed funds on a favorable basis or on a basis wholly outside Dondero’s control.

INTERROGATORY NO. 2: With respect to each Note, identify:

(a) the person who provided legal advice to James Dondero in connection with the negotiation, drafting, and execution of each Note, if any;

(b) the person who provided legal advice to the Debtor in connection with the negotiation, drafting, and execution of each Note, if any; and

(c) the person who drafted each Note.

ANSWER:

Dondero objects to this interrogatory to the extent that it seeks privileged information. Subject to this objection, Dondero responds as follows:

Dondero does not know who specifically drafted the Notes, however, he believes they were drafted by an individual in either the Highland legal or finance department.

INTERROGATORY NO. 3: Identify the “mutual obligation” referred to in paragraph 41 of the Amended Answer, including (a) the date the mutual obligation was incurred, (b) any documents referring to or reflecting the mutual obligation, (c) the amount of the mutual obligation, (d) any demands made by James Dondero to the Debtor for payment on the mutual obligation.

¹ Defendant makes these responses subject in all respects to his Motion for Withdrawal of the Reference [Adv. Dkt. No. 21] and the Motion to Stay Pending the Motion to Withdraw the Reference of Plaintiff’s Complaint [Adv. Dkt. No. 22] filed on April 15, 2021. For the reasons stated in the motions, Defendant believes that the reference should be withdrawn and this proceeding stayed while the motion to withdraw the reference is considered. Defendant does not waive, but instead hereby preserves, his right to a jury trial and all rights and requests for relief asserted in the motions. Defendant does not consent to the Bankruptcy Court determining this proceeding or entering final orders or judgments in this proceeding. Defendant requests that the reference be withdrawn and that the District Court adjudicate this proceeding.

ANSWER:

Defendant is not pursuing in this action the mutual obligation referred to in paragraph 41 of the Amended Answer, which refers to potential contribution and/or indemnity claims that are largely unliquidated and contingent, and which Dondero cannot identify until all potential claims are resolved.

INTERROGATORY NO. 4: Identify every person James Dondero believes has personal knowledge of the alleged mutual obligation referred to in paragraph 41 of the Amended Answer.

ANSWER:

James Dondero

Frank Waterhouse

Mark Okada

John Honis

Scott Ellington

INTERROGATORY NO. 5: Identify the “debt” referred to in paragraph 41 of the Amended Answer, including (a) the date the debt was incurred, (b) any documents referring to or reflecting the debt, (c) the amount of the mutual obligation, (d) any demands made by James Dondero to the Debtor for payment on the debt.

ANSWER:

See Response to Interrogatory No. 3.

INTERROGATORY NO. 6: Identify every person James Dondero believes has personal knowledge of the alleged debt referred to in paragraph 41 of the Amended Answer.

ANSWER:

See Response to Interrogatory No. 3.

INTERROGATORY NO. 7: Identify each provision of each Note that James Dondero contends is ambiguous.

ANSWER:

Dondero contends that each Note as a whole is ambiguous because it refers to additional agreements without specifying them.

VERIFICATION

STATE OF TEXAS)
)
COUNTY OF DALLAS)

On this day, James D. Dondero appeared before me, the undersigned notary public, and upon his oath, certified that he had read Defendant's Objections and Answers to Highland Capital Management, L.P.'s Second Set of Interrogatories and that the facts stated therein are within his personal knowledge and are true and correct.

JAMES D. DONDERO

SWORN TO and SUBSCRIBED before me by James D. Dondero on the 7th day of May, 2021.

Notary Public in and for the State of Texas

EXHIBIT 86

HIGHLAND CAPITAL MANAGEMENT

May 18, 2018

PricewaterhouseCoopers LLP
2001 Ross Avenue, Suite 1800
Dallas, TX 75201

We are providing this letter in connection with your audit of the consolidated financial statements of Highland Capital Management, L.P. and its subsidiaries (Appendix 1), (hereinafter collectively referred to as the "Partnership") as of December 31, 2017 (hereinafter referred to as the "balance sheet date") and the related consolidated statements of income, of changes in partners' capital, and of cash flows for the year then ended (hereinafter referred to as the "period"), (hereinafter collectively referred to as the "consolidated financial statements"), for the purpose of expressing an opinion as to whether such consolidated financial statements present fairly, in all material respects, the financial position, results of operations, changes in partners' capital and of cash flows of the Partnership in conformity with accounting principles generally accepted in the United States of America. We acknowledge and confirm that we have fulfilled our responsibility, as set out in our engagement letter of February 2, 2018, for the preparation and fair presentation in the consolidated financial statements of financial position, results of operations, changes in partners' capital and of cash flows in conformity with accounting principles generally accepted in the United States of America, including the appropriate selection of accounting policies.

Certain representations in this letter are described as being limited to those matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would have been changed or influenced by the omission or misstatement. Materiality used for purposes of these representations is \$2,000,000.

We confirm, to the best of our knowledge and belief, as of May 18, 2018, the date of your report, the following representations made to you during your audit:

General

1. The consolidated financial statements referred to above are fairly presented in conformity with accounting principles generally accepted in the United States of America (US GAAP), and include all disclosures necessary for such fair presentation and disclosures otherwise required to be included therein by the laws and regulations to which the Partnership is subject. We have prepared the Partnership's consolidated financial statements on the basis that the Partnership is able to continue as a going concern. There are no conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern within one year after the date these consolidated financial statements are issued.
2. We have made available to you:
 - a. All financial records and related data.
 - b. Unconditional access to persons within the entity from whom you have requested audit evidence.

Exhibit 14

- c. All minutes of the meetings of committees or other governing bodies applicable to the Partnership, including but not limited to, investors, Partners and committees of Partners, including summaries of actions of recent meetings for which minutes have not yet been prepared. The most recent meetings held were Pricing Committee, May 11, 2018.
 - d. Partnership agreements, Memoranda and Articles of Association, Confidential Offering Memoranda and amendments thereto (individually or collectively referred to hereinafter as the "Governing Documents"), and all other agreements to which the Partnership is subject.
 - e. Contracts or other agreements with the Partnership's service providers.
 - f. All official written reports, findings, recommendations and communications from specialists or professional advisors engaged to review investments, systems, processes, operations, or compliance programs of the Partnership that are material to the Partnership, individually or in aggregate.
 - g. All side letter arrangements, whether written or oral, with any investors entered into or cancelled during the period for which noncompliance would have a material effect on the Partnership's consolidated financial statements. These side letters are allowed under the terms of the Governing Documents.
 - h. Withdrawal requests submitted or communicated by investors through the date of this letter.
3. We are responsible for all significant estimates and judgments affecting the consolidated financial statements. Significant estimates and judgments and their underlying assumptions, methods, procedures and the source and reliability of supporting data are reasonable and based on applicable guidance, are completely and appropriately disclosed in the consolidated financial statements, and appropriately reflect management's intent and ability to carry out specific courses of action, where relevant. The procedures and methods utilized in developing assumptions, estimates and judgments are appropriate and have been consistently applied in the periods presented. There have been no subsequent events which would require the adjustment of any significant estimate and related disclosures.

Legal and Regulatory Compliance

- 4. There have been no communications from regulatory agencies concerning the Partnership's noncompliance with or deficiencies in financial reporting practices.
- 5. There have been no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the consolidated financial statements or as a basis for recording a loss contingency.
- 6. The Partnership has complied with all aspects of contractual agreements that would have a material effect on the consolidated financial statements in the event of noncompliance.

Fraud

- 7. We acknowledge our responsibility for the design and implementation of programs and controls to provide reasonable assurance that fraud is prevented and detected.

8. We have disclosed to you the results of our assessment of the risk that the consolidated financial statements may be materially misstated as a result of fraud and we have no knowledge of any fraud or suspected fraud affecting the Partnership involving:
 - a. Partnership management or its affiliates,
 - b. Employees who have significant roles in the Partnership's internal control over financial reporting, or
 - c. Others where the fraud could have a material effect on the consolidated financial statements.
9. Except for previously disclosed, we have no knowledge of any allegations of fraud or suspected fraud affecting the Partnership received in communications from employees, former employees, regulators, service providers, counterparties, current or former investors, or others.

(As to items 7, 8, and 9, we understand the term "fraud" to mean those matters described in AICPA AU-C 240.)

Assets, Liabilities and Capital

Assets:

10. The Partnership has satisfactory title to all owned assets, including investments, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral, including, but not limited to, assets pledged or assigned as security for liabilities and performance of contracts, except as disclosed in the consolidated financial statements. All deposit and brokerage accounts and all investments and other assets of the Partnership of which we are aware are included in the consolidated financial statements.
11. Receivables recorded in the consolidated financial statements represent bona fide claims against debtors for transactions arising on or before the balance sheet date. All receivables have been appropriately reduced to their estimated net realizable value. Receivables, if any, from shareholders/partners or their affiliates, have been collected before the date of this letter.
12. We have evaluated all transfers of financial assets during the period, including, but not limited to, transfers between the Partnership and other affiliates, to determine that control over the transferred assets has been surrendered and that all of the conditions in accordance with Accounting Standards Codification (ASC) 860, *Transfers and Servicing*, ASC 860-10-40-5 have been met.

Investments:

With respect to Partnership's investments:

13. Portfolio investments included in the Partnership's consolidated financial statements have been stated at fair values as determined by management in accordance with the valuation methods set forth in the Governing Documents and related policies and procedures. Such policies are in accordance with US GAAP (e.g., fair value of an investment is that price which would be received to sell or paid to transfer, respectively, those assets or liabilities in orderly transactions between market participants).

14. The valuation policies used for securities or investments whose fair values have been estimated by management are appropriate and have been consistently applied and documented. The policies for fair value measurement are appropriately disclosed in the Partnership's consolidated financial statements. The methods, assumptions, and inputs used are appropriate and result in a fair value appropriate for consolidated financial statement measurement and disclosure purposes. As of the balance sheet date, the investments for which fair value were determined by estimates made by Partnership are appropriately disclosed in the Partnership's consolidated financial statements.
15. We have informed you of any investments as of the balance sheet date that have restrictions on their sale or transferability. We have appropriately considered restrictions that are an attribute of the investment in our fair value determination.
16. The cost of portfolio securities was determined on the basis of FIFO method.
17. All Partnership investments made during the period were in accordance with the investment policies stated in the Governing Documents. All investments made during the period were authorized by appropriate personnel.
18. We have made available to you all information received from third party specialists engaged with respect to the valuation of investments. We believe that the data used in the work of the third-party specialists is accurate, complete, and relevant, and that our fair value determinations have been properly determined using such data and assumptions. We assume responsibility for, and are responsible for the evaluation of, the findings of third-party specialists in order to determine the fair value of the investments. We have adequately considered the qualifications of the third-party specialists in determining the amounts and disclosures used in the consolidated financial statements and underlying accounting records. We did not give nor cause any instructions to be given to third-party specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an impact on the objectivity of the third-party specialists.
19. We evaluated all contracts and financial instruments to determine whether they meet the definition of a derivative under ASC 815, Derivatives and Hedging (ASC 815).

Liabilities:

20. All liabilities of the Partnership of which we are aware are included in the consolidated financial statements at the balance sheet date. There are no other liabilities or gain or loss contingencies that are required to be recognized or disclosed by ASC 450, *Contingencies*, and no unasserted claims or assessments that our legal counsel has advised us are probable of assertion and required to be disclosed in accordance with that Topic.
21. The Partnership is not an "SEC registrant" as that term is used in ASC 480, *Distinguishing Liabilities from Equity*, 480-10-65-1. The Partnership has properly classified and disclosed as liabilities its mandatorily redeemable securities and other financial instruments (e.g., payable) that are within the scope of ASC 480-10-65, *Effective Date, Disclosures, and Transition for Mandatorily Redeemable Financial Instruments of Certain Nonpublic Entities and Certain Mandatorily Redeemable Noncontrolling Interests*, in the consolidated financial statements.
22. The actuarial valuation of pension benefit obligations was determined using an acceptable methodology applied on a consistent basis and taking into account the individual characteristics of

the plan and reasonable assumptions, including those for the discount rate, rate of return on plan assets, mortality rate and other demographic assumptions.

23. We accurately described the processes used by management to make investment decisions, including the target allocation percentages or range of percentages for each major category of plan assets, and to determine the overall expected long-term rate of return on assets.
24. The amounts of expected employer contributions to the benefit plan during the next fiscal year represent our best estimate.
25. We do not intend to compensate for the reduction of postretirement benefits by granting an increase in pension or other benefits.
26. We applied the recognition, disclosure and measurement date provisions of ASC 715, Compensation-Retirement Benefits (ASC 715). The resulting benefit asset represents the overfunded status of the plan, and accumulated other comprehensive income includes all previously unrecognized prior service costs and credits, net gains/losses and transition assets and obligations, net of taxes.
27. We measured and recognized all plan assets as of the plan's measurement date at fair value in accordance with ASC 715, Compensation- Retirement Benefits (ASC 715).

Capital:

28. Partner capital balances, including the allocation of income, gains and losses, and the calculation of management fees and incentive fees/allocation have been properly calculated throughout the period in accordance with the Governing Documents, after giving consideration to the terms identified in each investor's subscription document. The methodology was consistently applied throughout the period and was correctly applied in the computation of contribution and withdrawal transactions during the period.

Statement of Income

29. All material expenses charged to the Partnership are permissible under the terms of the Governing Documents. All directed brokerage and other expense reimbursement agreements, if any, have been properly disclosed in the consolidated financial statements.

Tax Matters

30. There are no material tax liabilities incurred by the Partnership under the provisions of ASC 740, *Income Taxes*. We have made the necessary provisions and disclosures in the consolidated financial statements as required by ASC 740, *Income Taxes*. The resulting liabilities are supported by specifically identified income tax exposures.
31. We have provided you with all information and our assessment related to all significant uncertain income tax positions that we have taken, or expect to take, of which we are aware. We have also provided you with access to all opinions, rulings, memoranda and analyses that relate to positions we have taken in regard to significant income tax matters. We are responsible for the accuracy and completeness of information provided to external counsel and we believe that the facts are consistent with any stated assumptions made by external counsel for purposes of forming such tax opinions. We have made you aware of and have disclosed all significant tax positions for which it is reasonably

possible the amount of unrecognized tax benefit will either increase or decrease in the next 12 months.

Disclosure and Presentation of Consolidated Financial Statements

32. The effects of the uncorrected consolidated financial statement misstatements are immaterial, both individually and in the aggregate, to the consolidated financial statements taken as a whole.
33. We have appropriately reconciled the Partnership books and records (including, but not limited to, general ledger accounts, financial accounts maintained outside the general ledger and trial balances) underlying the consolidated financial statements to their related supporting information (e.g., sub ledger, or third-party data). All related reconciling items considered to be material were identified and included on the reconciliations and were appropriately adjusted in the consolidated financial statements, as necessary. There were no material un-reconciled differences or material general ledger suspense account items that should have been adjusted or reclassified to another account balance. There were no material general ledger suspense account items written off to a balance sheet account, which should have been written off to a statement of operations account and vice versa. All consolidating entries have been properly recorded. All intra-entity accounts have been eliminated or appropriately measured and considered for disclosure in the consolidated financial statements.
34. There are no material transactions, agreements or accounts that have not been properly recorded in the accounting records underlying the consolidated financial statements.
35. The following, if material, have been properly recorded or disclosed in the consolidated financial statements:
 - a. Agreements to repurchase assets previously sold.
 - b. All pertinent rights and privileges of both general partner and limited partner interests in the Partnership.
 - c. Fee income and expenses associated with stock lending and borrowing arrangements.
 - d. Relationships and transactions with related parties, as described in ASC 850, *Related Party Disclosures*, including revenue, purchases and sales of securities, transfers, guarantees, other fees and expenses charged to the Partnership, and amounts receivable from or payable to related parties.
 - e. Significant estimates and material concentrations known to us that are required to be disclosed in accordance with ASC 275, *Risks and Uncertainties*. (Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to matters such as volume of investment activity, available sources of financing, markets or geographic areas for which events could occur that would significantly disrupt investment performance within the next year.)
 - f. All cash and deposit accounts and all other properties and assets of the Partnership are included in the consolidated financial statements.
 - g. All financial instruments, including those with off-balance-sheet risk (including, but not limited to, swaps, forwards and futures), as required under US GAAP. This includes the following information with respect to the off-balance-sheet risks and the concentrations of credit risk:

- i. The extent, nature, and terms of financial instruments with off-balance-sheet risk.
 - ii. The amount of credit risk of financial instruments with off-balance-sheet risk and information about the collateral supporting such financial instruments.
 - h. Each significant concentration of credit risk arising from all financial instruments, and information about the collateral supporting such financial instruments, whether from an individual counterparty/prime broker or group of counterparties/prime brokers in accordance with ASC 825, *Financial Instruments*, and ASC 815, *Derivatives and Hedging* (ASC 815), 815-10-50.
 - i. Commitments to purchase or sell financial instruments, commitments on certain debt instruments such as revolving credit facilities and obligations to fund capital calls.
 - j. Guarantees, whether written or oral, under which the Partnership is contingently liable.
 - k. Transactions made in foreign currencies.
 - l. Transactions made on margin or selling short.
36. We have disclosed to you the identity of the Partnership's related parties and all the related party relationships and transactions of which we are aware.
37. The Partnership has classified and disclosed financial assets and liabilities in the consolidated financial statements as Level 1, Level 2 and Level 3 in accordance with ASC 820, *Fair Value Measurement*, including a description of inputs and information used to develop valuation techniques as well as facts that required a change to such techniques, where applicable. We have made appropriate disclosures in accordance with Accounting Standards Update (ASU) 2011-11, *Disclosures about Offsetting Assets and Liabilities*, when the Partnership has the right of setoff in accordance with a master netting or similar agreement. The netting of assets and liabilities has been performed in accordance with the specific requirements of ASC 210, *Balance Sheet*, 210-20-45-1 and ASC 815-10-45-5.
38. The Partnership has properly recorded, classified and disclosed the prime broker margin collateral requirements in the consolidated financial statements in accordance with ASC 860, *Transfers and Servicing*, as to the recognition and reclassification of collateral and disclosures relating to securitization transactions and collateral.
39. We consistently applied our policy regarding classification of cash and cash equivalents, which are short-term, highly liquid investments that are readily convertible to known amounts of cash and are so near their maturity that there is insignificant risk of changes in value due to interest rate or other credit risk changes.
40. All borrowings and financial obligations of the Partnership have been disclosed to you and are properly recorded in the consolidated financial statements.
41. The Partnership has not made any commitments during the year as underwriter, nor did it engage in joint trading or a joint investment account.

Other

- i. The extent, nature, and terms of financial instruments with off-balance-sheet risk.
 - ii. The amount of credit risk of financial instruments with off-balance-sheet risk and information about the collateral supporting such financial instruments.
 - h. Each significant concentration of credit risk arising from all financial instruments, and information about the collateral supporting such financial instruments, whether from an individual counterparty/prime broker or group of counterparties/prime brokers in accordance with ASC 825, *Financial Instruments*, and ASC 815, *Derivatives and Hedging* (ASC 815), 815-10-50.
 - i. Commitments to purchase or sell financial instruments, commitments on certain debt instruments such as revolving credit facilities and obligations to fund capital calls.
 - j. Guarantees, whether written or oral, under which the Partnership is contingently liable.
 - k. Transactions made in foreign currencies.
 - l. Transactions made on margin or selling short.
36. We have disclosed to you the identity of the Partnership's related parties and all the related party relationships and transactions of which we are aware.
37. The Partnership has classified and disclosed financial assets and liabilities in the consolidated financial statements as Level 1, Level 2 and Level 3 in accordance with ASC 820, *Fair Value Measurement*, including a description of inputs and information used to develop valuation techniques as well as facts that required a change to such techniques, where applicable. We have made appropriate disclosures in accordance with Accounting Standards Update (ASU) 2011-11, *Disclosures about Offsetting Assets and Liabilities*, when the Partnership has the right of setoff in accordance with a master netting or similar agreement. 30. Payments, distributions, or withdrawals credited or given to insiders

Within 1 year before filing this case, did the debtor provide an insider with value in any form, including salary, other compensation, draws, bonuses, loans, credits on loans, stock redemptions, and options exercised?

- ☐ No
☒ Yes. Identify below.

Name and address of recipient	Amount of money or description and value of property	Dates	Reason for providing the value
30.1 Exhibit G	8,722,414.86		
Relationship to debtor			

31. Within 6 years before filing this case, has the debtor been a member of any consolidated group for tax purposes?

Case 19-34054-sgj11 Doc 248 Filed 12/13/19 Entered 12/13/19 22:34:17 Page 13 of 34

Debtor Highland Capital Management, L.P.Case number (if known) 19-34054-SGJ

- ☒ No
☐ Yes. Identify below.

Name of the parent corporation

Employer Identification number of the parent corporation

32. Within 6 years before filing this case, has the debtor as an employer been responsible for contributing to a pension fund?

- ☒ No
☐ Yes. Identify below.

Name of the pension fund

Employer Identification number of the parent corporation

Part 14: Signature and Declaration

WARNING – Bankruptcy fraud is a serious crime. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$500,000 or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.

I have examined the information in this *Statement of Financial Affairs* and any attachments and have a reasonable belief that the information is true and correct.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 13, 2019

 Signature of individual signing on behalf of the debtor

Bradley Sharp

Printed name

Position or relationship to debtor Chief Restructuring OfficerAre additional pages to *Statement of Financial Affairs for Non-Individuals Filing for Bankruptcy* (Official Form 207) attached?

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE NORTHERN DISTRICT OF TEXAS
DALLAS DIVISION**

<hr style="border: 0.5px solid black;"/> In re: HIGHLAND CAPITAL MANAGEMENT, L.P., ¹ <div style="text-align: center;">Debtor.</div> <hr style="border: 0.5px dashed black;"/>	§ § § § § §	Chapter 11 Case No. 19-34054-sgj11
--	----------------------------	---

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODS, AND
DISCLAIMER REGARDING DEBTOR'S SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

Highland Capital Management, L.P. (the “Debtor”) submits its Schedules of Assets and Liabilities (the “Schedules”) and Statement of Financial Affairs (the “SoFA”) in the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the “Bankruptcy Court”). The Debtor, with the assistance of its advisors and management, prepared the Schedules and SoFA in accordance with section 521 title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statement of Limitations, Methods, and Disclaimer Regarding the Debtor’s Schedules and SoFA (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of the Schedules and SoFA. These Global Notes should be referred to, and reviewed in connection with any review of the Schedules and SoFA.²

The Schedules and SoFA have been prepared by the Debtor with the assistance and under the direction of the Debtor’s proposed Chief Restructuring Officer and additional personnel at Development Specialists, Inc. (collectively, the “CRO”) and are unaudited and subject to further review and potential adjustment and amendment. In preparing the Schedules and SoFA, the CRO relied on financial data derived from the Debtor’s books and records that was available at the time of preparation. The CRO has made reasonable efforts to ensure the accuracy and completeness of such financial information, however, subsequent information or discovery of other relevant facts may result in material changes to the Schedules and SoFA and inadvertent errors, omissions, or inaccuracies may exist. The Debtor reserves all rights to amend or supplement its Schedules and SoFA.

¹ The Debtor’s last four digits of its taxpayer identification number are (6725). The headquarters and service address for the above-captioned Debtor is 300 Crescent Court, Suite 700, Dallas, TX 75201.

² These Global Notes are in addition to any specific notes contained in the Debtor’s Schedules or SoFA. The fact that the Debtor has prepared a “general note” with respect to any of the Schedules and SoFA and not to others should not be interpreted as a decision by the Debtor to exclude the applicability of such general note to any of the Debtor’s remaining Schedules and SoFA, as appropriate.

Reservation of Rights. The Debtor reserves all rights to amend the SoFA and Schedules in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the SoFA and Schedules as to amount, liability or classification of the claim, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the SoFA and Schedules shall constitute a waiver of rights by the Debtor involving any present or future causes of action, contested matters or other issues under the provisions of the Bankruptcy Code or other applicable non-bankruptcy laws.

Description of the Case and “As Is” Information Date. On October 16, 2019 (the “Petition Date”), the Debtor filed a voluntary petition for relief with the United States Bankruptcy Court for the District of Delaware (the “Delaware Bankruptcy Court”) under Chapter 11 of the Bankruptcy Code. The Debtor is managing its assets as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 4, 2019, the Delaware Bankruptcy Court entered an Order transferring this case to the Bankruptcy Court [Docket No. 1].

Asset information in the Schedules reflects the Debtor’s best estimate of asset values as of the Petition Date, unless otherwise noted. No independent valuation has been obtained.

Basis of Presentation. The Schedules and SoFA do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtor.

Although these Schedules and SoFA may, at times, incorporate information prepared in accordance with GAAP, the Schedules and SoFA neither purport to represent nor reconcile to financial statements prepared and/or distributed by the Debtor in accordance with GAAP or otherwise. Moreover, given, among other things, the valuation and nature of certain liabilities, to the extent that the Debtor shows more assets than liabilities, this is not a conclusion that the Debtor was solvent at the Petition Date. Likewise, to the extent that the Debtor shows more liabilities than assets, this is not a conclusion that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

Estimates. To timely close the books and records of the Debtor, the CRO must make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses. The Debtor reserves all rights to amend the reported amounts of assets, liabilities, revenue, and expenses to reflect changes in those estimates and assumptions.

Confidentiality. There may be instances within the Schedules and SoFA where names, addresses, or amounts have been left blank. Due to the nature of an agreement between the Debtor and the third party, concerns of confidentiality, or concerns for the privacy of an individual, the Debtor may have deemed it appropriate and necessary to avoid listing such names, addresses, and amounts.

Intercompany Claims. Any receivables and payables between the Debtor and affiliated or related entities in this case (each an “Intercompany Receivable” or “Intercompany Payable” and, collectively, the “Intercompany Claims”) are reported as assets on Schedule B or liabilities on Schedule E and Schedule F. These Intercompany Claims include the following components, among others: 1) loans to affiliates or related entities, 2) accounts payable and payroll disbursements made out of an affiliate’s or related entity’s bank accounts on behalf of the Debtor, 3) centrally billed expenses, 4) corporate expense allocations, and 5) accounting for trade and other intercompany transactions. These Intercompany Claims may or may not result in allowed or enforceable claims by or against the Debtor, and by listing these claims the Debtor is not indicating a conclusion that the Intercompany Claims are enforceable. Intercompany Claims may also be subject to set off, recoupment, and netting not reflected in the Schedules. In situations where there is not an enforceable claim, the assets and/or liabilities of the Debtor may be greater or lesser than the amounts stated herein. All rights to amend intercompany Claims in the Schedules and SoFA are reserved.

The Debtor has listed the intercompany payables as unsecured claims on Schedule F. The Debtor reserves its rights to later change the characterization, classification, categorization, or designation of such items.

Insiders. For purposes of the Schedules and SoFA, the Debtor defines “insider” pursuant to section 101(31) of the Bankruptcy Code. Payments to insiders are set forth on Question 3.c. of the SoFA.

Persons listed as “insiders” have been included for informational purposes only. The Debtor did not take any position with respect to whether such individual could successfully argue that he or she is not an “insider” under applicable law, including without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose. Inclusion of any party in the Schedules and SoFA as an insider does not constitute an admission that such party is an insider or a waiver of such party’s right to dispute insider status.

Excluded Accruals and GAAP Entries. The Debtor’s balance sheet reflects liabilities recognized in accordance with GAAP; however, not all such liabilities would result in a claim against the Debtor. Certain liabilities (including but not limited to certain reserves, deferred charges, and future contractual obligations) have not been included in the Debtor’s Schedules. Other immaterial assets and liabilities may also have been excluded.

Classification and Claim Descriptions. Any failure to designate a claim on the Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent” or “unliquidated.” The Debtor reserves the right to dispute, or to assert offsets or defenses to, any claim reflected on its Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.”

Listing a claim (i) in Schedule D as “secured,” (ii) in Schedule E as “priority” or (iii) in Schedule F as “unsecured nonpriority,” or listing a contract in Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor’s right to recharacterize or reclassify such claim or contract.

Moreover, the Debtor reserves all rights to amend the SoFA and Schedules, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the SoFA and Schedules as to amount, liability or classification of the claim, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the SoFA and Schedules shall constitute a waiver of rights by the Debtor involving any present or future causes of action, contested matters or other issues under the provisions of the Bankruptcy Code or other relevant non-bankruptcy laws.

Credits and Adjustments. The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtor’s books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits, allowances or other adjustments.

Setoffs. The Debtor may incur setoffs from third parties in its business. Setoffs in the ordinary course can result from various routine transactions, including intercompany transactions, pricing discrepancies, warranty claims and other disputes between the Debtor and third parties. Certain of these constitute normal setoffs consistent with the ordinary course of business in the Debtor’s industry. In such instances, such ordinary course setoffs are excluded from the Debtor’s responses to Question 13 of the SoFA. The Debtor reserves all rights to enforce or challenge, as the case may be, any setoffs that have been or may be asserted.

Specific Notes. These general notes are in addition to the specific notes set forth below or in the related Statement and Schedules hereinafter.

General Disclaimer

The Debtor has prepared the Schedules and the SoFA based on the information reflected in the Debtor’s books and records. However, inasmuch as the Debtor’s books and records have not been audited or formally closed and evaluated for proper cut-off on the Petition Date, the Debtor cannot warrant the absolute accuracy of these documents. The Debtor has made a diligent effort to complete these documents accurately and completely. To the extent additional information becomes available, the Debtor will amend and supplement the Schedules and SoFA.

Specific Schedules Disclosures

- a. **Schedule A/B, Part 4 - Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Certain ownership interests in subsidiaries have been listed in Schedule A/B, Part 4, at their book value on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors. Fair value of such interests may differ significantly from their net book value. Further, for investments listed at fair value, many of the Debtor’s assets are not exchange traded and are fair valued utilizing unobservable

inputs, historical information, and significant and/or subjective estimates. As a result the liquidity and ultimately realized value of such investments may differ materially from the fair value listed on the schedule.

- b. **Schedule A/B, Part 7 - Office Furniture, Fixtures, and Equipment; and Collectibles.** Dollar amounts are presented net of accumulated depreciation and other adjustments.
- c. **Schedule A/B, Part 11 - All Other Assets.** Dollar amounts are presented net of impairments and other adjustments. Debtor has reflected “unknown” for value of its interests in various other assets. While the face value of the notes receivable is included, the current value of these as well as the other assets has not been determined and may differ materially.

Additionally, the Debtor may receive refunds, income tax refunds or other sales tax refunds at various times throughout its fiscal year. As of the Petition Date, however, certain of these amounts are unknown to the Debtor, and accordingly, may not be listed in Schedule A/B.

Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtor and Rights to Setoff Claims. In the ordinary course of its business, the Debtor may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, or refunds with its customers and suppliers. Additionally, the Debtor may be party to pending litigation in which the Debtor has asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. Because certain of these claims are unknown to the Debtor and not quantifiable as of the Petition Date, they may not be listed on Schedule A/B, Part 11.

- d. **Schedule D - Creditors Who Have Claims Secured by Property.** The Debtor reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtor has scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens.

The Debtor has not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the secured

facilities, only the administrative agents have been listed for purposes of Schedule D.

e. **Schedule E/F - Creditors Who Have Unsecured Claims.**

Part 1 - Creditors with Priority Unsecured Claims. Pursuant to the *Order (I) Authorizing the Debtor to (A) Pay and Honor Prepetition Compensation, Reimbursable Business Expenses, and Employee Benefit Obligations, and (B) Maintain and Continue Certain Compensation and Benefit Programs Postpetition; and (11) Granting Related Relief* [Docket No. 39] (the “Wage Order”), the Debtor received authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business. The Debtor believes that any non-insider employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, which were due and payable at the time of the Petition Date have been or will be satisfied as permitted pursuant to the Wage Order. The Debtor filed the *Motion of the Debtor for Entry of an Order Authorizing the Debtor to Pay and Honor Ordinary Course Obligations under Employee Bonus Plans and Granting Related Relief* [Docket No. 177] pursuant to which the Debtor seeks authority to pay and honor certain prepetition bonus programs. Employee claims related to these programs are shown in the aggregate amounts in Schedule E/F for privacy reasons. Additional information is available by appropriate request to the Debtor. The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtor that such claim or any portion thereof is entitled to priority status.

Part 2 - Creditors with Nonpriority Unsecured Claims. The liabilities identified in Schedule E/F, Part 2, are derived from the Debtor’s books and records. The Debtor made a reasonable attempt to set forth its unsecured obligations, although the actual amount of claims against the Debtor may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor’s allowed claims or the correct amount of all unsecured claims.

Schedule E/F, Part 2 reflects liabilities based on the Debtor’s books and records.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtor. The amounts for these potential claims are listed as “unknown” and are marked as contingent, unliquidated, and disputed in the Schedules and Statements. Additionally, the amounts of certain litigation claims may be estimates based on the allegations asserted by the litigation counterparty, and do not constitute an admission by the Debtor with respect to either liability for, or the amount of, such claims.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however,

may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected.

As of the time of filing of the Schedules and Statements, the Debtor had not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtor reserves its rights to amend Schedules D and E/F if and as it receive such invoices.

- f. **Schedule G - Executory Contracts and Unexpired Leases.** While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as supplemental agreements, amendments, and letter agreement, which documents may not be set forth in Schedule G.

Certain of the agreements listed on Schedule G may have expired or terminated pursuant to their terms, but are listed on Schedule G in an abundance of caution.

The Debtor reserves all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's claim.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the Debtor and such supplier or provider.

The listing of any contract on Schedule G does not constitute an admission by the Debtor as to the validity of any such contract. The Debtor reserves the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or

unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

Case No. 19-12239-CSS

Reporting Period: 10/16/2019 - 10/31/2019

Income Statement ⁽¹⁾
(in thousands)

	<u>Date</u>
	<u>10/16/19 - 10/31/19</u>
Revenue:	
Management fees	975
Shared services fees	283
Other income	99
Total operating revenue	<u>1,357</u>
Operating expenses:	
Compensation and Benefits	997
Professional services	256
Investment research and consulting	10
Depreciation expense ⁽³⁾	82
Other operating expenses	201
Total operating expenses	<u>1,545</u>
Operating income/(loss)	<u>(188)</u>
Other income/expense:	
Interest income	250
Interest expense	(107)
Re-org related expenses ⁽²⁾	-
Other income/expense	32
Total other income/expense	<u>175</u>
Net realized gains on investments	339
Net change in unrealized gains/(losses) of investments ⁽⁴⁾	2,654
	<u>2,993</u>
Net earnings/(losses) from equity method investees ⁽⁴⁾	<u>(20)</u>
Net income/(loss)	<u><u>\$ 2,959</u></u>

(1) Note on accruals: expenses recorded in the Income Statement reflect invoices recorded through accounts payable, legal invoice accruals, and normal course operating accruals, but do not reflect estimates for other incurred, but not yet received invoices.

(2) Debtor funded various retainers totaling \$790k prior to the petition date, which were entirely expensed as of the petition date. No additional amounts were accrued between October 16, 2019 and October 31, 2019.

(3) Includes full month of depreciation as depreciation is run monthly at month end. Estimated pro-rated depreciation October 16, 2019 to October 31, 2019 is \$42k.

(4) Mark to market gains/(losses) on investments include normal course pricing updates for publicly traded securities and other positions with readily available market price information. Limited partnership interests normally marked to a NAV statement have not been updated as of period end as statements are generally available on a one-month lag.

(1) Beginning unrestricted operating cash represents the bank cash balance of the Debtor's operating account as of the Petition Date.

(2) Budgetary activity includes monthly health insurance premiums and from the operating account to the insurance account. It also includes the insurance account monthly premiums and are used to pay claims and administrative expenses of the self-insured plan.

(3) Pre-allocated amounts that are added from the operating account to the professional fees expense account weekly, then the professional fees expense account is used to pay pre-allocated amounts 80% of amount first beginning in December 2019, except for the Debtor's FICA, which is paid 100%.

Comparative Balance Sheet

(in thousands)

	<u>10/15/2019</u>	<u>10/31/2019</u>	<u>11/30/2019</u>
Assets			
Cash and cash equivalents	2,529	2,286	6,343
Investments, at fair value ⁽³⁾	232,620	235,144	233,776
Equity method investees ⁽³⁾	161,819	161,813	175,381
Management and incentive fee receivable	2,579	3,202	1,223
Fixed assets, net	3,754	3,672	3,601
Due from affiliates ⁽¹⁾	151,901	152,124	152,523
Other assets	11,311	11,260	10,621
Total assets	<u>\$ 566,513</u>	<u>\$ 569,501</u>	<u>\$ 583,468</u>
Liabilities and Partners' Capital			
Pre-petition accounts payable ⁽⁴⁾	1,176	1,135	1,250
Post-petition accounts payable ⁽⁴⁾	-	102	236
Secured debt:			
Frontier	5,195	5,195	5,195
Jefferies	30,328	30,315	30,268
Accrued expenses and other liabilities ⁽⁴⁾	59,203	59,184	60,848
Accrued re-organization related fees ⁽⁵⁾	-	-	-
Claim accrual ⁽²⁾	73,997	73,997	73,997
Partners' capital	396,614	399,573	411,674
Total liabilities and partners' capita	<u>\$ 566,513</u>	<u>\$ 569,501</u>	<u>\$ 583,468</u>

⁽¹⁾ Includes various notes receivable at carrying value (fv undetermined).

⁽²⁾ Uncontested portion of claim less applicable offsets. Potential for additional liability based on future events. No interest has been accrued beyond petition date.

⁽³⁾ Mark to market gains/(losses) on investments include pricing updates for publicly traded securities and other positions with readily available market price information. Limited partnership interests normally marked to a NAV statement have not been updated as of period end as statements are generally available on a one-month lag.

⁽⁴⁾ Note on accruals: expenses recorded in Accounts Payable and Accrued Expenses and Other Liabilities reflect invoices recorded through accounts payable, legal invoice accruals, and normal course operating accruals, but do not reflect estimates for other incurred, but not yet received invoices. For balance sheet dates other than the Petition Date, amounts include both pre-petition and post-petition liabilities.

⁽⁵⁾ Debtor funded various retainers totaling \$790k prior to the petition date, which were entirely expensed prior to the petition date. No additional amounts were accrued between October 16, 2019 and November 30, 2019

QUESTIONNAIRE

	YES	NO
1. HAVE ANY ASSETS BEEN SOLD OR TRANSFERRED OUTSIDE THE NORMAL COURSE OF BUSINESS THIS REPORTING PERIOD?		x
2. HAVE ANY FUNDS BEEN DISBURSED FROM ANY ACCOUNT OTHER THAN A DEBTOR IN POSSESSION ACCOUNT?	x	
3. ARE ANY POSTPETITION RECEIVABLES (ACCOUNTS, NOTES, OR LOANS) DUE FROM RELATED PARTIES?	x	
4. HAVE ANY PAYMENTS BEEN MADE ON PREPETITION LIABILITIES THIS REPORTING PERIOD?	x	
5. HAVE ANY POSTPETITION LOANS BEEN RECEIVED BY THE DEBTOR FROM ANY PARTY?		x
6. ARE ANY POSTPETITION PAYROLL TAXES PAST DUE?		x
7. ARE ANY POSTPETITION STATE OR FEDERAL INCOME TAXES PAST DUE?		x
8. ARE ANY POSTPETITION REAL ESTATE TAXES PAST DUE?		x
9. ARE ANY OTHER POSTPETITION TAXES PAST DUE?		x
10. ARE ANY AMOUNTS OWED TO POSTPETITION CREDITORS DELINQUENT?		x
11. HAVE ANY PREPETITION TAXES BEEN PAID DURING THE REPORTING PERIOD?		x
12. ARE ANY WAGE PAYMENTS PAST DUE?		x

IF THE ANSWER TO ANY OF THE ABOVE QUESTIONS IS "YES," PROVIDE A DETAILED EXPLANATION OF EACH ITEM. ATTACH ADDITIONAL SHEETS IF NECESSARY.

2 \$1,206,592 of funds paid from non-debtor in possession accounts, while those accounts were in the process of being opened.

3 Debtor generates fee income and other receipts from various related parties in normal course, see cash management motion for further discussion.

4 Payments have been made on prepetition liabilities, as approved in the critical vendor motion.

INSURANCE

	YES	NO
1. ARE WORKER'S COMPENSATION, GENERAL LIABILITY AND OTHER NECESSARY INSURANCE COVERAGES IN EFFECT?	x	
2. ARE ALL PREMIUM PAYMENTS PAID CURRENT?	x	
3. PLEASE ITEMIZE POLICIES BELOW.		

IF THE ANSWER TO ANY OF THE ABOVE QUESTIONS IS "NO," OR IF ANY POLICIES HAVE BEEN CANCELLED OR NOT RENEWED DURING THIS REPORTING PERIOD, PROVIDE AN EXPLANATION BELOW. ATTACH ADDITIONAL SHEETS IF NECESSARY.

LIQUIDATION ANALYSIS/FINANCIAL PROJECTIONS

Highland Capital Management, L.P.
Disclaimer For Financial Projections

This document includes financial projections for July 2020 through December 2022 (the “Projections”) for Highland Capital Management, L.P. (“Company”). These Projections have been prepared by DSI with input from management at the Company. The historical information utilized in these Projections has not been audited or reviewed for accuracy by DSI.

This Memorandum includes certain statements, estimates and forecasts provided by the Company with respect to the Company’s anticipated future performance. These estimates and forecasts contain significant elements of subjective judgment and analysis that may or may not prove to be accurate or correct. There can be no assurance that these statements, estimates and forecasts will be attained and actual outcomes and results may differ materially from what is estimated or forecast herein.

These Projections should not be regarded as a representation of DSI that the projected results will be achieved.

Management may update or supplement these Projections in the future, however, DSI expressly disclaims any obligation to update its report.

These Projections were not prepared with a view toward compliance with published guidelines of the Securities and Exchange Commission or the American Institute of Certified Public Accountants regarding historical financial statements, projections or forecasts.

Highland Capital Management, L.P.
Statement of Assumptions

- A. Plan effective date is January 31, 2021.
- B. All investment assets are sold by December 31, 2022.
- C. All demand notes are collected in the year 2021.
- D. All notes receivable with maturity dates beyond 12/31/2022 are sold in Q4 2022; in the interim interest income and principal payments are collected as they become due.
- E. Fixed assets used in daily business operations are sold in February 2021.
- F. Accrual for employee bonuses as of January 2021 are reversed and not paid.
- G. All Management advisory or shared service contracts are terminated on their terms by the effective date or shortly thereafter.
- H. Post-effective date, the reorganized Debtor would retain three HCMLP employees as contractors to help monetize the remaining assets.
- I. Litigation Trustee budget is \$6,500,000.
- J. Unrealized gains or losses are not recorded on a monthly basis; all gains or losses are recorded as realized gains or losses upon sale of asset.
- K. Plan does not provide for payment of interest to Class 8 holders of general unsecured claims, as set forth in the Plan. If holders of general unsecured claims receive 100% of their allowed claims, they would then be entitled to receive interest at the federal judgement rate, prior to any funds being available for claims or interest of junior priority.
- L. Plan assumes zero allowed claims for UBS, IFA, the HarbourVest entities (collectively "HV") and Hunter Mountain Investment Trust ("HM").
- M. Claim amounts listed in Plan vs. Liquidation schedule are subject to change; claim amounts in Class 8 assume \$0 for UBS, IFA, HM and HV.
Assumes RCP claims will offset against HCMLP's interest in fund and will not be paid from Debtor assets
- N. With the exception of Class 2 - Frontier, Classes 1-7 will be paid in full within 30 days of effective date.
- O. Class 7 payout limited to 85% of each individual creditor claim or in the aggregate \$13.15 million. Plan currently projects Class 7 payout of \$9.96 million.
- P. See below for Class 8 estimated payout schedule; payout is subject to certain assets being monetized by payout date:
 - o By September 30, 2021 - \$50,000,000
 - o By March 31, 2022 – additional \$50,000,000
 - o By June 30, 2022 – additional \$25,000,000
 - o All remaining proceeds are assumed to be paid out on or soon after all remaining assets are monetized.

Highland Capital Management, L.P.
Plan Analysis Vs. Liquidation Analysis
(US \$000's)

	Plan Analysis	Liquidation Analysis
Estimated cash on hand at 1/31/2020	\$ 25,076	\$ 25,076
Estimated proceeds from monetization of assets [1][2]	190,445	149,197
Estimated expenses through final distribution[1][3]	(33,642)	(36,232)
Total estimated \$ available for distribution	181,879	138,042
Less: Claims paid in full		
Unclassified [4]	(1,078)	(1,078)
Administrative claims [5]	(10,574)	(10,574)
Class 1 - Jefferies Secured Claim	-	-
Class 2 - Frontier Secured Claim [6]	(5,463)	(5,463)
Class 3 - Other Secured Claims	(551)	(551)
Class 4 – Priority Non-Tax Claims	(16)	(16)
Class 5 - Retained Employee Claims	-	-
Class 6 - PTO Claims	-	-
Class 7 – Convenience Claims [7][8][9]	(10,255)	-
Subtotal	(27,937)	(17,682)
Estimated amount remaining for distribution to general unsecured claims	153,942	120,359
Class 8 – General Unsecured Claims [8][10]	176,049	192,258
Subtotal	176,049	192,258
% Distribution to general unsecured claims	87.44%	62.60%
Estimated amount remaining for distribution	-	-
Class 9 – Subordinated Claims	no distribution	no distribution
Class 10 – Class B/C Limited Partnership Interests	no distribution	no distribution
Class 11 – Class A Limited Partnership Interest	no distribution	no distribution

Footnotes:

[1] Assumes chapter 7 Trustee will not be able to achieve same sales proceeds as Claimant Trustee

Assumes Chapter 7 Trustee engages new professionals to help liquidate assets

[2] Sale of investment assets, sale of fixed assets, collection of accounts receivable and interest receivable

[3] Estimated expenses through final distribution exclude non-cash expenses:

Depreciation of \$462 thousand in 2021

[4] Unclassified claims include payments for priority tax claims and settlements with previously approved by the Bankruptcy Court

[5] Represents \$4.7 million in unpaid professional fees and \$4.5 million in timing of payments to vendors

[6] Debtor will pay all unpaid interest estimated at \$253 thousand of Frontier on effective date and continue to pay interest quarterly at 5.25% until Frontier's collateral is sold

[7] Claims payout limited to 85% of each individual creditor claim or limited to a total class payout of \$13.15 million

[8] Class 7 includes \$1.1 million estimate for aggregate contract rejections damage and Class 8 includes \$1.4 million for contract rejection damages

[9] Assumes 3 claimants with allowed claims less than \$2.5 million opt into Class 7 along with claims of Senior Employees

[10] Class estimates \$0 allowed claim for the following creditors: IFA, HV, HM and UBS; assumes RCP claims offset against HCMLP interest in RCP fund

Notes:

All claim amounts are estimated as of November 20, 2020 and subject to change

Disclaimer For Financial Projections

This document includes financial projections for July 2020 through December 2022 (the “Projections”) for Highland Capital Management, L.P. (“Company”). These Projections have been prepared by DSI with input from management at the Company. The historical information utilized in these Projections has not been audited or reviewed for accuracy by DSI.

This document includes certain statements, estimates and forecasts provided by the Company with respect to the Company’s anticipated future performance. These estimates and forecasts contain significant elements of subjective judgment and analysis that may or may not prove to be accurate or correct. There can be no assurance that these statements, estimates and forecasts will be attained and actual outcomes and results may differ materially from what is estimated or forecast herein.

These Projections should not be regarded as a representation of DSI that the projected results will be achieved.

Management may update or supplement these Projections in the future, however, DSI expressly disclaims any obligation to update its report.

These Projections were not prepared with a view toward compliance with published guidelines of the Securities and Exchange Commission or the American Institute of Certified Public Accountants regarding historical financial statements, projections or forecasts.

Exhibit 24

Appx. 01507

Highland Capital Management, L.P.
Statement of Assumptions

- A. Plan effective date is March 1, 2021
- B. All investment assets are sold by December 31, 2022.
- C. All demand notes are collected in the year 2021; 3 term notes defaulted and have been demanded based on default provisions; payment estimated in 2021
- D. Dugaboy term note with maturity date beyond 12/31/2022 are sold in Q1 2022; in the interim interest income and principal payments are not collected due to prepayment on note
- E. Fixed assets currently used in daily operations are sold in June 2021 for \$0
- F. Highland bonus plan has been terminated in accordance with its terms. Accrual for employee bonuses as of January 2021 are reversed and not paid.
- G. All Management advisory or shared service contracts are terminated on their terms by the effective date or shortly thereafter
- H. Post-effective date, the reorganized Debtor would retain up to ten HCMLP employees (or hire similar employees) to help monetize the remaining assets.
 - I. Litigation Trustee budget is \$6,500,000.
- J. Unrealized gains or losses are not recorded on a monthly basis; all gains or losses are recorded as realized gains or losses upon sale of asset.
- K. Plan does not provide for payment of interest to Class 8 holders of general unsecured claims, as set forth in the Plan. If holders of general unsecured claims receive 100% of their allowed claims, they would then be entitled to receive interest at the federal judgement rate, prior to any funds being available for claims or interest of junior priority.
- L. Plan assumes zero allowed claims for IFA and Hunter Mountain Investment Trust ("HM"); UBS claim based on voting amount of \$94.8 million, but Debtor and UBS have agreed in principal regarding UBS's allowed claim
- M. Claim amounts listed in Plan vs. Liquidation schedule are subject to change; claim amounts in Class 8 assume \$0 for IFA and HM, \$94.8 million for UBS and \$45 million HV. Assumes RCP claims will offset against HCMLP's interest in fund and will not be paid from Debtor assets
- N. With the exception of Class 2 - Frontier, Classes 1-7 will be paid in full within 30 days of effective date.
- O. Class 7 payout limited to 85% of each individual creditor claim or in the aggregate \$13.15 million. Plan currently projects Class 7 payout of \$10.3 million.
- P. See below for Class 8 estimated payout schedule; payout is subject to certain assets being monetized by payout date (no Plan requirement to do so):
 - o By September 30, 2021 - \$50,000,000
 - o By March 31, 2022 – additional \$50,000,000
 - o By June 30, 2022 – additional \$25,000,000
 - o All remaining proceeds are assumed to be paid out on or soon after all remaining assets are monetized.
- Q. Assumptions subject to revision based on business decision and performance of the business

Plan Analysis Vs. Liquidation Analysis
(US \$000's)

	Plan Analysis	Liquidation Analysis
Estimated cash on hand at 1/31/2020	\$ 24,290	\$ 24,290
Estimated proceeds from monetization of assets [1][2]	257,941	191,946
Estimated expenses through final distribution[1][3]	(59,573)	(41,488)
Total estimated \$ available for distribution	222,658	174,748
Less: Claims paid in full		
Unclassified [4]	(1,080)	(1,080)
Administrative claims [5]	(10,574)	(10,574)
Class 1 - Jefferies Secured Claim	-	-
Class 2 - Frontier Secured Claim [6]	(5,781)	(5,781)
Class 3 - Other Secured Claims	(62)	(62)
Class 4 – Priority Non-Tax Claims	(16)	(16)
Class 5 - Retained Employee Claims	-	-
Class 6 - PTO Claims [5]	-	-
Class 7 – Convenience Claims [7][8]	(10,280)	-
Subtotal	(27,793)	(17,514)
Estimated amount remaining for distribution to general unsecured claims	194,865	157,235
% Distribution to Class 7 (Class 7 claims included in Class 8 in Liquidation scenario)	85.00%	0.00%
Class 8 – General Unsecured Claims [8][10]	313,588	326,468
Subtotal	313,588	326,468
% Distribution to general unsecured claims	62.14%	48.16%
Estimated amount remaining for distribution	-	-
Class 9 – Subordinated Claims	<i>no distribution</i>	<i>no distribution</i>
Class 10 – Class B/C Limited Partnership Interests	<i>no distribution</i>	<i>no distribution</i>
Class 11 – Class A Limited Partnership Interest	<i>no distribution</i>	<i>no distribution</i>

Footnotes:

[1] Assumes chapter 7 Trustee will not be able to achieve same sales proceeds as Claimant Trustee

Assumes Chapter 7 Trustee engages new professionals to help liquidate assets and terminates any management agreements with funds or CLOS

[2] Sale of investment assets, sale of fixed assets, collection of accounts receivable and interest receivable; Plan includes revenue from managing CLOs

[3] Estimated expenses through final distribution exclude non-cash expenses:

Depreciation of \$462 thousand in 2021; Bad debt of \$124K in 2021

[4] Unclassified claims include payments for priority tax claims and settlements with previously approved by the Bankruptcy Court

[5] Represents \$4.7 million in unpaid professional fees, \$4.5 million in timing of payments to vendors and \$1.2 million to pay PTO

[6] Debtor will pay all unpaid interest estimated at \$253 thousand of Frontier on effective date and continue to pay interest quarterly at 5.25% until Frontier's collateral is sold

[7] Claims payout limited to 85% of each individual creditor claim or limited to a total class payout of \$13.15 million

[8] Plan: Class 7 includes \$1.2 million estimate for aggregate contract rejections damage; Liquidation Class 8 includes \$2.0 million for estimated rejection damages

[10] Class estimates \$0 allowed claim for the following creditors: IFA and HM; assumes RCP claims offset against HCMLP interest in RCP fund

UBS claim included at voting amount of \$94.8 million. Debtor and UBS have agreed in principal regarding UBS's allowed claim

Notes:

All claim amounts are estimated as of January 26, 2020 and subject to change

Rollforward - Notes receivable

- c) Obtain detailed listing(s) of the ending balance of notes receivable by asset, agree balances and test mathematical accuracy.

Service Delivery Center activities:

Tests of Details

☐ Not applicable. The rollforward in procedure a) was performed at the individual asset level, or

☒ Obtained detailed listing(s) of the ending balance of notes receivable.

[Document details of accounts selected or provide link to detailed listing(s) obtained]

Refer to the <Results Template> tab for procedures performed. Additionally, note that the due from receivables listing was target tested for accounts greater than \$10M and the remaining population was non-stat tested. Refer to testing performed in the < Results Template>

[Results Template](#)

AND

☒ Agreed the total per the detailed listing to the ending balance per the rollforward, and:

☒ No reconciling items noted, or

☐ Reconciling items are not significant or unusual (when considered both individually and in the aggregate); therefore no further testing performed, or

[Document reconciling items noted and rationale for determination]

☐ Significant or unusual reconciling items noted; therefore performed further testing as follows:

[Document reconciling items noted and testing performed or provide link]

AND

☒ Tested mathematical accuracy of the detailed listing, as follows:

[Document schedule name(s), details of testing performed or provide link to tickmarked schedule]

☒ Verified spreadsheet formula.

☐ Manually added or recalculated.

☐ Application controls over related report tested.

☐ Other [Specify below].

[Document details of testing, if not included in the linked schedule]

- d) Define what constitutes an unexpected or unusual balance and scan the subledgers or detailed listing of ending balances of notes receivable by asset for unexpected (e.g. credit balances, large balances not confirmed, etc.) or unusual items.

☒ Defined what constitutes an unexpected or unusual balance, as follows:

[Define and document what constitutes an unexpected or unusual balance]

An unexpected or unusual balance is defined as anything that is not considered in Due from Affiliate, within the details. The engagement team performed a Credit Risk Analysis over the material balances within the <Detail> tab to ensure that there were no unexpected or unusual loans. Refer to the <Credit Risk Analysis> tab for the engagement team analysis over the related balances.

Highland Capital Management, L.P.
Credit Risk Analysis
12/31/2017
Prepared by Hilda Garcia, PwC

Note: The audit team performed a credit analysis for all material (above performance materiality) notes receivable in order to determine the nature and intent of each note as well as assess the ability of the payee to pay the note. Refer to the team's analysis below.

Account #	Counter Party	Amount	Interest Rate	Maturity Date	Nature	Recoverability
14530	Highland Capital Management Services (James Dondero majority owner)	14,122,352	2.75%	12/31/2047	Highland Capital Management Services is an S Corp that acts as a platform investment company for one-off investments. Loans are provided to this entity primarily in order to provide seed capital for new investments.	Based on our testing performed over this loan, the engagement team notes that all the previous loans issued to HCMSI have been restructured and consolidated into one loan with a maturity date of 12/31/2047 and a yearly installment payment plan. The audit team also vouched interest payments being made by the fund, which also signifies that they have the ability to continue to make their payments. As such, the team is comfortable that the fund will be able to pay the loan when it becomes due. Further note that HCM Services has also paid back \$6.1 M to HCMLP in principal payments for 2017 (vouched by engagement team) and paid off all the interest owed to the fund as of 12/31/2017. As the fund is showing an ability by continuing to make payments subsequent to year end and an installment payment plan has been implemented, the audit team is comfortable that the entity has the ability to pay down this loan when it becomes due. Furthermore, Jim Dondero owns more than 70% of this entity.
14531	Highland Capital Fund Advisors	4,895,468	2.62%	On demand but not before 5/31/2019	Loans are made to HCMF for the fund's operational purposes.	Per review of the audited HCMF financial statements, the engagement team notes that the fund is realizing profits and has a positive cash flow. Based on the team's going concern considerations for this fund, the expectation is that the fund will be in positive partners capital by the next fiscal year. Based on the profit and improving performance of the fund, the team is comfortable that they will be able to pay the loan when it becomes due.
14532	Nexpoint Advisors	29,721,919	6%	12/31/2047	Loans are made to Nexpoint for the fund's operational purposes.	Per review of the audited Nexpoint financial statements, the engagement team notes that the fund is realizing profits and has a positive cash flow. Based on the team's going concern considerations for this fund, the expectation is that the fund continue to recover from its negative partners' capital balance in the coming years as it continues to improve performance and does not over distribute partners' capital. The engagement team additionally notes that NPA has stopped waiving management fees in the current year to the BDC (Nexpoint Capital Strategies) which is expected to significantly increase their revenue for future period. Based on the profit and improving performance of the fund, the team is comfortable that they will be able to pay the loan installments as they become due.
14533	HCRE Partners (James Dondero)	8,457,837	Varies	On demand and 12/31/2047	HCRE Partners is a real estate investment entity that investments in opportunistic real estate investments and historically has realized substantial gains. Loans are provided to this entity primarily in order to provide seed capital for new investments. Note that 31% of this balance is due on demand. The remaining 69% is made up of a restructured loan that has a maturity date of 12/31/2047.	Per discussion with Dave Kios, HCMLP, the audit team notes that these loans are made at a high interest rate in order to encourage the fund to pay off the loan quickly. Based on our testing performed over this loan, the engagement team notes that the loans issues to HCRE went through a restructure in the current year. As such, 31% of the HCRE balance is due on demand and the remaining 69% is made up of a restructured loan that has a maturity date of 12/31/2047 and implements an installment plan over 30 years. The audit team also vouched interest and principal payments being made by the fund, which also signifies that they have the ability to continue to make their payments. As such, the team is comfortable that the fund will be able to pay the loan when it becomes due. Furthermore, Jim Dondero owns more than 70% of this entity.
14565	James Dondero	15,728,031	2.03%-2.25%	On demand and 12/31/2047	Related to Loans given to Limited Partners within the fund including James Dondero and Mark Okada in order to satisfy tax liability. Both have little basis in the fund, therefore a tax loan was given instead of an equity distribution. Note that James Dondero's portion was 92% of this balance and has a maturity date of 12/31/2047.	Per review of the Nexpoint Credit Strategy Fund form 130 filed with the SEC on 5/8/18, the engagement team notes that James Dondero owns 17.5% of this fund. Per review of the audited 12/31/17 financial statements for NHF, we note a total Net Asset Value of \$592,308,994, which leaves Dondero's ownership value in the fund at \$105,431,000. Additionally, the team notes that per NexPoint Residential Trust, Inc. form DEF 14A filed with the SEC on 4/11/2018, James Dondero also owns 19.98% of NexPoint Residential Trust. Per review of the audited 12/31/17 financial statements for NXPT, we note a total Net Asset Value of \$239,444,000 which leaves Dondero's ownership value in the fund at \$47,840,911. Based solely on these two investment values (\$153,271,912 value), not considering his extensive ownership of other assets, the team notes that Mr. Dondero has significant net worth in excess of the amount that is payable to HCMLP and therefore he has the ability to pay the loan. We note that because NHF is a publicly traded fund, he has the ability to sell his shares or transfer them back to HCMLP to satisfy the debt.
14750	Dugaboy (James Dondero)	22,860,559	3.26%	12/31/2047	The audit team notes that this note was primarily made in order to donate assets held by the fund to charity. Therefore, the fund sold assets in exchange for a Note Payable ultimately from Dugaboy, of which the primary beneficiary is James Dondero.	See above.
14585	Hunter Mountain Investment Trust (James Dondero)	60,663,612	2.61%	On demand	Note that Hunter Mountain purchased 99.5% of HCMLP. This loan was originally made for seller financing of the purchase of HCMLP as a part of the purchase price was paid in cash and a portion was financed as a note payable to HCMLP.	As Hunter Mountain owns 99.5% of HCMLP (verified through capital testing), the audit team notes that if Hunter Mountain did not have the ability to pay when the note became due, HCMLP could simply recover the receivable by netting off Hunter Mountain's capital balance. As such, the team is comfortable with the recoverability of this note. Additionally, the team notes that James Dondero is a significant owner of Hunter Mountain through the Crown Global Life Insurance. Therefore, the team notes that Mr. Dondero has significant net worth in excess of the amount that is payable to HCMLP and therefore he has the ability to pay the loan.

Tickmark Legend

A Agrees to the note agreements obtained within the <Results Template> tab for testing.

A The engagement team obtained comfort over the Shared Svcs Fee Receivable - NREA amount by performing procedures as documented in the EGA linked below. Per review of the procedures performed, the amount deemed reasonable. Waived further procedures.

Test shared services expenses

B The engagement team notes that the receivables above relate to amounts due from other audited HCM entities for loans provided by Highland Capital Management, L.P. ("HCMLP") to Highland Capital Management Fund Advisors ("HCMFA") or NexPoint Advisors ("NPA"). Further note the engagement team prepared and tested the Due to HCMLP rollforwards for both HCMFA and NPA, which correspond to the receivables amount above in conjunction with testing over those entities, without exception. Note that the following procedures were performed within the EGAs linked below.

	Amount	
Due from HCMFA	4,895,468	HCMFA - Understand debt agreements and test compliance
Due from Nexpoint	29,721,919	Nexpoint Advisor - Understand debt agreements and test compliance

C The engagement team notes that this amount is made up of 2 separate loans issued for tax purposes to two owners, James Dondero and Mark Okada, in 2016. We note that the James Dondero loans have been restructured and consolidated in the current year. Refer to the <Dondero Tax Loan> tab for testing and support obtained. The note receivable due from Mark Okada has not had any paydowns in the current year. As such Okada's note receivable balance as of 12/31/2017 is consistent with prior year.

Date	Lender	Interest Rate	Amount	
5/31/2017	HCM Dondero - Restructured	2.03%	14,478,031	<Dondero Tax Loan>
4/15/2016	HCM Okada	2.25%	1,250,000	04152016 HCM Okada \$1.25M
			15,728,031	Rc
			^	

D The engagement team notes that this amount is made up of 3 separate loans issued to HCRE. We note that one of the notes was restructured in the current year and an additional note has been issued. Refer below for support reconciliation and support obtained from Drew Wilson, HCM.

Date	Lender	Interest Rate	Amount	
11/27/2013	HCRE #9	2.03%	100,000	PY

Due from Get Good
Account Detail - Year end Balances
12/31/2017
PBC, tickmarked by Hilda Garcia, PwC

Note: The engagement team notes that this amount is related to a Note Receivable from Get Good original sold on 12/28/2016. Per review of the original purchase agreement, linked below, the audit team notes that HCMLP exchanged assets (held as a liability) for the right to receive 97.6835% of Get Good's Note receivable. We note that the original note receivable issued to Get Good Trust from the Dugaboy Trust was for \$24,268,621.69 on 5/31/2017. The audit team obtained the original restructured agreement and the debt rollover from Drew Wilson, HCMLP. Refer below for the new restructured receivable rollover tied out by the audit team. As the ending balance of the note agrees to the Notes Receivable balance on the lead schedule without exception, further analysis is waived.

Tickmark Legend

A Footed without exception.

Rc Recalculated amount. Refer to the respective cell's formula for further details.

PYWP Agreed to the prior year workpaper, without exception. Refer to the Test due from and notes receivable EGA in prior years database.

A Agrees to the signed Hunter Mountain contribution agreement linked below without exception. Refer to pg. 49 of the agreement for further details around these amounts.

Hunter Mountain Contribution Agreement

B Per discussion with Sean Fox, HCMLP, and review of the amortization schedule within the promissory note linked below (p. 7/7), the audit team notes that the interest accrued PIKs at it's anniversary date each year. Therefore, the team deems it reasonable that the full value of accrued interest was capitalized into the principal balance on the notes one year anniversary. Refer to the note below for further details.

HM Secured Promissory Note

C Agree to the Interest Income for Hunter Mountain Trust per the <80100> detail tab within an immaterial difference. Refer to the reconciliation within the aforementioned tab linked below for further details.

<80100>

D Agreed to cash deposit in the January Compass Bank statement (account #: 0025876342), without exception. Further testing waived. Note that the Interest and principle payment were made in one lump sum payment of \$5,531,205. Refer below for breakdown of payment.

Highland Capital Management, L.P.
Credit Risk Analysis
12/31/2018
Prepared by Madeline Pacocha, PwC

Note: The audit team performed a credit analysis for all material (above performance materiality) notes receivable in order to determine the nature and intent of each note as well as assess the ability of the payee to pay the note. Refer to the team's analysis below.

<Detail>		A		A			
Account #	Counter Party	Amount	Interest Rate	Maturity Date	Nature	Recoverability	
14530	Highland Capital Management Services (James Dondero majority owner)	13,884,352	2.75%	12/31/2047	Highland Capital Management Services is an S Corp that acts as a platform investment company for one-off investments. Loans are provided to this entity primarily in order to provide seed capital for new investments.	Based on our testing performed over this loan, the engagement team notes that all the previous loans issued to HCMSI have been restructured and consolidated into one loan with a maturity date of 12/31/2047 and a yearly installment payment plan. The audit team also vouched interest payments being made by the fund, which also signifies that they have the ability to continue to make their payments. As such, the team is comfortable that the fund will be able to pay the loan when it becomes due. Further note that HCM Services has also paid back \$588K to HCMLP in principal payments for 2018 (vouched by engagement team) and paid off all the interest owed to the fund as of 12/31/2018. As the fund is showing an ability by continuing to make payments subsequent to year end and an installment payment plan has been implemented, the audit team is comfortable that the entity has the ability to pay down this loan when it becomes due. Furthermore, Jim Dondero owns more than 70% of this entity.	
14531	Highland Capital Fund Advisors	4,895,352	2.62%	On demand but not before 5/31/2019	Loans are made to HCMF for the fund's operational purposes.	Per review of the audited HCMF financial statements, the engagement team notes that the fund is realizing profits and has a positive cash flow. Based on the team's going concern considerations for this fund, the expectation is that the fund will be in positive partners capital by the next fiscal year. Based on the profit and improving performance of the fund, the team is comfortable that they will be able to pay the loan when it becomes due.	
14532	Nexpoint Advisors	28,417,403	6%	12/31/2047	Loans are made to Nexpoint for the fund's operational purposes.	Per review of the audited Nexpoint financial statements, the engagement team notes that the fund is realizing profits and has a positive cash flow. Based on the team's going concern considerations for this fund, the expectation is that the fund continue to recover from it's negative partners' capital balance in the coming years as it continues to improve performance and does not over distribute partners' capital. The engagement team additionally notes that NPA has stopped waiving management fees to the BDC (Nexpoint Capital Strategies) which is expected to significantly increase their revenue for future period. Based on the profit and improving performance of the fund, the team is comfortable that they will be able to pay the loan installments as they become due.	
14533	HCRE Partners (James Dondero)	9,005,843	Varies	On demand and 12/31/2047	HCRE Partners is a real estate investment entity that investments in opportunistic real estate investments and historically has realized substantial gains. Loans are provided to this entity primarily in order to provide seed capital for new investments. Note that 31% of this balance is due on demand. The remaining 69% is made up of a restructured loan that has a maturity date of 12/31/2047.	Per discussion with Dave Klos, HCMLP, the audit team notes that these loans are made at a high interest rate in order to encourage the fund to pay off the loan quickly. The audit team also vouched interest and principal payments being made by the fund, which also signifies that they have the ability to continue to make their payments. As such, the team is comfortable that the fund will be able to pay the loan when it becomes due. Furthermore, Jim Dondero owns more than 70% of this entity.	
14565	James Dondero	30,141,021	2.03%-2.25%	On demand and 12/31/2047	Related to Loans given to Limited Partners within the fund including James Dondero and Mark Okada in order to satisfy tax liability. Both have little basis in the fund, therefore a tax loan was given instead of an equity distribution. Note that James Dondero's portion was 92% of this balance and has a maturity date of 12/31/2047.	Per review of the Nexpoint Strategy Opportunities Fund form 13D filed with the SEC on 10/25/18, the engagement team notes that James Dondero owns 16.8% of this fund. Per review of the audited 12/31/18 financial statements for NHF, we note a total Net Asset Value of \$767.7 million, which leaves Dondero's ownership value in the fund at \$128.9 million. Additionally, the team notes that per NexPoint Residential Trust, Inc. form DEF 13D filed with the SEC on 11/20/2018, James Dondero also owns 19.65% of NexPoint Residential Trust. Per review of the audited 12/31/18 financial statements for NXRT, we note a total Net Asset Value of \$296,028,000 which leaves Dondero's ownership value in the fund at \$58,169,502. Based solely on these two investment values (\$188,069,502 value), not considering his extensive ownership of other assets, the team notes that Mr. Dondero has significant net worth in excess of the amount that is payable to HCMLP and therefore he has the ability to pay the loan. We note that because NHF is a publicly traded fund, he has the ability to sell his shares or transfer them back to HCMLP to satisfy the debt.	
14750	Dugaboy (James Dondero)	21,556,268	3.26%	12/31/2047	The audit team notes that this note was primarily made in order to donate assets held by the fund to charity. Therefore, the fund sold assets in exchange for a Note Payable ultimately from Dugaboy, of which the primary beneficiary is James Dondero.	See above.	
14585	Hunter Mountain Investment Trust (James Dondero)	60,167,335	2.61%	On demand	Note that Hunter Mountain purchased 99.5% of HCMLP. This loan was originally made for seller financing of the purchase of HCMLP as a part of the purchase price was paid in cash and a portion was financed as a note payable to HCMLP.	As Hunter Mountain owns 99.5% of HCMLP (verified through capital testing), the audit team notes that if Hunter Mountain did not have the ability to pay when the note became due, HCMLP could simply recover the receivable by netting off Hunter Mountain's capital balance. As such, the team is comfortable with the recoverability of this note. Additionally, the team notes that James Dondero is a significant owner of Hunter Mountain through the Crown Global Life Insurance. Therefore, the team notes that Mr. Dondero has significant net worth in excess of the amount that is payable to HCMLP and therefore he has the ability to pay the loan.

Rc Amount recalculated. Refer to respective cell for formula detail.

imm Amount is immaterial, below SUM. Further testing is waived.

^ Amount footed. Refer to respective cell for formula detail.

PY Agrees to the prior year Asset lead schedule tested by the audit team without exception.

A The engagement team notes that the receivables above relate to amounts due from other audited HCM entities for loans provided by Highland Capital Management, L.P. ("HCMLP") to Highland Capital Management Fund Advisors ("HCMFA") or NexPoint Advisors ("NPA"). Further note the engagement team prepared and tested the Due to HCMLP rollforwards for both HCMFA and NPA, which correspond to the receivables amount above in conjunction with testing over those entities, without exception. Note that the following procedures were performed within the EGAs linked below.

	Amount	
Due from HCMFA	4,895,468	Understand debt agreements and test compliance
Due from Nexpoint	28,417,403	Understand debt agreements and test compliance

B The engagement team notes that this amount is made up of 2 separate loans issued for tax purposes to two owners, James Dondero and Mark Okada. Refer to the <Dondero Tax Loan> tab for testing and support obtained. The note receivable due from Mark Okada has not had any paydowns in the current year. As such Okada's note receivable balance as of 12/31/2018 is consistent with prior year.

Due from James Dondero - Tax Loan
Account Detail - Year end Balances
12/31/2018
PBC, tickmarked by Madeline Pacocha, PwC

Note: The engagement team notes that in prior year there were six loans given to James Dondero, HCM Owner, for tax purposes. The original loan balances were agreed to their note agreements in the prior year, without exception. Note that there were four new note receivables during 2018. The audit team obtained the original agreement and the debt rollover from Kristin Hendrix, HCM LP. Refer below for the new restructured receivable rollover tied out by the audit team. As the sum of the ending balance of the notes agrees to the Notes Receivable balance on the lead schedule without exception, further analysis is waived.

Due from Get Good

Account Detail - Year end Balances

12/31/2018

PBC, tickmarked by Madeline Pacocha, PwC

Note: The engagement team notes that this amount is related to a Note Receivable from Get Good original sold on 12/28/2016. Per review of the original purchase agreement, linked below, the audit team notes that HCMLP exchanged assets (held as a liability) for the right to receive 97.6835% of Get Good's Note receivable. We note that the original note receivable issued to Get Good Trust from the Dugaboy Trust was for \$24,268,621.69 on 5/31/2017. The audit team obtained the original restructured agreement and the debt rollforward from Drew Wilson, HCMLP. Refer below for the new restructured receivable rollforward tied out by the audit team. As the ending balance of the note agrees to the Notes Receivable balance on the lead schedule without exception, further analysis is waived.

Note: The engagement team notes the receivable based on an agreement with Highland Capital of New York, L.P. Based on the agreement, linked below, Highland Capital of New York, L.P. performs marketing and other services to Highland Capital, for a management fee. Purchases incurred are tracked, as detailed below, and then are netted again the management fee for the period. Further details related to the agreement are described in the transfer pricing agreement linked below. The engagement team performed a reconciliation of the transactions that occurred through the year to arrive at the amount described on the trial balance ending 12/31/2018.

HCMLP
Notes Receivable
12/31/2018
PBC, tickmarked by Madeline Pacocha, PwC

Note: The audit team notes that this Note Receivable balance is made up of a Hunter Mountain Investment Trust note. The audit team obtained the original contribution agreement in prior year, and also obtained the debt rollforward from Sean Fox, HCMLP. Refer below for the rollforward tied out by the audit team. As the ending balance of the note agrees to the Notes Receivable balance on the lead schedule without exception, further analysis is waived.

Tickmark Legend

- ^ Footed without exception.
Rc Recalculated amount. Refer to the respective cell's formula for further details.
PYWP Agreed to the prior year workpaper, without exception. Refer to the Test due from and notes receivable EGA in prior years database.
A Agrees to the signed Hunter Mountain contribution agreement linked below without exception. Refer to pg. 49 of the agreement for further details around these amounts.
Hunter Mountain Contribution Agreement
B Per review of the amortization schedule within the promissory note linked below (p. 7/7), the audit team notes that the interest accrued PIKs at it's anniversary date each year. Therefore, the team deems it reasonable that the full value of accrued interest was capitalized into the principal balance on the notes one year anniversary. Refer to the note below for further details.

HM Secured Promissory Note

- C Agree to the Interest Income for Hunter Mountain Trust per the <80100> detail tab within an immaterial difference. Refer to the reconciliation within the aforementioned tab linked below for further details.
<80100>
D Agreed to cash deposit in the December Compass Bank statement (account #: 0025876342), without exception. Further testing waived. Note that the Interest and principle payment were made in one lump sum payment of \$2,079,406. Refer below for breakdown of payment.

<p style="text-align: right;">Page 6</p> <p>1 BURGER</p> <p>2 Q. In that capacity, have you overseen</p> <p>3 the audits for Highland Capital Management,</p> <p>4 L.P.?</p> <p>5 A. Yes, I did.</p> <p>6 Q. Just briefly, were you employed by</p> <p>7 PricewaterhouseCoopers prior to the time you</p> <p>8 became an audit partner at the beginning of</p> <p>9 2014?</p> <p>10 A. Yes, I have. Do I need to give the</p> <p>11 dates?</p> <p>12 Q. Can you just tell me when you first</p> <p>13 joined PwC?</p> <p>14 A. I joined in January of 1997 in our</p> <p>15 South African firm. Yes, that's correct.</p> <p>16 Q. When did you join the audit group?</p> <p>17 A. In January of 1997.</p> <p>18 Q. So you have been with</p> <p>19 PricewaterhouseCoopers' audit unit on a</p> <p>20 consistent basis for more than 20 years; is</p> <p>21 that fair?</p> <p>22 A. Correct.</p> <p>23 Q. Okay. When did you personally begin</p> <p>24 working on the Highland Capital Management,</p> <p>25 L.P. audits, do you recall?</p>	<p style="text-align: right;">Page 7</p> <p>1 BURGER</p> <p>2 A. Somewhere in 2013. I would say</p> <p>3 April, 2013.</p> <p>4 Q. And were you the audit partner in</p> <p>5 charge of the Highland engagement from 2013</p> <p>6 until the time the 2018 financial statements</p> <p>7 were completed?</p> <p>8 A. This is specific to Highland Capital</p> <p>9 Management, L.P., yes.</p> <p>10 Q. I'm just going to refer to Highland</p> <p>11 Capital Management, L.P. as Highland going</p> <p>12 forward; is that okay?</p> <p>13 A. Yes.</p> <p>14 Q. Have you ever been deposed before?</p> <p>15 A. No.</p> <p>16 Q. Okay.</p> <p>17 A. No.</p> <p>18 Q. I apologize, I should have started</p> <p>19 with some ground rules, but I'm trying to be</p> <p>20 mindful of the time. It is important that you</p> <p>21 allow me to finish my questions before you</p> <p>22 begin your answers; is that okay?</p> <p>23 A. Sure.</p> <p>24 Q. And if I begin my next question</p> <p>25 before you begin – before you finish your</p>
<p style="text-align: right;">Page 8</p> <p>1 BURGER</p> <p>2 answer, will you let me know that?</p> <p>3 A. Sure.</p> <p>4 Q. Do you understand that the court</p> <p>5 reporter is taking down every word that we say?</p> <p>6 A. Yes.</p> <p>7 Q. If you want to break at any time,</p> <p>8 will you let me know?</p> <p>9 A. Sure.</p> <p>10 Q. If there is anything that you don't</p> <p>11 understand, if there is a question that I ask</p> <p>12 that you either don't understand or you think</p> <p>13 is ambiguous in some way, will you let me know</p> <p>14 that?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. From PricewaterhouseCoopers'</p> <p>17 perspective, what is the purpose of an audit?</p> <p>18 A. To provide reasonable assurance in</p> <p>19 in terms of the auditing and accounting</p> <p>20 standards.</p> <p>21 Q. What standards are you referring to?</p> <p>22 A. In this case Generally Accepted</p> <p>23 Auditing Standards.</p> <p>24 Q. What are Generally Accepted Auditing</p> <p>25 Standards, if you know?</p>	<p style="text-align: right;">Page 9</p> <p>1 BURGER</p> <p>2 A. It is a set of rules basically</p> <p>3 governed by the AICPA of what – considered</p> <p>4 what is the sort of conglomerate of rules on</p> <p>5 your professional standards of engagement to</p> <p>6 sign an audit opinion.</p> <p>7 Q. And do I have this correctly, that</p> <p>8 the purpose of the audit is to provide</p> <p>9 reasonable assurance that the financial</p> <p>10 statements are in compliance with Generally</p> <p>11 Accepted Auditing Standards?</p> <p>12 MR. WANDER: Did you say assurance</p> <p>13 or insurance?</p> <p>14 Q. Assurance?</p> <p>15 A. Yes, assurance, yes. The procedures</p> <p>16 performed by us in terms of Generally Accepted</p> <p>17 Auditing Standards and the financials itself is</p> <p>18 presented in terms of Generally Accepted</p> <p>19 Accounting Practice.</p> <p>20 Q. Okay. And are those standards or</p> <p>21 practices familiar to you in the course of your</p> <p>22 duties?</p> <p>23 A. Yes, it is.</p> <p>24 Q. Okay. Can you describe for me</p> <p>25 generally the process that PwC undertook in</p>

<p>Page 10</p> <p>1 BURGER</p> <p>2 connection with its auditing of the Highland</p> <p>3 financial statements? Is there, you know, a</p> <p>4 process that you follow?</p> <p>5 A. Yes, there is. I mean, it is a</p> <p>6 pretty long process which starts all the way</p> <p>7 from the planning to completion and you know,</p> <p>8 through the execution which audit approach</p> <p>9 outlines all the relevant standards of the</p> <p>10 procedures that we're supposed perform from the</p> <p>11 planning, execution and completion stage.</p> <p>12 Q. And is that something that you share</p> <p>13 with Highland so that they understand the</p> <p>14 process?</p> <p>15 A. We don't share our workpapers and</p> <p>16 absolutely every single part of that, but they</p> <p>17 – I mean, they know what we are looking for in</p> <p>18 the sense of obviously for – we make requests</p> <p>19 for information. And if the information is not</p> <p>20 clear, we need to explain to them why we are</p> <p>21 asking them for it.</p> <p>22 Q. And how soon after the completion of</p> <p>23 the fiscal year does PwC begin the process that</p> <p>24 leads to the final audit?</p> <p>25 A. We start this engagement in its</p>	<p>Page 11</p> <p>1 BURGER</p> <p>2 fieldwork stage in around about April after –</p> <p>3 April after the unit.</p> <p>4 Q. And what do you mean when you use</p> <p>5 the phrase fieldwork?</p> <p>6 A. Our execution phase.</p> <p>7 Q. Is that the time when you begin to</p> <p>8 send informational requests to Highland?</p> <p>9 A. No, we send it through the planning</p> <p>10 phase as well, which the planning phase is the</p> <p>11 phase where you get engaged to go through all</p> <p>12 the planning and setting up the procedures that</p> <p>13 you are supposed to perform for the – for the</p> <p>14 execution phase. And you can also do some of</p> <p>15 the execution transaction work during that</p> <p>16 period to save yourself from having to spend</p> <p>17 that time in April and May.</p> <p>18 Q. And when does the planning stage</p> <p>19 begin?</p> <p>20 A. Each year can be slightly different,</p> <p>21 but in this case, this was around about the</p> <p>22 October – September, October.</p> <p>23 Q. So the planning would begin in the</p> <p>24 fall of each fiscal year and –</p> <p>25 A. Correct.</p>
<p>Page 12</p> <p>1 BURGER</p> <p>2 Q. Is that fair?</p> <p>3 A. That's fair.</p> <p>4 Q. And then during the planning stage,</p> <p>5 PwC would make information requests to</p> <p>6 Highland. Do I have that right?</p> <p>7 A. You have got that correct.</p> <p>8 Q. And then in response to that,</p> <p>9 Highland would feed information to PwC for</p> <p>10 PwC's review. Do I have that right?</p> <p>11 A. Correct.</p> <p>12 Q. And then the fieldwork is – is the</p> <p>13 next step the fieldwork?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. Do you recall during the time</p> <p>16 that you were the audit partner did you have a</p> <p>17 primary contact at Highland for purposes of the</p> <p>18 planning and the execution phases of the audit?</p> <p>19 A. There were more than one individual</p> <p>20 we dealt with, but I recall there was a primary</p> <p>21 contact which facilitated sort of – you know,</p> <p>22 the – which facilitated all of our</p> <p>23 communication.</p> <p>24 Q. And who was that?</p> <p>25 A. That was David Klos.</p>	<p>Page 13</p> <p>1 BURGER</p> <p>2 Q. And who besides Mr. Klos were the</p> <p>3 primary points of contact?</p> <p>4 A. Frank Waterhouse is the CFO and</p> <p>5 Kristin Hendrix who, for the lack of a better</p> <p>6 word was the – the sort of chief – the</p> <p>7 accountant.</p> <p>8 Q. The accountant?</p> <p>9 A. Yes.</p> <p>10 Q. Yes. And how many people typically</p> <p>11 were on the Price Waterhouse team for purposes</p> <p>12 of the Highland audits?</p> <p>13 A. It depends on the phase of the</p> <p>14 audit, but at the biggest part of the audit the</p> <p>15 execution phase we were, including me I would</p> <p>16 say six or seven people.</p> <p>17 Q. Okay. And how would</p> <p>18 PricewaterhouseCoopers obtain the information</p> <p>19 that it needed to prepare the audited financial</p> <p>20 statements?</p> <p>21 A. Sorry. Just to make sure, say</p> <p>22 obtain the information. We – we have a – I</p> <p>23 mean, I did this over seven years. It morphed</p> <p>24 over time, but we have a – a site, a secure</p> <p>25 site called Connect. And I think towards the</p>

<p>Page 14</p> <p>1 BURGER</p> <p>2 end we used that for them to upload</p> <p>3 information.</p> <p>4 Previously Highland had its own</p> <p>5 secure site where we would raise a request and</p> <p>6 they would upload the information on the secure</p> <p>7 site.</p> <p>8 Q. Okay. Did PricewaterhouseCoopers</p> <p>9 rely on management to provide the information</p> <p>10 that would enable PwC to prepare the audited</p> <p>11 financial statements?</p> <p>12 A. We did.</p> <p>13 Q. Did PwC ever make any site visits to</p> <p>14 Highland in connection with the audits?</p> <p>15 A. We did.</p> <p>16 Q. And during those visits, was it</p> <p>17 typical that PricewaterhouseCoopers might have</p> <p>18 follow-up requests for information?</p> <p>19 MR. AIGEN: Objection, form.</p> <p>20 A. Yes.</p> <p>21 Q. Did PwC ever provide drafts of the</p> <p>22 audit reports to Highland for their review</p> <p>23 prior to the time they were finalized?</p> <p>24 A. If you mean audit reports, do you</p> <p>25 mean the one- or two-page opinion that I signed</p>	<p>Page 15</p> <p>1 BURGER</p> <p>2 or do you mean the financial statements?</p> <p>3 Q. I apologize, thank you for the</p> <p>4 clarification.</p> <p>5 I mean, the financial statements and</p> <p>6 the notes accompanying the financial</p> <p>7 statements?</p> <p>8 A. They compile that and that is their</p> <p>9 responsibility, so they provide us with that</p> <p>10 document.</p> <p>11 Q. Okay. So the five or six pages of</p> <p>12 financial statements and all of the notes are</p> <p>13 compiled by Highland, not by PwC?</p> <p>14 A. Correct, yeah, correct.</p> <p>15 Q. And did PwC have an opportunity to</p> <p>16 review and comment on the drafts of the</p> <p>17 financial statements on the accompanying notes?</p> <p>18 A. Yes, we do.</p> <p>19 Q. And did PwC in the course of its</p> <p>20 engagement ask the questions that PwC thought</p> <p>21 was relevant in order to give reasonable</p> <p>22 assurance that the financial statements were in</p> <p>23 accordance with Generally Accepted Auditing</p> <p>24 Standards?</p> <p>25 MR. AIGEN: Objection, form.</p>
<p>Page 16</p> <p>1 BURGER</p> <p>2 MR. WANDER: You mean, GAAP, not</p> <p>3 GAAS?</p> <p>4 Q. I mean, it is auditing not</p> <p>5 accounting; right? So it is Generally Accepted</p> <p>6 Accounting Standards, do I have that right?</p> <p>7 MR. WANDER: The audited – the</p> <p>8 financials are in accordance with GAAP.</p> <p>9 The audit is done in accordance with GAAS.</p> <p>10 Q. Thank you for the clarification, so</p> <p>11 let me rephrase the question.</p> <p>12 Did PwC ask the questions that it</p> <p>13 believed were necessary in order to provide</p> <p>14 reasonable assurance that the financial</p> <p>15 statements were in conformance with GAAP?</p> <p>16 MR. AIGEN: Objection, form.</p> <p>17 A. We did.</p> <p>18 Q. Did PwC receive representation</p> <p>19 letters from Highland in connection with each</p> <p>20 audit?</p> <p>21 A. Yeah, we did.</p> <p>22 Q. And are you personally familiar with</p> <p>23 the form of management representation letter</p> <p>24 that Highland provided to PwC each year?</p> <p>25 A. Yes, I am.</p>	<p>Page 17</p> <p>1 BURGER</p> <p>2 Q. Was it part of your personal</p> <p>3 responsibilities to review the management</p> <p>4 representation letters?</p> <p>5 A. It was.</p> <p>6 Q. From PwC's perspective, what was the</p> <p>7 purpose of the management representation</p> <p>8 letters?</p> <p>9 A. It is an opportunity for us to get</p> <p>10 management to make certain representations of</p> <p>11 us – in terms of scope of what is expected of</p> <p>12 us in an audit.</p> <p>13 Q. And was that representation letter</p> <p>14 required by PwC in order for PwC to sign-off on</p> <p>15 the audit?</p> <p>16 A. It is, it was.</p> <p>17 Q. And is it fair to say that PwC</p> <p>18 relied on the management representation letters</p> <p>19 when it decided to sign-off on the audit?</p> <p>20 A. We did.</p> <p>21 Q. I would like to put up on the screen</p> <p>22 a document that I have marked as Exhibit 1,</p> <p>23 which is the June 3rd, 2019 management</p> <p>24 representation letter.</p> <p>25 (Exhibit 1 marked.)</p>

<p style="text-align: right;">Page 18</p> <p>1 BURGER</p> <p>2 Q. Mr. Burger, so –</p> <p>3 MR. AIGEN: Sorry was this produced?</p> <p>4 I just want to make sure, is there a Bates</p> <p>5 label on this for the record?</p> <p>6 MR. MORRIS: I don't know but it was</p> <p>7 used in Mr. Dondero's deposition.</p> <p>8 MR. AIGEN: There is a Bates label.</p> <p>9 Q. So Mr. Burger, this is a little</p> <p>10 awkward. Usually in a deposition I would be in</p> <p>11 the room with you and you would have the</p> <p>12 document in front of you and it would be easy</p> <p>13 for you to review the document. Since we can't</p> <p>14 do that, and I don't know that you have this</p> <p>15 particular document in front of you, we've put</p> <p>16 it up on the screen.</p> <p>17 I'm going to ask you a few questions</p> <p>18 about it, but I strongly encourage you, I</p> <p>19 really request that you let me know if you</p> <p>20 believe that there are other portions of the</p> <p>21 document that you need to review in order to</p> <p>22 either refresh your recollection or to put my</p> <p>23 question into context, okay?</p> <p>24 We're just going to have to make due</p> <p>25 with the technology, but with that background,</p>	<p style="text-align: right;">Page 19</p> <p>1 BURGER</p> <p>2 you know, let's – let's go to the – to the</p> <p>3 page ending in 419?</p> <p>4 Do you see there that there are two</p> <p>5 signatures?</p> <p>6 A. Correct.</p> <p>7 Q. And do you understand that those are</p> <p>8 the signatures of James Dondero and Frank</p> <p>9 Waterhouse?</p> <p>10 A. Yes, correct.</p> <p>11 Q. Okay. If we could go back to the</p> <p>12 top of the document, do you understand that</p> <p>13 this is the management representation letter</p> <p>14 that was provided to PwC by Mr. Dondero and</p> <p>15 Mr. Waterhouse on June 3rd, 2019?</p> <p>16 A. Yes.</p> <p>17 Q. Do you know why Mr. Waterhouse and</p> <p>18 Mr. Dondero were the people who signed this</p> <p>19 letter?</p> <p>20 A. Starting with Mr. Waterhouse, he is</p> <p>21 the responsible party from management in the</p> <p>22 sense of being the CFO and Mr. Dondero as the</p> <p>23 general partner because the entity is a limited</p> <p>24 partner and we expect the general partner to</p> <p>25 sign the rep letter.</p>
<p style="text-align: right;">Page 20</p> <p>1 BURGER</p> <p>2 Q. Do you know who drafted this letter?</p> <p>3 A. We did.</p> <p>4 Q. Is this a form of management</p> <p>5 representation that PwC typically prepares in</p> <p>6 the ordinary course of its audits?</p> <p>7 A. Yes, it is derived from a standard</p> <p>8 template.</p> <p>9 Q. And you see in the first paragraph</p> <p>10 there is a reference to the balance sheet date.</p> <p>11 Do I have that right?</p> <p>12 A. Correct.</p> <p>13 Q. And for this particular management</p> <p>14 representation letter, the balance sheet is for</p> <p>15 the fiscal year ending December 31st, 2018;</p> <p>16 correct?</p> <p>17 A. Correct.</p> <p>18 Q. We can scroll down to the bottom,</p> <p>19 but there is – stop right there.</p> <p>20 There is a series of representations</p> <p>21 that are made in this letter. Do you</p> <p>22 understand that?</p> <p>23 A. I do.</p> <p>24 Q. And if we scroll down to, I guess,</p> <p>25 the page ending in 18, you will see that there</p>	<p style="text-align: right;">Page 21</p> <p>1 BURGER</p> <p>2 is 50 separate representations that are made by</p> <p>3 Mr. Waterhouse and Mr. Dondero, not including</p> <p>4 the subparts. Do you see that?</p> <p>5 A. I do.</p> <p>6 MR. MORRIS: And thank you, La Asia,</p> <p>7 if we can go back to the top.</p> <p>8 Q. So even though the audit letter was</p> <p>9 for the fiscal year ending December 31st, 2018,</p> <p>10 do you see in the sentence just before general</p> <p>11 that Mr. Dondero and Mr. Waterhouse confirmed</p> <p>12 based on their then current knowledge that each</p> <p>13 of the 50 representations were still correct as</p> <p>14 of June 3rd, 2019?</p> <p>15 A. I do.</p> <p>16 Q. Okay. And is that a standard</p> <p>17 practice of PwC to require management to</p> <p>18 confirm the accuracy of the representations not</p> <p>19 just as of the end of the fiscal year, but</p> <p>20 carrying through to the date of the completion</p> <p>21 of the audit?</p> <p>22 A. It is.</p> <p>23 Q. And why does PwC require that the</p> <p>24 representations be carried forward to the date</p> <p>25 of the completion of the audit?</p>

<p style="text-align: right;">Page 22</p> <p>1 BURGER</p> <p>2 A. Because per Generally Accepted</p> <p>3 Auditing Standards we have to consider material</p> <p>4 events occurring after year-end but prior to</p> <p>5 our opinion date or prior to on our opinion</p> <p>6 date.</p> <p>7 Q. Okay. And do you see in the middle</p> <p>8 of the first page there there is a paragraph</p> <p>9 that begins "certain representations"?</p> <p>10 A. Yes.</p> <p>11 Q. And you see that there is a</p> <p>12 definition of items that are considered</p> <p>13 material?</p> <p>14 A. Yes.</p> <p>15 Q. Do you know why the management</p> <p>16 representation letter included a definition for</p> <p>17 items considered material?</p> <p>18 A. Because we cannot reasonably – we,</p> <p>19 the basis of an audit is our reasonable</p> <p>20 assurance with deals with our definition –</p> <p>21 which deals with materiality. So if we expect</p> <p>22 management to represent to us, we give them a</p> <p>23 sense of what we consider to be material.</p> <p>24 Q. Okay. And did Highland ever express</p> <p>25 any concerns about PwC's definition of</p>	<p style="text-align: right;">Page 23</p> <p>1 BURGER</p> <p>2 materiality?</p> <p>3 A. Not that I can recall.</p> <p>4 Q. Did PwC rely on Mr. Dondero and</p> <p>5 Mr. Waterhouse to provide all information</p> <p>6 concerning items considered material as defined</p> <p>7 in this letter?</p> <p>8 MR. AIGEN: Objection, form.</p> <p>9 A. We did.</p> <p>10 Q. Are you generally aware that from</p> <p>11 time-to-time Highland loaned money to</p> <p>12 Mr. Dondero and certain affiliated entities in</p> <p>13 exchange for promissory notes?</p> <p>14 A. I am.</p> <p>15 Q. Can we call those promissory notes</p> <p>16 the affiliated party notes?</p> <p>17 A. That is fine.</p> <p>18 Q. For purposes of the audits, were the</p> <p>19 makers obligations under the affiliated party</p> <p>20 notes considered receivables of Highland?</p> <p>21 A. Yes, receivables of Highland Capital</p> <p>22 Management, L.P.</p> <p>23 Q. Okay. Can we go to the page that is</p> <p>24 ending in 413?</p> <p>25 I'm just going to ask you a few</p>
<p style="text-align: right;">Page 24</p> <p>1 BURGER</p> <p>2 questions about some of the representations</p> <p>3 here. Do you see, Mr. Burger, representation</p> <p>4 number 11?</p> <p>5 A. I do.</p> <p>6 Q. Does representation number 11 apply</p> <p>7 to the affiliated party notes?</p> <p>8 A. It does.</p> <p>9 Q. Was it PwC's understanding that</p> <p>10 Mr. Dondero and Mr. Waterhouse represented that</p> <p>11 the affiliate party notes represented bona fide</p> <p>12 claims against the makers for transactions</p> <p>13 arising on or before the balance sheet date?</p> <p>14 MR. WANDER: Objection, form.</p> <p>15 A. Correct.</p> <p>16 Q. This is one of the 50</p> <p>17 representations that Mr. Dondero and</p> <p>18 Mr. Waterhouse confirmed as of June 30th, 2019;</p> <p>19 correct?</p> <p>20 A. June 3rd, yes, correct.</p> <p>21 Q. Thank you for the clarification.</p> <p>22 Does the last sentence of representation number</p> <p>23 11 mean that all affiliated party notes were</p> <p>24 current as of June 3rd, 2019?</p> <p>25 A. It does.</p>	<p style="text-align: right;">Page 25</p> <p>1 BURGER</p> <p>2 Q. Stated another way, none of the</p> <p>3 affiliated notes were in default as of June</p> <p>4 30th, 2019; correct?</p> <p>5 A. That's correct.</p> <p>6 Q. All right. If we can go to page</p> <p>7 416, please.</p> <p>8 Take a look at representation number</p> <p>9 32 at the top of the page. Do you have an</p> <p>10 understanding of what representation number 32</p> <p>11 means?</p> <p>12 A. Yeah, that is a representation where</p> <p>13 if we were to find any misstatements which does</p> <p>14 not meet the level of materiality, we would put</p> <p>15 that on what we call a summary of uncorrected</p> <p>16 misstatements. And management would –</p> <p>17 management would defer to the fact that they do</p> <p>18 not consider those adjustments necessary in</p> <p>19 terms of neutrality.</p> <p>20 Q. Did PwC understand that in</p> <p>21 representation number 32 Mr. Dondero and</p> <p>22 Mr. Waterhouse represented that basically if</p> <p>23 they got anything wrong it was not material?</p> <p>24 MR. AIGEN: Objection, form.</p> <p>25 A. That is correct.</p>

<p>Page 26</p> <p>1 BURGER</p> <p>2 Q. And why did PwC request this</p> <p>3 particular representation?</p> <p>4 A. Because if anything gets sort of</p> <p>5 found out to be a potential let's call it error</p> <p>6 to the financial statements, part of the</p> <p>7 standards require us to assert from management</p> <p>8 their view that it is not material.</p> <p>9 Q. Okay. Did PwC rely on</p> <p>10 representation number 32 when signing off on</p> <p>11 the audit?</p> <p>12 MR. AIGEN: Objection, form.</p> <p>13 A. We did.</p> <p>14 Q. Let's look at representation number</p> <p>15 34. Can you tell me what that means from PwC's</p> <p>16 perspective?</p> <p>17 A. It is a assessment of completeness.</p> <p>18 So in other words, management asserting or,</p> <p>19 sorry, representing to us that they are not</p> <p>20 aware of any material transactions or</p> <p>21 agreements or – agreements being out there</p> <p>22 that wasn't recorded in the financial</p> <p>23 statements.</p> <p>24 Q. And why did PwC want this material</p> <p>25 representation?</p>	<p>Page 27</p> <p>1 BURGER</p> <p>2 A. Under as – under standards it is</p> <p>3 not our duty to go out and look for necessarily</p> <p>4 fraud. And you know, it is on the completeness</p> <p>5 of transactions we do rely on management to let</p> <p>6 us know if they were material transactions.</p> <p>7 Q. Did PwC rely on representing –</p> <p>8 withdrawn.</p> <p>9 Did PwC rely on representation</p> <p>10 number 34 when signing off on the audit?</p> <p>11 A. We did.</p> <p>12 Q. Let's take a look at representation</p> <p>13 35D. If you can just read that to yourself for</p> <p>14 a moment?</p> <p>15 A. Excuse me, did you say B or D?</p> <p>16 Q. D as in dog?</p> <p>17 A. D, okay, okay.</p> <p>18 Q. Is it fair to say that in</p> <p>19 representation number 35D, as in dog,</p> <p>20 Mr. Dondero and Mr. Waterhouse represented that</p> <p>21 all material transactions with related parties</p> <p>22 have been properly reported and disclosed in</p> <p>23 the consolidated financial statements?</p> <p>24 A. That's correct.</p> <p>25 Q. Did PwC request this particular</p>
<p>Page 28</p> <p>1 BURGER</p> <p>2 representation?</p> <p>3 A. We did.</p> <p>4 Q. Why?</p> <p>5 A. Again, because it is important under</p> <p>6 alleged party disclosures specifically all</p> <p>7 disclosures but related party specific that if</p> <p>8 you have material transactions or events that</p> <p>9 those be disclosed. And again, we – we do</p> <p>10 rely on management to also take ownership for</p> <p>11 that.</p> <p>12 Q. Okay. Can we go to the next page,</p> <p>13 please, page ending in 417? Okay, right there.</p> <p>14 And take a look at representation number 36,</p> <p>15 please.</p> <p>16 A. Okay, okay.</p> <p>17 Q. Can you tell me from PwC's</p> <p>18 perspective what representation 36 means?</p> <p>19 A. Again, for management to let us know</p> <p>20 or assert to us who the related parties are.</p> <p>21 Q. Is it fair to say that in management</p> <p>22 representation number 36 Mr. Dondero and</p> <p>23 Mr. Waterhouse represented that they had</p> <p>24 disclosed, among other things, all related</p> <p>25 party transactions of which they were aware?</p>	<p>Page 29</p> <p>1 BURGER</p> <p>2 A. Correct.</p> <p>3 Q. And did PwC rely on that</p> <p>4 representation when it signed off on the audit?</p> <p>5 A. We did.</p> <p>6 Q. Go to page 419, please. Okay. Just</p> <p>7 before the signature line there is a sentence</p> <p>8 that begins, "to the best of our knowledge."</p> <p>9 Do you see that?</p> <p>10 A. Correct.</p> <p>11 Q. Can you just read that to yourself?</p> <p>12 A. Okay.</p> <p>13 Q. Can you tell me from PwC's</p> <p>14 perspective what that sentence means?</p> <p>15 A. It means if there were events that</p> <p>16 occurred after the balance sheet date, before</p> <p>17 the opinion date that required disclosure, that</p> <p>18 such disclosures had been made.</p> <p>19 Q. And why did – is that</p> <p>20 representation one that is required by GAAP?</p> <p>21 A. It is – it is a GAAS principle, not</p> <p>22 a GAAP.</p> <p>23 Q. And did PwC rely on that</p> <p>24 representation in the last sentence when it</p> <p>25 signed off on the audits?</p>

<p>Page 30</p> <p>1 BURGER</p> <p>2 A. We did.</p> <p>3 Q. Let's move to the 2017 financial</p> <p>4 statements. Can we please put up the next</p> <p>5 exhibit.</p> <p>6 (Exhibit 2 marked.)</p> <p>7 Q. Again, Mr. Burger, I will just</p> <p>8 remind you that if at any time you believe you</p> <p>9 need to see any other portion of the document</p> <p>10 in order to capably and fully answer the</p> <p>11 question that I ask, just let me know, okay?</p> <p>12 MR. WANDER: John, he has a hard</p> <p>13 copy of this one in front of him.</p> <p>14 Q. Beautiful. Maybe it would be easier</p> <p>15 for you to just take it out and the rest of us</p> <p>16 will just look on the screen.</p> <p>17 MR. MORRIS: Thank you, John.</p> <p>18 Q. Do you have the 2017 audited</p> <p>19 financial statements in front of you, sir?</p> <p>20 A. I do.</p> <p>21 Q. And did you personally lead PwC's</p> <p>22 efforts in completing the audit for the debtors</p> <p>23 for Highland's 2017 financial statements?</p> <p>24 A. Would you mind repeating the</p> <p>25 question?</p>	<p>Page 31</p> <p>1 BURGER</p> <p>2 Q. Did you personally lead PwC's</p> <p>3 efforts in auditing Highland's 2017 financial</p> <p>4 statements?</p> <p>5 A. I did.</p> <p>6 Q. Do you recall any deviations from</p> <p>7 the process that you described earlier in</p> <p>8 connection with the preparation of Highland's</p> <p>9 2017 financial statements?</p> <p>10 A. I do not.</p> <p>11 Q. Can we go to page 2, please, right</p> <p>12 there. Do you see in the top half of the</p> <p>13 screen there is a list of assets?</p> <p>14 A. I do.</p> <p>15 Q. And one of those – one of those</p> <p>16 assets is identified as notes and other amounts</p> <p>17 due from affiliates. Do you see that?</p> <p>18 A. I do.</p> <p>19 Q. And do you know what that relates</p> <p>20 to?</p> <p>21 A. So that is the consolidated amount</p> <p>22 of Highland Capital Management, L.P. with all</p> <p>23 its affiliates of notes and other amounts that</p> <p>24 are due from affiliates as defined.</p> <p>25 Q. Do you know why the notes and other</p>
<p>Page 32</p> <p>1 BURGER</p> <p>2 amounts due from affiliates are carried as</p> <p>3 assets on Highland's balance sheets?</p> <p>4 A. Because it meets the definition of</p> <p>5 an asset.</p> <p>6 Q. And what is the definition of the</p> <p>7 asset – withdrawn.</p> <p>8 What is the definition of an asset</p> <p>9 that causes the notes and other amounts due</p> <p>10 from affiliates to appear on the asset portion</p> <p>11 of the balance sheet?</p> <p>12 A. This is amounts in the forms of</p> <p>13 notes or receivables that the entity has title</p> <p>14 to in the form of an asset, or the classic</p> <p>15 definition of an asset is you are entitled to</p> <p>16 the asset and there is reasonable assurance of</p> <p>17 the recoverability of the asset.</p> <p>18 Q. Did anybody from Highland ever</p> <p>19 dispute that the notes and other amounts due</p> <p>20 from affiliates should be carried on Highland's</p> <p>21 balance sheet as assets?</p> <p>22 MR. AIGEN: Objection, form.</p> <p>23 A. Sorry?</p> <p>24 MR. WANDER: If you understand, you</p> <p>25 can answer.</p>	<p>Page 33</p> <p>1 BURGER</p> <p>2 A. No, no, they did not.</p> <p>3 Q. And that is because these are</p> <p>4 Highland's balance sheets; correct?</p> <p>5 A. Correct.</p> <p>6 Q. Highland, in fact, prepared the</p> <p>7 document that we're looking at right now;</p> <p>8 correct?</p> <p>9 A. Correct, we did not.</p> <p>10 Q. And Highland made the decision to</p> <p>11 record the notes and other amounts due from</p> <p>12 other affiliates as assets on its own balance</p> <p>13 sheet; right?</p> <p>14 MR. AIGEN: Objection, form.</p> <p>15 A. Right.</p> <p>16 Q. Did PwC ever have any reason to</p> <p>17 question the carrying of the notes and other</p> <p>18 amounts due from affiliates as assets on</p> <p>19 Highland's balance sheets?</p> <p>20 A. We did not.</p> <p>21 Q. Is my math right here that the</p> <p>22 balance sheet shows that as of the end of 2017</p> <p>23 notes and other amounts due from affiliates</p> <p>24 constituted more than 10 percent of Highland's</p> <p>25 assets?</p>

<p style="text-align: right;">Page 34</p> <p>1 BURGER</p> <p>2 A. That's correct.</p> <p>3 Q. Okay. If we could just scroll down</p> <p>4 to the bottom of the page. Little further,</p> <p>5 yeah, right there.</p> <p>6 Do you see there is a reference that</p> <p>7 says, quote, the accompanying notes are an</p> <p>8 integral part of these consolidated financial</p> <p>9 statements, closed quote?</p> <p>10 A. I do.</p> <p>11 Q. What does that mean?</p> <p>12 A. That is to draw the attention for</p> <p>13 the reader of not reading this page in a</p> <p>14 stand-alone basis, because there are further</p> <p>15 explanations required to the amounts in the</p> <p>16 footnotes.</p> <p>17 Q. Okay. Let's go to page 28 of the</p> <p>18 document. Okay. Do you see that there is a</p> <p>19 Section 9 entitled related party transactions?</p> <p>20 A. I do.</p> <p>21 Q. And can you describe for me your</p> <p>22 understanding of why there is a note dedicated</p> <p>23 to related party transactions?</p> <p>24 A. It is a GAAP requirement for</p> <p>25 financial statements to disclose material</p>	<p style="text-align: right;">Page 35</p> <p>1 BURGER</p> <p>2 related-party relationships and transactions.</p> <p>3 Q. If we can go to page 30, please, and</p> <p>4 just scroll straight down so Mr. Burger can see</p> <p>5 what he's got front of him, if we can go to</p> <p>6 page 30.</p> <p>7 Page 30 has a subheading to note 9</p> <p>8 called notes and other amounts due from</p> <p>9 affiliates. Do you see that?</p> <p>10 A. Correct.</p> <p>11 Q. Okay. And do I have it –</p> <p>12 withdrawn.</p> <p>13 Highland prepared all of the</p> <p>14 information that is set forth in this section</p> <p>15 of note 9; is that correct?</p> <p>16 MR. AIGEN: Objection, form.</p> <p>17 A. I did.</p> <p>18 Q. Is it fair to say that this portion</p> <p>19 of note 9 is intended to describe obligations</p> <p>20 due to the debtor by affiliates?</p> <p>21 MR. AIGEN: Objection, form.</p> <p>22 A. That's correct.</p> <p>23 Q. Let me ask a different question to</p> <p>24 deal with Michael's objection.</p> <p>25 Can you tell me, Mr. Burger, what</p>
<p style="text-align: right;">Page 36</p> <p>1 BURGER</p> <p>2 information is conveyed in the section called</p> <p>3 notes and other amounts due from affiliates?</p> <p>4 MR. AIGEN: Objection, form.</p> <p>5 MR. WANDER: You can answer.</p> <p>6 A. I can answer, sorry.</p> <p>7 The purpose of this footnote is to</p> <p>8 strike out out – because if you look at the</p> <p>9 balance sheet you just see notes and you have</p> <p>10 no idea who that is from, which amounts and</p> <p>11 what the basic terms are.</p> <p>12 Q. Is it your understanding that this</p> <p>13 section of note 9 sets forth the amounts due</p> <p>14 and owing by each affiliate as of December</p> <p>15 31st, 2017?</p> <p>16 A. That's correct.</p> <p>17 Q. And are the amounts included – are</p> <p>18 those amounts included in the line item that we</p> <p>19 just looked at in the balance sheet called</p> <p>20 notes and other amounts due from affiliates?</p> <p>21 A. Correct.</p> <p>22 Q. Do you know who calculated the</p> <p>23 amounts due and owing by each affiliate as of</p> <p>24 December 31st, 2017?</p> <p>25 A. It was management.</p>	<p style="text-align: right;">Page 37</p> <p>1 BURGER</p> <p>2 Q. Okay. Did management ever tell PwC</p> <p>3 at any time prior to June – withdrawn.</p> <p>4 Did management ever tell PwC at any</p> <p>5 time prior to PwC's signing off on the audited</p> <p>6 financial statements for 2017 that there was</p> <p>7 anything inaccurate about this section of the</p> <p>8 notes?</p> <p>9 MR. AIGEN: Objection, form.</p> <p>10 A. They did not.</p> <p>11 Q. Each of the paragraph ends with a</p> <p>12 sentence that may differ only in as to whether</p> <p>13 it is singular or plural, but it says quote,</p> <p>14 the fair value of the partnership's outstanding</p> <p>15 notes receivable approximates the carrying</p> <p>16 value of the notes receivable. Do you see</p> <p>17 that?</p> <p>18 A. Correct.</p> <p>19 Q. And we can scroll down a little bit</p> <p>20 just so you can – you have got the document in</p> <p>21 front of you. I would just ask you to confirm</p> <p>22 that each paragraph ends with the same sentence</p> <p>23 except for the last paragraph. And does it,</p> <p>24 sir?</p> <p>25 A. Yes, it is on each paragraph for</p>

<p>Page 38</p> <p>1 BURGER</p> <p>2 that section of the notes except the paragraph</p> <p>3 starting on December 21st, 2015.</p> <p>4 Q. Do you have an understanding of what</p> <p>5 that sentence means?</p> <p>6 A. That sentence means that these notes</p> <p>7 are per GAAP, the notes are supposed to be</p> <p>8 recorded at fair value and the assertion is</p> <p>9 that the carrying value is considered a</p> <p>10 reasonable proxy for fair value.</p> <p>11 Q. I'm sorry, what is fair value in</p> <p>12 this context?</p> <p>13 A. Fair value of all assets would be</p> <p>14 what you consider to be the reasonable value</p> <p>15 for exchange of the asset.</p> <p>16 Q. And then what is the carrying value?</p> <p>17 How does that differ from the carrying value?</p> <p>18 A. Carrying value is the -- is a</p> <p>19 contractual, is the term of the contractual</p> <p>20 amount. In other words, whatever their loan</p> <p>21 plus accrued interest minus payments. And fair</p> <p>22 value is -- is basically the concept of this</p> <p>23 sentence is stating that the fair value of the</p> <p>24 approximate or reasonable proxy for carrying</p> <p>25 value in its (inaudible).</p>	<p>Page 39</p> <p>1 BURGER</p> <p>2 Q. So is it fair to say that based on</p> <p>3 this portion of note 9, the debtors' financial</p> <p>4 statements -- withdrawn.</p> <p>5 Is it fair to say that based on this</p> <p>6 portion of note 9, Highland is saying that the</p> <p>7 fair value of the promissory notes from the</p> <p>8 affiliates was approximately equal to the</p> <p>9 principal and interest then due under the</p> <p>10 notes?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. That's correct.</p> <p>13 Q. Is it fair to say that when the</p> <p>14 audit -- withdrawn.</p> <p>15 Is it fair to say that -- no,</p> <p>16 withdrawn.</p> <p>17 At the time the audit was completed</p> <p>18 for 2017, did PwC have any reason to discount</p> <p>19 the value of any of the notes described on page</p> <p>20 30 or 31?</p> <p>21 A. We did not.</p> <p>22 Q. Okay. Can we go to page 41, please.</p> <p>23 If you scroll down a little bit you will see</p> <p>24 there is a section entitled subsequent events</p> <p>25 which is note 16. Do you see that?</p>
<p>Page 40</p> <p>1 BURGER</p> <p>2 A. Correct.</p> <p>3 Q. Okay. What is this section intended</p> <p>4 to capture?</p> <p>5 A. This is supposed to capture any</p> <p>6 significant material events that occurred after</p> <p>7 the balance sheet that requires disclosure.</p> <p>8 Q. And is the information described</p> <p>9 here information that was provided by Highland</p> <p>10 Capital?</p> <p>11 A. Yeah, correct, by management.</p> <p>12 Q. This section notes that Mr. Dondero</p> <p>13 issued promissory notes to the partnership in</p> <p>14 the amount of \$11.7 million in 2018. Do you</p> <p>15 see that?</p> <p>16 A. I do.</p> <p>17 Q. Those obligations are not included</p> <p>18 in the balance sheet that we looked at earlier</p> <p>19 for the period ending December 31st, 2017;</p> <p>20 correct?</p> <p>21 A. That's correct.</p> <p>22 Q. The notes issued by Mr. Dondero are</p> <p>23 the only material subsequent event that PwC was</p> <p>24 informed about; is that correct?</p> <p>25 A. Correct.</p>	<p>Page 41</p> <p>1 BURGER</p> <p>2 Q. Let's go to the 2017 workpapers, if</p> <p>3 we can call it the next exhibit, please.</p> <p>4 (Exhibit 3 marked.)</p> <p>5 Q. All right. I've put up on the</p> <p>6 screen what I believe are PwC's workpapers in</p> <p>7 connection with the 2017 audit as it pertains</p> <p>8 to notes and other amounts due from affiliates.</p> <p>9 Is that an accurate way to describe this</p> <p>10 particular document?</p> <p>11 A. Yes, it would be a workpaper that we</p> <p>12 retain in our file.</p> <p>13 Q. Was it prepared in connection with</p> <p>14 the 2017 audit?</p> <p>15 A. Yes, this one was.</p> <p>16 Q. And when I use the phrase "2017</p> <p>17 audit," I'm specifically talking about the</p> <p>18 audit that was prepared for the financial</p> <p>19 statements for the fiscal year ending December</p> <p>20 31st, 2017. Do you understand that?</p> <p>21 A. Correct.</p> <p>22 Q. Okay. Who prepared this particular</p> <p>23 document?</p> <p>24 A. Who prepared it?</p> <p>25 Q. I apologize, who prepared it?</p>

<p style="text-align: right;">Page 42</p> <p>1 BURGER</p> <p>2 A. Sorry, Hilda Garcia.</p> <p>3 Q. Hilda Garcia, is she employed by</p> <p>4 PwC?</p> <p>5 A. She is.</p> <p>6 Q. And what is her title?</p> <p>7 A. She is a senior associate now. She</p> <p>8 would have been a senior associate back then as</p> <p>9 well.</p> <p>10 Q. Does she report to you or to</p> <p>11 somebody else?</p> <p>12 A. She reports to me.</p> <p>13 Q. And are you responsible for</p> <p>14 overseeing Ms. Garcia's work?</p> <p>15 A. I am.</p> <p>16 Q. And what is the purpose of this</p> <p>17 document?</p> <p>18 A. The purpose of this document is to</p> <p>19 layout what are the amounts that makes up the</p> <p>20 line item that is on the balance sheet of</p> <p>21 HCMLP. And then the audit procedure is</p> <p>22 performed to gain comfort over those – the</p> <p>23 existence of those amounts based on</p> <p>24 materiality.</p> <p>25 Q. And did PwC prepare workpapers of</p>	<p style="text-align: right;">Page 43</p> <p>1 BURGER</p> <p>2 this type in the ordinary course of its</p> <p>3 business?</p> <p>4 A. We do.</p> <p>5 Q. And did PwC prepare this particular</p> <p>6 workpaper in the ordinary course of its</p> <p>7 preparation of Highland's 2017 audit?</p> <p>8 A. We did.</p> <p>9 Q. Okay. Can we go to the tab that is</p> <p>10 marked as detailed, if you look at the bottom?</p> <p>11 Do you have that, sir?</p> <p>12 A. Yes, I have.</p> <p>13 Q. Is that tab intended to list all of</p> <p>14 the – of the notes and other amounts due from</p> <p>15 affiliates that were outstanding at the end of</p> <p>16 the fiscal year?</p> <p>17 A. Correct.</p> <p>18 Q. And is this information – where did</p> <p>19 PwC get the information that is set forth on</p> <p>20 the detail tab?</p> <p>21 A. It is from management from the trial</p> <p>22 balance.</p> <p>23 Q. For the record, can you just tell me</p> <p>24 what a trial balance is?</p> <p>25 A. So that is a summary document</p>
<p style="text-align: right;">Page 44</p> <p>1 BURGER</p> <p>2 listing out the balances of all accounts from</p> <p>3 the general ledger that is used to produce the</p> <p>4 set of financial statements.</p> <p>5 Q. And was the trial balance made</p> <p>6 available to PwC by Highland in connection with</p> <p>7 its audit work?</p> <p>8 A. It was.</p> <p>9 Q. The next tab is marked credit risk</p> <p>10 analysis. Do you see that?</p> <p>11 A. Yes.</p> <p>12 Q. What is the purpose of the credit</p> <p>13 risk analysis?</p> <p>14 A. The purpose of this is that if you</p> <p>15 think about a receivable or any amount due it</p> <p>16 is about intent and ability. And this is where</p> <p>17 we deal with ability to ask ourself the</p> <p>18 question is the counterparty reasonably able to</p> <p>19 repay the amounts.</p> <p>20 Q. And did PwC conclude in 2000 – in</p> <p>21 connection with the 2017 audit that the makers</p> <p>22 of the notes set forth on this particular slide</p> <p>23 had the ability to pay?</p> <p>24 A. In our opinion, yes.</p> <p>25 Q. Okay. And did PwC base that opinion</p>	<p style="text-align: right;">Page 45</p> <p>1 BURGER</p> <p>2 on the information that was provided by</p> <p>3 management?</p> <p>4 MR. AIGEN: Objection, form.</p> <p>5 A. Partly management and partly our own</p> <p>6 due diligence.</p> <p>7 Q. Okay. The next tab is results</p> <p>8 template. Do you see that?</p> <p>9 A. Yes.</p> <p>10 Q. Can you just explain to me what that</p> <p>11 page is, if we could scroll to the top, please?</p> <p>12 A. This – there are a number of notes</p> <p>13 that are being dealt with. This – so if you</p> <p>14 go back to the detail tab, those are the</p> <p>15 individual notes that makes up the amount that</p> <p>16 ties to the back of the financial statement.</p> <p>17 And there are relevant tabs here that deal with</p> <p>18 a number of these loans. In preparation for</p> <p>19 this, we focused on due from HCMSI as that is</p> <p>20 under question.</p> <p>21 Q. Why is due from HCMSI under</p> <p>22 question?</p> <p>23 A. That is my understanding of what the</p> <p>24 deposition relates to.</p> <p>25 MR. WANDER: When he says in</p>

<p>Page 46</p> <p>1 BURGER</p> <p>2 preparation for this, he means in</p> <p>3 preparation for the deposition he reviewed</p> <p>4 this piece of it, the HCMSI. Not the rest</p> <p>5 of the notes, just HCMSI.</p> <p>6 Q. Okay. So, so but with respect to</p> <p>7 this particular page, is there an analysis that</p> <p>8 PwC is undertaking? Does this reflect an –</p> <p>9 withdrawn.</p> <p>10 Does this page reflect an analysis</p> <p>11 that PwC did?</p> <p>12 MR. AIGEN: Objection, form.</p> <p>13 A. If you add the other relevant tabs</p> <p>14 to it, yes. So in other words, some of them</p> <p>15 link to other tabs. Some of them have</p> <p>16 individual documentation as referenced in the</p> <p>17 marked legends.</p> <p>18 Q. And then there are tabs for the</p> <p>19 individual maker of each set of notes. Do I</p> <p>20 have that right?</p> <p>21 A. Correct.</p> <p>22 Q. All right. Let's go to the 2018</p> <p>23 financial statements, please. Are you familiar</p> <p>24 with Highland's audited financial statements</p> <p>25 for the period ending December 31st, 2018?</p>	<p>Page 47</p> <p>1 BURGER</p> <p>2 A. I am.</p> <p>3 MR. AIGEN: Sorry to interrupt. Are</p> <p>4 you marking this? I'm trying to keep</p> <p>5 track, is this –</p> <p>6 MR. MORRIS: Yes, I apologize, this</p> <p>7 will be Exhibit 4.</p> <p>8 (Exhibit 4 marked.)</p> <p>9 MR. AIGEN: 4, okay.</p> <p>10 Q. And did you oversee the preparation</p> <p>11 of the audited financial statements on behalf</p> <p>12 of PwC for the period ending December 31st,</p> <p>13 2018?</p> <p>14 A. Correction, not preparation, we</p> <p>15 don't prepare any of these documents.</p> <p>16 Q. Let – I apologize, let me restate</p> <p>17 the question.</p> <p>18 Did you oversee PwC's audit of</p> <p>19 Highland's financial statements for the period</p> <p>20 ending December 31st, 2018?</p> <p>21 A. Yeah, I did.</p> <p>22 Q. Okay. Do you recall any deviations</p> <p>23 from the process you described earlier in</p> <p>24 connection with the preparation of the 2018</p> <p>25 audited financials?</p>
<p>Page 48</p> <p>1 BURGER</p> <p>2 A. No, I do not.</p> <p>3 Q. Can we go to the third page of the</p> <p>4 document right there. This document is dated,</p> <p>5 if you look at the bottom, June 3rd, 2019. Do</p> <p>6 you see that?</p> <p>7 A. I do.</p> <p>8 Q. And that was the same date as the</p> <p>9 management representation letter that we looked</p> <p>10 at earlier, do you recall that? We can pull it</p> <p>11 up.</p> <p>12 A. No, I do.</p> <p>13 Q. Is it a coincidence that they both</p> <p>14 have the same date?</p> <p>15 A. No, it is not. We require that to</p> <p>16 be the same.</p> <p>17 Q. And why do you require that the</p> <p>18 management representation letter and the report</p> <p>19 of independent auditors be issued on the same</p> <p>20 day?</p> <p>21 A. This is – this is the date that we</p> <p>22 effectively consider these financials available</p> <p>23 to be issued. And under standards, we are</p> <p>24 required to consider all subsequent events and</p> <p>25 representations up to this date. So therefore,</p>	<p>Page 49</p> <p>1 BURGER</p> <p>2 we cannot accept a date of, let's call it June</p> <p>3 2nd or 1st or earlier from management's</p> <p>4 representation.</p> <p>5 Q. Is – is the report that is set out</p> <p>6 here required by either GAAS or GAAP?</p> <p>7 A. This is – GAAS requires the audit</p> <p>8 opinion to be – to be the document whereby we</p> <p>9 report to the general partner on our – on our</p> <p>10 audit.</p> <p>11 Q. And does PwC have an internal</p> <p>12 process by which it determines whether or not</p> <p>13 to sign-off on – on any particular client's</p> <p>14 audit?</p> <p>15 A. We do.</p> <p>16 Q. Can you describe that process for me</p> <p>17 generally?</p> <p>18 A. From an acceptance phase of the</p> <p>19 client or do you mean the content of their</p> <p>20 opinion?</p> <p>21 Q. The content of the opinion, thank</p> <p>22 you.</p> <p>23 A. Yes. So there is a framework that</p> <p>24 we follow on going back to whether there –</p> <p>25 whether we consider two things. Whether there</p>

<p style="text-align: right;">Page 50</p> <p>1 BURGER</p> <p>2 are material uncorrected misstatements to the</p> <p>3 financials or material deviations from required</p> <p>4 disclosures. So in other words, are the</p> <p>5 financials reasonable and accurate in terms of</p> <p>6 GAAP, and were we able to perform all the</p> <p>7 procedures. So in other words there weren't</p> <p>8 any undue scope limitations which – which got</p> <p>9 us to a point we weren't able to perform the</p> <p>10 audit and fulfill our professional duty.</p> <p>11 If the answer to those are that we</p> <p>12 fulfill both then we would give what we call an</p> <p>13 unqualified or a clean opinion.</p> <p>14 Q. And is there an opinion committee</p> <p>15 that is – that is dedicated to this process?</p> <p>16 A. No, it is – if it is a clean</p> <p>17 opinion then it is the partner and if</p> <p>18 applicable the second partner on the engagement</p> <p>19 is called. If there is anything which goes</p> <p>20 away from an unqualified opinion, in any</p> <p>21 deviation, then there is a whole consultation</p> <p>22 process with our national office.</p> <p>23 Q. And did you personally approve this</p> <p>24 opinion letter?</p> <p>25 A. I did, that is my signature.</p>	<p style="text-align: right;">Page 51</p> <p>1 BURGER</p> <p>2 Q. Okay. Let's go to page 2, please,</p> <p>3 consolidated balance sheet.</p> <p>4 Do you see, again, there is the</p> <p>5 notes and other amounts due from affiliates?</p> <p>6 A. I do.</p> <p>7 Q. And does this just carry over from</p> <p>8 the prior years subject to any payments or</p> <p>9 additional notes subject to any changes since</p> <p>10 the end of the prior fiscal year?</p> <p>11 A. It does.</p> <p>12 Q. As of the end of 2018, is it fair to</p> <p>13 say that the notes and other amounts due from</p> <p>14 affiliates now exceeded more than 15 percent of</p> <p>15 Highland's assets?</p> <p>16 A. That is correct.</p> <p>17 Q. Now, let's go to page 26, please.</p> <p>18 And you will see number – note number 8</p> <p>19 relates to related-party transactions. Do you</p> <p>20 see that?</p> <p>21 A. I do.</p> <p>22 Q. So again, do I have this right that</p> <p>23 this section of the notes is intended to</p> <p>24 provide the detail about transactions between</p> <p>25 Highland and related parties?</p>
<p style="text-align: right;">Page 52</p> <p>1 BURGER</p> <p>2 A. It is.</p> <p>3 Q. And that is required by GAAP, do I</p> <p>4 have that right?</p> <p>5 A. You have got it correct.</p> <p>6 Q. Okay. Let's go to page 28, please.</p> <p>7 Do you see on page 28 and continuing</p> <p>8 on page 29 there is again a section of note 9</p> <p>9 entitled notes and other amounts due from</p> <p>10 affiliates?</p> <p>11 A. I do.</p> <p>12 Q. And this information was provided by</p> <p>13 management, correct?</p> <p>14 A. Correct.</p> <p>15 Q. And this portion of note 8 is</p> <p>16 intended to describe the obligations that were</p> <p>17 owed to the debtor by affiliates; correct?</p> <p>18 A. Correct.</p> <p>19 Q. Does this section of note 8 set</p> <p>20 forth the amounts that were due and owing by</p> <p>21 each affiliate as of the end of fiscal year</p> <p>22 2018?</p> <p>23 A. It does.</p> <p>24 Q. And are those amounts included in</p> <p>25 the line item that we just looked at on the</p>	<p style="text-align: right;">Page 53</p> <p>1 BURGER</p> <p>2 balance sheet called notes and other amounts</p> <p>3 due from affiliates?</p> <p>4 A. It is.</p> <p>5 Q. And can you confirm for me that</p> <p>6 management is the one who decided – withdrawn.</p> <p>7 Can you confirm for me that</p> <p>8 management is the one who calculated the</p> <p>9 amounts due and owing by each affiliate as of</p> <p>10 December 31st, 2018?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. That is correct.</p> <p>13 Q. To the best of your knowledge, did</p> <p>14 anybody from Highland ever tell anybody from</p> <p>15 PwC that any of the amounts due and owing as</p> <p>16 set forth in the notes and other amounts due</p> <p>17 from affiliates was wrong or incorrect?</p> <p>18 A. Not to my knowledge.</p> <p>19 Q. And can you confirm for me that in</p> <p>20 connection with the 2018 financial statements</p> <p>21 Highland again stated in general that the fair</p> <p>22 value of the notes and other amounts due from</p> <p>23 affiliates approximates the carrying value of</p> <p>24 the notes receivable?</p> <p>25 A. That's correct.</p>

<p style="text-align: right;">Page 54</p> <p>1 BURGER</p> <p>2 Q. Is it fair to say that when PwC</p> <p>3 issued its audit opinion on June 3rd, 2019 that</p> <p>4 they had no reason to discount the fair value</p> <p>5 of any of the notes described in this portion</p> <p>6 of note 8?</p> <p>7 MR. AIGEN: Objection, form.</p> <p>8 A. Yeah, that is correct.</p> <p>9 Q. Let's go to page 38, please, note</p> <p>10 15. Do you see note 15 beginning on page 38?</p> <p>11 A. I do.</p> <p>12 Q. And is this the section of the notes</p> <p>13 that are intended to describe material</p> <p>14 subsequent events that would require</p> <p>15 disclosure?</p> <p>16 A. It is.</p> <p>17 Q. And is the information set forth in</p> <p>18 section 15 or note 15 information that was</p> <p>19 provided by Highland?</p> <p>20 A. Correct.</p> <p>21 Q. To the best of PwC's knowledge, as</p> <p>22 of June 3rd, 2019, did note 15 in fact include</p> <p>23 a description of all material subsequent events</p> <p>24 that required disclosure?</p> <p>25 A. That's correct.</p>	<p style="text-align: right;">Page 55</p> <p>1 BURGER</p> <p>2 Q. Did anyone – withdrawn.</p> <p>3 Do you know whether anyone from</p> <p>4 Highland ever informed anyone at PwC that there</p> <p>5 were material subsequent events that were</p> <p>6 omitted from note 15?</p> <p>7 A. I'm not.</p> <p>8 Q. Let's go to the 2018 workpapers.</p> <p>9 (Exhibit 5 marked.)</p> <p>10 Q. We will mark this as Exhibit 5.</p> <p>11 MR. MORRIS: I am trying to go as</p> <p>12 quickly as I can, Michael, to leave you a</p> <p>13 little time.</p> <p>14 MR. AIGEN: Thanks.</p> <p>15 Q. Do you have that, Mr. Burger?</p> <p>16 A. Yeah, I do.</p> <p>17 MR. AIGEN: This is Exhibit 5, John?</p> <p>18 MR. MORRIS: Yes.</p> <p>19 Q. Is there anything that you need to</p> <p>20 look at, Mr. Burger, to confirm that these are</p> <p>21 PwC's workpapers for the 2018 audit as it</p> <p>22 relates to notes and other amounts due from</p> <p>23 affiliates?</p> <p>24 A. I can confirm.</p> <p>25 Q. Okay. And was this also prepared in</p>
<p style="text-align: right;">Page 56</p> <p>1 BURGER</p> <p>2 the first instance by Ms. Garcia?</p> <p>3 A. No, this was prepared by Madeline</p> <p>4 Pacocha.</p> <p>5 Q. How do you spell her last name?</p> <p>6 A. P-a-c-o-c-h-a.</p> <p>7 Q. And did she report directly to you?</p> <p>8 A. She did. She was part of the team.</p> <p>9 Q. Okay. And do you know whether the</p> <p>10 same process that was followed in 2018 was</p> <p>11 followed in 2000 – withdrawn.</p> <p>12 Did PwC follow the same process in</p> <p>13 creating this document that it did when it</p> <p>14 created the workpapers in 2017?</p> <p>15 A. We did.</p> <p>16 Q. Can you confirm that this document</p> <p>17 was prepared in the ordinary course of PwC's</p> <p>18 business?</p> <p>19 A. It was.</p> <p>20 Q. Can you confirm that this document</p> <p>21 was prepared in the ordinary course of PwC's</p> <p>22 audit of Highland's 2018 financial statements?</p> <p>23 A. That's correct.</p> <p>24 Q. Okay. I'm going to ask a few more</p> <p>25 detailed questions than we did last time. Can</p>	<p style="text-align: right;">Page 57</p> <p>1 BURGER</p> <p>2 we go to the section called credit risk</p> <p>3 analysis, the tab.</p> <p>4 I think earlier you testified that</p> <p>5 there was kind of two aspects that PwC looked</p> <p>6 at when analyzing the notes and they were the</p> <p>7 intent and the ability to pay. Do I have that</p> <p>8 right?</p> <p>9 MR. AIGEN: Objection, form.</p> <p>10 A. That's correct.</p> <p>11 Q. Okay. And this particular tab,</p> <p>12 credit risk analysis, related to the ability to</p> <p>13 pay part of that analysis; correct?</p> <p>14 A. That's correct.</p> <p>15 Q. Do you see there is a column called</p> <p>16 recoverability?</p> <p>17 A. I do.</p> <p>18 Q. What is that?</p> <p>19 A. That is a qualitative assessment to</p> <p>20 give us reasonable assurance that these notes</p> <p>21 are, A, not in default or – and B, that the –</p> <p>22 at least materially the maker has enough assets</p> <p>23 that we are aware of to – to be able to repay.</p> <p>24 Q. And did Highland provide the data</p> <p>25 and information related to each maker's ability</p>

<p>Page 58</p> <p>1 BURGER</p> <p>2 to pay?</p> <p>3 A. This is a combination but most of</p> <p>4 this is our own due diligence.</p> <p>5 Q. And – and can you describe for me</p> <p>6 what steps in the due diligence process PwC</p> <p>7 undertook to ascertain whether the makers have</p> <p>8 the ability to pay?</p> <p>9 A. Mostly – mostly relates to evidence</p> <p>10 that there are payments on notes and that none</p> <p>11 of the notes are contractually in default. And</p> <p>12 then also very much specifically to</p> <p>13 Mr. Dondero's ability from known assets that</p> <p>14 can be found on public filings.</p> <p>15 Q. And did PwC analyze public filings</p> <p>16 and conclude that Mr. Dondero had the ability</p> <p>17 to repay the notes that had – that he had</p> <p>18 issued to the debtor?</p> <p>19 A. Through public filings which we</p> <p>20 could obtain, we could at least assess that</p> <p>21 there are assets in those, sort of let's call</p> <p>22 it public filings that would be adequate to</p> <p>23 repay the amounts.</p> <p>24 Q. Is it fair to say that this section</p> <p>25 of the workpapers is an assessment of each</p>	<p>Page 59</p> <p>1 BURGER</p> <p>2 affiliate's creditworthiness?</p> <p>3 A. Not each individual, but on a more</p> <p>4 look-through basis to specifically Mr. Dondero.</p> <p>5 The purpose of this is not to sign-off on an</p> <p>6 absolute creditworthiness of each party, but to</p> <p>7 provide enough evidence to give us reasonable</p> <p>8 assurance that these notes are recoverable.</p> <p>9 Q. And based on the due diligence that</p> <p>10 PwC did and the information provided by</p> <p>11 Highland, did PwC conclude that the makers of</p> <p>12 the notes had the ability to repay the</p> <p>13 obligations set forth therein?</p> <p>14 A. We did.</p> <p>15 Q. Did PwC rely on the analysis set</p> <p>16 forth on this document in deciding to issue the</p> <p>17 opinion in connection – the clean opinion in</p> <p>18 connection with the 2018 audit?</p> <p>19 A. Yeah, this is part of our workpapers</p> <p>20 which forms the collective base of our opinion,</p> <p>21 yes.</p> <p>22 Q. If PwC had any concerns that any</p> <p>23 maker was unable to repay the obligations under</p> <p>24 any of the notes made to Highland, is there a</p> <p>25 process or what would happen under that</p>
<p>Page 60</p> <p>1 BURGER</p> <p>2 circumstance?</p> <p>3 MR. AIGEN: Objection, form.</p> <p>4 A. Do I answer that?</p> <p>5 MR. WANDER: Yes.</p> <p>6 A. If we become aware of any data or</p> <p>7 anything which shows us that a counterparty</p> <p>8 cannot repay the note, the question stems to</p> <p>9 management as to why they consider the note</p> <p>10 fully recoverable. Because the fact that there</p> <p>11 is a note with a legal agreement to it doesn't</p> <p>12 mean – there may be adverse data that show</p> <p>13 that the counterparty is not able to pay and</p> <p>14 that then results in additional work to assess</p> <p>15 whether that loan can be recorded at its full</p> <p>16 value.</p> <p>17 Q. But in connection with the 2018</p> <p>18 audit, management represented that each of the</p> <p>19 notes was fully recoverable. Do I have that</p> <p>20 right?</p> <p>21 MR. AIGEN: Objection, form.</p> <p>22 A. They did.</p> <p>23 Q. Let's go to the results template,</p> <p>24 please.</p> <p>25 Now, do you see that there is</p>	<p>Page 61</p> <p>1 BURGER</p> <p>2 approximately 116 or 117 – withdrawn.</p> <p>3 Do you see that there is</p> <p>4 approximately \$116 difference between the</p> <p>5 amount per client and the balance per testing?</p> <p>6 A. Yes, I do.</p> <p>7 Q. Okay. What – what does –</p> <p>8 withdrawn.</p> <p>9 Is the amount per client the total</p> <p>10 principal and interest due as of the balance</p> <p>11 sheet date for each of the makers listed under</p> <p>12 the account description column?</p> <p>13 A. That is the amount that is obtained</p> <p>14 from the trial balance that is used for the</p> <p>15 financial statements –</p> <p>16 Q. Okay.</p> <p>17 A. – in Column D.</p> <p>18 Q. And did PwC then test those amounts</p> <p>19 for accuracy or reasonableness?</p> <p>20 A. For reasonableness we went back if</p> <p>21 material to the appropriate legal agreements.</p> <p>22 MR. AIGEN: I didn't want to</p> <p>23 interrupt, but I was objecting to form with</p> <p>24 that one.</p> <p>25 Q. And based on the testing that PwC</p>

<p>Page 62</p> <p>1 BURGER</p> <p>2 did, did it reach any conclusions as to the</p> <p>3 reliability of the debtors' of Highland's</p> <p>4 assessment as to the amount owed by each</p> <p>5 client?</p> <p>6 A. Do you mind repeating that question?</p> <p>7 Q. Yeah, that wasn't very good.</p> <p>8 What is the purpose of the testing</p> <p>9 that -- that was undertaken that is reflected</p> <p>10 on this page?</p> <p>11 A. So the purpose is, again, the 173 is</p> <p>12 the amount that goes to the line item in</p> <p>13 question that we are or that part of feeds into</p> <p>14 another tab called detail, which goes back into</p> <p>15 the detail.</p> <p>16 So from there if we have a balance</p> <p>17 as recorded in the financial statements we need</p> <p>18 to obtain the detail behind that, what makes up</p> <p>19 those amounts. And for each one individually</p> <p>20 or collective material, we need to test the, A,</p> <p>21 the existence of the amount and, B, the</p> <p>22 evaluation of the amount.</p> <p>23 Q. Let's go to the next tab, due from</p> <p>24 HCMSI. Do you see that?</p> <p>25 A. I do.</p>	<p>Page 63</p> <p>1 BURGER</p> <p>2 Q. So does this show that an entity</p> <p>3 known as HCMSI had principal and interest due</p> <p>4 on one or more promissory notes totaling</p> <p>5 approximately 13 and a half million dollars?</p> <p>6 A. It is three promissory notes, which</p> <p>7 adds up to approximately 13.9 million dollars.</p> <p>8 Q. Okay. So promissory note one is on</p> <p>9 the left where it says closing date May 31,</p> <p>10 2017. Do I have that right?</p> <p>11 A. Correct.</p> <p>12 Q. And if we scroll down promissory --</p> <p>13 where is the second promissory note?</p> <p>14 A. Just go over to column R and then</p> <p>15 AB, I can read.</p> <p>16 Q. Okay. So then -- so that is the</p> <p>17 second promissory note is the one that was</p> <p>18 issued on June 25th, 2018 in the amount of</p> <p>19 \$200,000, and then the third one is issued on</p> <p>20 March 26th, 2018 in the amount of \$150,000. Do</p> <p>21 I have that right?</p> <p>22 A. That's correct.</p> <p>23 Q. And this shows that under the first</p> <p>24 note, if we could go to the left a bit, that</p> <p>25 HCMSI paid Highland exactly \$1 million on</p>
<p>Page 64</p> <p>1 BURGER</p> <p>2 October 8th, 2018 that was allocated -- a</p> <p>3 portion of which was allocated to principal and</p> <p>4 a portion of which was allocated to interest?</p> <p>5 A. That's correct.</p> <p>6 Q. Okay. Let's go to the next tab,</p> <p>7 Dondero tax loans. Do you know why the loans</p> <p>8 to Mr. Dondero are described as tax loans?</p> <p>9 A. It is -- it is described as tax loan</p> <p>10 to facilitate tax payments based on earnings is</p> <p>11 my understanding.</p> <p>12 Q. Did PwC ever make any inquiry as to</p> <p>13 whether the amounts loaned to Mr. Dondero</p> <p>14 approximated the amount of tax liability that</p> <p>15 he faced?</p> <p>16 MR. AIGEN: Objection, form.</p> <p>17 A. We did not.</p> <p>18 Q. Does PwC have any information as to</p> <p>19 whether or not the loans made to Mr. Dondero</p> <p>20 were related in any way to his actual tax</p> <p>21 obligations?</p> <p>22 MR. AIGEN: Objection, form.</p> <p>23 A. We did not. We didn't consider it</p> <p>24 necessary.</p> <p>25 Q. Did PwC make any inquiry as to the</p>	<p>Page 65</p> <p>1 BURGER</p> <p>2 purpose of the loans to Mr. Dondero?</p> <p>3 MR. AIGEN: Objection, form.</p> <p>4 A. In general.</p> <p>5 Q. In general you made an inquiry?</p> <p>6 A. Yeah, as to the -- the -- as to</p> <p>7 whether these loans are considered reasonable</p> <p>8 and arm's length.</p> <p>9 Q. What information do you recall that</p> <p>10 you have whether the loans were reasonable and</p> <p>11 arm's length?</p> <p>12 A. Related to the notes being at an</p> <p>13 interest rate which is considered a reasonable</p> <p>14 interest rate considering all the parties</p> <p>15 involved. And then more on, you know, again,</p> <p>16 the testing that were done and the existence of</p> <p>17 the notes.</p> <p>18 Q. Did PwC make any inquiry as to the</p> <p>19 purpose of any of the loans to any of the</p> <p>20 affiliates including Mr. Dondero?</p> <p>21 A. We did.</p> <p>22 Q. Okay. With respect to Mr. Dondero,</p> <p>23 do you have any information that you haven't</p> <p>24 already provided as to PwC's understanding of</p> <p>25 the purpose of the loans?</p>

<p style="text-align: right;">Page 66</p> <p>1 BURGER</p> <p>2 MR. AIGEN: Objection.</p> <p>3 A. No.</p> <p>4 Q. No. And who – who told PwC, if you</p> <p>5 know, that the loans were being made to</p> <p>6 Mr. Dondero to pay tax payments based on</p> <p>7 earnings?</p> <p>8 A. Management. I cannot recall a</p> <p>9 specific name.</p> <p>10 Q. Okay. But it is your understanding</p> <p>11 that the loans were made to Mr. Dondero in</p> <p>12 order to enable him to pay the taxes due on his</p> <p>13 earnings. Do I have that right?</p> <p>14 A. That's correct.</p> <p>15 Q. And who decided the amount of the</p> <p>16 loans, to the best of your knowledge?</p> <p>17 MR. AIGEN: Objection, form.</p> <p>18 A. It is an agreement between</p> <p>19 management and Mr. – management.</p> <p>20 Q. Do you have anybody – do you have</p> <p>21 any knowledge as to who on behalf of Highland</p> <p>22 made the agreement with Mr. Dondero about the</p> <p>23 amount of the loans?</p> <p>24 A. I cannot recall the specific name.</p> <p>25 Q. If you look at loan number 1 there,</p>	<p style="text-align: right;">Page 67</p> <p>1 BURGER</p> <p>2 the \$14 million loan that was first made in</p> <p>3 December 2017, do I have this right that</p> <p>4 Mr. Dondero made a payment of over \$750,000</p> <p>5 that was applied to principal and interest on</p> <p>6 December 19th, 2018?</p> <p>7 A. That's correct.</p> <p>8 Q. Okay. And if we scroll down a</p> <p>9 little bit more, keep going, note number 4.</p> <p>10 Did Mr. Dondero make a \$2 million payment to</p> <p>11 Highland on December 18th, 2018, a portion of</p> <p>12 which was used to pay principal and a portion</p> <p>13 of which was used to pay interest on note</p> <p>14 number 4?</p> <p>15 A. That's correct.</p> <p>16 Q. Did anybody ever tell you that in</p> <p>17 January or February 2019 that Mr. Dondero had</p> <p>18 entered into an oral agreement with his sister</p> <p>19 acting on behalf of Highland whereby</p> <p>20 Mr. Dondero and certain of his affiliates would</p> <p>21 be relieved of the obligation to pay amounts</p> <p>22 due under the promissory notes if certain</p> <p>23 conditions subsequent were met?</p> <p>24 MR. AIGEN: Objection, form.</p> <p>25 A. No, they did not.</p>
<p style="text-align: right;">Page 68</p> <p>1 BURGER</p> <p>2 Q. Do you know whether anybody at PwC</p> <p>3 was ever informed by Mr. Dondero – withdrawn.</p> <p>4 Do you know if anybody at PwC was</p> <p>5 ever informed by anybody at Highland that in</p> <p>6 January or February 2019 Mr. Dondero entered</p> <p>7 into an oral agreement with his sister acting</p> <p>8 on behalf of Highland whereby Mr. Dondero and</p> <p>9 certain of his affiliates would be relieved of</p> <p>10 all obligations to pay all amounts otherwise</p> <p>11 due and owing under the promissory notes if</p> <p>12 certain conditions subsequent were met?</p> <p>13 MR. AIGEN: Objection, form.</p> <p>14 A. I do not.</p> <p>15 Q. Okay. Can we go – I apologize, but</p> <p>16 can we go back to tab number – the detail tab</p> <p>17 in the – in the workpapers?</p> <p>18 MR. WANDER: In Exhibit 5 or Exhibit</p> <p>19 3?</p> <p>20 Q. Exhibit 5, thank you for the</p> <p>21 clarification. Okay, so the detail tab and the</p> <p>22 workpapers for 2018 lists all of the notes</p> <p>23 receivable that were made by affiliates of</p> <p>24 Highland; correct?</p> <p>25 A. Correct.</p>	<p style="text-align: right;">Page 69</p> <p>1 BURGER</p> <p>2 Q. Are you aware of any oral or written</p> <p>3 amendment to any of the promissory notes that</p> <p>4 are described on the detail page of Exhibit 5?</p> <p>5 MR. AIGEN: Objection, form.</p> <p>6 MR. MORRIS: What – what is the</p> <p>7 objection? Hold on before you answer, what</p> <p>8 is the objection?</p> <p>9 MR. AIGEN: I think it is vague. I</p> <p>10 don't know which stuff you are talking</p> <p>11 about here. Are you asking for a legal</p> <p>12 conclusion, and there is no foundation.</p> <p>13 Q. Yeah, okay. Certainly not asking</p> <p>14 for a legal conclusion and I will – let me ask</p> <p>15 the question again, sir.</p> <p>16 This page lists the amounts that</p> <p>17 each of the affiliates owes to Highland under</p> <p>18 various promissory notes; correct?</p> <p>19 A. Correct.</p> <p>20 Q. Are you aware of any oral or written</p> <p>21 amendment to any of those promissory notes?</p> <p>22 A. No, up to June 3rd, 2019.</p> <p>23 Q. And do you know whether anyone at</p> <p>24 PwC was aware of any oral or written amendment</p> <p>25 to any of the promissory notes as of June 3rd,</p>

<p>Page 70</p> <p>1 BURGER</p> <p>2 2019?</p> <p>3 MR. AIGEN: Objection, form.</p> <p>4 A. No, I'm not.</p> <p>5 Q. Were you ever informed of any</p> <p>6 amendment, written or oral, to any promissory</p> <p>7 note at any time?</p> <p>8 A. I was not.</p> <p>9 Q. Did anyone ever tell you that any of</p> <p>10 the notes in – referred to in the detail tab</p> <p>11 of Exhibit 5 might be forgiven under certain</p> <p>12 circumstances?</p> <p>13 A. No.</p> <p>14 Q. Do you know whether anybody at PwC</p> <p>15 was ever informed by anybody at Highland that</p> <p>16 any of the notes in the detail tab in Exhibit 5</p> <p>17 might be forgiven?</p> <p>18 MR. AIGEN: Objection, form.</p> <p>19 A. I do not.</p> <p>20 Q. Under your understanding of the GAAP</p> <p>21 rules, did Mr. Dondero and Mr. Waterhouse have</p> <p>22 a continuing obligation to inform PwC of any</p> <p>23 circumstances that would call into question the</p> <p>24 collectability of any of the notes due from</p> <p>25 affiliates?</p>	<p>Page 71</p> <p>1 BURGER</p> <p>2 MR. AIGEN: Objection, form.</p> <p>3 A. Yes, they had the responsibility.</p> <p>4 Q. To the best of your knowledge, did</p> <p>5 Mr. Dondero ever inform anybody at PwC prior to</p> <p>6 June 3rd, 2019 that any of the notes might not</p> <p>7 be collectable?</p> <p>8 MR. AIGEN: Objection, form.</p> <p>9 A. He did not.</p> <p>10 Q. To the best of your knowledge, did</p> <p>11 Mr. Dondero ever inform anybody at PwC prior to</p> <p>12 June 3rd, 2019 that any of the notes might be</p> <p>13 forgiven under certain circumstances?</p> <p>14 MR. AIGEN: Objection, form.</p> <p>15 A. He did not.</p> <p>16 Q. To the best of your knowledge, did</p> <p>17 Mr. Dondero ever inform anyone at PwC prior to</p> <p>18 June 3rd, 2019 that any of the notes were</p> <p>19 amended?</p> <p>20 MR. AIGEN: Objection, form.</p> <p>21 A. He did not.</p> <p>22 Q. To the best of your knowledge, did</p> <p>23 Mr. Dondero ever inform anyone at PwC prior to</p> <p>24 June 3rd, 2019 that the obligations under any</p> <p>25 of the notes would be extinguished based on the</p>
<p>Page 72</p> <p>1 BURGER</p> <p>2 fulfillment of certain conditions subsequent?</p> <p>3 MR. AIGEN: Objection, form.</p> <p>4 A. Again, he did not.</p> <p>5 Q. I'm going to ask the same questions</p> <p>6 now with respect to Mr. Waterhouse.</p> <p>7 To the best of your knowledge, did</p> <p>8 Mr. Waterhouse ever inform anyone at PwC prior</p> <p>9 to June 3rd, 2019 that any of the notes might</p> <p>10 not be collectable?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. He did not.</p> <p>13 Q. To the best of your knowledge, did</p> <p>14 Mr. Waterhouse ever inform anyone at PwC prior</p> <p>15 to June 3rd, 2019 that any of the notes might</p> <p>16 be forgiven under certain circumstances?</p> <p>17 A. No, he did not.</p> <p>18 Q. To the best of your knowledge, did</p> <p>19 Mr. Waterhouse ever inform anyone at PwC prior</p> <p>20 to June 3rd, 2019 that any of the notes were</p> <p>21 amended?</p> <p>22 A. He did not.</p> <p>23 Q. To the best of your knowledge, did</p> <p>24 Mr. Waterhouse ever inform anybody at PwC prior</p> <p>25 to June 3rd, 2019 that the obligations under</p>	<p>Page 73</p> <p>1 BURGER</p> <p>2 any of the notes would be extinguished upon the</p> <p>3 fulfillment of certain conditions subsequent?</p> <p>4 MR. AIGEN: Objection, form.</p> <p>5 A. He did not.</p> <p>6 Q. Now, just going to finish up the</p> <p>7 last set of questions to make it broader for</p> <p>8 anybody at Highland.</p> <p>9 To the best of your knowledge, did</p> <p>10 anyone from Highland ever inform anyone at PwC</p> <p>11 prior to June 3rd, 2019 that any of the notes</p> <p>12 might not be collectable?</p> <p>13 MR. AIGEN: Objection, form.</p> <p>14 A. Not to my knowledge.</p> <p>15 Q. To the best of your knowledge, did</p> <p>16 anyone from Highland ever inform anyone at PwC</p> <p>17 prior to June 3rd, 2019 that any of the notes</p> <p>18 might be forgiven under certain circumstances?</p> <p>19 A. Not to my knowledge.</p> <p>20 Q. To the best of your knowledge, did</p> <p>21 anyone from Highland ever inform anyone at PwC</p> <p>22 prior to June 3rd, 2019 that any of the notes</p> <p>23 were amended?</p> <p>24 MR. AIGEN: Objection, form.</p> <p>25 A. Not to my knowledge.</p>

<p style="text-align: right;">Page 74</p> <p>1 BURGER</p> <p>2 Q. To the best of your knowledge, did</p> <p>3 anyone from Highland ever inform anyone at PwC</p> <p>4 prior to June 3rd, 2019 that the obligations</p> <p>5 under any of the notes would be extinguished</p> <p>6 upon the fulfillment of certain conditions</p> <p>7 subsequent?</p> <p>8 A. Not to my knowledge.</p> <p>9 Q. If PwC had learned before June 3rd,</p> <p>10 2019 that any of the notes might not be</p> <p>11 collectable, would PwC have required that</p> <p>12 information to be disclosed?</p> <p>13 MR. AIGEN: Objection, form.</p> <p>14 A. Disclosed or potentially based on</p> <p>15 materiality financials adjusted.</p> <p>16 Q. I'm going to ask that question</p> <p>17 again.</p> <p>18 A. Okay.</p> <p>19 Q. If PwC had learned before June 3rd,</p> <p>20 2019 that any of the notes that had an</p> <p>21 outstanding principal amount of at least \$1.7</p> <p>22 million might not be collectable, would PwC</p> <p>23 have required that to be disclosed?</p> <p>24 A. Correct.</p> <p>25 MR. AIGEN: Objection, form.</p>	<p style="text-align: right;">Page 75</p> <p>1 BURGER</p> <p>2 Q. And why is that?</p> <p>3 A. If you have a material – if you</p> <p>4 have material adverse effects of the balance</p> <p>5 sheet which gives a material adjustment to the</p> <p>6 financial statements, depending on the type of</p> <p>7 event you require either disclosure or actual</p> <p>8 adjustment to the balance sheet.</p> <p>9 Q. If PwC had learned before June 3rd,</p> <p>10 2019 that any of the notes that had a</p> <p>11 outstanding principal amount due of at least</p> <p>12 \$1.7 million might be forgiven, would PwC have</p> <p>13 required that to be disclosed?</p> <p>14 A. Yes.</p> <p>15 MR. AIGEN: Objection, form.</p> <p>16 Q. Is that for the same reasons that</p> <p>17 you just articulated with respect to the lack</p> <p>18 of collectability?</p> <p>19 A. Correct.</p> <p>20 Q. Just two more questions. If PwC</p> <p>21 learned before June 3rd, 2019 that any of the</p> <p>22 notes that had an outstanding principal amount</p> <p>23 of \$1.7 million or more, if those notes had</p> <p>24 been amended, would PwC have required that to</p> <p>25 be disclosed?</p>
<p style="text-align: right;">Page 76</p> <p>1 BURGER</p> <p>2 MR. AIGEN: Objection, form.</p> <p>3 A. We would have.</p> <p>4 Q. And finally, if PwC learned before</p> <p>5 June 3rd, 2019 that any of the notes that had a</p> <p>6 then outstanding principal amount due of at</p> <p>7 least \$1.7 million would be extinguished based</p> <p>8 on the fulfillment of certain conditions</p> <p>9 subsequent, would PwC have required that to be</p> <p>10 disclosed?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. We would have.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: I have no further</p> <p>15 questions. Thank you very much, sir.</p> <p>16 EXAMINATION</p> <p>17 BY MR. AIGEN:</p> <p>18 Q. All right. I guess my first</p> <p>19 question is, how much of a hard stop time is</p> <p>20 11:45? I don't mean that for you that can be</p> <p>21 for counsel.</p> <p>22 A. I can go to noon.</p> <p>23 Q. I will try – I do not think I'm</p> <p>24 going to be able to be done by then. I guess</p> <p>25 at that point we can stop and it is possible</p>	<p style="text-align: right;">Page 77</p> <p>1 BURGER</p> <p>2 John and I can work out stuff on the side. But</p> <p>3 just for the record, I understand this isn't</p> <p>4 your problem I just want to note that we were</p> <p>5 never told there would be this sort of time</p> <p>6 limit today. Again, not your problem and I</p> <p>7 just want to reserve all rights if we can't</p> <p>8 finish today we may have to come back another</p> <p>9 time. Hopefully not, I will do my best to ask</p> <p>10 questions.</p> <p>11 Let's start with some of the</p> <p>12 questions you were asked at the end about –</p> <p>13 Mr. Morris asked you if you had learned certain</p> <p>14 things. And he asked you several questions</p> <p>15 about it, that PwC would have required that</p> <p>16 information to be disclosed. Do you remember</p> <p>17 that?</p> <p>18 A. Okay.</p> <p>19 Q. Yes, you remember that?</p> <p>20 A. Yes, I do.</p> <p>21 Q. When you say or he said required to</p> <p>22 be disclosed, what are you talking about,</p> <p>23 disclosed where and to whom?</p> <p>24 A. Typically that would be disclosed in</p> <p>25 your subsequent events footnotes, but you can</p>

<p>Page 78</p> <p>1 BURGER</p> <p>2 also disclose it in note 9 or 8 in this</p> <p>3 instance, the relevant note.</p> <p>4 Q. And those questions were, for</p> <p>5 instance, one of the questions were do you</p> <p>6 remember being asked if PwC had learned that</p> <p>7 the notes might be forgiven PwC would have</p> <p>8 required that to have been disclosed. Do you</p> <p>9 remember answering that question?</p> <p>10 A. Yeah, I do.</p> <p>11 Q. And I want to focus on this. I know</p> <p>12 these are Mr. Morris' questions, so it may not</p> <p>13 have been your language, but you were asked if</p> <p>14 it might be forgiven.</p> <p>15 What does that mean to you? Are we</p> <p>16 talking about is there a difference for you if</p> <p>17 there was a 1 percent chance that something</p> <p>18 would be forgiven or a 90 percent change of it</p> <p>19 being forgiven?</p> <p>20 A. If we learned about something, let's</p> <p>21 say, we learned might be forgiven, that would</p> <p>22 have resulted in additional audit work. The</p> <p>23 question I understood to be and the answer I</p> <p>24 gave was if something happened where there was</p> <p>25 an event that actually occurred before or on</p>	<p>Page 79</p> <p>1 BURGER</p> <p>2 June 3rd, we would have required disclosure.</p> <p>3 Q. Got it. So is it fair to say that</p> <p>4 in response to all of Mr. Morris' questions</p> <p>5 about what would have been required to be</p> <p>6 disclosed, in your mind he was referring to</p> <p>7 those events or items having actually occurred</p> <p>8 and the notes being actually forgiven at that</p> <p>9 point in time; is that correct?</p> <p>10 MR. MORRIS: Objection to the form</p> <p>11 of the question.</p> <p>12 Q. I didn't hear your answer.</p> <p>13 A. Correct.</p> <p>14 Q. So you haven't provided any</p> <p>15 testimony today about what PwC might have</p> <p>16 required to be disclosed or disclosed if</p> <p>17 certain events took place in the future; is</p> <p>18 that fair to say?</p> <p>19 MR. MORRIS: Objection to the form</p> <p>20 of the question.</p> <p>21 A. That is fair to say, but any events</p> <p>22 that we learn of may have – will be assessed</p> <p>23 for what the impact on the valuation of the</p> <p>24 loan is.</p> <p>25 Q. And is it fair to say, then, that</p>
<p>Page 80</p> <p>1 BURGER</p> <p>2 PwC would have to analyze and assess a</p> <p>3 condition to determine whether it is something</p> <p>4 this needs to be disclosed?</p> <p>5 A. Yeah, we will have to analyze it.</p> <p>6 Q. And how would PwC go about analyzing</p> <p>7 a potential event that might forgive or</p> <p>8 discharge the notes?</p> <p>9 A. It depends on what the event is. It</p> <p>10 comes down to a function of materiality and</p> <p>11 probability and understanding the potential</p> <p>12 event through discussions with management.</p> <p>13 Again, it depends on the event.</p> <p>14 Q. Okay. And without knowing the</p> <p>15 specific event, would you agree that you can't</p> <p>16 testify today on whether that would need to be</p> <p>17 disclosed in the financials?</p> <p>18 MR. MORRIS: Objection to the form</p> <p>19 of the question.</p> <p>20 A. Again, the purpose of subsequent</p> <p>21 event disclosure is to disclose to the reader</p> <p>22 of the financial statements any events that</p> <p>23 actually occurred. And if we are aware of</p> <p>24 something that – that did not occur but that</p> <p>25 may have a material adverse effect on the</p>	<p>Page 81</p> <p>1 BURGER</p> <p>2 financial statements, that is something that we</p> <p>3 would consider for disclosure.</p> <p>4 Q. And when you say you'd consider it,</p> <p>5 is it fair that you would analyze the</p> <p>6 probability that the event would occur?</p> <p>7 MR. MORRIS: Objection to the form</p> <p>8 of the question.</p> <p>9 A. Correct.</p> <p>10 Q. And would you also –</p> <p>11 A. Correct.</p> <p>12 Q. Would you also look at the potential</p> <p>13 materiality of that event?</p> <p>14 A. Yes.</p> <p>15 Q. And with respect to the promissory</p> <p>16 notes at issue in this litigation, is it fair</p> <p>17 to say that no one at PwC made any sort of</p> <p>18 analysis about whether those notes would be</p> <p>19 potentially discharged due to events that might</p> <p>20 occur in the future?</p> <p>21 MR. MORRIS: Objection to the form</p> <p>22 of the question.</p> <p>23 A. That is not part of our professional</p> <p>24 work responsibility to consider potential</p> <p>25 events that might occur.</p>

<p style="text-align: right;">Page 82</p> <p>1 BURGER</p> <p>2 Q. And the audits that we were talking</p> <p>3 about were in 2017 and 2018; is that correct?</p> <p>4 A. Yeah, conducted in '18 for '17 and</p> <p>5 conducted in '19 for '18.</p> <p>6 Q. Okay. And I just want to ask some</p> <p>7 general questions about the audits that were</p> <p>8 done. And to speed things up, I'm going to ask</p> <p>9 you the questions combining those two years.</p> <p>10 If you need to break it down per year we can do</p> <p>11 that, too, but these are pretty general</p> <p>12 questions.</p> <p>13 Can you tell me approximately how</p> <p>14 many people worked on the audits of Highland at</p> <p>15 PwC in 2017 and 2018?</p> <p>16 A. Again, earlier I said six or seven.</p> <p>17 Q. And out of those six or seven, how</p> <p>18 many people had communications with anyone at</p> <p>19 Highland?</p> <p>20 A. I would argue all of them, all of</p> <p>21 us.</p> <p>22 Q. Okay. And who at Highland did these</p> <p>23 six or seven people have communications with</p> <p>24 with respect to the work on the audits?</p> <p>25 A. It depends. It depends on the</p>	<p style="text-align: right;">Page 83</p> <p>1 BURGER</p> <p>2 nature of the question. So again, Kristin</p> <p>3 Hendrix, and actually earlier there is another</p> <p>4 name Drew Wilson would have been a person that</p> <p>5 we dealt with on a day-to-day basis. Above</p> <p>6 them would be Dave Klos and above them would be</p> <p>7 Frank Waterhouse, the CFO.</p> <p>8 So again, if it is a routine matter,</p> <p>9 our more junior people probably dealt with</p> <p>10 Kristin and Drew. And if it is not a routine</p> <p>11 matter and on periodic status meetings, my</p> <p>12 communication would have probably been more</p> <p>13 with Dave Klos and my managers.</p> <p>14 Q. I apologize. Other than those four,</p> <p>15 Ms. Hendrix, Mr. Wilson, Mr. Klos and</p> <p>16 Mr. Waterhouse, is there anyone else at</p> <p>17 Highland that PwC communicated with as part of</p> <p>18 the audit that you are aware of?</p> <p>19 A. Not that I'm aware of. I mean,</p> <p>20 there is a chance that they might have had</p> <p>21 somebody else involved, but not that I can</p> <p>22 recall.</p> <p>23 Q. Have you ever had any conversations</p> <p>24 with Mr. Dondero?</p> <p>25 A. Not specifically relating to any –</p>
<p style="text-align: right;">Page 84</p> <p>1 BURGER</p> <p>2 related to the audit directly.</p> <p>3 Q. Do you know whether any of the other</p> <p>4 people at PwC that worked on the audit had any</p> <p>5 conversations with Mr. Dondero?</p> <p>6 A. Not that I'm aware of.</p> <p>7 Q. At the end of Mr. Morris' questions</p> <p>8 if you remember you were asked several</p> <p>9 questions about whether you or anyone at PwC</p> <p>10 had different conversations with anyone at</p> <p>11 Highland about the notes and them being</p> <p>12 potentially forgivable or discharged or</p> <p>13 amended. Do you remember testifying to that?</p> <p>14 A. Yeah, I do.</p> <p>15 Q. You were asked about conversations</p> <p>16 you had and you said you had no such</p> <p>17 conversations; is that correct?</p> <p>18 A. Correct.</p> <p>19 Q. You also testified that you are not</p> <p>20 aware of any conversations of anyone else that</p> <p>21 PwC had with anyone at Highland about this</p> <p>22 subject; is that correct?</p> <p>23 A. That's correct.</p> <p>24 Q. Did you – I know you said you're</p> <p>25 not aware and I guess my question is how do you</p>	<p style="text-align: right;">Page 85</p> <p>1 BURGER</p> <p>2 know that? Did you have any conversations with</p> <p>3 anyone else at PwC about whether they had any</p> <p>4 such conversations with anyone at Highland</p> <p>5 about potential dischargeability of the notes?</p> <p>6 A. I would have had discussions with my</p> <p>7 manager directly through a review of the</p> <p>8 engagement as we go through all of this. And</p> <p>9 in this instance depending on the person</p> <p>10 involved whether it was Hilda or Madeline, we</p> <p>11 analyze, review as we try to get towards</p> <p>12 sign-off.</p> <p>13 And on this line item, we would have</p> <p>14 gone through the work done on this note, you</p> <p>15 know, and the discussion of whether there is</p> <p>16 any adverse event that anybody is aware of.</p> <p>17 Q. These are all the conversations you</p> <p>18 are aware of during the audit not in the last</p> <p>19 couple of years; is that correct?</p> <p>20 A. Yeah, during the audit.</p> <p>21 MR. MORRIS: Objection to the form</p> <p>22 of the question.</p> <p>23 Q. Are you aware of any specific</p> <p>24 discussions that you had with anyone else at</p> <p>25 PwC about whether they had any communications</p>

<p>Page 86</p> <p>1 BURGER</p> <p>2 with anyone at Highland about whether the notes</p> <p>3 were potentially dischargeable or amended?</p> <p>4 MR. MORRIS: Objection.</p> <p>5 A. No, I'm not aware.</p> <p>6 Q. As part of the audit process, is one</p> <p>7 of the things that PwC looks at who would be</p> <p>8 reviewing or relying on the financial</p> <p>9 statements that you are auditing?</p> <p>10 A. Yes, we consider that.</p> <p>11 Q. And why is that considered?</p> <p>12 A. It is important – well, A, the –</p> <p>13 the format of our report and obviously just</p> <p>14 governed by who relies on it. So in other</p> <p>15 words, if you have a public client with the</p> <p>16 PCAOB standards where everybody in the public</p> <p>17 relied on there are additional procedures and</p> <p>18 additional scope than we have to perform. In a</p> <p>19 certain sense you can deal with two sets of</p> <p>20 rules. And the other part of that is</p> <p>21 considered in who we address our opinion to.</p> <p>22 Q. And in the case of the Highland</p> <p>23 audits, did PwC make an effort to determine who</p> <p>24 would be reviewing and relying on the audits,</p> <p>25 audited financial statements?</p>	<p>Page 87</p> <p>1 BURGER</p> <p>2 A. Yes. As this is a partnership, it</p> <p>3 is generally available to the general partner</p> <p>4 and the partners. And there wasn't any</p> <p>5 specific need that we were aware of with</p> <p>6 third-party lenders or banks or anything that</p> <p>7 we are relying on financials.</p> <p>8 Q. Is who is going to end up reviewing</p> <p>9 and relying on a financial statement relevant</p> <p>10 to what PwC considers to be material and thus</p> <p>11 need to be disclosed?</p> <p>12 MR. MORRIS: Objection to the form</p> <p>13 of the question, asked and answered.</p> <p>14 A. No, sorry.</p> <p>15 Q. Then what is the relevance – sorry.</p> <p>16 If it is – if who is going to</p> <p>17 review a financial statement is not relevant to</p> <p>18 what is going to be disclosed, why is it</p> <p>19 relevant to the work that PwC is doing?</p> <p>20 A. We perform audits either in terms of</p> <p>21 GAAS as promulgated by AICPA or PCAOB, and</p> <p>22 there are differences in those standards.</p> <p>23 And a correction to your previous</p> <p>24 question, on materiality the basis for forming</p> <p>25 a point of view on what is material is not</p>
<p>Page 88</p> <p>1 BURGER</p> <p>2 different, but there are certain nuances in our</p> <p>3 obligation of neutrality as to whether I'm in a</p> <p>4 PCAOB engagement or a AICPA engagement.</p> <p>5 Q. What do you mean by that?</p> <p>6 A. So when we decide – you get to an</p> <p>7 overall materiality. So if you for example,</p> <p>8 are in a fund engagement you can use different</p> <p>9 metrics as to whether you are in, let's say, a</p> <p>10 hedge fund or a mutual fund, which is driven by</p> <p>11 the users of the financials.</p> <p>12 MR. WANDER: It is a difference</p> <p>13 between public and private, Michael.</p> <p>14 Q. And this would be a private</p> <p>15 transaction we're calling it; is that correct?</p> <p>16 A. Yes, governed – sorry, not</p> <p>17 governed, performed. Performed under the</p> <p>18 standards of the AICPA and not the PCAOB.</p> <p>19 Q. And would those standards make a</p> <p>20 difference on what is considered material as</p> <p>21 part of PwC's work?</p> <p>22 A. Depending on the industry, it may.</p> <p>23 Q. And would those differences</p> <p>24 potentially make a difference on what needed to</p> <p>25 be disclosed in the financial statements?</p>	<p>Page 89</p> <p>1 BURGER</p> <p>2 A. Yeah. The standards from a PCAOB</p> <p>3 the asset and disclosure requirements under the</p> <p>4 PCAOB rules, which would not be there under</p> <p>5 AICPA.</p> <p>6 Q. Changing topics a little bit here.</p> <p>7 We talked about related-party transactions a</p> <p>8 little earlier. Do you remember?</p> <p>9 A. Sure, I do.</p> <p>10 Q. Not we, you and Mr. Morris. Can you</p> <p>11 just generally at a high level explain what a</p> <p>12 related-party transaction is?</p> <p>13 A. So related-party I cannot – I</p> <p>14 cannot quote the verbatim GAAP or GAAS</p> <p>15 definition right now, but in effect the</p> <p>16 related-party is any party that up or down the</p> <p>17 stream can have material influence or control</p> <p>18 of the entity. So it would be key management,</p> <p>19 anybody in an ownership structure upstream</p> <p>20 which has significant interest or control as</p> <p>21 well as even – it can be in certain</p> <p>22 circumstances, certain service providers.</p> <p>23 Q. Let's concentrate on notes for a</p> <p>24 second. There can be –</p> <p>25 A. Okay.</p>

<p style="text-align: right;">Page 90</p> <p>1 BURGER</p> <p>2 Q. – related-party notes and then what</p> <p>3 would you call them non-related-party notes if</p> <p>4 they're not related-party notes? Is there a</p> <p>5 term for that?</p> <p>6 MR. MORRIS: Objection to form of</p> <p>7 the question.</p> <p>8 A. Third party, unaffiliated.</p> <p>9 Q. When analyzing the collectability of</p> <p>10 notes, is there any differences in what PwC was</p> <p>11 doing looking at affiliated – non-affiliated</p> <p>12 transaction notes versus related-party notes?</p> <p>13 MR. MORRIS: Objection to the form</p> <p>14 of the question.</p> <p>15 A. Not really.</p> <p>16 Q. You say "not really," that can –</p> <p>17 A. Yeah, not – no, there isn't,</p> <p>18 because at the end of the day whether a note is</p> <p>19 collectable or not is something that you have</p> <p>20 to get evidence of, and the existence of the</p> <p>21 note is something you have to get evidence of.</p> <p>22 Q. I think I can finish up with a</p> <p>23 couple more questions here. I just want to</p> <p>24 sort of go back to what we talked about in the</p> <p>25 beginning. PwC did not do any sort of analysis</p>	<p style="text-align: right;">Page 91</p> <p>1 BURGER</p> <p>2 as to whether the notes in question would be</p> <p>3 potentially forgiven or discharged; is that</p> <p>4 correct?</p> <p>5 MR. MORRIS: Objection to the form</p> <p>6 of the question.</p> <p>7 MR. AIGEN: What is your basis for</p> <p>8 the objection?</p> <p>9 MR. MORRIS: It is not their</p> <p>10 responsibility to do that. There is no</p> <p>11 foundation.</p> <p>12 Q. That is fine, you can answer the</p> <p>13 question.</p> <p>14 A. No, we did not as we did not have</p> <p>15 to.</p> <p>16 Q. If PwC had learned that there was</p> <p>17 some condition down the road that could</p> <p>18 potentially discharge or forgive the notes,</p> <p>19 would PwC have had to do some sort of analysis</p> <p>20 to determine if that condition would need to be</p> <p>21 disclosed?</p> <p>22 A. Yes, if you become aware of any</p> <p>23 adverse event which may impact the valuation of</p> <p>24 any asset you have to consider that.</p> <p>25 Q. And in order to consider that, you</p>
<p style="text-align: right;">Page 92</p> <p>1 BURGER</p> <p>2 would look at the probability that that event</p> <p>3 would occur; is that correct?</p> <p>4 A. Correct, probability and potential</p> <p>5 impact.</p> <p>6 Q. And materiality?</p> <p>7 A. Materiality.</p> <p>8 Q. And that is nothing that you or</p> <p>9 anyone at PwC did with respect to any potential</p> <p>10 conditions that might forgive these notes; is</p> <p>11 that correct?</p> <p>12 A. Yeah, we did not. Yeah, we did not.</p> <p>13 MR. AIGEN: That is all the</p> <p>14 questions I have.</p> <p>15 FURTHER EXAMINATION.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. I just have a few more, sir, few</p> <p>18 follow-ups.</p> <p>19 PwC made no assessment as to whether</p> <p>20 or not any of the notes might not be forgiven</p> <p>21 because they were never given any information</p> <p>22 that indicated that that was even possible;</p> <p>23 correct?</p> <p>24 MR. AIGEN: Objection, form.</p> <p>25 A. That's correct.</p>	<p style="text-align: right;">Page 93</p> <p>1 BURGER</p> <p>2 Q. PwC was never given any information</p> <p>3 about the possibility that any of the</p> <p>4 affiliated promissory notes might be forgiven;</p> <p>5 correct?</p> <p>6 A. Correct.</p> <p>7 Q. PwC was never informed that</p> <p>8 Mr. Dondero had entered into an agreement that</p> <p>9 could impact the collectability of any of the</p> <p>10 promissory notes; correct?</p> <p>11 MR. AIGEN: Objection, form.</p> <p>12 A. Correct.</p> <p>13 MR. MORRIS: I have no further</p> <p>14 questions.</p> <p>15 MR. AIGEN: I don't have anything.</p> <p>16 MR. MORRIS: Mr. Burger, I greatly</p> <p>17 appreciate your time and your patience.</p> <p>18 Thank you very much, John, same to</p> <p>19 you. Thank you for the accommodations and</p> <p>20 I hope –</p> <p>21 MR. WANDER: Certainly, thank you.</p> <p>22 (Deposition adjourned at 11:41 a.m.)</p> <p>23</p> <p>24</p> <p>25</p>

4 I, SUSAN S. KLINGER, a certified

5 shorthand reporter within and for the State

6 of Texas, do hereby certify:

7 That PEET BURGER, the witness whose

8 deposition is hereinbefore set forth, was

9 duly sworn by me and that such deposition

10 is a true record of the testimony given by

11 such witness.

12 I further certify that I am not

13 related to any of the parties to this

14 action by blood or marriage; and that I am

15 in no way interested in the outcome of this

16 matter.

17 IN WITNESS WHEREOF, I have hereunto

18 set my hand this 30th of July, 2021.

<p style="text-align: right;">Page 6</p> <p>1 2 3 PROCEEDINGS 4 January 5, 2021, 9:50 a.m. CST 5 6 THE VIDEOGRAPHER: Good morning, 7 ladies and gentlemen. My name is Rick Richey. 8 I'm a legal videographer in association with 9 TSG Reporting Inc. 10 Due to the severity of the COVID-19 11 and following the practice of social distancing, 12 I will not be in the same room with the witness. 13 Instead, I will record this videotaped deposition 14 remotely. 15 The court reporter, Mike Miller, also 16 will not be in the same room and will swear the 17 witness remotely. 18 Do all parties stipulate to the 19 validity of this video recording and remote 20 swearing and that it will be admissible in the 21 courtroom as if it had been taken following Rule 22 30 of the Federal Rules of Civil Procedure and 23 the state rules where the case is pending? 24 Do all agree? 25 MR. MORRIS: Yes.</p>	<p style="text-align: right;">Page 7</p> <p>1 2 MR. BONDS: Yes. 3 MR. MORRIS: Does anyone not agree? 4 (Pause.) 5 MR. MORRIS: Having heard nothing, 6 let's proceed. Thank you. 7 THE VIDEOGRAPHER: This will be the 8 start of Media No. 1 in the video-recorded 9 deposition of James Dondero. Today's date is 10 January 5th, 2021. It's 9:52 a.m. Central 11 Standard Time. 12 The case is In re Highland Capital 13 Management LP, Debtor, Chapter 11, Case 14 No. 19-34054-sgj11 in the United States 15 Bankruptcy Court for the Northern District of 16 Texas, Dallas Division. 17 The attorneys' appearances have 18 already been noted on the steno record, so would 19 the court reporter please swear the witness. 20 MR. BONDS: Wait just one second. 21 There's an adversary proceeding that this case is 22 actually -- or this deposition is actually being 23 taken in. It's 20-03190-sgj. Thank you. 24 /// 25 ///</p>
<p style="text-align: right;">Page 8</p> <p>1 J. DONDERO 2 3 JAMES D. DONDERO, 4 having been duly sworn, 5 testified as follows: 6 7 EXAMINATION 8 9 BY MR. MORRIS: 10 Q. Good morning, Mr. Dondero. Can you 11 hear me okay? 12 A. Yes. 13 Q. Okay. My name is John Morris from 14 Pachulski Stang Ziehl & Jones, counsel for the 15 debtor. 16 Where are you located this morning, 17 sir? 18 A. Highland Capital Management's 19 conference room, same as last time. 20 Q. Is there anybody in the room with you 21 right now? 22 A. No. 23 Q. Do you have a telephone with you? 24 A. Yes. 25 Q. Is the phone off?</p>	<p style="text-align: right;">Page 9</p> <p>1 J. DONDERO 2 A. Yes. 3 Q. Are you aware that the debtor sent a 4 letter to your lawyers instructing you not to be 5 on the premises after December 31st, 2020? 6 A. Yes. 7 Q. Did you get the debtor's permission 8 to enter the premises this morning? 9 A. Implicitly for this depo, I believe. 10 Q. Okay. Did you get any explicit 11 consent or approval for you to be in the offices 12 this morning? 13 A. Not that I'm aware of. 14 Q. Did you ask or did anybody on your 15 behalf ask the debtors if you could participate 16 in today's deposition at the Highland offices? 17 A. I don't know. 18 Q. You're not aware of that, right? 19 A. Correct. 20 Q. Okay. John Bonds is defending you 21 today; is that right? 22 A. Yes. 23 Q. And he's at the Bonds Ellis firm, 24 right? 25 A. Yes.</p>

<p>Page 10</p> <p>1 J. DONDERO</p> <p>2 Q. And the Bonds Ellis firms represents</p> <p>3 you in your individual capacity, correct?</p> <p>4 A. Yes.</p> <p>5 Q. Is there any other law firm that</p> <p>6 represents you in your individual capacity in the</p> <p>7 Highland bankruptcy or in the adversary</p> <p>8 proceeding?</p> <p>9 A. I don't believe so.</p> <p>10 Q. Okay. Does the Bonds Ellis firm</p> <p>11 represent any entity in which you have an</p> <p>12 ownership or control interest, or do they just</p> <p>13 represent you in your individual capacity?</p> <p>14 A. I don't know for sure.</p> <p>15 Q. Okay. But as you sit here right now,</p> <p>16 do you have any reason to believe that the Bonds</p> <p>17 Ellis firm represents anybody other than you in</p> <p>18 your individual capacity in connection with the</p> <p>19 bankruptcy case?</p> <p>20 A. I don't know.</p> <p>21 Q. Okay. You understand that we're here</p> <p>22 today for your deposition, right?</p> <p>23 A. Yes.</p> <p>24 Q. And do you understand that today's</p> <p>25 deposition is being taken in connection with the</p>	<p>Page 11</p> <p>1 J. DONDERO</p> <p>2 debtor's motion for – (audio malfunction) –</p> <p>3 (Clarification requested by the</p> <p>4 stenographer.)</p> <p>5 MR. MORRIS: I'll ask it again.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Mr. Dondero, do you understand that</p> <p>8 today's deposition is being taken in connection</p> <p>9 with the debtor's motion for preliminary</p> <p>10 injunction against you?</p> <p>11 A. Yes.</p> <p>12 Q. Do you intend to participate in the</p> <p>13 hearing on the debtor's motion for preliminary</p> <p>14 injunction?</p> <p>15 MR. BONDS: Objection, form.</p> <p>16 MR. MORRIS: You can answer.</p> <p>17 A. I don't know.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Do you intend to make – do you</p> <p>20 intend to testify at the debtor's hearing for</p> <p>21 preliminary injunction?</p> <p>22 MR. BONDS: Objection, form.</p> <p>23 A. I don't know.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. You may or you may not; is that</p>
<p>Page 12</p> <p>1 J. DONDERO</p> <p>2 right?</p> <p>3 A. Yes.</p> <p>4 Q. Okay. Are you on any drugs or any</p> <p>5 medication right now?</p> <p>6 A. No.</p> <p>7 Q. Is there anything that you're aware</p> <p>8 of that might affect your memory today?</p> <p>9 A. No.</p> <p>10 Q. Are you aware of anything that would</p> <p>11 prevent you from testifying competently today to</p> <p>12 the best of your ability?</p> <p>13 A. No.</p> <p>14 Q. You understand that you're under oath</p> <p>15 right now?</p> <p>16 A. Yes.</p> <p>17 Q. Are you aware that on December 10th</p> <p>18 the debtor obtained a temporary restraining order</p> <p>19 against you?</p> <p>20 A. Roughly.</p> <p>21 Q. Okay. Did you ever personally read a</p> <p>22 copy of the temporary restraining order?</p> <p>23 A. No.</p> <p>24 Q. So you've never seen the order</p> <p>25 itself; is that right?</p>	<p>Page 13</p> <p>1 J. DONDERO</p> <p>2 MR. BONDS: Objection, form.</p> <p>3 A. Correct.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Do you have an understanding of what</p> <p>6 the order restrains you from doing?</p> <p>7 A. Just in the most general sense.</p> <p>8 Q. Tell me your understanding of what</p> <p>9 the temporary order restrains you from doing.</p> <p>10 A. Talking to the independent board</p> <p>11 directly or talking directly to Highland</p> <p>12 employees.</p> <p>13 Q. Is there any other aspect of the</p> <p>14 temporary restraining order that you're aware of</p> <p>15 that would otherwise constrain or restrain your</p> <p>16 conduct?</p> <p>17 A. Those are the points I remember.</p> <p>18 Q. Do you recall that before the Court</p> <p>19 entered the temporary restraining order, it held</p> <p>20 a hearing to consider the debtor's request?</p> <p>21 A. I – I don't know.</p> <p>22 Q. Did you listen to the hearing?</p> <p>23 A. No.</p> <p>24 Q. Did you read a transcript of the</p> <p>25 hearing?</p>

<p>Page 14</p> <p>1 J. DONDERO</p> <p>2 A. No.</p> <p>3 Q. Do you respect the Court's authority</p> <p>4 in this case?</p> <p>5 MR. BONDS: Objection, form.</p> <p>6 A. Yes.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Is there any particular reason why</p> <p>9 you didn't take the time to read the Court's</p> <p>10 temporary restraining order that was entered</p> <p>11 against you?</p> <p>12 A. No.</p> <p>13 Q. James Seery is a member of the board</p> <p>14 of Strand Advisors, the debtor's general partner,</p> <p>15 right?</p> <p>16 A. Yes.</p> <p>17 Q. And you've been aware of that since</p> <p>18 at least last January, correct?</p> <p>19 A. Yes.</p> <p>20 Q. And you're also aware that Mr. Seery</p> <p>21 is the debtor's CEO and CRO, right?</p> <p>22 A. Yes.</p> <p>23 Q. And you've been aware of that since</p> <p>24 last July, correct?</p> <p>25 A. Yes.</p>	<p>Page 15</p> <p>1 J. DONDERO</p> <p>2 Q. Did you ever review the declaration</p> <p>3 that Mr. Seery submitted in connection with the</p> <p>4 debtor's motion for a temporary restraining order</p> <p>5 against you?</p> <p>6 MR. BONDS: Objection, form.</p> <p>7 A. No.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Do you know what Mr. Seery alleged in</p> <p>10 his declaration – withdrawn.</p> <p>11 Do you know the substance of what</p> <p>12 Mr. Seery alleged in his declaration in support</p> <p>13 of the debtor's motion for the TRO?</p> <p>14 A. No.</p> <p>15 Q. Did you care that the debtor was</p> <p>16 seeking a TRO against you?</p> <p>17 A. I didn't think about it.</p> <p>18 Q. Have you thought about it since the</p> <p>19 order was entered?</p> <p>20 A. Not really.</p> <p>21 Q. Okay. You didn't submit a</p> <p>22 declaration of your own in opposition of the</p> <p>23 motion for TRO, right?</p> <p>24 A. I don't know.</p> <p>25 Q. You don't recall signing anything, do</p>
<p>Page 16</p> <p>1 J. DONDERO</p> <p>2 you?</p> <p>3 A. I've signed a lot of things, but</p> <p>4 I'm – I don't recall an opposition.</p> <p>5 Q. Let's talk about some of the events</p> <p>6 that led to the entry of the TRO.</p> <p>7 The debtor serves – (audio</p> <p>8 malfunction) –</p> <p>9 (Clarification requested by the</p> <p>10 stenographer.)</p> <p>11 THE WITNESS: I didn't touch the</p> <p>12 microphone at this end and it's six inches or</p> <p>13 eight inches from my mouth.</p> <p>14 MR. MORRIS: Yeah, let's try again,</p> <p>15 Mr. Dondero. Thank you.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. The debtor serves as the portfolio</p> <p>18 manager for certain collateralized loan</p> <p>19 obligation vehicles; isn't that right?</p> <p>20 A. I don't want to testify to that.</p> <p>21 Q. Does the – does the debtor manage</p> <p>22 CLOs?</p> <p>23 MR. BONDS: Objection, form.</p> <p>24 MR. MORRIS: Withdrawn.</p> <p>25 ///</p>	<p>Page 17</p> <p>1 J. DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Can we agree that CLO stands for</p> <p>4 collateralized loaning obligations?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. And does the debtor – is the</p> <p>7 debtor party to certain contracts that gives it</p> <p>8 the right and responsibility to manage certain</p> <p>9 CLO vehicles?</p> <p>10 MR. BONDS: Objection, form.</p> <p>11 MR. MORRIS: You can answer.</p> <p>12 A. Yes.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. And you're aware of that because you</p> <p>15 personally signed some of those contracts and</p> <p>16 agreements, right?</p> <p>17 A. I don't know.</p> <p>18 Q. Okay. NexPoint Advisors LP, are you</p> <p>19 familiar with that firm?</p> <p>20 A. Yes.</p> <p>21 Q. That's an advisory firm; is that</p> <p>22 right?</p> <p>23 A. Yes.</p> <p>24 Q. And we'll just refer to that as</p> <p>25 NexPoint; is that okay?</p>

<p>Page 18</p> <p>1 J. DONDERO</p> <p>2 A. Yes.</p> <p>3 Q. You have a direct or indirect</p> <p>4 economic or ownership interest in NexPoint,</p> <p>5 correct?</p> <p>6 MR. BONDS: Objection, form.</p> <p>7 MR. MORRIS: You can answer.</p> <p>8 A. Yes.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. You're the president of NexPoint,</p> <p>11 correct?</p> <p>12 A. I believe so.</p> <p>13 Q. And you own NexPoint's general</p> <p>14 partner; is that right?</p> <p>15 A. I don't know.</p> <p>16 Q. Do you know who owns NexPoint's</p> <p>17 general partner?</p> <p>18 A. No.</p> <p>19 Q. As the president of NexPoint, is it</p> <p>20 fair to say that you control that entity?</p> <p>21 A. Generally.</p> <p>22 Q. Highland Capital Management Fund</p> <p>23 Advisors LP, are you familiar with that firm?</p> <p>24 A. Yes.</p> <p>25 Q. And that's also an advisory firm,</p>	<p>Page 19</p> <p>1 J. DONDERO</p> <p>2 correct?</p> <p>3 A. Yes.</p> <p>4 Q. And we'll refer to that firm as Fund</p> <p>5 Advisors; is that fair?</p> <p>6 A. Sure.</p> <p>7 Q. And we'll refer to Fund Advisors and</p> <p>8 NexPoint together just as "the advisors"; is that</p> <p>9 fair?</p> <p>10 A. I think you should be more specific</p> <p>11 than that, but –</p> <p>12 Q. Okay. I apologize. Are you</p> <p>13 finished?</p> <p>14 If at any time I ask a question and</p> <p>15 you don't understand, will you let me know that?</p> <p>16 A. Yes.</p> <p>17 Q. Okay. You have a direct or indirect</p> <p>18 economic or ownership interest in Fund Advisors,</p> <p>19 correct?</p> <p>20 A. Yes.</p> <p>21 Q. You're the president of Fund</p> <p>22 Advisors; is that true?</p> <p>23 A. I believe so.</p> <p>24 Q. And you own Fund Advisors' general</p> <p>25 partner; is that right?</p>
<p>Page 20</p> <p>1 J. DONDERO</p> <p>2 A. I don't believe I own as much of it</p> <p>3 as I own of NexPoint, but I don't know the</p> <p>4 numbers.</p> <p>5 Q. Okay. As one of the two beneficial</p> <p>6 owners of Fund Advisors and as the president of</p> <p>7 Fund Advisors, is it fair to say that you control</p> <p>8 that entity?</p> <p>9 A. Yes.</p> <p>10 Q. Okay. And Fund Advisors and NexPoint</p> <p>11 manage certain investment funds; is that right?</p> <p>12 A. I'm sorry, I missed the point of that</p> <p>13 question.</p> <p>14 Q. Didn't hear? Okay.</p> <p>15 Fund Advisors, which we've talked</p> <p>16 about, and NexPoint, which we've talked about,</p> <p>17 those two entities manage certain investment</p> <p>18 funds; is that right?</p> <p>19 A. Yes.</p> <p>20 Q. And one of the investment funds that</p> <p>21 the advisors manage is Highland Income Fund. Do</p> <p>22 I have that right?</p> <p>23 A. Yes. I'm not sure which fund that</p> <p>24 is, but yes, that's – that's one of them.</p> <p>25 Q. Are you the portfolio manager of the</p>	<p>Page 21</p> <p>1 J. DONDERO</p> <p>2 Highland Income Fund?</p> <p>3 A. I believe so.</p> <p>4 Q. Do you hold any titles at the</p> <p>5 Highland Income Fund other than portfolio</p> <p>6 manager?</p> <p>7 MR. BONDS: To the extent you know.</p> <p>8 Don't speculate.</p> <p>9 A. I don't – I don't know. I know I'm</p> <p>10 portfolio manager on virtually all of the funds.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Is there any fund that you're not the</p> <p>13 portfolio manager for that you're aware of?</p> <p>14 A. I don't know.</p> <p>15 Q. Are you the portfolio manager of</p> <p>16 NexPoint Capital Inc.?</p> <p>17 A. If that name refers to a fund, I</p> <p>18 believe so.</p> <p>19 Q. Okay. You're not sure if that refers</p> <p>20 to a fund?</p> <p>21 A. There's a fund with the symbol NHF.</p> <p>22 If that's the name – which I don't think you</p> <p>23 have the exact name. If that's the name of it,</p> <p>24 then I believe – I believe I'm the portfolio</p> <p>25 manager. The name that you just gave sounded</p>

<p>Page 22</p> <p>1 J. DONDERO</p> <p>2 more like a holding company name or a subsidiary</p> <p>3 name for NexPoint. If it's not a fund, I'm not</p> <p>4 the portfolio manager. If it is a fund, I</p> <p>5 believe I am.</p> <p>6 Q. Okay. Do you hold – are you</p> <p>7 familiar with an entity called NexPoint</p> <p>8 Capital Inc.?</p> <p>9 A. No.</p> <p>10 Q. Okay. How about NexPoint Strategic</p> <p>11 Opportunities Fund, is that a fund that is</p> <p>12 managed by one of the advisors?</p> <p>13 A. I believe that's the name for NHF.</p> <p>14 That's what I thought you were referring to.</p> <p>15 That's the one that's a fund, and that's the one</p> <p>16 that I'm portfolio manager on.</p> <p>17 Q. Okay. Do you hold any titles at</p> <p>18 NexPoint Strategic Opportunity Fund other than</p> <p>19 portfolio manager?</p> <p>20 A. I don't know.</p> <p>21 Q. The advisors caused each of the funds</p> <p>22 to invest in certain CLOs that are managed by the</p> <p>23 debtor, right?</p> <p>24 MR. BONDS: To the extent you know.</p> <p>25 Don't speculate.</p>	<p>Page 23</p> <p>1 J. DONDERO</p> <p>2 MR. MORRIS: John, if there's an</p> <p>3 objection, I welcome it. If there's a direction</p> <p>4 not to answer, I welcome it. But what I don't</p> <p>5 welcome is guiding the witness. If he doesn't</p> <p>6 remember, he's done this so many times, he knows</p> <p>7 what he's doing.</p> <p>8 You want me to ask the question</p> <p>9 again, Mr. Dondero?</p> <p>10 THE WITNESS: Please.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. The two advisors that we talked</p> <p>13 about, they manage funds, right?</p> <p>14 A. Yes.</p> <p>15 Q. And those funds have invested in</p> <p>16 certain CLOs that are managed by the debtor,</p> <p>17 correct?</p> <p>18 A. The problem I have with that question</p> <p>19 and the part that I don't want to testify as</p> <p>20 agreeing to or acknowledging is that the debtor</p> <p>21 manages those CLOs, because I won't testify to</p> <p>22 the debtor being in good standing, and I won't</p> <p>23 testify to the debtor not being in default, and I</p> <p>24 won't testify to the debtor having the capability</p> <p>25 to manage those CLOs –</p>
<p>Page 24</p> <p>1 J. DONDERO</p> <p>2 Q. Will you – I'm sorry to interrupt.</p> <p>3 Go ahead.</p> <p>4 A. No, I mean, that's – so I won't – I</p> <p>5 won't testify affirmatively to the second half of</p> <p>6 that question.</p> <p>7 Q. Okay. But you will admit, won't you,</p> <p>8 that the debtor has – is party to contracts that</p> <p>9 give it the right to manage CLOs in which the</p> <p>10 advisors caused the funds to invest, right?</p> <p>11 MR. BONDS: Objection, form.</p> <p>12 MR. MORRIS: You can answer.</p> <p>13 A. The beginning and end of what I want</p> <p>14 to testify to is that the advisor is parties –</p> <p>15 party to contracts. The contracts have –</p> <p>16 provide the ability to manage assets in the CLO</p> <p>17 subject to a bunch of different things, subject</p> <p>18 to not being in default, subject to the ability,</p> <p>19 subject to the capability and being registered</p> <p>20 advisor, et cetera, et cetera.</p> <p>21 I don't want to have any testimony</p> <p>22 that implies that the advisor is in good standing</p> <p>23 or able or capable of managing those CLOs or that</p> <p>24 Jim Seery is even an investment professional.</p> <p>25 ///</p>	<p>Page 25</p> <p>1 J. DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Okay. I think I understand.</p> <p>4 When you used the word "advisor" in</p> <p>5 your last answer, you were referring to the</p> <p>6 debtor, is that right?</p> <p>7 MR. BONDS: Objection, form.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. It's the debtor that has – let me</p> <p>10 try again.</p> <p>11 It's the debtor that has the</p> <p>12 contracts with the CLO, right?</p> <p>13 A. Yes.</p> <p>14 Q. But it's your contention that the</p> <p>15 debtor is in default and that Mr. Seery and the</p> <p>16 debtor otherwise don't have the capability to</p> <p>17 manage the CLOs. That's what you're saying,</p> <p>18 right?</p> <p>19 A. I don't want to argue, and it's for</p> <p>20 the lawyers and the Court to decide, but I don't</p> <p>21 want to be affirmatively acknowledging that</p> <p>22 Seery's an investment professional. I don't want</p> <p>23 to be affirmatively acknowledging that he has any</p> <p>24 employees and staff when he's told them all</p> <p>25 they're being terminated in the next few weeks.</p>

<p style="text-align: right;">Page 26</p> <p>1 J. DONDERO</p> <p>2 I don't want to acknowledge that he</p> <p>3 is in compliance and can operate those contracts</p> <p>4 if I believe those contracts are in default</p> <p>5 because, A, the advisor's in bankruptcy, and B,</p> <p>6 none of the key man provisions are being adhered</p> <p>7 to by the advisor.</p> <p>8 I don't want to in any form or</p> <p>9 fashion acknowledge or represent or somehow be</p> <p>10 twisted into testifying that he is in good</p> <p>11 standing or has the ability to manage those CLOs.</p> <p>12 It may be found by somebody that he is, but I</p> <p>13 don't want to be in any way inferred to be</p> <p>14 sanctioning it.</p> <p>15 Q. Okay. Are you aware – have any of</p> <p>16 the contracts pursuant to which the CLOs and the</p> <p>17 debtor are the parties, have any of those</p> <p>18 contracts been terminated, to the best of your</p> <p>19 knowledge, since the petition date?</p> <p>20 A. I believe they're subject to stays,</p> <p>21 among other things, but I'm not – I'm not a</p> <p>22 lawyer.</p> <p>23 Q. Has anybody sought to lift the stay</p> <p>24 in order to terminate the contracts, to the best</p> <p>25 of your knowledge?</p>	<p style="text-align: right;">Page 27</p> <p>1 J. DONDERO</p> <p>2 A. I don't know where – I don't know.</p> <p>3 Q. Has any of the CLOs ever contended</p> <p>4 that the debtor was in breach in their agreement?</p> <p>5 A. I believe the beneficial holders</p> <p>6 have.</p> <p>7 Q. I understand that –</p> <p>8 A. But I don't know – I don't know if</p> <p>9 the CLOs have.</p> <p>10 Q. Okay. I'm asking you a different</p> <p>11 question, and just answer my question.</p> <p>12 To the best of your knowledge, has</p> <p>13 any CLO contended that the debtor is in breach of</p> <p>14 any of the agreements that they have between</p> <p>15 them?</p> <p>16 MR. BONDS: Objection, form.</p> <p>17 A. I don't know.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. You're not aware of any such</p> <p>20 contention, right?</p> <p>21 A. I don't know.</p> <p>22 Q. You're not aware of any contention by</p> <p>23 the CLOs that the debtor is in default under any</p> <p>24 CLO contract, correct?</p> <p>25 MR. BONDS: Objection, form.</p>
<p style="text-align: right;">Page 28</p> <p>1 J. DONDERO</p> <p>2 A. I don't know regarding the CLOs.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Did you ever ask them? Withdrawn.</p> <p>5 Did you ever ask anybody on behalf of</p> <p>6 the CLOs whether they were going to declare a</p> <p>7 default under the CLO management agreements?</p> <p>8 MR. BONDS: Objection, form.</p> <p>9 A. I don't know.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. You don't know if you asked? I'm</p> <p>12 just asking you if you ever asked the question.</p> <p>13 A. Not of the CLOs. Those questions</p> <p>14 were asked regarding the beneficial owners, and I</p> <p>15 think the beneficial owners did that, but I</p> <p>16 didn't have direct knowledge or contact with the</p> <p>17 CLOs.</p> <p>18 Q. Okay. And the beneficial owners are</p> <p>19 not parties to the CLO management agreements</p> <p>20 between the CLOs and the debtor, correct?</p> <p>21 MR. BONDS: Objection, form.</p> <p>22 A. I don't want to draw a legal</p> <p>23 conclusion of the rights of the beneficial owners</p> <p>24 and the people who have the risk and the people</p> <p>25 who have the ultimate decision authority whether</p>	<p style="text-align: right;">Page 29</p> <p>1 J. DONDERO</p> <p>2 or not they can be circumvented or ignored by an</p> <p>3 intermediate nonfinancial – nonfinancially</p> <p>4 interested party. I don't want to – I don't</p> <p>5 want to speculate on that.</p> <p>6 MR. MORRIS: Okay. I move to strike.</p> <p>7 And I'm not asking for a legal</p> <p>8 conclusion; I'm asking for your understanding.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. Is it your understanding that</p> <p>11 beneficial owners are parties to the CLO</p> <p>12 management agreements between the debtor and the</p> <p>13 CLOs?</p> <p>14 MR. BONDS: Objection to form.</p> <p>15 MR. MORRIS: You can answer.</p> <p>16 A. I think that asks for a legal</p> <p>17 conclusion.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. It does not. I'm asking you as a</p> <p>20 factual matter based on your understanding as the</p> <p>21 portfolio manager of the funds and the president</p> <p>22 of the advisors who made these investments. I'm</p> <p>23 asking you –</p> <p>24 MR. BONDS: Objection, form.</p> <p>25 ///</p>

<p>Page 30</p> <p>1 J. DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. – in that capacity.</p> <p>4 In that capacity, do you have any</p> <p>5 understanding that the beneficial owners are</p> <p>6 parties to the CLO management agreements between</p> <p>7 the debtor and the CLOs?</p> <p>8 MR. BONDS: Objection, form.</p> <p>9 A. My understanding is that the</p> <p>10 beneficial owner should always be considered.</p> <p>11 MR. MORRIS: Okay. I move to strike.</p> <p>12 I'm not asking you whether they should be</p> <p>13 considered.</p> <p>14 BY MR. MORRIS:</p> <p>15 Q. I'm asking you very specifically</p> <p>16 whether you believe that they are parties to the</p> <p>17 contract.</p> <p>18 MR. BONDS: Objection, form, asked</p> <p>19 and answered.</p> <p>20 A. Yeah, I believe you're asking me for</p> <p>21 a legal conclusion, and I won't give one.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Okay.</p> <p>24 MR. MORRIS: La Asia, can we please</p> <p>25 put up Exhibit 1. Let's share the screen and put</p>	<p>Page 31</p> <p>1 J. DONDERO</p> <p>2 up Exhibit 1.</p> <p>3 (Dondero Deposition Exhibit 1</p> <p>4 marked.)</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Mr. Dondero, I appreciate that it's</p> <p>7 difficult to do this remotely, and as we</p> <p>8 discussed last time, the one thing that I'm</p> <p>9 certainly not doing today is playing gotcha with</p> <p>10 documents.</p> <p>11 So I'm going to put documents up on</p> <p>12 the screen from time to time, and to the extent</p> <p>13 that you think you need to read more of the</p> <p>14 document in order to have full context, will you</p> <p>15 let me know that?</p> <p>16 A. Sure.</p> <p>17 Q. Okay. This is a letter dated</p> <p>18 October 16th from NexPoint to Mr. Seery.</p> <p>19 Do you see that?</p> <p>20 A. Yep.</p> <p>21 Q. Okay. Are you familiar with this</p> <p>22 document? Have you ever seen it before?</p> <p>23 A. Generally. I'm generally familiar</p> <p>24 with it, but I haven't seen it before.</p> <p>25 Q. Okay. Do you recall when you first</p>
<p>Page 32</p> <p>1 J. DONDERO</p> <p>2 learned that this document was sent? Was it at</p> <p>3 or around the time the document was sent?</p> <p>4 A. It was at or around the time, yes.</p> <p>5 Q. Did you discuss with NexPoint any of</p> <p>6 the substance that is in this letter? And again,</p> <p>7 I'm happy to scroll through it if that would be</p> <p>8 helpful.</p> <p>9 MR. BONDS: Objection, form.</p> <p>10 A. Just generally.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Did you – I don't want to know about</p> <p>13 any conversations, but did you speak with anybody</p> <p>14 at K&L Gates about this particular letter, just</p> <p>15 yes or no?</p> <p>16 A. My primary conversation was with</p> <p>17 internal counsel. K&L Gates might have been on</p> <p>18 some phone call or two.</p> <p>19 Q. Okay. Whose idea was it to send this</p> <p>20 out?</p> <p>21 MR. BONDS: Objection, form.</p> <p>22 A. Whose idea? I – I don't think</p> <p>23 anybody viewed it as an idea as much as a</p> <p>24 regulatory necessity.</p> <p>25 ///</p>	<p>Page 33</p> <p>1 J. DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. And did you authorize the sending of</p> <p>4 this particular letter?</p> <p>5 A. Not specifically.</p> <p>6 Q. Did you generally support the sending</p> <p>7 of the letter?</p> <p>8 A. Yes.</p> <p>9 Q. And you knew the letter was being</p> <p>10 sent; is that fair?</p> <p>11 A. Yes.</p> <p>12 Q. And you didn't object to the sending</p> <p>13 of this letter, right?</p> <p>14 A. I did not object.</p> <p>15 Q. Okay. And since learning that the</p> <p>16 letter was sent, have you ever directed NexPoint</p> <p>17 to withdraw the letter?</p> <p>18 A. No.</p> <p>19 Q. You have the power to do that, don't</p> <p>20 you, sir?</p> <p>21 A. I – I don't believe so. When the</p> <p>22 chief compliance officer believes it's a breach</p> <p>23 of regulatory compliance, the chief compliance</p> <p>24 officer in financial institutions has personal</p> <p>25 liability, and I don't believe that other C-suite</p>

<p>Page 34</p> <p>1 J. DONDERO</p> <p>2 executives can overrule the chief compliance</p> <p>3 officer.</p> <p>4 Q. Who is the chief compliance officer?</p> <p>5 A. Jason Post.</p> <p>6 Q. Did Mr. Post ever say that he would</p> <p>7 not withdraw the letter because of regulatory</p> <p>8 compliance?</p> <p>9 MR. BONDS: Objection, form.</p> <p>10 A. I – not that I know of.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Did you ever discuss with Mr. Post</p> <p>13 whether or not this letter should be withdrawn?</p> <p>14 A. Again, I didn't believe I had the</p> <p>15 authority to.</p> <p>16 Q. Okay. And he never told you that he</p> <p>17 couldn't; that's just the implicit conclusion</p> <p>18 that you drew because he was the chief compliance</p> <p>19 officer; is that fair?</p> <p>20 A. Implicit conclusion? It's more the</p> <p>21 understanding I have of compliance from having</p> <p>22 lived it the last 20 years.</p> <p>23 MR. MORRIS: Okay. Let's put up</p> <p>24 Exhibit 2, please.</p> <p>25 (Dondero Deposition Exhibit 2</p>	<p>Page 35</p> <p>1 J. DONDERO</p> <p>2 marked.)</p> <p>3 MS. CANTY: Do you see it, John?</p> <p>4 MR. This is another letter that</p> <p>9 was sent by NexPoint to Mr. Seery, this one dated</p> <p>10 November 24, 2020.</p> <p>11 Do you see that, sir?</p> <p>12 A. Yes.</p> <p>13 Q. And you saw this letter at or around</p> <p>14 the time it was sent, right?</p> <p>15 A. I didn't see the letter specifically,</p> <p>16 but I'm aware of it.</p> <p>17 Q. And you knew it was going to be sent;</p> <p>18 is that fair?</p> <p>19 A. Yes.</p> <p>20 Q. And did you authorize this letter to</p> <p>21 be sent on behalf of the advisors and the funds</p> <p>22 that are listed there?</p> <p>23 MR. BONDS: Objection, form.</p> <p>24 A. Let me give the consistent testimony</p> <p>25 I gave last time. It wasn't an authorization. I</p>
<p>Page 36</p> <p>1 J. DONDERO</p> <p>2 was aware of it. It was, I believe, a continued</p> <p>3 regulatory breach from the standpoint of the --</p> <p>4 of compliance that drove the letter.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. When there's a regulatory breach, is</p> <p>7 there an obligation to alert anybody other than</p> <p>8 the portfolio manager?</p> <p>9 A. I know that's being investigated. I</p> <p>10 don't know the answer regarding a breach like</p> <p>11 this.</p> <p>12 Q. Are you aware of any notification</p> <p>13 that NexPoint made to anybody in the world, other</p> <p>14 than Mr. Seery, with respect to the matters set</p> <p>15 forth in Exhibit 1 and Exhibit 2?</p> <p>16 MR. BONDS: Objection, form.</p> <p>17 A. I don't know, and I'm not in a</p> <p>18 position to comment at this point.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. I'm just asking you if you know</p> <p>21 whether – I'm asking for your knowledge.</p> <p>22 Do you know whether NexPoint ever</p> <p>23 advised anybody, other than Mr. Seery, of the</p> <p>24 allegations that are set forth in Exhibit 1 and</p> <p>25 Exhibit 2?</p>	<p>Page 37</p> <p>1 J. DONDERO</p> <p>2 MR. BONDS: Objection, form.</p> <p>3 A. I don't know, nor would I necessarily</p> <p>4 be informed if compliance self-reports this to</p> <p>5 the SEC or other regulatory bodies. But I do not</p> <p>6 know.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. And nobody told you that, right?</p> <p>9 A. I don't know.</p> <p>10 Q. Is there – did you see any written</p> <p>11 analysis or memorandum that was prepared by</p> <p>12 your – by the chief compliance officer with</p> <p>13 respect to the matters set forth in Exhibit 1 and</p> <p>14 Exhibit 2?</p> <p>15 A. I know there was a multipage analysis</p> <p>16 that was done, but I've never seen it.</p> <p>17 Q. And was it written by the chief</p> <p>18 compliance officer or was it written by legal</p> <p>19 staff?</p> <p>20 A. I was told he did it in conjunction</p> <p>21 with external counsel.</p> <p>22 Q. But you've never seen it?</p> <p>23 A. I've never seen it.</p> <p>24 Q. Did you support the sending of this</p> <p>25 letter?</p>

<p>Page 38</p> <p>1 J. DONDERO</p> <p>2 A. Yes.</p> <p>3 Q. Since learning that this letter was</p> <p>4 sent, have you directed NexPoint to withdraw this</p> <p>5 letter?</p> <p>6 A. No, I have not.</p> <p>7 Q. Okay. Around Thanksgiving you</p> <p>8 learned that Mr. Seery was seeking to sell</p> <p>9 certain securities that were owned by certain</p> <p>10 CLOs managed by the debtor, right?</p> <p>11 A. I believe I was informed after the</p> <p>12 fact.</p> <p>13 Q. You were informed that certain sales</p> <p>14 of securities owned by the CLOs were being sold</p> <p>15 at Mr. Seery's direction, right?</p> <p>16 A. Yes.</p> <p>17 MR. BONDS: Objection, form.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Okay. And at around that time, once</p> <p>20 you learned that, you personally intervened to</p> <p>21 stop those trades, right?</p> <p>22 MR. BONDS: Objection, form.</p> <p>23 A. Yes.</p> <p>24 MR. MORRIS: Can we put up Exhibit 3,</p> <p>25 please.</p>	<p>Page 39</p> <p>1 J. DONDERO</p> <p>2 (Dondero Deposition Exhibit 3</p> <p>3 marked.)</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. This is an e-mail string. We're</p> <p>6 going to start at the bottom and work up, just so</p> <p>7 we can get it in order. And you'll see the</p> <p>8 bottom begins with an e-mail from Hunter Covitz.</p> <p>9 Do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. Who is Mr. Covitz?</p> <p>12 A. Covitz, Hunter Covitz manages our CLO</p> <p>13 asset – or our CLO assets, primarily.</p> <p>14 Q. Is he a High- – is he a debtor</p> <p>15 employee or is he employed by any other entity?</p> <p>16 A. I believe he's a debtor employee.</p> <p>17 Q. Okay. Do you see there's a reference</p> <p>18 there to gatekeeper@hcmpl.com?</p> <p>19 A. Yes.</p> <p>20 Q. Are you – withdrawn.</p> <p>21 Is that – withdrawn.</p> <p>22 Is it your understanding that that's</p> <p>23 kind of a basket of different e-mail addresses</p> <p>24 that are held together by the Gatekeeper address?</p> <p>25 A. I wouldn't describe it that way, but</p>
<p>Page 40</p> <p>1 J. DONDERO</p> <p>2 it is a bucket of e-mails.</p> <p>3 Q. Okay. And is your e-mail address or</p> <p>4 was your e-mail address included within</p> <p>5 Gatekeeper?</p> <p>6 A. Historically, it was.</p> <p>7 Q. And do you know when that stopped</p> <p>8 being the case?</p> <p>9 A. I do not know.</p> <p>10 Q. Was it after the time that you</p> <p>11 resigned from your position at the debtor?</p> <p>12 A. I do not know.</p> <p>13 Q. Okay. Matt Pearson is below</p> <p>14 Gatekeeper. Do you know who Mr. Pearson is?</p> <p>15 A. He is a – generally an equity trader</p> <p>16 that works for Joe Sowin.</p> <p>17 Q. And are Mr. Pearson and Mr. Sowin</p> <p>18 employees of the debtor?</p> <p>19 A. I don't believe so. I don't believe</p> <p>20 Joe is. I don't know if Matt is. I don't know.</p> <p>21 Q. Okay. But is it fair to say that</p> <p>22 pursuant to this e-mail, Mr. Covitz is giving</p> <p>23 direction to sell certain securities held by the</p> <p>24 CLOs?</p> <p>25 A. Yes.</p>	<p>Page 41</p> <p>1 J. DONDERO</p> <p>2 Q. Can we scroll to the e-mail above</p> <p>3 that, please. And then Mr. Pearson acknowledged</p> <p>4 that e-mail a little bit later in the day, right?</p> <p>5 A. Yes.</p> <p>6 Q. Okay. And if we can –</p> <p>7 (Interruption by the videographer.)</p> <p>8 MR. MORRIS: It's okay. Let's</p> <p>9 proceed and we'll do the best we can.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Mr. Covitz's e-mail was the – do you</p> <p>12 see the subject matter is Sky Equity?</p> <p>13 A. Yes.</p> <p>14 Q. And do you have an understanding of</p> <p>15 what Sky Equity refers to?</p> <p>16 A. It's a – it's a post-restructured</p> <p>17 equity that the funds have held for years.</p> <p>18 Q. Okay. So if we could scroll up to</p> <p>19 your e-mail that's right there, did you receive a</p> <p>20 copy of Mr. Covitz's original e-mail?</p> <p>21 A. It appears so.</p> <p>22 Q. Okay. And did you give the</p> <p>23 instruction to the recipients of Mr. Hunter</p> <p>24 Covitz's e-mail not to sell the Sky Equity as had</p> <p>25 been instructed by Mr. Seery?</p>

<p>Page 42</p> <p>1 J. DONDERO</p> <p>2 A. Yes.</p> <p>3 Q. And you understood at the time that</p> <p>4 you gave the instruction to the people on this</p> <p>5 e-mail that they were trying to execute trades</p> <p>6 that Mr. Seery had authorized, right?</p> <p>7 MR. BONDS: Objection, form.</p> <p>8 THE WITNESS: Can you repeat the</p> <p>9 question, please.</p> <p>10 MR. MORRIS: Sure.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. At the time that you gave the</p> <p>13 instruction, no, do not, you knew that you were</p> <p>14 stopping trades that had been authorized and</p> <p>15 directed by Mr. Seery, correct?</p> <p>16 A. Yes.</p> <p>17 Q. Did you speak with Mr. Seery before</p> <p>18 instructing the recipients of your e-mail not to</p> <p>19 execute the SKY transactions?</p> <p>20 A. No, I did not.</p> <p>21 Q. Did you take any steps to seek the</p> <p>22 debtor's consent before instructing the</p> <p>23 recipients of this e-mail not to execute the SKY</p> <p>24 transactions?</p> <p>25 A. I'm sorry, please repeat that again.</p>	<p>Page 43</p> <p>1 J. DONDERO</p> <p>2 The – I missed the first part of the sentence.</p> <p>3 Q. No problem.</p> <p>4 Did you take any steps to seek the</p> <p>5 debtor's consent before instructing the</p> <p>6 recipients of your e-mail –</p> <p>7 MR. BONDS: Objection, form.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. – to stop the SKY transactions, to</p> <p>10 stop executing the SKY transactions?</p> <p>11 A. No.</p> <p>12 Q. Thank you.</p> <p>13 Can we scroll up to the response.</p> <p>14 Okay. Stop there.</p> <p>15 Mr. Pearson responded later that</p> <p>16 afternoon. Do you see that?</p> <p>17 A. Yes.</p> <p>18 Q. And in response, he canceled all of</p> <p>19 the SKY and AVYA sales that the debtor had</p> <p>20 directed but which had not yet been executed,</p> <p>21 right?</p> <p>22 A. Yes.</p> <p>23 Q. And if we can scroll up to the e-mail</p> <p>24 above that, you responded to that as well, didn't</p> <p>25 you?</p>
<p>Page 44</p> <p>1 J. DONDERO</p> <p>2 A. Yep.</p> <p>3 Q. Can you please read your response out</p> <p>4 loud.</p> <p>5 A. HFAM and DAF – or HFAM and DAF has</p> <p>6 instructed Highland in writing not to sell any</p> <p>7 CLO underlying assets. There is potential</p> <p>8 liability. Don't do it again, please.</p> <p>9 Q. All right. The written instructions,</p> <p>10 is that a reference to the first two exhibits</p> <p>11 that we looked at? And if you want to go back</p> <p>12 and check them out, we can, but I'm trying to –</p> <p>13 I want to know what writings you're referring to.</p> <p>14 Withdrawn.</p> <p>15 Are the writings that you're</p> <p>16 referring to the two exhibits that we just looked</p> <p>17 at, Exhibit 1 and Exhibit 2?</p> <p>18 MR. BONDS: Objection, form.</p> <p>19 A. Generally, yes.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Are you –</p> <p>22 A. I don't know if – I don't know if</p> <p>23 there were more than those two, but generally,</p> <p>24 letters of those substances – well, generally,</p> <p>25 letters of those substance – of that substance</p>	<p>Page 45</p> <p>1 J. DONDERO</p> <p>2 is what I'm referring to.</p> <p>3 Q. I appreciate that, Mr. Dondero.</p> <p>4 Do you recall any other writings that</p> <p>5 you were referring to at the time you sent this</p> <p>6 e-mail?</p> <p>7 A. I'm just saying I don't know if there</p> <p>8 were others or if there were other e-mails. I</p> <p>9 don't know. But there were – they would have</p> <p>10 been similar in terms of substance as those two.</p> <p>11 Q. Okay. Do you see the reference there</p> <p>12 in the latter portion of your e-mail, quote,</p> <p>13 there is potential liability, don't do it again?</p> <p>14 A. Yes.</p> <p>15 Q. Who was the intended recipient of</p> <p>16 that message?</p> <p>17 A. At this juncture, it's to Matt</p> <p>18 Pearson, I believe.</p> <p>19 Q. And why would Matt Pearson have</p> <p>20 personal liability – withdrawn.</p> <p>21 Why did you decide to tell</p> <p>22 Mr. Pearson that he had potential liability for</p> <p>23 executing the transactions that Mr. Seery had</p> <p>24 directed?</p> <p>25 MR. BONDS: Objection, form.</p>

<p>Page 46</p> <p>1 J. DONDERO</p> <p>2 A. Yeah, to be clear, it doesn't say</p> <p>3 personal liability. I said potential liability.</p> <p>4 I believe this is – I believe what was done here</p> <p>5 is bona fide typical class action activity that</p> <p>6 we've suffered from historically, when the</p> <p>7 interests of beneficial holders are ignored when</p> <p>8 assets are sold for no business purpose. No</p> <p>9 business purpose. No definable, discernible,</p> <p>10 articulated business purpose.</p> <p>11 There's – I think there's potential</p> <p>12 liability for the manager, the fund complex, you</p> <p>13 know, and sometimes for the individuals involved.</p> <p>14 But my potential liability was a general</p> <p>15 statement.</p> <p>16 THE WITNESS: You know what, guys,</p> <p>17 listen. I've got a couple of calls I've got to</p> <p>18 make that I'm ten minutes late for, so we're</p> <p>19 going to need to take a break for a few minutes</p> <p>20 here, ideally now, or after the next question,</p> <p>21 please.</p> <p>22 MR. MORRIS: I'm happy to take a</p> <p>23 break now. How long are you thinking, though?</p> <p>24 THE WITNESS: Ten or 15 minutes.</p> <p>25 MR. MORRIS: Yeah, that's perfectly</p>	<p>Page 47</p> <p>1 J. DONDERO</p> <p>2 fine, Mr. Dondero. Can you just state on the</p> <p>3 record that you will not talk to any Highland</p> <p>4 employee, including Mr. Ellington or</p> <p>5 Mr. Leventon, you will not communicate with them</p> <p>6 or their counsel in any way with respect to this</p> <p>7 deposition?</p> <p>8 THE WITNESS: Yeah, I promise. I</p> <p>9 haven't – yeah. I will not talk to them. The</p> <p>10 only Highland employee I might talk to is Jerome,</p> <p>11 who's handling the systems for this call, and</p> <p>12 that's it.</p> <p>13 MR. MORRIS: I'm fine with that, but</p> <p>14 really, I'm requesting not only Highland</p> <p>15 employees but not to talk to anybody about the</p> <p>16 testimony today. I'm going to accommodate you</p> <p>17 and –</p> <p>18 THE WITNESS: I won't. Nobody cares</p> <p>19 about this deposition. I won't talk to anybody.</p> <p>20 MR. MORRIS: Okay.</p> <p>21 THE WITNESS: I'll be back in ten or</p> <p>22 15 minutes, okay?</p> <p>23 MR. MORRIS: Okay.</p> <p>24 THE VIDEOGRAPHER: 10:41 a.m. Central</p> <p>25 Standard Time, we're off the record.</p>
<p>Page 48</p> <p>1 J. DONDERO</p> <p>2 (Recess taken, 10:41 a.m. to</p> <p>3 11:16 a.m. CST)</p> <p>4 THE VIDEOGRAPHER: 11:16 a.m., we're</p> <p>5 back on the record.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Mr. Dondero, can you hear me?</p> <p>8 A. Yes.</p> <p>9 Q. Okay. Are you aware that the</p> <p>10 deposition taking place today is pursuant to</p> <p>11 Court order?</p> <p>12 A. Yes.</p> <p>13 Q. Did you schedule meetings and</p> <p>14 telephone calls during the day today,</p> <p>15 notwithstanding the Court's order?</p> <p>16 A. I didn't formally schedule anything.</p> <p>17 Q. Okay. So you have nothing scheduled</p> <p>18 for the rest of the day; is that right? You're</p> <p>19 here to answer questions?</p> <p>20 A. Correct.</p> <p>21 MR. MORRIS: Okay. Can we get the</p> <p>22 last exhibit back up on the screen, please.</p> <p>23 Okay. Can we scroll –</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. We were last looking at your e-mail.</p>	<p>Page 49</p> <p>1 J. DONDERO</p> <p>2 Can we see the response above that, please?</p> <p>3 Okay. And that's Mr. Sowin responding.</p> <p>4 Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. And Mr. Sowin was following your</p> <p>7 instructions; is that right?</p> <p>8 A. His response is what it is. I'm</p> <p>9 not – what do you mean by following my</p> <p>10 instructions?</p> <p>11 Q. Well, he issued an order – it says,</p> <p>12 quote: Please block all orders from hitting the</p> <p>13 trading desk for the – I assume he meant</p> <p>14 funds – Jim mentioned.</p> <p>15 Do you see that?</p> <p>16 A. Yes.</p> <p>17 MR. BONDS: Objection, form.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. And that's exactly what you wanted to</p> <p>20 happen, right?</p> <p>21 A. I'm sorry, could you unhighlight</p> <p>22 that? It's hard for me to read with the</p> <p>23 highlight. Okay. Thank you.</p> <p>24 Yeah, they – I think he tried to</p> <p>25 figure out a way to prevent it from inadvertently</p>

<p>Page 50</p> <p>1 J. DONDERO</p> <p>2 happening.</p> <p>3 Q. Okay. And Mr. Sowin's – the</p> <p>4 substance of Mr. Sowin's e-mail is consistent</p> <p>5 with your intent to prevent any further trades</p> <p>6 from the CLOs, right?</p> <p>7 MR. BONDS: Objection, form.</p> <p>8 A. My intent was to prevent trades that</p> <p>9 weren't in the best interests of investors, that</p> <p>10 investors – the beneficial holders had</p> <p>11 articulated they didn't want sold while these</p> <p>12 funds were in transition, and that the – there</p> <p>13 was no business purpose or benefit to the debtor</p> <p>14 to sell these assets.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. That –</p> <p>17 A. So that's – that was the rationale I</p> <p>18 was trying to capture.</p> <p>19 THE WITNESS: Hold on for me one</p> <p>20 second. Jerome just stepped in. What does the</p> <p>21 systems guy want Jerome to do?</p> <p>22 MR. MORRIS: Figure out a way to turn</p> <p>23 the lights on.</p> <p>24 (Technical comments off the</p> <p>25 stenographic record.)</p>	<p>Page 51</p> <p>1 J. DONDERO</p> <p>2 MR. MORRIS: Let's go forward.</p> <p>3 THE WITNESS: So we're okay with</p> <p>4 Jerome? That's it for now?</p> <p>5 MR. MORRIS: Yeah.</p> <p>6 THE WITNESS: All right. Thank you.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. You didn't correct anything that</p> <p>9 Mr. Sowin did – said in this e-mail, did you?</p> <p>10 A. No.</p> <p>11 Q. You didn't tell –</p> <p>12 MR. BONDS: Can you repeat the</p> <p>13 question? I didn't understand it.</p> <p>14 MR. MORRIS: That's okay.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Mr. Dondero, you didn't correct</p> <p>17 anything that Mr. Sowin wrote in this e-mail, did</p> <p>18 you?</p> <p>19 A. No.</p> <p>20 Q. You didn't tell Mr. Sowin that he</p> <p>21 misunderstood your intent, did you?</p> <p>22 A. I don't believe so.</p> <p>23 Q. And you didn't give any explanation</p> <p>24 to him as to why you did not want to sell any CLO</p> <p>25 underlying assets except for what you wrote in</p>
<p>Page 52</p> <p>1 J. DONDERO</p> <p>2 that e-mail below, right?</p> <p>3 MR. BONDS: Objection, form.</p> <p>4 A. I – I believe I – well, the e-mails</p> <p>5 stand on their own. I think the reasons below</p> <p>6 are sufficient. I think I had a conversation</p> <p>7 with Joe besides that, and there was an</p> <p>8 unawareness on the trading desk and with Hunter</p> <p>9 that the interest of investors had been expressed</p> <p>10 and ignored by Seery, you know, so – they</p> <p>11 weren't aware of that. They thought that was</p> <p>12 unusual and inappropriate.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. In your role as portfolio manager, is</p> <p>15 it – do you believe it's your responsibility to</p> <p>16 always defer to the desires of your investors?</p> <p>17 Do you cede – do you cede – withdrawn.</p> <p>18 Do you cede responsibility and your</p> <p>19 business judgment for making transactions to your</p> <p>20 investors?</p> <p>21 MR. BONDS: Objection, form.</p> <p>22 A. In this case, it would be</p> <p>23 appropriate. In general, it would depend.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Okay. A few days later, you learned</p>	<p>Page 53</p> <p>1 J. DONDERO</p> <p>2 that Mr. Seery was trying a work-around to</p> <p>3 effectuate the trades anyway, right?</p> <p>4 A. Yes.</p> <p>5 Q. And you wrote to Thomas Surgent to</p> <p>6 let him know that you were aware that Seery was</p> <p>7 trying a work-around to effectuate the trades,</p> <p>8 right?</p> <p>9 A. I believe there was such an e-mail.</p> <p>10 Q. Okay. Can you just scroll up and see</p> <p>11 that e-mail, please. All right. Stop right</p> <p>12 there.</p> <p>13 Who is Mr. Surgent?</p> <p>14 A. He's the chief compliance officer of</p> <p>15 Highland Capital.</p> <p>16 Q. The debtor?</p> <p>17 A. Yes.</p> <p>18 Q. Okay. And how long has he held that</p> <p>19 position to the best of your recollection?</p> <p>20 A. A long time. More than five years.</p> <p>21 Q. What does it mean to – when you</p> <p>22 wrote that Mr. Seery was, quote, working on a</p> <p>23 work-around to trade these securities? What does</p> <p>24 that mean?</p> <p>25 A. As a noninvestment professional and</p>

<p>Page 54</p> <p>1 J. DONDERO</p> <p>2 as a nontrader and as a nonportfolio manager, he</p> <p>3 set up an account for himself, I believe,</p> <p>4 directly with Jefferies to trade the securities</p> <p>5 in the CLOs.</p> <p>6 Q. How did you learn that?</p> <p>7 A. I think we still get trade reports</p> <p>8 from Jefferies, or Jefferies – the Jefferies</p> <p>9 trades get reported back into the system and have</p> <p>10 to be input by Joe, and so Joe sees the trades</p> <p>11 come back from Jefferies at the end of the day.</p> <p>12 Q. And Joe is Joe Sowin?</p> <p>13 A. Yes.</p> <p>14 Q. And he works for you; is that right?</p> <p>15 MR. BONDS: Objection, form.</p> <p>16 MR. MORRIS: Withdrawn.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. He works for one of the advisors; is</p> <p>19 that right?</p> <p>20 A. I believe he works for HFAM, but I'm</p> <p>21 not a hundred percent certain.</p> <p>22 Q. And the work-around was – is that</p> <p>23 another way of saying that Mr. Seery tried to do</p> <p>24 the trades that he thought were appropriate</p> <p>25 without your interference?</p>	<p>Page 55</p> <p>1 J. DONDERO</p> <p>2 MR. BONDS: Objection, form.</p> <p>3 A. I'm not going to agree with that</p> <p>4 speculation. If you want me to speculate, I</p> <p>5 think Seery had no business purpose and he was</p> <p>6 doing it to tweak myself and everybody else.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Did he tell you that?</p> <p>9 A. No. I'm speculating.</p> <p>10 Q. Okay. Do you have any idea why he</p> <p>11 made the trades?</p> <p>12 A. He – he had no –</p> <p>13 Q. Withdrawn. I'm sorry.</p> <p>14 Do you have any idea why he wanted to</p> <p>15 make the trades?</p> <p>16 A. I didn't speak to him directly.</p> <p>17 Q. Okay.</p> <p>18 A. Indirectly – I didn't speak to him.</p> <p>19 I didn't speak to him directly. It was –</p> <p>20 Q. Do you have any personal knowledge as</p> <p>21 you sit here right now as to why Mr. Seery wanted</p> <p>22 to effectuate the trades that you were blocking?</p> <p>23 MR. BONDS: Objection, form.</p> <p>24 A. I've thought about it at length. I</p> <p>25 can't come up with a business purpose that would</p>
<p>Page 56</p> <p>1 J. DONDERO</p> <p>2 supersede an account that's in transition and the</p> <p>3 beneficial owners have made it clear that the</p> <p>4 manager's not in compliance, they're moving the</p> <p>5 accounts, and knowing the individual assets that</p> <p>6 were sold, I can't – I couldn't think of a</p> <p>7 business purpose that Seery would be operating</p> <p>8 under.</p> <p>9 MR. MORRIS: Okay. I move to strike.</p> <p>10 I'm not asking you for what you think. I'm</p> <p>11 asking you for facts.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Do you have any knowledge of any</p> <p>14 facts as to the business justification or</p> <p>15 rationale for why Mr. Seery wanted to make these</p> <p>16 trades?</p> <p>17 MR. BONDS: Objection, form.</p> <p>18 A. No, I don't believe there are any.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. And you never asked him; is that</p> <p>21 right?</p> <p>22 A. Correct.</p> <p>23 Q. And you never instructed anybody on</p> <p>24 your behalf or on behalf of the advisors or on</p> <p>25 behalf of the funds to ask Mr. Seery why he</p>	<p>Page 57</p> <p>1 J. DONDERO</p> <p>2 wanted to make these trades, right?</p> <p>3 A. That's not correct.</p> <p>4 Q. Nobody ever told you that they'd had</p> <p>5 a conversation with Mr. Seery in which</p> <p>6 Mr. Seery – (audio malfunction) –</p> <p>7 (Clarification requested by the</p> <p>8 stenographer.)</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. Did anybody ever tell you that they</p> <p>11 had spoken with Mr. Seery and Mr. Seery had</p> <p>12 provided an explanation, a business rationale for</p> <p>13 the transactions that he wanted to effectuate?</p> <p>14 MR. BONDS: Objection, form.</p> <p>15 A. Yes. Yes.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Who was that?</p> <p>18 A. Joe Sowin.</p> <p>19 Q. When did he tell you about this</p> <p>20 conversation?</p> <p>21 A. It was at or about this time in...</p> <p>22 Q. And what did Mr. Sowin tell you?</p> <p>23 A. Seery told him it was for risk</p> <p>24 minimization or risk reduction.</p> <p>25 Q. Did he tell him anything else?</p>

<p style="text-align: right;">Page 58</p> <p>1 J. DONDERO</p> <p>2 A. No. He said risk reduction was why</p> <p>3 he was selling the securities.</p> <p>4 Q. That's the only rationale that</p> <p>5 Mr. Seery gave to Mr. Sowin; is that your</p> <p>6 testimony?</p> <p>7 A. Yes.</p> <p>8 Q. Okay. Did Mr. Sowin tell you that he</p> <p>9 asked any questions of Mr. Seery?</p> <p>10 A. He asked him why he was selling them.</p> <p>11 Q. And you've given me the entirety of</p> <p>12 the answer as conveyed by Mr. Sowin to you; is</p> <p>13 that right?</p> <p>14 A. Yes.</p> <p>15 Q. Is Mr. Sowin's conversation with</p> <p>16 Mr. Seery about the justification for these</p> <p>17 trades reflected in any document or any e-mail</p> <p>18 anywhere that you can recall?</p> <p>19 A. Not that I recall.</p> <p>20 Q. Did K&L Gates explain their</p> <p>21 understanding of the business rationale of these</p> <p>22 trades in any of the letters that they sent on</p> <p>23 behalf of the funds or any of the advisors?</p> <p>24 A. Not that I'm aware of. I'm not</p> <p>25 aware.</p>	<p style="text-align: right;">Page 59</p> <p>1 J. DONDERO</p> <p>2 Q. Do you know Dustin Norris?</p> <p>3 A. Yes.</p> <p>4 Q. Do you know that he testified in</p> <p>5 December in connection with this bankruptcy</p> <p>6 matter?</p> <p>7 A. Yes.</p> <p>8 Q. Did you ever tell Dustin Norris about</p> <p>9 the conversation Mr. Sowin had with Mr. Seery</p> <p>10 that you've described here?</p> <p>11 A. I believe he was aware of it.</p> <p>12 Q. Do you know – did you talk to him in</p> <p>13 advance of his testimony?</p> <p>14 A. I talk to Dustin most every day.</p> <p>15 Q. And did you tell Dustin that he</p> <p>16 should make sure to alert the Court about this</p> <p>17 conversation with Mr. Sowin and Mr. Seery?</p> <p>18 A. No.</p> <p>19 Q. Did you think it was important that</p> <p>20 the Court know Mr. Seery's business rationale?</p> <p>21 A. I thought it was a nonsensical answer</p> <p>22 on Seery's part. I didn't have an opinion on</p> <p>23 whether or not the Court should know.</p> <p>24 Q. Now, you – at the time, you were</p> <p>25 speaking to Mr. Seery directly; isn't that right?</p>
<p style="text-align: right;">Page 60</p> <p>1 J. DONDERO</p> <p>2 A. Rarely. I didn't – since the</p> <p>3 injunction or since – rarely. I can't remember</p> <p>4 the last time I've spoken to him. Scott</p> <p>5 Ellington has been the appropriate go-between as</p> <p>6 far as I understand it.</p> <p>7 Q. Okay. Was there anything that</p> <p>8 prevented you in November 2020 from picking up</p> <p>9 the phone to talk to Mr. Seery about his desire</p> <p>10 to effectuate these transactions?</p> <p>11 A. No. The last time I – yeah, I'm</p> <p>12 remembering, the last time I talked to Seery was</p> <p>13 the day after Thanksgiving.</p> <p>14 Q. Okay. Is there anything that you're</p> <p>15 aware of that prevented you from picking up the</p> <p>16 phone and asking Mr. Seery for his business</p> <p>17 justification for these trades prior to</p> <p>18 December 10, 2020?</p> <p>19 MR. BONDS: Objection, form.</p> <p>20 A. No. I expressed my disapproval via</p> <p>21 e-mail.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Okay. Why did you decide to write to</p> <p>24 Mr. Surgent on November 27th?</p> <p>25 A. I wasn't sure he was aware of Seery's</p>	<p style="text-align: right;">Page 61</p> <p>1 J. DONDERO</p> <p>2 work-around, and I know Thomas has an acute</p> <p>3 awareness of his personal liability for</p> <p>4 regulatory breaches or doing things that aren't</p> <p>5 in the best interests of investors, and I don't</p> <p>6 believe he has the extra insurance and</p> <p>7 indemnities that Seery has.</p> <p>8 Q. If he was acutely aware of it, why</p> <p>9 did you feel the need to remind him of that in</p> <p>10 your e-mail to him?</p> <p>11 A. Because I don't think he was aware</p> <p>12 that Seery was doing a work-around on behalf of</p> <p>13 the debtor that he was compliance officer of. I</p> <p>14 wasn't convinced he was aware, so I included him</p> <p>15 on the e-mail.</p> <p>16 Q. Did you intend to suggest that by</p> <p>17 following Mr. Seery's orders to execute the</p> <p>18 trades, that Mr. Surgent faced personal</p> <p>19 liability?</p> <p>20 A. That's the way it works.</p> <p>21 Q. Okay. And you wanted him to know</p> <p>22 that, right?</p> <p>23 A. I wanted him to know that Seery was</p> <p>24 doing inappropriate trades and doing</p> <p>25 inappropriate work-around, in my opinion. I</p>

<p>Page 62</p> <p>1 J. DONDERO</p> <p>2 didn't think Thomas was aware. I thought Seery</p> <p>3 was operating independently.</p> <p>4 Thomas might have been aware, but I</p> <p>5 didn't think so. I don't talk to – I haven't</p> <p>6 talked to Thomas in I don't know when, so I</p> <p>7 thought it was important for him to know.</p> <p>8 Q. Okay. You have communicated with</p> <p>9 Mr. Seery from time to time via text message,</p> <p>10 right?</p> <p>11 A. Yes.</p> <p>12 MR. MORRIS: Can we put up Exhibit 4,</p> <p>13 please.</p> <p>14 (Dondero Deposition Exhibit 4</p> <p>15 marked.)</p> <p>16 MR. MORRIS: And if we can scroll</p> <p>17 down a little bit. Okay.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. This is a text that you sent at the</p> <p>20 bottom there at 5:26 p.m. to Mr. Seery; is that</p> <p>21 right?</p> <p>22 A. Yes.</p> <p>23 Q. Can you just read that text, that</p> <p>24 5:26 out loud?</p> <p>25 A. Be careful what you do, last warning.</p>	<p>Page 63</p> <p>1 J. DONDERO</p> <p>2 Q. Why did you write that?</p> <p>3 A. Because all the reasons we just went</p> <p>4 over. And I think he's violating the Advisers</p> <p>5 Act. He's putting the funds and the debtor at</p> <p>6 risk, in jeopardy of class action lawsuits, and</p> <p>7 he's going against the interests of investors</p> <p>8 that are in transition, and expressed a desire to</p> <p>9 not have their assets sold, especially when</p> <p>10 there's no business reason.</p> <p>11 And for all the reasons articulated</p> <p>12 below – I mean, for all the reasons we just went</p> <p>13 over, and there are a few others I probably</p> <p>14 haven't remembered off the top of my head, but</p> <p>15 it's – I think it's – I think his activities</p> <p>16 regarding the CLOs is incredibly inappropriate,</p> <p>17 unfounded and malicious, and he hadn't sold that</p> <p>18 many securities at that point in time, somewhat</p> <p>19 de minimis amounts, but it was a warning to tell</p> <p>20 him to stop; otherwise, rightfully, the</p> <p>21 beneficial owners would take more significant</p> <p>22 actions, which I think they should and they will.</p> <p>23 Q. What significant action are the</p> <p>24 beneficial owners going to take?</p> <p>25 A. I don't know. But there's a lot more</p>
<p>Page 64</p> <p>1 J. DONDERO</p> <p>2 things that they can push on, like you were</p> <p>3 suggesting earlier, asking earlier in terms of</p> <p>4 self-reporting to the SEC.</p> <p>5 Q. But you haven't done that yet, to the</p> <p>6 best of your knowledge; is that right?</p> <p>7 A. I'm not aware.</p> <p>8 Q. You wrote there that it's the last</p> <p>9 warning.</p> <p>10 Do you see that?</p> <p>11 A. Yes.</p> <p>12 Q. How many other warnings have you</p> <p>13 given Mr. Seery?</p> <p>14 A. All the e-mails we just went over.</p> <p>15 Q. Anything else?</p> <p>16 A. No.</p> <p>17 Q. Okay. You got document requests in</p> <p>18 this – in connection with this matter; isn't</p> <p>19 that right?</p> <p>20 A. Yes.</p> <p>21 MR. MORRIS: Okay. Can we put up</p> <p>22 Exhibit 5, please.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. You know, before we look at that,</p> <p>25 earlier this morning you mentioned – you made a</p>	<p>Page 65</p> <p>1 J. DONDERO</p> <p>2 reference to internal counsel.</p> <p>3 Do you recall that?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. Who were you referring to?</p> <p>6 A. D.C. Sauter.</p> <p>7 Q. And D.C. Sauter is internal counsel</p> <p>8 for who?</p> <p>9 A. I'm sorry, was there a question</p> <p>10 there?</p> <p>11 Q. Yes. I apologize.</p> <p>12 D.C. Sauter is internal counsel for</p> <p>13 who, for which entity?</p> <p>14 A. NexPoint.</p> <p>15 Q. Okay. Were you referring to anybody</p> <p>16 else?</p> <p>17 A. No.</p> <p>18 Q. Okay. You mentioned Scott Ellington</p> <p>19 earlier, right?</p> <p>20 A. Yes.</p> <p>21 Q. And who is Mr. Ellington?</p> <p>22 A. He's general counsel at Highland</p> <p>23 historically. I think his role has been</p> <p>24 redefined as settlement counsel, that's how it</p> <p>25 was described to me, I guess, six, nine months</p>

<p>Page 66</p> <p>1 J. DONDERO</p> <p>2 ago, six months ago.</p> <p>3 Q. Mr. Ellington is employed by the</p> <p>4 debtor, right?</p> <p>5 A. Yes.</p> <p>6 Q. And do you know when he first became</p> <p>7 employed by the debtor?</p> <p>8 A. Over a decade ago.</p> <p>9 Q. Do you know whether Mr. Ellington has</p> <p>10 any employer other than the debtor?</p> <p>11 A. I don't know.</p> <p>12 Q. He never told you that he had an</p> <p>13 employer other than the debtor, did he?</p> <p>14 A. I don't know.</p> <p>15 Q. You know if he told you or not,</p> <p>16 right? Did he ever tell you that?</p> <p>17 A. He never told me he did, no.</p> <p>18 Q. And you have no facts or reason to</p> <p>19 believe, as you sit here right now, that the</p> <p>20 debtor is – withdrawn.</p> <p>21 You have no facts or reason to</p> <p>22 believe right now that Mr. Ellington has any</p> <p>23 employer other than the debtor, correct?</p> <p>24 MR. BONDS: Objection, form.</p> <p>25 A. I'd like to stick with: I don't</p>	<p>Page 67</p> <p>1 J. DONDERO</p> <p>2 know.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. You have no reason to believe that;</p> <p>5 is that fair?</p> <p>6 A. Correct, I don't know.</p> <p>7 Q. Okay. He's not – Mr. Ellington is</p> <p>8 not your personal lawyer, right?</p> <p>9 A. No.</p> <p>10 Q. He's never represented Jim Dondero</p> <p>11 personally; is that right?</p> <p>12 A. No.</p> <p>13 MR. MORRIS: Let's look at the</p> <p>14 document request, please, Exhibit 5.</p> <p>15 (Dondero Deposition Exhibit 5</p> <p>16 marked.)</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. If we could go – let me just ask you</p> <p>19 generally, Mr. Dondero.</p> <p>20 Have you ever seen this document</p> <p>21 before?</p> <p>22 A. No.</p> <p>23 Q. Are you aware that the debtor served</p> <p>24 document requests on the Bonds Ellis firm for</p> <p>25 documents in connection with its motion for a</p>
<p>Page 68</p> <p>1 J. DONDERO</p> <p>2 preliminary injunction?</p> <p>3 A. Yes.</p> <p>4 Q. How did you learn that?</p> <p>5 A. I heard about it from my lawyers.</p> <p>6 Q. Okay. Did you oversee the search for</p> <p>7 responsive documents?</p> <p>8 A. Response – I know we were responsive</p> <p>9 and compliant, but I delegated it to my</p> <p>10 assistants and the employees at Bonds Ellis.</p> <p>11 Q. Which assistants did you delegate</p> <p>12 this to?</p> <p>13 A. Tara Loiben. I think primarily Tara</p> <p>14 Loiben.</p> <p>15 Q. And who is Ms. Loiben?</p> <p>16 A. She's my assistant.</p> <p>17 Q. And who is she –</p> <p>18 A. I'm sorry?</p> <p>19 Q. Who is she employed by?</p> <p>20 A. I – I don't know for sure. I think</p> <p>21 Highland, but I don't know. I don't want to</p> <p>22 speculate.</p> <p>23 Q. What instructions – (audio</p> <p>24 malfunction) –</p> <p>25 (Clarification requested by the</p>	<p>Page 69</p> <p>1 J. DONDERO</p> <p>2 stenographer.)</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. What instructions did you give her in</p> <p>5 order to search for documents?</p> <p>6 A. I didn't – I didn't give her any.</p> <p>7 She worked with that and she had – she has full</p> <p>8 access to my e-mail, and I gave her my phone for</p> <p>9 the better part of a couple days in the office.</p> <p>10 Q. You – until the end of 2020, you had</p> <p>11 an e-mail address with an HCMLP or a Highland</p> <p>12 e-mail address, right?</p> <p>13 A. Yes.</p> <p>14 Q. Have you stopped – has that e-mail</p> <p>15 address ceased to be in use?</p> <p>16 A. I've switched to an e-mail at the</p> <p>17 bank as of – whatever it was, last week or...</p> <p>18 Q. In the year 2020, did you use any</p> <p>19 e-mail address other than the Highland e-mail</p> <p>20 address?</p> <p>21 A. No.</p> <p>22 Q. You don't have a Gmail address or any</p> <p>23 other personal e-mail address?</p> <p>24 A. I have an old Gmail address, but it's</p> <p>25 dormant. I haven't logged on to it in years.</p>

<p>Page 70</p> <p>1 J. DONDERO</p> <p>2 Q. Okay. And you understood that the</p> <p>3 debtor's document request called for the</p> <p>4 production of all text messages that were</p> <p>5 responsive to the requests, right?</p> <p>6 A. Yes.</p> <p>7 Q. Can we just scroll down to the</p> <p>8 requests themselves? Right there.</p> <p>9 Do you see Request No. 3 is for all</p> <p>10 communications between you and any person</p> <p>11 employed by the debtor?</p> <p>12 A. Yes.</p> <p>13 Q. And did you understand that the</p> <p>14 request was limited to the time period of, I</p> <p>15 think, December 10th, 2020 to the end of the</p> <p>16 month?</p> <p>17 A. I didn't read the details of this. I</p> <p>18 didn't get into it. I didn't do the document</p> <p>19 production that I believe was completed and</p> <p>20 responsive. I delegated that.</p> <p>21 Q. Did you review the documents before</p> <p>22 they were produced? Do you know what was</p> <p>23 produced? Withdrawn. Two different questions.</p> <p>24 Did you review the documents for</p> <p>25 completeness before your lawyers delivered them</p>	<p>Page 71</p> <p>1 J. DONDERO</p> <p>2 to my firm?</p> <p>3 A. Only in the most general – when</p> <p>4 she'd print out a stack of them, I'd just thumb</p> <p>5 through the stack of them, and that was it. But</p> <p>6 other than that, no.</p> <p>7 Q. Did you do anything to satisfy</p> <p>8 yourself that you had produced all responsive</p> <p>9 documents?</p> <p>10 A. I trust Tara's work ethic and</p> <p>11 capabilities, and I trust the lawyers at Bonds</p> <p>12 Ellis, so I didn't – I didn't intervene or</p> <p>13 supersede or supervise.</p> <p>14 Q. So you didn't do anything to make</p> <p>15 sure – you didn't do anything personally –</p> <p>16 withdrawn.</p> <p>17 You didn't take any steps personally</p> <p>18 to make sure that all responsive documents had</p> <p>19 been produced, right?</p> <p>20 MR. BONDS: Objection, form.</p> <p>21 A. I wasn't involved personally, but I</p> <p>22 do believe it was responsive and complete.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Until early December, you had a phone</p> <p>25 that was bought and paid for by the debtor,</p>
<p>Page 72</p> <p>1 J. DONDERO</p> <p>2 right?</p> <p>3 A. Yes.</p> <p>4 Q. What happened to that phone?</p> <p>5 A. It was disposed of as part of getting</p> <p>6 a replacement phone in anticipation of</p> <p>7 potentially a transition.</p> <p>8 Q. Who decided to dispose of it?</p> <p>9 A. That's historically what we've done</p> <p>10 with all of our historic phones, when we've</p> <p>11 gotten new phones. I've gotten a new phone, I</p> <p>12 guess, every four or five years, and the old ones</p> <p>13 have always been destroyed.</p> <p>14 Q. Who decided to destroy this –</p> <p>15 withdrawn.</p> <p>16 When you say it was disposed of, what</p> <p>17 does that mean?</p> <p>18 A. As far as I know, it was disposed of</p> <p>19 in the garbage, but I don't know if it was</p> <p>20 recycled or whatever.</p> <p>21 Q. And who decided to throw it in the</p> <p>22 garbage?</p> <p>23 A. We've always – we've always done</p> <p>24 that when we've gotten new phones, versus trading</p> <p>25 them in, for the senior executives.</p>	<p>Page 73</p> <p>1 J. DONDERO</p> <p>2 Q. I appreciate that, but I'm just</p> <p>3 talking about the very specific phone that the</p> <p>4 debtor bought and paid for for your benefit. Who</p> <p>5 made the decision to dispose and throw that phone</p> <p>6 away?</p> <p>7 MR. BONDS: Objection, form.</p> <p>8 A. I – like I said, I understood it to</p> <p>9 be our standard process and protocol. I don't</p> <p>10 know. I can't label anybody with the decision.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Well, who threw it away?</p> <p>13 A. I don't know.</p> <p>14 Q. You don't know if you threw the phone</p> <p>15 away?</p> <p>16 A. No, I – I don't know. No, I don't</p> <p>17 remember throwing it away, but I don't know who</p> <p>18 did.</p> <p>19 Q. Did you have conversations with</p> <p>20 anybody about the decision to throw away the</p> <p>21 phone?</p> <p>22 A. Like I said, it wasn't a decision or</p> <p>23 a new decision. It's been the process, as far as</p> <p>24 I understand it, every time we've upgraded phones</p> <p>25 over the last 30 years.</p>

<p>Page 74</p> <p>1 J. DONDERO</p> <p>2 Q. You just throw it in the garbage?</p> <p>3 You don't try to get a credit for it by returning</p> <p>4 it?</p> <p>5 A. No.</p> <p>6 Q. Okay. Did you ever speak with</p> <p>7 Mr. Ellington about your phone that was bought</p> <p>8 and paid for by the debtor?</p> <p>9 A. I think Ellington's phone and my</p> <p>10 phone and I think – I think right around the</p> <p>11 same time, in anticipation, in case there was a</p> <p>12 transition or in case there was a liquidation</p> <p>13 plan, it was time to move the phone ownership</p> <p>14 away from the estate. The estate wasn't going to</p> <p>15 pay for it anymore anyway in another couple of</p> <p>16 weeks so, I –</p> <p>17 Q. Were you aware –</p> <p>18 A. I'm sorry, what's your question?</p> <p>19 Q. Are you aware that the UCC had asked</p> <p>20 for your text messages before the time that you</p> <p>21 disposed of your phone?</p> <p>22 A. No.</p> <p>23 Q. Nobody ever told you that the UCC</p> <p>24 wanted your phone?</p> <p>25 A. No.</p>	<p>Page 75</p> <p>1 J. DONDERO</p> <p>2 Q. When exactly did you dispose of your</p> <p>3 phone?</p> <p>4 A. On or about when I got my new phone.</p> <p>5 Q. Who at the debtor did you tell that</p> <p>6 you disposed of your phone?</p> <p>7 A. I don't – I don't remember who. Was</p> <p>8 it Jason Rothstein was involved in getting my new</p> <p>9 phone and knew that I was disposing of my old</p> <p>10 phone? I don't know who else knew. But again,</p> <p>11 it was standard procedure.</p> <p>12 Q. Did it ever occur to you to get the</p> <p>13 debtor's consent before doing this?</p> <p>14 MR. BONDS: Objection, form.</p> <p>15 A. No.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Did you have the phone number</p> <p>18 transferred to your personal account?</p> <p>19 A. Yes.</p> <p>20 Q. Did you ever ask the debtor for its</p> <p>21 permission to do that?</p> <p>22 A. No.</p> <p>23 Q. Did you ever give the debtor notice</p> <p>24 that you were doing that?</p> <p>25 A. I didn't believe it was necessary or</p>
<p>Page 76</p> <p>1 J. DONDERO</p> <p>2 appropriate.</p> <p>3 Q. So you wanted it to be a secret?</p> <p>4 MR. BONDS: Objection, form.</p> <p>5 A. No. No, I wouldn't describe it as a</p> <p>6 secret. I would say I didn't think it was</p> <p>7 necessary or appropriate.</p> <p>8 Every executive that's ever left</p> <p>9 Highland has always kept their phone number,</p> <p>10 period. Highland's never said, no, we're keeping</p> <p>11 the phone number, ever, out of the two or 300</p> <p>12 people that have come through Highland. And I</p> <p>13 don't believe most businesses try and retain the</p> <p>14 phone number of employees when they leave. It's</p> <p>15 ludicrous on its surface.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Okay. So let me just make sure that</p> <p>18 I understand this.</p> <p>19 You threw the phone – withdrawn.</p> <p>20 Somebody threw the phone that the</p> <p>21 debtor bought and paid for in the garbage without</p> <p>22 the debtor's knowledge or consent; is that right?</p> <p>23 MR. BONDS: Objection, form.</p> <p>24 A. I'd just repeat my testimony, that</p> <p>25 it's always been our process to destroy old</p>	<p>Page 77</p> <p>1 J. DONDERO</p> <p>2 phones when we get new phones.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. You were no longer an employee of the</p> <p>5 debtor at the time, correct?</p> <p>6 A. At the time? I believe I was an</p> <p>7 employee of the debtor since January.</p> <p>8 Q. Well, you stayed on as an unpaid</p> <p>9 employee until mid October; isn't that right?</p> <p>10 A. Right, but I – but I don't even</p> <p>11 think my phone was paid for by the debtor. I</p> <p>12 think my phone was paid for by shared services by</p> <p>13 NexPoint. I – I don't know what you're – I</p> <p>14 don't know what you're getting at or what</p> <p>15 you're – you're asking me.</p> <p>16 Q. It's not complicated.</p> <p>17 Did you tell the debtor that you</p> <p>18 threw away your phone at any time until this</p> <p>19 deposition?</p> <p>20 A. Did I tell the debtor? Like I said,</p> <p>21 I didn't think it was the debtor's phone. No, I</p> <p>22 did not tell the debtor or get permission. No, I</p> <p>23 did not.</p> <p>24 Q. And did you tell the debtor that you</p> <p>25 were changing the phone number?</p>

<p>Page 78</p> <p>1 J. DONDERO</p> <p>2 A. No.</p> <p>3 Q. And did Mr. Ellington help you change</p> <p>4 the phone number?</p> <p>5 MR. BONDS: Objection, form.</p> <p>6 A. I didn't change the phone number.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. Withdrawn.</p> <p>9 Did Mr. Ellington help you have the</p> <p>10 phone number transitioned to your personal</p> <p>11 account?</p> <p>12 MR. BONDS: Objection, form.</p> <p>13 A. No. No. It was Jason – Jason</p> <p>14 Rothstein handles the technology stuff and the</p> <p>15 phone stuff.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Did Mr. Ellington also change his</p> <p>18 phone number to his own personal account?</p> <p>19 A. My understanding was there was</p> <p>20 numerous senior executives that changed their</p> <p>21 phone in anticipation of being terminated by the</p> <p>22 debtor shortly.</p> <p>23 Q. Who else did it?</p> <p>24 A. I don't know. I thought it was – I</p> <p>25 didn't think it was just Ellington and I. I</p>	<p>Page 79</p> <p>1 J. DONDERO</p> <p>2 thought it was a bunch of senior execs. But –</p> <p>3 Q. What's the basis –</p> <p>4 A. – who cares? Who cares? I didn't</p> <p>5 care. I don't know. I mean –</p> <p>6 Q. I don't care if you care or not. I'm</p> <p>7 asking you questions.</p> <p>8 What is the basis for your statement</p> <p>9 that other people besides you and Mr. Ellington</p> <p>10 changed the phone numbers?</p> <p>11 MR. BONDS: Objection, form.</p> <p>12 A. That was my understanding. That was</p> <p>13 my understanding. But I don't – I don't recall</p> <p>14 specifics. I didn't pay attention.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. What is the basis for the</p> <p>17 understanding? Did somebody tell you that?</p> <p>18 MR. BONDS: Can you repeat the</p> <p>19 question?</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. What is the basis for your</p> <p>22 understanding? Did somebody tell you that</p> <p>23 employees of Highland other than Mr. Ellington</p> <p>24 had changed the phone numbers?</p> <p>25 A. Yes. My understanding was everybody</p>
<p>Page 80</p> <p>1 J. DONDERO</p> <p>2 had to move their phones in the next 30 days or</p> <p>3 next 25 days, based on Seery's termination</p> <p>4 notice.</p> <p>5 Q. Did Jim Seery – withdrawn. I'm</p> <p>6 perfectly fine.</p> <p>7 MR. MORRIS: Can we put up Exhibit 6,</p> <p>8 please.</p> <p>9 (Dondero Deposition Exhibit 6</p> <p>10 marked.)</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. That's Jason Rothstein.</p> <p>13 Do you see that?</p> <p>14 A. Yes.</p> <p>15 Q. He didn't throw the phone in the</p> <p>16 garbage, did he?</p> <p>17 A. I don't know.</p> <p>18 Q. Well, according to the text that he</p> <p>19 sent you on December 10th, he left your own –</p> <p>20 old phone in the drawer of Tara's desk.</p> <p>21 Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. So he didn't think that it was his</p> <p>24 responsibility as of December 10th to throw it in</p> <p>25 the garbage, did he?</p>	<p>Page 81</p> <p>1 J. DONDERO</p> <p>2 A. I don't know.</p> <p>3 Q. He left it in Tara's desk, didn't he?</p> <p>4 A. On December 10th. But I don't know</p> <p>5 what he did on December 11th.</p> <p>6 Q. Did you tell him to do anything?</p> <p>7 A. I don't – all I know is the phone's</p> <p>8 been disposed of. That's all I know.</p> <p>9 Q. Okay. Did you tell Mr. Rothstein to</p> <p>10 take the phone out of Tara's desk and throw it in</p> <p>11 the garbage?</p> <p>12 A. I did not.</p> <p>13 Q. Did you tell Tara to take the phone</p> <p>14 out of her desk and throw it in the garbage?</p> <p>15 A. I did not.</p> <p>16 MR. MORRIS: Okay. Can we put up</p> <p>17 Exhibit 7, please.</p> <p>18 (Dondero Deposition Exhibit 7</p> <p>19 marked.)</p> <p>20 MR. MORRIS: Can we just scroll down</p> <p>21 a little bit.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Is this a text message from you to</p> <p>24 Tara?</p> <p>25 A. Yep.</p>

<p>Page 82</p> <p>1 J. DONDERO</p> <p>2 Q. If we could scroll up just a little</p> <p>3 bit so we can see the date.</p> <p>4 Well, it doesn't have a date, but do</p> <p>5 you recall when you asked Tara to come in to</p> <p>6 work – (audio malfunction) –</p> <p>7 (Clarification requested by the</p> <p>8 stenographer.)</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. – to come in to work on discovery.</p> <p>11 Do you recall when you sent this text message,</p> <p>12 Mr. Dondero?</p> <p>13 A. No.</p> <p>14 Q. Do you know how Tara – withdrawn.</p> <p>15 Did Tara come in to work on discovery</p> <p>16 at any time?</p> <p>17 A. Yes.</p> <p>18 Q. And did you give her any instructions</p> <p>19 on what to do?</p> <p>20 A. Again, just generally.</p> <p>21 Q. What were the general instructions</p> <p>22 that you gave her?</p> <p>23 A. Work with the Bonds Ellis guys.</p> <p>24 Here's the access to my computer and my phone.</p> <p>25 Be complete and be responsive.</p>	<p>Page 83</p> <p>1 J. DONDERO</p> <p>2 Q. Did you ever speak with Mr. Ellington</p> <p>3 about your document production?</p> <p>4 A. No.</p> <p>5 Q. Did Mr. Ellington play any role in</p> <p>6 searching for, reviewing or producing responsive</p> <p>7 documents?</p> <p>8 A. Nope.</p> <p>9 Q. Did you ever speak with Mr. Leventon</p> <p>10 about your document production?</p> <p>11 A. Nope.</p> <p>12 Q. Did Mr. Leventon play any role in</p> <p>13 searching for, reviewing or producing responsive</p> <p>14 documents?</p> <p>15 A. Nope.</p> <p>16 Q. Did you ever speak with anybody</p> <p>17 employed by the debtor, other than Tara, about</p> <p>18 your document production?</p> <p>19 A. Tara's got an assistant, or my other</p> <p>20 assistant that works with Tara, Kelly, would have</p> <p>21 been the only other person.</p> <p>22 She might have been – Tara had to go</p> <p>23 back and see her girls during lunch, so I think</p> <p>24 she used Kelly to do some of the legwork.</p> <p>25 Q. Let's talk about the TRO for a</p>
<p>Page 84</p> <p>1 J. DONDERO</p> <p>2 second.</p> <p>3 MR. MORRIS: Can we put up Exhibit 9,</p> <p>4 please.</p> <p>5 (Dondero Deposition Exhibit 9</p> <p>6 marked.)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. This is the temporary restraining</p> <p>9 order that was signed on December 10th.</p> <p>10 Do you see that?</p> <p>11 If we could scroll down just a little</p> <p>12 bit. Yeah.</p> <p>13 A. Okay.</p> <p>14 Q. You've never seen this document</p> <p>15 before, right?</p> <p>16 A. Yes, I haven't read it.</p> <p>17 Q. And I know I asked you earlier today</p> <p>18 what your understanding was of how this order</p> <p>19 restrained you.</p> <p>20 Do you remember those questions?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. Is there anything, upon</p> <p>23 reflection, that you need to add in order to make</p> <p>24 the record complete as to your understanding of</p> <p>25 the scope of the injunction?</p>	<p>Page 85</p> <p>1 J. DONDERO</p> <p>2 A. Not at this moment.</p> <p>3 MR. MORRIS: Can you put up</p> <p>4 Exhibit 10, please.</p> <p>5 (Dondero Deposition Exhibit 10</p> <p>6 marked.)</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. All right. Have you seen this letter</p> <p>9 before, sir?</p> <p>10 A. No. I mean, not specifically. I</p> <p>11 probably received it, but I haven't read it.</p> <p>12 Q. All right. I just want to go back to</p> <p>13 the phone for a second to see if I can nail this</p> <p>14 down.</p> <p>15 Did you dispose of the phone</p> <p>16 somewhere around December 10th, 2020?</p> <p>17 A. I – I don't know. Probably.</p> <p>18 Q. Well, we just looked at that e-mail,</p> <p>19 right, that was from Mr. Rothstein.</p> <p>20 MR. MORRIS: Can we get that back?</p> <p>21 A. Yes.</p> <p>22 MR. MORRIS: I just want to see what</p> <p>23 the date of that was. Yes. Okay.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. So that's December 10th at 6:25 p.m.,</p>

<p>Page 86</p> <p>1 J. DONDERO</p> <p>2 right?</p> <p>3 A. Yes.</p> <p>4 Q. Okay. So according to Mr. Rothstein,</p> <p>5 as of that date at that time, your phone was in</p> <p>6 Tara's desk, right?</p> <p>7 A. Yes.</p> <p>8 Q. You have no reason to disbelieve</p> <p>9 that, do you?</p> <p>10 MR. BONDS: Can you repeat the</p> <p>11 question? I'm sorry.</p> <p>12 MR. MORRIS: Withdrawn.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. So is it fair to say, then, that the</p> <p>15 phone was disposed of and thrown in the garbage</p> <p>16 sometime after December 10th?</p> <p>17 A. I don't know.</p> <p>18 Q. Well, as of December 10th,</p> <p>19 Mr. Rothstein told you that it was in Tara's</p> <p>20 desk, right?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. So if he -- Jason's not a</p> <p>23 liar, is he?</p> <p>24 A. No.</p> <p>25 Q. Do you have any reason to believe</p>	<p>Page 87</p> <p>1 J. DONDERO</p> <p>2 that the phone was anywhere other than Tara's</p> <p>3 desk at 6:25 p.m. on December 10th?</p> <p>4 A. I don't know.</p> <p>5 Q. You have no reason to believe that</p> <p>6 that statement by Mr. Rothstein is untrue,</p> <p>7 correct?</p> <p>8 A. Correct.</p> <p>9 Q. Do you know how it came to be that</p> <p>10 the phone was disposed of in the manner that</p> <p>11 you've described?</p> <p>12 A. Nope.</p> <p>13 Q. You can't tell me who did it, is that</p> <p>14 right?</p> <p>15 A. Correct.</p> <p>16 Q. And you can't tell me when, after</p> <p>17 December 10th, that happened, right?</p> <p>18 A. Correct.</p> <p>19 Q. Okay. Thank you. Let's go back to,</p> <p>20 I guess, Exhibit 10. If we can just scroll down</p> <p>21 a little bit.</p> <p>22 I understand that you haven't seen</p> <p>23 this document before. Go to the next page,</p> <p>24 please -- no. Yeah, next page.</p> <p>25 Do you see the first full paragraph</p>
<p>Page 88</p> <p>1 J. DONDERO</p> <p>2 there beginning "On December 22nd"?</p> <p>3 A. I'm going to have to get up and read</p> <p>4 that. Just hold on a sec.</p> <p>5 Q. Okay. Take your time.</p> <p>6 A. Yes, I see that.</p> <p>7 Q. Okay. Having read that paragraph, do</p> <p>8 you have any basis to dispute any of the</p> <p>9 statements in that paragraph?</p> <p>10 MR. BONDS: I'm sorry. Can you read</p> <p>11 it again or can you ask your question again?</p> <p>12 MR. MORRIS: Sure. I'd like to know</p> <p>13 if Mr. Dondero has any basis to dispute any</p> <p>14 assertion made in that paragraph.</p> <p>15 A. I disagree with every sentence in</p> <p>16 that paragraph based on my 30 years of experience</p> <p>17 and understanding how to operate a registered</p> <p>18 investment advisor and how to do it in the</p> <p>19 interest of performance, investors and a</p> <p>20 registered investment advisor.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. All right. Let's try this</p> <p>23 differently. I shouldn't have done that.</p> <p>24 The first sentence, do you have any</p> <p>25 basis to disagree with any aspect of the first</p>	<p>Page 89</p> <p>1 J. DONDERO</p> <p>2 sentence of that paragraph? And let me just read</p> <p>3 it aloud, if I may.</p> <p>4 A. That -- all right. What's your</p> <p>5 question?</p> <p>6 Q. Is there anything inaccurate about</p> <p>7 the first sentence?</p> <p>8 A. I believe my instructions in the</p> <p>9 e-mails we went over were to not do the trades.</p> <p>10 You know, that sentence implies not settle the</p> <p>11 trade, which means to not do the trades once they</p> <p>12 were already bona fide. I -- I don't recall that</p> <p>13 ever being my contention.</p> <p>14 I would have preferred they be</p> <p>15 reversed, but my instructions, I believe, in</p> <p>16 everything we went over were to not do the</p> <p>17 trades, stop doing trades that are adverse to the</p> <p>18 interests of investors, but it wasn't regarding</p> <p>19 settling outstanding trades. So I think that</p> <p>20 sentence on its face is in error.</p> <p>21 Q. Okay. So but it's true, then, that</p> <p>22 you instructed employees of NPA and HCMFA on or</p> <p>23 around December 22nd to stop doing the trades of</p> <p>24 Avaya and Sky, correct?</p> <p>25 A. Yes.</p>

<p>Page 90</p> <p>1 J. DONDERO</p> <p>2 Q. Near the closing bell on – we're</p> <p>3 going to go back in time just a couple of days –</p> <p>4 on Friday the 18th, Mr. Sowin informed you that</p> <p>5 Seery wanted to sell these securities, right?</p> <p>6 A. I don't recall that specifically.</p> <p>7 MR. MORRIS: Okay. Can we put up</p> <p>8 Exhibit 11, please.</p> <p>9 (Dondero Deposition Exhibit 11</p> <p>10 marked.)</p> <p>11 MR. MORRIS: Okay. And if we can</p> <p>12 just go down to the bottom of it. Yeah.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. So that e-mail at the bottom, that's</p> <p>15 Mr. Seery's direction to sell Avaya securities</p> <p>16 from the CLOs, right?</p> <p>17 A. I don't know what's happening here.</p> <p>18 I don't know if this is fuzzy or my eyes are</p> <p>19 getting worse, but can we enlarge these a little</p> <p>20 bit, or I'm going to have to get up each time.</p> <p>21 Yeah. This is nutty and vindictive.</p> <p>22 I think everybody realizes that there's no</p> <p>23 liquidity in the markets the three days before</p> <p>24 Thanksgiving and Christmas. There's no urgency</p> <p>25 or reason to sell any of these securities that</p>	<p>Page 91</p> <p>1 J. DONDERO</p> <p>2 couldn't have waited until January or February.</p> <p>3 There's no business purpose in</p> <p>4 selling any of those securities, yet he's pushing</p> <p>5 them through for self-serving or vindictive</p> <p>6 reasons. I – or maybe trying to get more issues</p> <p>7 in front of the judge. I have no idea, but</p> <p>8 this – this stuff makes absolutely no sense and</p> <p>9 no business purpose.</p> <p>10 But I'm sorry, what's your question?</p> <p>11 MR. MORRIS: Okay. I move to strike</p> <p>12 and I'd ask you to listen to my question.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. It's simply that you learned, just</p> <p>15 before the closing bell on Friday, December 18th,</p> <p>16 that Mr. Seery wanted to sell Avaya securities</p> <p>17 out of the CLOs?</p> <p>18 MR. BONDS: Objection, form.</p> <p>19 THE WITNESS: Yeah, hold on. I need</p> <p>20 to interrupt for a second. When you strike</p> <p>21 something, does that mean it doesn't end up in</p> <p>22 the record?</p> <p>23 MR. MORRIS: The judge will decide</p> <p>24 whether or not it does. It's my request that the</p> <p>25 judge strike it from the record. She'll make the</p>
<p>Page 92</p> <p>1 J. DONDERO</p> <p>2 ruling.</p> <p>3 THE WITNESS: Okay. But then my</p> <p>4 lawyer can ask to put it in as my understanding</p> <p>5 of something at the end or something of the</p> <p>6 deposition or...</p> <p>7 MR. MORRIS: I don't want to give you</p> <p>8 legal advice, Mr. Dondero, but yes, that's</p> <p>9 generally how it works.</p> <p>10 THE WITNESS: Okay. Thank you.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. So again, the question is simply</p> <p>13 whether you learned near the closing bell on</p> <p>14 Friday, December 18th, that Mr. Seery wanted to</p> <p>15 sell Avaya shares out of the CLOs?</p> <p>16 MR. BONDS: Objection, form.</p> <p>17 A. It appears so.</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. Okay. And can you just scroll up</p> <p>20 above that, please. And – okay.</p> <p>21 Do you see that Mr. Sowin, in fact,</p> <p>22 forwards this right to you?</p> <p>23 A. Yes.</p> <p>24 Q. And it was on the basis of this that</p> <p>25 you instructed the NPA and HCMFA employees not to</p>	<p>Page 93</p> <p>1 J. DONDERO</p> <p>2 execute these sales?</p> <p>3 A. Yes.</p> <p>4 Q. After the TRO was issued, did you</p> <p>5 ever instruct any employees of NPA or HCMFA not</p> <p>6 to interfere or impede with the debtor's</p> <p>7 management of the CLOs?</p> <p>8 A. No.</p> <p>9 Q. To the best of your knowledge, did</p> <p>10 anyone ever instruct the employees of NPA and</p> <p>11 HCMFA not to interfere or impede with the</p> <p>12 debtor's management of the CLOs?</p> <p>13 A. No.</p> <p>14 Q. Did you ever provide a copy of the</p> <p>15 TRO to any employees of NPA and HCMFA?</p> <p>16 A. I did not.</p> <p>17 Q. Do you know if anybody ever provided</p> <p>18 a copy of the TRO to any of the employees of NPA</p> <p>19 and HCMFA?</p> <p>20 A. I do not know.</p> <p>21 MR. MORRIS: Okay. Can we put up</p> <p>22 Exhibit 12, please.</p> <p>23 (Dondero Deposition Exhibit 12</p> <p>24 marked.)</p> <p>25 ///</p>

<p>Page 94</p> <p>1 J. DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Okay. This is a letter that was sent</p> <p>4 to K&L Gates.</p> <p>5 Do you know who K&L Gates represents</p> <p>6 in connection with this matter?</p> <p>7 A. Some of the retail funds.</p> <p>8 Q. And do they also represent the two</p> <p>9 advisors?</p> <p>10 A. Yes. I believe they're one of –</p> <p>11 yes.</p> <p>12 Q. Attached to this letter, there's an</p> <p>13 Exhibit A, if we can go down, and we'll find a</p> <p>14 letter from K&L Gates there. Okay.</p> <p>15 This is another letter from K&L Gates</p> <p>16 dated December 22nd, 2020. Are you able to see</p> <p>17 that, sir? Can we scroll down a little bit?</p> <p>18 A. Yes. Yes, I can see the letter.</p> <p>19 Q. Okay. Were you aware that this</p> <p>20 letter was sent at the time that it was?</p> <p>21 A. I was aware, yes.</p> <p>22 Q. And these are the same entities,</p> <p>23 except for CLO Holdco, that had filed the prior</p> <p>24 motion that was denied by the Court, right?</p> <p>25 A. I'm sorry, ask that question again.</p>	<p>Page 95</p> <p>1 J. DONDERO</p> <p>2 These were –</p> <p>3 Q. Yeah, let me just do a little</p> <p>4 background.</p> <p>5 A couple of – about a week before</p> <p>6 this letter was sent, the entities represented by</p> <p>7 K&L Gates, except for CLO Holdco, had made a</p> <p>8 motion in the bankruptcy court, right?</p> <p>9 A. Yes.</p> <p>10 Q. They had asked the Court to pause, to</p> <p>11 impose a pause on the debtor from selling any CLO</p> <p>12 assets; is that right?</p> <p>13 A. I don't – I don't know what</p> <p>14 exactly – I don't know the details of what they</p> <p>15 requested.</p> <p>16 Q. Okay. Did you authorize the filing</p> <p>17 of that motion?</p> <p>18 A. Authorize the filing? I</p> <p>19 championed – I pushed and encouraged the chief</p> <p>20 compliance officer and the general counsel to do</p> <p>21 what they believed was right as rigorously as</p> <p>22 possible, and it manifested itself in the letters</p> <p>23 that you're speaking of.</p> <p>24 Q. And you – and you approved of these</p> <p>25 letters, right?</p>
<p>Page 96</p> <p>1 J. DONDERO</p> <p>2 A. I – not directly and not</p> <p>3 specifically, but I encouraged them to do what</p> <p>4 they thought was right.</p> <p>5 Q. Okay. And you were aware that</p> <p>6 letters with the substance contained in them were</p> <p>7 going to be sent – (audio malfunction) –</p> <p>8 (Clarification requested by the</p> <p>9 stenographer.)</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. – to the debtor?</p> <p>12 THE STENOGRAPHER: And the answer</p> <p>13 again, please?</p> <p>14 MR. BONDS: And I objected as to</p> <p>15 form.</p> <p>16 THE STENOGRAPHER: And the answer</p> <p>17 again, please?</p> <p>18 A. I was aware that letters were being</p> <p>19 sent, and I was aware that motions – or a motion</p> <p>20 was being filed.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. This letter was also sent on behalf</p> <p>23 of CLO Holdco, Ltd.</p> <p>24 Do you see that?</p> <p>25 A. Yes.</p>	<p>Page 97</p> <p>1 J. DONDERO</p> <p>2 Q. Are you the direct or indirect</p> <p>3 economic or beneficial owner of CLO Holdco, Ltd.?</p> <p>4 A. No.</p> <p>5 Q. Who is?</p> <p>6 A. I believe the DAF and HarbourVest.</p> <p>7 Q. And who controls the DAF?</p> <p>8 A. Grant Scott.</p> <p>9 Q. Who is the beneficial owner of the</p> <p>10 DAF?</p> <p>11 A. Three char- – three or four</p> <p>12 charitable organizations.</p> <p>13 Q. And who controls CLO Holdco?</p> <p>14 A. I don't know exactly.</p> <p>15 Q. Do you?</p> <p>16 A. No.</p> <p>17 Q. And who are the possibilities?</p> <p>18 A. CLO Holdco, my understanding is it</p> <p>19 was a – it was an investment amalgamation</p> <p>20 between HarbourVest and the DAF, so with the DAF</p> <p>21 having the primary – or the largest ownership</p> <p>22 interest.</p> <p>23 Q. And with that largest ownership</p> <p>24 interest, is the DAF able to control CLO Holdco?</p> <p>25 A. I don't know. Maybe.</p>

<p>Page 98</p> <p>1 J. DONDERO</p> <p>2 Q. You've never asked that question?</p> <p>3 A. Nope.</p> <p>4 Q. Did you ever instruct any of the</p> <p>5 advisors or funds to withdraw this letter?</p> <p>6 MR. BONDS: Objection, form.</p> <p>7 A. No.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. To the best of your knowledge, has</p> <p>10 anyone on behalf of the advisors, the funds or</p> <p>11 CLO Holdco ever instructed K&L Gates to withdraw</p> <p>12 this letter?</p> <p>13 A. Not that I'm aware of.</p> <p>14 Q. Okay. I want to just see if I can</p> <p>15 refresh your recollection a bit.</p> <p>16 When you talked about the DAF and</p> <p>17 HarbourVest, is it possible that you're confusing</p> <p>18 that with HCLOF?</p> <p>19 A. You know, you're right. It could be.</p> <p>20 Maybe it is CLO Holdco – you know what, let me</p> <p>21 just – let me not speculate. But the CLO Holdco</p> <p>22 might just be the DAF, and the combined entity</p> <p>23 might be the level above that. I – I don't know</p> <p>24 exactly. Let me leave it at that.</p> <p>25 Q. Okay. That's fair.</p>	<p>Page 99</p> <p>1 J. DONDERO</p> <p>2 This is the – I think you've</p> <p>3 testified – I'm trying to speed this up a little</p> <p>4 bit, believe it or not – that you supported the</p> <p>5 sending of this particular letter, right? And if</p> <p>6 you need to read more of it, let me know.</p> <p>7 A. No, I – again, the thrust of it, the</p> <p>8 theme of it, the – when you think bad or illegal</p> <p>9 or regulatorily inappropriate stuff has happened,</p> <p>10 what did you do, when you knew it, et cetera.</p> <p>11 And I think the responsibilities of that</p> <p>12 transcend a lot of things, you know.</p> <p>13 Q. But you are aware that these very</p> <p>14 same entities, except for CLO Holdco, had</p> <p>15 advanced the very same arguments to the</p> <p>16 bankruptcy court just six days earlier and their</p> <p>17 motion is denied, right?</p> <p>18 MR. BONDS: Objection, form.</p> <p>19 A. Yes. And with all due respect to the</p> <p>20 Court, it doesn't mean that it was wrong or</p> <p>21 inappropriate to advance the argument.</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Okay. But having advanced the</p> <p>24 argument on December 16th and having had it</p> <p>25 rejected, you support these entities pressing the</p>
<p>Page 100</p> <p>1 J. DONDERO</p> <p>2 same arguments again against the debtor, right?</p> <p>3 A. We try and do what's right.</p> <p>4 MR. MORRIS: Okay. Can we put up</p> <p>5 Exhibit 13, please.</p> <p>6 (Dondero Deposition Exhibit 13</p> <p>7 marked.)</p> <p>8 MR. MORRIS: And if we can go to</p> <p>9 Exhibit A on the back. Thanks.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. This is another letter sent the next</p> <p>12 day, right, on December 23rd, from K&L Gates?</p> <p>13 And we can scroll down further, again.</p> <p>14 Do you recall that there was yet</p> <p>15 another letter sent on the 23rd?</p> <p>16 A. Yeah, I don't recall specifically,</p> <p>17 but...</p> <p>18 Q. Can we scroll down a little bit</p> <p>19 further in this document.</p> <p>20 Do you recall that there came a time</p> <p>21 when K&L Gates, on behalf of the advisors and the</p> <p>22 funds, told the debtor and its counsel that it</p> <p>23 was considering initiating the process for</p> <p>24 removing the debtor as portfolio manager of the</p> <p>25 CLOs?</p>	<p>Page 101</p> <p>1 J. DONDERO</p> <p>2 MR. BONDS: Objection, form.</p> <p>3 A. I believe they – I don't know if</p> <p>4 you're asking me a reservation of rights or</p> <p>5 whatever, but I think they should do everything</p> <p>6 as rigorously as possible to try and protect the</p> <p>7 investors.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Are you aware of any prohibition of</p> <p>10 doing what you're – withdrawn.</p> <p>11 Are you aware that the debtor made an</p> <p>12 offer to assign the CLO management agreements to</p> <p>13 NexPoint back in the beginning of December?</p> <p>14 A. I – I do remember that, and I did</p> <p>15 get a summary of that, and it was untenable in</p> <p>16 terms of what it was wrapped in.</p> <p>17 Q. What was untenable about it?</p> <p>18 A. Off the top of my head, it would give</p> <p>19 Seery releases for bad acts or inappropriate</p> <p>20 trades. It required a reimbursement for, I</p> <p>21 think, a million dollars of Pachulski fees</p> <p>22 relative to this subject, and I think it also</p> <p>23 wanted an up-front payment for the present value</p> <p>24 of the future management fees to be paid to the</p> <p>25 estate.</p>

<p>Page 102</p> <p>1 J. DONDERO</p> <p>2 Q. And who made the decision to reject</p> <p>3 the debtor's offer?</p> <p>4 A. Made a decision to reject the –</p> <p>5 reject the – it wasn't a rejection of the offer</p> <p>6 as much as a disagreement that that is the way</p> <p>7 CLO contracts transfer, that the manager doesn't</p> <p>8 have the right to extort from the next manager</p> <p>9 when the investors want to transfer.</p> <p>10 So there's a facilitation that</p> <p>11 Highland could provide, but Highland is not in a</p> <p>12 position, based on our understanding of the</p> <p>13 market, to demand consideration.</p> <p>14 Q. Okay. Who made the decision to</p> <p>15 reject the offer?</p> <p>16 A. I was involved in that. It wasn't a</p> <p>17 formal rejection, but it was a view that it was</p> <p>18 an inappropriate offer.</p> <p>19 Q. Did anybody decide or suggest that</p> <p>20 maybe we should make an appropriate offer?</p> <p>21 A. Not yet.</p> <p>22 Q. Was there any reason why, for the</p> <p>23 past month, when the debtor has provided an</p> <p>24 opportunity to transfer these CLO management</p> <p>25 contracts, that none of the advisors or anybody</p>	<p>Page 103</p> <p>1 J. DONDERO</p> <p>2 representing them has sought fit to make an</p> <p>3 appropriate counteroffer?</p> <p>4 A. We can get an appropriate</p> <p>5 counteroffer out tomorrow.</p> <p>6 Q. Okay. Is there anything that's</p> <p>7 prevented that over the last month instead of</p> <p>8 writing letters and engaging in this litigation?</p> <p>9 A. The fundamental prerequisites were so</p> <p>10 inappropriate that it dissuaded us from putting a</p> <p>11 normal, commercial, reasonable thing forward.</p> <p>12 But we'll put something commercial, reasonable</p> <p>13 and appropriate through tomorrow, and we'll see</p> <p>14 how far it goes.</p> <p>15 Q. Did you support the sending of this</p> <p>16 particular letter at the time it was sent?</p> <p>17 A. I – generally, yes.</p> <p>18 Q. Okay. Have you authorized any of the</p> <p>19 entities on this letter to initiate the process</p> <p>20 to remove the debtor as the fund manager of any</p> <p>21 CLO?</p> <p>22 MR. BONDS: Objection, form.</p> <p>23 A. That's not my position, and it's not</p> <p>24 without legal considerations regarding what's</p> <p>25 subject to a stay and what's appropriate at this</p>
<p>Page 104</p> <p>1 J. DONDERO</p> <p>2 juncture.</p> <p>3 But – but I believe, subject to</p> <p>4 whatever is legally appropriate, they should and</p> <p>5 they will be moving to replace the manager as</p> <p>6 quickly as possible and holding the manager</p> <p>7 responsible for bad acts prior to transfer.</p> <p>8 BY MR. MORRIS:</p> <p>9 Q. Have you authorized any of the</p> <p>10 parties that are signatory to this letter to</p> <p>11 initiate the process to remove the debtor as the</p> <p>12 fund manager for the CLOs?</p> <p>13 A. I am not that involved. I haven't</p> <p>14 authorized it per se. Again, I'm encouraging the</p> <p>15 executives in charge to do the right thing, given</p> <p>16 the circumstances and what's best for investors,</p> <p>17 especially their retail investors and their</p> <p>18 obligations under the '40 Act.</p> <p>19 Q. You're the president of the two</p> <p>20 advisors, right?</p> <p>21 A. Yes.</p> <p>22 Q. And you're the portfolio manager of</p> <p>23 the funds, right?</p> <p>24 A. Yes.</p> <p>25 Q. Couldn't you give the direction to</p>	<p>Page 105</p> <p>1 J. DONDERO</p> <p>2 take steps to initiate the process to remove the</p> <p>3 debtor?</p> <p>4 MR. BONDS: I'm sorry, can you repeat</p> <p>5 the question?</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Don't you have the power to do that?</p> <p>8 MR. BONDS: I'm sorry. I couldn't</p> <p>9 hear your question.</p> <p>10 MR. MORRIS: Withdrawn.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Did you ever discuss with any – with</p> <p>13 anybody about whether to initiate the process to</p> <p>14 remove the debtor as the portfolio manager of the</p> <p>15 CLOs?</p> <p>16 A. I think it's a logical remedy, and I</p> <p>17 believe the executives, and particularly like the</p> <p>18 executives – the chief compliance officer always</p> <p>19 has personal liability, and I think Jason Post</p> <p>20 knows that, and I think he's pushing as hard as</p> <p>21 he can for the benefit of investors in a</p> <p>22 situation where people are moving against the</p> <p>23 best interests of investors.</p> <p>24 And I encourage him to move as</p> <p>25 aggressively as possible subject to whatever the</p>

<p>Page 106</p> <p>1 J. DONDERO</p> <p>2 limits of bankruptcy court is, but I can't be –</p> <p>3 I've got too many other things to do to be</p> <p>4 directly involved in the details, so I'm not</p> <p>5 involved in the details.</p> <p>6 Q. I see.</p> <p>7 Did you ever instruct the parties</p> <p>8 that are signatory – withdrawn.</p> <p>9 Did you ever instruct K&L Gates to</p> <p>10 withdraw this letter?</p> <p>11 A. No.</p> <p>12 Q. To the best of your knowledge, has</p> <p>13 anybody on behalf of the advisors, the funds or</p> <p>14 CLO Holdco ever instructed K&L Gates to withdraw</p> <p>15 this letter?</p> <p>16 A. No.</p> <p>17 Q. Will you commit that each of the</p> <p>18 entities on whose behalf this letter was sent</p> <p>19 will cease and desist from taking any steps to</p> <p>20 initiate the process to remove the debtor as the</p> <p>21 CLO manager?</p> <p>22 MR. BONDS: Objection, form.</p> <p>23 A. Say that again.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Will you commit on behalf of each of</p>	<p>Page 107</p> <p>1 J. DONDERO</p> <p>2 the funds and the advisors to cease and desist</p> <p>3 from taking any steps to replace the debtor as</p> <p>4 the portfolio manager of the CLOs?</p> <p>5 A. That would be inappropriate. I'm not</p> <p>6 sure it would be illegal, but I think it would be</p> <p>7 a regulatory breach, and I think it would not be</p> <p>8 in the best interest of investors if we were to</p> <p>9 agree to anything like that. I think that's nuts</p> <p>10 and it's nutty to ask that.</p> <p>11 Q. People say that about me all the</p> <p>12 time.</p> <p>13 Did you ever exchange any e-mails or</p> <p>14 texts with any employee of the parties on this</p> <p>15 document, on the issue of whether or how to</p> <p>16 remove the debtor as the CLO's fund manager?</p> <p>17 A. Not that I recall.</p> <p>18 Q. Did you ever discuss with any</p> <p>19 employee of the debtor the topic of removing the</p> <p>20 debtor as the portfolio manager of the CLOs?</p> <p>21 A. Not that I recall.</p> <p>22 MR. MORRIS: Okay. It's 1:35. Can</p> <p>23 we just take a ten-minute break and resume – is</p> <p>24 it 12:35 where you are, Mr. Dondero? We'll</p> <p>25 resume at 1:45 Eastern, 12:45 Central.</p>
<p>Page 108</p> <p>1 J. DONDERO</p> <p>2 THE WITNESS: I'm sorry, I can't hear</p> <p>3 you. We return at what time?</p> <p>4 MR. MORRIS: In ten minutes, at</p> <p>5 12:45.</p> <p>6 MR. BONDS: And I want to say too,</p> <p>7 John, that your notice showed that there was a</p> <p>8 1:30 deposition Central Time of somebody else,</p> <p>9 and we intend – I mean, we planned on that, so</p> <p>10 we're going to need to be through at 1:30.</p> <p>11 MR. MORRIS: Yeah, you can do that if</p> <p>12 you want. You can do that if you want, but the</p> <p>13 record will also reflect that we started at least</p> <p>14 20 minutes late and we took at least a 35-minute</p> <p>15 break for Mr. Dondero. So you leave whenever you</p> <p>16 want, but be guided by that.</p> <p>17 Let's take a break.</p> <p>18 MR. BONDS: Well, I'm telling you</p> <p>19 that if you want to go forward, you can.</p> <p>20 MR. MORRIS: I will. Thank you. I</p> <p>21 appreciate that.</p> <p>22 THE WITNESS: All right. See you</p> <p>23 guys in 10 minutes.</p> <p>24 THE VIDEOGRAPHER: 12:36 p.m.,</p> <p>25 Central Standard Time. We're off the record.</p>	<p>Page 109</p> <p>1 J. DONDERO</p> <p>2 (Recess taken, 12:36 p.m. to</p> <p>3 12:49 p.m. CST)</p> <p>4 THE VIDEOGRAPHER: 12:49 p.m.,</p> <p>5 Central Standard Time. We're back on the record.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. All right. Can you hear me,</p> <p>8 Mr. Dondero?</p> <p>9 A. Yes.</p> <p>10 Q. Is it fair – do you think it's fair</p> <p>11 to say that your personal interests are adverse</p> <p>12 to the debtor's?</p> <p>13 A. No.</p> <p>14 Q. They asked for your resignation back</p> <p>15 in October, right?</p> <p>16 A. Yes.</p> <p>17 Q. And you opposed the debtor's plan on</p> <p>18 file, right?</p> <p>19 A. Yes.</p> <p>20 Q. And you objected to the debtor's</p> <p>21 settlement with ACIS; is that right?</p> <p>22 A. Yes.</p> <p>23 Q. And you're going to object to the</p> <p>24 debtor's settlement with HarbourVest; is that</p> <p>25 right?</p>

<p>Page 110</p> <p>1 J. DONDERO</p> <p>2 MR. BONDS: Objection, form.</p> <p>3 A. I don't know for sure. I believe so.</p> <p>4 I don't know.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. And the debtor commenced an adversary</p> <p>7 proceeding against you; is that right?</p> <p>8 MR. BONDS: Objection, form.</p> <p>9 A. I'm not aware of that in particular.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. The debtor sought and obtained a TRO</p> <p>12 against you; isn't that right?</p> <p>13 A. Oh. Okay, yes.</p> <p>14 Q. And they also started a lawsuit?</p> <p>15 They filed a complaint against you -- is that</p> <p>16 right -- for preliminary and permanent injunctive</p> <p>17 relief?</p> <p>18 A. I'm aware of it, yes.</p> <p>19 Q. And the debtor has removed you from</p> <p>20 its offices, right?</p> <p>21 A. Yes.</p> <p>22 Q. And based on all of that, would you</p> <p>23 agree that your personal interests are adverse to</p> <p>24 the debtor?</p> <p>25 A. No.</p>	<p>Page 111</p> <p>1 J. DONDERO</p> <p>2 Q. Okay. Since the TRO was entered,</p> <p>3 have you ever discussed your litigation strategy</p> <p>4 with Mr. Ellington?</p> <p>5 A. Not -- no. Not that I'm aware of.</p> <p>6 That's not the subject of our conversations.</p> <p>7 He's more of a go-between, and he's more of an</p> <p>8 overall strategist.</p> <p>9 Q. And he's a strategist for your -- you</p> <p>10 know, for the defense and prosecution of your</p> <p>11 personal interests, right?</p> <p>12 A. No.</p> <p>13 Q. No?</p> <p>14 Do you remember that there were</p> <p>15 actually two motions on the calendar on</p> <p>16 December 16th? There was the motion that you</p> <p>17 brought that was called, I guess, the active</p> <p>18 ordinary course transactions motion, and then</p> <p>19 there was the motion brought by the K&L Gates</p> <p>20 firm on behalf of -- (audio malfunction) --</p> <p>21 (Clarification requested by the</p> <p>22 stenographer.)</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. -- the advisors and the funds, where</p> <p>25 they sought the pause of the sale of CLO assets.</p>
<p>Page 112</p> <p>1 J. DONDERO</p> <p>2 Do you remember that those two</p> <p>3 motions were on the calendar a couple of weeks</p> <p>4 ago?</p> <p>5 A. I remember that K&L Gates one. The</p> <p>6 first one, I don't remember.</p> <p>7 Q. Do you remember discussing with</p> <p>8 Mr. Ellington the need for a witness for one of</p> <p>9 those motions?</p> <p>10 A. No. I don't remember the motion.</p> <p>11 Q. Do you remember that Mr. Ellington</p> <p>12 suggested that J.P. Sevilla serve as a witness</p> <p>13 for one of those motions?</p> <p>14 A. I don't remember that.</p> <p>15 MR. MORRIS: Put up Exhibit 15,</p> <p>16 please.</p> <p>17 (Dondero Deposition Exhibit 15</p> <p>18 marked.)</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. If we can go down here, do you see</p> <p>21 that on Saturday, December 12th, Mr. Lynn wrote</p> <p>22 to you and said: It looks like a trial?</p> <p>23 A. Yes.</p> <p>24 Q. Can you scroll up above that, please.</p> <p>25 Keep going. And then Mr. Lynn -- I'm sorry, not</p>	<p>Page 113</p> <p>1 J. DONDERO</p> <p>2 so much.</p> <p>3 And then Mr. Lynn wrote: That said,</p> <p>4 we must have a witness now.</p> <p>5 Do you see that?</p> <p>6 A. Yes.</p> <p>7 Q. Now, go up to the top, and</p> <p>8 Mr. Ellington writes to you and to others: It</p> <p>9 will be J.P. Sevilla. I will tell him that he</p> <p>10 needs to contact you first thing in the morning.</p> <p>11 Have I read that correctly?</p> <p>12 A. Yes.</p> <p>13 Q. Now, this is after the TRO is</p> <p>14 entered, right?</p> <p>15 A. Like I said, I'm not -- I see my name</p> <p>16 on the cc list. I don't have an awareness of</p> <p>17 what this is about, so...</p> <p>18 Q. Okay. Do you know what trial</p> <p>19 Mr. Sevilla was going to testify at?</p> <p>20 A. No.</p> <p>21 Q. You didn't produce --</p> <p>22 A. You can refresh my memory, but I</p> <p>23 don't have a recollection from this.</p> <p>24 Q. To be fair, Mr. Dondero, I don't</p> <p>25 know. This is discovery, and I'm just asking a</p>

<p>Page 114</p> <p>1 J. DONDERO</p> <p>2 question, if you know.</p> <p>3 A. Okay.</p> <p>4 Q. Do you recall if you produced this</p> <p>5 e-mail in discovery?</p> <p>6 A. I have no idea.</p> <p>7 Q. Do you recall looking to</p> <p>8 Mr. Ellington for leadership in helping to</p> <p>9 coordinate all the lawyers acting on your behalf</p> <p>10 and on behalf of the entities owned and</p> <p>11 controlled by you?</p> <p>12 A. I know I needed some coordination,</p> <p>13 but I think I went in a different direction, and</p> <p>14 that's why I brought on Douglas Draper, and he's</p> <p>15 been functioning in that role of joint defense</p> <p>16 and coordination.</p> <p>17 Q. But you did tell Mr. Ellington, after</p> <p>18 the TRO was entered, that you needed him to</p> <p>19 provide leadership with respect to the</p> <p>20 coordination of your litigation interests, right?</p> <p>21 A. I – I don't – I don't remember.</p> <p>22 Like I said, I ended up going in a different</p> <p>23 direction, but I – I don't – I don't know as</p> <p>24 far as your question is concerned.</p> <p>25 MR. MORRIS: Okay. Can we put up</p>	<p>Page 115</p> <p>1 J. DONDERO</p> <p>2 Exhibit 16, please.</p> <p>3 (Dondero Deposition Exhibit 16</p> <p>4 marked.)</p> <p>5 MR. MORRIS: Scroll down to the</p> <p>6 bottom. Not that far. Right there.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. So this is an e-mail from Mr. Draper</p> <p>9 to you on December 16th.</p> <p>10 Do you see that?</p> <p>11 A. Yes.</p> <p>12 MR. BONDS: I'm going to object.</p> <p>13 Mr. Draper is a lawyer.</p> <p>14 MR. MORRIS: He is. I understand</p> <p>15 that.</p> <p>16 MR. BONDS: Anything that was</p> <p>17 produced that relates to Douglas Draper and Mike</p> <p>18 Lynn and Jim Dondero is attorney-client</p> <p>19 privileged.</p> <p>20 MR. MORRIS: You're entitled to make</p> <p>21 that assertion, but if we just look at the top so</p> <p>22 we can clear this up. All the way to the top.</p> <p>23 Mr. Dondero forwards this to Mr. Ellington.</p> <p>24 Mr. Ellington is not Mr. Dondero's personal</p> <p>25 lawyer. He is the lawyer for the debtor, and</p>
<p>Page 116</p> <p>1 J. DONDERO</p> <p>2 your firm doesn't represent any business</p> <p>3 interest, so there's no claim that this is</p> <p>4 somehow provided pursuant to a shared services</p> <p>5 agreement. Unless you can tell me that there's a</p> <p>6 common – (audio malfunction) –</p> <p>7 (Clarification requested by the</p> <p>8 stenographer.)</p> <p>9 MR. MORRIS: – a common interest</p> <p>10 between Mr. Ellington and Mr. Dondero,</p> <p>11 Mr. Dondero has waived the privilege. State your</p> <p>12 position, and I'm happy to state mine, but I need</p> <p>13 to ask questions.</p> <p>14 Can we go back down to the bottom,</p> <p>15 please. All right.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. So on December 16th, Mr. Draper is</p> <p>18 looking to get a joint meeting together, right?</p> <p>19 Do you remember that?</p> <p>20 A. I'm sorry, what's the question?</p> <p>21 Q. Do you recall that on or around</p> <p>22 December 16th, Mr. Draper was looking to get a</p> <p>23 joint meeting among all the lawyers representing</p> <p>24 you and your business interests as well as the</p> <p>25 employees for Highland?</p>	<p>Page 117</p> <p>1 J. DONDERO</p> <p>2 A. What I do know is Douglas Draper has</p> <p>3 put together a mutual defense agreement, and I</p> <p>4 think the 16th is right about when he came on</p> <p>5 board. He had to reach out and get people's</p> <p>6 e-mails and contact information and be able to</p> <p>7 coordinate it.</p> <p>8 But he's now fully engaged and fully</p> <p>9 functional in that role. Ellington is not</p> <p>10 involved in that role at all. Can you – but I</p> <p>11 don't know exact time frames or exactly who said</p> <p>12 what to who when, but go ahead, ask me whatever</p> <p>13 you want.</p> <p>14 Q. You mentioned a mutual defense</p> <p>15 agreement. Do I have that right?</p> <p>16 MR. BONDS: Objection –</p> <p>17 A. I don't know what – I don't know</p> <p>18 what the legal term is.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Okay. But there's a joint –</p> <p>21 MR. BONDS: Don't talk about that,</p> <p>22 Jim.</p> <p>23 MR. MORRIS: Okay.</p> <p>24 BY MR. MORRIS:</p> <p>25 Q. Let me ask you this: Did Scott</p>

<p>Page 118</p> <p>1 J. DONDERO</p> <p>2 Ellington participate in the drafting of the</p> <p>3 joint interest or mutual defense agreement?</p> <p>4 A. No.</p> <p>5 Q. Did Isaac Leventon participate in the</p> <p>6 drafting of a joint defense or mutual defense</p> <p>7 agreement?</p> <p>8 A. No.</p> <p>9 Q. Did you ever discuss with either of</p> <p>10 them the topic of a joint defense or a mutual</p> <p>11 defense agreement?</p> <p>12 A. That was entirely with Draper.</p> <p>13 Q. Okay. Let's scroll up the page a</p> <p>14 little bit. There's a response from Mr. Lynn.</p> <p>15 Do you see that?</p> <p>16 A. Yes.</p> <p>17 Q. And then if we scroll up a little</p> <p>18 further, you forward it to Mr. Ellington, right?</p> <p>19 If we can go to the –</p> <p>20 A. Yes.</p> <p>21 Q. And you said: I'm going to need you</p> <p>22 to provide leadership here.</p> <p>23 Have I read that correctly?</p> <p>24 A. Yes.</p> <p>25 Q. Why did you send this e-mail string</p>	<p>Page 119</p> <p>1 J. DONDERO</p> <p>2 to Mr. Ellington on December 16th?</p> <p>3 A. I don't remember.</p> <p>4 Q. What leadership were you looking for?</p> <p>5 A. I can't piece it together from here.</p> <p>6 I don't remember. I can't piece it together from</p> <p>7 the e-mail, and I don't remember.</p> <p>8 Q. Why did you need Mr. Ellington to</p> <p>9 provide leadership?</p> <p>10 A. I don't know.</p> <p>11 Q. Does –</p> <p>12 A. I don't remember.</p> <p>13 Q. Okay. Does looking at the topic, a</p> <p>14 list for a joint meeting, refresh your</p> <p>15 recollection that you wanted Mr. Ellington to</p> <p>16 coordinate all of the lawyers working on your</p> <p>17 behalf and on behalf of the entities in which you</p> <p>18 own an interest?</p> <p>19 A. No. I mean, because that was the</p> <p>20 beginning of the string, but the middle of the</p> <p>21 string starts going in different directions. I</p> <p>22 can't say – I can't say what I wanted him to</p> <p>23 have leadership with.</p> <p>24 Q. Can you think of any – any issue at</p> <p>25 all, looking at this e-mail string, as to what he</p>
<p>Page 120</p> <p>1 J. DONDERO</p> <p>2 would be providing leadership for if it's not to</p> <p>3 coordinate your defense counsel?</p> <p>4 A. I don't want to speculate, but</p> <p>5 again – I don't want to speculate, but again,</p> <p>6 the middle of the string looks like it goes in</p> <p>7 different directions than just forming the mutual</p> <p>8 defense thing.</p> <p>9 Q. Okay. So you have no recollection</p> <p>10 why you forwarded this e-mail to Mr. Ellington on</p> <p>11 December 16th and why you told him that you need</p> <p>12 him to provide leadership here; is that your</p> <p>13 testimony?</p> <p>14 A. Correct.</p> <p>15 Q. Is Mr. Ellington a party to any joint</p> <p>16 defense or mutual defense agreement that you're a</p> <p>17 party to?</p> <p>18 A. I believe the employees' counsel is</p> <p>19 part of the working group, although I've been on</p> <p>20 calls when the employees' counsel has been on and</p> <p>21 when it hasn't. But I don't even – I think the</p> <p>22 employee group is divided into a couple different</p> <p>23 groups, and I don't know if Ellington is part of</p> <p>24 both groups.</p> <p>25 But I – Ellington individually is</p>	<p>Page 121</p> <p>1 J. DONDERO</p> <p>2 not part of the working group, and I'm not sure</p> <p>3 which, if one or both, of the employee groups</p> <p>4 he's in.</p> <p>5 Q. So there's two employee groups; is</p> <p>6 that right?</p> <p>7 A. I'm beyond my involvement and</p> <p>8 expertise, but I thought there were two employee</p> <p>9 groups, but I don't even know that for sure.</p> <p>10 Q. And has your counsel conferred with</p> <p>11 counsel for either or both of the employee</p> <p>12 groups?</p> <p>13 MR. BONDS: I'm sorry, can you repeat</p> <p>14 the question?</p> <p>15 MR. MORRIS: Yes.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Has your counsel at Bonds Ellis</p> <p>18 conferred with counsel for either or both of the</p> <p>19 employee groups?</p> <p>20 A. I don't know.</p> <p>21 MR. MORRIS: John, I would call for</p> <p>22 the immediate production of any –</p> <p>23 MR. BONDS: I don't think we have it,</p> <p>24 but I can check on that.</p> <p>25 MR. MORRIS: I would call for the</p>

<p>Page 122</p> <p>1 J. DONDERO</p> <p>2 immediate production of any joint defense or</p> <p>3 mutual defense agreement to which any debtor</p> <p>4 employee is a party –</p> <p>5 MR. BONDS: I don't think that there</p> <p>6 are any.</p> <p>7 MR. MORRIS: And I would call for any</p> <p>8 drafts, okay?</p> <p>9 MR. BONDS: Again, I don't think</p> <p>10 there are any.</p> <p>11 MR. MORRIS: Okay. You can give me</p> <p>12 that representation.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Let's look at the top, at</p> <p>15 Mr. Ellington's response. And what did he tell</p> <p>16 you in response to your statement that you need</p> <p>17 him to provide leadership?</p> <p>18 A. You mean the two words there?</p> <p>19 Q. Yep.</p> <p>20 A. It looks like he typed back: On it.</p> <p>21 Q. Yeah.</p> <p>22 Did Mr. Ellington subsequently</p> <p>23 provide leadership, as you had asked?</p> <p>24 A. I don't remember. Nothing I can</p> <p>25 recall.</p>	<p>Page 123</p> <p>1 J. DONDERO</p> <p>2 Q. Did Mr. Ellington ever participate in</p> <p>3 any conference calls with your counsel at Bonds</p> <p>4 Ellis?</p> <p>5 A. Not that – not that I recall.</p> <p>6 Ellington's time has been spent primarily, the</p> <p>7 vast majority, representing and working with the</p> <p>8 employee group. I know that. It's been</p> <p>9 difficult to get his attention on anything else</p> <p>10 so –</p> <p>11 Q. Listen carefully to my question. I'm</p> <p>12 not asking you to tell me what Mr. Ellington</p> <p>13 does. I'm simply asking whether you know that</p> <p>14 Mr. Ellington has participated in conference</p> <p>15 calls with your counsel at Bonds Ellis at any</p> <p>16 time after December 10th.</p> <p>17 A. I don't know.</p> <p>18 Q. Did you ever participate in any calls</p> <p>19 with Mr. Ellington and any lawyer at Bonds Ellis?</p> <p>20 A. Over the year, for sure. There have</p> <p>21 been – earlier in the year there were several</p> <p>22 times, but I can't recall one recently.</p> <p>23 Q. So you have no recollection of ever</p> <p>24 participating in a phone call with Mr. Ellington</p> <p>25 and any lawyer at Bonds Ellis at any time since</p>
<p>Page 124</p> <p>1 J. DONDERO</p> <p>2 December 10th; is that your testimony?</p> <p>3 A. I – I can't recall. I'm willing to</p> <p>4 be refreshed. I can't recall. There were –</p> <p>5 there were – some of the calls that stick out in</p> <p>6 my mind I believe occurred prior to that date, so</p> <p>7 I can't – I can't recall any post that date.</p> <p>8 Q. Okay. You didn't produce this e-mail</p> <p>9 in response to the Court's order, did you?</p> <p>10 A. I don't know.</p> <p>11 Q. And that's because you didn't take</p> <p>12 the time to look at the production before it was</p> <p>13 delivered to my firm, right?</p> <p>14 A. I – I believe the – yeah, I mean,</p> <p>15 it's a process I don't – I don't get directly</p> <p>16 involved in. Counsel has to decide what's</p> <p>17 responsive, what's privileged, what's complete,</p> <p>18 what's appropriate. That's not my job.</p> <p>19 Q. Are you aware that any documents for</p> <p>20 which a privilege was asserted were supposed to</p> <p>21 be delivered to the Court last December 31st?</p> <p>22 A. I'm not saying that's what – I have</p> <p>23 no idea whether we produced this or didn't</p> <p>24 produce it. And if we didn't, I don't know why.</p> <p>25 Q. Do you know that the UCC has asked</p>	<p>Page 125</p> <p>1 J. DONDERO</p> <p>2 for the financial statements for Dugaboy and Get</p> <p>3 Good?</p> <p>4 MR. BONDS: Objection, you're going</p> <p>5 far afield from where we're – this TRO.</p> <p>6 MR. MORRIS: You can take that</p> <p>7 position if you want, but I assure you, when I'm</p> <p>8 done, you'll understand.</p> <p>9 MR. BONDS: I'm going to instruct the</p> <p>10 witness not to answer the question.</p> <p>11 MR. MORRIS: You're not going to let</p> <p>12 him answer as to whether or not the UCC wanted</p> <p>13 the Dugaboy and Get Good financial statements?</p> <p>14 MR. BONDS: I can't hear you.</p> <p>15 MR. MORRIS: Yeah, I apologize.</p> <p>16 It's – it's not me, John. Let me just ask</p> <p>17 again. Are you – you're going to instruct your</p> <p>18 witness not to answer the question of whether he</p> <p>19 knew that the UCC wanted the Dugaboy and Get Good</p> <p>20 financial statements?</p> <p>21 MR. BONDS: I'll let you go one –</p> <p>22 you can ask that one question. But anything</p> <p>23 further into Dugaboy is not something that is for</p> <p>24 the Court to determine at this point in this</p> <p>25 case.</p>

<p style="text-align: right;">Page 126</p> <p>1 J. DONDERO</p> <p>2 MR. MORRIS: Okay.</p> <p>3 So you can answer that question, sir.</p> <p>4 A. I think there have been several times</p> <p>5 over the last year that Dugaboy financials have</p> <p>6 been requested by a variety of entities. I don't</p> <p>7 know when or recently or if the UCC requested it</p> <p>8 recently.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. You know a number of different</p> <p>11 parties have asked for the Dugaboy and Get Good</p> <p>12 financial statements; is that right?</p> <p>13 MR. BONDS: I'm going to object to</p> <p>14 any answer that you may give following up on</p> <p>15 Dugaboy. Dugaboy is not subject to the TRO and</p> <p>16 you're stuck with your adversary proceeding.</p> <p>17 MR. MORRIS: John, there is a text</p> <p>18 message that we're going to get to in a moment,</p> <p>19 so I'll end the suspense. Mr. Dondero</p> <p>20 specifically says: Don't produce the Dugaboy</p> <p>21 financial statements without a subpoena. Those</p> <p>22 documents were in the debtor's possession. I</p> <p>23 will tell you that I personally made at least a</p> <p>24 half a dozen requests of Mr. Ellington and</p> <p>25 Mr. Leventon for those documents.</p>	<p style="text-align: right;">Page 127</p> <p>1 J. DONDERO</p> <p>2 I will tell you that Jim Seery</p> <p>3 instructed them to provide those documents</p> <p>4 because they're in the debtor's possession,</p> <p>5 custody and control.</p> <p>6 I will tell you that there's no</p> <p>7 shared services agreement between Dugaboy or Get</p> <p>8 Good and the debtor, and there is no basis for</p> <p>9 those – for Mr. Ellington and Mr. Leventon to</p> <p>10 have obstructed the debtor's obligation to</p> <p>11 provide those documents except in Mr. Dondero's</p> <p>12 hands.</p> <p>13 MR. BONDS: I'm going to instruct the</p> <p>14 witness not to answer the question.</p> <p>15 MR. MORRIS: I think that might be a</p> <p>16 good idea. On what basis?</p> <p>17 MR. BONDS: I don't need to give a</p> <p>18 basis. I think that you've gone far, far from</p> <p>19 what we're here on today, which is –</p> <p>20 MR. MORRIS: I believe that it's –</p> <p>21 MR. BONDS: – specifically –</p> <p>22 MR. MORRIS: I'm sorry to interrupt.</p> <p>23 Go ahead, John.</p> <p>24 MR. BONDS: Specifically, it's the</p> <p>25 TRO and the injunction.</p>
<p style="text-align: right;">Page 128</p> <p>1 J. DONDERO</p> <p>2 MR. MORRIS: Correct. And the TRO</p> <p>3 specifically – I know Mr. Dondero doesn't know</p> <p>4 this because he hasn't read the document, but in</p> <p>5 addition to the things that he mentioned, it also</p> <p>6 prevents him from interfering with the debtor's</p> <p>7 business.</p> <p>8 The debtor is a litigant here. The</p> <p>9 debtor has an obligation to provide these</p> <p>10 documents. And he interfered with that</p> <p>11 obligation.</p> <p>12 Let me ask my questions and you can</p> <p>13 direct him not to answer every single time if you</p> <p>14 want, okay?</p> <p>15 MR. BONDS: Okay.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Do you know a woman named Melissa,</p> <p>18 Mr. Dondero?</p> <p>19 A. Yes.</p> <p>20 Q. And who is that?</p> <p>21 A. She's my personal accountant.</p> <p>22 Q. Does she work at the Highland</p> <p>23 offices?</p> <p>24 A. Yes.</p> <p>25 Q. Is she employed by the debtor?</p>	<p style="text-align: right;">Page 129</p> <p>1 J. DONDERO</p> <p>2 A. I believe so.</p> <p>3 Q. Do you know what her title is?</p> <p>4 A. No.</p> <p>5 Q. Do you directly or indirectly</p> <p>6 control – withdrawn.</p> <p>7 Do you directly or indirectly own</p> <p>8 Dugaboy?</p> <p>9 A. No.</p> <p>10 Q. Who owns Dugaboy?</p> <p>11 MR. BONDS: I'm going to instruct the</p> <p>12 witness not to answer that question.</p> <p>13 MR. MORRIS: Are you going to follow</p> <p>14 your counselor's advice?</p> <p>15 THE WITNESS: Yes.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Who controls Dugaboy?</p> <p>18 MR. BONDS: I'm going to instruct the</p> <p>19 witness not to answer that question, for the</p> <p>20 second time.</p> <p>21 MR. MORRIS: Are you going to</p> <p>22 follow – yeah, we'll do this every time, John,</p> <p>23 just for the record.</p> <p>24 MR. BONDS: That's fine.</p> <p>25 MR. MORRIS: So I apologize. I</p>

<p>Page 130</p> <p>1 J. DONDERO</p> <p>2 appreciate, you know, you do your job, I'll do</p> <p>3 mine.</p> <p>4 Mr. Dondero, are you going to follow</p> <p>5 your counsel's advice?</p> <p>6 THE WITNESS: Yes.</p> <p>7 BY MR. MORRIS:</p> <p>8 Q. To the best of your knowledge,</p> <p>9 Dugaboy does not have a shared services agreement</p> <p>10 with the debtor, correct?</p> <p>11 You can answer, sir.</p> <p>12 THE WITNESS: I'm not answering,</p> <p>13 right? I'm not answering any questions on this</p> <p>14 subject.</p> <p>15 MR. MORRIS: Only if your lawyer</p> <p>16 instructs you to do that, and he hasn't done that</p> <p>17 for this question.</p> <p>18 MR. BONDS: I'm going to instruct the</p> <p>19 witness not to answer the question.</p> <p>20 MR. MORRIS: You're not going to let</p> <p>21 him answer whether Dugaboy has a shared services</p> <p>22 agreement with the debtor?</p> <p>23 MR. BONDS: I think that you're</p> <p>24 entitled to that, so Jim, you can answer that</p> <p>25 question.</p>	<p>Page 131</p> <p>1 J. DONDERO</p> <p>2 A. I – I don't know.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Okay. Are you familiar with an</p> <p>5 entity called Get Good?</p> <p>6 A. Yes.</p> <p>7 Q. Do you directly or indirectly own Get</p> <p>8 Good?</p> <p>9 A. No.</p> <p>10 Q. Do you control, directly or</p> <p>11 indirectly, Get Good?</p> <p>12 A. I don't believe so.</p> <p>13 Q. Who owns Get Good?</p> <p>14 MR. BONDS: I'm going to instruct the</p> <p>15 witness not to answer the question.</p> <p>16 MR. MORRIS: Are you going to follow</p> <p>17 your counselor's advice?</p> <p>18 THE WITNESS: Yes.</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Who controls Get Good?</p> <p>21 MR. BONDS: Instruct the witness not</p> <p>22 to answer the question.</p> <p>23 MR. MORRIS: Are you going to follow</p> <p>24 your counselor's advice, Mr. Dondero?</p> <p>25 THE WITNESS: I'm going to follow his</p>
<p>Page 132</p> <p>1 J. DONDERO</p> <p>2 advice, yes.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. To the best of your knowledge, Get</p> <p>5 Good does not have a shared services agreement</p> <p>6 with the debtor, does it?</p> <p>7 THE WITNESS: Can I answer that or</p> <p>8 not answer that one?</p> <p>9 MR. BONDS: Yes, you can.</p> <p>10 A. I don't know.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Did you ever discuss the request by</p> <p>13 any party to produce the financial statements of</p> <p>14 Get Good and Dugaboy with Scott Ellington?</p> <p>15 MR. BONDS: I'm going to tell you –</p> <p>16 advise you not to answer the question.</p> <p>17 MR. MORRIS: Are you going to follow</p> <p>18 your counselor's advice?</p> <p>19 THE WITNESS: Yes.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Did you ever communicate with</p> <p>22 Mr. Leventon on the subject matter of whether or</p> <p>23 not the financial statements for Get Good and</p> <p>24 Dugaboy needed to be produced by the debtor?</p> <p>25 MR. BONDS: I'm going to advise the</p>	<p>Page 133</p> <p>1 J. DONDERO</p> <p>2 witness not to answer the question.</p> <p>3 MR. MORRIS: Are you going to follow</p> <p>4 your counselor's advice?</p> <p>5 THE WITNESS: Yes.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Did you ever communicate with anybody</p> <p>8 at any time who was employed by the debtor</p> <p>9 regarding the production of the Dugaboy and Get</p> <p>10 Good financial statements?</p> <p>11 MR. BONDS: I'm going to instruct the</p> <p>12 witness not to answer the question.</p> <p>13 MR. MORRIS: Are you going to follow</p> <p>14 your counselor's advice?</p> <p>15 THE WITNESS: Yes.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Melissa is Melissa Schroth, right?</p> <p>18 A. Yes.</p> <p>19 Q. She's an executive accountant</p> <p>20 employed by the debtor, right?</p> <p>21 A. Yes.</p> <p>22 Q. And after December 10th, 2020</p> <p>23 Ms. Schroth told you that a request had been made</p> <p>24 for the production of the Dugaboy financial</p> <p>25 statements, correct?</p>

<p>Page 134</p> <p>1 J. DONDERO</p> <p>2 MR. BONDS: You can answer the</p> <p>3 question.</p> <p>4 A. I don't remember.</p> <p>5 MR. MORRIS: Okay. Can we put up</p> <p>6 Exhibit 17, please.</p> <p>7 (Dondero Deposition Exhibit 17</p> <p>8 marked.)</p> <p>9 MR. MORRIS: Can you scroll down a</p> <p>10 little bit? I'm sorry. Scroll up so we can see</p> <p>11 who this text was sent to.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Is that Melissa Schroth?</p> <p>14 A. Yes.</p> <p>15 Q. And if we scroll back down, do you</p> <p>16 see that you tell Ms. Schroth on December 16th:</p> <p>17 No Dugaboy details without a subpoena?</p> <p>18 A. Yes.</p> <p>19 Q. That's a text that you sent to her on</p> <p>20 December 16th, correct?</p> <p>21 A. I believe so.</p> <p>22 Q. What prompted you to send this text?</p> <p>23 A. I don't know.</p> <p>24 Q. You don't have any recollection as to</p> <p>25 why you would tell Melissa, quote, no Dugaboy</p>	<p>Page 135</p> <p>1 J. DONDERO</p> <p>2 details without a subpoena?</p> <p>3 A. No, but that would – I mean, I stand</p> <p>4 behind that response, but I don't remember why.</p> <p>5 Q. Do you remember who was asking for</p> <p>6 the documents?</p> <p>7 A. Nope.</p> <p>8 Q. Do you remember any discussion with</p> <p>9 any person at any time concerning the production</p> <p>10 of the Dugaboy or Get Good financial statements?</p> <p>11 A. Nope.</p> <p>12 Q. Do you have any objection to the</p> <p>13 debtor producing the Dugaboy and Get Good</p> <p>14 financial statements?</p> <p>15 A. I'm sorry, say that again?</p> <p>16 Q. Would you consent to the debtor's</p> <p>17 production of the Get Good and Dugaboy financial</p> <p>18 statements?</p> <p>19 A. With a subpoena. I stand by that</p> <p>20 statement, yeah.</p> <p>21 Q. Okay. Do you know of any reason why</p> <p>22 Mr. Ellington and Mr. Leventon would have failed</p> <p>23 to respond to Mr. Seery's instruction to produce</p> <p>24 the Dugaboy and Get Good financial statements</p> <p>25 that were requested by the – (audio</p>
<p>Page 136</p> <p>1 J. DONDERO</p> <p>2 malfunction) –</p> <p>3 (Clarification requested by the</p> <p>4 stenographer.)</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. – UCC?</p> <p>7 A. I don't want to speculate.</p> <p>8 Q. Have you heard of the law firm</p> <p>9 Baker & McKenzie?</p> <p>10 A. Yes.</p> <p>11 Q. Does that firm or any lawyer at that</p> <p>12 firm represent you in your individual capacity?</p> <p>13 A. No.</p> <p>14 Q. Does that firm or any lawyer at that</p> <p>15 firm represent any entity in which you have a</p> <p>16 direct or indirect ownership interest?</p> <p>17 A. No. Not that I'm aware of, no.</p> <p>18 Q. I'm sorry, one second.</p> <p>19 Does that firm or any lawyer at that</p> <p>20 firm represent any entity that you directly or</p> <p>21 indirectly control?</p> <p>22 A. Not that I'm aware of.</p> <p>23 Q. Do you recall asking Isaac Leventon</p> <p>24 for the contact information for the – for the</p> <p>25 lawyers at Baker & McKenzie?</p>	<p>Page 137</p> <p>1 J. DONDERO</p> <p>2 A. I – I don't – I don't – it might</p> <p>3 have been for part of the shared defense, mutual</p> <p>4 defense, whatever, agreement, but that's –</p> <p>5 that's the only reason why I would have asked for</p> <p>6 it.</p> <p>7 Q. Okay. What's your understanding as</p> <p>8 to – (audio malfunction) –</p> <p>9 (Clarification requested by the</p> <p>10 stenographer.)</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. – the parties to that mutual defense</p> <p>13 agreement that you just referred to, or shared</p> <p>14 defense?</p> <p>15 A. I – it's what I've testified</p> <p>16 already, Douglas Draper is coordinating it.</p> <p>17 I'm – I'm not sure whether the employees are on</p> <p>18 it or not, and I'm not sure if there's one</p> <p>19 employee group or two employee groups, and I'm</p> <p>20 not sure if one or both of them are part of that</p> <p>21 agreement or not.</p> <p>22 But the – in recent history, my only</p> <p>23 awareness of Baker McKenzie is with regard to</p> <p>24 representing the employees. That's my only</p> <p>25 awareness of that firm.</p>

<p>Page 138</p> <p>1 J. DONDERO</p> <p>2 Q. Have you ever spoken with an attorney</p> <p>3 at Baker McKenzie?</p> <p>4 A. No, I have not.</p> <p>5 MR. MORRIS: Okay. Can you put up</p> <p>6 Exhibit 18, please.</p> <p>7 (Dondero Deposition Exhibit 18</p> <p>8 marked.)</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. That's Mr. Leventon. Do I have that</p> <p>11 right?</p> <p>12 A. Yes.</p> <p>13 Q. And you're communicating with him on</p> <p>14 or around – after December 10th, right?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. And if you could scroll down a</p> <p>17 little bit, right there, on December 22nd, you</p> <p>18 asked Mr. Leventon to send you the Baker &</p> <p>19 McKenzie contact person, right?</p> <p>20 A. Yes.</p> <p>21 Q. And if you scroll down a little bit.</p> <p>22 Did he ever send that to you?</p> <p>23 A. I'm sorry?</p> <p>24 Q. Did he ever send that to you?</p> <p>25 A. I don't know. I don't remember.</p>	<p>Page 139</p> <p>1 J. DONDERO</p> <p>2 Q. Why did you want the Baker & McKenzie</p> <p>3 contact information?</p> <p>4 A. I was trying to help Draper</p> <p>5 coordinate the mutual shared defense agreement.</p> <p>6 Q. And it was your intent and desire to</p> <p>7 have the Baker McKenzie firm participate in that</p> <p>8 agreement, right?</p> <p>9 A. No. I'm not a lawyer. The</p> <p>10 appropriateness of who's in that group under what</p> <p>11 circumstances representing who was a legal</p> <p>12 decision made by Draper.</p> <p>13 Q. So why didn't you just have Draper</p> <p>14 deal with this? Why did you deal with it?</p> <p>15 A. He was scurrying around, moving</p> <p>16 quickly, trying to get contact information for</p> <p>17 potential various different parties. I was just</p> <p>18 helping him get the contact information.</p> <p>19 Q. And you –</p> <p>20 MR. BONDS: I'm going to instruct you</p> <p>21 not to say anything relating to this as far as</p> <p>22 what he and Draper discussed.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. You were aware at the time that you</p> <p>25 asked for the Baker & McKenzie contact</p>
<p>Page 140</p> <p>1 J. DONDERO</p> <p>2 information that Baker & McKenzie was a law firm</p> <p>3 that – that employees were considering retaining</p> <p>4 for their personal interests, right?</p> <p>5 A. I knew they were involved with the</p> <p>6 employees. Whether – whether or when they were</p> <p>7 engaged and by which employee group and – I</p> <p>8 don't have details like that. I never did.</p> <p>9 Q. But the one thing that you did know,</p> <p>10 when you asked for the Baker & McKenzie contact</p> <p>11 information, is that Baker & McKenzie would be</p> <p>12 representing some group of Highland employees,</p> <p>13 correct?</p> <p>14 A. Or they might be. Or they were being</p> <p>15 interviewed at the time. I think they weren't</p> <p>16 formally engaged until later. I don't know these</p> <p>17 details and never did.</p> <p>18 MR. BONDS: I'm going to instruct the</p> <p>19 witness –</p> <p>20 THE WITNESS: I'm sorry, what?</p> <p>21 MR. BONDS: You need to stop.</p> <p>22 THE WITNESS: Okay.</p> <p>23 MR. MORRIS: Why is that? Please</p> <p>24 don't interrupt the witness. Assert the</p> <p>25 privilege if you want, direct him not to answer,</p>	<p>Page 141</p> <p>1 J. DONDERO</p> <p>2 but don't interrupt his answers.</p> <p>3 BY MR. MORRIS:</p> <p>4 Q. Baker McKenzie was ultimately</p> <p>5 retained by some group of the debtor's employees,</p> <p>6 correct?</p> <p>7 A. I believe so.</p> <p>8 Q. Do you know how Baker McKenzie got</p> <p>9 their retainer, their retainer money?</p> <p>10 A. No idea.</p> <p>11 Q. Do you know – are you familiar with</p> <p>12 an entity called Gov Re?</p> <p>13 A. Yes.</p> <p>14 Q. What's Gov Re?</p> <p>15 A. It's a Bermuda-based reinsurance</p> <p>16 company.</p> <p>17 Q. Do you have an ownership interest in</p> <p>18 Gov Re?</p> <p>19 A. I don't know.</p> <p>20 Q. Do any – do any entities in which</p> <p>21 you have an interest have an ownership interest</p> <p>22 in Gov Re?</p> <p>23 A. I don't know.</p> <p>24 Q. Do you know who controls Gov Re?</p> <p>25 A. I don't know.</p>

<p>Page 142</p> <p>1 J. DONDERO</p> <p>2 Q. Do you make any decisions on behalf</p> <p>3 of Gov Re?</p> <p>4 A. Not recently. Not in the last year.</p> <p>5 In prior years, I think I've helped them with</p> <p>6 investments and some strategy, but not recently.</p> <p>7 Q. Do you know whether Gov Re has made</p> <p>8 any payment to Baker & McKenzie in the last</p> <p>9 30 days?</p> <p>10 A. I have no idea.</p> <p>11 Q. Did you ever have a communication</p> <p>12 with anybody at any time in the last 30 days as</p> <p>13 to – (audio malfunction) –</p> <p>14 (Clarification requested by the</p> <p>15 stenographer.)</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. – as to whether Gov Re would pay</p> <p>18 money to Baker & McKenzie on behalf of some of</p> <p>19 the debtor's employees?</p> <p>20 A. Nope. No, I have no idea. I've</p> <p>21 never heard the daisy chain you're connecting.</p> <p>22 I've never heard it before.</p> <p>23 MR. MORRIS: Let's take a break. I</p> <p>24 might be finished. The time now is 2:32, or 1:32</p> <p>25 Central. Let's just come back sharply at 1:45,</p>	<p>Page 143</p> <p>1 J. DONDERO</p> <p>2 or 2:45.</p> <p>3 THE VIDEOGRAPHER: 1:32 p.m. Central</p> <p>4 Standard Time. We're off the record.</p> <p>5 (Recess taken, 1:32 p.m. to</p> <p>6 1:50 p.m. CST)</p> <p>7 THE VIDEOGRAPHER: 1:50 p.m. Central</p> <p>8 Standard Time. We're back on the record.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. I just have a few more minutes here.</p> <p>11 Going back to Gov Re, Mr. Dondero,</p> <p>12 are you on the board of that entity?</p> <p>13 A. I don't know.</p> <p>14 Q. Can you identify any person who sits</p> <p>15 on that board?</p> <p>16 A. No.</p> <p>17 Q. Do you know how many people sit on</p> <p>18 that board?</p> <p>19 A. No.</p> <p>20 Q. Do you have an understanding as to</p> <p>21 who makes decisions as to whether or not Gov Re</p> <p>22 should make – (audio malfunction) –</p> <p>23 (Clarification requested by the</p> <p>24 stenographer.)</p> <p>25 MR. MORRIS: Withdrawn.</p>
<p>Page 144</p> <p>1 J. DONDERO</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Mr. Dondero, do you know who makes</p> <p>4 decisions on behalf of Gov Re as to whether or</p> <p>5 not to make payments on claims?</p> <p>6 A. No.</p> <p>7 Q. Did you ever participate in any</p> <p>8 decisions concerning the payment of claims made</p> <p>9 under a Gov Re policy?</p> <p>10 A. Not in five years. I think I was</p> <p>11 more involved five years ago, but I don't</p> <p>12 remember.</p> <p>13 Q. So you don't know if you sit on the</p> <p>14 board of directors, you don't know who makes</p> <p>15 decisions to pay claims, and you can't identify</p> <p>16 any members of the board; is that right?</p> <p>17 A. Correct.</p> <p>18 Q. Okay. And you don't know if you have</p> <p>19 an indirect or direct ownership interest in</p> <p>20 Gov Re; is that right?</p> <p>21 A. Correct.</p> <p>22 Q. Okay. You've spent some time over</p> <p>23 the last months trying to put together a</p> <p>24 so-called pot plan; is that right?</p> <p>25 A. Yes.</p>	<p>Page 145</p> <p>1 J. DONDERO</p> <p>2 Q. Since December 10th, 2020, have you</p> <p>3 had any communications with any employee of the</p> <p>4 debtor concerning the pot plan?</p> <p>5 A. It's been a struggle to put together</p> <p>6 a pot plan. There's been an intentional block of</p> <p>7 any information, even assets, at Highland, so any</p> <p>8 pot plan is a stab in the dark for me when I put</p> <p>9 it forward, relative to current assets and likely</p> <p>10 outcome.</p> <p>11 But developing the pot plan has been</p> <p>12 something I think that's been applauded by the</p> <p>13 judge; at different times it's been encouraged by</p> <p>14 creditors, you know. But the only people – Dave</p> <p>15 Klos has helped with creating the model so that</p> <p>16 the model makes sense and adds up and is</p> <p>17 distributable. Dave Klos has been the person</p> <p>18 that I've accessed throughout the year regarding</p> <p>19 the pot plan.</p> <p>20 Q. And is it fair to say that you've</p> <p>21 communicated with Mr. Klos about the pot plan</p> <p>22 since December 10th, 2020?</p> <p>23 A. Probably. You know, to the extent</p> <p>24 that the pot plan has come up, been considered or</p> <p>25 distributed, yes.</p>

<p>Page 146</p> <p>1 J. DONDERO</p> <p>2 Q. Okay. Can you identify any other</p> <p>3 employees of the debtor with whom you've</p> <p>4 discussed the pot plan with since December 10th,</p> <p>5 2020?</p> <p>6 A. No.</p> <p>7 Q. Did you discuss it with</p> <p>8 Mr. Waterhouse?</p> <p>9 A. Mr. Waterhouse is Klos' direct</p> <p>10 supervisor. He probably had an awareness of it</p> <p>11 from those conversations. I don't recall. I</p> <p>12 mean, I don't – maybe – I mean, there have</p> <p>13 been, maybe, peripherally, not significant, I</p> <p>14 don't think, since the 16th, but I don't recall.</p> <p>15 Q. Did you ever get any balance sheets</p> <p>16 or financial information about MultiStrat from</p> <p>17 Scott Ellington?</p> <p>18 A. No.</p> <p>19 Q. Did you ever get any financial</p> <p>20 information, including balance sheets, concerning</p> <p>21 MultiStrat, from Isaac Leventon?</p> <p>22 A. No. They – I wouldn't believe that</p> <p>23 those guys would have it. I wouldn't even think</p> <p>24 to ask them for it. It wouldn't be – I don't</p> <p>25 think it's natural for them to have it. But no,</p>	<p>Page 147</p> <p>1 J. DONDERO</p> <p>2 I never did, no.</p> <p>3 MR. MORRIS: Okay. I have no further</p> <p>4 questions, just two points that I'd like to make.</p> <p>5 John, will you agree on behalf of</p> <p>6 Mr. Dondero to have him appear at Friday's</p> <p>7 hearing when the preliminary injunction takes</p> <p>8 place or do I need to serve a subpoena?</p> <p>9 MR. BONDS: No, we haven't made that</p> <p>10 decision yet.</p> <p>11 MR. MORRIS: Okay. Will you accept a</p> <p>12 subpoena on behalf of Mr. Dondero?</p> <p>13 MR. BONDS: Sure.</p> <p>14 MR. MORRIS: Okay. We'll get that</p> <p>15 over to you tomorrow.</p> <p>16 And then lastly, the deposition of</p> <p>17 Andrew Clubok has been adjourned to a date to be</p> <p>18 determined.</p> <p>19 MR. BONDS: Okay.</p> <p>20 MR. MORRIS: Thank you very much,</p> <p>21 all.</p> <p>22 MR. BONDS: Thanks.</p> <p>23 THE VIDEOGRAPHER: 1:56 p.m. –</p> <p>24 1:57 p.m. Central Standard Time. We're off the</p> <p>25 record. This concludes the deposition.</p>

The time is 9:33 a.m. Daylight</p> <p>11 Savings Time. The witness is located in</p> <p>12 Dallas, Texas.)</p> <p>13 JAMES DONDERO,</p> <p>14 having been duly cautioned and sworn to tell</p> <p>15 the truth, the whole truth and nothing but the</p> <p>16 truth, testified as follows:</p> <p>17 (9:33 A.M.)</p> <p>18 EXAMINATION</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Good morning, Mr. Dondero.</p> <p>21 A. Morning.</p> <p>22 Q. It's John Morris, again, from</p> <p>23 Pachulski on behalf of the debtor. We're here</p> <p>24 for your deposition today.</p> <p>25 Do you understand that?</p>

<p style="text-align: right;">Page 108</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. Okay. We've done this a few times,</p> <p>4 so I'm going to kind of cut to the chase; but I</p> <p>5 do want to remind you that we're going to be</p> <p>6 looking at a number of documents today.</p> <p>7 And because of the difficulty</p> <p>8 sometimes of doing this on a Zoom or by video,</p> <p>9 if, at any time, you believe you need to see</p> <p>10 other portions of the document, please let me</p> <p>11 know that. Okay?</p> <p>12 A. Sure.</p> <p>13 Q. Okay.</p> <p>14 MR. MORRIS: Can we put up the first</p> <p>15 exhibit, please?</p> <p>16 (Exhibit 1 introduced.)</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Okay. This is a document that's got</p> <p>19 a title, "Promissory Note." It's dated</p> <p>20 February 2, 2018, and the amount of the note is</p> <p>21 \$3,825,000.</p> <p>22 Do you see that?</p> <p>23 A. Yes.</p> <p>24 MR. MORRIS: Can we just go to the</p> <p>25 signature line, please?</p>	<p style="text-align: right;">Page 109</p> <p>1 Dondero - 5-28-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Is that your signature, sir?</p> <p>4 A. I believe that's my assistant on my</p> <p>5 behalf.</p> <p>6 Q. Did you authorize –</p> <p>7 (Audio distortion.)</p> <p>8 A. I'm sorry?</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. I don't want to step on your words.</p> <p>11 Were you finished with your answer?</p> <p>12 MS. DEITSCH-PEREZ: Yeah. Can</p> <p>13 you – yeah, can you ask it again?</p> <p>14 MR. MORRIS: Sure.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Is that your signature, sir?</p> <p>17 A. Yes, for – yes.</p> <p>18 MR. MORRIS: Can we go back to the</p> <p>19 top of the document?</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. And was this document signed on or</p> <p>22 around February 2, 2018?</p> <p>23 A. Yes.</p> <p>24 Q. Did you receive \$3,825,000 from the</p> <p>25 debtor on or around February 2nd, 2018?</p>
<p style="text-align: right;">Page 110</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. I – I believe so. I don't have</p> <p>3 direct awareness, but I believe so.</p> <p>4 Q. Okay. And did you sign this</p> <p>5 promissory note in exchange for that cash that</p> <p>6 you believe you received?</p> <p>7 A. Yes.</p> <p>8 Q. Okay. Are you familiar with the</p> <p>9 term "demand note"?</p> <p>10 A. Yes.</p> <p>11 Q. Can you describe for me your</p> <p>12 understanding of what a demand note is?</p> <p>13 A. It's a note that's – maturity is</p> <p>14 defined by the term "demand" versus a – a</p> <p>15 stipulated date.</p> <p>16 Q. And if we look down to paragraph 2,</p> <p>17 at the time that you signed this document on</p> <p>18 February 2, 2018, did you understand, based on</p> <p>19 paragraph 2, that you were signing a demand</p> <p>20 note, as you've characterized it?</p> <p>21 A. Yes.</p> <p>22 Q. Okay.</p> <p>23 MR. MORRIS: Can we go back to the</p> <p>24 top of the document?</p> <p>25 BY MR. MORRIS:</p>	<p style="text-align: right;">Page 111</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Is it fair to say that under this</p> <p>3 demand note, you promised to pay Highland</p> <p>4 Capital Management, L.P., the sum of</p> <p>5 \$3,825,000?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. And at the time that you</p> <p>8 signed this document on February 2nd, 2018, did</p> <p>9 you intend to repay to Highland Capital</p> <p>10 Management, L.P., \$3,825,000 plus interest?</p> <p>11 A. Yes.</p> <p>12 Q. And at the time you signed this</p> <p>13 document, did you intend to repay the principal</p> <p>14 amount plus interest upon demand by HCMLP?</p> <p>15 A. Whatever was appropriate to pay,</p> <p>16 what hadn't been paid if it – if it had –</p> <p>17 yeah, if it had – whatever the terms are, the</p> <p>18 terms are.</p> <p>19 Q. Okay. Did you read the promissory</p> <p>20 note before you signed it?</p> <p>21 A. No.</p> <p>22 Q. Is there anything about the</p> <p>23 promissory note today that you don't</p> <p>24 understand?</p> <p>25 A. I haven't looked at it closely. I'm</p>

<p style="text-align: right;">Page 112</p> <p>1 Dondero - 5-28-2021</p> <p>2 aware of it but – you know, but I'm not aware.</p> <p>3 I haven't looked at it closely.</p> <p>4 Q. Well, but you do know that the</p> <p>5 debtor has sued you to collect on this note,</p> <p>6 right?</p> <p>7 A. Yes.</p> <p>8 Q. Okay. And can you identify anything</p> <p>9 in this note today that you don't understand?</p> <p>10 MS. DEITSCH-PEREZ: Object to the</p> <p>11 form.</p> <p>12 A. Again, I don't want to make any</p> <p>13 legal interpretation or analysis of the</p> <p>14 contract.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. And I appreciate that.</p> <p>17 And to be clear, I'm not asking you</p> <p>18 for any legal opinion or any legal analysis.</p> <p>19 I'm asking for facts.</p> <p>20 As a factual matter, as a layperson,</p> <p>21 is there anything about this note today that</p> <p>22 you do not understand?</p> <p>23 MS. DEITSCH-PEREZ: Object, no</p> <p>24 foundation.</p> <p>25 A. And I can't say.</p>	<p style="text-align: right;">Page 113</p> <p>1 Dondero - 5-28-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Okay. You're not aware of anything;</p> <p>4 is that fair?</p> <p>5 MS. DEITSCH-PEREZ: Object, no</p> <p>6 foundation.</p> <p>7 A. No. I'm saying I can't give an</p> <p>8 opinion.</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. All right. I'll try one more time a</p> <p>11 slightly different way.</p> <p>12 Can you identify any language in</p> <p>13 this promissory note that you, as the maker of</p> <p>14 the note and as a layperson, as a matter of</p> <p>15 fact, do not understand?</p> <p>16 MS. DEITSCH-PEREZ: Objection, no</p> <p>17 foundation.</p> <p>18 A. I – I don't have – I haven't</p> <p>19 reviewed it. I don't have a comment.</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. At the time that you signed this,</p> <p>22 did you believe that this note reflected all of</p> <p>23 the terms and conditions with respect to the</p> <p>24 subject matter of the note?</p> <p>25 MS. DEITSCH-PEREZ: Object, no</p>
<p style="text-align: right;">Page 114</p> <p>1 Dondero - 5-28-2021</p> <p>2 foundation.</p> <p>3 A. Yeah, I believe largely at the time,</p> <p>4 yes.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. In fact, if we go to paragraph 8,</p> <p>7 there's – the last sentence is what's commonly</p> <p>8 referred to as an integration clause.</p> <p>9 Do you see that last sentence of</p> <p>10 paragraph 8?</p> <p>11 A. Yes.</p> <p>12 Q. And did you agree with the debtor</p> <p>13 that the terms and provisions of the paragraph</p> <p>14 control and supersede every other provision of</p> <p>15 all other agreements between the payee and the</p> <p>16 maker in conflict herewith?</p> <p>17 A. I see it. I mean, I read it. But</p> <p>18 what's – what's the question?</p> <p>19 Q. Withdrawn. It's okay. It speaks</p> <p>20 for itself.</p> <p>21 You were the CEO of Highland at the</p> <p>22 time that you signed the note, correct?</p> <p>23 A. Yes.</p> <p>24 Q. And you controlled Highland at that</p> <p>25 time; is that fair?</p>	<p style="text-align: right;">Page 115</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. And at the time that you signed the</p> <p>4 note, the Redeemer Committee had not yet</p> <p>5 obtained a judgment against Highland Capital</p> <p>6 Management or anybody else; is that – any</p> <p>7 other Highland entity; is that right?</p> <p>8 A. I – and I don't recall the – the</p> <p>9 timing –</p> <p>10 Q. Okay.</p> <p>11 A. – of their arbitration award or...</p> <p>12 Q. Let me ask you to just go back in</p> <p>13 time, February of 2018. Do you recall having</p> <p>14 any concern in February 2018 that you might</p> <p>15 lose control of Highland?</p> <p>16 A. No, I don't recall.</p> <p>17 Q. While you were the CEO, did</p> <p>18 Highland – withdrawn.</p> <p>19 I'm going to refer to Highland</p> <p>20 Capital Management, L.P., variously today as</p> <p>21 either the debtor, Highland, or HCMLP; is that</p> <p>22 fair?</p> <p>23 MS. DEITSCH-PEREZ: John, I think</p> <p>24 it's a little confusing if you do that. I</p> <p>25 mean, if you could refer to the</p>

<p>Page 116</p> <p>1 Dondero - 5-28-2021</p> <p>2 post-bankruptcy entity as "the debtor" and,</p> <p>3 when you're talking about prebankruptcy,</p> <p>4 call it "Highland" or "HCM"?</p> <p>5 MR. MORRIS: Okay.</p> <p>6 MS. DEITSCH-PEREZ: I – I think</p> <p>7 that would probably be clearer.</p> <p>8 MR. MORRIS: That's fair. I'll try</p> <p>9 and do just that. Thank you very much.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. While you were the CEO of HCMLP, did</p> <p>12 HCMLP, prepare, in the ordinary course of</p> <p>13 business, a document called a "Monthly</p> <p>14 Reporting Package"?</p> <p>15 A. I don't know – I don't know the</p> <p>16 name – I don't know that name in particular,</p> <p>17 but we did do monthly financials, I believe.</p> <p>18 Q. Okay. And did you personally review</p> <p>19 the monthly financials each month that they</p> <p>20 were prepared?</p> <p>21 A. No.</p> <p>22 Q. Do you know who was responsible for</p> <p>23 preparing the monthly financials?</p> <p>24 A. It would have been in accounting. I</p> <p>25 don't know who in accounting.</p>	<p>Page 117</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Was Frank Waterhouse responsible for</p> <p>3 preparing the Monthly Operating Reports?</p> <p>4 A. He was our CFO. So everything,</p> <p>5 ultimately, in accounting reported up through</p> <p>6 him, but I don't know his involvement in that</p> <p>7 report.</p> <p>8 Q. Can you identify any person who was</p> <p>9 responsible for preparing the Monthly Operating</p> <p>10 Reports for HCMLP, while you were the CEO?</p> <p>11 A. No.</p> <p>12 Q. Do you know what the Monthly</p> <p>13 Operating Reports were used for?</p> <p>14 Withdrawn.</p> <p>15 What was the purpose of preparing</p> <p>16 Monthly Operating Reports, if you know?</p> <p>17 A. I don't know.</p> <p>18 Q. Were they delivered to you each</p> <p>19 month, even if you didn't read them?</p> <p>20 A. I don't believe so. Not physically,</p> <p>21 that I can remember. If there was an email, I</p> <p>22 don't remember.</p> <p>23 Q. Did you ever discuss any of the</p> <p>24 Monthly Operating Reports with Mr. Waterhouse?</p> <p>25 A. I can't – I can't recall.</p>
<p>Page 118</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: I mean, do you</p> <p>3 mean the report specifically or Highland's</p> <p>4 financials generally?</p> <p>5 MR. MORRIS: The Monthly Operating</p> <p>6 Reports that we're talking about.</p> <p>7 And I would appreciate it, Deborah,</p> <p>8 if you have an objection, just say "Object</p> <p>9 to the form of the question"; and I'll do</p> <p>10 the best I can to – to try to understand</p> <p>11 what you're saying, but I'd prefer no</p> <p>12 speaking objections.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. Do you recall ever speaking with</p> <p>15 anybody in accounting with respect to any</p> <p>16 Monthly Operating Report that they prepared?</p> <p>17 A. I don't recall.</p> <p>18 Q. Okay.</p> <p>19 MR. MORRIS: Can we put up Exhibit</p> <p>20 Number 2, please?</p> <p>21 (Exhibit 2 introduced.)</p> <p>22 BY MR. MORRIS:</p> <p>23 Q. Looking at the first page, sir, does</p> <p>24 this appear to be what we've been describing as</p> <p>25 a Monthly Operating Report for Highland Capital</p>	<p>Page 119</p> <p>1 Dondero - 5-28-2021</p> <p>2 Management?</p> <p>3 A. It says "Operating Results." I – I</p> <p>4 have no recollection of seeing this cover sheet</p> <p>5 before.</p> <p>6 Q. Okay.</p> <p>7 MR. MORRIS: Can we go to the second</p> <p>8 page, please?</p> <p>9 Stop right there.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. This is the second page of the</p> <p>12 Operating Results for February 2018, and it's</p> <p>13 headed "Significant Items Impacting HCMLP's</p> <p>14 Balance Sheet."</p> <p>15 Do you see that?</p> <p>16 A. Yes.</p> <p>17 Q. Do you know whether the accounting</p> <p>18 department was charged with the responsibility</p> <p>19 of identifying on a monthly basis significant</p> <p>20 items that would impact Highland's balance</p> <p>21 sheet?</p> <p>22 A. I have no particular awareness.</p> <p>23 Q. Okay. Do you see at the bottom</p> <p>24 under the title "Other," it's \$3.8 million and</p> <p>25 it's referred to as "Partner Loan"?</p>

<p style="text-align: right;">Page 120</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. Do you have an understanding that</p> <p>4 that 3.8 million-dollar partner loan refers to</p> <p>5 what we just looked at as Exhibit 1, the</p> <p>6 promissory note?</p> <p>7 MS. DEITSCH-PEREZ: Object, no</p> <p>8 foundation.</p> <p>9 A. I have – I have no particular</p> <p>10 awareness other than the amounts are similar.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. And – and do you know whether</p> <p>13 Highland recorded the promissory note as an</p> <p>14 asset on its balance sheet as of February 2018?</p> <p>15 A. I – I don't know.</p> <p>16 Q. So, you signed a promissory note for</p> <p>17 \$3.8 million in February 2018; and as the CEO,</p> <p>18 you don't know if Highland carried that</p> <p>19 promissory note on its balance sheet. Do I</p> <p>20 have that right?</p> <p>21 A. I'm saying I don't have particular</p> <p>22 knowledge. I – I am a CPA and GAAP accounting</p> <p>23 would suggest that it was, but I don't have –</p> <p>24 I don't have particular knowledge on how it was</p> <p>25 accounted for.</p>	<p style="text-align: right;">Page 121</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Okay. Later in the year, you signed</p> <p>3 two more promissory notes in favor of Highland;</p> <p>4 is that right?</p> <p>5 A. I – I believe so. Yeah.</p> <p>6 MR. MORRIS: Can you put up</p> <p>7 Exhibit 3, please?</p> <p>8 (Exhibit 3 introduced.)</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. And can we go to the signature line?</p> <p>11 (Scrolling.)</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Is that your signature, sir?</p> <p>14 A. Yes.</p> <p>15 MR. MORRIS: Go to the top of the</p> <p>16 page.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Did you sign a promissory note on or</p> <p>19 about August 1st, 2018, in the amount of</p> <p>20 \$2.5 million in favor of Highland?</p> <p>21 A. Yes.</p> <p>22 Q. Did you receive from Highland</p> <p>23 Capital Management, L.P., \$2.5 million on or</p> <p>24 about August 1st, 2018?</p> <p>25 A. I believe so.</p>
<p style="text-align: right;">Page 122</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. And did you, in fact, sign this</p> <p>3 promissory note in exchange for that</p> <p>4 \$2.5 million?</p> <p>5 A. Yes.</p> <p>6 MR. MORRIS: Can we go down to</p> <p>7 paragraph 2, please?</p> <p>8 (Scrolling.)</p> <p>9 BY MR. MORRIS:</p> <p>10 Q. Looking at paragraph 2, would you</p> <p>11 characterize this as a demand note, using the</p> <p>12 understanding that you described earlier today?</p> <p>13 A. Yes.</p> <p>14 Q. And – and this note, like the</p> <p>15 other, because they're demand notes, there's no</p> <p>16 conditions for – for the demand, is that</p> <p>17 right, at least as drafted.</p> <p>18 Withdrawn. That wasn't a great</p> <p>19 question.</p> <p>20 Were these unconditional demand</p> <p>21 notes, these two documents that we've</p> <p>22 looked at?</p> <p>23 A. I – I don't want to make a legal</p> <p>24 interpretation.</p> <p>25 Q. I'm just asking for your</p>	<p style="text-align: right;">Page 123</p> <p>1 Dondero - 5-28-2021</p> <p>2 understanding as the person who signed the</p> <p>3 note. At the time you signed it, at that time,</p> <p>4 did you understand that there were any</p> <p>5 conditions placed on Highland's ability to make</p> <p>6 a demand?</p> <p>7 A. I don't know.</p> <p>8 Q. Okay. Did you understand that under</p> <p>9 these demand notes, that if you defaulted, all</p> <p>10 amounts that were due and payable would</p> <p>11 accelerate?</p> <p>12 MS. DEITSCH-PEREZ: Object to the</p> <p>13 form.</p> <p>14 A. I don't know.</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Did you read this – did you read</p> <p>17 this promissory note before you signed it?</p> <p>18 A. No.</p> <p>19 Q. Do you know whose idea it was to</p> <p>20 give you the principal amount of these notes</p> <p>21 and for you to execute the promissory notes in</p> <p>22 exchange?</p> <p>23 A. I – again, I think it's proper</p> <p>24 accounting consistent with what we've done</p> <p>25 with – we've done historically – or Highland</p>

<p>Page 124</p> <p>1 Dondero - 5-28-2021</p> <p>2 did historically and what Highland did</p> <p>3 historically for other employees.</p> <p>4 Q. Okay. I'm not asking about that.</p> <p>5 I'm asking just about you and the two notes</p> <p>6 that we've looked at so far: Who made the</p> <p>7 decision at the respective moments in time to</p> <p>8 transfer to you the principal amount of the</p> <p>9 notes and for you to execute the notes?</p> <p>10 A. I believe it would have come from</p> <p>11 accounting.</p> <p>12 Q. Who decided – who decided the</p> <p>13 principal amount of the note?</p> <p>14 A. I don't know. It would – I don't</p> <p>15 know.</p> <p>16 Q. Did you ask to borrow money?</p> <p>17 Did you ask the folks in accounting</p> <p>18 for a loan from Highland in the principal</p> <p>19 amount of the notes and request that they</p> <p>20 document it accordingly?</p> <p>21 A. No.</p> <p>22 Q. Who was your assistant at this time?</p> <p>23 A. My accounting assistant at this time</p> <p>24 was Melissa Schroth.</p> <p>25 Q. And was she authorized to sign these</p>	<p>Page 125</p> <p>1 Dondero - 5-28-2021</p> <p>2 notes on your behalf?</p> <p>3 A. I – that – sometimes she signs</p> <p>4 stuff. I don't know on this. I'm – I'm not</p> <p>5 denying that it's a bona fide – signed by me.</p> <p>6 Or if it wasn't signed by me, it was –</p> <p>7 somebody who was authorized signed it on my</p> <p>8 behalf.</p> <p>9 Q. Okay. I appreciate that. Thank</p> <p>10 you.</p> <p>11 Is there anything about –</p> <p>12 withdrawn.</p> <p>13 Was there anything about this</p> <p>14 promissory note that you didn't understand at</p> <p>15 the time that either you signed it or it was</p> <p>16 signed on your behalf?</p> <p>17 MS. DEITSCH-PEREZ: Object, no</p> <p>18 foundation.</p> <p>19 A. Again, I didn't evaluate it</p> <p>20 carefully, and I didn't actually even read it.</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. Okay. As you sit here today, can</p> <p>23 you identify anything in this document that you</p> <p>24 do not understand?</p> <p>25 MS. DEITSCH-PEREZ: Object, no</p>
<p>Page 126</p> <p>1 Dondero - 5-28-2021</p> <p>2 foundation.</p> <p>3 A. I – I don't want to make a legal</p> <p>4 interpretation on a legal document.</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. I appreciate that, but I have no</p> <p>7 ability to ask any follow-up questions. So let</p> <p>8 me ask it just a different way: Is there</p> <p>9 anything about this document that you don't</p> <p>10 understand today?</p> <p>11 MS. DEITSCH-PEREZ: Object, no</p> <p>12 foundation.</p> <p>13 BY MR. MORRIS:</p> <p>14 Q. You can answer.</p> <p>15 A. I don't know.</p> <p>16 Q. Okay. Do you understand that if</p> <p>17 there was something that – that you did not</p> <p>18 understand, you have an obligation to tell me</p> <p>19 that right now?</p> <p>20 MS. DEITSCH-PEREZ: Object, no</p> <p>21 foundation.</p> <p>22 A. I – I – the answer is the same. I</p> <p>23 don't know.</p> <p>24 MR. MORRIS: Can we go to Exhibit</p> <p>25 Number 4, please?</p>	<p>Page 127</p> <p>1 Dondero - 5-28-2021</p> <p>2 (Exhibit 4 introduced.)</p> <p>3 MR. MORRIS: Can we go to the</p> <p>4 signature line when you get there?</p> <p>5 BY MR. MORRIS:</p> <p>6 Q. Is that your signature, sir?</p> <p>7 A. Yes.</p> <p>8 Q. And did you sign this document or –</p> <p>9 or – let me ask two questions first. Did you</p> <p>10 personally sign this document?</p> <p>11 A. And again, it was either me or</p> <p>12 someone with my approval, but that doesn't look</p> <p>13 like my typical signature, but it's close.</p> <p>14 Q. Okay. And whoever signed it had the</p> <p>15 authority from you to sign on your behalf, is</p> <p>16 that fair?</p> <p>17 A. Yes.</p> <p>18 Q. Okay.</p> <p>19 MR. MORRIS: Can we go to the top of</p> <p>20 the page, please?</p> <p>21 BY MR. MORRIS:</p> <p>22 Q. And did you or somebody acting on</p> <p>23 your behalf sign this promissory note on</p> <p>24 August 13, 2018, in the amount of \$2.5 million?</p> <p>25 A. Yes.</p>

<p>Page 128</p> <p>1 Dondero - 5-28-2021</p> <p>2 MR. MORRIS: Can we go to</p> <p>3 paragraph 2, please?</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. Looking at paragraph 2 and the term</p> <p>6 contained therein, would you agree that this is</p> <p>7 a demand note, using the definition that you</p> <p>8 supplied earlier today?</p> <p>9 A. Yes.</p> <p>10 Q. At the time that this note was</p> <p>11 signed on your behalf, did you intend to comply</p> <p>12 with the terms of this note?</p> <p>13 A. Yes.</p> <p>14 Q. At the time that this note was</p> <p>15 signed on your behalf, did you intend to pay</p> <p>16 all unpaid principal and accrued, but unpaid,</p> <p>17 interest upon demand of the payee?</p> <p>18 A. Let me say I – I expected to honor</p> <p>19 the agreement. I don't know if I can answer</p> <p>20 that with regard to that one term.</p> <p>21 Q. Well, I do just want to make sure</p> <p>22 that – withdrawn.</p> <p>23 You understood at the time you</p> <p>24 signed this document, or it was signed on your</p> <p>25 behalf, that it was a demand note, correct?</p>	<p>Page 129</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. That it was structured – no. I</p> <p>3 think what I've testified or tried to testify</p> <p>4 to is that they are demand notes or they're</p> <p>5 written as demand notes. I didn't read them or</p> <p>6 pay attention at the time to the structure of</p> <p>7 the note.</p> <p>8 Q. Okay. And as demand notes, you</p> <p>9 understood that any unpaid principal and</p> <p>10 interest would be due upon demand, correct?</p> <p>11 A. Again, I don't want to make – I</p> <p>12 don't want to make – I don't want to affirm</p> <p>13 that statement. I would say I don't know</p> <p>14 because I don't want to – I don't know the</p> <p>15 rest of the context of the rest of the note and</p> <p>16 how it all interplays.</p> <p>17 Q. All right. Well, I'm happy to –</p> <p>18 to – it's a very short document, so we can</p> <p>19 look at it for as long as you want, but I</p> <p>20 really need to know what – what you, as the</p> <p>21 maker, understood when you signed the note. So</p> <p>22 I'm going to ask a very simple question, and I</p> <p>23 encourage you to – to ask to see whatever</p> <p>24 portions of the document you want, okay?</p> <p>25 When these three notes were signed</p>
<p>Page 130</p> <p>1 Dondero - 5-28-2021</p> <p>2 by you or signed by someone you authorized to</p> <p>3 sign, what did you understand the payment terms</p> <p>4 to be?</p> <p>5 A. I – I didn't. I didn't have an</p> <p>6 understanding at the time.</p> <p>7 Q. So – but – but you would agree</p> <p>8 that your intention was to comply with the</p> <p>9 terms of the note; is that fair?</p> <p>10 A. In aggregate, yes.</p> <p>11 Q. Okay.</p> <p>12 MR. MORRIS: Go to Exhibit 5,</p> <p>13 please.</p> <p>14 (Exhibit 5 introduced.)</p> <p>15 BY MR. MORRIS:</p> <p>16 Q. Is it your practice to sign</p> <p>17 documents or to have people sign documents on</p> <p>18 your behalf that you haven't read?</p> <p>19 A. Yes.</p> <p>20 Q. This is a document that's entitled</p> <p>21 "Operating Results" for August 2018. Do you</p> <p>22 see that?</p> <p>23 A. Yes.</p> <p>24 MR. MORRIS: And if we could just go</p> <p>25 to the second page.</p>	<p>Page 131</p> <p>1 Dondero - 5-28-2021</p> <p>2 BY MR. MORRIS:</p> <p>3 Q. Do you see under Significant Items</p> <p>4 Impacting Highland's bank – balance sheet for</p> <p>5 August 2018 at the bottom, there's a reference</p> <p>6 to \$5 million in "partner loan." Do you see</p> <p>7 that?</p> <p>8 A. Yes.</p> <p>9 Q. Do you have an understanding as to</p> <p>10 whether or not that refers to the two</p> <p>11 2.5 million-dollar notes that we just looked at</p> <p>12 that were signed in August 2018?</p> <p>13 A. I don't know.</p> <p>14 Q. Do you have any recollection at</p> <p>15 all or – withdrawn.</p> <p>16 Were you personally referred to as a</p> <p>17 partner of Highland in August 2018?</p> <p>18 A. I believe so.</p> <p>19 Q. Are you aware of any partner loans</p> <p>20 that were made by Highland in August 2018 other</p> <p>21 than the two loans that we just looked at?</p> <p>22 A. I don't know.</p> <p>23 Q. You're not aware of any; is that</p> <p>24 fair?</p> <p>25 MS. DEITSCH-PEREZ: Object, no</p>

<p style="text-align: right;">Page 132</p> <p>1 Dondero - 5-28-2021</p> <p>2 foundation.</p> <p>3 A. I don't know.</p> <p>4 BY MR. MORRIS:</p> <p>5 Q. There came a time when the debtor</p> <p>6 made demand on these three notes, right?</p> <p>7 A. I don't know. I believe – I don't</p> <p>8 know specifically, but I believe so.</p> <p>9 MR. MORRIS: Can we put up</p> <p>10 Exhibit 6, please?</p> <p>11 (Exhibit 6 introduced.)</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. Do you see this is a – it's a</p> <p>14 letter dated December 3rd, and it's addressed</p> <p>15 to you.</p> <p>16 And if we scroll down a little bit,</p> <p>17 it's signed by Mr. Seery as the CEO and CRO of</p> <p>18 Highland Capital Management.</p> <p>19 Do you see that?</p> <p>20 A. Yes.</p> <p>21 Q. Do you recall on or around</p> <p>22 December 3rd, 2020, the debtor made a demand</p> <p>23 for all outstanding principal and interest due</p> <p>24 under the three notes that we just looked at?</p> <p>25 A. I – I see the letter. I don't have</p>	<p style="text-align: right;">Page 133</p> <p>1 Dondero - 5-28-2021</p> <p>2 a recollection.</p> <p>3 Q. All right. Do you understand that</p> <p>4 in December 2020, the debtor made a demand for</p> <p>5 payment of all unpaid principal and interest</p> <p>6 under the three notes that we just looked at,</p> <p>7 even if you don't remember this particular</p> <p>8 letter?</p> <p>9 A. I'm sorry. What was – yeah, I</p> <p>10 accept the letter, and I'll accept that it was</p> <p>11 delivered.</p> <p>12 What – what's your question,</p> <p>13 please?</p> <p>14 Q. I'm trying to just get – get your</p> <p>15 understanding.</p> <p>16 And I think you testified that you</p> <p>17 don't recall seeing this letter. Do I have</p> <p>18 that right?</p> <p>19 A. That's correct.</p> <p>20 Q. Okay. So, putting the letter to the</p> <p>21 side, did you become aware in December 2020</p> <p>22 that the debtor had demanded that you pay all</p> <p>23 unpaid principal and interest due under the</p> <p>24 three promissory notes that we just looked at?</p> <p>25 A. Again, just generally.</p>
<p style="text-align: right;">Page 134</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. Did you make any payment to the</p> <p>3 debtor in response to that demand?</p> <p>4 A. No.</p> <p>5 Q. Did you or anybody acting on your</p> <p>6 behalf respond to the debtor's demand in any</p> <p>7 way?</p> <p>8 MS. DEITSCH-PEREZ: Object to the</p> <p>9 form.</p> <p>10 BY MR. MORRIS:</p> <p>11 Q. Withdrawn. That's fair.</p> <p>12 Let me ask a different question.</p> <p>13 Did you or anybody acting on your</p> <p>14 behalf respond to the debtor's demand at any</p> <p>15 time prior to the commencement of this</p> <p>16 adversary proceeding?</p> <p>17 MS. DEITSCH-PEREZ: Object to the</p> <p>18 form.</p> <p>19 A. Can you repeat it one more time?</p> <p>20 BY MR. MORRIS:</p> <p>21 Q. Sure. Did you or anybody acting on</p> <p>22 your behalf respond to the debtor's demand for</p> <p>23 payment of all unpaid principal and interest at</p> <p>24 any time prior to the commencement of this</p> <p>25 lawsuit?</p>	<p style="text-align: right;">Page 135</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: Object to the</p> <p>3 form.</p> <p>4 A. I want – I want to answer that</p> <p>5 question as – as follows: I'm not saying on</p> <p>6 my behalf, but I know there was a lot of</p> <p>7 conversations with lawyers and business people</p> <p>8 around the notes and their shared services and</p> <p>9 the split and the overpayments to Highland and</p> <p>10 – trying to reach some amicable resolution of</p> <p>11 shared services – in fact, the entire</p> <p>12 estate – but I don't – I don't – I don't</p> <p>13 recall specifically or – what lawyers or what</p> <p>14 business people were saying what to the debtor,</p> <p>15 but I – I know there were a lot of</p> <p>16 conversations that were going on.</p> <p>17 BY MR. MORRIS:</p> <p>18 Q. Can you identify any aspect of any</p> <p>19 of the conversations you just described that</p> <p>20 pertained to the debtor's demand for payment of</p> <p>21 all unpaid principal and interest on the three</p> <p>22 notes?</p> <p>23 A. Not – not specifically.</p> <p>24 Q. Okay. There came a time when an</p> <p>25 answer to the debtor's complaint was filed on</p>

<p style="text-align: right;">Page 136</p> <p>1 Dondero - 5-28-2021</p> <p>2 your behalf.</p> <p>3 Do you remember that?</p> <p>4 A. No, but I'm willing to be refreshed.</p> <p>5 Q. Okay.</p> <p>6 MR. MORRIS: Can we please put up</p> <p>7 Exhibit 7?</p> <p>8 (Exhibit 7 introduced.)</p> <p>9 MR. MORRIS: And if we could just</p> <p>10 scroll down to the title.</p> <p>11 BY MR. MORRIS:</p> <p>12 Q. Do you see that this document is</p> <p>13 called "Defendant James Dondero's Original</p> <p>14 Answer"?</p> <p>15 A. Yes.</p> <p>16 Q. And if we scroll back to the top of</p> <p>17 the document, do you see that it was filed on</p> <p>18 the docket on March 16, 2021?</p> <p>19 A. Yes.</p> <p>20 Q. Did you personally read this</p> <p>21 document before it was filed?</p> <p>22 A. No.</p> <p>23 Q. Did you have an understanding as to</p> <p>24 the contents of the document before it was</p> <p>25 filed?</p>	<p style="text-align: right;">Page 137</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. No.</p> <p>3 Q. Did you authorize Bonds Ellis to</p> <p>4 file this document on your behalf?</p> <p>5 A. Not specifically that I remember.</p> <p>6 Q. Did you know on or around March 16,</p> <p>7 2021, that Bonds Ellis had filed "Defendant</p> <p>8 James Dondero's Original Answer" in this</p> <p>9 adversary proceeding?</p> <p>10 A. Not specifically. There's a lot</p> <p>11 going on.</p> <p>12 Q. As you sit here right now--and,</p> <p>13 again, happy to page through the document--can</p> <p>14 you tell me whether you have ever read</p> <p>15 Defendant James Dondero's Original Answer?</p> <p>16 A. Not that I recall.</p> <p>17 Q. So, as of -- and that's true as of</p> <p>18 today; is that fair?</p> <p>19 A. Can we scroll through this, please?</p> <p>20 Q. Yes. Just let us know if you want</p> <p>21 us to slow down or speed up.</p> <p>22 MS. DEITSCH-PEREZ: Yeah, just go</p> <p>23 slow enough so he could sort of eyeball</p> <p>24 each page.</p> <p>25 MR. MORRIS: You bet.</p>
<p style="text-align: right;">Page 138</p> <p>1 Dondero - 5-28-2021</p> <p>2 THE WITNESS: Yep, keep going.</p> <p>3 (Scrolling.)</p> <p>4 THE WITNESS: Hold on. Could you go</p> <p>5 back a little bit, please? It just goes --</p> <p>6 stop right there.</p> <p>7 A. I do remember paragraph 5. I think</p> <p>8 that was recently tried last week or so, but I</p> <p>9 think that was always the -- always the way it</p> <p>10 was described to me by lawyers, was that these</p> <p>11 notes shouldn't be in her Court.</p> <p>12 MS. DEITSCH-PEREZ: Okay. And I'll</p> <p>13 just -- I'll just caution the witness to</p> <p>14 not disclose communications with counsel,</p> <p>15 but it's okay if something catches your eye</p> <p>16 and you, at least, remember that part, say,</p> <p>17 "Oh, yeah, I remember that one," but</p> <p>18 without going into details as to any</p> <p>19 communications with your lawyers.</p> <p>20 MR. MORRIS: And -- and that's fine.</p> <p>21 That's fine. I'm certainly not looking for</p> <p>22 that.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. The question is really simple: Have</p> <p>25 you ever seen this document before and --</p>	<p style="text-align: right;">Page 139</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: John, I think he</p> <p>3 said he needs to scroll through it to see</p> <p>4 if anything --</p> <p>5 MR. MORRIS: I understand.</p> <p>6 MS. DEITSCH-PEREZ: -- triggers a</p> <p>7 recollection. He just said he's looking at</p> <p>8 5, yeah, that looks familiar. If you want</p> <p>9 to keep going, we could find out if there</p> <p>10 are any others that -- that look familiar</p> <p>11 to him.</p> <p>12 THE WITNESS: Let's keep going.</p> <p>13 (Scrolling.)</p> <p>14 MS. DEITSCH-PEREZ: You'll agree</p> <p>15 that most answers are not particularly</p> <p>16 memorable when they say things like --</p> <p>17 (Simultaneous conversation.)</p> <p>18 MR. MORRIS: Please stop. Please</p> <p>19 stop. Please stop talking. Please stop</p> <p>20 talking. It's inappropriate.</p> <p>21 MS. DEITSCH-PEREZ: I -- I know.</p> <p>22 It's your deposition, and you could do all</p> <p>23 this stuff, but --</p> <p>24 (Simultaneous conversation.)</p> <p>25 MR. MORRIS: Please stop talking.</p>

<p style="text-align: right;">Page 140</p> <p>1 Dondero - 5-28-2021</p> <p>2 Please stop talking.</p> <p>3 MS. DEITSCH-PEREZ: I hear you.</p> <p>4 THE WITNESS: Keep -- keep going.</p> <p>5 (Scrolling.)</p> <p>6 THE WITNESS: Okay. Keep going.</p> <p>7 (Scrolling.)</p> <p>8 THE WITNESS: It looks to me like --</p> <p>9 MS. DEITSCH-PEREZ: Keep -- let --</p> <p>10 let him go through the whole thing.</p> <p>11 THE WITNESS: Sure. Keep going.</p> <p>12 (Scrolling.)</p> <p>13 THE WITNESS: Okay. Is that it?</p> <p>14 MR. MORRIS: Yes.</p> <p>15 THE WITNESS: Okay.</p> <p>16 BY MR. MORRIS:</p> <p>17 Q. Do you recall ever seeing this</p> <p>18 document before, sir?</p> <p>19 A. The -- the substance of it, again,</p> <p>20 some of it I -- I remember, and the -- there --</p> <p>21 it strikes me as a legal argument and defenses</p> <p>22 regarding the payment of the notes, and I do</p> <p>23 remember a lot of conversation regarding it</p> <p>24 being -- it should be outside -- it should be</p> <p>25 in a different court, and it should be a jury</p>	<p style="text-align: right;">Page 141</p> <p>1 Dondero - 5-28-2021</p> <p>2 trial. And those are two main points in here,</p> <p>3 but it seems like there are a bunch of other</p> <p>4 defenses listed.</p> <p>5 Q. Okay.</p> <p>6 A. And I have -- and I have an</p> <p>7 awareness of it, but I'm not a lawyer.</p> <p>8 Q. I appreciate that you're not a</p> <p>9 lawyer; but looking at the document, does that</p> <p>10 refresh your recollection that you read and</p> <p>11 reviewed this document before it was filed on</p> <p>12 your behalf?</p> <p>13 A. I have -- I have an awareness of it,</p> <p>14 but I wouldn't -- I wouldn't have been deeply</p> <p>15 involved in its drafting or detailed approval.</p> <p>16 MR. MORRIS: Can we go to page 6 of</p> <p>17 8, please?</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. And directing your attention to</p> <p>20 paragraph 40, do you see it says, as the first</p> <p>21 affirmative defense, quote, "Defendant asserts</p> <p>22 that plaintiff's claims should be barred</p> <p>23 because it was previously agreed by plaintiff</p> <p>24 that plaintiff would not collect on the notes."</p> <p>25 Do you see that?</p>
<p style="text-align: right;">Page 142</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. Okay. Have I read that accurately?</p> <p>4 A. Yes.</p> <p>5 Q. Did the plaintiff ever agree that</p> <p>6 plaintiff would not collect on the notes?</p> <p>7 A. Yes.</p> <p>8 Q. You subsequently amended this</p> <p>9 defense; isn't that right?</p> <p>10 A. I believe so.</p> <p>11 Q. And do you understand that you</p> <p>12 amended it to add a few words relating to</p> <p>13 conditions subsequent?</p> <p>14 A. I -- I -- other than for</p> <p>15 clarification and completeness, the -- it was</p> <p>16 amended. I don't have specific knowledge of</p> <p>17 what was amended.</p> <p>18 Q. Okay. When did the plaintiff agree</p> <p>19 that the plaintiff would not collect on the</p> <p>20 notes?</p> <p>21 A. Boy, that was early on in the case.</p> <p>22 Every proposal, every POT plan, every</p> <p>23 settlement discussion never included value for</p> <p>24 notes.</p> <p>25 Q. All right. I'm going to ask the</p>	<p style="text-align: right;">Page 143</p> <p>1 Dondero - 5-28-2021</p> <p>2 question again: When did the plaintiff agree</p> <p>3 that it would not collect on the notes?</p> <p>4 MS. DEITSCH-PEREZ: Are you talking</p> <p>5 about the subsequent agreements in the next</p> <p>6 pleading?</p> <p>7 MR. MORRIS: I'm asking for an</p> <p>8 answer as to when the agreement referred to</p> <p>9 in paragraph 40 was entered into.</p> <p>10 A. First quarter of -- first quarter of</p> <p>11 2020.</p> <p>12 BY MR. MORRIS:</p> <p>13 Q. So it was after the petition date?</p> <p>14 MS. DEITSCH-PEREZ: Are you asking</p> <p>15 about the 2018 notes?</p> <p>16 MR. MORRIS: Yes, those are defined</p> <p>17 to be "the notes."</p> <p>18 BY MR. MORRIS:</p> <p>19 Q. So -- so did -- this is your</p> <p>20 defense.</p> <p>21 Is it your position, Mr. Dondero,</p> <p>22 that in the first quarter of 2020, the</p> <p>23 plaintiff agreed that it would not collect on</p> <p>24 the notes?</p> <p>25 A. I -- I -- I don't -- I want to leave</p>

<p style="text-align: right;">Page 144</p> <p>1 Dondero - 5-28-2021</p> <p>2 my testimony as what I just said a minute ago.</p> <p>3 The notes were never part of any POT plan or</p> <p>4 suggested POT plan or suggested grand bargain</p> <p>5 or suggested as having any value starting in</p> <p>6 the first quarter of '20 – or most of the</p> <p>7 year, I believe, until the – towards the end</p> <p>8 of the year.</p> <p>9 Q. All right. Was there ever an</p> <p>10 agreement between you and the plaintiff that</p> <p>11 the plaintiff would not collect on the notes if</p> <p>12 there was no grand bargain or no POT plan?</p> <p>13 A. Yeah, the – I'm sorry. Repeat</p> <p>14 again.</p> <p>15 Q. Who entered the agreement on behalf</p> <p>16 of the debtor that the plaintiff would not</p> <p>17 collect on the notes?</p> <p>18 A. (Indiscernible speech.)</p> <p>19 Agreement on – you know, the –</p> <p>20 the – you know the – I think I'm looking at</p> <p>21 this question from a perspective of the</p> <p>22 negotiation, you know, at that time and not</p> <p>23 including the subsequent conditions that were</p> <p>24 overlaid on the notes, I guess. So I guess</p> <p>25 it's a combination of both.</p>	<p style="text-align: right;">Page 145</p> <p>1 Dondero - 5-28-2021</p> <p>2 Q. I'm asking you to identify the</p> <p>3 person who acted on behalf of the debtor in</p> <p>4 reaching the agreement with you that the</p> <p>5 plaintiff would not collect on the notes. Who</p> <p>6 did that?</p> <p>7 MS. DEITSCH-PEREZ: John, I think</p> <p>8 the problem is you're referring to the</p> <p>9 debtor, so he's looking at post-bankruptcy.</p> <p>10 You might ask it two questions, one –</p> <p>11 MR. MORRIS: No. Please stop.</p> <p>12 Please stop. Please stop.</p> <p>13 (Simultaneous conversation.)</p> <p>14 MS. DEITSCH-PEREZ: You agreed to</p> <p>15 that condition. You agreed to distinguish</p> <p>16 between the debtor –</p> <p>17 (Simultaneous conversation.)</p> <p>18 MR. MORRIS: Deborah –</p> <p>19 MS. DEITSCH-PEREZ: – bankruptcy –</p> <p>20 MR. MORRIS: Deborah –</p> <p>21 (Simultaneous conversation.)</p> <p>22 THE REPORTER: I can't – I can't</p> <p>23 write two people at the same time.</p> <p>24 MR. MORRIS: This is so improper.</p> <p>25 He has –</p>
<p style="text-align: right;">Page 146</p> <p>1 Dondero - 5-28-2021</p> <p>2 MS. DEITSCH-PEREZ: It is not. You</p> <p>3 agreed –</p> <p>4 MR. MORRIS: Please let me finish.</p> <p>5 Please let me finish.</p> <p>6 He has described the conversations</p> <p>7 as taking place in 2020. I should be</p> <p>8 referring to the debtor. He is</p> <p>9 describing –</p> <p>10 MS. DEITSCH-PEREZ: Right.</p> <p>11 MR. MORRIS: – the context –</p> <p>12 MS. DEITSCH-PEREZ: But if you want</p> <p>13 to know about something that happened</p> <p>14 before bankruptcy, ask about Highland.</p> <p>15 MR. MORRIS: But I'm not. I</p> <p>16 don't – please stop interrupting.</p> <p>17 MS. DEITSCH-PEREZ: It's your</p> <p>18 deposition. If you want a muddy record, be</p> <p>19 my guest.</p> <p>20 MR. MORRIS: I would really</p> <p>21 appreciate it. I think I know what I'm</p> <p>22 doing.</p> <p>23 BY MR. MORRIS:</p> <p>24 Q. Mr. Dondero, who, on behalf of the</p> <p>25 debtor, during these conversations about a</p>	<p style="text-align: right;">Page 147</p> <p>1 Dondero - 5-28-2021</p> <p>2 grand bargain and a POT plan told you or</p> <p>3 entered into the agreement that the plaintiff</p> <p>4 would not collect on the notes?</p> <p>5 A. I – I – during the bankruptcy,</p> <p>6 we're talking about, right?</p> <p>7 Q. I'm just following up on your</p> <p>8 statement that the conversation – that the</p> <p>9 agreement was entered into in the first quarter</p> <p>10 of 2020.</p> <p>11 Do I have that right, or is that</p> <p>12 wrong?</p> <p>13 A. Well –</p> <p>14 Q. Let's start again. Let's start</p> <p>15 again.</p> <p>16 This affirmative defense refers to</p> <p>17 an agreement. Do you see that?</p> <p>18 A. Yes.</p> <p>19 Q. This is your affirmative defense;</p> <p>20 isn't that correct?</p> <p>21 A. Yes.</p> <p>22 Q. And according to this affirmative</p> <p>23 defense, the agreement was that the plaintiff</p> <p>24 would not collect on the notes. Do I have that</p> <p>25 right?</p>

<p style="text-align: right;">Page 148</p> <p>1 Dondero - 5-28-2021</p> <p>2 A. Yes.</p> <p>3 Q. Let's start with: When was that</p> <p>4 agreement entered into?</p> <p>5 A. Okay. I'm going to have to parse,</p> <p>6 and I'm going to have to answer your question</p> <p>7 as accurately as I can.</p> <p>8 The subsequent conditions for</p> <p>9 forgiveness of the notes were established</p> <p>10 during a comp period in early 2019 for these</p> <p>11 notes that were drafted in '18.</p> <p>12 And the agreement was reached</p> <p>13 with – I believe it's a majority of, whatever,</p> <p>14 the Class A holders in the fourth amended</p> <p>15 Highland Capital partnership – partnership</p> <p>16 agreement. And that's what set up the</p> <p>17 subsequent conditions and the ability for the</p> <p>18 loans to be forgiven.</p> <p>19 When you get into bankruptcy,</p> <p>20 whether it was Seery, the independent board, or</p> <p>21 whoever, no one ever put any value nor was it</p> <p>22 ever included in any – were the notes included</p> <p>23 in any settlement discussions, period.</p> <p>24 Q. All right. So, it's your testimony</p> <p>25 that the debtor in settlement negotiations</p>	<p style="text-align: right;">Page 149</p> <p>1 Dondero - 5-28-2021</p> <p>2 never, ever, ever asked for or demanded the</p> <p>3 repayment of any unpaid principal or interest</p> <p>4 under these three notes?</p> <p>5 That's your sworn testimony?</p> <p>6 A. No.</p> <p>7 Q. So how did I get that wrong, then?</p> <p>8 A. Well, a few minutes ago we went over</p> <p>9 a letter from the debtor making a demand, but</p> <p>10 that was, I believe, this year or – yeah, I</p> <p>11 believe that was this year or the end of '20.</p> <p>12 What I'm saying is through '20, the</p> <p>13 full year of '20 when we were trying to work on</p> <p>14 a POT plan or global settlement before Seery</p> <p>15 betrayed the estate, we were – we never –</p> <p>16 there was never value assigned to the notes.</p> <p>17 Q. And you never offered to make any</p> <p>18 payment of any kind, principal or interest, on</p> <p>19 any of the notes in connection with any</p> <p>20 proposal you ever made as part of the grand</p> <p>21 bargain or POT plan; is that right?</p> <p>22 A. I think – I believe on the – not</p> <p>23 through 2020. I'll say that.</p> <p>24 By the time 2021 came along, on the</p> <p>25 eve of trial when I sent over a capitulation</p>
<p style="text-align: right;">Page 150</p> <p>1 Dondero - 5-28-2021</p> <p>2 offer – I think it was even titled that – I</p> <p>3 think I threw more money than everybody</p> <p>4 deserved or was entitled to, to try and resolve</p> <p>5 it. And implicitly, there was – because it</p> <p>6 was more than everybody was entitled to, I</p> <p>7 think implicitly it included value for the</p> <p>8 notes.</p> <p>9 Q. And is it your testimony that at no</p> <p>10 time prior to the delivery of the demand letter</p> <p>11 did the debtor ever make an offer to you or –</p> <p>12 of any kind that included any repayment of any</p> <p>13 principal or interest due under the three</p> <p>14 notes?</p> <p>15 A. I'm willing to be refreshed, but not</p> <p>16 that I recall.</p> <p>17 Q. Okay. And is it your testimony that</p> <p>18 anybody acting on behalf of the debtor ever</p> <p>19 agreed not to collect on the notes?</p> <p>20 A. I'm sorry. Repeat that one more</p> <p>21 time, just –</p> <p>22 Q. Is it your testimony – withdrawn.</p> <p>23 Did anybody acting on behalf of the</p> <p>24 debtor ever agree with you that it would not</p> <p>25 collect on the notes, irrespective of whether</p>	<p style="text-align: right;">Page 151</p> <p>1 Dondero - 5-28-2021</p> <p>2 there was a settlement?</p> <p>3 MS. DEITSCH-PEREZ: Object to form.</p> <p>4 A. Yeah. Again, that was my</p> <p>5 understanding through 2020.</p> <p>6 BY MR. MORRIS:</p> <p>7 Q. Do you have –</p> <p>8 THE WITNESS: Let's – let's –</p> <p>9 before the next question, let's take a</p> <p>10 ten-minute break, ten-minute bathroom</p> <p>11 break, please.</p> <p>12 MR. MORRIS: No problem.</p> <p>13 MS. DEITSCH-PEREZ: Okay. We've</p> <p>14 been going an hour, so we'll come back</p> <p>15 at – 10:30, come back at 10:40?</p> <p>16 MR. MORRIS: That's fine. Thank</p> <p>17 you.</p> <p>18 (Recess held.)</p> <p>19 BY MR. MORRIS:</p> <p>20 Q. Is the agreement that you're</p> <p>21 referring to and that's referred to in</p> <p>22 paragraph 40, is that reflected in any document</p> <p>23 that you're aware of?</p> <p>24 A. Not that I'm aware of.</p> <p>25 Q. And I believe you mentioned – and</p>
